"I'm cured of cancer"

Says MRS. ALICE HARDEN, nurse and housewife of Atlanta, Ga. "Five years ago a 'Pap' test, part of my routine health checkup, revealed an unsuspected cancer of the uterus. Today I'm alive and well because my cancer was diagnosed early and treated properly."

KIM SAWILSKI, 10, of Glen Elyn, Ill. Her mother says: "When Kim was three weeks old, we learned she had an internal cancer, and treatments were begun. In three months she was back to normal and has been free of cancer ever since."

JACK DELKERS, 37, a dairy farmer of Urbana, Ohio says: "In 1950 I developed a soreness in my jaw. My dentist sent me to a specialist. The diagnosis was cancer, and I underwent immediate surgery. Since then I've remained free of cancer. I urge everyone—know the danger signals and have annual health checkups to save more lives from cancer."

Zing into spring! in a new Chevrolet

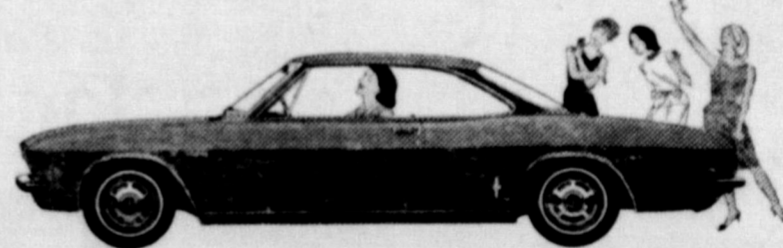

'65 Chevrolet Impala Sport Coupe

'65 Chevrolet Malibu 4-Door Station Wagon

'65 Chevy II Nova Sport Coupe

'65 Corvair Corsa Sport Coupe

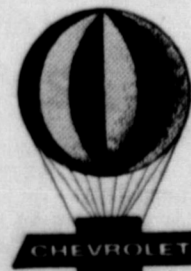

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price—wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

Chevelle. This one's got lively looks, spirited power, a softer ride—and remarkable room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.

Chevy II. No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.

Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

NEWS from

YOUR

COUNTY AGRICULTURAL AGENT
TEXAS A & M. COLLEGE EXTENSION SERVICE

By FOSTER WHALEY

Last week I was honored with a full page ad in the Pampa News. That wasn't the most complimentary ad that I have ever seen.

If you take or read the Pampa News, I hope you will read my reply this week.

The whole thing boils down to this issue. For some months I have warned farmers in that area that our local experiment stations do not recommend the addition of expensive trace elements to their fertilizer mixers. I have quoted some of the most noted authorities in the southwest on the subject. It boils down to the fact that there is actually not a soil test presently known for accurately determining trace elements.

There is actually some danger in adding them indiscriminately. These additions can reduce yields in some cases.

It seems that one firm does not agree with me and the experiment station. Therefore a full page ad was run.

If you read the ad, please read my reply.

SCREW-WORM GOAL

W. W. Boyd, secretary of the screw-worm committee, reports the following ranchers have contributed to the Gray County screw-worm drive:

John B. Rice, Wilbur Wilson, James Clift, Milton Carpenter, Paul Bowers, Clyde Magee, A. B. McPherson, Glen Curry, Boyd Reeves, George Bible, Boyd Mend-

or, J. S. Morse, Charles M. Welch, Vera Dial Dickey, Elton Johnston, J. J. Railsback, Joe Willis, A. L. Hibler Jr., Clifford Allison, Guy Saunders, Earl Eustace, C. M. Carpenter, Luther Petty, Dick Everett, Clyde Brown, Arlie Carpenter, Drew Word, Wilson Boyd, Foster Whaley and Bob Massey.

Pampa: R. S. McConnell, Nina McLaughlin, Leora Rose, T. C. Ellington, Emmett LeFors, James A. McCracken, R. E. Darsey, Lewis Meers, Joyce Cockrell, Harvey and Nelson, and J. R. Carney, Groom.

If you have not made your contribution, please do so today. Let's reach our goal for Gray County of \$2,000.

SPRINKLER SYSTEM

I saw a sprinkler irrigation system in operation on the Truitt Johnson place this week. Incidentally, Truitt, you owe my special Rodent Control Fund \$1.50 for two pounds of cyanamide flakes. This is our way of dunning you. You might have noticed that we need some cyanamide flakes on your prairie dogs. I also charged a 35 cent spoon to you that we used to place the flakes in the dens. If you will pay me for the cyanamide, I'll pay you for the spoon.

Ralph Thomas and I also worked a few prairie dogs on the Arthur Dwyer place. See you next week.

Miss Lankford Is Honored at Gift Tea Held in Tulia

A gift tea on Saturday, March 27, given in the home of Mrs. Ray Pyeatt of Tulia, complimented Miss Mickey Karen Lankford of McLean.

Miss Lankford is the bride-elect of William Dawson Jackson of Tulia. Their marriage will take place April 10.

Mrs. Pyeatt welcomed the guests. Receiving with the honoree were her mother, Mrs. A. W. Lankford of McLean; Mrs. W. D. Jackson, Tulia, mother of the future bridegroom, and Mrs. Kester Rippey of McLean, grandmother of Miss Lankford.

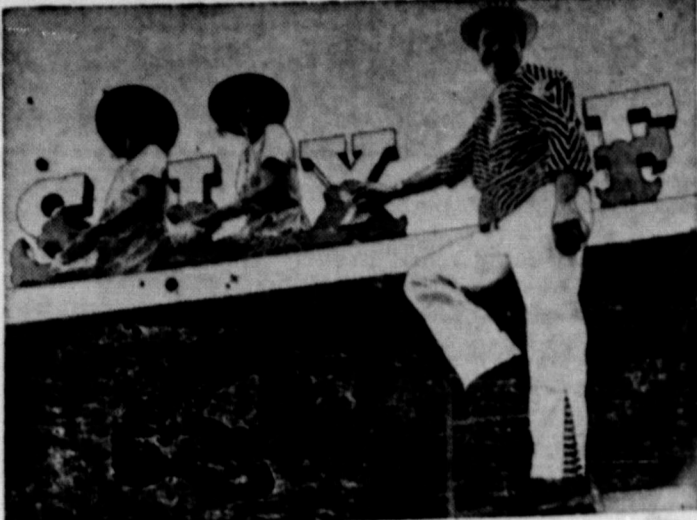

They wore corsages of pink carnations and sweetheart roses.

Mrs. Jerry Acker of Nazareth registered guests between the hours of 3 and 5 p.m. Presiding at the refreshment table were Mrs. Garland Wade of Lubbock, Mrs. Mary Lou Johnson and Miss Donna Black of Tulia and Miss Sue Hendrix of Dimmitt.

Covering the table was a white organdy appliqued cloth over satin. Table appointments were crystal.

Using the bride-elect's chosen colors of pink and cranberry, a centerpiece of pink carnations, sweetheart roses and candy tuft was arranged in a china cupid epergne. Cranberry punch and white cakes with pink and cranberry bells were served.

Hostesses' gift to the honoree was a set of Teflon cooking ware displayed on a table laid with a white cloth over cranberry. An arrangement of pink and cranberry flowers with pink ribbon streamers centered the table.

IT'S TIME TO SHINE... With opening day for the 1965 season at Six Flags Over Texas set for April 16, less than two weeks away, park hosts Margie Robinson, Nancy Smith and Cleveland Smith, seen from left to right, concentrate their energies on shining up the sign over the front gates. More than 1.5 million people from all over the United States are expected to visit the popular tourist attraction, located midway between Dallas and Fort Worth, this season.

SIX FLAGS SETS SEASON OPENER FOR APRIL 16

Six Flags Over Texas will commence its 1965 season at 10 a.m., Friday, April 16, according to Angus G. Wynne, Jr., president of Great Southwest Corporation, owner/operators of the popular tourist attraction.

For the opening weekend, April 16, 17 and 18, the gates will be open from 10 a.m. to 10 p.m.

A crew of about 150 specialists ranging from landscape gardeners to builders and lighting engineers, have been busily engaged over the winter and early spring months in completing a \$600,000 expansion program before April 16.

The Six Flags personnel department which has the awesome job of interviewing thousands of applicants of college age each season for positions as hosts and hostesses, has settled on approximately 1,200 to begin the season. Another 400-500 personnel will be added when Six Flags commences daily operations May 23.

The bulk of the expenditures for this year is centered on expanding the Park's historical value and landscaping.

Other attractions have been added including a new ride named "El Sombrero" for the Mexican Section. An Aviary located in the Animal Kingdom, will be the new home of nearly 100 exotic birds recently imported from all over the world.

A true replica of one of America's most revered shrines, the Liberty Bell, has been obtained by Six Flags. Whitechapel

Bell Foundries, Ltd. in England who made the original bell in 1752, cast an exact replica from the same moulding put in 1960. The bell, made of pure copper and tin, is 47 inches in diameter and weighs 2016 pounds.

A rare and interesting collection of branding irons from many legendary ranches in Texas and the Southwest will be displayed in the Texas Section.

For young cowpokes and budding deputy sheriffs an indoor firing range containing J. Bean's "Shootin' Irons" has been built just across the porch from the venerable Judge's Jersey Lilly Courthouse.

Hanging baskets containing flowers of various planting are fairly commonplace. But when each basket weighs 100 pounds and is suspended from decorative 10-foot poles, then that's another story. Six Flags will have 60 of these enormous hanging baskets planted in ivy leaf geraniums around the Mall area inside the main gate. In all, \$200,000 has been expended on landscaping with flowers and shrubs planted so as to be color coordinated and in harmony with the diverse building schemes.

The fascinating lighting display at Six Flags after dark which has always been a conversation piece, should have added visual dramatic effects, thanks to the efforts of the Park's lighting engineers.

Beginning April 23 and until May 28, Six Flags will be open only on Fridays from 5-11 p.m. and Saturdays and Sundays from 10 a.m. to 10 p.m.

WHY CALL ME LORD, LORD
Luke 6:46

After about two thousand years we look back through the eyes of faith and see the Son of God coming to be baptized of John in Jordan (Matt. 3:13), from which time His life, as a public teacher, began. He demonstrated Himself as the Son of God by the miracles He performed. He caused the blind to see, the lame to walk, the deaf to hear, the sick to be healed, and even the dead to hear His voice and obey His commands.

We now look back to the last sad scene of His life, His friends having left Him one by one. We see Him weeping over Jerusalem (Matt. 23:37). Think of the Son of God standing, looking at the City of Jerusalem, the most sacred place in all the history of the Jews. He could see Mount Moriah, where Abraham had gone with a sad heart to offer Isaac two thousand years before this time.

But finally his own familiar friend had turned his heel against Him, and He is betrayed into the hands of sinners. He is arrested, tried for His life and condemned to die. The nails are driven through His hands and feet, the cross is lifted up, and Jesus dies for our sins.

We find the world of nature could not look upon the sad scene. The sun refused to shine, and the heavens were draped in mourning, and for three hours time, darkness brooded over the earth. But Jesus demonstrated His love for us, died for every man.

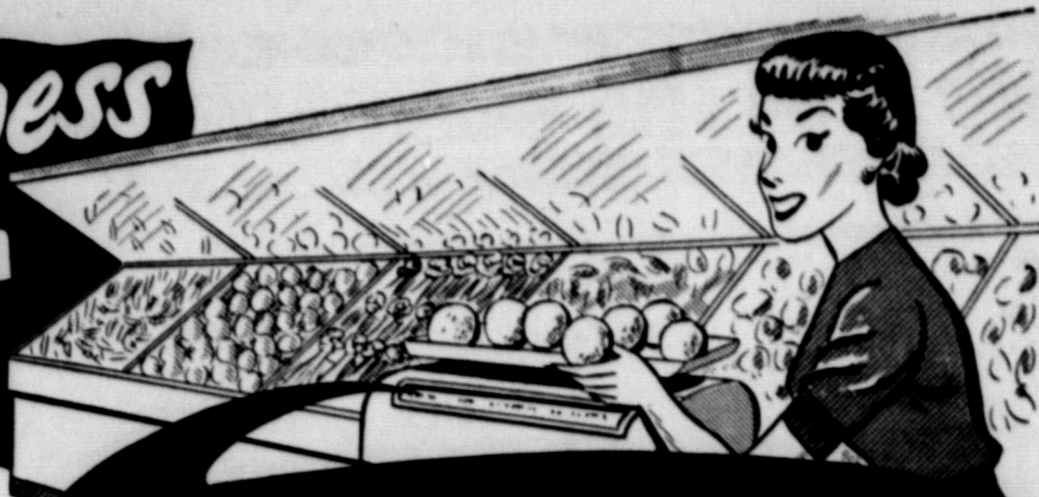

The bleeding body of Jesus was laid in the tomb; the door was sealed with the Roman seal, a guard was placed around the tomb. But, on the morning foretold by the prophets, an angel came to set the captive free. He had fought the foes of death, the bars of death were torn asunder. Jesus came as a conqueror over hell and the grave.

Even Job of old asked the question, "If a man die, shall he live again?" Jesus now answers the question and comes forth with all power. Then he commands His disciples to preach the gospel, promising that he that believes and is baptized shall be saved (Mark 16:15-16).

He then became the author of eternal salvation to all them that obey Him (Heb. 5:8-9), and left the apostles preaching, "Repent and be baptized for remission of sins" (Acts 2:38)
