**EXTERIOR LIGHTING FOR THE ALAMO:** The Cradle of Texas Liberty, the Alamo in downtown San Antonio, will soon have a complete new lighting system. A General Electric lighting system, donated by the company, will provide illumination of the Alamo Chapel. Spotlighting will be directed

at the Cenotaph, a memorial to the 187 men who died in the defense of liberty. The lighting, which will create an effect comparable to that shown in this artist's rendering, is expected to be installed within 90 days.

## ELECTIONS AHEAD FOR CITY, SCHOOL

### VOTING SET ON SATURDAY AND TUESDAY

Interest in next Tuesday's city election was beginning to stir Wednesday with the announcement of a write-in campaign to re-elect Mayor John C. Haynes, who did not file as a candidate for another term.

Before this matter is settled, however, voters in the McLean Independent School District will go to the polls Saturday to choose three trustees.

There are no contests in the school election. Three seats are to be filled on the board of education, and there are three candidates for these posts—Incumbent Jim Hathaway, Dr. H. F. Fabian and George Orrick.

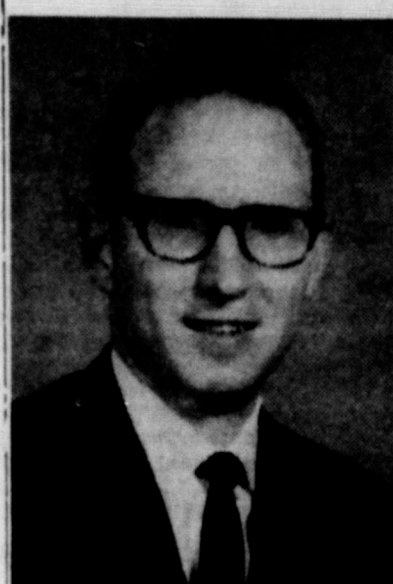

The three-year terms of Hathaway and Guy Beasley are expiring, and voters also will name a replacement for Ted Simmons, who has moved to Tulia.

Voting at City Hall will be from 8 a.m. to 7 p.m. at city hall.

The same hours will be in effect at the same location for the city election on Tuesday, when local residents will pick a mayor and two aldermen.

Boyd Meador, now finishing a term as alderman, has filed for re-election as alderman, and Ted Raines and Joe D. Smith are candidates for the city commission position being vacated by Meador.

The campaign to elect Mayor Haynes to another term was kicked off Monday, after he agreed to serve if elected by write-in votes.

### Rev. Dan Cooper To Preach at Revival Beginning Tonight

An 11-day revival will begin tonight at the First Baptist Church, with a former resident of McLean serving as evangelist.

Rev. Dan Cooper, now pastor of the Western Hills Baptist Church in Fort Worth, will preach at two services daily during the revival scheduled to end on April 11.

He is the son of Mr. and Mrs. John Cooper, formerly of McLean and now of Tucumcari, N. M., and the grandson of Mr. and Mrs. George Colebank of McLean.

**Two Services Daily**  
Song leader will be Ken Robinson of the San Jacinto Baptist Church in Amarillo.

Services will be at 10 a.m. and 7:45 p.m. daily, according to Rev. Dan Cooper, First Baptist pastor. The public is invited to attend.

"Welcome Night" will be observed at the church tonight. A prayer time at 7:15 p.m. will precede each evening service.

### FIRE DAMAGE SOME \$4,500

#### Much Football Equipment Lost

Damage is estimated at \$4,500 in a fire Sunday afternoon at the McLean football stadium field house.

Supt. Jack Riley said this amount is the estimated loss to both the building and contents. The loss is covered by insurance.

Flames were contained in the east dressing room, used by grade school students, where the fire apparently started when heat from a water heater vent set fire to the wall.

McLean volunteer firemen answered the call, turned in by an unidentified child, at about 5:50 p.m. Sunday. The child had seen smoke pouring from the building. Much football equipment used by junior high students was destroyed in the blaze.

Local firemen quickly extinguished a grass fire west of town Wednesday night of last week.

The fire, on the Rock Island Railroad right-of-way, was believed set by a passing train just west of the Triangle Ranch Feed and Cattle Co.

### RUNNERS WILL ENTER RELAYS

Harry Tate and John Bible, who took second places for the McLean High School track team last week in Panhandle, will enter the annual Amarillo Relays this weekend.

Coach Fred Hedgecock said he plans to take the two youths, the most promising from the local squad, to the popular Amarillo event.

Tate will enter the 880-yard dash and Bible the mile run.

Other members of the local track team will be competing this weekend in the Lefors Relays, which begins Friday.

In last Saturday's Panhandle Relays, Tate finished second in the 880 and Bible second in the mile run.

**Close to Record**  
Tate was only three-tenths of a second off the relay record, with a mark of 2:06.6. The old record of 2:06.3 was set last year.

Fred Banes of Phillips established a new mark of 2:05.8 on Saturday.

The two second places gave McLean a total of 16 points for the meet, which was won by Phillips.

Junior high tracksters also will be seeing action this weekend. The seventh, eighth and ninth grade boys will enter an invitational meet at Shamrock on Saturday.

McLean's Tigers are to host the District 2-A meet here on April 13.

### Closing for Election

The McLean city hall will be closed Saturday and Tuesday for the school and city elections, according to Mrs. Stella Lee, city secretary.

### Begins Monday at White Deer

## Local Students To Enter Spring Meet

The District 2-A Spring Meet begins next Monday at White Deer, and several McLean High School and Grade School students are entered in the various contests.

Local entries include:

High school ready writing—Keith Watson and Judy Kingston; Lana Grogan, alternate.

Grade school ready writing—Becky Shelton and Mike Darsey; Ginger Fuller and Marsha Hunt, alternates.

High school spelling—Joyce Saunders and Amanda Dalton; Sharon Sitter, alternate.

Seventh and eighth grade spelling—Joe Parr and Mike Haynes; Gerald Phipps and Carroll Phipps, alternates.

Fifth and sixth grade spelling—Leslie Beck and Diana Tryon; Judy Watson and Michele Parker, alternates.

**More on Saturday**

More contests are scheduled at White Deer on Saturday, April 10. Among the high school contestants participating on that day will be:

Persuasive speaking—Keith Watson and Linda Evans.

Extemporaneous speaking—Stanley Channell and Dorothy Beasley. Prose reading—Wayne Morris and Janan Jones.

Poetry interpretation—E. B. Durham and Linda Tindall or Kathy Kelly.

### Mrs. Smith Begins 48-Day World Tour

Mrs. Alice Short Smith will begin a 48-day tour around the world today.

She will join her sister and her husband, Mc, and Mrs. Leo Gardner of Vigo Park, in Lubbock for the flight to Honolulu.

The tour will take them to Tokyo, Hong Kong, Delhi, Jerusalem and Rome.

They also plan to visit Mrs. Smith's nephew in Germany.

They will leave Paris on May 17 and arrive home the next day. Sixteen persons are taking the tour.

### Band Boosters To Hold Bake Sale

The Band Boosters Club will hold a bake sale at Marzel's on Saturday, starting at 2 p.m. All members are urged to contribute either a cake, two pies or \$2.

The public is invited to come and buy the homemade pies and cakes.

**TOP COUNTY SPELLER: Mike Haynes, McLean eighth grade student is representing Gray County today in the Spelling Bee sponsored by the Amarillo Globe-News in Amarillo. The son of Mr. and Mrs. John M. Haynes, Mike qualified for today's regional competition by winning the Gray County Spelling Bee last week. The winner in Amarillo will enter the national Spelling Bee in Washington, D. C.**

### Derby Town Jubilee Saturday in High School Auditorium

The McLean Junior Chamber of Commerce will present another Derby Town Jubilee at 8 p.m. Saturday, and several favorites of local audiences are to perform during the two-hour show.

Derby Town Jubilees are held every other Saturday night in the high school auditorium. Admission is 65 cents for adults, 25 cents for children and no family whatever the size, is charged more than \$2.

Newcomers to the performance this Saturday night will include Junior Davis and his musical group from Wellington.

**Regular Returning**

Becky Durning of Skellytown, a regular on the show, will return to sing again.

Also appearing will be George Green and his sister, Mikki, of McLean. Green, who plays the guitar and sings, is becoming a popular Jubilee regular.

Also booked are Buck and Carl Lee Henley, Jack Haney and sons, Frankie Mae Radcliff, Mr. and Mrs. Bill King and Billy Tidwell and the Chevilles.

The Derby Town Jubilee, now in its second year, is sponsored by the Junior Chamber to raise money for the organization's various projects.

### Just Between Us

"Let every American, every lover of liberty, every well-wisher to his posterity, swear by the blood of the Revolution, never to violate in the least particular, the laws of the country. . . . Let every man remember that to violate the law is to trample on the blood of his father and to tear the character of his own and his children's liberty."

These are the words of the Great Emancipator, Abraham Lincoln, who sought and won freedom from slavery for the Negro a century ago.

Compare them, if you will, with recent statements of another man who pretends today to be the champion of the Negro's civil rights movement, Martin Luther King, the Nobel Peace Prize winner.

The latter's exact words on the subject of laws are not immediately available. But they were to the effect that King believes he and every other Negro in the land have a "moral right" to ignore any law they feel is unjust. . . . Not laws ruled unconstitutional by the courts, but those King himself finds not of his liking.

One of the best pieces of literature on lawlessness ever to cross our desk is from the Committee for Constitutional Government, Inc. It was not published below the Mason-Dixon Line, incidentally, but in New York City.

Entitled "The Challenge of 'Freedom Now,'" it was written by Morris I. Leibman, member of the Illinois Bar and chairman of the standing committee on education against communism of the American Bar Association.

"No society, free or tyrannical, can give its citizens the 'right' to break the law," Leibman declares. "There can be no law to which obedience is optional; no command to which the states attach an 'if you please'."

He continues:

"There is nothing new in violence. . . . But this cannot justify terror in the North or in the South. No individual or group at any time, for any reason, has a right

## 2T-1 LIONS TO CONVENE

### Dalhart to Host District Meeting

Lions of District 2T-1, Lions International will hold their 1965 district convention in Dalhart April 8, 9 and 10, according to Cliff Day, president of the McLean Lions Club.

Convention activities will kick-off Thursday, April 8, with a golf tournament and a bowling tournament. Friday and Saturday's schedules include appreciation breakfasts, general business sessions, luncheons, the district queen's contest and a full schedule of ladies' activities.

Final highlight of the convention will be the district governor's banquet and ball on Saturday evening. Past International Director Maurice Perstein of San Francisco, Calif., will make the main address at the gala banquet.

**Queen's Contest**  
The McLean Lions Club will be represented in the district queen's contest by Jan Bailey, Boss Lion Day said.

Miss Bailey, the local club sweetheart, is the daughter of Mr. and Mrs. Jack Bailey and a senior in McLean High School.

District Gov. James Wheeler of Amarillo will preside over all convention business sessions.

Members of the Dalhart Lions Club have been busy since last summer arranging three full days of entertainment and activities for the more than 500 Lions and their wives expected to attend the convention, Day said.

## '\$45 for '65' Pay Plan Is Explained

By JACK R. RILEY  
McLean Schools Superintendent

McLean taxpayers, as well as the taxpayers of other local school districts in the state have their pocketbooks and their children's education at stake in the teacher salary controversy now being waged in the Legislature.

The two salary proposals are the governor's bill, introduced as SB 124 by Sen. Jack Strong of Longview and HB 446 by Rep. W. S. Healy of Paducah, and the TSTA "\$45 for '65" bill, introduced as SB 4 by Sen. A. M. Aikin Jr. of Paris and Rep. George Hinson of Mineola.

The governor's proposal offers an inadequate salary increase of \$184 per year as a device to transfer state school costs back to the local level. Where taxes on homes and other property are the only source of income the state has more than a dozen sources of raising this revenue.

The \$45 for '65 proposal, supported by TSTA, local boards of education and other school-related groups, provides a \$405 per year salary increase for teachers and requires 80 per cent of this raise from state revenue.

The governor's bill would require local school districts to pay 20 per cent of the cost of textbooks and teacher retirement funds, something the state has always paid. In reality, this would mean

Bank—An institution where you can borrow money if you can present sufficient evidence to show that you don't need it.

that the traditional 80 per cent state support and 20 per cent local support financing of Texas public schools would be REVERSED with the LOCAL district paying 80 per cent and the state 20 per cent of the cost of the MINIMUM school program.

Due to the fact that local fund assignments are made by the state according to the economic index of counties, McLean, as well as many other local school districts, are at the present time, as well as in the past, assuming more than the traditional 80 per cent state and 20 per cent local district formula.

Below are listed the years 1959-1965 and the actual per cent our local school district was supported by the state.

Year	% of State Support
1959-60	39%
1960-61	37%
1961-62	44%
1962-63	36%
1963-64	34%
1964-65	33%

You can see by this what a burden the governor's salary proposal would place on our school district, as well as many other local districts, and teachers would get less than half the raise provided by the "\$45 for '65" program.

Let me remind you also that the governor's plan is a 10-year program and once enacted into law would be very hard to repeal. The governor's plan would cost the local district twice as much as the "\$45 for '65" plan and teachers would receive less than half as much salary raise.

Texas ranks 32nd in average salaries paid among the 50 states and is \$774 below the national average. Texas teachers need a salary increase, but, ask ANY teacher in our school system or any other school system, the important issue is to defeat the governor's plan regardless of raise.

If you are interested in your local school district write your senator and your representative, expressing your views upon this crucial matter.

MISS JANET SUE ANDERSON

## Anderson-Weaver Marriage Will Be Solemnized May 22

Miss Janet Sue Anderson of Huntsville is the bride-elect of Robert Dotson Weaver, son of Mr. and Mrs. Charles Weaver of McLean.

Mr. and Mrs. James Howard Anderson of Huntsville recently announced their daughter's approaching marriage.

The wedding ceremony will be solemnized May 22 in the First Methodist Church of Huntsville.

Miss Anderson is a senior at Sam Houston State College and a member of Zeta Tau Alpha. She will graduate this spring.

Weaver, a graduate of Sam Houston State, is a member of Sigma Chi and at present is attending the Air Force Officer Training School at Lackland AFB.

All friends and relatives of the Weaver family in the McLean vicinity are invited to attend the ceremony.

Mr. and Mrs. Cliff Day attended funeral services recently in Clarksville for their grandson, John Day, son of Mr. and Mrs. Charles Day of Decatur. Mr. and Mrs. Bill Day of Perryton accompanied them to Clarksville.

## Countians Purchase \$29,396 in Bonds

The citizens of Gray County purchased \$29,396 in Savings Bonds during the month of February according to George B. Gray, chairman of the county bond committee.

During the first two months of 1965, Texans purchased \$27 million in United States Savings Bonds. This represents 18 per cent of the state's goal of \$152.8 million.

Gray countians purchased \$29,396 worth of bonds through February toward the 1965 goal of \$1 million.

## SCREWWORM DRIVE TARGET \$2,000 Goal Set For Gray County

The Gray County screwworm eradication committee is laying plans for participation in a concentrated drive to raise \$300,000 from the Texas livestock industry for the Screwworm Eradication Program.

"The goal for our county is \$2,000," according to Raymond Maddox, who is chairman of the local committee. He pointed out this goal can be attained if every farmer and rancher will contribute on the basis of 10 cents per animal unit.

An animal unit consists of one dairy or beef animal, or one horse, or five sheep, goats or hogs.

The drive began Monday, and will be concluded Monday, April 12. A meeting of all Texas county committee chairmen in Austin last Friday officially kicked off the drive.

**Contributions at Bank**  
Livestock producers can leave their contributions at the American National Bank. Donations can also be made to members of the screwworm eradication committee, or W. W. (Slick) Boyd, secretary to the Gray County Animal Health Center.

Necessity for additional producer funds was announced earlier this month by the Southwest Animal Health Research Foundation, which, along with the State of Texas and the U. S. Department of Agriculture, is conducting the eradication program.

The program needs approximately \$1.1 million to operate through April, May and June, Maddox explained. The Texas Legislature has already voted \$250,000 and Congress is expected to appropriate \$550,000 for the three-month period.

These government funds cannot be spent, however, unless producer money is also made available, the county chairman stressed.

**Sterile Flies**  
The screwworm fly has been eradicated from the Southwest, but a barrier of live, sterile flies must be maintained along the U. S.-Mexico border to prevent fertile flies from Mexico re-infesting the U. S.

Approximately 100 million sterile flies will be needed each week during April, May and June. If funds are not made available, the Southwest stands to lose the gains that have already been made.

Foster Whaley, county agricultural agent, said in the three years the program has been in existence savings of more than \$168 million have been realized by producers. He said no screwworm infestations were detected in this county last year.

Congress is considering a USDA request for \$5 million which would make the program financed entirely by the federal government beginning July 1.

Mr. and Mrs. Bob Patton and Wendolyn of Amarillo spent the weekend with her parents, Mr. and Mrs. Johnnie Mertel.

Mrs. Betty Randall and Tracy and his friend, David, of Amarillo visited with her parents, Mr. and Mrs. J. L. Andrews, Sunday.

## Buried cable: \$10,000,000 in new life insurance for your telephone this year

Put telephone wires underground and you've put them in a safe place. Safe from wind, rain, hot weather, cold weather, stormy weather. All around safer from the kind of trouble which can affect your phone service.

That's why this year Southwestern Bell is spending \$10 million buying hundreds of additional miles of telephone cable underground. In effect, buying life insurance for your telephone service.

There's another benefit. New jobs will be created. Some in the telephone business and an estimated 500 new jobs among the hundreds of firms which sell supplies, services and materials to the telephone company.

This is a 1965 communication bonus. Part of a massive construction effort to make the world's best telephone service even better.

Abe Lewis plans to do about 30 acres of land leveling on his irrigated farm just east of Pampa.

A diversion terrace was laid out on Boyd Reeves' farm just south of McLean.

Since there are a number of Gray County farmers and ranchers who are planning on spraying brush, the following rules should be kept in mind: Do not spray if the following conditions exist:

Before the most of the leaves are well developed, after leaf injury due to late frost, after leaf injury due to hail, after leaf wax is thickened by hot, dry winds, during prolonged drought, when temperature is above 85 degrees, when wind is above 12 mph, or when cotton, tomatoes or similar plants are downwind.

Miss Eva Rose Morgan, daughter of Mr. and Mrs. Charlie Morgan of McLean, and William Fred Hawley Jr., son of Mr. and Mrs. W. F. (Buddy) Hawley of Shamrock, were married Saturday evening, March 20.

Eugene Henderson, minister of the Shamrock Church of Christ in Shamrock, officiated at the church parsonage.

Maid of honor and best man were Miss Oleta Hawley and Bobby Edwards.

Following the wedding, a reception was held in the dining room of the Tower Cafe. Colors used were blue and gold.

The bride attended McLean High School. Her husband is employed by Tri-State Steel Works.

T. B. Windom is visiting this week with his daughter and her husband, Mr. and Mrs. Clyde Dorman, in Pampa.

Mr. and Mrs. Jim Hudson and Stephen of Lubbock spent the weekend with her parents, Mr. and Mrs. F. J. Hess.

Richard Dawson of Henrietta was a guest in the W. P. Flowers home recently.

Dale Whitten, husband of the former Ann Terry, is a patient in Shamrock General Hospital.

Gary Joe Graham was home recently for a visit with his parents, Mr. and Mrs. Joe Graham.

Cats have highly developed vision and hunt by sight, while dogs rely on their keen sense of smell.

# LET'S RE-ELECT MAYOR JOHN C. HAYNES

By Writing His Name on the Ballot  
In the City Election Tuesday, April 6

The City of McLean needs to keep John C. Haynes in the office of Mayor. Even though Mayor Haynes chose not to file for re-election, because of his sincere feelings that no man should monopolize this highest position in the city government, he will serve if elected . . . During his six years in office, Mayor Haynes has served the people of McLean honestly and efficiently—always seeking what is best for our city. He more than any other person deserves the credit for bringing the badly needed hospital facilities to our city. Without his determination and perseverance in overcoming almost insurmountable odds, the fine new hospital recently opened here would still be a dream of McLean's citizens, instead of a reality . . . Let's keep McLean a Progressive City . . . We can by electing Mayor John C. Haynes to another term!

### REMEMBER:

TO CAST A VOTE FOR MAYOR JOHN C. HAYNES, YOU MUST MARK THROUGH THE NAME OF THE ONLY CANDIDATE FOR MAYOR, AND WRITE JOHN C. HAYNES IN THE BLANK SPACE PROVIDED FOR THIS PURPOSE

### 40 Years Ago

A building permit was issued by the mayor to Pete Fulbright Tuesday.

Mr. Fulbright intends to build a five room and bath framed stucco building on the lots between the Cheney and Back residences on North Third Street.

This location is a very desirable one and sidewalks are already in on that side of the street.

The largest vote ever polled in Gray County was cast in the courthouse election held last Thursday. A total of 1996 votes was cast, of which Pampa received 1221 and Lefors 775. As a two-thirds vote was necessary to move the courthouse from Lefors, the question is settled for at least five years, as the law does not allow another election to be held for that purpose under that time.

A force of men are tearing down the old Methodist church, preparatory to erecting a modern plant on the present site.

Services will be held in the concrete building next door to the Red Cross building until the new building is completed.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

It is interesting to note the ridicule often heaped on General Charles DeGaulle. Of course, the apparent necessary historicity to appeal to the Gallic temperament have a flavor foreign to Americans.

In Washington the French President is not so funny since he announced that France is starting to redeem American dollars held by them for American gold. This has created a drive to seek legislation removing the legally required gold backing of U. S. currency. If this is not done, it is feared that foreigners cashing in their dollars for gold will put the nation into bankruptcy.

There is no definite way of ascertaining what goes on in the DeGaulle mind. But it does seem more than significant that pressure was not put by France on dollar until after British and American elections.

It is very possible DeGaulle does not feel comfortable with a socialistic form of government in England, and thus by attacking the dollar he knows that the British pound, and hence British influence, will be weakened.

It may be that the French leader reflects on the fact that succession of prewar Socialistic governments in France headed by Leon Blum and others so demoralized the nation that it was a sitting duck for con-

quest in 1940. He objected to the acceptance by the Western powers during the war that all was sweetness and light with Russia's Stalin, and at the liberation of Paris, despite obstacles thrown into his path, stopped French communists from taking over nation.

In short, DeGaulle has been an unremitting, uncompromising foe of communism. He has also given indications he is somewhat of a realist.

France is potentially a very economically prosperous nation. Not only does it have resources and industry, but its farm productivity puts it in a position of being one of the few nations in the world that can adequately feed its own population.

Yet despite the potential wealth of France when he totted up the balance sheet and saw that it was costing France more to stay in Algeria and Vietnam than the country could take out, or even hope to make a profit in the future, he pulled out and concentrated on developing the French economy at home.

This position can perhaps be criticized as displaying an indifference toward the fate of the world.

But there is also the possibility that DeGaulle, after witnessing the fall of France undetermined by years of socialism, also believes if the world goes more and more socialistic, there will be an inevitable collapse. Hence, he takes every measure he can to keep France from once again being mired down by socialism.

CARD OF THANKS

I want to thank everyone who sent cards, flowers and made visits while I was confined in the hospital in Pampa and McLean. I especially want to thank the attending personnel in both hospitals. I want to say, even though McLean Hospital has only been open a short time, they are performing as veterans, and my thanks go to Dr. Fabian, the nurses, cooks, the custodian staff, office personnel and any others who have any part in the operation of the nice hospital facilities which have long needed in McLean. May God bless each and every one who have or had any part in bringing this situation about.

## SCREWORM PROGRAM

The Gray County Animal Health Committee met in the vocational agriculture building at McLean on March 26 for the purpose of re-organizing the committee and to make plans for the coming drive to help raise \$300,000 on the state level.

Goal for Gray County has been set at \$2,000.

In the re-organization of the committee, Raymond Maddox, a rancher and farmer in the Grandview community, was elected chairman. He replaces John B. Rice, who has served the past two years. W. W. Boyd of McLean was elected secretary-treasurer of the Gray County committee. The American National Bank in McLean will serve as the depositing bank.

In checking with Mrs. Boyd at the bank, she states there has now been deposited \$33 to the screwworm fund.

Much of this came from the committee after its initial meeting.

Producers are asked to contribute an amount equivalent to 10c per animal unit.

Please read the special news release in this issue of The McLean News.

I have purposely cut my column short to help make room for the feature story on this very worthwhile program.

One thing more—congratulations to the Soil District supervisors, Mr. Bill Davis of Pampa and the many others who played such an active role in obtaining the McClellan Creek water shed. Sometimes the people who release a story such as was covered in last week's issue do not give themselves much credit. In addition to doing considerable foot work on this project one of the individuals to whom I have referred made a very substantial contribution to the \$18,000 that has been pledged.

## WHY CALL ME LORD, LORD

Luke 6:46

We need to remember that we may be our own worst enemies by opposing ourselves (11 Tim. 2:25). We should change our minds if we are wrong. Some people will never admit they are wrong about anything; however, to admit that we were wrong is to admit one's humanity. Never to admit a wrong is to pose as divine, for only the Divine One never sins. Paul changed (Acts 22:1-6, Acts 26:9).

We should return good for evil by loving our enemies, blessing them that curse us and do good to them that hate us and pray for them which persecute us (Matt. 5:43-44).

We shouldn't blindly follow another. Jesus said in Matt. 7:13-14 that there was a wide gate and a broad way that leads to destruction and many would go that way, but the way to eternal life was narrow and the gate was strait and few would find it, and in Matt. 15:14 Jesus said if the blind lead the blind both shall be lost, and we know that some are teaching doctrines and commandments of men instead of the doctrine and commandments of the Lord when we read Matt. 15:9.

Now we still study the "Doctrine of Christ." We read in the Second Epistle of John that whoever transgresseth and abideth not in the Doctrine of Christ hath not God. He that abideth in the Doctrine of Christ, he hath both the Father and the Son. We know now why we want to obey the Gospel or Doctrine of Christ rather than the Doctrine or Commandments of men.

In Romans 6:17-18 Paul told the saints at Rome that they were at one time servants of sin, but they had obeyed from the heart that form of Doctrine, and being then (not before) made free from sin they became the servants of righteousness. Paul said in I Cor. 15:1-4 that this Gospel by which we are saved is the Death, Burial and Resurrection of Christ. He also told us in Romans 6:3-4 how we obeyed that gospel (baptized into Christ, Death), (Buried with Him by baptism), (Raised to walk in newness of life). In Acts 2:38-41 three thousand obeyed this form of Doctrine by being baptized for the remission of their sins, and in Acts 2:47 Christ was adding these saved people to the church of His choice.

led to open bids on a new ditching machine for the city.  
Only two bids were received, and the commission accepted the \$2,685 offer from Pitts Farm Equipment Co. in Pampa. This includes installation of the ditcher on a tractor owned by the city.  
In other action, the commission voted to withdraw its application to stop gas service to customers living east of the city in Wheeler County.  
The application to end the service had been made to the Texas Railroad Commission, but after a study of the situation and a discussion of the number of customers involved, the local governing board decided to withdraw its request.  
It was determined that 22 customers would be affected by the action.

to exact self-determined retribution. All too often retaliation injures the innocent at random and provokes counter-retaliation against those equally innocent.  
"In this frame of reference let us identify certain current forces whose aim is to destroy the law society.  
"The inexorable requirement of communism to exploit every difference between men should now be clearly understood. Yet we seem to be surprised, confused, even bitter about Communist intervention in our civil rights problems. What could be a more natural target for Communist usage...  
"A grave danger is presented where the idea of civil disobedience may evoke sympathy in a cause which seems just. For once we accept such a doubtful doctrine, we legitimize it for other causes which should be rejected.  
"Our grievances must be settled in the courts and not in the streets. Muscle is no substitute for morality. We must insist that men use their minds—not their biceps."  
-jbu-  
We like to quote J. Edgar Hoover, director of the Federal Bureau of Investigation (FBI), for to us he is one of the greatest living Americans.  
In the April 1 FBI Law Enforcement Bulletin, Hoover seems to be trying to warn against such men as Martin Luther King when he writes:  
"Citizens should not be misled by the self-styled 'medicine men' in our midst who with their patented tonics for all social ills profess to hold the magic key to Utopia.  
"Under close examination their credentials often prove to be as false as their charges that the FBI is 'dragging its feet' and is not determined to enforce civil rights laws. (This is in obvious reference to King, whom Hoover has in the past labeled the "most notorious liar.")  
"The ludicrousness of these charges is exceeded only by their inaccuracy. What these drummers of discord are actually advocating is that the FBI dispense with the democratic principles of law enforcement and apply police state methods."  
In a clear warning to the Negro, he adds:  
"In a democracy, the end does not always justify the means. We must not lose sight of the fact that the path of justice is a two-way street."

**Antique Show, Sale Begins on Friday**  
Members of Twentieth Century Cotillion of Pampa will welcome the public to their annual spring Antique Show and Sale on Friday at 10:30 a.m.  
The Starlight Room of the Coronado Inn in Pampa is the scene of the show which has attracted dealers from all over the Southwest and from as far north as Minnesota and Iowa.  
The dealers' collections cover a wide range of antiques, including jewelry, china, cut-glass, pewter, brass, copper, guns, art objects and furniture, according to Mrs. James Campbell, general chairman of the show.  
Showings are scheduled from 10:30 a.m. until 9 p.m. on Friday and Saturday and from 1 p.m. until 6 p.m. on Sunday.  
The tickets are \$1 per person and all proceeds from ticket sales will be presented to the Opportunity Plan, Inc., of West Texas State University.

**McLean 4-H Club Hears Council Report**

By JOYCE SAUNDERS  
4-H Reporter

The McLean 4-H Club met March 22 in the grade school cafeteria at 7:30 in the evening.

President Johnnie Carpenter called the meeting to order. Linda Bruce gave the inspirational and Patricia Suttle led the Pledge to the Flag.

The roll was called, with 15 members present. Also present were four adults.

The minutes of the last meeting were read and approved. Carpenter gave a report of the county 4-H Club council meeting.

Joyce Saunders was elected to replace Carolyn Willoughby as the second delegate from McLean on the council. Judy Saunders, Mollie Gray and Toni Willoughby were presented certificates for having completed the money management course.

Mrs. Jaunita Channell gave the program on how to simplify and compile 4-H Club records.

Games were enjoyed by all. The meeting was then adjourned by the president.

**Donley Livestock Producers in Battle Against Screwworms**

The Donley County animal health committee met last Thursday in Clarendon to make plans for raising the county quota in the screw-worm eradication program.

Spencer Sitter of McLean, chairman of the committee, and Ronald Gooch, county agent, explained the purpose of this fund-raising drive. Livestock producers in the Southwest have been asked to contribute \$300,000 of the 1.1 million needed to operate the program from April through June.

The rest of the money will come from state and federal sources, but only if the livestock producers raise their \$300,000.

Donley County livestock producers have been asked to contribute \$1,295, based on 10 cents per animal unit—one cow, one horse or five sheep, goats or swine make an animal unit. This money must be collected during the period March 29-April 21.

Contributions to the screwworm program can be made to any of the following individuals: Spencer Sitter, Joe McMurtry, Don Thornberry, Leonard Bagwell, T. C. D'Spain, Buck Glass, Horace McClellan, Hunk Hermesmeyer, Bill Breedlove and Ronald Gooch. The committee will meet again on Monday, April 5, at 2 p.m. in the Community Room of the Farmers State Bank in Clarendon.
