VILLAGE

GOSSIP (More or Less)

Today is Armistice Day
the Post Office is closed.
This week's issue is being printed
two hours earlier and placed
in the mails late Wednesday.
The two-day open season on deer
hunting in the Panhandle will run from
November 12 through November
19, both days inclusive. Shoot-
ing hours are one-half hour be-
fore sunrise to one-half hour af-
ter sunset. Bag limit is one
deer with pronged horns.
Possession limit is also one
deer with pronged horns.
The turkey will come in for
the same season, with hours
slightly changed. Shooting hours
are one-half hour before sunrise
to sunset. Bag limit is two
turkeys per season.
Miss Odessa Gunn was award-
ed \$50 in merchandise certificates
for the regular weekly Apprecia-
tion Day activities in McLean
Saturday afternoon.
The town will be held at the
American Legion Hall immedi-
ately following the Lefors-McLean
Friday night.
The Alanreed P.-T. A. is spon-
soring a friendship night Novem-
ber 18 to which McLean and
Lefors P.-T. A. members are
invited and urged to attend, it
was announced this week.
There will be three speakers
from Pampa. The subject for the
evening is "We, the People, Es-
tablish Justice."
On Saturday night, November
13, the Alanreed P.-T. A. will
hold a Harvest Carnival.

The W. S. C. S. and the
Lefors Service Guild of the
McLean Methodist Church are
sponsoring a "Mela" in the
showing hall of the church
Friday night, November 16, be-
ginning at 7:30 o'clock. "Mela"
is the Indian word for bazaar,
members explained. The public
is invited.

The Joe Smith Motor company
building was receiving a facelift
this week and last week.
Edwards and Claude Hinton, local
contractors, have been repainting
the building during the past ten
days. The interior of the show-
ing, parts room, and office was
completely redecorated, and the
exterior of the entire building
is being repainted.

Edwards Jewelry moved to a
new location last week-end. The
store, owned and operated by E.
Edwards, moved to the build-
ing immediately west of the Mc-
Lean Zero Lockers from its old
location west of Brown's Drug.
Edwards stated that the move
was made to allow more room to
display his growing stock of
merchandise. The store was es-
tablished here about one year
ago.

Mr. and Mrs. Cort Meyers have
returned home from a visit in
Oklahoma City with their daugh-
ter, Mrs. John Cochran. They
attended the Sonja Henie Ice
Show in Oklahoma City. They
also visited in Tulsa with their
granddaughter, Mrs. L. E. Gillard
and family, and in Ardmore
with Mr. Meyers' brother, Charles
Meyers and his wife. While in
Oklahoma, the Meyers fished in
Lake Murray and Lake Texhoma,
and heard the world-renowned
Negro choir, "Wings Over Jordan."

LOCAL AND HOME NEWS

Vol. 51.

McLean, Gray County, Texas, Thursday, November 11, 1954.

No. 45.

The McLean News

LITTLE TAKEN FROM SCHOOL BY BURGLARS

About \$17 or \$18 were taken by burglars late Friday night or early Saturday morning when both the high school and elementary school buildings were entered.
Most of the money taken was from the high school, Superintendent Freeman Melton Jr. said. Between \$7 and \$8 were taken from the soft drink machine in the building, about \$9 from the superintendent's office, and another \$1 from the office of Principal Jimmy Payne. Missing from the office of Claud Zevely, elementary school principal, was approximately \$1.

Apparently the intruders were after money only, for nothing else had been missed early this week. Some candy in one office had been pulled out from its storage place, but none was missing. The two offices in the high school and the one in the grade school were all fairly well disturbed, but no records were reported stolen.

Both buildings were entered in about the same manner, and similar to the way in which they were broken into a year or so ago. The rear door of both buildings had been forced open. To gain entrance to the superintendent's office in the high school, a panel was removed.

The burglary was discovered by Jim Wheeler, custodian of the high school building, when he opened the building Saturday morning. Wheeler immediately notified Melton, who in turn called Deputy Sheriff Jimmy Shelton. Sheriff Rufe Jordan came to McLean to aid in the investigation. The officers believe that burglary took place about 3 o'clock Saturday morning. A rumor that the football field had also been entered proved false.

SCHOOL REVUE PRESENTATION NEXT TUESDAY

The "McLean School Revue," featuring a variety of acts by elementary and high school students, will be presented by the local Parent-Teacher Association Tuesday night, November 16, beginning at 7:30 o'clock. The affair will be held in the McLean High School auditorium.

Serving as master of ceremonies will be Claud Zevely, elementary school principal. Admission will be 25 cents for high school students and adults, and ten cents for elementary school students. Any other student wishing to appear on the program is asked to contact Mrs. Chas. Weaver.
The program, as arranged to date, is as follows: reading, Larry Gibson; piano solo, Janice Page; quintet, "Chocolate Ice Cream Cones," Betty King, Charlene Hall, Donna Meacham, Darla (Continued on back page)

Tigers and Pirates Still Third, Fourth In Weekly Ratings

The McLean Tigers and the Lefors Pirates, the top hands in District 1-A, remained in the third and fourth spots in the weekly rankings of Class A football teams in the Panhandle by Eddie Mullens of the Amarillo Daily News.
Mullens chose Hale Center and Paducah as tied for the number one position in the top ten.
The first ten teams, as Mullens sees them, are as follows: 1. Hale Center Owls and Paducah Dragons (tie); 2. McLean Tigers; 3. Lefors Pirates; 4. Crosbyton Chiefs; 5. Dimmitt Bobcats; 6. Amherst Bulldogs; 7. Canadian Wildcats; 8. Clarendon Broncos; and 10. Springlake Wolverines.

NOV. 17 DATE OF DISPLAYING '55 PLYMOUTH

Plymouth's bigger and more powerful 1955 model cars will be displayed by dealers throughout the nation beginning Wednesday, November 17, President John P. Mansfield of Plymouth Motor Corporation, announced today.
The new Plymouth will be displayed here at the Hibler Truck and Implement company show-room.

The 1955 Plymouths are entirely new, both in styling and engineering detail, Mansfield said. They are lower, longer and wider than previous Plymouth cars.
They are the most powerful cars Plymouth ever built. The 1955 engines are a 117-horsepower PowerFlow six, a 157-horsepower Hy-Fire V-8 and a 167-horsepower Hy-Fire V-8. The latter engine is also available with a four-barrel carburetor and special manifold which increases its horsepower to 177.

Plymouth offers as optional equipment a full range of automatic and power assist devices. They include PowerFlite fully automatic no clutch transmission, a new design coaxial full-time power steering, power brakes, power-operated front seat adjustments, power-operated window regulators, and adjustable speed electric windshield wipers. Air conditioning by Airtemp is also available as special equipment.

The 1955 line is made up of 12 models, including for the first time four-door versions of the Plymouth Suburban, the all steel body "station wagon" type car which Plymouth pioneered in 1949.
Mansfield said the 1955 models are all new in a more basic sense than at any previous new model introduction in the company's history.

LIBRARY NEWS

By Lady Bryant, Librarian
Thursday, November 18, at 2 o'clock, the book "This Is My Brother," by Argye M. Bridges, will be reviewed at the public library by Mrs. Leona Andrews.

McLean Tigers, Lefors Pirates Battle Friday Night for District 1-A Crown

FORD FOR '55 TO BE SHOWN HERE FRIDAY

Featuring two different V-8 Y-block motors and the I-block six, the new model Fords for 1955 will go on display in the show-room of the Joe Smith Motor company in McLean Friday morning.
Smith, who recently bought the Ford agency, is also planning the formal opening of the ownership of the business. The building has been redecorated on the interior, Smith said, and all residents of the area are invited to visit the firm. Favors will be given to those attending.

The 1955 Fords will feature a 162-horsepower V-8, and a 182-horsepower special V-8. The I-block six will have 120 horsepower, the local dealer explained.
Styled after the new Ford Thunderbird, only recently introduced on the market, the 1955 Ford is the longest, lowest, roomiest, and most powerful Ford ever built, Smith pointed out.

Four series of body styles are offered this year: the Fairlane, the Customline, the Station Wagon, and the Mainline series. All models feature a new wrap-around windshield, new luxurious interiors, and a wide choice of new single and two-tone colors.

Other new features include the new speed-trigger Fordomatic Drive, turbo-action spark plugs, ten per cent larger brakes, tubless tires, and new angle-poised ball-joint suspension.
The 1955 Ford truck models will also be on display Friday. In the larger models, power steering is standard equipment on the new trucks. The trucks also offer four different V-8 engines, and one six cylinder

BIRTHDAYS

- Nov. 14—Jimmy Watson, Troy Corbin, Jackie Groves, Mrs. J. O. Holloway, Jeanine Dorsey.
- Nov. 15—Mrs. Boyd Meador, Mrs. Cleve Hancock, Mrs. Arthur Boyd, Beth Brooks, Mrs. Lula Latson, Billie Jean Wilson, Donald Davis.
- Nov. 16—C. M. Carpenter, Bill Kalka, Mrs. Gene Greer.
- Nov. 17—Mrs. George Colebank, Mrs. Bill Cash, Joe Meerer, Joe D. Roth, Fleta Inell Fry, Cass Dale Barker, Jo Ann Turner, Freddy Smith, Mrs. Bill Washer, Dr. H. W. Finley, Odell Dyer, Leonard Roach.
- Nov. 18—Mrs. Rld McCoy, Don Lloyd Smith, Rodney Gunn, Richard Henley, Martha Lynn Brown, Marvin Henderson.
- Nov. 19—Alvis Shelton.
- Nov. 20—Mrs. Bert Barker, Ed Clifton, Dorothy Matthews.

REV. AND MRS. AARON W. HANCOCK of McAlester, Okla., will conduct services during the revival at the First Baptist Church in McLean beginning Sunday, November 14, and closing Sunday, November 21. Both Rev. and Mrs. Hancock are full-blooded Indians—he is a Choctaw and she a Cherokee. They are now engaged in mission work with the Baptist Home Mission Board in Oklahoma. Rev. Hancock will bring the messages, and Mrs. Hancock will conduct the song services. Morning services will be held at 10 o'clock during the week, and evening services at 7:30. Dr. Buell T. Wells, pastor, has announced.

The McLean junior high team will play the Lefors junior group in a game tonight at 6:30 o'clock. Rogers has announced. A "B" squad game will likely be held at 8 o'clock with reserves from Pampa (originally a game with the Lefors "B" team was scheduled, but was called off by Lefors).

New Four-Year Terms—NINE OFFICIALS BENEFIT

Passage of one amendment to the Texas constitution means that nine Gray County officials will serve terms of four years instead of the two years that they had originally sought office for.
Under the amendment, which provides for eventual four-year terms for all county officials, the offices of county school superintendent and district judge are not affected by the amendment, since they were already for four years. Under the new amendment, the district judge and district attorney will not be elected the same year, as will not the county judge and county attorney.
Thomas Jefferson introduced waffles to America.

Pertinent Facts for—McLEAN FOOTBALL FANS

With one of the largest crowds in the history of the local school system expected here Friday night for the McLean-Lefors game, school officials are making plans to care for all fans.
First of all, no additional reserved seats will be placed on sale, either in advance or at the gate. Only the season reserved seats, all of which are already sold, will be reserved for the ticket holders. Other grandstand seats will be on a first come, first served basis, and will be included in the general admission of \$1 for adults, 50 cents for students.
The game has been designated as "Dad's Night." All men who have sons on the McLean grid team will sit on the sideline benches with the squad. The fathers will wear numbers corresponding to those their sons are wearing.
The east stand will be principally for use by fans from Lefors; the west stand for McLean fans.
Plans are now to seat the McLean pep squad at the north end of the west stands; the McLean band will be seated in chairs in front of the pep squad and just inside the fence surrounding the playing field. The Lefors pep squad will be seated at the south end of the Lefors stands on the east side; the Lefors band will be seated in chairs in front of the pep squad and just inside the fence. In this manner, the stadium seats usually taken up by the bands will be used for the general public.
The ticket office will open as usual at 6 o'clock Friday evening. Both the gates for cars will be open at 6 o'clock, that at the northwest corner of the field, and that at the east side of the field. Attendants will be on hand inside the field to guide cars into parking spaces as straight as possible and as close together as possible. Superintendent Freeman Melton Jr. urges all citizens to cooperate in this matter, so that as many cars may be accommodated inside as possible.

Tigers Outscore Broncs 35 to 28 for Fifth District 1-A Victory

In Brief:

Penetrations	7	4
First Downs	16	17

Pass. Incep. by	1	1
Pen. Recd.	3 for 35	8 for 100
Oppon. Fum. Rec. by	0	2
Punts	0	6
Punt Average	0	29

Scoring: McLean 35 (Rodney Gunn 6, Don Haslam 5, James Smith 24), Clarendon 28 (2 for safety, B. Philley 6, B. Johnson 6, J. Philley 1, Hill 6, Hensley 1, M. Johnson 6).

Two offensively-minded teams, both showing the ability to go down field at a rapid pace nearly every time they got the ball, met at Clarendon last Friday night in a District 1-A game sounded. When the final gun sounded, the McLean Tigers emerged as a nervous 35 to 28 winner over the Clarendon Broncs. The vic-

tory kept McLean's record clean with eight wins and no losses; Clarendon now has won five and lost three.
The Broncs roundly outplayed the Tigers during most of the second half, and particularly during the final quarter. In previous games, the Tigers had been a strong second half team, but with Clarendon it was different. The Tiger defense simply didn't appear to be able to hold the Broncs on their marches in that second half. Sharp-shooting passes from Johnson, plus nice runs by several of the backs, kept the Tigers on edge.
McLean led 21-8 at halftime, and scored early in the third quarter. It appeared that the game was "on ice." But the Broncs didn't think so, and Broncs scored after the Tigers in the third period. McLean scored once more in that period to lead 35-15 at the end of three quarters. But the Broncs bounced back and tailed twice more in the final period.

The scoring was as follows: The Tigers took the opening kick-off, returning to the 35. Ricky Mantooth ran three times and James Smith twice to move the ball to the Clarendon 15. From there Mantooth tossed a pass to Rodney Gunn who fell over the goal line. Haslam converted the made five conversions in five attempts against the Broncs). Score McLean 7, Clarendon 0.
Later in that period, James Smith took a punt on the Tiger 15 and raced 85 yards down the sideline to pay dirt. The play was called back and McLean fined 15 yards to the McLean 11 for clipping. One fumble moved the ball back to the two, and then Mantooth fumbled again and was caught behind the goal line for a safety. Score, McLean 7, Clarendon 2.
The Broncs took the kick-off and moved to the McLean 39. In the opening play of the second quarter, B. Philley raced 39 yards to score. The plunge for the

point failed. Score 7-8.
Returning the kick-off to the 27, Mantooth made it to the 42 in two carries. On the next play, he tossed a screen pass to James Smith who ran 58 yards to score. Haslam converted. 14-8.
Later in the second frame, the Tigers returned a punt to the Clarendon 43. One holding penalty against the Broncs, two runs by Mantooth and one by James Smith moved the ball to the 14. From there Smith circled left end to score. Haslam converted. 21-8.
Early in the third period, the Tigers took over a punt on their own 48. Two plays later, Mantooth tossed to Troy Smith, who lateraled to James Smith, who went 46 yards to score. Haslam converted. 28-8.
The Broncs came right back, moving from their own 43 on passes and runs to the one-yard strip. From there B. Johnson hit center and scored. Johnson passed to J. Philley for the point. 28-15.

The Tigers returned the kick-off to the 39. Mantooth went 31 yards to the Clarendon 30. Mantooth then screen passed to James Smith, who went 30 yards to score. Haslam converted. 35-15.
Again the Broncs came right back, moving from their own 36. Two completed passes moved the ball to the McLean 10, and from there Hill circled left end to score. Hensley converted. 35-22.
The Tigers made two first downs after the kick-off, but balked on a fourth try on the Clarendon 44. Mingling runs with passes, the Broncs rapidly traveled to the 6, from where M. Johnson went around right end to score. Hensley missed the kick and the score ended 35-28.
The Tigers moved downfield to the 6, but lost the ball on a pass interception. Two plays later, Gerald Tate intercepted Johnson's pass on the 35 and raced to the 7. On the next play, Clarendon recovered Mantooth's fumble on the 1 and the game ended.

Society

Mrs. J. T. Glass Observes 89th Birthday at Home

Mrs. J. T. Glass celebrated her 89th birthday Sunday, November 7, in her home.

Friends and relatives calling during the afternoon were Mrs. Mattie Graham, Mrs. C. J. Cash, Mr. and Mrs. H. M. Glass of Parpa, Mr. and Mrs. Arthur Erwin, Mrs. J. B. Pettit, Mr. and Mrs. B. E. Glass, Mr. and Mrs. H. A. Glass, Mrs. J. B. Kibler, Mr. and Mrs. Joe B. Glass and family, Mr. and Mrs. Johnny Johnson and daughter Mickey of Amarillo, Mrs. A. Stanfield, Mr. and Mrs. A. Dwyer and sons, Mr. and Mrs. Ted Glass, Miss Ruth Bell of California, Mrs. Leona Sitter, Mrs. Annis Windom, Mrs. Barbara Hambricht.

Mr. and Mrs. L. E. Glass and Donna, and Mr. and Mrs. W. A. Glass of Alameda, Mrs. C. S. Rice, Mrs. M. Isaacs, Mr. and Mrs. Boyd Reeves, Mr. and Mrs. Tom Windom, Mr. and Mrs. Pete Fulbright, Mr. and Mrs. Jennie Back, Mr. and Mrs. Jess Kemp, Mrs. Billie Gull and David, Mr. and Mrs. Willie Boyett, Mrs. Jim Back, Mrs. Madge G. Porter, Duane Porter, and Mr. and Mrs. Morris Green of Wheeler.

Program on Youth Held at Meeting Of Local W. S. C. S.

The W. S. C. S. met Tuesday in the parlor of the McLean Methodist Church.

Mrs. H. A. Longino and Mrs. C. M. Carpenter were in charge of the following program on "Youth and Student Work": opening song, "The Voice of God Is Calling"; prayer, Mrs. R. N. Ashby; Mrs. M. E. Fisher brought the devotional reading from the 19th chapter of Matthew; song, "Not One Word Has Failed"; Mrs. Longino and Mrs. J. L. Hess; Mrs. Longino talked on "Youth" and Mrs. Carpenter on "Student Work."

Mrs. Madge Page conducted the business session. The closing prayer was given by Mrs. Ellen Wilson.

Circles of W. M. U. Plan Year's Work At Supper Meeting

The W. M. U. circles of the First Baptist Church met at the church basement Tuesday evening for supper and to plan their work for the coming year.

After the supper and business meeting, Mrs. Ollie Mae Edwards had charge of the royal service program. "As I Have Seen Southern Rodesia," was the topic of the program. Mrs. Katie Price, Mrs. Lillie Mae Williams, and Mrs. Eva Jo Day assisted Mrs. Edwards.

Mrs. Homer Abbott, retiring president, was presented a lovely gift by Mrs. Leroy Williams on behalf of the circles in appreciation of her work for the past year.

Members present were Mesdames Joe Simpson, Boyd B. Smith, J. Boyd Smith, John D. Cooper, G. F. Vineyard, Frank Simpson, Howard Williams, Joe Taylor, Elmer Day, J. L. Mann, Leroy Williams, R. L. Appling, Clinton Williams, Arnold Sharp, Lonnie Day, Joe Smith, Oba Kunkel, Clarence Voyles, E. G. Edwards, Buell Wells, Troy Corbin, E. L. Price, Homer Abbott, Boyd Reeves, Paul Miller, Truitt Stewart, Joe Gibson, Bania Kunkel, and Frank Howard, and Miss Marnelle Ledgerwood.

Liberty H. D. Club Meets in Home Of Mrs. Railsback

The Liberty Home Demonstration Club met Tuesday, November 2, in the home of Mrs. J. J. Railsback.

The afternoon was spent quilting a quilt for Boys Ranch. The quilt top was donated by Mrs. R. L. Harlan.

Those present were Mesdames Walter Bailey, Wallace Rainwater, Olen Davis, Roy McCracken, Earl Eustace, and the hostess.

The next meeting will be November 16 in the home of Mrs. Wink Gideon. The program for this meeting will be on "Freezer Meals."

Charlene Herndon Becomes Bride Of Charles Patton

Miss Charlene Herndon, daughter of Mr. and Mrs. Pat Herndon of McLean, and Charles Patton of Shamrock were united in marriage Sunday, November 7, at Shamrock.

For her wedding, the bride chose a green two-piece dress with brown accessories.

The couple will make their home in Shamrock.

Mrs. Drew Word Is Given Shower In Cooke Home

A come-and-go pink and blue shower, honoring Mrs. Drew Word was given Saturday, November 6, in the home of Mrs. C. E. Cooke.

Hostesses for the occasion were Mesdames Cooke, Edwin Howard, Paul Mertel, Lady Bryant, John Gull, and Caster Lowary.

Those attending or sending gifts were Mesdames J. Patterson, Earl Stubblefield, Bob Black, T. C. Stokes, Joe Gibson, Wilson Boyd, Byrd Gull, Boyd Meador, Lois Page, C. P. Hamilton, Carl Jones, J. E. Kirby, Pat Miller, W. O. Hommel, George Orrick, Ida Mae Dickinson, Martha Aldridge, Madge Page, Weaver, Guy Saunders, Glenn, Jimmy Shelton, Corinne Trimble, Victor Clett, Carl Wood, Patty, Ola Mae Nunn, Odell Mantooth.

Mesdames W. F. Stubbs, Joyce Martin, Jess Kemp, Everett, Ted Glass, Blanche Hardeman, Shelton Nash, J. C. Claborn, Ann Miller, Rice, Velma Betchan, Joann Miller, W. M. Rhodes, Odessa Gunn, Leo Bow, Clifford Allison, T. A. Massay, Willie Boyett, Ruby Cousins, Chaptner, Vera Back, J. D. Coleman, H. D. Butrum, S. A. Cousins, Ercy Cubine, Sitter, Dwyer, Alma Turman, A. O. Bybee, C. R. Guyton, Clyde Magee, F. L. Willingham, Cicero Turpen, Woods, Pete Fulbright, C. O. Goodman, West, Godfrey, Wib Fowler, Grigsby, and Brown.

Misses Loyce Miller, Margaret Glass, Eunice Stratton, Marjorie Fowler, and Pat Shelton.

Mr. and Mrs. Bill Sanders and Mrs. Anna Wolff of Perryton, and Mr. and Mrs. Forrest Powers of Long Beach, Calif., spent Wednesday and Thursday of last week visiting with Mr. and Mrs. R. F. Sanders and Mrs. Alice Smith.

Junior Music Club Meeting Is Held In Boyett Studio

The Junior Music Club met in the studio of Mrs. Willie Boyett Friday, November 5, with 50 members and guests present.

Twenty-one members answered roll call. Karen Day, Ruth Palkan, and Christa Carol Rodgers played repertoires. Each member of the club played a piano solo. Karen and Ruth played a duet, and Christa Carol and Ruth played an accordion duet, accompanied at the piano by Dorothy Palkan.

Those playing without looking at the keyboard were Jean Hess, Margie Rallsback, Judy Glass, Betty Ruth Dilbeck, Carla Crisp, and Martina Giesler. Members who practiced regularly and kept time of their practice were Don Cash, Douglas Crockett, Karen Day, Judy Glass, Christa Carol Rodgers, Jean Hess, Belva Patterson, Betty Ruth Dilbeck, Martina Giesler, and Marilyn Williams.

Delicious refreshments were served by Mrs. Miro Palkan, Mrs. Bill Day, and Mrs. Frank Rodgers.

Mr. and Mrs. Travis Stokes made a business trip to Amarillo Tuesday.

Wesleyan Guild Regular Meeting Held at Church

The Wesleyan Service Guild met November 9 for its regular meeting at the McLean Methodist Church.

The program was opened with the song, "I Come to the Garden." Helen Black gave the devotional. The love story of Mary and Joseph, as told by Frank G. Slaughter in his religious novel, "The Galilean," was reviewed by Leona Andrews.

The hostesses, Erma Hester and Ann Gibson, served the following members: June Story, Dorothy Andrews, Bessie Hamilton, Fern Doyd, Ruth Magee, Isabel Cousins, Maybelle Nash, Sue Cubine, Loretta Brown, Lois Page, Tressie Mantooth, Vernene Day, and Lady Bryant, and two visitors, Mrs. Powell and Mrs. Grogan.

Mrs. H. B. Martindale of Wellington is visiting in the homes of Mr. and Mrs. Jack Hiett and Mr. and Mrs. J. I. Martindale this week.

Mr. and Mrs. Paul Miller and son spent the week-end in Amarillo visiting with Mr. and Mrs. Ira Heard.

Mrs. Jesse Coleman and Mrs. Clyde Magee, accompanied by Mrs. John Dwyer of Groom, were in Amarillo Friday on business.

Mrs. Bill Bailey and Mrs. E. H. Kramer were in Erick, Okla., on business Monday.

Mr. and Mrs. Jack West and daughters of Groom visited in the

home of their parents and parents, Mr. and Mrs. Johnston, Sunday.

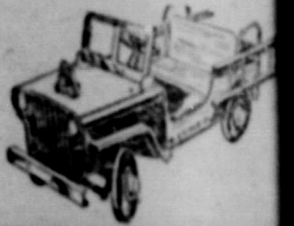

Mr. and Mrs. R. N. M. Mr. and Mrs. T. G. Herbert, Jim Stevens and son Jim Mounce, and Mr. and Mrs. Petty attended the home of Odd Fellows and Rebekah Shamrock Thursday night.

You Should Know About Health Insurance

By Jhan and June Robbins

This is the first of a series of articles based on a recent national survey—sponsored by Health Information Foundation—a public service organization supported by 165 drug, pharmaceutical, chemical and allied companies—which provides facts about family medical costs and how they are being met.

No. 1—Where Are We Now On Health Insurance?

What happens in your house when someone gets sick, bears a heavy set of tonsils removed, breaks a leg and you think about the medical costs involved? Do you say, "Don't worry, we're insured" and go more or less peacefully off to the hospital? If you are one of the 87 million people—37% of the U.S. population—who are enrolled today in voluntary health insurance plans, you are one of the 74 million people who carry insurance against surgical or medical costs.

The idea that medical emergency need not mean financial disaster is comparatively new. Voluntary health insurance plans began to interest the nation in the early thirties, expanded steadily up to 1939 when five and a half million of us were included. In the next fifteen years membership zoomed dizzily, doubling and re-doubling as the idea of voluntary health insurance caught on all over the U.S.

Need for Accurate Figures

Meanwhile, however, the nation's economic picture changed and information about how much we actually spend for medical care was hard to find. The last accurate figures were based on a survey dating back to 1932. A few months ago a nationwide survey conducted by the University of Chicago's National Opinion Research Center brought to light the first reliable, nationwide statistics on the current cost of medical care in the U.S. Chief among their findings was this impressive total: 89,500,000 persons now carry some kind of health insurance—nearly 60% of the total U.S. population!

There is no doubt about it, the preservation of our good health has become one of our chief national interests. Today most of us are no more willing to risk an illness without a doctor than we are willing to risk a fire without a fireman.

Survey of Health Costs

Sponsor of the recent survey of the present-day status of medical costs and voluntary health insurance is the Health Information Foundation, a public service organization backed by 165 drug, pharmaceutical, chemical and allied companies, working under a Citizens Advisory Committee whose Chairman is former President Herbert Hoover. The Foundation, in consultation with representatives of Blue Cross, Blue Shield and other private insurance plans, social scientists, public health officials and physicians, sought to find out how health in-

urance is changing our national health picture, how well it is working to relieve us of financial worry over health problems, and how we can, in the near future, make it work better.

The segment of the population interviewed by researchers was selected on a scientific sampling basis. It included all ages and income groups, both large and small families, workers in all occupations and both farm and city dwellers in all regions of the country.

Clearly we want good medical service and are trying to prepare to pay for it. Currently 58% of the population is meeting at least part of the costs of having voluntary health insurance. It is evident, however, that sooner or later all of us must be prepared to pay for medical care. At some time anyone of us may be faced by extraordinarily heavy costs. Only 9 families out of every 100 incurred no cost for illness during the year studied, but one family out of every 100 incurred costs in excess of \$995. Average costs for all principal health services was approximately \$207 per family.

Future of Health Insurance

While health insurance has so far been limited to helping people meet hospital and surgical costs, it is now expanding to help people meet other medical costs. About five million of us—less than 4%—have insurance which provides substantially complete medical service.

Thus, while the problem of paying for family medical costs is on its way to a solution, the present situation could stand considerable improvement and more facts are needed before the average family head can know how to proceed. Health Information Foundation has a number of other surveys underway which will throw light on the problem areas where more information will lead to better protection.

One fact, however, stands out clearly. As a nation we are now pretty well committed to the idea of voluntary health insurance. We have long ceased to argue about whether we want it or not. What we want to know now is how to spend our insurance dollar so that we can get the best health care for ourselves and our families, and how those who do not yet have insurance can be brought into the movement to broaden our risks and lighten our tax burden.

The next article in this series will tell: "Who's Got Health Insurance Now."

Time for Increase Of Whooping Cough

This is the time of the year that usually marks an increase in the incidence of whooping cough. Dr. Henry A. Holle, state health officer, said that strenuous efforts should be made to control the spread of this debilitating childhood disease.

"The only source from which whooping cough may be contracted is another case of whooping cough, and isolation of cases must be universally practiced to prevent its spread," Dr. Holle stated.

"The infectious agent or germ of whooping cough is transmitted by droplets expelled in coughing, sneezing, or speaking," he declared. "The discharges from the nose and throat are dangerous; the need for early recognition and careful isolation of whooping cough is obvious."

The first sign of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Holle stressed the fact that children who have whooping cough should not attend school or come in contact with other children, until three weeks after the appearance of typical signs of the disease.

"Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved vaccine and convalescent serum," Dr. Holle asserted. "and it is important that such measures be taken to protect them. Neglecting to do so may seriously impair the child's health."

The world's greatest builder of V-8's presents

THE TOTALLY NEW '55 FORD!

ON DISPLAY FRIDAY!

with styling inspired by the Ford THUNDERBIRD

New FAIRLANE Series... The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, single and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series... The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series... The new 6-passenger, 4-door Country Sedan (above) is one of five new do-it-all beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon.

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is totally new—outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury... by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: why look farther—why delay—you just can't buy better than Ford.

New MAINLINE Series... Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build... short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

ALL WITH TRADITIONAL FORD ECONOMY

PLUS ALL THESE OTHER BRAND-NEW WORTH-MORE FEATURES

- ★ New Speed-Trigger Fordomatic Drive
- ★ New Turbo-Action Spark Plugs
- ★ New 10% Larger Brakes
- ★ New Tubeless Tires
- ★ New Angle-Poised Ball-Joint Suspension (Fordomatic Drive optional.)

Editorial

RADAR ENFORCEMENT

A NEW "SIGN OF LIFE" will appear on many of the highways of Texas this month. It's a new highway traffic sign and, like most of the others which are familiar roadside markers to motorists, it is designed to prevent costly motor vehicle accidents and save human lives.

These new signs will read "Speed Limits Radar Enforced" and the Texas Highway Department has slated their early construction in order that they will be in place by mid-November when the Texas Department of Public Safety is expected to begin the operation of radar equipped patrol cars on the principal traffic arteries throughout the state.

Texas will thus join 31 other states and 50 cities which are currently employing radar as a device for lowering the traffic accident rate due to excessive speed.

During the past several months the Texas Department of Public Safety has conducted an educational demonstration program of the radar units in each of the 16 Texas Highway Patrol districts within the state. Colonel Homer Garrison Jr., director of the DPS, says that these demonstrations have been staged for the benefit of members of the press, radio, and TV as well as for public officials, including judges and prosecutors, in order to acquaint them with the operation and the accuracy of the devices.

"We know of no instance," said Garrison, "in which those who have witnessed these demonstrations have failed to acknowledge the accuracy and the fairness of this method of coping with fast drivers."

The public safety director also pointed out that speed continues to be the principal contributing factor in the state's fatal traffic accident picture. He emphasized that radar is no "cure-all" for the traffic problem and, in no way replaces manpower in the enforcement of the speed laws.

"Rather," Garrison added, "we consider it only as another tool to be utilized in protecting the public against the consequences of the acts of the thoughtless, the careless, and the indifferent drivers who constitute a menace to the public safety by driving too fast for conditions."

According to Garrison, the "Speed Limits Radar Enforced" signs will be erected immediately outside the city limits of towns on the approaches to stretches of highway where the mobile radar units will be employed and just inside the state lines on those roadways where they will be in use. Additional signs will be placed, also, between the cities where it is deemed necessary to inform the public of the enforcement procedure being employed.

LES

TALK

By LESTER

I fared a bit better on my predictions last week, so I will place this week's at the top of the column.

Last week, I predicted McLean over Clarendon 31-13; the score was 35-28. I predicted Lefors over White Deer 20-7; the score was 26-12. I predicted Canadian over Panhandle 65-0; the score was 40-6. I predicted Memphis over Gruver 35-0; the score was 53-0. So I got all four right, and even the scores weren't too bad.

This week's predictions:

McLean 35, Lefors 13.
Canadian 25, Clarendon 19.
Memphis 54, Panhandle 0.
White Deer 33, Gruver 0.

This Friday night is it. McLean can well expect the largest football crowd ever to assemble in a local stadium for the McLean-Lefors encounter.

The team which wins this one will represent District 1-A in the play-offs, regardless of the outcome of the remaining games. McLean can win this one and lose to Memphis; if this should happen, McLean and Lefors would share the title, providing they win their remaining game, and McLean would represent the district by virtue of having defeated Lefors during

the regular season. Should Lefors win from McLean, the Pirates would represent the district in the play-offs, regardless of whether they win their final game with Clarendon.

The Tigers were apparently off form last Friday night against Clarendon. They were a bit off form in the first half against White Deer. So that means that this week, the Tigers will be bouncing back, and should be a cinch to take the measure of the Lefors Pirates.

Things could happen between the time this is being written and game time which could make lots of difference. Injuries, and the like.

But, generally speaking and barring these unforeseen happenings, McLean should be able to whip the Pirates. I sincerely believe we have the best ball club.

It has been 13 or 14 years since McLean has won a district championship. The team has not fared too well during the years since the war until last year, when the Tigers won 8, lost 2. This is our year to win, AND WIN WE WILL.

The team is in need of your support. Be one of the thousands to attend next Friday night, regardless of the weather conditions. The game will be on Duncan Field in McLean. People are expected here from near and far. I personally would like to see the McLean fans outnumber the Lefors fans so badly that the Lefors fans would be drowned out.

I repeat: this is our year to win, and WIN WE WILL.

See you at the football game Friday night.

Tennessee Ernie Ford, on the radio, told a good joke which I must pass along I've already told it to a lot of people. It goes like this:

Do you know what a mugwump bird is? You don't? Well, it's a bird which sits on the fence with his mug on one side . . . and his wump on the other.

Saw a Clarendon friend of mine at the half last Friday night. Said he, "You have just a pretty good country football team." And I bragged. Saturday morning I sent him a postcard, saying, "That good country football team you mentioned dern near took a city sicking. Whew!"

A couple of jokes:
The new special service officer arrived and moved into his new office. That afternoon, the first G. I. came into his office. As he entered, the officer picked up the phone and after a few seconds, answered, "Yes, Colonel, everything is fine, sir."

Turning to the visitor, he asked, "Now what can I do for you?"
The G. I. sighed, "I'm from the signal office. I just came in to connect your telephone."

A fellow we heard about, named Smith, met a gentleman at a party, named Sexauer. They hit it off rather well and as they had some mutual business interests they parted, agreeing to have lunch the following week. Well, it turns out Smith couldn't make it, and wishing to call his new friend, he remembered that he worked at one of the paper houses but couldn't remember which one, so telephoning one of

the larger companies, he the switchboard girl, "Do you have a Sexauer there?"

"No," was her prompt reply, "we don't even get a coffee around here."

Happy is the house that has a friend.—Ralph Waldo Emerson

He is our friend who more than admires us, and aid us in our great work.—Ellery Channing.

Harding was the first President to speak over the radio.

"I taught Mother how to cook on our ELECTRIC RANGE!"

says Linda, 10 year old daughter of S/Sgt. and Mrs. Frank P. Stinchfield 1207 W. 7th, Roswell, New Mexico

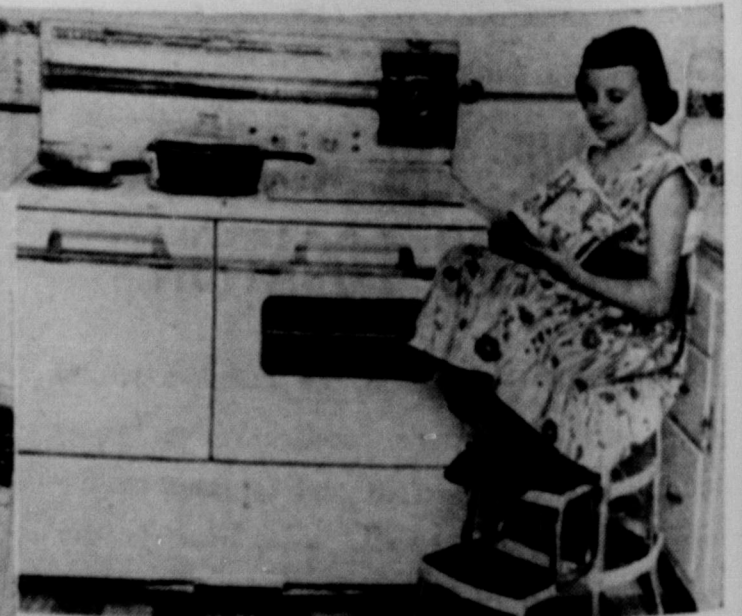

"Since I attended the Girl Scout Cooking Class I helped convince Mother that we needed an electric range. The feature that I like best is the broiler, because you can fix a meal in a hurry. I also like the timer on our new range because it is the only clock that we can cook by. All the other clocks in our house tell a different time."

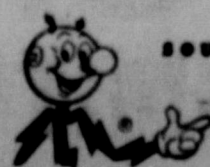

A REAL REDDY KILOWATT FUTURE HOMEMAKER

"Both Mother and Daddy are good cooks. I have shown Mother how to use lots of the features on our electric range. The thing she likes best about it is the broiler. She works part time so the automatic timer has been a big help to her and, of course, I showed her how to use it. I help Daddy make some of the desserts and his favorite recipe is doughnuts in the deep-well. Daddy likes the even heat that you can get on this range."

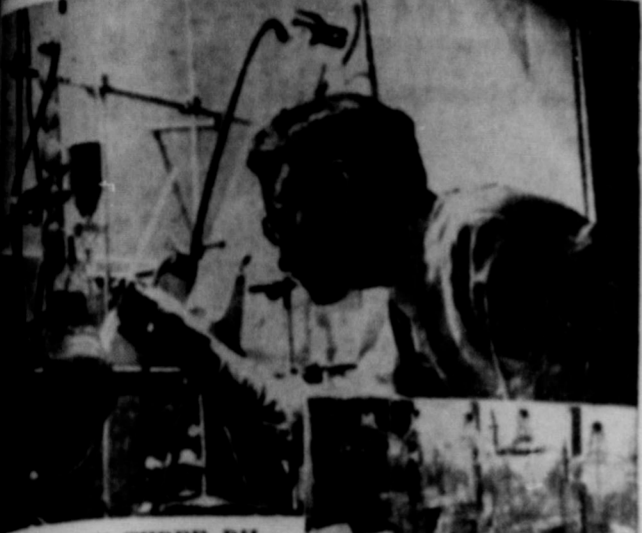

"I am working on my Girl Scout Cooking Badge and I do a lot of practicing at home. I have cooked before but this is the first time I have cooked on an electric range. It sure is lots of fun."

MORE THAN THREE BILLION DOLLARS WILL BE SPENT THIS YEAR BY AMERICAN INDUSTRY AND GOVERNMENT ON RESEARCH PROGRAMS—all designed to help you live longer and better.

Research programs have paved the way for thousands of new low-cost products that make your daily chores safer and easier. Just look around your home. The washing machine, telephone, television, dishwasher—all the modern conveniences designed to make your life more pleasant—all of these had their beginnings in research laboratories.

One outstanding example of an industry spending thousands of dollars to improve your living conditions is the new expanded research program now being carried on by the manufacturers of vitrified clay pipe. Of all the factors that contribute to improved public health, none is more significant than the clay sewer pipe which guards your home. Modern sanitary systems constructed of clay pipe play an everyday role as guardian of the health of the people. They are a city's sanitary lifelines, carrying away potential deadly wastes.

Clay pipe research projects, now being carried on at many of the nation's leading universities and private laboratories, are smack on the target of improving existing offerings and developing new clay products. The entire program is designed to broaden the vitrified clay pipe industry's services to the public.

There is absolutely NO reason why anyone need gamble with his family's health. Through research, the clay pipe industry meets that challenge. Health is America's First Line of Defense.

40 Years Ago— IT HAPPENED HERE

Taken From the Files of The McLean News, 1914

Bundy-Biggers

The announcement of the marriage of Ross Biggers and Miss Mildred Bundy came as a surprise to the many friends of both the young people. The ceremony was performed at the home of the bride's parents last Sunday morning at 9 o'clock, S. R. Jones, a minister of the Holiness faith and an uncle of the bride, performed the ceremony in the presence of only the immediate relatives.

beauty and brightness of their horizon.

Study Club is Organized

On Monday afternoon a number of ladies who were interested in the organization of a study club met at the home of Mrs. W. H. Holt and effected an organization. The following officers were elected: Mrs. Holt, president; Mrs. S. R. East, vice president; Mrs. S. E. Boyett, secretary; and Mrs. T. J. Coffey, treasurer.

These popular young people are too well known to need an introduction from us, but we feel that probably no other young couple whose marriage it has been our pleasure to chronicle were more universally admired and loved than Mildred and Ross, and if the warmest personal felicitations of their host of friends is indicative of the future, theirs will indeed be a prosperous one.

Ross has for some time been associated with the Citizens State Bank as assistant cashier and has a bright business future before him. Mildred is the daughter of Mr. and Mrs. S. H. Bundy and came here two years ago with her parents from Oklahoma City. Besides her many other accomplishments, she is a talented musician, having graduated on the piano from a conservatory of music in Oklahoma City several years ago.

Here's hoping that no dark cloud will ever rise to mar the

prepared by the manager of the cafe, John Rogers.

Buy **KARO WAFFLE SYRUP** in the handsome full quart decanter!

1 1/4-pound and 3-pound bottles... 5-pound cans

The motoramic Chevrolet for '55

Great new **8**

Two new 6's **6**

It's got a "V" in its bonnet— or your choice of two new sixes!

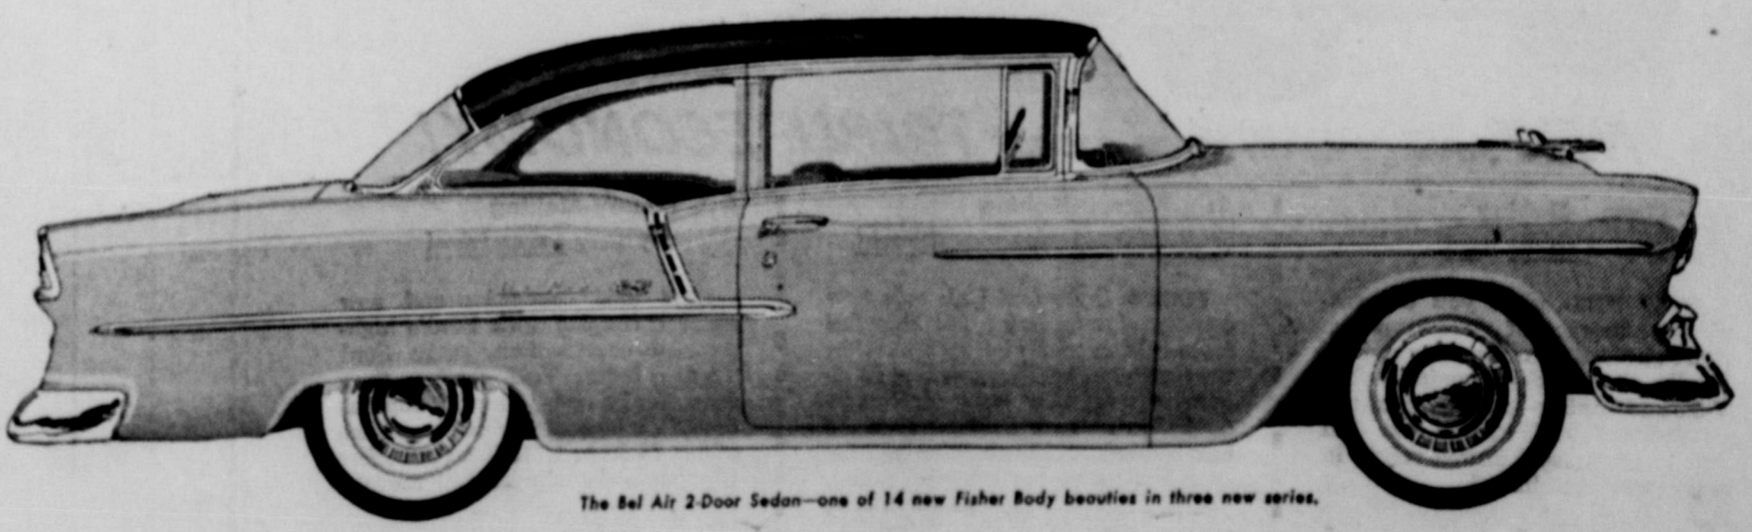

Chevrolet for '55

It's the valve-in-head V8 as only the valve-in-head leader can build it!

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so wonderfully efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and let the new "Turbo-Fire V8" speak for itself. You'll like what it has to say!

With enough new advances to fill a book!

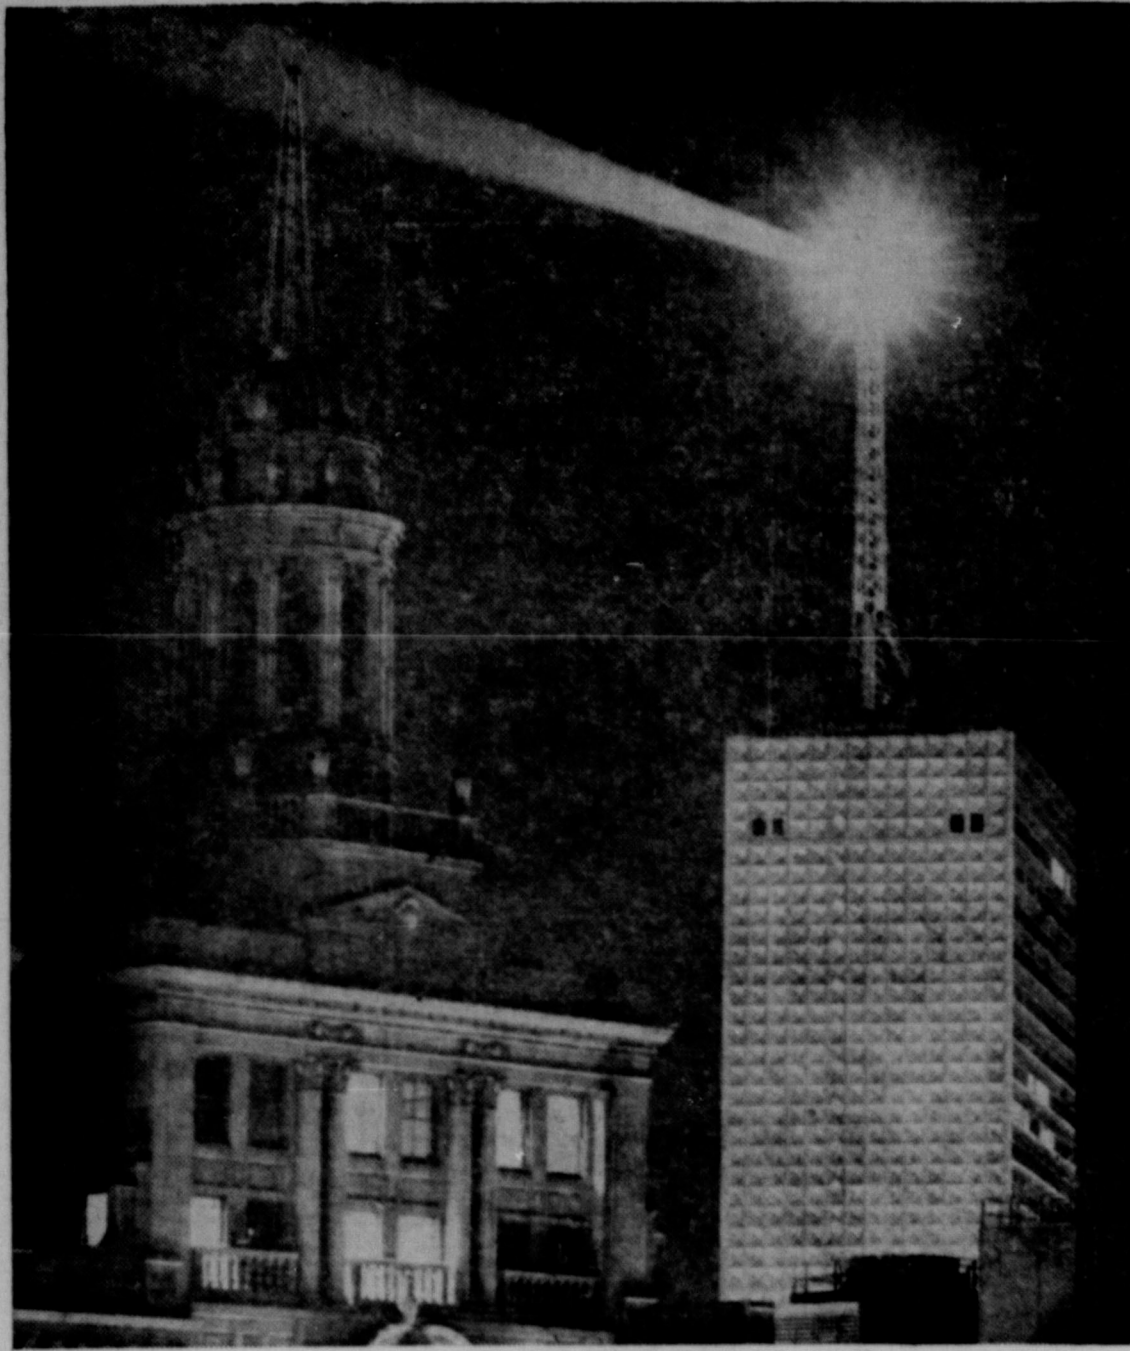

Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems... new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. All in all, they're the liveliest, smoothest sixes Chevrolet ever put into a passenger car. As you know, that covers a lot of territory. And so will you—with either of these two new sixes!

The Bel Air 2-Door Sedan—one of 14 new Fisher Body beauties in three new series.

More than a new car... a new **CONCEPT** of low-cost motoring (and much too good to miss driving!)

Webb. Mr. and Mrs. Webb returned home with the Blacks to spend two weeks.

Carbon Monoxide Danger Increased In Cold Weather

The cold winds of winter will whip up a new threat to Texans' safety.

The threat comes from carbon monoxide, which Dr. Henry A. Holle, state health officer, characterizes as being invisible, odorless, and tasteless—but deadly.

As cold weather draws near, the danger of carbon monoxide in the home or garage increases. Many people throughout the state are lighting poorly or faulty ventilated heaters and furnaces in their homes or running their cars in closed garages. Closed houses keep the cold out and the deadly fumes in. A few people live to tell about it because someone found them before it was too late.

The burning of any fuel that contains carbon may produce carbon monoxide. This is true of coal, coke, wood, oil, kerosene, gasoline, and such gaseous fuels as natural or manufactured gas. Last year seven Texans died of carbon monoxide poisoning, two of them in automobiles.

All heating equipment should be vented to a flue. Keep all rooms ventilated. Do not turn the heater higher than it was intended to run. Never leave gas heating appliances burning while you and your family are asleep. Regulate adjustable air-mixing valves so that enough air is supplied to insure complete combustion of the gas.

If a person is overcome by carbon monoxide he should first be moved to fresh air. In addition, open windows and turn off the gas in the room. If the victim has stopped breathing, administer artificial respiration and if possible an inhalator should be used to administer oxygen. Keep the patient warm and lying down until a doctor comes.

THINGS TO TALK ABOUT

BY FRANKLIN J. MEINE
Editor, American Peoples Encyclopedia

Frank Boon of Elam, Ill., claimed four horseshoe pitching records in 1951: made 1,362 ringers in 1,774 pitches, 28 straight ringers and 271 points; 26 ringers in 100 straight shoes.

THE TOKYO TELEPHONE COMPANY ANNOUNCED RECENTLY THAT IT WOULD BEGIN ACTING ON APPLICATIONS FOR TELEPHONE INSTALLATIONS. THE APPLICATIONS DATE BACK TO 1950.

Agent carnal CATFISH was caught convicted of slaying all goldfish in England's Cornubian Park pond. The fish was sentenced to a lifetime of solitude in the tank of a Dover fish house.

Mr. and Mrs. W. J. Hanner spent the week-end in Borger in the home of their son, W. J. Hanner Jr. and family.

Mrs. Ercy Cubine spent week visiting with her parents, Mr. and Mrs. L. N. Bridgman, Knox City.

Announcing new FORD TRUCKS for '55... the Money Makers!

Money-making POWER! Important longer-life engine advancements! The only full line of proved, modern short-stroke engines in any trucks! New work-saving, money-saving CONVENIENCE! New money-making CAPACITIES! New reasons why Ford Trucks are gaining new buyers faster than any other trucks!

POWER STEERING is standard at no extra cost in this new Ford T-800 tandem-axle Big Job, 170-h.p. Cargo King V-8. GVW 40,000 lbs., GCW 60,000 lbs.

NEW savings in all three areas! TRIPLE ECONOMY!

1 Money-Making power saves gas!

ONLY FORD gives you the gas-saving efficiency of proved, modern short-stroke design for every engine! Ford's ultra-modern engines—four V-8's and one Six—cut piston travel, cut internal friction, save gas. And new engineering features result in still greater durability!

2 Money-Making convenience saves work!

FORD'S Driverized Cab sets new comfort standards for '55! New full foam-rubber seat and seat back in the Custom Cab*. Work-saving Fordomatic* with new low-gear "step-down" . . . Power Brakes* even for half-tonners . . . Power Steering* for most Big Jobs—make driving easier. *Model extra cost.

3 Money-Making capacity saves trips!

NEW axle capacities and new springs, coupled with Ford's high-payload construction, make Ford Trucks better load carriers than ever. Ford's new 1/2-ton Pickup has one of the biggest payload capacities of any Pickup: 1,718 lbs. Ford offers top payloads in over 190 models!

NEW Payload Champ of the Pickup! New Ford F-100 6 1/2-ft. Pickup, GVW 5,000 lbs., now takes payloads up to 1,718 lbs. 132-h.p. V-8 or 118-h.p. Six engine.

NEW higher power and compression in all light and heavy duty series Ford Trucks! Shown: C-600 Cab Forward, GVW 16,000 lbs. Choice of two proven V-8's.

See the 1955 Money Makers Friday!

Your Friendly Ford Dealer

Our Invitation to You
To Attend the First Showing
of the New
1955 Ford
On Display
In Our Showroom
Friday, Nov. 12

And to Attend Our Formal Opening as Your Ford Dealer

You will see the most beautiful Ford car we've ever had the pleasure of showing you . . . exquisitely styled after the brilliant Ford Thunderbird . . . and with responsive new Trigger-Torque power in Y-block V-8 or I-block six engine.

We are happy to be associated with you as your Ford dealer, and wish to make the acquaintance of each of you. Visit with us this week-end, see our newly-decorated building. We will have favors for you visitors.

Please Accept Our Invitation

Joe Smith Motor Co.

Your Friendly Ford Dealer

Pineapple Ice Box Cookies Are "Good Keepers" in The Cookie Jar

Perfect to go to school in the lunch box and for impromptu snacks while watching TV.

Almost every family has a favorite kind of cookie or will have once they've tried these delicious ice box cookies with a surprise ingredient—crushed pineapple. They may be mixed ahead, which is an advantage, and stored in that cold spot to bake when you need them when it is most convenient.

Every child enjoys cookies in his lunch box, and you'll find these "good keepers" in the cookie jar. Keep them on hand for everything from cookie jar raids to impromptu snacks while watching TV.

PINEAPPLE ICE BOX COOKIES
 1/2 cup butter or margarine
 1 cup brown sugar, firmly packed
 2 eggs
 1/2 cup crushed pineapple, well-drained
 1 teaspoon vanilla
 3 cups flour
 1 teaspoon soda
 1 teaspoon baking powder
 1/2 teaspoon salt

Cream butter or margarine and sugar, add eggs one at a time and beat well. Stir in well-drained pineapple and vanilla. Add flour sifted with soda, salt and baking powder.
 Shape into 2 rolls 2-inches in diameter and wrap in floured waxed paper. Place in refrigerator for 2 hours or overnight.
 Cut in slices 1/4-inch thick. Bake on a greased baking sheet in a moderate oven (375 degrees) for 15 minutes or until slightly browned. Bake 5 dozen cookies.
 Note: If crisp cookies become soft, they will be crunchy again after 1 to 5 minute warming in a slow oven (325 degrees).

CHURCH CALENDAR

(Churches of this area are invited to run their activity calendars weekly in this column.)

McLean Methodist Church
 Sunday: 9-45 a. m.
 Church School 10-55 a. m.
 Morning Worship 10-55 a. m.

In Amarillo Saturday—'EAT MORE BEEF' PROGRAM

All Panhandle citizens—men, women, and children—are invited to a gigantic barbecue and program at Fair Park Coliseum in Amarillo Saturday night, November 1, as a climax to Eat More Beef Week, sponsored by the Panhandle Livestock Association.
 Festivities, beginning at 7 o'clock, will include a talk by Jay Taylor, president of the American Cattle Growers Association and well-known Amarillo businessman.
 Barbecue will be served between 8 and 9 o'clock.
 Special square dancing teams will perform immediately after the barbecue. Dancing for all who wish to participate will begin at 9:30.
 Hundreds of beef cattle producers, processors, retailers, and those who just enjoy eating good beef are expected to attend the party from all counties in the Panhandle, according to Jim Weymouth, chairman of the arrangements committee.
 Tickets for the barbecue, program, and dance at \$1 per person, may be obtained at the coliseum Saturday night.
 Mr. and Mrs. Otto Reimer and boys of Pampa spent Saturday night and Sunday in the home of Mr. and Mrs. Edgar Smith and family.

Mrs. Sarah Woody was returned home Thursday of last week from Northwest Texas Hospital in Amarillo. She is reported as much improved.

Mr. and Mrs. Gene Bynum of Pampa visited with Mr. and Mrs. W. C. Simpson Sunday.

Mrs. Luther Petty attended a District 10 Jubilee meeting of the Baptist W. M. U. at Pampa Monday and visited with friends at Pampa and Lefors.

Mrs. H. Billingslea visited in the Wib Fowler home last Wednesday after the funeral of her mother, Mrs. Abbott. She returned to her home in Jay, Okla., that night.

Mr. and Mrs. Axel Strandberg of Amarillo and Mr. and Mrs.

Dick Rettick of Moline, Ill., visited Wednesday with Mrs. H. E. Franks.

Mr. and Mrs. C. H. Wood of Pampa visited with Mr. and Mrs. John Haynes Sunday.

CARD OF THANKS
 Words cannot express my deep appreciation for the many acts of kindness shown me during my recent illness.
 Mrs. R. D. Marrs

CARD OF THANKS
 We wish to extend our heartfelt thanks to all our dear friends who extended comforting sympathy, for the beautiful floral offerings, dinner, and other kindnesses in the passing of our dear mother.
 The Abbott Children and Grandchildren

Tigers—
 (Continued from page 1)
 tie. However, Lefors whipped Shamrock 13-7, while McLean downed the Irish 45-6; Lefors ousted Panhandle 39-0, as compared to a 65-13 victory by the Tigers; the Pirates edged Canadian 13-0, and McLean downed the same team 20-0; and Lefors won over White Deer 26-12, while McLean whipped the Bucks 51-7.

The highlight of the Pirate offense is a pass combination of Quarterback Eddy Clemmons to End Philip Earhart. This combination has proved dangerous to most of the Lefors opponents. Eddie Clemmons—fans will remember him from last year—is a running threat to any team.
 Other returning lettermen for the Pirates are Ronnie Ries, Johnny Quarles, Johnny Rowe, Kenneth Cox, Jerry Herring, Don Davis, Mike Nichols, Franklin Hankin, R. J. Wooten (outstanding center), Jerry Rider, Denzel Rippy, Robert Smith, David Bonner, and Gene Fulton.
 Coach Rogers will use about the same line-up to open the game. Charlie Vineyard will likely see considerable action. Vineyard will be eligible to play his first game of the season against the Pirates following his return to school classes.
 Other District I-A games will include Clarendon at Canadian; Memphis at Panhandle; and Gruber at White Deer.

TERMS GIVEN PAIR IN HIWAY ROBBERY CASE

Two men pleaded guilty Monday at Panhandle to robbing a couple who slept in a car alongside Highway 66 last May, and received terms of five and ten years in prison.

The two were Earl C. Shields of Los Angeles, Calif., who was given five years; and James A. Strong of New York, who was sentenced to ten years. The sentences were pronounced by Luther M. Gribble, 100th district judge.

The men still face charges in Gray County for the holdup-shooting of Mr. and Mrs. Bill Rex Frazier of Long Beach, Calif. Frazier was wounded when he resisted an order to give up his billfold. One of the bullets hit Frazier in the arm, although the injury was not serious.

Both men were arrested near Groom May 29, only a short time after robbing Frazier. Strong admitted to officers that he had robbed Frazier; and earlier, had also robbed Mr. and Mrs. W. R. Honey. Shields, at that time, told officers he had picked up Strong, who was hitchhiking on the outskirts of Los Angeles. He also said that they had spent several days in Juarez, Mexico, before running out of money.

In the case tried at Panhandle, District Attorney Allen Harp dismissed the portion of the armed robbery charge that could have made it a capital offense.

News From—THE F. F. A.

The McLean chapter of Future Farmers of America held their regular monthly meeting Monday night in the high school auditorium, with Gerald Tate, president, calling the meeting to order. Thirty-six members and three guests were present.

The boys voted unanimously to give a quarter each to go to Boys Ranch. Each year Area 1 tries to give the boys at the ranch something to help them out, and the McLean chapter has participated each time.

The group discussed the purchase of a Chester White boar pig with the chapter's money. The pig will be placed in the care of one boy and can be used by all members who wish to use him. Some type of program is to be worked out so that the boy who takes care of the pig will not lose money on the pig's feed. Appointed to find a home for the pig was a committee of Alton Carpenter, Jerry Preston, Joe Dwyer, and Jim Evans.

The boys also voted 100 per cent in favor of attending the Fort Worth Fat Stock Show the last of January. An annual event for the boys, it is both educational and entertaining.

The members also agreed to buy a jig saw for use in the shop, to supplement the tools the shop already has.

Entertainment was furnished by the F. F. A. band.

Members are urged to attend the meetings, and visitors are welcome.

WRITERS' CLUB

The regular Monday night Writers' Club was well attended in the home of Miss Ruby Cook. Any woman interested is requested to join the club.

Mr. and Mrs. J. I. Martindale

and family visited with Mr. and Mrs. Carol Moore in Amarillo Sunday.

REVEILLE

with the boys

A/2e and Mrs. Jimmy Cockerham and son Gary Lynn are visiting in the homes of their parents and grandparents. Mr. and Mrs. George Cockerham and Mr. and Mrs. George McCracken of Alameda, Airman Cockerham has completed his course in electronics at Lowery A. F. Base near Albuquerque, N. M. Gary Lynn is very early following in the footsteps of his father, as he made his first plane trip from Denver, Colo., to Amarillo at the age of ten days.

NEW BOSS

Mr. and Mrs. Morris Brown are the parents of a boy born Thursday, November 4. He weighed 8 pounds, 2 ounces, and has been named Ronald Roy. Grandparents are Mr. and Mrs. Roy Sherrod of Alameda and Mr. and Mrs. M. E. Brown of McLean.

Mrs. C. M. Carpenter returned home Saturday from Wichita Falls, where she had been for several days visiting with her sister, Mrs. R. E. Hilburn, who is ill.

Mr. and Mrs. Clifford Howard and sons visited with relatives in Childress Sunday.

Thomas Jefferson's home was called Monticello.

INSPECTION OF AUTOS GOING AT SLOW RATE

Texas, individualists that they are, have already started a potential waiting line at the state's automobile inspection stations.

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, said this week that the waiting line was shaping up; up now to precede the inspection deadline next April 15.

The public safety director based his conclusion on the fact that auto inspections at mid-October were running more than 100,000 behind the figure for the first month of the 1953 inspection period. He said that undue waiting to secure a check of their vehicles may be averted by motorists if they will visit one of the 4,000 inspection stations at an early date.

"None of the 4,000 stations are too rushed to give you prompt attention at this time," Garrison stated, "but if the figures for the first month's operation under the new inspection period are any indication, we can expect long lines at most of the stations in April. This situation can easily be averted if motorists will visit a station in the near future and secure the annual inspection."

Garrison pointed out that members of the Texas Highway Patrol "handled some 12,000

violations of the motor vehicle inspection law" during the period from April 15 to September 1, 1954.

THE ROMANCE OF COFFEE

THE FIRST KNOWN USE OF COFFEE CELESTIALS WAS A FOOD, WINE AND MEDICINE, EVEN TODAY AMONG THE WANDERING GALLI TRIBES OF AFRICA THE PULVERIZED BEANS ARE MIXED WITH FAT AND USED AS A FOOD RATION.

COFFEE WAS FIRST ROASTED IN THE 15TH CENTURY BY "COOKING" A FEW BEANS AT A TIME IN CRUDE CLAY DISHES OR STONE VESSELS OVER OPEN FIRES.

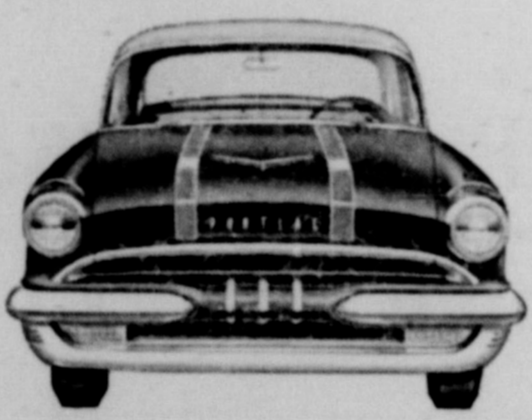

MODERN ROASTERS PROCESS 500 POUNDS OF BEANS IN ABOUT 15 MINUTES IN THE PERFECT ROAST; NOT ONLY DOES EACH BEAN EMERGE IDENTICAL IN COLOR, BUT EACH IS ALSO THE SAME COLOR FROM OUTSIDE TO INSIDE. BECAUSE OF SHIRKING DURING THE ROASTING PROCESS, IT TAKES 100-125 POUNDS OF GREEN BEANS TO PRODUCE 100 POUNDS OF ROASTED COFFEE.

back; tonette solo, Eddie Kunkel; duet, Roy and Joy Richardson; vocal trio, Jimmy Butrum, Don Hauk, Kenneth Willingham; piano solo, Michal Massay; vocal trio, Othella Eustace, Phyllis Hancock, Elaine McElroy, accompanied by Mrs. Frank Rodgers.

Mr. and Mrs. Kenneth Williams of WTSC, Canyon, spent week-end with her parents, and Mrs. Leroy Williams, visitors in the Williams were Mr. and Mrs. Henry son of Vernon.

Come in and See the All-New '55 Pontiac

with the 180-HP Strato-Streak V-8!

INCOMPARABLE ALL-NEW ROADABILITY

Pontiac's all-new roadability starts with a long wheelbase. Its all-new chassis provides a heavier, more rigid frame; all-new front suspension and new wider-spaced parallel rear springs provide road-hugging stability so greatly advanced you'll notice the welcome difference the moment you take your first drive. You'll get a lullaby ride on any road in this big, solid car with every worthwhile comfort advancement of the year.

SENSATIONAL ALL-NEW STRATO-STREAK V-8 PERFORMANCE

Here's an engine so responsive, so alert it almost anticipates your demands for getaway and passing power. But most important, here's an engine so thoroughly proved that it will make even more enviable Pontiac's famed reputation for dependability, long life and economy. Three and a half million miles of testing stand back of Pontiac's all-new perfected 180-horsepower Strato-Streak V-8.

DARING ALL-NEW FUTURE-FASHIONED STYLING

Pontiac's brilliant new styling steps you years ahead in a single bold move. From its "dream car" front end with its twin silver streaks to the new upswep rear fenders, Pontiac for 1955 is far and away the most distinctive car on the road. Its long, low lines are a visual complement to its spectacular performance.

BEAUTIFUL ALL-NEW PANORAMIC BODY

Lower, wider, roomier, Pontiac's new panoramic body provides sweeping vision all around, with new panoramic windshield and extra-wide rear window. Front seats are three inches wider and, despite a roof line almost three inches lower, there is no sacrifice of head room. Underneath this dramatic new beauty and comfort is the rugged safety and quiet of incomparable Fisher Body construction.

ALL-NEW HANDLING EASE

New vertical king-pin front suspension and new recirculating ball steering let you take corners and curves almost effortlessly—cushion road shock so effectively you experience a new driving sensation. Bigger brakes stop you surely and quickly.

EXCITING ALL-NEW INTERIORS

Never has a car priced so low extended so exciting an invitation to relax amid so much luxury. Pontiac's all-new interiors—with fabrics and leather keyed to the Vogue Two-Tone body colors—are unsurpassed for beauty at any price.

His Pontiac's Year to Star!

A GENERAL MOTORS MASTERPIECE—ALL NEW FROM THE GROUND UP!

ANDREWS EQUIPMENT CO.
