Mrs. Irven Alderson was awarded \$11 in merchandise certificates at the regular Appreciation Day activities in McLean last Saturday afternoon.

An exhibit of famous paintings, and copies of many other paintings, will be held in the Municipal Building during the week of March 7-11, Jimmy Payne, principal of McLean High School, announced this week. Hours the building will be open during that week will be announced later.

Approximately 150 paintings will be brought here by the Colonial Art company of Oklahoma City, Okla., Payne explained. The paintings will be offered for sale.

Admission to the exhibit will be 35 cents for adults, and 15 cents for students. All proceeds will be used to purchase paintings for the school.

Inclement weather has delayed progress on the model home being built here by Munday-Cooper of Amarillo, Mrs. Vera Back, who will serve as agent in the sale of the home, said this week.

Freezing weather damaged some of the concrete work, necessitating the re-pouring of the concrete. In addition, high winds and generally cold weather have delayed work. No date for the open house program has as yet been set.

The week of March 7-12 has been designated and proclaimed by Governor Allan Shivers as Texas Public Schools Week and observance of the week here is being planned.

Several organizations will work with school authorities in planning for the week. All residents will be urged to visit the schools during the week. Details will be announced later.

The Gray County commissioners court Monday agreed to pay \$7,116.50 for additional rights-of-way, damages, and fencing along U. S. Highway 66. The settlement was necessary before the state highway department undertakes the building of a four-lane highway through the remainder of Gray County.

The funds were appropriated to conclude dealings with the few remaining land-owners with whom settlement had not been made earlier. The two remaining agreements are expected to be signed shortly, it was explained.

Jim Perkins, who has been with an insurance firm in Pampa, started work this week as a deputy assessor in the office of County Tax Collector Jack Back. He succeeds Bob Knott, former deputy, who moved to White Deer.

Perkins, a native of central Texas, lived in Lubbock and Hobbs, N. M., before moving to Pampa. He has been with the insurance firm since 1940.

The P-T. A. meeting, previously postponed, will be held Tuesday night, February 22, at 7:30 o'clock in the high school auditorium. Mrs. Mary Sligar of Canyon will be guest speaker. The first, second, and third grade children will sing.

George Terry, owner of Terry's Electric, suffered a broken arm when he fell Sunday evening. His arm will have to be kept in a cast for about six weeks.

TIGERS MEET SUDAN CAGERS MONDAY NIGHT

The McLean Tigers will meet the Sudan Hornets, champions of District 2-A, in the first round of the regional play-offs at the WTSC gymnasium in Canyon Monday night, beginning at 8 o'clock.

Arrangements for the play-off game were made between officials of McLean High School and Sudan High School following the District 1-A and District 2-A tournaments last week-end.

Under rules set up by the Texas Interscholastic League, there will be no actual bi-district championship. Instead, the eight teams in Region 1 will meet in four games either Monday or Tuesday night of next week as the first round of the regional tournament. In addition to the McLean-Sudan game, games will be matched between the winners of 3-A and 4-A; 5-A and 6-A; and 7-A and 8-A.

The four winners in these first-round games will then play in Lubbock Saturday, February 26, to determine the regional champion. This method is being used to reduce travel on the part of the teams, as well as to prevent loss of additional school time. The regional champs will advance into the state finals.

The Tigers will play the powerful Phillips Blackhaws here Friday night at 8 o'clock in a non-conference game. The Hawks defeated the Tigers in a game played at Phillips earlier in the season.

Admission to the game at Canyon will be \$1 for adults and 50 cents for students, the same admission charged in 1954 when the bi-district game was played.

Both McLean and Sudan are repeaters as district champs from last season. The Hornets outscored the Tigers 47-39 in their game at Canyon in 1954.

From all reports received here, the Hornets are even more powerful this year. They have defeated several outstanding teams, including both Berger and Lubbock (Class AAAA schools), and were beaten only four points by the strong Pampa Harvesters.

Sam Shelton is a patient in St. Anthony's Hospital in Amarillo. He is reported as in critical condition.

Mrs. Flora Stiles of Farmington, N. M., visited with her sister, Mrs. W. M. Rhodes, Saturday and Sunday.

Three Nominated FOR 'SAVE SOIL' AWARDS

Peb Everett of McLean, Amos Harris of Kingsmill, and Quentin Williams of Pampa have been selected by the supervisors of the Gray County Soil Conservation District to represent the county in the annual "Save Our Soil and Save Taxes" contests. State winners will be announced in April, with the state-wide banquet in Fort Worth either in April or May.

Regional awards will be made early in May, and Pampa will be the site of one of the five award banquets, Homer Abbott, chairman of the county SCS, has announced. The arrangements for the regional affair are being made by the Pampa C. of C. and the SCS district.

Everett has been nominated as the outstanding comeback farmer, an award given to those who take old, worn-out land, and do good jobs of bringing it back to a productive state. James Clett won the regional award in this division a few years ago.

Everett's nomination by the county group was made due to his work in restoring an 80-acre tract to a productive piece of land. According to Abbott, Everett now gets eight months of grazing from the land, 60 pounds of seed on the average per acre, as well as a ton of hay per acre. Recently, Everett installed an irrigation well on the tract of land. Everett has long been highly interested in soil conserv-

Administrators

FOR SCHOOL RE-EMPLOYED

All three administrators, and both coaches, of the McLean public schools have been offered contracts for the 1955-56 school year by the board of the McLean Independent School District, Clyde Andrews, board president, has announced.

Freeman Melton Jr., superintendent, was given his contract for another year in the January meeting of the board. In the meeting Monday night, Jimmy Payne, high school principal; Claud Zevely, elementary school principal; Hap Rogers, head coach; and Clint Williams, assistant coach, were re-employed.

Melton is now serving his first year as superintendent of the

local schools, although he has served also as high school principal and as assistant coach here.

Principals Payne and Zevely are serving their first year with the local system. Payne came here from Wheeler, and Zevely from the Hopkins school.

Coaches Rogers and Williams are in their second year with the McLean schools. They both work with the football team. Rogers coaches boys basketball, and Williams coaches girls basketball.

Action on re-employment of the remainder of the staff of the local schools will be taken by the board at a later date.

Former Residents

HAVE SAMOLONY PLANT

(Editor's Note: The following article contains excerpts from a story which appeared recently in the Bellingham, Wash., newspaper, concerning two former residents of McLean. Long-time residents will recall Mr. and Mrs. Herbert Williams and their two sons, Frank and George. The Williams family came to the U. S. from England in 1913; in 1916 the Galveston storm fairly well wiped out their holdings and they moved to their belongings, along with the family of Mr. and Mrs. F. C. Patty (parents of Mrs. C. O. Goodman), and came to McLean. While here, Mr. Williams worked as a carpenter, and Mrs. Williams served as a nurse for the late Dr. W. C. Montgomery. The Williams family left here

in 1925 for Bellingham.)

Open house at the new samolony plant, most recent addition to the Squallum Hill industrial community, will be held Saturday afternoon and evening, according to an announcement by Frank Williams.

The infant industry which started last January at Marietta will display a new smokehouse and other installations. Partners in the firm are the Williams brothers, Frank and George, and Carl Perstrom.

"This is the first and only smoked salmon sausage plant in the United States," said Frank Williams, who says he and his brother first made the product for themselves and their friends. "It went over so well, we decided to make it commercially."

Only the salmon fillet is used, the meat being ground in a large grinder, mixed with soy flour for a binder and then stuffed hydraulically with a standard sausage stuffer in a casing. Standard commercial packages contain 12 ounces.

The samolony spends six hours in the smokehouse, which can handle 1,000 pounds at a time. It comes into the smokehouse on an overhead track from the stuffing room, then goes to the packaging room for sealing in polyethylene bags. The smokehouse is 4x8x10 in dimension. It is automatic, controlled electrically, and heated by gas. Alder sawdust is used for fuel.

The Williams brothers are old-timers in fishing circles here. Born in England, they came to Texas in 1913 and Bellingham in 1925. They worked in the PAF cannery, later went fishing. The brothers operate two boats, the 71-foot tender Marian and 68-foot seiner Starling.

Mrs. Joe Willis returned home Tuesday of last week after having spent a week in Jacksonboro in the home of her daughter, Mrs. Kenneth Simpson and family.

Mr. and Mrs. M. L. Turner and daughter of Pampa visited with Mr. and Mrs. Arnold Sharp Sunday.

Mr. and Mrs. Martin Dwyer and daughter of Sunray visited with Mr. and Mrs. Arthur Dwyer and Mr. and Mrs. John Dwyer Sunday.

Meetings in Pampa, McLean To Discuss Water District

DONLEY PLANS WATER MEET MONDAY NIGHT

Donley County Agent H. M. Breedlove announced this week that a meeting of all Donley farmers interested in irrigation, or are now irrigating, and all real property owners are urged to attend a meeting in the courthouse in Clarendon Monday night at 7:30 o'clock.

The purpose of the meeting is to discuss the proposed underground conservation district that is being formed by the state board of water engineers. Donley County has been included in this district by the board.

J. R. Porter, Clarendon attorney, will discuss all phases of the proposed district. Counties included in the proposed district are Armstrong, Carson, Donley, Gray, Hemphill, Hutchinson, Potter, Randall, and Roberts.

A hearing will be held by the board of water engineers February 25 at 10 o'clock in the morning at the courthouse in Pampa, and the meeting in Clarendon is to give Donley County farmers some idea of the working of the proposed district.

Everyone is urged to attend whether you now have an irrigation well or not, as this will be important to you, Breedlove said. It is planned to have a large group attend the hearing in Pampa.

'Nerwood, Mobeetie To Play Bi-District Here Monday Night

Area basketball fans who will be unable to attend the McLean-Sudan game in Canyon next Monday night may see two outstanding high school teams in action in the Municipal Building here.

Playing for Class B bi-district honors will be the Samnorwood Eagles and the Mobeetie Hornets, two boys teams. The game will begin at 7:45 o'clock. Admission will be 50 cents for adults and 25 cents for children.

The two teams, winners of their respective districts, agreed on the neutral site of McLean in a meeting of school officials Monday. Local school authorities readily agreed to use of the local building for the play-off game.

FRIDAY DATE OF DISCUSSION IN LOCAL AREA

Two meetings of farmers and other interested people—one in Pampa today and one in McLean Friday—have been scheduled to discuss the possibility of forming an underground water district.

The Pampa meeting will be held in the courthouse today at 2 o'clock. In McLean, a similar meeting to allow further discussion by McLean area residents, will be held at 2:30 o'clock Friday afternoon in the vocational agriculture building.

The panel of discussion leaders in Pampa will be headed by Tom McFarland, manager, and W. L. Broadhurst, water engineer, both of the High Plains Water District of Lubbock. This meeting was originally scheduled for February 21, but was changed so that these two men could be present.

A hearing before the state board of water engineers has been set for February 25 in Pampa to decide whether it is feasible to form an area underground water district. Counties included in the proposed district are Gray, Potter, Armstrong, Carson, Donley, Roberts, Hemphill, Randall, and Hutchinson.

Industrial as well as agricultural and city interests are asked to attend the Thursday meeting in Pampa, County Agent Ralph Thomas said. If the district becomes a reality, all wells, whether industrial or agricultural, producing over 100,000 gallons of water per day will be affected.

Explanations will be made concerning the reasons for forming such a district. If the board of water engineers gives authority, machinery will be set up for an election on formation of the district.

Second in Series Of 'Future' Talks At School Monday

The second of a series of programs, designed to acquaint students with various types of businesses, will be held next Monday afternoon at 1:30 at an assembly program at McLean High School.

Speakers for the occasion will be Dr. J. H. Kritzier, Mrs. Lucille Kohls, school nurse, Hickman Brown, and J. C. Claborn. Each of the four will give the students an outline of their work, the future of that type of work, etc.

In the first of the series, held about one month ago, speakers were Larry Fuller, Lester Campbell, Boyd Meador, and Freeman Melton Jr.

The public is invited to attend the program, Superintendent Melton said.

GROUP BOOSTS STOCK SHOW FOR AMARILLO

On a tour to publicize and invite persons to the annual Amarillo Exposition and Fat Stock Show and the RCA approved indoor rodeo to be held in conjunction with this year's stock show, a group of Amarilloans visited McLean Tuesday.

Heading the delegation of stock show and rodeo boosters was Bill Bridges. Others in the group were Glenn Hall, Puny Pope, and Ted Lokoy.

A record number of entries in the 1955 stock show, which opens February 28 and continues thru March 5, was reported by Bridges.

The indoor rodeo, which opens Tuesday night, March 1, and continues thru Saturday, March 5, with a Saturday afternoon matinee, is to be staged by Beutler Brothers, who annually produce dozens of the major attractions throughout the west, the Southwestern Exposition at Fort Worth, the National Western at Denver, Frontier Days at Cheyenne, and the annual round-up at Phoenix.

Several world champion steer and bronc riders, plain and fancy ropers, and all-around performers are to be featured at the Amarillo show.

Music for all six rodeo performances will be provided by the famous Ruby Nance band. Rodeo tickets, ranging in price from \$1.50 to \$3.00, are on sale in Amarillo. Reservations, however, may be made by writing to the stock show office in the Amarillo Building.

Ethiasm for this year's stock show and rodeo is at an all-time high, according to the Amarillo boosters, who report that many towns in the area plan to send large delegations to the event to support their 4-H and FFA Club participants in the annual event.

COUNCIL CALLS CITY ELECTION FOR APRIL 5

The city council of McLean has called the annual city election for Tuesday, April 5, E. J. Lander, mayor, announced this week.

To be elected are a mayor, city secretary, city marshal, and two aldermen. Terms of Lander, as mayor; D. A. Davis, city secretary; C. G. Nicholson, marshal; and Ruel Smith and C. P. Callahan, aldermen, expire this year. Nicholson is filling out the term of the late J. A. Sparks. Terms of office for each official will be two years.

Four of the five men now holding city offices had filed for office by early Wednesday morning. They are Lander, for mayor; Davis, for city secretary; Nicholson, for marshal; and Callahan, for alderman. Smith had not filed for reelection by early Wednesday.

All candidates must file at least 30 days before the date of the election, according to the official notice. Candidates must file themselves, and, upon filing, sign a loyalty oath.

He surely is most in need of another's patience, who has none of his own.—Lavater.

Tigers Win District Basketball Title

The McLean Tigers captured the District 1-A basketball crown for the third straight year last Saturday night when they downed the Gruver Greyhounds 58-42 in the final game of the district tournament at White Deer.

The Tigerettes reached the finals of the tourney also, but were whipped 78-52 by high-scoring Kay Williams and the rest of the Panhandle Pantherettes.

In the boys game, Jimmy Farren led the scoring parade with 22 points, with James Jolly dumping in 13 for second high for the Tigers. Dahl of Gruver, with 14 points, was high for the Greyhounds.

In the girls game, the amazing Kay Williams amassed a total

of 63 points for the Panhandle sextet. She hit 21 field goals and 21 free throws to rack up 21 points. Mavis Medley led the Tigerettes in scoring, with 12 field goals and two free shots for a total of 26 points. Harlene Moore was second for the Tigerettes with 19 points.

The district tournament was a single elimination affair, meaning that one loss tossed a team out of the running. The district had been divided into a north and south zone in working up the 22 points schedule, and only the two top boys teams and the two top girls teams were eligible from each zone—this meant four boys teams and four girls teams vied for top honors.

In the openers Thursday night

of last week, the McLean Tigers won 79-59 over the Panhandle Panthers, placing the Tigers in the finals. In that game, Rodney Gunn hit 26 points, with Farren making 20. In the girls game that night, the Panhandle lassies whipped the Memphis girls 71-49, with Kay Williams totaling 43 points.

Friday night, the McLean girls made it to the finals by downing the Canadian girls. Mavis Medley led the Tigerettes with a 45-point scoring spree. In the other game Friday night, the Greyhounds eased by the Clarendon Broncs 57-54 to become eligible for the finals.

The tournament ended the cage season for the girls team; all season for the girls team.

WCS Concludes Series of Lessons On Women of Bible

The Methodist W. S. C. S. met Monday evening at 7:30 o'clock for the last lesson in the book, "Jesus' Teachings Concerning Women," with Mrs. H. A. Longino as leader. The meeting was held in the parlor of the McLean Methodist Church.

Mrs. R. N. Ashby brought the devotional and Mrs. Longino reviewed the book, "Seven Steeples."

For results in action, the W. S. C. S. resolved to pay the lady who kept the nursery during the study, and to give one life membership. They also added two books to the church library. The Guild members resolved to organize a reading circle, to encourage all women of the church to take an active part, and to invite prospective members. The invisible results recommended were that all members live as did Martha and Mary, to keep busy, and listen to the voice of Jesus with an understanding heart.

Refreshments of heart-shaped cookies and spiced tea were served by Mesdames J. E. Kirby, Ellen Wilson, W. E. Bogan, and C. M. Carpenter to about 30 members.

Miss Marjie West Becomes Bride of Bennie L. Holland

Miss Marjie West of Pampa became the bride of Bennie L. Holland, also of Pampa, at 2 o'clock February 6 in the home of the bride's parents in Keller-ville. Rev. Grady Adcock officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. E. C. West of Kellerville, and the bridegroom is the son of Mrs. Eunice Holland of Miami.

Given in marriage by her father, the bride wore a street-length dress of white faille. The fitted bodice was fashioned with a v-neck and three-quarter length sleeves. She wore navy blue shoes and a white hat. She carried a bouquet of white stephanotis, centered with a white orchid and tied with blue streamers, over the Bible she had received from the Rainbow girls.

Miss Evelyn June West, sister of the bride, was maid-of-honor. She wore a light-blue street-length dress with a pink rosebud corsage.

W. R. Holland served his brother as best man.

The bride's mother wore a tan faille dress with brown lizard accessories. The bridegroom's mother was attired in a black crepe dress with black accessories. Both wore gardenia corsages.

The couple was married before an altar formed from ferns and flanked by baskets of white gladioli. Mrs. Arthur Wells of Shamrock, pianist, played "I Love You Truly" as a prelude, and "Because" during the ceremony.

A reception was held in the West home immediately following the ceremony. The serving table was covered with a Maderia cut-work cloth, centered with an arrangement of white gladioli tied with blue ribbon. The three-tiered wedding cake, decorated in blue and white, was topped by a miniature bride and groom.

Miss Martha Ann Montgomery of Pampa presided at the punch bowl, and Mrs. Pike Smith of Shamrock cut the cake. Guests were registered by Mrs. Bernard McClellan of McLean, sister of the bride.

After a wedding trip to Carlsbad, N. M., the couple is at home at 914 E. Browning, Pampa.

Mr., Mrs. Chilton Hosts to Friends At '42' Party

A 42 party was given in the home of Mr. and Mrs. Josh Chilton Saturday, February 12.

Those attending were Mr. and Mrs. Jeff Rallsback and Margie, Mr. and Mrs. Boyd Reeves, Mr. and Mrs. Jack Bailey, Jackie Don and Jan, Mr. and Mrs. Winston Gideon, Raymond Bailey, and the host and hostess.

Religions of India Program Subject At Guild Meeting

The Wesleyan Service Guild met February 8 at the McLean Methodist Church in regular session.

For the program, Erma Hester and June Story, dressed in native costumes, enacted the religions of India.

A decorative motif featuring Valentine's Day was carried out in the refreshments served by the hostesses, Martha Parker and Lady Bryant. Each member received a valentine.

Members present were Mesdames Gibson, Day, Andrews, Middleton, Rodgers, Fisher, Boyd, Mantooth, Brown, Nash, Cousins, Armstrong, Page, Magee, Beck, Story, Hester, Hamilton, Kritzer, Brown, Parker, and Bryant.

W. M. S. of Alanreed Meets in Home Of Mrs. Alice Cole

The Alanreed Baptist W. M. S. met February 14 in the home of Mrs. Alice Cole.

Mrs. Lela Sherrod opened the program with a reading, "Send Thoughts of Love to Friends All Over the World."

The royal service program, prepared by Mrs. Cole, was as follows: devotional, John 12:12-13, Mrs. Cole; Cuba, subtropical island, Inez Gibson; radio church in the field, Virginia Bruce; Havana, Myrtle Ball; in Israel's foreign missions, Opal Stapp; the seminary, Ethel Bruce; miramar, Jerry Grogan; University of Havana, Lela Sherrod; "Where Do the Roads Lead?" Lena Carter; prayer, Donia Burdine, Opal Stapp, and Alice Cole.

Mrs. Ethel Bruce became a new member. One quilt was quilted and one was tacked.

Study Club Program

The Study Club held its regular meeting on Friday afternoon at the home of Mrs. J. S. Morse.

The subject of the lesson was "Texas," and so popular did it prove to be that the club requested that another lesson be chosen from this same subject. The lesson was carried out in full as published, with Mrs. Richardson as leader, closing with a Texas map contest. After the large map of Texas had been removed from the wall, each member was given a pencil and paper and told to draw an outline of Texas. Mrs. Boyett was judge and finally decided in favor of Mrs. Dorsey's work with Mrs. Fast as a close second, the leader presenting the winner with a Texas history.

With Mrs. Holland

Mrs. D. R. Holland was hostess for the "As You Like It" Club on Wednesday afternoon, and, as usual when there is a gathering at this hospitable home, everybody had a most delightful afternoon and enjoyed happy conversation and discussions of new and fancy designs in needle work. A buttonhole contest created much fun

and earnest effort, which resulted in the first prize falling to Miss Vella Wilson while Mrs. Massay carried off the booby prize.

A most delicious luncheon consisting of jellied chicken sandwiches, pickles, cheese, pudding, tea, and cake, were served to about 20 ladies.

Musical Tea

The musical tea given by the ladies of the Guild Thursday afternoon of last week proved to be a pleasing affair. A nice crowd of ladies were present; the program was splendid, and the refreshments delicious. A neat little sum was realized.

INCOME TAX FACTS! No. 2
Invest a Little Time In Saving Tax \$\$\$\$

(This is one of a series of articles on income tax changes. The articles are based on information provided by the American Institute of Accountants and the Texas Society of Certified Public Accountants.)

"Why should I bother with that old tax form?" asked a young lady who started on her first job in December. "I don't need to because I got less than \$600."
"You don't need to," her father explained, "but it will cost you money if you don't. How do you expect to get back the tax that was withheld from your pay?"

Do You Have To File?

Here are the rules to help you decide whether to file a federal income tax return:

1. If your gross income was \$600 or more in 1954, you must file, unless you are 65 or older and had less than \$1,200 income.
2. If you had \$400 or more income from self-employment, you must file a return to report these earnings for social security purposes.
3. If you had any salary or wages from which withholding tax was deducted by your employer, you must file a return to get credit for the tax withheld.

Married Couples

Generally it's best for married couples to file joint returns instead of separate individual returns, because the joint return gives them the advantage of income-splitting. That is, they are taxed at the rate which applies to half their total taxable income.

There are a few exceptional cases in which separate returns might result in a saving. When capital losses are involved, for example, it's best to figure both jointly and separately to see which results in less tax.

Head of Household

If you are supporting a dependent, although you are single, widowed, divorced or legally separated, you may be able to qualify as a "head of household" and figure your tax on a special table that gives you part of the advantage enjoyed by married couples filing joint returns.

This year you can qualify for "head-of-household" status if you provide more than half the support of a parent and more than half the cost of maintaining the parent's household even if the parent does not live with you.

Incidentally, if your husband or wife died in 1952 or 1953 and you

have as a member of your household a dependent child or stepchild, you are now entitled as a "surviving spouse" to the same income-splitting benefits this year as you would have had on a joint return—unless you remarried before the end of 1954. Your privilege to file as a surviving spouse applies to the first two years following the year in which your husband or wife died.

Choosing the Right Form

The simplest tax return is a small card, Form 1040A, on which you furnish a minimum of information and leave it to the government to figure your tax. This is all right if you are sure you can't save by itemizing your deductions and if you are not a "head of household."

You are allowed to use Form 1040A if your total income was less than \$5,000, consisting only of wages, dividends and interest, and if all but \$100 or less is listed on your W-2 withholding slips.

On Form 1040 you figure your own tax. It may be used as a "short form" on which you find the amount of your tax from a table which allows you approximately 10% of your income as a standard deduction for contributions, taxes, interest paid, medical and dental expenses, etc. If your income in 1954 was \$5,000 or more you must use Form 1040 as a "long form." The long form permits you to itemize your deductions, whether your income was more or less than \$5,000. If you think your actual deductions may be more than the 10% standard deduction, it's wise to list them and see whether itemizing saves on your tax.

Additional Information

Be sure to read the official instructions. You can also get help from the Internal Revenue Service, which urges you to consult only qualified advisers.

"I have 8 Good Reasons for drying clothes ELECTRICALLY!"

Mrs. A. C. Lambert, Jr.
4012 ONG STREET
AMARILLO, TEXAS

Mrs. Lambert is delighted with her electric clothes dryer, and here are her 8 specific reasons why:

1. "I dry my clothes when I want to, regardless of time or weather."
2. "It's convenient. I'm the master of laundry day."
3. "Our clothes last longer, because they're not subjected to weather, animals, clothespins, insects, or fading."
4. "Everything comes out of the electric dryer so fluffy and soft."
5. "I don't trample our new lawn by having to hang clothes on the line."
6. "The electricity cost is surprisingly low."
7. "The electric dryer gives me more leisure time."
8. "It's a big help in Spring house-cleaning time for freshening draperies and bedspreads."

You, too, can find it easy to list many reasons why an electric dryer should be in your home. You'll find it's easy, too, to buy an electric dryer. Your Reddy Kilowatt Electric Appliance Dealer is ready to help you select your dryer, arrange for installation and make the payments fit your budget. See him within the next week so you can dry your clothes this safe, easy and convenient way—with a modern, automatic electric clothes dryer.

Speaking of PUBLIC SAFETY

Adequate street lighting as an effective weapon against crime and accidents in Washington is reflected in statistics supplied by Herbert A. Friede, electrical engineer for the District of Columbia.

After the new lights were installed along Benning Road on 15th Street to Benning Bridge, crime dropped 50 per cent, pedestrian accidents fell 44 per cent, hit and run accidents 18 per cent and speeding violations 60 per cent.

By contrast, he pointed out that three of the city's most recent sensational crimes—the murder of a Government worker in a residential hotel, the murder of the Maryland University registrar and the wounding of a congressional secretary in a street robbery—all occurred in poorly lighted areas. A police survey shows that of 5,050 crimes, 2,334 occurred at night, while a study of 17,206 traffic accidents showed that 7,210 happened between dusk and dawn.

Modern street lighting is gaining momentum in Washington as a new approach to a solution to the growing problems of crime, juvenile delinquency and traffic accidents.

Looking for Dessert Ideas? Here's Pie With Appeal

It's easy to make a delicious pie in quick order when the filling is colorful, refreshing canned pineapple.

Now is the time to give a lift to your menus with a delicious fruit pie. One of the favorites in the pastry collection is Pineapple Pie. Made the modern way, fruit pies are as delicious as grandmother's and a great deal less work.

In today's recipe a pretty lattice top shows off the colorful, refreshing pineapple.

Elegant looking and elegant tasting!

PINEAPPLE LATTICE PIE

1 cup sugar
 2 tablespoons cornstarch
 1/4 teaspoon salt

2 1/2 cups crushed pineapple, not drained (No. 2 can)
 1 tablespoon butter
 1 tablespoon lemon juice

Pastry for 2-crust 8-inch pie

Mix sugar, cornstarch and salt, add to pineapple in saucepan. Heat, stirring constantly, until mixture boils; then boil, stirring, about 2 minutes, until clear and thickened. Remove from heat and stir in butter and lemon juice. Line pan with pastry, pour in filling; cover with lattice strips. Bake at 425 degrees (hot) 25 to 35 minutes, until crust is done and nicely browned.

lattice topping, roll pastry for top crust and cut into long strips 1/2-inch wide. Weave lattice design on waxed paper and set aside. After pouring in filling, quickly flip waxed paper with lattice crust over top of pie and press edges together firmly. Yield: 6 servings (one 8-inch pie). VARIATION: Add extra flavor to the crust by adding one teaspoon grated lemon or orange peel into the flour.

LATTICE TOPPING: To make

Many years ago
 a phrase
 was coined:

"The Road of Planned Progress"

This phrase is usually referred to as the Rock Island Lines' slogan. But it is more than a slogan—it's an inspiration, a business directive, a constant reminder that this is one railroad where planning is habitual and progress the rule.

Planned progress! Just what does it mean to the Rock Island... to YOU? Expressed in terms of efficient operation, it means a smoother roadbed—fewer curves, dips and elevations—modern yard facilities—diesel powered ROCKET FREIGHTS—the popular streamlined ROCKETS, including the GOLDEN STATE—and, in late '55, the new Jet Rocket between Chicago and Peoria.

And in areas of industrial expansion, Rock Island service is keeping pace, too—new improvements, finer service!

Yes, this continues to be "The Road of Planned Progress"
