

# PLAIN TALK

By BILL PERKINS

It's about time for those Trick or Treaters to be coming our way again this year.

The annual Hallowe'en Carnival of McLean schools will be held Saturday night, and this year as in the past it is expected to attract students and parents alike. We plan to attend since we like to visit our schools every chance we get. When we were first negotiating to buy The News in the summer, Lester told us that McLean had about the best school system he had ever seen. We visited the elementary school during fire prevention week and now we believe everything Lester told us about it. It takes good organization to keep a school system running smoothly and we have never seen one anywhere that is operated more efficiently than our McLean schools.

An early morning breakfast Tuesday at the McLean Methodist Church kicked off the 1955 Boy Scout fund drive here. One of your fellow citizens will be calling on you if he hasn't already before the week is over. Donate what you can. There is no better investment than in the youth of America. In a few years these same Boy Scouts will be running ourselves, our states, and nation and will still probably be trying to keep this world from destroying itself just like the leaders of our country are trying to do today.

Cotton John of KGNC, Amarillo, stopped by to visit the News staff Tuesday on his way back home after a trip to Coffeyville, Kans. We enjoyed his visit. We believe he is still a newspaper man at heart. He used to be one of the best. We are glad there are not many good men like him in radio and TV. If there were we might begin to worry.

There may be a few more errors in your copy of the News this week and we are sorry. The reason is simple and we do not intend to let this become a practice. This week we are printing the Chillicothe Valley News in our plant and the same crew that ordinarily produces your 6 or 8 page McLean News had to produce 14 pages this week and we are still running over each other. We expect to have our schedules worked out by next week, though, and have your paper filled with all the local news we can find.

## Asst. County Agent Gets Promotion And Transfer

Jerry Mobly, assistant Gray County Agent for the past two years, has been appointed county agent of Dallam County and will assume his new duties November 1.

News of the promotion was received last week from the Texas A&M Extension Service.

County Agent Ralph Thomas says, "Jerry has sure done an outstanding job here. He built up a strong 4-H club here in Gray County, and has created a lot of interest in 4-H work."

His 4-H soil judging team has won district for the last two years. The team has also won honors in the national contest and at Oklahoma City for the past two years.

## Supervisor James Massay Builds POOR SOIL INTO FERTILE LAND

(Editor's note: This is the first of five articles written by Ronald Waters concerning supervisors of Gray County Soil Conservation District.)

James Massay of McLean is the newest supervisor of Gray County Soil Conservation District and has been a cooperater for the past eight years. He farms grass and raises cattle on a 205 acre ranch, one mile east of McLean, irrigating it with a sprinkler irrigation system.

By raising grass on sandy soil, Massay prevents wind erosion, builds up the soil, and supplies feed for his cattle. He averages about 30 bales of hay per acre and usually has about 25 head of cattle on hand.

Massay was recently elected as one of the five district supervisors and is a firm believer in soil conservation practices. One of the best possible solutions to the problem of water conservation is the sprinkler irrigation system, he believes, after one and a half years of trial. Using a turbine water pump and aluminum pipe, he is able to sprinkle 25 acres of land.

## WILDCATS EDGE OUT TIGERS

The Canadian Wildcats, rebounding from an upset defeat by Clarendon last week, edged by the McLean Tigers, 7-6, in a District 1-A grid battle Friday night.

The victory was the first district win for the Wildcats this season. Defense played the major role throughout the game.

Coach Hap Rogers' fighting Tigers went all out but didn't have enough. They played a better defensive game than was expected. Lack of speed and experience again handicapped them greatly.

Fullback Paul Garvin scored the touchdown for the Tigers. Garvin rammed over from the 1 foot line for McLean's only score late in the second quarter. David Woods' attempted conversion was no good. Ronnie Webb plunged over for the tying touchdown from the 2 in the third quarter. Hobdy ran over the extra point to win the game for the Wildcats. The Wildcats, using the T formation, gained 182 yards rushing, while a strong defensive unit held the Tigers to 88 yards on the ground. McLean completed four of eleven passes for 31 yards, while the Wildcats tried five and completed none.

The Wildcats' chief runners were Tommy Hobdy and Garner Schoenhals. McLean's chief runners were Paul Garvin and Fred Smith.

McLean got three of Canadian's fumbles. The fumbles were recovered by David Woods, Johnny Kalka, and Butch Turpen.

## TIGERS TO MEET WELLINGTON

Coach Hap Rogers' McLean Tiger football squad will take on the powerful Wellington Skyrockets at Wellington tomorrow night at 7:30.

Last Friday Wellington swamped the Clarendon Broncs, 18-7 to ring up their fourth straight conference win. At the same time the Tigers were edged out 7-6, by the Canadian Wildcats in their closest game of the season.

Wellington promises to be the strongest team left for the Tigers to face this season since the Skyrockets have made a much better showing in District 1-A than was anticipated by pre-season predictions.

## VILLAGE GOSSIP (More or Less)

### GOSSIP (More or Less)

In making corrections on the story concerning the wedding anniversary of Mr. and Mrs. C. S. Rice in last week's paper, the number of the anniversary was omitted. They will celebrate their 65th anniversary October 30.

G. T. Hugg was awarded \$12 in merchandise certificates last Saturday at the weekly Appreciation Day activity.

The junior class of McLean High School is sponsoring a spaghetti dinner October 29 at the grade school cafeteria from 11 o'clock to 1. Prices are \$1.00 for adults and 50c for children under the age of 10.

## Robert W. McCollum Seriously Injured In Two-Car Collision

Former Alarreed school superintendent Robert W. (Bob) McCollum, 31, was seriously injured in a two-car collision in Amarillo Tuesday. He was rushed to St. Anthony's Hospital in Amarillo, where he was treated for several cuts on his head and for shock.

McCollum, driving a panel Willis jeep, was thrown from the vehicle when it collided with a second vehicle driven by Orville R. Ewing at an intersection.

McCollum, a native of Lockney, was superintendent of the Alarreed school last year. He resigned the first of June to become executive director of Kids, Inc., in Amarillo.

## Larry Fuller to Get 10-Year Award From Public Service

Larry Fuller, Southwestern Public Service Company manager in McLean, will be honored tomorrow (Friday) at the seventh annual service awards dinner of the company's Panhandle division.

Fuller will receive an award for 10 years service from T. W. Gilstrap, division manager. Some 79 employees are to be honored for from 5 to 30 years service, and, as a group, the awards winners have compiled 790 years in the electric light and power industry.

Bert Hoffman, manager of the Albuquerque, N. M., Chamber of Commerce and well known former football coach, will deliver the main address of the evening.

## Cars Needed to Take Football Squad To Amarillo Monday

Additional automobiles are needed to take the McLean Tigers to Amarillo Monday night for dinner and a movie, according to Hickman Brown.

Anyone desiring to take a car and go along with the boys is urged to see Brown or Faris Hess.

This is an annual affair in McLean and one which the Tigers look forward to with great pleasure.

## Chest X-Rays To Be Made In McLean This Afternoon

## Methodist Revival Is Set For Nov. 16-27 In McLean

Rev. Quay Parmer and Earl Ward will direct a revival at the McLean Methodist Church November 16 through November 27. Rev. Marvin Fisher, pastor of the church, has announced.

Services will be conducted twice daily at 10:00 a. m. and 7:00 p. m. Sunday services will begin at 10:55 a. m. and 7:30 p. m.

Rev. Parmer will be the evangelist with Mr. Ward directing the singing.

Rev. Parmer, an approved evangelist of the Methodist church and a member of the Central Texas Conference, is a native of Alabama. He moved to Texas in 1935 and has made that state his home since then. Rev. Parmer brings to the evangelistic field a wide and varied experience as a pastor and chaplain.

Rev. Parmer has attended and holds degrees from four colleges and universities. He has an A. B. degree from Bob Jones University, Greenville, S. C. Special work was done in the Asbury Theological Seminary at Wilmore, Ky. In 1938 he was awarded the B. D. degree from the Perkins School of Theology, S. M. U., Dallas. Again in 1951 he was granted a master's degree in theology by Emory University at Atlanta, Ga.

Evangelist Parmer served for seven years as pastor of country and city churches. In 1941 he entered the army to serve his church and country as a chaplain for five years. Two years of that time were spent in Europe with a combat division assigned respectively to the Third, First and Ninth Armies.

Upon his release from service Rev. Parmer felt the call to full-time evangelistic work. He entered that field of work in June, 1946. Since that time he has held more than 112 revivals in 14 states. He has twice been elected to office in the Association of the Approved Evangelists of the Methodist Church.

The State Department of Health's mobile X-ray unit will be in McLean in the showroom of the Joe Smith Motor Company this afternoon between 1:00 and 6:30 o'clock to take free chest X-rays of area residents.

All persons 15 years of age or older are eligible for this free service.

Every eligible resident of this area is urged to take advantage of this free service which is made possible by taxpayers' money. In order for the Health Department to make this service available each year to the people of smaller towns in Texas a large number of persons trying the X-rays is required in order for the stop to be practical. Due to the small turnout at Lefors last year, the unit by-passed that town this year. It is possible that McLean might be left off the list next year if an adequate number of persons do not take advantage of it this year.

The sole purpose of these X-rays is to eradicate tuberculosis from Texas. However, other ailments than tuberculosis are detected by the checkup.

## North Fork Baptist Brotherhood Clinic To Be Held

The North Fork Baptist Brotherhood Clinic will be held at 2:00 p. m. October 30 at the First Baptist Church of Lela in Wheeler County.

The speaker for the occasion will be David T. Washburn, associate secretary of the Baptist Brotherhood Commission in Memphis, Tenn.

Jack Boyd, associational brotherhood president, said, "The men of the North Fork Association are fortunate to have such a man as Mr. Washburn come their way. So each of us should take advantage of the opportunity of hearing this man."

"There will be plans made, fellowship enjoyed, information for all, and inspiration in abundance," President Boyd concluded.

## CARNIVAL SET FOR SATURDAY

The annual Hallowe'en Carnival of the McLean schools, designed primarily to give youngsters something other than genuine mischief to get into on Hallowe'en night, will be held Saturday 7 to 9:30 p. m. in the Municipal Building.

Climaxing the carnival will be the crowning of the Harvest Queen. The coronation ceremonies will be held in the high school auditorium between 9:45 and 10 o'clock.

Candidates for the queen's title are Laura Brown and Escort Tracy Cooper of the senior class; Maurree Miller and Escort Bob McDowell of the junior class; Betty King and Escort Dale Greenhouse of the sophomore class; Geraldine McPherson and Escort Kent Wiggins of the freshman class.

In the elementary school, the princesses and princes are as follows: 1st grade—Teresa Mertel and Arthur Dwyer; 2nd grade—Lana Grogan and Gary Hester; 2nd and 3rd grade—Jan Bailey and Johnny Carpenter; 3rd grade—Sandra McDowell and Jerry Cooper; 4B grade—Kathy Harlan and Max Coleman; 4A grade—Judy Connell and Jimmy McCarty; 5th grade—Mary Hall and Charles Anderson; 6A grade—Emme Grigsby and James Stewart; 6B grade—Wynona Cooper and James Smith; 7th grade—Ruth Paken and Joe Don Evans; 8th grade—Patsy Thoden and James Carter.

The various entertainment and prize booths to be featured at the carnival are: seniors—ducking board; juniors—basketball throw; sophomores—doll throw; freshmen—marriage booth; 8th grade—horror house; 7th grade—popcorn and candy; 6th grade—shooting gallery; 5th grade—horseshoe pitching; 4th grade—homemade ice cream; 3rd grade—grab bag; 2nd and 3rd grade—Coke bottle ring toss; 2nd grade—nickel toss; 1st grade—fishing pond; F. F. A.—dart throw; F. H. A.—concession stand; band—film; student council—baseball bat and target.

## Private Eye Salutes—McLEAN TEENAGERS

When have you picked up your daily paper and failed to find some story labeled under the general subject of "Juvenile Delinquency"? There are one or more such stories every day.

Then, have you seen a story headlined "Teen Agers Are Attending Church"? No, you never see such headlines because America is still basically "good."

When you do see such headlines, it is then time to begin to worry about the future of our country.

To take a look at the local teenagers, they are just a fine bunch of kids, full of life and energy and going places. Of course, there are some who, like adults, are unthoughtful, but stop and talk with some of them and you will be agreeably surprised at some of their practical ideas and their pleasant manner of conduct. They are no different than when you were a youngster, they just do the things that you did differently. Oh! Yes, there are some of them who do get a little off the track, but did you ever know of any generation that did not? Or of a barrel of apples or potatoes that did not have a few spoiled ones? Comparing the American teenager with the same age group in any other country, brings a pleasant surprise. Do that when you have the opportunity.

So, Mr. and Miss Junior McLean, we hail you as being all right and rest assured that you CAN and WILL do just as good a job as those generations that have gone before you. You have to do that, as the country will be yours, and, sooner than you think.

## Navy Recruiter Here Each Tuesday

A recruiter will be at the Post Office at 9:00 a. m. each Tuesday for the purpose of interviewing prospective applicants for enlistment in the United States Navy.

Applicants may have one dependent and be between 17 and 31 years old. They must pass a physical and mental examination in order to be eligible for enlistment.

## News For Veterans

By Harry I. Boothe  
 NOW new application forms have been prepared and can be obtained from the VETERANS LAND BOARD ONLY. Such forms will be mailed to interested veterans in the numerical sequence in which their requests are received. This control by the Veterans Land Board is necessary in order that all contracts to purchase may be handled in an orderly manner and consummated within a reasonable length of time. Only a limited number of application forms will be mailed to interested veterans as those on hand are closed. When a veteran has found a tract of land which he wishes to buy through the Veterans Land Board he should write the Veterans Land Board and request that the necessary forms be forwarded to him. When each veteran's request number is reached in the normal order of processing, a set of application forms will be mailed to such veterans, who will be given a thirty (30) day period of time for the completion of such forms and return to the Veterans Land Board. These forms must be completed in accordance with the specifications as set out herein before they are acceptable.

If a veteran fails to file his completed application forms within the specified period, he must submit an additional request for application to have another opportunity to participate in the program.

**New Veterans Death Claims:**  
 Administrator Harvey Higley last week at the national American Legion convention, announced that beginning January 1, 1956, the VA will start on a small scale to ADJUDICATE new veterans death claims at the regional of-

ice level in 14 western and southern states now being served by the district Denver office.

The transfer of death claims to VA's field offices has long been a major objective of the Legion.

Before announcing the decentralization, Higley placed a "service to veterans" halo over the "Veterans Administration" and insisted economy, "which never

allows to impair our service to veterans and their families."

Although only the handling of new claims will be decentralized starting January 1, Higley told the Legionnaires that "eventually all death cases at the Denver center—active or inactive alike—will be decentralized, when and if Congress makes the money available."

## '55 State Fair Attendance Is Largest In History

Breaking all records, the State Fair of Texas wound up with a total attendance of 2,611,271 for the 27 days and nights of its 1955 exposition.

The fair broke its own national attendance record of 2,506,463, set at last year's fair, and also established a new world's record for single-day attendance at any annual fair. The big day was Saturday, October 15, when the

crowds totaled a fantastic 323,224.

A total of 82,337 fair goers saw the State Fair auditorium attraction, "The Pajama Game," and "Ice Capades" attracted over 100,000.

The junior livestock and poultry auctions for steers, lambs, pigs, turkeys and broilers resulted in total sales of \$173,027 for the hundreds of boys and girls who took part. The junior livestock shows were the largest in the fair's history.

Dates of the 1956 fair have been tentatively set for October 6 through 21.

One important change will be made in the format of next year's fair, due to the way the calendar falls. The Texas-Oklahoma football game will be played on the second Saturday of the fair rather than the first, and this schedule will hold for the next three years.

As a result, Rural Youth Day, which this year attracted over 100,000 boys and girls from all parts of the state, will probably be moved to the opening Saturday of the fair, rather than the middle Saturday.

The opening day football feature of the 1956 exposition will

TEXAS CATTLEMEN LEAD THE WAY

The Texas cow man, historically a symbol of hard work and rugged independence, has scored again.

Years ago, no one believed Texas cattle could be taken north to the Kansas railhead, and to markets beyond. Despite incredible obstacles and hardships, the great trail drives succeeded, and the beef was taken to the people who needed it.

Last year Texas cattlemen again started a push to bring their product to market. This time their target was right here at home. They started trying to persuade Texans to eat more beef. Attorney General John Ben Shepperd called the Texas Beef Council's program "the trail drive of 1954."

According to the statisticians, the cattlemen are again succeeding. A recent survey of meat retailers indicates beef sales are up 17 per cent from last year.

This is the Texas cattleman's way of disposing of extra beef: to sell it in the free market, by preaching its nutritional virtues. The cattle industry doesn't believe there's over-production of beef—just under-consumption. And they're remedying that in the good American free enterprise way, without federal buying programs, price supports, or subsidy.

Beef Week in Texas is October 30-November 5. It's a good time to salute the self-reliant cattle industry of Texas.

BIG PRIZE FOR THE TAX COLLECTOR

Headlines the country over were made when, for the first time, a contestant on the fabulous TV program, "The \$64,000 Question," risked going all the way to win the grand prize. Had the winner, a personable young Marine captain, missed any part of the tough seven-part final question, he would have lost the \$32,000, less taxes, he had already won.

The news reports of this, of course, said that the captain won \$64,000. Actually, however, he won \$35,000 or less. For the federal income tax will take about \$29,000 of the prize and any state income tax will be in addition.

The tax collector didn't have to take the big final risk—and he didn't have to possess the remarkable fund of specialized knowledge that made the win possible. But just the same, he will get close to half of the profit!

The Auxiliary of the Methodist Missionary Society met Tuesday afternoon with 15 present. A beautiful Bible lesson was taught by our instructor, Mrs. Boyett.

We greatly appreciate the number of new members and the interest they manifest in the work.

Next week will be our monthly program on missionary work and we urge every lady in McLean to come.

Painfully Injured

Several persons were more or less slightly injured and Miss Pearl Crawford suffered a fracture of the leg when a tier of seats at the tent show last Friday night collapsed. Miss Pearl is still confined to her room, but the injury is reported healing slowly.

The tier of seats was crowded and slid to one side without warning, precipitating the occupants in a heap on the ground.

Speeding along at 70 miles per hour, the young lady suddenly spotted a traffic cop in her rear view mirror. Determinedly, she maintained her lead on the policeman until she came to a gas station. Slowing down, she drove in, came to a stop and dashed into the ladies' room. Ten minutes later she emerged and walked over to the officer standing alongside her car. She smiled at him coyly. "I'll bet you thought I'd never make it!"

**1956 Model Chevrolet To Go on Display Here November 4**

Climaxing a sales year that promises to set new all-time records for the automobile industry, Chevrolet will introduce 1956 passenger cars Friday, November 4. The new models will go on display simultaneously at dealer showrooms across the country. Although details have been withheld, the company has reported the forthcoming line is the most diversified in its history. W. E. Fish, general sales manager of Chevrolet, predicted one of the company's most successful retail showings. "This is the biggest day of the year for Chevrolet dealers," Fish commented, "and they traditionally go all out to make it a memorable occasion for the people who visit their showrooms. "Special entertainment, decorations and favors are an accepted policy by thousands of dealers. The expense in showroom trim alone will run well over \$3,000,000. Dealers want to be certain that the background and setting of the new cars do justice to their many improvements." A feature at many showings this year will be demonstration rides in a duplicate of the car that clipped a full two minutes off the Pikes Peak hill climb record. The officially certified mark was set in September with a heavily disguised 1956 model.

"When Roy and I picked a water heater for our new Canyon home, the safety of our four children was the first consideration. We had two electric water heaters at our farm, so we knew that we could be safely sure with an electric water heater in our new city home." "I was really surprised when one new 40 gallon electric water heater proved to be enough in our new home—especially after having two. But, we've never run out." "My clothes washer works every day—at least once—and yet the water heater keeps up with it and the dishwasher, too, which I use at least two times every day." "Then, at the sink, I'm always using hot water for cooking, to prepare food for the freezer, or to wash out things for the children. There's always enough." "Four children can produce a lot of dirty hands—and keep the baths busy. We have a shower and a tub so that we can clean them up in shifts—and that takes lots of hot water." "My electric water heater gives me plenty of hot water, an extra counter space, and a feeling of complete safety about my children. It goes perfectly with the other work-saving electric appliances in my home."

**Alanreed W. M. U. Meets Monday**

The Alanreed W. M. U. met Monday. Opening with a prayer led by Mildred Hill, Lela Sherrod read the devotional from Exodus 17, and commented on it.

This was the regular business meeting. Opal Stapp read the minutes and the treasurer's report. It was approved. One hundred and ten dollars was made on the supper last Friday. It was voted to pay the rest of the church note from our treasury. The supper was a great success and the large attendance was appreciated.

The meeting adjourned with a prayer by Alice Cole. Refreshments were served to Mesdames Cole, Sherrod, Stapp and Hill, and two children, Norma Sue and Becky Adams.

After the refreshments, a quilt was partly quilted. We will continue to stay a while after each meeting and quilt as long as we have work.

**"The Song of Ruth" Reviewed Tuesday At Guild Meeting**

Mrs. Leona Andrews reviewed "The Song of Ruth" by Dr. Frank G. Slaughter when the Wesleyan Service Guild met Tuesday evening in the Methodist church parlor. "Keys" was the subject of the devotional given by Mrs. Ruth Fisher.

The hostesses, Mrs. Fern Hibler and Mrs. Irma Hester, served refreshments of coffee and cake to 21 members and two guests: Mesdames Dorothy Andrews, Lady Bryant, Ruth Magee, Dorothy Middleton, Lores Brown, Lois Page, Isabel Cousins, Ruth Fisher, Rosemary Melton, Sue Cubine, Inell Zevely, Dorothy Beck, Sinclair Armstrong, Maybelle Nash, Tressie Mantooth, Bonnie Sutton, Leona Andrews, Helen Black, Janice Chlett, Gretchen Magee, and Miss Billie Brown.

**Willing Workers Have Monthly Meet With Mrs. Claborn**

The Willing Workers Sunday School class of the First Baptist Church met for their monthly business meeting and luncheon in the home of Mrs. Odie Claborn.

There was an installation of officers for the new church year, as follows: president, Edna Graham; vice president, Mildred Wyatt; secretary, Billie Cash; group leaders, Odie Claborn, Gladys Stewart, and Rosalie Suderman.

Members present were Hazel Smith, Jewel Smith, Gladys Stewart, Marjorie Fowler, Ollie Mae Edwards, Bobbie Dwight, Billie Cash, Pat Barker, Edna Graham, Katie Price, Rosalie Suderman, Odie Claborn, and Mildred Wyatt; one visitor, Mrs. Virginia Lyons, and four children. The next meeting will be held November 9.

Connecticut was the first state to have a written constitution, the Fundamental Orders, in 1639. The first battle of the Mexican War took place at Palo Alto, Texas, in 1836, between General Zachary Taylor and General Arista.

**Be a good Scout!**

The Boy Scouts need your help. They want you to contribute in the Scout campaign for funds so that every boy, 8 to 18, can join the Scouts and participate fully in their activities. You'll never invest a better dollar; your contribution to the Scouts today is an investment in tomorrow's better Texas. Give to the Scouts — as generously as you can.

**Building tomorrow's better Texas**

The Boy Scouts develop boys morally, mentally, and physically. Scouts learn the manly virtues: patriotism, respect for religion, truth, honor, courtesy, helpfulness. Scouting cultivates the love of freedom, the spirit of enterprise, and the pride of individual accomplishment that America stands for. Today's Scouts will surely build tomorrow's better Texas.
