## Broncs, Tigers Meet Friday In Final Game

The McLean Tigers will close out their 1952 football season when they travel to Clarendon Friday night to meet the late-coming Broncs in a District 1-A contest. The game will start at 7:30 o'clock.

The outcome of the game will have no bearing on the district championship, however. On the same evening, Lefors and White Deer will meet in Lefors to determine the winner of the district, since only these two teams have a 3-win, 1-loss record in District 1-A—the most muddled-up district in the state this year. Before the three conference games last week-end, the entire six teams had mathematical chances of being tied for the title this final week. But both White Deer and Lefors won, and since they meet each other, no other team has a chance at the title.

McLean will be favored to whip the Broncs, a team which has been able to copy only one victory in nine starts. But injuries to key players have kept the Clarendon eleven from having a more successful season.

The Broncs are led by a hard-running back named Cotton Hall. Hall led the Clarendon group to their lone victory over the Panhandle eleven.

## 1953 Plymouth On Display Now At Hibler Firm

The 1953 Plymouth is being presented to the public throughout the United States today, Guy Hibler, of the Hibler Truck and Implement company, has announced.

"Advanced engineering and styling make the new Plymouth more than ever before the outstanding car of the low-priced field."

The 1953 Plymouth is on display at the Hibler showroom now.

The 1953 Plymouth is the most completely new Plymouth to be presented to the public in the quarter-century since the original model rolled off the assembly line.

Plymouth Motor Corporation executives predict motorists will be delighted with the new, streamlined exterior, the luxuriously tailored harmonizing interiors, the increased horsepower and the scores of engineering innovations in the 1953 line.

## Lions Minstrel Show to Be December 8

The Lions Club minstrel show will be held only one night instead of the two nights originally planned, members of the club decided Tuesday at their regular meeting. Date for the minstrel will be Monday, December 8, with the curtain rising at 8 o'clock.

Tickets for the show are now on sale at the Southeastern Public Service company office. Reserved seats, which include general admission, are \$1 each; general admission for adults is 75 cents; and general admission for children is 35 cents. A sketch of the reserved seat section may be seen at the public service office so that those buying such seats will be able to determine where they would like to sit.

Members of the chorus have been practicing as often as possible during the past two weeks. Larry Fuller, chairman of the committee in charge of arrangements, reported. Bill Day is directing the chorus.

End men, those jokesters who make up the "backbone" of a minstrel, have also been getting in their practice sessions. Hickman Brown is in charge of the end men rehearsals.

Specialty acts will include singing, dancing, readings, and other musical numbers. Most of these acts have already been lined up.

Only two or three full-cast rehearsals are planned for the show. The various parts of the show are being practiced in the various groups—or by individuals—and then all parts will be put together in the full-cast rehearsals.

Mr. and Mrs. C. M. Eudey left Sunday for a two-months visit in Long Beach, Calif., in the home of their daughter, Mrs. Melford Fennell and family.

Mr. and Mrs. Tom Wood of Odessa spent the week-end here in the home of Mr. and Mrs. George Terry.

## Christmas Decorations, Contests, Santa Claus Visit Again Planned

### Shirley Allison Named Winner Of Press Club Beauty Parade

Miss Shirley Allison, daughter of Mr. and Mrs. Clifford Allison, was crowned beauty queen of McLean High School at the conclusion of the annual Beauty Parade sponsored by the Press Club last Thursday night in the high school auditorium.

Placing second in the contest was Miss Bonita Bailey, daughter of Mr. and Mrs. Bill Bailey; third place went to Donna Gail Stubblefield, daughter of Mr. and Mrs. Earl Stubblefield.

Miss Allison, sponsored by Corinne's Style Shop, was crowned by B. W. Duncan when three out-of-town judges made their final decisions. Miss Bailey was sponsored by Dysart Motor company, and Miss Stubblefield by The McLean News.

The judges, unable to decide on the final winner following the first appearance of the 28 girls, called five girls back for a second appearance. Others, besides the three named, were Lorraine Medley and Dortha Chase.

As each of the girls stepped on the stage from the rear of the stage, she posed before a beautiful archway. She then proceeded toward the audience, turned once, and walked from the stage. As each girl appeared, Miss Norma Watson played the girl's favorite music.

Other girls entered in the contest included Betty Jo Allen, Joyce Bruner, Laura June Stubblefield, Mary Graham, Billie Sue Pettit, Barbara Wilson, Doris Bybee, Christine Hunt, Pat Patterson.

Sue Glass, Betty McClellan, Nedra Graham, Bethle Mantoath, Gene Havens, LaJune Chilton, Genea Cubine, Sue Lively, Sue Chase, Harlene Moore, Virginia Beck, Colleen Crockett, Texetta McCurley, and Zonia Mae Baker.

MOULTON KING dies as he lived

## Moulton King Found Dead In Cabin Room

A pioneer resident of the area, who had lived a strange, somewhat mysterious life to himself for the past 45 or 50 years, came to his death last week in the same strange manner in which he had lived.

He was Moulton S. King, eccentric recluse, known to most local residents as simply Moulton, but never known too well by any of them.

King was found dead in his cabin at the Hugg tourist courts last Friday evening. Coroner C. S. Rice, justice of the peace, returned a verdict of death by either natural causes or asphyxiation.

The body was discovered when sickening odors began to come from the room in which Moulton had made his home for most of the past two years. A fire was burning high inside the room, and the odor was very strong when entrance to the room was gained by Rice, Constable Luke

## Lions to Lead Sponsorship of Annual Activity

Sponsorship of the annual Christmas activities, including the holiday lighting downtown, the home decorations contests, and the annual visit of Santa Claus, will again be led by the McLean Lions Club.

Decision to aid in the activities again this year was made at the regular Tuesday meeting of the Lions Club.

Both the McLean Junior Chamber of Commerce and the American Legion are to be invited to aid in the activities. Last year, all three organizations served as joint sponsors and it is expected that all three will again cooperate.

The annual program of activities is financed by soliciting contributions from business firms and individuals in McLean. A committee of J. Lester Dysart, E. J. Lander, and Larry Fuller was named by Odell Mantoath, acting president, to make all arrangements for the activities, and to name workers for the solicitations. Soliciting of the funds was scheduled to start Wednesday. It is estimated that between \$200 and \$300 will be needed to finance all phases of the program.

Highlight of the activities will, of course, be Santa's annual visit to McLean. For the past several years, the white-whiskered gent has been here on a Saturday, usually a week or so prior to Christmas, and handed out candy to the youngsters. Several hundred children show up to see Santa.

The downtown decorations will consist of the lights strung across the streets, plus the usual accompanying holly material. In addition, many merchants add to the holiday atmosphere by decorating their own windows.

The home lighting contests have varied in the past few years. Last year, no divisions were made in the contests, and first, second, and third place awards were given for the most beautifully-decorated homes. In addition, one prize was given for the best business window.

Mrs. W. T. Eldridge was a visitor in Groom Monday.

## Ronnie McCracken First to Turn in Letter to Santa

The first letter to Santa Claus for Christmas of 1952 has been received by The News, and other children are requested to turn their letters in as soon as possible.

Ronnie McCracken of Alanreed was the first to send in his letter. The letter, along with scores of others received within the next three or four weeks, will be published in the annual Christmas edition of The News, to be forthcoming the week of December 25.

Teachers in the lower grades are requested to have their students write their letters to Santa in class and bring them to The News office in a group. The News is in hopes of receiving as many letters as soon as possible.

## Did Ya Say Football? Ah, Yes!

Brother, you ain't seen nuthin' yet!

'For the football game that will probably top all other football games ever played in the Panhandle, or perhaps even in the state or nation, fans are invited to meet at Duncan Field Sunday afternoon at 3 o'clock for a brief work-out.

The game is scheduled to start at 3 o'clock on that Thanksgiving afternoon, November 27. And nobody knows when it will be over. Time-outs, and there will surely be lots of them (for all would-be players will be needing to rest frequently), may be so numerous the game might even have to be called on account of darkness.

Admission will be 75 cents for adults, and 35 cents for children.

By 3 o'clock, standing room only will likely be available, so all fans are urged to be on hand.

Activities at the half will include the crowning of the week eleven will be played (pardon us, we mean played).

The members of both squads are asked to meet at Duncan Field Sunday afternoon at 3 o'clock for a brief work-out.

## McLean Defeats Canadian Wildcats by 19-6 Score

In Brief: Mc Can First Downs 13-11 Yds. Gain Rush 140-120 Yds. Lost Rush 7-23 Yds. Gain Pass 23-87 Net Yds. Gain 156-184 Pass. Compl. 2 of 11 4 of 18 Pass. Incep. by 2-1 Oppon. Fum. Rec. 0-1 Punts 4-2 Punt. Aver. 32-29 Pen. Rec. 4 for 40 5 for 45

Deer tied for the lead with three victories and one loss each; McLean and Canadian with two wins and two losses; and Clarendon and Panhandle with one victory and three losses. McLean might still have a chance, but Lefors and White Deer meet each other, and the winner of that game will be the district champ. All other teams have now lost their mathematical chance.

The Tigers scored early in the second quarter, and never relinquished the lead. The Wildcats threatened several times, but couldn't get the ball across until in the final minutes of play.

Wayne Smith, who shared the ball-carrying with Eddie Reeves, snagged two Canadian runners who appeared to be loose for touchdowns. The first was a 64-yard pass play, the runner, Orla Curmatt, apparently headed for pay dirt without trouble; but Smith overtook him and hauled him down in the 11. Later in the game, another Wildcat got loose on an end run, seemingly had the touchdown route cleared, but Smith again caught up with him and hauled him in.

Both teams played good defensive ball, as is indicated on the short yardage for both teams. The passing defense of both teams was also good, although neither of the teams did very accurate passing.

The scoring plays were as follows: The Wildcats took over in the first period on a fumble by Reeves, recovering on their own 49. They moved the ball to the 17, but a bad pass from center caused a loss back to the 31, and the scoring threat never materialized. From that 31-yard stripe, the Tigers took over and started downfield. Eleven plays and three first downs moved the ball to the 19. One pass fell incomplete, and three line plays by Reeves and Smith got the ball to the 7. Reeves moved it to the 1, from where Smith hit left guard to

score. Rodney Gunn converted, making the score 7-0. The score came early in the second quarter. The Wildcats started another drive, getting to the 9 as the half ended. However, had the half not come at that time, the ball would have gone to McLean on downs, anyway. The scoring threat was set up by a pass from Dean Hoover to Orla Curmatt good for 64 yards.

In the third quarter, Smith intercepted a pass from Raymond Rameriz, returning it to the Canadian 44. Smith and Reeves alternated in carrying, getting to the 10-yard stripe in seven plays. From there Reeves hit right tackle and scored. Gunn failed to convert, and the score was 13-0.

Canadian came right back with a drive, moving all the way to the 2-yard line before losing the ball on downs. Reeves punted out to the 35. The Wildcats were able to make one first down, but lost the ball on downs on the

McLean 21. Five plays later, J. T. Hill intercepted a Reeves pass on the Canadian 41. On the next play, B. W. Duncan intercepted Rameriz' pass on the 47. Five plays later, the Tigers had moved the ball to the 20. Then Canadian suffered a 15-yard penalty for illegal use of the hands, moving the ball to the 5. From there Reeves hit right tackle to score. Gunn's kick was to one side, and the score was 19-0.

Then the confusion really started, and resulted in one penalty for Canadian, two for McLean. When the smoke cleared, Canadian had the ball on the McLean 16. McLean had punted to the 31, from where Rameriz carried it back to the 16. Rameriz then passed to Clyde Cain, who stepped over the goal to give the Wildcats their only score. Pat Tipps' attempt to run the ball for the extra point failed, and the score was 19-6. The game ended two plays later.

## Cage Season to Open Monday With College Tilt, Girls' Game

The basketball season for McLean fans will open here Monday night in the Municipal Building, when spectators will be treated to a junior college game as well as a girls' game.

The college game will be between the Clarendon Junior College quintet and the Sayre (Okla.) Junior College five. McLean's girls will meet the

Miami girls in the opener at 7 o'clock, Coach Don Leach said.

Most of the boys on the Sayre team will be unknown to any local residents. However, on the Clarendon team are a number of boys who have been seen in action in high school games here in the past. Included in these are Dale Bradley, Duane Reynolds, and Don Dorman of Samnorwood, Jack Neely, George Stephens, and Garland Fielding of Quail, and Tommy Messer of Memphis.

The college game will be held immediately following the McLean-Miami girls' game. The following Tuesday night, November 25, at 7:30 o'clock, the local girls will play the Happy High School girls in A and B games. The Happy team is reported to be unusually strong this season, Leach said.

The McLean girls got off to a good start on their season Tuesday night of this week, when they downed a strong Gruver sextet 60 to 47. Bonita Bailey led in the scoring with 42 points, her highest one-game scoring spree since she has been playing. The B girls downed the Gruver B girls 40 to 18. McLean's boys team will not begin workouts until the week after Thanksgiving, and will play their first game early in December. Leach has entered the girls' team in the tournament of championships in Lubbock the week-end of December 11, 12, and 13. The annual McLean tourney will be held the following week-end, December 18, 19, and 20.

Gossip (More or Less)

The last of school football for the season will be played here Tuesday afternoon, when the Broncs of McLean and Clarendon meet on Duncan Field. Coach Leach announced this week. The game is scheduled to start at 7:30 o'clock.

Fire damaged the ceiling of the room of the home of Hack Curley, about two and one-half miles east and south of McLean, Tuesday morning. Firemen answered the call to the house about 3 o'clock in the morning, but the blaze had been extinguished by the time firemen arrived. Damage was limited to the room. It was reported.

A 1946 Chevrolet belonging to a McLean resident was stolen at 9:30 o'clock last Thursday morning from in front of the car wash. The car had been cleaned by Wednesday of the week. Crockett stated that he did not miss the car until late in the afternoon, believing that his car had been driven away, but later learned that it was a local resident.

The vehicle was the second in a series of cars that have been stolen in the area. A pickup belonging to the Woods was taken from in front of his home recently, but was found a few days later.

Geraldine Florey, daughter of Mr. and Mrs. R. G. Florey of McLean, is among the 21 finalists of the Buffalo Gals, servicer organization on the campus of Texas State College, Canyon. A sophomore, Miss Florey is majoring in art.

Mr. and Mrs. Kenneth Wright of Pampa have moved to McLean to make their home. The children are a girl, aged 2 years, and a boy, 8 months. Wright has accepted work at the Dysart Motor company, and can his work there last week-end. He has been employed at Pampa's Body Shop in Pampa since 1946.

A final compilation of contributions to the funds of the Tiger Recreation Club brought the total amount collected by C. L. Gentry to \$193.70, he said last week. The money was used to buy meals for the local Tiger football team following each of the home games. Gentry explained that the funds collected from local fans actually totaled \$156; however, the total food was \$103.70, and Gentry made the difference as his contribution. Contributors not previously listed include Gentry, O. L. Roberts, R. D. Patterson, Dawson Armolia Station, E. C. Bragg, Ernie Trimble, and Boyd Under.

About two weeks ago Arthur Erwin, local insurance man, received the following letter along with a \$5 bill:

"Mr. Erwin: Here is \$5.00 to go for notebook paper I got about paying for when you were due store. I. M. Sorry."

Erwin stated that he went out the drug business in 1939, and the paper may have been from any number of years prior to his leaving the business. He had had no idea of the identity of the person sending the money.

Arthur Frazure, 74 years of age, Sallis, Miss., died November 4. He was an uncle of J. H. Jenkins of McLean.

### Mrs. Fast Entertains

On Tuesday of last week the Presbyterian Ladies Aid, together with other friends, repaired to the Fast home north of town in response to an invitation given by Mrs. Fast. The day was bright and calm, making complete arrangements for an ideal time.

The ladies found many baskets of neatly torn carpet rags ready to be tacked, and eagerly sought needle and thread to begin the pleasant task. A continual round of conversation was engaged in until the hostess announced dinner, the variety of which has never been equalled on such occasions as these. But these feasts are safe, as this is not the first time the ladies have been entertained by Mrs. Fast.

After dinner the meeting was called to order by the president with an appropriate scripture reading, followed by a prayer by Mrs. George Sitter. The society presented Mrs. Sidnah Quest with a silver token, she being a bride of only a few months and a former member of the society. She was also the recipient of many lovely gifts from individual friends. The remainder of the evening was spent in the enjoyment of an impromptu program of recitations, vocal and instrumental music, etc. There were 30 guests present.

### Crabtree Resigns

At a meeting of the town council on last Friday afternoon, Councilman J. L. Crabtree handed in his resignation effective at once, and his place was filled by the appointment of W. C. Cheney.

Mr. Crabtree has been a member of the council since the town was incorporated three years ago and has been the most faithful and punctual in his attendance upon the duties thereof of any of the members on the board.

The reason for the action taken was the fact that he was to be inducted into the office of county commissioner the first of this week. If his record in the county affairs is marked by the same public spiritedness and unselfish energy as was his record in the council, the people will not have cause to regret his election.

**Built with features usually reserved "for big trucks only" — that's why GMC's last longer!**

THERE'S extra value in a GMC pickup, stake or panel truck because there's extra quality in the way it's built—a long list of heavy-duty features that are usually reserved by other manufacturers for their "big trucks only."

First, there's the sturdy, truck-built valve-in-head engine—protected against wear and breakdown by the same features you find in the big 200-H.P. GMC's; Toledo-Hardened crankshaft, airplane-type main and rod bearings, full-floating piston pins

and rifle-drilled connecting rods carrying full-pressure lubrication all the way to the piston pins.

There's extra stopping power in a GMC's burly brakes, extra strength in its deep truck frame—extra comfort in a GMC's longer "pillow-action" springs, extra ease in a GMC's recirculating ball-bearing steering.

They're features usually reserved for "big trucks only"—yours in a GMC at no extra cost. You won't find a better truck on the market!

## UNSOLVED PROBLEM

**THE EMBITTERED**, high-powered campaigning that marked the closing weeks of the presidential race largely drove from the headlines many a news story of long-pull significance—even as it diverted public attention from developments of top importance to the entire world. High on the list have been the course of the cold war and the status of the hot war in Korea.

Certain facts seem to be self-evident. First, the idea, which was hopefully held some time ago in various quarters, that the Soviet Union wished to come to some sort of reasonable terms with the United States, no longer has credence. It is clear that the only terms in which the Politburo is interested are those which would work 100 per cent to Russia's advantage. In his last major speech, before the U. N. General Assembly, V. Shinsky followed the standard Soviet line for well over an hour, accusing this country of practically every crime in the calendar, including the germ warfare charge, and the assertion that the Korean war was being deliberately prolonged so as to profit American billionaires who lust for blood money.

Second, current Soviet strategy has as its basic aim the splitting of the Western powers, to be followed ultimately by the isolation of the U. S. This certainly isn't a new technique, but the work is being intensified. Soviet officials are being very polite these days to certain of the Western nations—particularly those in which there are substantial anti-American blocs, and in which the governments are something less than stalwart in their allegiances. The officials are trying hard to sell the idea that Russia has no designs on these nations, and wants to be friends.

Third, Russia is going all out to strengthen and harden her agents and sympathizers in the Western countries, with special emphasis on the U. S. The American Communist party has in large part gone underground. It is reported that membership requirements have been greatly stiffened—no weak sisters are wanted. It is also

reported that Russia's system of schooling her foreign agents is really in high gear. The curricula is an extensive one, including everything from propaganda techniques to how to sabotage industrial plants, power and rail systems, and other key installations.

Fourth, the problem of what to do about Communists in our government is more crucial than ever. The testimony of General Walter Bedell Smith, head of our top intelligence agency, in this regard was most revealing. General Smith, an extremely able officer who was Eisenhower's Chief of Staff during World War II and afterwards ambassador to Russia, said that communists had wormed their way into important places in his agency and elsewhere. Also revealing is the charge of the Senate Internal Security subcommittee that American communists have gained key positions in the United Nations Secretariat.

Last, but certainly not least, it is clear that we are as far from a Korean truce as ever, that no one in a responsible position has any definite plan for ending the bloody struggle, and that the Kremlin will do everything possible to keep it going and to force us to spend material and manpower there in an endless stream.

The campaign is over, the candidates have said their says, and the people have supplied the decision. But the great problems confronting the American government and the chosen representatives of the American people remain.

## LES TALK

By LESTER

Maybe you tire of the little stories I tell now and then of daughter Chris, but this one I just have to relate.

For a long time, she has wanted a baby brother. When James Amos Page was born to Lois and Amos Page, Chris went to see the baby while it was still in the hospital nursery.

The other day, her mother visited Bruce's Nursery near Alan-land, and when she returned, she told Chris where she had been.

"Why didn't you bring me my little baby brother?" was the prompt reply from Chris.

"Perhaps we should have told her about the stork, instead of the nursery."

Each year the Beauty Parade, sponsored by the McLean High School Press Club, becomes even more beautiful. Or perhaps we forget from year to year just how pretty the girls looked the last time.

At any rate, the affair last Thursday night certainly featured numerous beauties. The judging must have been most difficult, for every one of the girls was pretty. And their dresses were very nice. It's too bad that all of the girls can't win in such contests.

Miss Betty Lynch, the Press Club faculty sponsor, is to be complimented on the successful Beauty Parade.

Incidentally, I was happy to find, upon leaving the building that the west door on the front of the building had been opened to facilitate exit of the crowd which attended.

This time of year is stamp time. Used to be, about the only stamps which any organization sent out were those called Easter seals. Now it's quite common. Three batches have hit me in the past week, and, of course, a person feels kinda like a heel if he sends them back.

However, this week just about everybody in our area should receive a sheet or two of stamps from the Gray County Tuberculosis Association. The sale of these stamps will aid in maintaining the services of that most worthy organization during the coming year. As a member of the board of directors of the association, I urge you to send all you can to the association for the stamps you receive. As a private citizen, I shall do just that.

These stamp sales will benefit people right here in our own area. We have been prone, during the past few years, to relax in remembering the horrors of T. B.; I suppose the polio epidemics our country has been undergoing have over-shadowed the fact that people are still being crippled—and killed—by T. B. Let's not forget that T. B. is still a horrible disease, and such groups as the Gray County Tuberculosis Association need your help to combat the disease.

Just a week from today is Thanksgiving. Next week's issue

of The News will be placed in the mails on Wednesday, so that we may close up for Thanksgiving. If you go anywhere on Thanksgiving, drive very carefully, for the roads will be loaded with traffic.

The big beautiful car drew up to the curb where the cute working girl was waiting for a bus. A gentleman stuck his neck out and said, "Hello, I'm driving west."

"How wonderful," said the girl. "Bring me back an orange."

On Thanksgiving Day, you know, the Jaycees will meet the firemen in a football game. When I read the following joke, I immediately thought of that coming game, and figured you might like this story also.

The situation was desperate. They were in the closing seconds of the big game of the year, the opponents led 3 to 0, and the coach decided to send in a big boy with a strong back but a weak mind. "What do you want me to do?" asked the dope.

"Why, make a touchdown, of course," said the coach. The sub rushed in, grabbed a fumble, raced down the field, hit

Rites Are Held For Mrs. Collier

Funeral services for Mrs. Mary E. Collier of Amarillo, former resident of McLean, were held Monday morning at 11 o'clock at the Griggs Pioneer Chapel in Amarillo, with Dr. Carl Bates, pastor of the Amarillo First Baptist Church, officiating. Death came to Mrs. Collier early Saturday morning in the Amarillo Osteopathic Hospital. She was 91 years of age.

Burial services were held in Hillcrest Cemetery in McLean Monday afternoon at 3 o'clock. She was buried beside her husband, J. L. Collier, who died in 1926.

Mrs. Collier was a native of Huntsville, and was born September 4, 1861. She had lived in Amarillo for the past 12 years, moving there after making her home near McLean for many years. She was a member of the First Baptist Church in Amarillo, and the McLean chapter of the Order of Eastern Star.

Survivors include two sons, W. C. Collier of Amarillo and J. H. Collier of San Fernando, Calif.; two daughters, Mrs. Ethel Hodges of Amarillo and Mrs. I. C. Unsell of Groom; 13 grandchildren, 18 great-grandchildren, and one great-great-grandchild.

King—

(Continued from page 1) Henley, and J. C. Claborn of the Claborn Funeral Home.

The body was badly decomposed when removed from the room. Rice established King's death as Monday, November 10. He was last seen by other residents of the court Sunday evening, when he told others that he was retiring for the night.

Funeral services were held Saturday afternoon at the First Baptist Church, with Dr. Buell T. Wells, pastor, officiating. Burial was in Hillcrest Cemetery under the direction of the Claborn Funeral Home.

King was born August 7, 1872, in Murfreesboro, Tenn. He attended school in Range County, and another pioneer resident of the area, John Sparks, recalls that King was a schoolmate of his in that county.

Sparks also recalls that King was an unusually intelligent student, and that he moved to Dallas after leaving Range County. He taught school either in Dallas or near Dallas for some time, prior to moving here.

But about 45 years ago, King decided to segregate himself from other people, and moved to a farm near Alanreed, a farm owned by one of his brothers. For many years, King made his home on the farm, living in a half dug-out which became a sort of a landmark to people of the area.

He continued to live to himself, although he made frequent trips into town, oftentimes walking in from the farm. He was widely-read, and could converse with intelligence on a large variety of subjects; yet his peculiarity of character kept him from being considered as a friend to many people.

Survivors include two sisters, Mrs. N. W. Carter of Nashville, Tenn., and Mrs. H. W. Edwards of Warren, Ariz.; and three brothers, Harry J. King and J. Carter King, both of Albany, and J. Rufus King of Dallas.

GROWING PAINS

In Gray County By FOSTER WHALEY

Two cars of hay have been received in McLean from Wisconsin under the government emergency hay program. Some of it was good hay and part of it wasn't up to snuff. More hay is expected in the near future. The ones receiving hay were Karl Adams, Guy Beasley, and M. E. Brown.

I have in my office several application blanks for windbreak seedlings from the Texas Forestry Service. The price of these seedlings is \$1.50 per hundred, or less than cost of producing, packing, and mailing them. The varieties are red cedars (two years old this year), Chinese elms, honey locust, cottonwood, Osage orange, Austrian pine, ponderosa pine, and others. If you will drop me a card at Box 1621, Pampa, I will be glad to assist you in getting the seedlings.

I have had a few people ask me who your county trapper is. He is Tom Waters, Lefors. Incidentally, he bagged 85 coyotes last month.
