Just
Between
Us

Writing this week's article on McLean's Progress Report was truly satisfying.

Too many times we citizens — and taxpayers — are just a bit too hasty to wonder aloud where all that money we're kicking in is going. This Progress Report tells you in black and white, and we feel the money has been spent wisely, with the dollars stretched about as far as possible.

McLean is fortunate indeed to have a municipally owned gas system. Revenue from tax sources alone would not make possible the many improvements our town can boast of.

The vacant buildings downtown give every visitor the wrong impression when they first arrive. The structures, many of them eyesores, would make one think McLean is rapidly dying.

But we know better. And others do, too, after they drive through the city.

If the number of new gas and water connections is any indication — and they've got to be — then we're far from withering on the vine.

Like the man said — McLean probably will never boom into another Amarillo, but neither will it die. Not as long as we can continue to show the progress we now are.

Space and time wouldn't permit the publication of the complete Progress Report, but we attempted to pick out the meat of the statistics.

Like we said last week, nothing — but nothing — works right in this place without Eunice Stratton. Thus, we failed to get the News into your hands until Friday morning last week, and we are making every effort to go to press earlier this week, but it appears hopeless. Eunice is home from the hospital and learning to get around on crutches. It'll likely be awhile yet before she's able to get back in the saddle.

But we learned one thing from talking to her Monday — she's almost as eager to return as we are to have her back.

New Homecoming Officers Selected

The annual Alanreed Homecoming was held last Sunday in the Alanreed gymnasium.

L. H. Earthman, president, presented the program.

New officers elected were: President, W. O. Hommel; vice president, Mrs. E. R. Sherrill; secretary - treasurer, Mrs. Robert Bruce.

Among those presenting special music were Joyce Smith, Betty Anderson, Betty D. ...

Play School Slated For New Students

All children who will be eligible to enroll in the first grade this fall are invited to attend a play school starting next week at the grade school.

The class will begin Monday, June 19, and continue through Friday, June 23.

Activities to be included are a story hour, coloring and play periods. Light refreshments will be served.

The purpose of the school is to permit the children to become acquainted with the school building and grounds.

The summer homemaking class, under the direction of Mrs. Amos Page, will be in charge.

ICE CAP STATION: Personnel manning the new extension of the distant early warning (DEW) radar line across Greenland will be protected from the high winds and bitter cold by specially designed buildings using a large quantity of galvanized steel sheets. This is an architect's drawing of the new station. The buildings will house technical equipment, plus all the support facilities necessary for a complete base, such as barracks, officers quarters, mess hall, post exchange, infirmary, barber shop, recreation lounge, exercise room and steam bath.

Cubs Undefeated In League Play

Manager Harvey Taylor's Cubs possessed two victories in the same number of starts today as Little League action began this week in McLean.

The Cubs slammed the Cardinals 8-5 in the opening game Monday night, then walloped the Braves 10-4 Tuesday. The tough youngsters will sit on the sidelines Friday night as the Cards and Braves meet on the local Little League diamond west of Duncan Field.

Citizens Leave For FBLA Convention

Phyllis Flowers of McLean and the Texas team won fifth in the national FBLA spelling contest in Washington, D. C. It was learned here Thursday morning. The McLean chapter's project placed third.

Two McLean residents are in Washington, D. C., this week for the annual Future Business Leaders of America convention.

Phyllis Flowers, McLean High School student who won the state FBLA spelling contest early this spring, competed in the national spelling competition.

She was accompanied to the nation's capital by Mrs. Mary Tom Riley, MHS teacher and FBLA sponsor.

The local chapter's exhibit which won in the state convention also will be set up in Washington.

Eyeglasses Needed By Local Lions Club

A new appeal for eyeglasses was issued Wednesday by Jimmie Don Morris, president of the McLean Lions Club.

Morris said the glasses are being collected by the local club for shipment to India, and he asked local residents to make one last check around their homes.

Several pairs of glasses have been contributed to the club. Persons who desire may turn them in to Morris or at The McLean News office.

The Lions president said the glasses would be sent soon to India.

Coach Davis Enrolls At West Texas

CANYON—(Special)—Derral B. Davis, McLean High School coach, is attending the first summer session at West Texas State College. The first term ends July 7 and the second term begins July 11. Davis is a graduate student at a Pampa High School graduate, he earned his BS degree at General Beadle Teachers College in Madison, S. D.

Progress Report Indicates City Is Showing Growth

RAIN RETURNS; IN MCLEAN 2.3 INCH FALLS

Rain returned to McLean Thursday, but deposited only 2.3 inch on the already well soaked countryside — much to the satisfaction of farmers who have missed much work recently because of soggy weather.

The slow soaking showers Thursday pushed the total rainfall for this year to 11.14, surpassing the 1961 figure of 10.02 to the same date in 1960.

Thursday's rain started early, and continued into the afternoon. It did serve one useful purpose — the temperatures, which had been climbing toward the high 90's were suddenly dropped again.

Thursday's high and low readings are not available, however, and such records will not be kept here in the future.

Weather Observer Pete Fulbright said Thursday that the Weather Bureau had picked up the recording instruments and taken them to Arizona for a "special project."

Only rainfall records will now be kept by Fulbright.

The weather records for McLean the past week:

	High	Low	Precip.
Thursday	84	64	2.3
Friday	90	66	0
Saturday	88	65	0
Sunday	90	68	0
Monday	92	68	0
Tuesday	92	68	0
Wednesday		62	0

Age Limits Set For Alanreed Students

Children in the Alanreed school district who will be 6 years of age on or before Jan. 1, 1962, may enroll in the first grade this fall, if they successfully pass a readiness test, according to Supt. George Smith.

Parents of children affected by the ruling were invited to contact the superintendent or a member of the faculty.

Smith, who became superintendent of the Alanreed School last fall, has been re-hired for another year by the board of education. He currently is attending summer classes at Southwestern State College in Weatherford, Okla.

Chlorinator Installed

A chlorinator was installed to purify water from the city's well system in the 12-month period covered by the Progress Report, and the elevated tower also has been cleaned and painted.

McCartney said that expansion of service to water and gas customers west of the city also will be possible, with the installation of two conduits under SH 273. The conduits, placed under SH 273 during last fall's construction of the new highway, are located at Third and Sixth Streets.

Water and gas lines will be installed through the conduits when the demand warrants.

Approximately 660 feet of six-inch water line was installed during the past week. (See PROGRESS, Page 5)

Accomplishments Of Past Year Reviewed

McLean lost population in the 10-year period between 1950 and 1960, but there's every indication the city is growing now.

This was pointed out in the "Progress Report" which City Manager B. J. McCartney submitted recently to the city commission.

The report showed a net increase of 64 water customers and a gain of 84 gas customers in the year which ended on April 1.

Actually, there were 110 new water deposits and 134 new gas connections during the period. However the disconnects reduced the net gain to the 64 for water and 84 for gas.

In spite of the healthy increases, no new sources of gas or water have been required.

Plans for this summer call for cleaning out a water well behind city hall which has not been used for sometime, thus increasing the volume available.

Elimination of some 85 leaks in the gas lines has also increased the amount of gas available. McCartney pointed out that the leaks had resulted in the loss of 2.5 million cubic feet of gas per month.

Repair of the leaks has reduced the loss to approximately one-half million cubic feet per month.

To further improve service in the water department, the city manager said, "We are working on a program to put our water plant on an all-electric operation. Under present conditions, a man must be on constant watch when we are pumping water to fill our large tanks."

Electric operation of the plant would free the employee to work elsewhere.

A chlorinator was installed to purify water from the city's well system in the 12-month period covered by the Progress Report, and the elevated tower also has been cleaned and painted.

McCartney said that expansion of service to water and gas customers west of the city also will be possible, with the installation of two conduits under SH 273. The conduits, placed under SH 273 during last fall's construction of the new highway, are located at Third and Sixth Streets.

Water and gas lines will be installed through the conduits when the demand warrants.

Approximately 660 feet of six-inch water line was installed during the past week. (See PROGRESS, Page 5)

Funeral Rites Held For Mrs. Daniels

Funeral services for Mrs. Rosie Lee Daniels, 919 North Wheeler, were held Sunday in the First Baptist Church, with Rev. Dan Beltz, pastor, officiating.

Interment was in Hillcrest Cemetery, under the direction of Lamb Funeral Home.

Mrs. Daniels was killed last Thursday morning in an automobile accident 21 miles south of Lamar, Colo.

She was en route to Pueblo, Colo., when she apparently lost control of her car and the vehicle overturned. A son, Lloyd Shelton, who was with Mrs. Daniels at the time of the accident, escaped serious injury.

Mrs. Daniels, who operated the Harris House Cafe in McLean, was born on Sept. 21, 1906, in east Texas, but had lived here for a number of years.

She is survived by her husband, E. H.; five sons, Lloyd of McLean, Harvey Shelton, Greenville, Odes Shelton, Stinnett, Alvis Shelton, Arlington, and Billy Vick Shelton, Long Beach, Calif.; her mother, Mrs. Charley Darnell, Hedley; three brothers, Elmer Darnell, Berger, Pete Darnell, Clarendon, and H. L. Darnell, Hedley, and 11 grandchildren.

She is survived by her husband, E. H.; five sons, Lloyd of McLean, Harvey Shelton, Greenville, Odes Shelton, Stinnett, Alvis Shelton, Arlington, and Billy Vick Shelton, Long Beach, Calif.; her mother, Mrs. Charley Darnell, Hedley; three brothers, Elmer Darnell, Berger, Pete Darnell, Clarendon, and H. L. Darnell, Hedley, and 11 grandchildren.

Pat Miller Wins Degree at Socorro

SOCORRO, N. M.—(Special)—M. Pat Miller, son of Mrs. Elizabeth Miller, McLean, has received a bachelor of science degree in petroleum engineering at the 66th Institute of Mining and Technology.

Young Miller was a member of AIME and the Petroleum Club.

NEW PHONE DIRECTORIES ARE MAILED

McLean's new telephone directory was mailed to subscribers today, according to George Newberry, manager of Southwestern Bell Telephone Co.

Newberry said this year's directory has a white cover and contains eight white, or alphabetical pages, with more than 700 listings. The classified section — yellow pages — contains 16 pages.

The number of telephones in McLean showed an increase of seven over the past year.

Up to May 23

According to Newberry, more than 1,000 directories have been printed for distribution to telephone customers here. He also mentioned that extra copies were printed as replacements for those used in public telephone booths and other places where considerable use occurs.

Names of persons who had telephones as of May 23 are included in the new book.

Old directories should be thrown away as soon as the new issue arrives, the Southwestern Bell manager said.

However, out-of-town and frequently called numbers should be copied in the new directory before throwing the old book away, Newberry cautioned.

WATER REPORT IS RELEASED

An estimated 26 million acre-feet of water in underground storage in part of Gray County and Carson County represents this 1,400-square-mile area's principal water reserve, according to a bulletin just published by the State Board of Water Engineers.

Bulletin 6102, entitled "Geology and Ground-Water Resources of Carson County and part of Gray County, Texas," is the first progress report of an investigation of the geology and ground water resources which present supports large-scale agricultural and industrial operations in the central Texas Panhandle.

Prepared in cooperation with the U. S. Geological Survey and Ground Water Conservation District No. 3, south of the Canadian River, the bulletin is available for free distribution.

Persons desiring a copy should address their requests to the Board of Water Engineers office, P. O. Box 231, Capitol Station, Austin.

A. T. Long Jr. of the Geological Survey is the author.

Investigators found that the amount of ground water available for use in the area approximately equals the amount in storage, because of the slow rate of recharge in the Ogallala geological formation.

They recommended, however, that continuing studies made of the development of large-capacity wells and the amount of pumping to determine the decrease of ground water in storage.

The economy of this area was said to depend largely on ground water. About 64,000 acres, some 12 per cent of the irrigable land in the area, was irrigated from 252 wells in 1959.

Wells produced 25,000 acre-feet of irrigation water, an average of 136 acre-feet per year. The average depth of irrigation water applied in 1959 was .6 foot per acre.

An estimated 18 million acre-feet of the total water in underground storage is believed to be available for use.

TALK OVER RESULTS: Key leaders in the recent nationwide civil defense "Operation Alert 1961" confer on results of the annual training exercise to improve America's non-military readiness. Director Frank B. Ellis (seated) of the Office of Civil and Defense Mobilization who was in charge of the alert, receives a report from L. Berwyn Ullstrom, OCDM executive assistant.

SPEAKING OF CARDS

8 Rural Accidents Are Investigated

The Texas Highway Patrol investigated eight rural accidents on highways in Gray County during the month of May, according to Sgt. E. G. Albers, patrol supervisor for this area.

However, roads in the immediate vicinity of McLean continued to be accident-free.

The wrecks accounted for four persons injured and property damage of \$4,735.

This brings the total number of rural traffic crashes in the first five months of 1961 in Gray County to 53. Four persons have been killed, 36 injured and combined property damage amounted to \$23,329.

After noting the accident picture for this county in the first five months of the year, Sgt. Albers pointed out another significant fact.

As summer approaches with longer days and additional good driving weather, the driver should be especially aware of the danger period at dusk. Many accidents happen during this period.

One cause of this is the driver fails to turn on his lights soon enough.

Any time a driver cannot see an unlighted object approximately one-half mile away he should turn on his lights, the patrol explained.

To Meet in Borger

Final plans for attending the semi-annual circuit convention in Borger have been made by the local group of Jehovah's Witnesses, Daniel Katsanis, spokesman for the group, said here this week.

The three-day convention begins Friday, June 23, and will be held in the Aluminum Dome Coliseum, West Wilson Street, in Borger.

Upwards of 600 delegates are expected to attend, coming from parts of Kansas, Oklahoma and the Texas Panhandle.

CITIZENS OF TOMORROW: Becky Henley (left), 2-year-old daughter of Mr. and Mrs. Jerry L. Henley, and Dee Dee Meathonia, 22-month-old daughter of Mr. and Mrs. Kenneth Meathonia.

CARD OF THANKS

I wish to express my sincere appreciation to everyone who visited me, sent cards and expressed concern in various ways during my recent stay in Highland General Hospital.

Mrs. Oln Davis

Ed Clifton entered Highland General Hospital Monday to undergo major surgery.

PERSONALS

Mr. and Mrs. Gayle Mullanax visited Mr. and Mrs. Morris Mullanax over the weekend. They returned to Lubbock Sunday and moved to Galveston Tuesday, where he will continue his studies in medicine.

Margaret Patterson visited with Mr. and Mrs. Robert Daves in Skellytown last week.

Mr. and Mrs. Ernest Watson, Keith and Judy attended funeral services for Mrs. Watson's father, C. P. Davis, at Blackrock, Ark., Wednesday, June 7. Mr. Davis was 77 years of age.

Rev. and Mrs. J. B. Stewart visited their son, Johnny, who is working at Cedar Canyon Camp Monday of this week.

Thomas and John Keston of Enid, Okla., are visiting their grandparents, Mr. and Mrs. Elmo Whaley, this week.

Dick Andrews of Pampa visited Mr. and Mrs. J. L. Andrews Tuesday.

Mrs. J. V. Boyd and Mr. and Mrs. Wilson Boyd attended a Wilson-Curry Reunion at the Quartz Mountain Lodge near Altus, Okla. Mrs. J. V. Boyd's maiden name was Wilson and her mother was Curry. There were 100 guests and friends from seven states present.

Miss Sheryl Childers has returned to her home in Amarillo after a visit with her aunt, Mrs. T.A. Massay.

Mrs. Jesse Vast and daughter, Mrs. Bill Snell, of Albuquerque, N. M., were guests of Mrs. J. V. Boyd Wednesday.

Paul Massay of Amarillo visited with relatives and friends in McLean this week.

Mrs. J. W. Webb and her daughter, Mrs. Betty Webb, visited Mr. and Mrs. Clayton Peabody and Roy P. A. Peabody this week.

Pocket the Savings When You Paint With

LATEX "22"
RUBBER BASE WALL PAINT

Here's the special wall paint bargain for thrifty home decorators. Use on any interior painted or unpainted surface of plaster, wallboard, brick, wallpaper, unglazed tile or composition type material. Apply with brush or roller; easy to clean up with soap and water. Dries in less than one hour. No laps, no streaks or brush marks. Available in latest decorator colors.

Miss Campbell Is Honoree At Brunch

Mrs. Robert Darsey was hostess in her home in Matador at a brunch in honor of her niece, Miss Carroll Lynn Campbell, who is the bride-elect of James Allison of McLean.

The honoree's chosen colors of yellow and white were featured in the decorations and table appointments.

White Shasta daisies centered the dining table, which was laid with a yellow and white Mexican drawn-work cloth. Mantel decorations repeating the motif with hurricane lamps containing arrangements of acacia.

The hostess' gift was of china.

The bride-elect was the honoree at a housekeeping gadgets shower the afternoon of June 5 in the home of Miss Kay Rattan in Matador.

Hostesses were Misses Rattan, Geney Spray, Carolyn Pohl, Cheri Barton, Gwen Killingsworth and Donna Williams. Their gifts were waste baskets.

Guests were school friends of Miss Campbell's.

Pork Chops in Tomato Sauce Make Fine Company Meal

Tangy pork chops are perfect for informal entertaining. They're good to eat. Colorfully topped with a delicious sauce made of canned condensed tomato soup, and garnished with green pepper rings and lemon slices, they're a delight to both eye and palate. The sauce is as easy to fix as opening the soup can.

It makes the flavor of the chops a melody that harmonizes memorably with mashed potatoes, peas and mushroom saute, and crisp tossed salad. Apple turnovers make an elegant dessert for this company meal.

over low heat about 45 minutes, or until chops are tender, stirring now and then. (If desired, 4 onion slices may be substituted for lemon slices.) Makes 4 servings.

TANGY PORK CHOPS
4 pork chops (about 1 pound)
Dash black pepper
4 lemon slices
4 green pepper rings
1 can (10 1/2 ounces) condensed tomato soup

In skillet, brown chops on both sides; pour off drippings. Sprinkle chops with black pepper; place a lemon slice and green pepper ring on each. Pour soup over. Cover. Cook

PEAS AND MUSHROOMS
1 package (10 ounces) frozen peas
2 tablespoons butter
1 can (4 ounces) sliced mushrooms, drained
1/4 teaspoon marjoram

Cook peas, following package directions. Melt butter in small saucepan, add mushrooms and marjoram. Cook a few minutes to heat mushrooms. Pour over peas, mix gently. Makes 4 servings.

McCabe Family Has Reunion in Amarillo

The R. N. McCabe family met at the Thompson Park in Amarillo Sunday, June 4, for their annual reunion.

Attending were Mr. and Mrs. Jim Stevens and Jimmy, Mr. and Mrs. Arthur Boyd and 4 children, Robert McCabe, Mr. and Mrs. Ray McCabe of McLean; Mr. and Mrs. R. B. Jones and Marvin Jones, Mr. and Mrs. Adrian Hughes and children and Mrs. Elmer Gudgel of Amarillo; Mr. and Mrs. Olin McCabe and children of Texhoma, Okla.; Mr. and Mrs. Joe E. OUTDOOR COURT: This is the court, erected in a huge stadium, where the American basketball teams played top Soviet teams in Ibilisi, Russia. Several thousand fans were on hand for every game between the Americans and Russians.

Down Memory Lane

40 Years Ago

Mr. and Mrs. C. H. Rowe entertained a crowd of the younger folks at their country home last Friday evening in honor of the 14th birthday of their daughter, Miss Floye. The affair was a very pleasant surprise to the honoree, who knew nothing of it until the guests began to arrive.

After an enjoyable time spent in various games, delicious refreshments were served to the following:

Misses Flossie Jordan, Viola Back, Estelle Cooper, Verma Rice, Gladys Holloway, Sinclair and Lucile Rice, Versie Savage and Fern Upham; Messrs. Sammie and Erby Cubine, Vernon Rice, Hansel Christian, Marvin Davis, Dwight Upham, John B. Rice and Chester Savage.

After having been asked to do so by a number of citizens, City Marshal A. W. Haynes introduced a new traffic regulation in McLean Thursday, requiring all cars to park in the center of the street.

This is quite a novelty to the people of McLean, but the marshal says everybody is well pleased with it, and say it is more convenient than parking by the curb. There seems to be ample room in McLean streets for center parking, and with the cars away from the curb, one seldom finds the way obstructed when it is necessary to stop in front of a store to load or unload.

A small crowd of young people gathered at the home of Miss Julia Foster on Monday evening for an informal social evening, honoring Misses Oma Arnold and Lillian Abbott, who left the next day for Canyon.

Forty-two and crokinole were the order of the evening, and despite the threatening weather, part of the crowd stayed until a late hour, starting for home just in time to get caught in the storm which came about midnight. Outside of a good wetting, no one was hurt, and all report a splendid time.

The following were present: Misses Oma Arnold, Agnes and Lillian Abbott, Frankie Mat Upham, Eunice and Lucile Stratton; Messrs. T. J. Dostalik, B. I. Carpenter, Homer and Ernest Abbott and Sylvester Stratton.

20 Years Ago

Cliff Callahan celebrated his eighth birthday Wednesday with a party for his friends.

Attending were Benny and Dan Cooper, Clyde Mounce, Jimmie Jones, Jerry Bill Shadid and Leon Tipton.

The following officers were elected by the McLean Lions Club in regular meeting Tuesday:

Visting with Mr. and Mrs. Bill Stubbs over the weekend were her parents, Mr. and Mrs. J. W. Cook, of Lubock.

Visiting with Mrs. Sinclair Armstrong and Mrs. Lucile Gething over the weekend were Mrs. C. F. Hood and sons, Frederick and Morris, of Amarillo, Mrs. E. A. Jones of Baytown, Mrs. Beulah Whitlock of Temple and Mrs. Carl Hatter and Miss Allie Binns of Moody.

Mrs. W. E. Bogan visited over the weekend with Mr. and Mrs. Creed Bogan of Borger and little Marilyn Calloway of Dallas who is visiting in the Bogan home.

Mr. and Mrs. Ed Howard and Joe were in Amarillo Friday visting Mr. and Mrs. Ronay Howard and son, James Derek, who accompanied his grandparents home for a visit.

Debbie Cline, daughter of Mr. and Mrs. R. L. Cline, had a tonsillectomy at Worley Hospital in Pampa Saturday and is to return home today.

Kid McCoy was in Lawton, Okla., on business early this week.

Mr. and Mrs. Ollie Tindall and Linda have returned home from a vacation to east Texas. They visited with relatives in Fritz last weekend.

Mr. and Mrs. C. L. Halbert of Amarillo visited with Mr. and Mrs. Bill Stubbs Sunday.

Mrs. J. F. Shelton of Harlingen, mother of Jimmy Shelton, fell recently and broke her shoulder and leg. She is in the Valley Baptist Hospital in Harlingen.

Billy McCoy is visiting with the Kid McCoys this week.

PROGRESS

(Continued from Page 1)

the year to provide better distribution and fire protection for residents in the northwest part of town.

Land-Fill Planned

In the sanitation department, "the most modern kind of refuse disposal soon will be started in McLean," the city manager reported.

He said the sanitary land-fill method is to be started this summer, and the Gray County commissioners have agreed to permit the use of the county-owned bulldozer to dig the trenches at the dumpgrounds.

In sanitary land-fill refuse is buried in deep trenches, thus eliminating the unsightliness of a dumpground and doing away with breeding places for flies, mosquitoes and other insects.

The Progress Report stated that "McLean has much to boast about" in its street department.

75 Blocks Paved

The city now has 75 blocks of fully paved streets and 17 blocks of strip paving. Seal-coating of some streets has already been undertaken this spring, and more similar work is planned in the future.

Paving of the roads in Hillcrest Cemetery also was set for this spring, and a full-time employee has been hired to care for the cemetery and city parks in the summer months. New playground equipment, costing \$1,000, has been placed at City Park.

Termed "perhaps the greatest accomplishment of the year" was the budgeting for the first time of city funds. The budget went into effect on Oct. 1, 1960, the beginning of the fiscal year.

All houses in the city have been numbered and street name signs erected, and street, sewer, water and gas line maps have been prepared.

CARD OF THANKS

We wish to thank all our neighbors and friends for the many kindnesses shown us during my stay in the hospital. The cards, visits, calls, flowers and prayers were all appreciated very much. Our thanks go also to the doctor and nurses at the Shamrock Hospital.

'Survival' Classes Will Be Offered

A free program on "Personal and Family Preparedness for Survival" will be made available to all adults this year through the public schools.

The course for McLean and area residents will be held at Shamrock High School June 21-29 at 8 p. m., according to Supt. J. C. McClesky.

Qualified teachers from the Texas Education Agency will teach the civil defense classes.

The 12-hour course will cover such vital information as the effects of radioactive fallout; protective measures against tornadoes, fires, floods; heat and blast from hydrogen bombs, and personal and family planning.

The course is designed to teach individuals how to act intelligently in an emergency.

CARD OF THANKS

Words cannot express our sincere thanks and appreciation for all the food, flowers and kind words spoken to us in the time of our bereavement.
 The Ernest Watson Family

Mrs. W. M. Rhodes attended the homecoming at Alanreed Sunday.

New "Brilliant-Action" makes everything about typing faster . . . easier to do. Royal's "Finger Balanced" keyboard is tailored to the length and strength of your fingers . . . a far lighter touch than on other standard typewriters. Even the ribbon can be changed in seconds . . . with the new Royal Twin-Pak, the clean-'n' easy ribbon changer . . . your fingers never touch the ribbon.

Your choice of 5 new fashion-designer colors . . . at no extra charge. Get your new model today. And learn the full money-saving, morale-building story.

ONLY ROYAL HAS TWIN-PAK
 the clean-'n' easy ribbon changer that takes the dirty work out of ribbon changing!

The McLean News

Childhood in a refugee camp in the Near East is a grim struggle for food by the parents. The churches and other voluntary agencies help to supplement official rations. Beans, oil, milk, wheat and flour are some of the foods sent by CROP through Church World Service.

Personal

Miss Clara Anderson of Fort Worth visited Mr. and Mrs. Earl Eustace and other relatives last week.
