

Derby Forms Background For New Picture 'Kentucky'

Loretta Young And Richard Greene In Ritz Feature

Given more advance attention than probably any recent film release—and plenty of favorable criticism, also—is "Kentucky," another film version of romance and horse racing in the Blue Grass state which plays today and Monday at the Ritz theatre.

In the leading roles are Loretta Young, Richard Greene and Walter Brennan, with other roles being filled by Douglas Dumbrille, Karen Morley and Moroni Olsen.

Declared to be a standout among racing films, "Kentucky" also is reported to have for one of the most spectacular climaxes of any recent picture.

The photoplay is completely in Technicolor, and for the first time, the famed Kentucky Derby will be seen in full natural color.

In the many years that newsreel companies have been filming the running of the Derby, no shots have been made in anything but black and white.

The huge Technicolor cameras have now captured every glint of brilliant color to be found in America's premier turf classic. With the aid of race officials and stable owners, Director David Butler was given every facility to make this one of the most dramatic sporting events ever filmed.

"Kentucky," a romance of the Blue Grass country, is said to have captured the glorious tradition of that state, and a love all fire and pride in the glamorous theme of the story. Loretta Young and Richard Greene are seen as the two young lovers who are born to the traditional enmity between their families which has carried over since the Civil War.

Walter Brennan, Academy Award winner, also has a sizable role in the film. He portrays a tenacious old southern gentleman who knows more about horses than anyone in Kentucky. As Miss Young's uncle in the film, he turns in what

SEEN IN SOUTHERN ATMOSPHERE

The comely Loretta Young and Richard Greene, a newcomer, have stellar roles in "Kentucky" a dramatic romance of the Blue Grass state with all its attractions of horse racing, playing today and Monday at the Ritz theatre. The Derby, of course, provides the picture's climax, and "Kentucky" is said to have some of the best racing sequences ever filmed. It is made in Technicolor.

is reported to be the finest performance of his career. The film was adapted from the famous book, "The Look of Eagles," by John Taintor Foote, who collaborated with Lamar Trotti in preparing the screen play. Darryl F. Zanuck was in charge of production and Gene Markey was associate producer.

MARRIED HERE

H. L. West and Inez Houston of Coahoma were united in marriage Friday evening by Justice of Peace J. H. Hefley.

Parents Urged To Attend High School P-TA Affair In Library Tuesday Night

Members of the High School Parent-Teacher association will honor Founder's Day and have special Father's Night at the high school library Tuesday evening beginning at 7:30 o'clock.

A musical program will be given by high school students and all members are urged to be present.

'Drums,' Story Of India, To Be At Lyric

Frontier Drama Is Screened In Technicolor

All the thrills, danger and romance of life on the North West Frontier of India will be brought to the screen of the Lyric theatre Sunday and Monday, when "Drums," Alexander Korda's magnificent Technicolor production, is featured there.

Sabu, the sensational child star of "Elephant Boy" fame, is featured with Raymond Massey, Roger Livesey, Desmond Tester and Valerie Hobson at the head of a cast of 3,000 in this exciting cavalcade of empire building, photographed in natural color in nature's most dramatic setting.

The stirring story casts Sabu as a brave young Indian prince who, with the help of his Scottish drummer boy pal, is able to foil the fiendish plotting of his power-mad uncle, Prince Ghul, forestall the wholesale slaughter of British troops, which Ghul had planned as the bloody climax of a five-day ceremonial feast, and regain his own rightful place on the throne.

The breath-taking realism which marks the battle scenes and the scenes of Indian tribal life was achieved by invading India's treacherous Khyber pass, territory which no motion picture camera had ever penetrated.

A beautiful romance is contributed by Roger Livesey, as the redoubtable Captain Carruthers who undertakes the mission into the hostile Prince Ghul's territory, and Valerie Hobson, as the bride who accompanies him to this distant and dangerous outpost, where she is the only woman among thousands of men.

"Drums" was directed by Zoltan Korda and is released through United Artists.

STANDARDIZING OF COTTON PLANNED AT VEALMOOR

Cotton producers in the Vealmoor area will convene in a standardization meeting Monday at 7:30 p. m. in the school building to discuss plans for making Vealmoor a one-variety cotton community.

HE WINS A LONGSHOT

CHICAGO—The odds were 15,000 to 1 but Policeman Burton Buhke came through as a winner.

The payoff was in safety court when Mervine Loper, 29, was convicted of leaving the scene of an auto accident.

Buhke, whose only clue was a broken door handle found at the scene of the accident, spent six months investigating. He went through more than 15,000 invoices before finding the purchaser of a car with a key which fit the lock in the broken door handle. Then he traced the car to its present owner, Loper.

IN ACTION DRAMA AT THE QUEEN

Victor McLaglen and Chester Morris, principals of "Pacific Liner," have opportunity to display their talents in "Pacific Liner," an action story of ships at sea which headlines the Queen theatre's program today and Monday.

PRINCIPAL PLAYERS IN 'DRUMS'

Sabu, "the elephant boy," Valerie Hobson and Roger Livesey are principal players in "Drums," an outstanding dramatic story of adventures on the Indian frontier. The picture is offered at the Lyric Sunday and Monday.

Adventure On Sea Depicted In Photoplay

'Pacific Liner' At Queen With McLaglen And Morris Starred

High adventure on the high seas; with dramatic action well packed into the film, is offered the Queen theatre's patrons today and Monday, when "Pacific Liner" is the headline attraction. Victor McLaglen and Chester Morris are in the stellar roles, with Wendy Barrie and Alan Hale carrying prominent roles.

"Pacific Liner" tells a tale of life on a steamer, life in the raw, with men on ships battling storms, with officers combating mutiny, and with all aboard frantic in their efforts to forestall the spread of an Oriental epidemic.

The clash of romantic difficulties forms a part of the plot, too, with McLaglen and Morris carrying on a feud for the interest of Miss Barrie, the girl in the case. Thrown together by their work, the men are united in common efforts against mutiny and disease, but they find the vast Pacific ocean is too large for them both when it comes to love. The two, in a rough seagoing sail, carry out a part of Quirt and Plazg's plan; but in this case the end is more bitter, the clash of emotions more intense.

Thinking ocean scenes add to the dramatic heights of the film story.

Divorce Suits Are Dismissed

Fourteen divorce suits were dismissed here Saturday by District Judge Cecil Collings as the current term of 70th district court came to a close.

Before the term officially concluded, the jury commission composed of Bill Satterwhite, W. W. Inkman, and Arthur Woodall made its report on jury lists for the April term.

Monday a two weeks term will be convened at Stanton. District Attorney Martelle McDonald was ready to go into session with grand jurors there at 10 a. m.

Divorces granted by the court included Mrs. S. E. Rogers from Jessie Rogers; Lucille Walters from Loy Walters with maiden name of Lucille Springer restored; Loria Lawson from William G. Lawson and custody of a minor child to the plaintiff; Ruby Dell Winterrowd from Ralph Weldon Winterrowd; and Billie Marie Brown from Hugh Brown.

The application of Steve Wells to operate a beer place at "Can City," 20 miles north, was dismissed from the district court docket for want of prosecution. Wells had been denied a permit in county court. The court granted the defendant a new trial in the case of J. N. Bruton versus Allied Underwriters.

Dismissed divorce suits included: Hestie Ward versus I. W. Ward; Jewel Wilson versus Lige Wilson; J. S. Statham versus Vera Statham; Alvin Wilson versus Tressie Ella Wilson; J. J. Anderson versus Ethel Anderson; G. A. Harrison versus Cornelia Harrison; Estella Smith versus Marvin Smith; Fay Terry versus Leonard Terry; Lonels Echols versus Lonzo Echols; Francisca Anguino versus Gregorio Anguino; Kathryn Miller versus Walter A. Miller, Jr.; Artie Robinson versus Frank Robinson; W. T. Coates versus Ellen Coates.

OTHER RECOVERIES ON RADIO THEFTS

Three more radios stolen here in December were located Saturday by the sheriff's department.

Those located included radios lost by Bob Loving, Hayden Griffith and Dr. C. K. Bivings. Sheriff's deputies said that Tommy Samuel, Jr., negro already charged in five counts, has been identified as the person who sold the radios.

Ten radios have been recovered since Samuel was arrested here last week.

Leo Reisman And Orchestra Back As Featured Organization On KBST's 'Show Of The Week'

Leo Reisman and his popular orchestra return again to the Mutual network Admiration "Show of the Week" today from 5:30 to 6 p. m. which features modern dance rhythms by world famous orchestras, and headline news edited by Ernest Chappell.

On February 12, Al Goodman's "Hit Parade" orchestra top the series, which originates in the Mutual Radio Playhouse at Times Square, New York.

BAD WEATHER HURTS TRADE FOR WEEK

NEW YORK, Feb. 4 (AP)—Despite stormy weather retail trade enjoyed a moderate recovery in the past week and "sentiment was generally more cheerful," said Dun & Bradstreet today.

"Blizzards virtually paralyzed business in some areas during part of the week," asserted the review, "but volume for the country as a whole expanded slightly despite this handicap."

"The year-to-year gain of 1 to 5 per cent estimated for the week compared with a decrease of 3 to 8 per cent sponsored in the preceding week."

This improvement, the report pointed out, marked the first rise in retail volume over last year in four weeks.

PRISONER'S SONG

PORTLAND, Ore.—Jack Sitzer, 40, was charged with selling mute canaries he represented as singers. One of the "songless" birds interrupted his trial with a warble and trill that filled the courtroom. The judge reduced the charge to peddling without a license.

MUSEUM WORK

Mrs. W. W. Carson, curator of the West Texas Museum, San Angelo, will speak during the "Museum Work in Texas" broadcasts to be heard over station KBST and the Texas State Network from 5:45 to 6 p. m. Monday, February 6.

EAU DE CIRO

—with Atomizer— GLORIOUSLY BOXED \$2.25

'Week Of Greater Beauty' Is Offered By Helena Rubenstein

The answer to the question—"What Price Beauty?"—is offered by Helena Rubenstein, noted cosmetic authority, once in the year in the form of her "Week of Greater Beauty," which permits women to obtain her corrective treatments and cosmetics at a saving of 20 per cent. This event opened at Collins Bros. Drug Saturday.

Madame Rubenstein sponsors this Week of Greater Beauty yearly throughout the country to give women the opportunity to discover how an investment in scientific beauty preparations and glowing, youthful make-up will increase social and earning power and bring worthwhile returns in greater beauty and a fuller life. Beginners in

beauty have an inducement to start at once enjoying the fruits of modern beauty culture and modern beauty science. Those who have already acquainted themselves with these benefits, and those thousands of followers of Madame Rubenstein's theories of beauty care, take advantage of this week to add to their stock of beauty necessities and make-up.

Whether it's a treatment for your complexion that you need, to erase tired lines and sallowness—or a treatment to firm your throat and neck and do away with double chin—or a new regimen to bring the sparkle of youth back to your eyes and smooth out crows' feet—or just a new make-up to give your spirits and your beauty a big boost in 1939, Helena Rubenstein has the correct solution for your problem—and during this Week of Greater Beauty you can solve that problem at just 20 per cent less than it would cost you at any other time.

Avoca Field Extended To The South

Shallow Lewis Pool In Jones Co. Also Is Widened

ABILENE, Feb. 4—Extension of the new Avoca townsite (Griffin) pool with a well flowing 160 barrels hourly on initial estimates and two extensions for the shallow Lewis pool kept Jones county at the fore this week in West Central Texas development.

The Avoca townsite area's first south extension was proved with the drilling of cement casing plugs at 5,260 feet on the Bert Fields No. 1 B. C. Humphrey, diagonally southwest of the pool opener. After drilling saturation from 3,341 to

5,260 feet, the well began flowing natural into tanks at a rate estimated at 160 barrels hourly before it was shut down for beginning a railroad commission potential test. It is located 450 feet out of the northwest corner of section 25-H&T survey.

Outposts Near Fay

Also nearing the Palo Pinto pay horizon in that area were two other outposts, one the W. H. Peckham of Wichita Falls No. 1 Avoca Independent school district—inside the townsite—on the campus of the public school. A rotary, it is nearer proven production than the Fred Browning No. 1 school, a failure on the west outskirts of the townsite. The other is a mile and a quarter north outpost to the pool, Groover & Ross and George Farrell No. 1 O. D. Swenson, first to be drilled with cable tools since the discovery. It had passed 3,188 feet in shale.

Location extension to the Palo Pinto producing Ivy pool east in Shackelford county was also indicated when Iron Mountain Oil company No. 5 O. E. Beck took oil

saturation from 3,341-52 feet and was shut down for cementing casing. It is south of production and in section 18-D&D&C survey.

Rotary Moved In

First rotary for the Jones county Lewis pool was moved for an east outpost this week by Palm-McGaha Oil corporation for its No. 1 Mrs. Ann Shabazz. The test will be a diagonal southeast offset to the Danciger Oil & Refineries No. 5 Hugh E. Roberts, east extension to the shallow pool which is estimated good for 500 barrels daily, and will be 230 feet out of the northwest corner of the southwest quarter of section 26-15-T&P survey.

Ungren & Frazier of Abilene, who own east offset, were slated to move in rig for an east offset to the Danciger well on the Brock estate. The No. 5 Roberts is showing for Bluff Creek sand production from 1,988 feet and is scheduled for shooting after completion.

King Oil company of Wichita Falls proved another south extension to the pool with its No. 3 C. L. Carter et al. estimated good for 350 barrels daily before it was given a 40-quart shot in sand at 1,309-32 feet. The company moved another location south for its No. 3 Carter, 600 feet out of the southeast corner of the east half of the southwest quarter of section 35-13-T&P survey.

F. E. Stanton of Big Spring spudded a Jones county wildcat a mile north of the Anson city limits as No. 1 Mrs. W. S. Steen, cable tool project scheduled to drill 2,300 feet. It is 1,409 feet from the east and 802 feet from the north lines of section 15-1-T&NO survey.

WILDCAT TEST IS STAKED IN BORDEN CO.

Continental Adds To Exploration; Drilling Continues On Tests In Martin, N'western Howard

Wildcatting north and west of here continued to furnish the most interesting oil activity during the past week.

Continental's location for its No. 1 L. S. Manger, rank wildcat 440 feet from the south and west lines of section 28-31-4n, T&P in Borden county centered exploration interest nine miles south of Gall in the midst of several abandoned tests. Ajax Drilling Co. was moving in for the test which is due to be spudded this week and drilled to 4,000 feet or so.

Continental No. 1 Manger is on a 14-1-4 section block, the center one of three such blocks running east and west across the country. Nearest abandoned test is two and a half miles northeast of the new location while others in that area are three and a half miles south and four miles to the southwest. The new test is scheduled to start Feb. 7 with combination rig and will be drilled to 4,000 feet.

Having logged oil stains from 2,530-35 feet, 23 feet below the second sulphur water, Steve Owen No. 2 Dr. J. G. Wright, northwest Howard county wildcat, continued to drill ahead below 2,900 feet. Location is 900 feet out of the southwest corner of section 28-33-2n, T&P.

To 2,670 Feet

T. G. Shaw, trustee No. 1 H. H. Wilkinson, Martin county wildcat in section 25-a, B. & C, drilled to 3,670 feet with no shows while T. G. Shaw, trustee No. 1-B H. H. Wilkinson, spudded a new test in section 19-34-1n, T&P. This test is due to be drilled to a depth of 3,500 feet and is on a farm out from the Texas company.

Two completions added 1,115 potential to Snyder pool in southeastern Howard county. Sun Oil Co. No. 1 TXL, southernmost test in the pool, flowed 873 barrels in 24 hours following a 570-quart shot. It partially bridged after the first six hours flow and had heavier gas pressure than in surrounding wells. Top of pay was 2,625 feet and bottom of the hole at 2,794 feet. Location is 990 feet from the south and 330 feet from the east lines of section 33-30-1s, T&P. Moore Bros. No. 6-A O'Daniel, 990 feet from the west and 1,650 feet from the south lines of section 34, flowed 742 barrels in 24 hours following a 600-quart shot from 2,676-2,830 feet. Eastland No. 3-B TXL, in the southeast quarter of section 33, spudded and drilled to 385 feet. Ajax No. 2 O'Daniel, northeast quarter of section 34, drilled below 2,600 feet.

Set Seven Inch

On the north end of the pool Shell No. 1 Snyder, 2,210 feet from the north and west lines of section 28-30-1s, T&P, set seven inch string at 2,535 feet. Greene Production Co. No. 1 Snyder, in the center of the northeast quarter of section 27, was shut down for repairs during pumping operations preparatory to a shot. Moore Bros. No. 7-A Snyder, 630 feet from the south and west lines of section 28, prepared for the second time to drill by whipstock at 2,619 feet. Magnolia No. 12-A. E. O'Daniel, 1,650 feet from the west and north lines of section 34-30-1s, T&P, drilled to 2,250 feet.

F. W. Merrick No. 7-B Chalk, 990 feet from the north and 330 feet from the east lines of section 28-29, W&NW, rigged up and location was staked for the G. E. Farley No. 2-A W. R. Settles, 2,310 feet from the south and 330 feet from the west lines of section 125-29, W&NW.

Materials were moved in for the J. R. Petty No. 1 Joe Blake, Glasscock outpost to the Howard-Glasscock pool, located 990 feet from the north and 2,310 feet from the east line of section 125-29, W&NW. The test, which is half a mile south of production, is about that distance east and slightly south of the abandoned F. H. E. No. 1 Sprinkle which failed at 2,622 feet. The outpost is to go to 2,500 feet or pay at a lesser depth.

Shell Starts Survey For Pipeline

New Outlet In Prospect For Wasson, Denver Pools

SAN ANGELO, Feb. 4—The prospect of an early additional outlet for the linked Wasson pool in Gaines county and the Denver field in Yoakum and the Bennett area in Yoakum through a Shell pipe line, for which surveying was begun, was one of the developments of most interest in West Texas this week. The line from Hobbs, N. M., through the Wasson and Denver to the Bennett field will parallel Humble's carrier.

Continental No. 1-8 Wite, 1-13 miles west of the central part of the North Cowden field in Ector county, showed for a small producer at 4,900 feet and drilled ahead, and M. E. K. Drilling Co. No. 1 John M. Gist, half mile west extension to the Foster pool in Ector county, was completed at 4,277 feet for a 24-hour flow of 1,341.36 barrels of oil.

Wildcats Spudded

Moore Exploration Co. of Midland spudded a wildcat in the northeast corner of Irian county and the Clymore Co. Inc., of San Antonio spudded a wildcat in

southeastern Concho county. Locations throughout the district numbered 30 for field tests and six for wildcats in 13 counties, the wildcats being two in Yoakum and one each in Borden, Concho, Irian and Pecos counties. This compared with 30 locations for field tests and four for wildcats in 13 counties the week before.

Surveying by Shell Pipe Line Co. for a pipe line from Hobbs, N. M., to the Wasson, Denver and Bennett pools followed announcement by the Humble Pipe Line Co. that it would not connect with any new wells in those fields due to its line being filled to capacity. A pending deal for the development by the Alcoa Oil Co. of the Texas Co.'s holdings in Yoakum county provides the building of a pipe line from that area southwest to connect with Atlantic's Hobbs-Midland line at a point southwest of Seminole. Such a line would provide an outlet for the Seminole pool, which during the last two weeks has assumed major proportions. Other North Basin pools without an outlet are the Duggan in Cochran county and the Slaughter in Hockley county.

T. G. Shaw No. 1 C. B. Dean, eastern Cochran county wildcat, recovered more oil stained lime in coring to 4,978 feet, ran 5 1/2 inch casing to the bottom and was standardizing. R. W. Richardson No. 1 Coe, northeast outpost to the Slaughter field in Hockley county, ran 5 1/2 inch casing after drilling to 4,890 feet.

Continental No. 3 Sue Stevens was completed with the second

largest potential in the Denver field in Yoakum county, yielding 1,234 barrels of oil daily at 5,507 feet after treatment with acid. J. E. Mabe No. 3 Willard, 285 feet west of Mabe No. 1 Willard, one-mile southwest extension to the Bennett pool, was completed at 5,219 feet with a daily potential of 2,271.64 barrels after acidizing.

INDIAN MISSIONARY TO SPEAK AT LOCAL CHURCH TONIGHT

James E. White, Indian evangelist of the Church of Christ, will speak at the local Church of Christ, 14th and Main street, tonight at 7:15 p. m. Mr. White is laboring in a mission among his people at Oneida, Wis., but is now traveling among Churches of Christ, acquainting the people with his work. The public is most cordially invited to hear this interesting and inspiring message.

HULL MAY ATTEND COTTON MEETING

WASHINGTON, Feb. 4 (AP)—Secretary of State Cordell Hull will "exert every effort to visit Texas," Burriss C. Jackson, president of the Texas Cotton association, said here yesterday.

The Texan invited Hull to the association's convention in Houston March 31 and April 1. Hull was urged to discuss his trade agreements program before the cotton men.

Legion Units To Convene

Important Meeting Scheduled For Monday Evening

An important meeting of local American Legion units has been called for Monday evening at the Settles hotel. Legion Post Commander R. R. McEwen said reports membership drive, and that leadership drive, an dthat leaders are anxious for all ex-service men to be on hand. The meeting will start at 8 o'clock.

The post is nearing its goal in the 1939 campaign for members. After the post convales, the Legion's fun unit, the 40 and 8, will hold a meeting, and new officers are to be elected. J. Y. Robb currently holds the highest executive post. The Legion auxiliary also is scheduled to meet Monday evening.

"We have some matters coming up that will interest every service man," McEwen said. "Nobody is going to be taxed for anything, but we do need all legionnaires on hand for a discussion of business. We hope there will be full attendance."

AND NOT YET APRIL 1

DILLON, S. C.—A few weeks ago a Dillon farmer vigorously planted a nice crop, he hoped, of tobacco.

He looked the beds over today. It was a fine—even a splendid crop—of mustard.

He'd taken the wrong seed sack off the shelf.

Rotarian Plan Is Used By Churches On Broadcast

A new arrangement of broadcasting local church services, whereby the radio hour is rotated, has been worked by a group of pastors and Radio Station KBST. Six churches have entered into the program, and each uses the station's facilities in turn. The rotation applies to morning services.

This morning's services will be broadcast from the East Fourth Street Baptist church, where the fifth anniversary of Rev. W. S. Garnett's pastorate is being observed. The ensuing schedule: February 12, First Christian; February 19, First Methodist; February 26, St. Mary's; March 5, First Baptist; March 12, First Presbyterian. Then the order of churches will be repeated.

Valentine Party Given Susannah Class Members

Games Feature Nice Affair Held in Church Parlors

Matching valentines hearts and hunting for candy valentines were features of the games played at the Susannah Wesley class valen-

tine party given Friday at the First Methodist church. Hostesses at the affair were Mrs. W. A. Miller, Mrs. C. E. Shive, Mrs. A. G. Pruitt, Mrs. J. O. Haymes, Mrs. C. D. Herring, Mrs. D. F. Bigony and Mrs. Mattie Lewellen. A salad course was served and cups with bows and arrows were plate favors. Mrs. Haymes gave the devotional and a short business session was held. Attending were Mrs. G. W. Felton, Mrs. J. E. Sloan, Mrs. J. A. Myers, Mrs. W. A. Underwood, Mrs. John Tucker, Miss Mattie Hefley, Mrs. H. F. Williamson,

Mrs. G. E. Pitsman, Mrs. Ben Lovelace, Mrs. Charles Morris, Mrs. Joe M. Fancett, Mrs. Felton Smith, Mrs. Will Olsen, Mrs. J. R. Manion, Mrs. Lowell Baird, Mrs. Flora Rogers, Mrs. Logan Baker, Mrs. Bernard Lamun, Mrs. C. E. Verner, Mrs. John R. Chaney, Mrs. T. E. Paylor, Mrs. Clyde Thomas, Mrs. R. L. Warren, Mrs. H. F. Taylor, Mrs. V. H. Fiewellen, Mrs. A. B. Wada, Mrs. N. W. McCleskey, Mrs. J. L. Hudson, Mrs. Clem Ruff, Mrs. Herbert Fox and Mrs. Sadie Throop.

Mrs. Wood

(Continued from Page 4)

the office and put everything into the sales talk. "Was I ever embarrassed" she laughed, "when I found out that he was from the head office in Fort Worth and had come to see how things were going along." Since then, Mrs. Wood has tried to keep up with her home office and not make any more such errors but her sales talk must have been convincing. In the last two years, the head of the main office has been to visit her only twice. Mrs. Wood would be justly proud of the fact that the 31 abstract companies owned by the firm, there is only one other woman holding the same sort of responsible job that she is handling. She has also extended her interest in the business to an abstract company in Garden City and while she is not active in the management there, she is a part owner in the firm. Many times, especially during oil booms, Mrs. Wood has worked as many as 18 hours a day to finish all her work. Her job is of the type in which there is always something new to be learned and each day she discovers something more to add to her knowledge of the business. It is truly a man-sized job which she is handling, and handling successfully.

Special Tree Sale

Plant trees this season to help make a more beautiful Big Spring!

Beginning today, we will take orders, accompanied by check, at Ross Barbecue Stand, or at Nursery office, 944 E. 3rd. Those desiring trees are asked to have orders in by Feb. 10, for delivery about Feb. 20.

W. M. S.—Monday, 2:30 p. m. Bible Study Wednesday, 7:30 p. m.

CHRISTIAN SCIENCE SERVICES
Room 1, Seidman Hotel
"Spirit" is the subject of the lesson-lesson which will be read in all Churches of Christ, Scientist, on Sunday, Feb. 5.
The Golden Text is: "Where the Spirit of the Lord is, there is Liberty" (II Corinthians 3:17).
Among the citations which comprise the lesson-sermon is the following from the Bible: "Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness" (Psalm 143:10).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit blesses man, but man cannot tell whence it cometh." By it the sick are healed, the sorrowing are comforted, and the sinning are reformed. These are the effects of one universal God, the invisible good dwelling in eternal Science" (page 78).

FIRST CHRISTIAN
Fifth and Sourry Sts.
G. C. Schurman, Pastor
9:45—Bible School.
10:45—Morning worship. Sermon by pastor. Topic: "Revivals and Revivals."
7:30—Evening gospel service. Sermon topic: "Youth At Work."
8:30—Young Peoples' Vespers and social hour.

EAST FOURTH ST. BAPTIST
W. S. Garnett, Pastor
Corner East Fourth and Nolan
9:45—Sunday school. (The lesson is in the second chapter of Acts, which tells about the day of Pentecost, the sermon by Peter, and the conversion of thousands of people.)
10:45—Morning worship. Sermon subject: "How Sin Pays."
6:30—Training unions.
7:30—Evening worship. Sermon subject: "The Greatest Sin That Men Commit."
Sunday marks the beginning of the fifth year of Rev. Garnett's work as pastor of the church. He urges all members to be present for the services.
Visitors are always welcomed.
The morning service will be broadcast over KBST.

Mrs. M. Stulting Honors Daughter On Ninth Birthday
Beverly Ann Stulting was honored with a party the last of the week when Mrs. M. S. Stulting entertained in her home on her daughter's ninth birthday anniversary. Games provided diversion for the guests, and Betty Lou McGinnis and Ike Robb won duplicate prizes in the guessing contest for guessing the number of beans in a bottle. La Vern Cole, Jane Darby and Joan Higginbotham won other prizes in the games. Balloon and valentines were given as favors, and the table was laid with a white cloth decorated with cutout red hearts. Red tapers burned at either end of the table. Punch and ice cream and the birthday cake was served to the guests. Mrs. C. W. Deats and Mrs. Mary Ellis assisted the hostess. Present were Billy Jo Bates, Joan Winn, Katherine Bowles, Betty Lou McGinnis, Emma Jean Slaughter, Eva Jane Darby, Joan Higginbotham, Beth McGinnis, Betty Jean Underwood, Doty Roberts, Marjorie Coffee, Esther Lou Byler, Reba Jean Roberts, Virginia Blackburn, Dora Jean Bibb, Jo Nell Sikes, Johnnie Mae Gilmer, La Verne Cole, Joan Cornelson, George Oldham, Dennis Neill, Billie Bob Watson, Ike Robb, Richard Deats, Charles Moody and George Neill.

Mendelssohn's Life And Work Is Club Topic

Allegro Group Has Program, Discussion At Frasier Home

The life and work of Mendelssohn was the topic for discussion by members of the Allegro Music club Saturday morning when they met at the home of Cornelia Frasier with Jane Houser as program leader. Billie Marie Harrison was awarded the prize for answering the

greatest number of questions concerning the day's subject. Dorothy Satterwhite and Joanna Winn gave piano selections and vocal solos were given by Emma Jean Slaughter and David McConnell, the latter of whom was accompanied on the piano by his mother, Mrs. D. F. McConnell. Refreshments were served at the conclusion of the meeting to the sponsor, Mrs. Raymond Winn, and two guests, Jane Reed of Comhome, and Jack Ferguson and the members who are Dorothy Ann Sikes, C. A. Smith, Joanna Winn, Dorothy Satterwhite, Raymond Winn, Emma Jean Slaughter, Marjorie Potter, David McConnell, Jean McDowell, Jane Houser, Bobby Guller, Raleigh Guller, Billie Marie Harrison, Gene Noffs, Edward Fisher, Lula Beth Duff, Mary Ann Dudley, Rosalie Ferguson,

Jean Ellen Chown, Lorena Brooks and Helen Blount. The next meeting will be held on February 18 at the home of Jane Houser, 207 W. 13th street. **Needle Crafters Meet With Mrs. T. Edwards**
Spending the afternoon embroidering and doing needle work, members of the Needle Crafters met Friday in the home of Mrs. Tommy Edwards, 102 North 2nd. Refreshments were served to Mrs. Lon Curtis, Mrs. Joe Spinka, Mrs. Tommy Edwards, Mrs. Tom Stewart, Mrs. Ferrel Taylor, Mrs. Charles Brown, Mrs. Denver Stovall and Mrs. John Meneghetti. Mrs. Meneghetti will be hostess next meeting in her home, 209 N. W. Second.

NATIONAL REPRESENTATIVE

MEMBER OF THE ASSOCIATED PRESS

A TASK FOR THE WHOLE PEOPLE

Slipping by with only a minimum of public attention last week was Social Hygiene Day, February 1. A year ago, the first such day was widely heralded, and it started a campaign which achieved some results.

Each year at least 60,000 American babies are born to die or to live handicapped because of congenital syphilis; another 25,000 are born deaf.

Over 100,000 potential mothers in the United States have or have had syphilis.

Over 100,000 deaths are caused each year by syphilis and over 1,000,000 years of life expectancy are lost.

And it is a leading cause of diseases of the heart and blood vessels.

Provisions of money and passage of laws do little good unless wholehearted public cooperation is evident.

Today And Tomorrow

By Walter Lippmann

HITLER'S ISSUE: THE HAVES AND THE HAVE-NOTS

Chancellor Hitler went a long way in his address on Monday toward clarifying the prospects for the coming year.

He confirmed the conclusion, which was already indicated in the week after Munich, that his next major campaign would be directed not against Russia, but against the British empire primarily and against the French empire incidentally.

his choice. Great strategist that he is, Hitler was bound to see that he could not expand to the east, through Poland and the Danubian states to the Ukraine, as long as the Anglo-French military and naval power was intact behind him.

But being a realist, Hitler is under no illusions about how formidable an undertaking it is to offer a direct armed challenge to the Anglo-French combination.

War is precluded for the time being by the fact that the defensive military position of the Anglo-French is very much superior to the striking power of the Roman-German axis.

But what is even more significant because it throws light on the only possible solution of the question in the long run, is that the old empires have been in process of rapid liquidation during the past 50 years.

The theme of the campaign which culminated at Munich was an appeal to the right of self-determination.

We shall hear much more of this theme in the months to come. For on the basis of this thesis Hitler means to persuade the western world that resistance to his claims and to Mussolini's is morally wrong and that any kind of unity in opposition means that the democracies would be pulling the imperial chestnuts of foreign imperialists out of the fire.

Now there is no doubt that there is a colonial question, that Europe can never be at peace until through emigration and through the expansion of foreign trade, the over-crowded regions of the continent find an outlet in the uncrowded regions of the earth.

by purchase. The German colonies in Africa were acquired as a matter of fact at a time when Germany had no navy and when Great Britain had undisputed command of the seas.

The truth of the matter is that western imperialism is self-liquidating because the spread of democratic ideas makes it impossible for democracies to deny self-government in their empires.

The real colonial question, as it is presented by the Germans, Italians and Japanese, is whether the liquidation of colonial empires is to be carried out to its logical conclusion, or whether new empires based on conquest are to be founded.

Specifically, the issue is this: The tendency of the democracies is to retire from imperialism by granting self-government to their colonies and an open door to commerce.

MAN ABOUT Manhattan

by GEORGE TUCKER

NEW YORK—We're somewhere in Manhattan, probably 30 feet underground, in a mechanized tube that has light and air and heat and advertisements and uniformed attendants and people reading Russian newspapers, people reading Italian newspapers, people reading Yiddish newspapers, people reading German newspapers, people reading all the big New York dailies, printed in English.

Our tube is hurtling through the gloom of a subterranean channel, and at irregular moments little jeweled cities flash past, cities garish in their amber lights, cities with numbers and names—Canal, Houston, Wall, Park—only, they aren't cities. They are the stations which lead to the streets above.

Here is a big Pole thoughtfully devouring a sandwich. The chin of the man next to him has dropped to his chest, and he is snoring. Across the aisle a trim young woman is knitting a sweater.

There are, to be exact, 44 people in this tube, and two of them are standing at the end, very much interested in each other. That is evident to everyone. He has his hands clasped around her arm, as if to steady her against the swaying of the tube.

Their big moment is ended with a bang, however, as the tube flashes into the largest city of all—a vast, seething, many-peopled city—and comes to an abrupt halt. The suddenness of the stop throws them against the tube wall. They giggle, but no one else giggles.

That is a subway ride in New York.

She is young (about 26) and blonde and pretty—she has the clearest, bluest eyes this side of a Technicolor lake. Sort of forget-me-not eyes, those—but she had quite a time, at first, making Hollywood forget that she was the daughter of a celebrity.

She has always been crazy about pictures. Used to idolize Norma Talmadge. Parents used to get good behavior by threatening: "If you're not a good girl you can't go to the movies!" Her first movies in Hollywood were such honeys they could have been used for discipline—opportunity. "If you're not good, Sonny Boy, I'll MAKE you go to those movies!"

DANGEROUS SERVICE

By GRACE ELLIOTT TAYLOR

Chapter 18 NAZI PRISON "It is very good to see you again, Petrel. You're looking wonderfully well, and very, very attractive."

"Yes. It still is. What are you doing in London?"

"Working!" she told him. This time she was able to tell him about Peter. He smiled when she told him why she had returned to introduce them in Rangoon.

"Who is that attractive girl in gray, that you were talking to, by the fireplace, when I came in?"

"No, of course not. You must hurry," but she did not believe him.

Where There Is Trouble "I'm leaving England tomorrow," he told her abruptly.

"Prison! What for?" Petrel seized the paper and stared at it. "British photograph," she breathed.

"They suspect him of spying. He attended a secret meeting he had no business to attend, on somebody else's ticket, and gave himself away by speaking German."

DOWN 1. Measured by walking. 2. Aromatic principle of violet root.

that the haves gave up their rapidly waning monopolistic position, not that the have-nots replaced them as monopolists with a much more intense form of imperialism.

For if the European democracies which have the empires are able to resist intimidation long enough and certainly enough, they may eventually reach the position where a constructive solution becomes possible.

A 38,000-acre community forest owned and managed by Newark, N. J., has yielded more than \$17,000 worth of timber products.

Students Will Give Program At Coahoma

Musical Presentation Slated This Afternoon

Students in the elementary grades of the Coahoma schools will be presented in a free program of song at 4 p. m. today in the Coahoma high school auditorium. Arranged and directed by Emilee Ramsey, director of elementary school music, the program will consist of singing by groups from the first grade through the seventh. A trio number by Peggy, Floyce and Joyce Faye will add variety to the presentation.

The program will be opened with "Come Thou Almighty King" and the "Star Spangled Banner." Other program numbers are:

First grade—"Mother Goose rhymes (Baa! Baa! Black Sheep, "Pussy-Cat, Pussy-Cat", and "Little Jack Horner)," "Five Little Girls" and "The Knocks.""
Second grade—"Our Thanks for Music," "I Had a Little Doggy," and "Animal Crackers."
Third grade—"The Airplane," "Poppy Pop Corn," and "Have You Been to Texas in the Spring?"
Fourth grade—"The Leaf and the Bird," "Susy, Little Susy," and "A Child's Prayer."
Fifth grade—"Peggy, Floyce and Joyce Faye."
Sixth grade—"Toreador's Song" and "Sleep Kentucky Babe."
Seventh grade—"Pala in the Amber West" and "Send Out Thy Light."
Eighth grade—"Frog in the Well," "Wachman's Song," and Handel's "Largo." The Lord's Prayer will be given in unison to conclude the program.

Judges Named For Show At San Angelo

Nebraska Hereford Man Heads List Of Officials

SAN ANGELO, Feb. 4—Judges for the various divisions of the 8th Annual San Angelo—Fat Stock Show and Rodeo, March 3-6, have been obtained. Colburn Deal, manager of the show, has announced. Deal says each of the group is a recognized authority in his particular line and all have had much experience in live stock judging.

Foremost of the judges will be Sam R. McKelvie, Lincoln, Neb. McKelvie is president of the American Hereford Breeders' association and a former governor of Nebraska. He runs 500 purebred Herefords on his "By the Way Ranch" near Lincoln. He will judge the Hereford show. McKelvie has visited the local exposition in the past but has never served as a judge here.

Two other judges are P. E. Neale and John H. Knox, both from New Mexico State college at Las Cruces. N. M. Neale will judge the men's Rambouillet breeding sheep and Knox the boys' baby beef show.

John H. Jones, Texas A. & M. college, College Station, will judge the boys' fat lambs and E. J. Hughes of the soil conservation service here, will judge the men's Delaine breeding sheep.

Judge of the colt show, a new feature at the local exposition, will be Gen. Henry G. Whitehead, retired, of Winchester, Ky.

Rounding out the list of judges is H. A. Fitzhugh, Bexar county farm agent, who will judge the boys' breeding sheep. Fitzhugh was coach of the Menard, Tex., judging team which won first in the national contests held in Chicago last fall and formerly was county agent at Menard. Before going to Menard he was vocational agriculture instructor at Bronte.

Aged Man Dies Of Injuries

J. J. Dunlap Sixth Traffic Victim In County This Year

A sixth death was added to the mounting list of traffic fatalities here Saturday when Jesse James Dunlap, 77, succumbed to injuries sustained in a car crash more than a month ago.

Mr. Dunlap was the second to die from injuries received in a collision which claimed the life of Mrs. Manda Pelton on January 1, the day before he reached his 77th birthday.

A resident of Big Spring and surrounding area for the past 10 years, Dunlap was especially well known in the Elbow community where two sons reside.

Survivors include two sons, J. T. Dunlap and O. R. Dunlap of Elbow community; one daughter, Mrs. Mary Martin of Birthright, Texas; 12 grandchildren and 12 great-grandchildren.

Services were to be held at 4 p. m. in the Eberley chapel with Rev. E. E. Mason, pastor of the West Side Baptist church, in charge.

Funeralbearers were to be G. M. Grason, H. F. Franks, Dan McRae, Rufus Rogers, Duke Lipscomb and L. A. Ford.

Japanese-Soviet Combat Reported

TOKYO, Feb. 4 (AP)—The government of Japanese-dominated Manchoukuo today reported four days of almost continuous fighting between Soviet Russian forces and "Manchoukuo guards" but failed to state definitely the outcome or casualties.

Communiqués indicated that Russian "assaults" had been thrown back. While they described the "defending" forces as "Manchoukuo guards" it was believed here that Japanese regulars were involved.

It is known that some of Japan's finest troops have been stationed along the Manchoukuo-Siberia border instead of fighting in China.

Apparently these were the most serious border hostilities since last July and August when Japanese and Russian units battled near the intersection of Siberia, Manchoukuo and Korea.

The Manchoukuo government charged Soviet cavalrymen attacked a Manchoukuo border garrison Tuesday but were beaten back.

Minor skirmishing and maneuvering ensued, the communique from Hainking said, until the Russians assaulted three times Friday.

Manchoukuo has protested to Russia.

CRUISER FOCH, seen at Algiers, is part of French navy planning joint naval display with Britain in the Mediterranean.

The Week

(Continued from Page 1)

more applicable than to farm families.

Two developments of the past week brought attention to this city as a focal aviation point. One was the institution of a new type star airmail service permitting collection of airmail from points as far west as Monahans for dispatching over afternoon planes here. The other was the announcement of a new north-south air service which may materialize soon, though on a different basis than expected.

Best estimates are that around \$750 was raised by activities surrounding the celebration of the president's birthday. It's mighty fine to have that money handy to help treat and rehabilitate victims of infantile paralysis, but here's hoping there's no occasion for touching it this year.

Members of the local bar will oppose plans to recharter the West Texas judiciary. They don't like the idea of being cut off from Midland and Odessa. They also think there is a bit of personal element involved in the move which originated in the west end of the district.

Announcement that the feed acreage for the county has been upped by 5,000 acres should start a lot of people to thinking about stock and poultry production as a profitable way in which to market this additional feed. This is a matter of far reaching importance to town and country and is due much consideration and support.

TWO KILLED IN SEMINOLE CRASH

SEMINOLE, Feb. 4 (AP)—An infant was thrown harmlessly to safety when two persons were killed and three others were injured early Saturday morning in a collision of an automobile and two trucks near here.

The dead: W. M. Self, 27, of Seagraves. Mrs. Self, 28, his wife, who had been living at Hobbs, N. M.

Mrs. C. L. Dillard, Glenn King, and Hubert M. Oswald, all of Seagraves were treated for injuries in a Hobbs hospital.

The infant, 1 year old, was plumed into the air but suffered only a slight cut on one thumb.

Members of the state highway patrol at Lubbock were informed Oswald was driver of the automobile, which sideswiped one truck then crashed headon into the other.

The impact hurled one truck approximately 375 feet after the collision, the second 80 feet.

Towns Will Send Rodeo Sponsors

Seven West Texas cities already have accepted invitations to send a sponsor to the sixth annual Big Spring Cowboy Reunion and Rodeo here June 23-26.

Although the bids were mailed only Thursday, Lubbock, Tahoka, Snyder, Abilene, Monahans, Midland and Colorado had pledged a sponsor by Saturday.

Ira Driver, secretary of the rodeo association, said Saturday that Mary Nell Edwards, daughter of Mr. and Mrs. M. M. Edwards, would serve as Big Spring sponsor. Miss Edwards, who won the Midland contest over a large field last year, will not compete in the local event, however.

FUGITIVE INDICTED IN OFFICER'S DEATH

BROWNWOOD, Feb. 4 (AP)—While funeral services were held today for Policeman W. C. (Jack) Fuston, slain at a tourist camp here early yesterday, a Brown county grand jury indicted W. T. Haley, Palo Pinto county jail fugitive, on a charge of murder with malice aforethought.

The murder complaint was signed by Policeman Fred White, who was with Fuston when he was shot at the camp on the outskirts of Brownwood where he had gone to question a man officers believed was Haley.

New Homes In Stanton

Earnest Price Residence An Attractive Project

STANTON, Feb. 4 (Sp)—Building is again on the upgrade in Stanton, with construction of three new homes recently, and remodeling of a number of others. One of the loveliest homes to be built here in several years is nearing completion for Mr. and Mrs. Earnest Price. The house is semi-colonial, light cream brick veneer. The interior consists of five large rooms, hall and bath. Every new convenience has been utilized to make it the most modern of homes. All-woodwork on the inside is the new narrow width, and is special millwork, as are all doors, which are colonial. The living room is large and features a colonial fireplace at one end, on each side of which are arched built-in bookcases. Arched doors open into the dining room, which has a large bay window on one side, and french doors lead onto a concrete terrace on the east. The house faces east, giving both large bedrooms a southeast exposure. The kitchen is the last word in modern convenience, with built-in cabinets on three walls. Large closets are a feature of the entire house. There are two large ones in the master bedroom, one of them cedar lined. In the hall are two large linen closets. The garage is built onto the house on the back, and has a covered passageway connecting it to the house proper.

Two other modern stucco homes, both five room bungalows have been recently constructed by L. A. Odum, and Miss Ida Joyner respectively. Both are completely modern and add greatly to the residential section of Stanton.

Among the homes recently remodeled is that of H. S. Blocker, who has added two rooms to his home, which was formerly a four room bungalow, and stuccoed the outside walls.

Business Men Asked To Attend Dinner

Affair At Moore

Still able to care for a few more reservations, Charles Frost, chairman of the good will committee, Saturday urged business men claim these places for the Tuesday evening dinner at Moore.

Frost anticipated approximately 50 men from Big Spring would go to Moore and have the men of that community as their guests.

Calvin Boykin, chamber of commerce president, will preside at the meeting and the program will be in charge of D. D. Douglass. Music will be furnished by the Moore string band and the West Texans, Rev. J. H. Haley, Colorado, will furnish entertainment with his feats of magic.

DEGREES WILL BE PRESENTED AT IOOF MEETING

Golden Rule and Royal Purple degrees will be presented in special ceremonies here Wednesday at 7:30 p. m. at the Big Spring campment of the L.O.O.F. lodge.

A. L. Honeycutt, Levelland, grand high priest, and W. D. Carroll, Comanche, past chief patriarch, grand lodge officers, will be here for the occasion and visitors are expected from San Angelo, Lubbock, Abilene, Sweetwater, and Midland.

R. W. Randolph, chief patriarch, will preside at the meeting.

Hardeman Offers Bill On College Entrance Tests

Herald Austin Bureau

AUSTIN, Feb. 4—The state superintendent would be authorized to hold college entrance tests for students in unaffiliated high schools under the provisions of a bill introduced in the house of representatives by Rep. Dorsey Hardeman of San Angelo.

Rep. Hardeman offered the measure at the request of patrons of the Moore school in Howard county and other unaffiliated schools. Under a ruling of the attorney general's department the state superintendent is blocked for making provision for such tests, and graduates of unaffiliated schools have no way to enter college.

The student would be charged a fee of not more than \$1 to take the examination. Revenues from such fees would be used to defray the cost of holding the tests, and would not have to be deposited in the state general revenue fund. However, expenditure of the money would have to be approved by the state auditor.

'MARCH' PLANNED FOR A CHANGE IN TRUCK STATUTE

CORPUS CHRISTI, Feb. 4 (AP)—The Corpus Christi chamber of commerce was seeking today to mobilize the state in favor of lifting the 7,000 pound truck load limit by the staging of a "truck load limit march" on Austin.

Jeff Bell, manager of the chamber, was in communication with all sections of the state in an attempt to create sentiment to start the march on the capital. He declared that the Texas Agricultural association, the Texas Farm league, the Texas Motor Transportation association, and chambers of commerce in all sections of the state have promised their support in staging the march.

COLD WEATHER HALTS THREAT OF FLOODS

CINCINNATI, Feb. 4 (AP)—The rich valley of the Ohio from Pittsburgh to Louisville, whose residents remember 1927's record flood, saw relief from the threat of a new inundation tonight as freezing temperatures stemmed flow of tributaries.

Predictions of fair weather throughout West Virginia, Ohio and Kentucky brought signs of flood abatement but the cold weather added to suffering of thousands. West Virginia listed three known dead and upwards of 1,000 homeless.

There and in Kentucky, landslides and high water blocked roads.
