End of '59 Football Trail

Stinnett Stops MHS Tigers 22-6

A light, inexperienced but game McLean squad came to the end of the trail last Friday night—but the end was in a bi-district playoff and not in the district cellar where most experts placed them the first of the season.

Stinnett's smooth operating Rattlers took advantage of nearly every Tiger error to trim the home team 22-6 last Friday in Pampa's Harvester stadium.

Two quick touchdowns by Stinnett in the early moments of the game put McLean's 11 behind the eight ball and although the Tigers outplayed their opponents slightly in the second half, they could never recover the lost ground.

Meanwhile, the Rattlers' fine line play combined with smooth ball handling of Quarterback Larry Anderson and hard running

of Donny Anderson and Dude McLean allowed no margin for Tiger miscues.

The first Rattler score came with only seconds in the game. Stinnett's Larry Anderson picked up the kickoff on his 15 and balled it right on down field to the Tiger 40. Four plays later he was in the end zone.

Quarterback Larry flipped a

pass to either Donny Anderson for the 2 points and Stinnett was out in 1st & 4.

Dude McLean's 33 yard run was the first big blast in the first Stinnett drive.

Following the kickoff, McLean fumbled the first rattle out of the box and the Rattlers were off again. It seemed, however, a pass

Six Tigers Named To 2-A-Squad

Six players from Head Coach Clifford Bradshaw's McLean Tigers were placed on the 2-A All-District team, it was announced this week.

On the entire all-district squad, David Crockett was the single unanimous choice. The team was picked by a vote of the coaches of 2-A.

Other McLean players making the coveted squad were Darrel Gibson, tackle; Clyde Windom, guard; Bob Weaver, center; O. K. Lee, halfback; and Don Cash, end.

Crockett, McLean's notorious fullback, was the only player having won the honor prior to this year. Crockett also is a candidate for the all-regional and all-state squad.

Making honorable mention for the all-district team from McLean were Carey Don Smith, tackle; Jerry Smith, guard; Jimmy Watson, halfback; Tommy Herron, end; Kenny Willingham, quarterback; and Don Woods, quarter-back.

All 12 of the regulars for McLean were either on the all-district squad or earned ranking as honorable mention.

Other players making all-district were:

Tackles: Scott Barnes, White Deer; Tommie Lemons, Canadian; John Wheeler, Canadian.

Guards: Glenn Hostaller, Canadian; Mark Collins, White Deer; Charles Precival, Clarendon.

Centers: Bob Medlin, Panhandle.

Halfbacks: Jerry Burnett, Memphis; Jerry Henderson, Canadian; Tommy Lester, White Deer.

Ends: Joe Grange, White Deer; Kenneth Jay, Panhandle; James Blair, Lefors.

Fullbacks: Jackie Burns, White Deer.

Quarterbacks: Dickie Hanna, White Deer; Neal Carter, Clarendon.

New Plumbing Shop To Be Opened Here

Clyde and Ebb Patton of Motteshard announced this week that they intend to open a new plumbing shop in McLean. The store will be located in the present location of Leo Gibson's repair shop.

Christmas Decorations

Christmas decorations began to grace the streets of McLean Wednesday—the day before Thanksgiving.

City workmen strung the gay decorations above Main Street. The decorations belong to the Lions Club.

MOTTESHARD FUNERAL HELD HERE TUESDAY

Funeral services were held

Tuesday, Nov. 24, at 2 o'clock in the First Baptist Church for Mrs. Cella Dona Motteshard. Rev. Yene Leonard, pastor, officiated. Burial was in the Canadian cemetery under the direction of the Richerson-Lamb Funeral Home.

Mrs. Motteshard died in the Groom Osteopathic Hospital Sunday evening. She had been a semi-invalid since 1924 and had been seriously ill for a week.

Mrs. Motteshard was born in Murray County, Tenn., on July 10, 1871. She moved to McLean from Childress in 1941 and was making her home with her daughter, Mrs. Walter Hill.

Survivors include two sons, Robert of Cannon City, Colo., and Tommy of Miami, Ariz.; three daughters, Ella Hill and Purdie Reeves of McLean and Pat Baberry of East Chicago; 14 grandchildren and great-great-gr.

Warning!

According to City Manager Dan Mize, several persons during the past few days have been firing rifles or pistols in the vicinity of the city dump northeast of town.

This practice, Mize said, is particularly dangerous since a number of people as well as livestock are in the immediate area. He asked that in the future people refrain from this dangerous practice.

690 Bales Now

The McLean Gin reported a total of 690 bales ginned by this week. This is 190 since last week.

Manager B. F. Holland said the cotton was really coming in and they are ginning "day and night."

Former Resident Dies

Word was received here Tuesday of the death of Jack Gray of Denton, a former McLean resident. Mrs. Gray is the former Margaret Johnston, sister of Elton Johnston of McLean. Mr. and Mrs. Johnston have gone to Denton.

BUSINESSES DECIDE ON SET OF HOLIDAYS TO OBSERVE

A holiday schedule for business in McLean was compiled and endorsed this week, to serve for the entire year, it was announced by Dan Mize, city manager.

A petition with the holidays listed was circulated and signed by McLean firms, with no business listing an objection.

The holidays to be observed will be New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas.

Mize stated that, of necessity, service stations, cafes and motels would not observe all these holidays.

In addition to the Christmas Day listed, businesses agreed this year to close both Friday and Saturday. This, however, will affect only 1959.

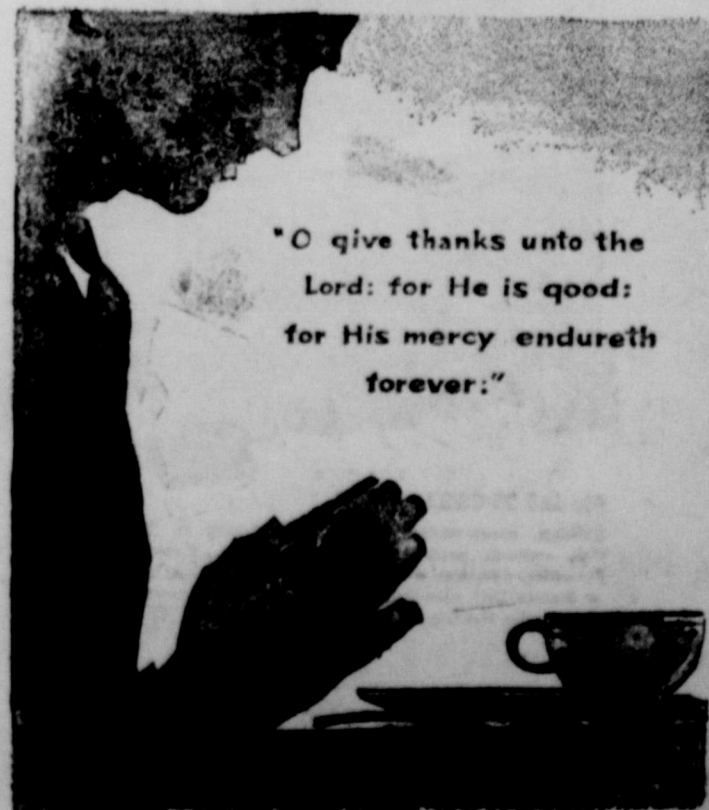

Mize also stated that in the rush to make the announcement in this week's paper, a few of the businesses may have been missed with the petition. However, the signatures acquired represent a majority.

Cards will be printed with the holidays listed for each of the businesses to post.

DEATH IN THE CEMETERY—One woman was killed when this car rampaged out of control into a group of mourners at a funeral in Glendale, N.Y. Eleven others were injured. The body of Mrs. Rachel Laub, 60, lies beneath a blanket near the rear wheel of the car. The driver, Jacob Berg, was not hurt.

Cotton Market Quota Set

Secretary of Agriculture Ezra Taft Benson Oct. 14 proclaimed a marketing quota of 13,133,000 bales (standard bale of 500 pounds gross weight) and a national acreage allotment of 16 million acres for the 1960 crop of upland cotton. It is set as the date for the referendum on 1960 upland cotton marketing quotas, which must be approved by at least two-thirds of the upland cotton farmers voting if the quotas are to be effective.

The secretary also proclaimed his determination that alternative Choice (B) farm allotments for the 1960 crop of upland cotton will be 40% larger than the "regular" Choice (A) allotments for the same farms.

This determination, made under Section 101 of the Agricultural Act of 1958, which authorized the secretary of agriculture to increase regular upland cotton farm acreage allotments for

1960 crop of upland cotton has been determined to be 13,133,000 bales (500 pounds gross weight). The national acreage allotment for the 1960-crop upland cotton will be apportioned to states, and the state allotment to farms according to provisions of law.

In 1960, if marketing quotas are approved in the December 15 referendum, each farm operator—as in 1959—will have an opportunity to choose the kind of allotment-price support program he will comply with—choice A or choice B.

Choice A includes "regular" farm allotments, with price support available to growers who comply with their regular allotments at not less than 75% of parity.

Choice B includes 40% larger

farm allotments and price support to growers who comply with choice B allotments at 100% parity less than under choice A.

Individual farm allotments under both choice A and B will be made available to producers by the referendum.

If marketing quotas are in effect for the 1960 upland cotton crop only the "regular" allotment program will be in effect. Price support will be available to cooperators at 50% of parity provided by law.

Under the 1960 quota program growers who exceed their allotments will be subject to penalties of 50% of the cotton price as of June 15, 1960, on farm's excess production of the crop. In addition, the upland cotton producer the farm will be eligible for price support.

Marketing quotas are in effect for the 1960 crop of upland cotton, having been approved 92.2% of the growers voting in a referendum on Dec. 15, 1959.

Today's Smart Gal Economizes on Her Time

BY EDNA MILES

It's paradoxical that in this day of good taste, some women feel that it's perfectly right to economize in the matter of a wrist watch. So they spoil an otherwise attractive costume and good accessories by wearing a castoff watch belonging to husband, son, or brother.

Or, they continue to wear the large, old-fashioned watch of the 1920's complete with sapphire stem-winder. It looks almost as masculine as a man's watch and, on a woman, just as unattractive.

For a woman who wants to be chic but doesn't want to cost her a fortune, the new costume watches made by one large American company provide a smart solution. They come in five different styles, ranging from the classic round watch the size of a dime to a petite and very new oblong shape. The price tag allows you money back from a \$20 bill.

These new watches are, of course, reliable timepieces. They come with expandable bands or suede or nylon straps.

New watches are economical, chic. This one has suede strap.

Pioneer Club Hears Book Review

An impressive review of the
 book, "The Edge of Time," by
 Loula Grace Erdman was pre-
 sented by Mrs. Morris Brown for
 the Pioneer Study Club meeting
 held Thursday in the home of
 Mrs. Harold Fabian. Mrs. Brown
 described the book as Pilgrims
 of the Panhandle—a novel of
 courage.

Mrs. W. E. Bogan presided at
 the business session and remind-
 ed members of the Christmas gift
 exchange and sending gifts to
 Girls Town on Dec. 10.

A salad plate, pumpkin pie and
 coffee were served to Mesdames
 Sinclair Armstrong, Jim Back,
 Hickman Brown, Morris Brown,
 Harold Bunch, Jesse Coleman,
 Dale Glass, Tom Greenwood, Jim
 Hathaway, Guy Hester, Creed
 Lamb, Clyde Magee, Freeman

SOCIETY

MR. AND MRS. JAMES FULTON

Donlene Trout And James Fulton Marry on Nov. 22

Miss Frances Donlene Trout
 and James Fulton were married
 Sunday, Nov. 22, at 4 p. m. in
 the First Baptist Church in Mc-
 Lean.

Parents of the couple are Mrs.
 Susie Trout of McLean, Mrs.
 Donald McCracken of Amarillo
 and L. L. Fulton of Borger.

Rev. J. M. Jordan of Amarillo
 performed the double ring cere-
 mony uniting the couple in the
 presence of a large group of rel-
 atives and friends.

Baskets of mixed flowers and
 greenery were placed on either
 side of the altar for the occasion.

Miss Bille Smith was her
 aunt's maid of honor. Neal Ful-
 ton of Pampa was his cousin's
 best man. Ushers were Jerry
 Fulton of Pampa and Cecil Fer-
 guson of Spearman.

The bride, given in marriage
 by her brother, Wesley Trout of
 Borger, was attired in a royal
 blue suit with matching accesso-
 ries. She wore a white carnation
 corsage.

Mrs. Grant Pierce of Amarillo
 served at the registration table.
 A reception was held immedi-
 ately following the ceremony.

Miss Mary Erwin of Amarillo
 served the three-tiered wedding
 cake and Mrs. Marvin Young of
 Clarendon poured from a white
 lace covered table which was laid
 with crystal and silver appoint-
 ments and centered with an ar-
 rangement of yellow mums.

Mrs. Trout chose a two-piece
 floral crepe dress with matching
 accessories for her daughter's
 wedding. Mrs. McCracken, mo-
 ther of the bridegroom, wore an
 aqua suit with brown accessories.
 Both mothers wore white cor-
 sages.

Mrs. Fulton is a 1957 graduate
 of McLean High School and has
 been employed at Marie Founda-
 tions. Mr. Fulton is employed by
 Cabt Company in Pampa, where
 the couple is at home at 628 East
 Craven Street.

Rolena Chase And Jim Boiles To Be Married

Mr. and Mrs. H. L. Chase of
 Maysville, Okla., former McLean
 residents, announce the engage-
 ment and approaching marriage
 of their daughter, Rolena, to Jim
 Boiles, son of Mr. and Mrs. S. D.
 Boiles, south of Maysville.

Miss Chase attended McLean
 High School and Isabelle's Beauty
 College in Fort Worth. She is
 now employed at Donna's Beauty
 Shops in Pauls Valley, Okla.

The prospective bridegroom at-
 tended Maysville High School.
 He spent five years in the army,
 with two years of duty overseas.
 He is now employed at Tinker
 Air Force Base in Oklahoma City.

The couple plans to make their
 home in Oklahoma City after the
 wedding.

Eastern Star to Have Christmas Party

All members of the Eastern
 Star are reminded of the annual
 Christmas party Thursday, Dec.
 3, at 7:30. The deputy grand
 matron, Mrs. Marianne Wood-
 ridge of Claude, will make her
 annual visit to the chapter at
 this time.

A salad supper will be served,
 with each member bringing a
 salad.

Besides the usual exchange of
 gifts, each one is asked to bring
 a gift for a needy family. This
 must be something that will keep
 until Christmas.

All members are urged to at-
 tend this meeting.

Friendship Class Has Luncheon

The Friendship Sunday school
 class of the First Baptist Church
 held a social Friday with Mrs.
 Ola Henderson as hostess.

Work was done on a quilt and
 a pot luck dinner was enjoyed by
 Mesdames Oscar Tibbets, H. W.
 Finley, Bunia Kunkel, Luther
 Petty and Henderson.

The next social will be a Christ-
 mas party in the home of Mrs.
 W. N. Pharis on the afternoon
 of Dec. 18.

A BRIEFLY TOLD STORY

... New drug discoveries have greatly reduced mor-
 tality rates of major infectious diseases—and added
 seven years to life expectancy since 1940.

... Price reductions are the rule rather than the ex-
 ception in the pharmaceutical industry. Insulin
 originally cost the diabetic \$2.13 per. Thirteen
 reductions now place it at 12.4 cents per day.

... When penicillin was first introduced, 100,000 units
 cost \$7.50; now it sells in tablet form for about
 10 cents. Streptomycin once cost more than \$25.00
 per gram; now costs about 50 cents.

... The pharmaceutical profession is dedicated to the
 advancement of public health. Huge sums of
 money are spent for better and faster healing
 drugs.

... Although costs are higher, research is productive.
 The result is better health, longer life, and shorter
 periods of illness for all.

AN AMERICAN TRADITION ...

The time of Thanksgiving in America can be traced
 almost to the year the first Pilgrims stepped off the
 Mayflower. It is one of the distinctly American tra-
 ditions that has "grown up" with our country.

At this time of the year we are again proud that the
 tradition of our business is also so deeply rooted in the
 American way of life. It is our desire to continue to
 serve our community in keeping with this tradition.

Area Observations

DON EARNEY in WHEELER TIMES: We like the following little story about Texas, clipped from an exchange:

BOTH THE BIGGEST—The Dallas News has the biggest newspaper circulation in Texas, both daily and Sunday. It says so every day lately in the left ear on front page. The Fort Worth Star-Telegram also has the biggest circulation in Texas, daily and Sunday. It says so every day in the same place on the front page.

Undersized states like California, for instance, can have only one newspaper which is the biggest. But Texas is big enough to afford two.

That's what I like about Texas. Everything here can be the largest of its kind.

ERNEST JOINER in RALLS BANNER: Andrews County News was complaining that only four women had died since the first of the year to 16 men. None of the women were buried in the Andrews cemetery, which proves that even in death they are hell-bent on taking their business out of town. On the other hand, nine of the 16 men were locally buried and six men who died outside Andrews County were brought there for burial. Which proves I hope, that a man can and will fill a woman's place (in Andrews at least), but he has got to be pretty dead to do it.

It's been some time since Halloween, but we think this story told by Arthur Crumm in the Dallas News is the best one of

the year. A lady, prepared for the trick or treaters, answered the door bell early Halloween night. A sweet 5-year-old girl was at the door dressed in an angel costume, complete with wings and halo. It was a touching ensemble and the child was the personification of innocence. The lady couldn't resist dropping two big red apples into the Halloween bag. The child looked into the bag, then up at the kind lady and remarked: "You broke my dama cookies."

A. M. JACKSON in SLATON SLATONITE: It's a mistake to tell a doctor that you enjoy drinking coffee, eating candy, arguing with your wife or sitting on the front porch watching all the girls go by. As sure as you do, he will tell you to do without. There is one man here in Slaton who must drink as high as 20 or 30 cups of coffee each day and so far as I can tell he is no worse off physically than he was when we first moved here in September, 1940, and I'll bet a ton that the doctors are advising him to cut out the coffee.

My weakness is cake. Every doctor I have ever gone to has advised me to cut out cakes and pastries just as soon as they found out that I enjoyed them too much. In fact I eat potatoes, meat, beans, etc., and the regular tasteless stuff, of that kind, only to get to the real enjoyable part of the meal.

It's getting pretty tiresome having the doctors act as if a little

cake and candy is causing me to have stiff joints, dim vision and not be able to hear the fire siren. From now on, I'm going to be like a donkey or a horse and not tell them a thing. If they want to know what's wrong with me let them find out for themselves. There is not much fun left in the world anyway.

Bible Comment:

Silver Won't Satisfy Wish For Silver

The word "career" has become one of the most important in our language.

What does a career mean to the student, young businessman or businesswoman; to the writer, artist, teacher or doctor?

More often than not it has come to imply getting rich, securing prestige and property. Many of the young adults in high schools and universities calculate their life's aim in terms of an amount of money per year. Achievement is measured often in respect to what they can persuade someone they are worth—not in respect to what they can offer to people around them.

The tragic reality to this state of mind is that it leads down a street with no end. True satisfaction can never be delivered in the form of a salary or sales commission.

"He that loves silver shall not be satisfied with silver; nor he that loves abundance, with increase: this is also vanity." (Ecclesiastes, 1:10).

Recognizing these truths for what they are—vanity—we can understand that their satisfaction is no deeper than a saw puddle. It can catch the rays of the sun and the blue of the sky, yet its base is sand. Tomorrow it will be gone.

To clutch money as though it were truth, or to long for prosperity as though it were the answer to happiness is certainly vanity in its most deadly form.

Back-Fulbright

On Nov. 18 at the home of the Christian minister at Pampa, Mr. Johnnie Back and Miss Birdie Fulbright were united in marriage.

These young people have been

reared in this community and are well and favorably known to McLean people.

Miss Birdie is the daughter of Mrs. M. M. Newman. She is a young woman of rare personal charm and is much admired by her many friends.

Johnnie is a young man of

high moral character and high ideals of life. These characteristics, together with a good business qualification fit him for a splendid citizen.

We all extend congratulations to this happy couple and wish for them a long and useful life together.

Logan Child Dies Sunday

Little Ruth May, four-year-old daughter of Mr. and Mrs. Hugh Logan of Ramsdell, died last Sunday after only a few days illness.

The funeral was held at the Baptist church Tuesday afternoon by Rev. A. F. Agree, assisted by Rev. A. O. Hood of Shamrock. Interment was made in Hillcrest Cemetery.

Of the immediate family, the little one is survived by her father and mother and one brother.

McLean to Have Electric Lights

T. V. Webb, main squeeze over at the Webb Motor Co., has made all necessary arrangements to install an electric light plant of sufficient size to light the business part of town.

The engine and dynamo will be installed in the garage and will, we understand, be operated until midnight, which is late enough.

This is a move we are glad to see, and hope that from this small beginning the electric light business will spread in McLean until it will be all over town.

TELEPHONE TALK

by Joe McDonald, Manager

"How does he keep track of all those wires?" "It looks awfully complicated to me!" These are the comments I heard most frequently on October 23 and 24—the days we held open house.

Well, folks, you're right, it is complicated. It takes a lot of know how to keep a central office like ours running smoothly, and I know that you know we have just the man that can do it. "Red" Ballard is the man and Ray Austin, Wire Chief, and myself are mighty proud of "Red" and particularly the job he did of explaining that complicated equipment to you.

You know, 650 people came during those two days to see our office and we were all happy to see you there. We felt that it was a huge success and enjoyed meeting and visiting with all of you. Thanks for stopping by, and many, many thank to you, "Red."

All in all, the numerous building and remodeling projects, eating and remodeling projects, establishments, points to the fact that McLean is a solid, growing community.

interception by Davy Crockett on about the 5 yard line saved the Tigers, at least temporarily.

McLean appeared to have a good drive going, but at the Tiger 38 they again fumbled and a Rat'ler was on the ball. This time they marched right on down to pay

dirt land. Larry Anderson contributed a 25 yard gallop in this drive, but it was Dade McLean who went over for the score. The pass for two extra points failed and it stood Stinnett 14 and McLean 0.

Shortly before the half it looked like the Tigers were going to one on. They began in their own 30. Davy Crockett counted for two straight 10 yards runs and then Willingham, who showed the fans some good passing Friday night, flipped a long one to Don Cash who caught it and then fumbled it out of bounds on about the 16. Willingham and Cash then pulled the same act—this pass and fumble out of bounds—on the opposite side of the field.

But the drive bogged down on Stinnett's 12, and the half ended

with the local gridsters 14 points either team, however, and during the last quarter it was a pretty hard-fought and even affair.

Early in the third period Stinnett's Don Hazel latched on to a Willingham pass and streaked from the Stinnett 40 all the way to the Tiger 15. From there Doony shot a pass to Larry in the end zone. Then Larry Anderson passed to Joe Atherton for the two points, making the score 22-0.

Taking the kickoff, the Tigers marched 67 yards in 10 plays for their lone tally of the night. This was accomplished once again by Crockett's good running and a long pass from Willingham to Cash.

Davy went over for the touch-down but was halted just shy of the extra point money.

That was the last big push by

that defense just consistent enough.

"It looked like a fright right there and just couldn't get going," one of the sports writers mused against Stinnett's away with making
