#### FOOD MARKET REPORT

Spring has hit produce counters with strawberries from Louisiana, Mexico and California, excellent quality oranges bananas, avocados and pears.

Yellow squash, asparagus, cabbage, celery, carrots, radishes, new potatoes and corn are good selections this week.

Fryer chickens are featured in some markets at lower than usual prices. Shoppers should take advantage of the situation and stock up. Some markets will be featuring frozen turkeys at special prices this month.

Grade A large eggs offer the best combination of economy and quality at the egg counter. At retail meat counters, look

for best beef values on round steaks and roasts, short ribs. ground beef and arm and blade pot roast and steaks. Pork values include picnics, end cut loin roasts and chops and shoulder roasts and steaks.

in England was one held in 2iv A.D. at Netherby, Yorkshire.
