## 4 TIGERS ON ALL-DISTRICT TEAMS

**Just Between Us**  
by JBU

Getting the News off the press a day early this week is a downright satisfying accomplishment for us. But we're wondering if the shock won't be a little too much for some of our faithful readers.

Never have we seen such a large number of subscribers and over-the-counter buyers so eager to get their copies of a newspaper as there are in McLean.

And, you know, it's gratifying.

We hope you are getting the kind of newspaper you want. There is still plenty of room for improvement, we know. But as we get to know you better The McLean News will reflect that acquaintance.

So many persons have already graciously complimented our efforts. And that's just like kindling a fire under us.

More and more former subscribers who stopped taking the News months ago are putting their names back on our subscription list, which pleases us very much.

Of course, we've had a complaint or two, also. The thing that brings out the loudest yelps is when "Memory Lane" fails to get into the paper.

This has happened twice since we came here. We don't intend to let it happen again.

What we're leading up to is the fact that our first four months in McLean have been most enjoyable. We hope you'll let us stay for many years ahead.

Our hearty congratulations to McLean's two coaches—Derral Davis of the Tigers and R. L. Cline of the Cubs—and to their squads.

Davis felt like a tremendous load had been placed on his shoulders when he took over as head coach back in October. But he appears to have been able to carry it well enough.

Under his guidance the Tigers won two district games and finished up their season in a blaze of glory, after a dismal start.

Cline's tutoring enabled the Cubs to go through their third straight undefeated season, and thus bring home district trophy No. 3. Many of these same boys who have never known defeat will don Tiger

### Windom, Watson On Both Squads

Four McLean High School Tigers have won berths on the All-District 2-A football teams, while another local grinder received honorable mention.

McLean players named to the mythical defensive and offensive teams at a meeting of district coaches last week were:

Clyde Windom, Donnie Woods and Kenny Willingham. George Patton won honorable mention.

Windom and Watson were unanimous choices of the coaches for both teams. The former was selected as a linebacker on the defensive eleven and as offensive guard, while the latter is a halfback on both squads.

Woods is a corner linebacker on the defensive team and Willingham is offensive quarterback. Willingham shares this position with Bunky Adcock of Memphis.

District coaches decided to select two quarterbacks because of the outstanding performances of Willingham and Adcock in the 1960 season.

4 Are Juniors  
Tiger Coach Derral Davis said he was pleased that other district mentors should choose this many representatives from the local squad.

All of the honored players are juniors at McLean High, except Woods, who is a sophomore.

Windom, one of the workhorses of the Bengal team all season, was a defensive standout.

However, he saw considerable offensive action in the Tigers' early games when he was shifted to fullback while regular backfield players recuperated from injuries.

Leading Scorer  
Scoring ace of the squad, Watson was the local's top yard-gainer, too, as he performed at halfback.

Willingham suffered an arm injury in scrimmage before the season got underway and was forced to sit out the first several games.

But once recovered he gave the Tigers the experience they needed at the quarterback slot.

Woods also was shifted around because of injuries to other players at the start of the season, before finally being able to settle down to his regular end position.

In Backfield  
He worked at quarterback and halfback in the early contests.

Ineligible to play until Oct. 2, Patton added speed and stamina to the backfield after he finally was permitted to don a Tiger uniform.

The hard-charging junior saw full-time duty at fullback in games since Oct. 2.

Coaches made their selections early last week in a meeting of Canadian, but the all-district teams could not be announced—because of a district ruling—until after the 2-A representative was eliminated from the state playoffs.

The Lefors Pirates, the district champions, were defeated by Sinnott in the bi-district game last Friday night at Pampa.

Following are the all-district players as selected by the coaches:

DEFENSIVE TEAM  
Middle guard—Jimmy Fields, No. 41, Lefors.

Tackles—Ernest Wilson, 73, Memphis; Kenneth Fields, 75, Lefors; Ends—Dee Miller, 63, Memphis; James Blair, 84, Lefors.

Linebackers—Clyde Windom, 33, McLean; Sparky Echols, 88, Canadian.

Corner linebackers—Donnie Woods, 20, McLean; Lucy Montgomery, 41, Memphis.

Halfbacks—Terry Brown, 22, Canadian; Jim Watson, 25, McLean.

OFFENSIVE TEAM  
Center—Ronnie Tyra, 42, Lefors.

Guards—Wayne Timms, 64, Lefors; Clyde Windom, 33, McLean.

Tackles—Ernest Wilson, 73, Memphis. (See TIGERS, Page 4)

### JUNIORS GET STRONG START

McLean's Junior High Cubs and Junior Tigerettes split a pair of games at Wheeler Monday night in their second outings in the new basketball season.

The Junior Tigerettes clipped the hosts 19-17 in a close battle, while the Cubs fell, 34-14.

Both local squads had been victorious in the season-opening contests here last Thursday night, with Canadian—the boys winning 22-11 and the girls 25-18.

Jan Bailey flipped in nine points during the evening to lead the Tigerettes in the scoring department, while D. Ford and Beaty paced Wheeler with six points each.

6-5 at Quartertime  
Sharon Goldston scored six and Sandy McDowell four for McLean.

The Junior Tigerettes held a 6-5 lead at the end of the first quarter, but Wheeler pulled into a 12-12 tie at halftime. McLean opened the margin to 17-12 after three periods.

Dickie Crockett tallied six points for the Cubs, but Wheeler's Wallace counted 16 to take scoring honors in the game.

Other McLean scorers included Jim Parrish and Dean Tate with

### Three Arrested In County Burglaries

Three men have been accused of last month's McLean and Lefors school burglaries and in another break-in at Pampa.

Sheriff Rufe Jordan announced the arrest of Bobby Thompson, 27, and Morice Roberts, 26, both of Pampa, and Charles Edward Norman, 28, of Hobbs, N. M.

Roberts and Thompson were arraigned in justice of the peace court at Pampa Tuesday afternoon, while Norman was to be returned to Pampa from Clarendon today.

Roberts reportedly has confessed to breaking into the McLean and Lefors High Schools in October and to burglarizing a Pampa lumber company.

More than \$400 was taken from a safe in the Lefors school, but the loss at McLean amounted to some \$150 in cash and a large number of postage stamps.

### Tigers and Tigerettes Lose Their Openers

White Deer handed a double defeat to the McLean Tigers and Tigerettes Tuesday night in the opening games of the 1960-61 basketball season.

The Bengals were clipped 52-45, while the Tigerettes fell 54-26.

Three straight home games are on the locals' schedule next week. They meet Miami here Monday, Groom the following night and Quail on Friday.

The girls will kickoff each evening at 7 p. m.

Both the Tigers and Tigerettes are coached by Derral Davis.

The McLean girls fell behind in the first period and were never able to catch the hard-playing White Deer sextet.

At the end of the opening quarter, White Deer was in front 11-7 and at halftime the score was 30-12. After three periods the hosts led 33-21.

Cindy Rice Scores  
Cindy Rice was top point-producer for McLean with 11, but Helen Smith was close behind with 10. Judy Wyatt had four.

Kay Allen of White Deer was high scorer for the night with 15. Donnie Woods tossed in 13 points to lead the Tigers in the nightcap, while Jim Watson had 12 and Kenny Willingham 11.

Scoring honors in the boys game, however, went to White Deer's Lester, who had 15.

McLean moved into an 8-5 lead in the first period but were behind 16-15 at intermission. White Deer had an advantage of 34-30 after

### Wheeler to Dedicate Memorial Hospital

WHEELER—(Special)—The Harold E. Nicholson M. D. Memorial Hospital will be dedicated here Sunday afternoon, with Earl Rudder, Texas A and M College, the principal speaker.

The program is scheduled at 2 p. m. in the Wheeler High School gymnasium.

In operation for several years as the Wheeler Hospital, the institution is being changed in memory of Dr. Harold E. Nicholson Jr., local physician who died of a heart attack last May 31.

Dr. Nicholson's father, 71-year-old Dr. Harold E. Nicholson Sr., has appointed a board of trustees to direct the hospital's operation. The elder doctor has practiced medicine in Wheeler for several years.

Profit from the hospital's operation will go to the Texas A and M Development Fund and the Baylor University Medical College Alumni Association to enable needy students to attend college.

Both the late Dr. Nicholson and his father attended Baylor and Texas A and M.

### Local Students Win Offices in FBLA

CLARENDON—(Special)—Two McLean students have been elected to offices in the Clarendon Junior College Future Business Leaders of America chapter.

Phyllis Hancock is secretary-treasurer and Jack Bailey is reporter for the organization here.

They are among six McLean students attending Clarendon J.C. Others include James Harrison, Jerry Goldston, O. K. Lee and Claude Hendricks.

### Petty Injured In Accident at Ranch

Luther Petty, McLean, was injured Monday morning when a portable chute being used in the branding and deboning of cattle topple on top of him.

He received a severe knee injury and other cuts and bruises. The chute turned, with a large calf inside, turned over, pinning Petty to the ground, while he, Mrs. Petty and Clyde Willis were branding and deboning calves.

### MD CAMPAIGN NETS \$395

McLean firemen had collected \$395.65 in the annual Muscular Dystrophy fund campaign through Monday, and Fire Chief Boyd Mendor invited other residents interested in contributing to contact him.

A total of \$373 was contributed as firemen conducted their house-to-house drive last Thursday night, and the remainder has been received by individual gifts since that time.

Still to be counted in the total is money in the several muscular dystrophy containers placed about the city.

### Better Than Last Year

Mendor, who indicated firemen were well pleased with the results, expects the final total to exceed the \$401 collected in the campaign here last year.

The containers will be picked up probably at the end of this week.

The fire chief said that firemen will continue to pick up contributions if persons desiring to give will contact him.

### Rites Held Tuesday For Mrs. McAnear

Last rites were held Tuesday for Mrs. Charles McAnear, formerly of Alancree, who died last Saturday in Abilene.

Mrs. McAnear, the former Marilyn Herndon, was the daughter of Rev. and Mrs. J. I. Herndon of Spearman, former residents of Alancree.

Funeral services were held at View Baptist Church in Abilene Tuesday morning, with Rev. Thomas Lawrence officiating. Graveside rites were in Citizens Cemetery at Clarendon Tuesday afternoon, conducted by Rev. Howard Lyon of the Tascosa Baptist Church in Amarillo.

She was married to Charles McAnear of Abilene last Oct. 8, and they were living in Abilene where he is a student at Hardin-Simmons University.

Mrs. McAnear, aged 21, was graduated from McLean High School in 1958.

In addition to her parents and husband, Mrs. McAnear is survived by one brother, Gary Herndon of Cactus, and her grandparents, Mr. and Mrs. C. Q. Herndon, Stephenville.

### James Andrews Solos in Navy Flight Training

Navy Ensign James D. Andrews, son of Mr. and Mrs. Clyde H. Andrews, McLean, has made his first solo airplane flight at Saufley Field Naval Auxiliary Air Station.

He is now receiving instruction in aerobatics.

Ensign Andrews entered the Navy last May and is training to become a heavy aircraft pilot.

A 1955 graduate of McLean High School, he received his degree from Southern Methodist University in Dallas last February.

Following his graduation from high school, Andrews attended the Roswell, N. M., Military Institute for two years before entering SMU.

### Rev. Beltz Receives Call From Baptists

Rev. Dan Beltz, Oklahoma City, has been asked to become pastor of the McLean First Baptist Church.

The local Baptist congregation voted last Sunday night to offer the position to Rev. Beltz after he had preached at the morning and evening worship services.

The minister's decision had not been learned here today.

Rev. Beltz is pastor of the Wilmot Baptist Church in Oklahoma City. He formerly served the Lefors Baptist Church.

Rev. Jesse R. Leonard, former McLean Baptist minister, left here last week to become pastor of a church in Bonham. He had served the local church for almost four years.

### Josh Chilton Suffers Two Heart Attacks

Josh Chilton, McLean carpenter, was reported in satisfactory condition early this week after suffering two heart attacks.

Chilton, who lives east of town, was stricken with the first seizure on Nov. 13 and the second the following day.

He was admitted to St. Anthony's Hospital in Amarillo on Nov. 15.

Chilton's family said that he is "as well as can be expected."

## Down Memory Lane

### 10 Years Ago

In an informal ceremony on Friday evening, Nov. 10, Ina Lee Crowell, daughter of Mr. and Mrs. Oran Crowell of Canyon, became the bride of James Louis Cooke, son of Mrs. Vita Cooke of McLean.

Rev. E. J. Speegle of Bovina read the double-ring ceremony in the home of the bride's parents.

Miss Ruth Ann Crowell of Canyon attended her sister as maid-of-honor. Candlelighters were Dorothy Carter of Canyon and Nancy Gamble of Lubbock. Chester Goughly of McLean was best man.

Following the ceremony, the bridal party was honored at a reception.

The bridal couple will be at home in Lubbock.

Mrs. Vita Cooke, Theo Heasley and Mr. and Mrs. Peb Everett of McLean attended the wedding.

The McLean chapter of Future Homemakers of America met in the home of Donna and June Stubblefield Monday night, Nov. 13. Co-hostesses were Sue Glass and Pat Shelton.

The meeting was opened with the roll call by the secretary, Wilma McIlroy, who also was in charge of the program for the evening.

Refreshments were served to Mrs. Sue Lynn Huskey, chapter sponsor; Mrs. Evelyn Stubblefield, LaVerne Williams, Sue Lively, June Stubblefield, Pat Shelton, Betty Jo Patterson, Bettie Manthorpe, Wilma McIlroy, Texetta McCurley, Pat Lowary, Sue Glass, Dorothy Jolly, Mary Graham, Ann Cooper, Floella Cahine, Colleen Crockett, Dortha Chase, Joyce Bruner, Margaret Biggers, Barbara Beck, Shirley Allison and Iva Mae Adams.

### 20 Years Ago

Miss Eula Fay Foster of McLean has been selected as one of the three beauties of the senior class at West Texas State College.

Her photograph will be prominently displayed in LeMirage, the college yearbook, and she will be a member of the beauty court at coronation of the college personality queen.

Miss Foster, daughter of Mr. and

Miss Nona Cousins entertained the young folks at her home two miles north of town last Friday evening. The time was very pleasantly spent in playing forty-two.

Delicious refreshments of cake and hot chocolate were served to the following guests: Misses Oma Arnold, Loene Stanfield, Lois Foster, Frankie Mae Upham, Laura Hill, Eunice and Lucile Stratton and Beulah Tucker; Messrs. Naylor, Henry Kinard, B. L. Carpenter, Reuel Shell and Homer Abbott.

The Presbyterian Ladies Aid met with Grandmas Hefner on Wednesday of last week. The dinner was delicious, as usual, and the social feature of the meeting was all that could be desired. They also made a quilt. The next meeting will be with Mrs. C. S. Rice on Wednesday, Dec. 1.

Mrs. S. H. Bundy and little son of Hammon, Okla., came in Saturday for a visit with Mrs. Ross Biggers and other relatives.

Mr. and Mrs. D. L. Abbott, Rev. and Mrs. A. F. Agae and Mrs. E. L. Minix returned from El Paso Tuesday night.

**In "our town"**

Seems the neighborhood pharmacist has become quite a literary character, popping up in books, short stories, movies—even as narrator in a classic American play. Perhaps it's because we're characteristic of neighborhood businessmen. Since you stop in often, our store is a friendly meeting place. Matter of fact, many of you are old friends with whom we talk "family" as often as "shop." We're proud of this part we play in community life.

**Brown's**

Mrs. N. W. Foster, is studying secondary education. She was among the beauty queens of last year's junior class.

Charles E. Cooke, James Emmett Cooke, Ruel Smith, Bert Smith and J. T. Hicks have returned from an elk hunt in the Jackson Hole country in Wyoming.

The hunters killed five elk, dressing 3,000 pounds of meat. They were in Wyoming when last week's blizzard struck, the mercury dropping to 25 degrees below zero, with snow waist deep before they left the hunting grounds.

Mrs. C. S. Rice was hostess to the 1934 Sewing Club last Friday for an all-day meeting and covered dish luncheon.

Visitors were Mrs. Scott Johnson, Mrs. J. A. Sparks and Mrs. John B. Vannoy.

The next meeting will be in the afternoon on Dec. 6, with Mrs. J. M. Noel.

Mr. and Mrs. Bob Barnett of Altus, Okla., visited the lady's mother, Mrs. Callie Haynes, over the weekend.

### 40 Years Ago

C. C. Cook is wearing a badly damaged chin and W. H. Peters was decorated with a black eye as the result of blows received early this week. As yet no complaints have been filed in the justice court, according to Judge T. A. Landers.

While cranking his flivver on Monday, Mr. Cook received his injury, the car kicking rather vigorously.

Mr. Peters was handling a shotgun in a way that shotguns should not be handled when he got the black eye.

Miss Nona Cousins entertained the young folks at her home two miles north of town last Friday evening. The time was very pleasantly spent in playing forty-two.

## SOIL TESTING LABORATORY IS NOW IN OPERATION AT LUBBOCK

The new Agricultural Extension Service laboratory headquarters at Lubbock to concentrate on west Texas fertility problems will make soil tests of even greater value to Gray County farmers, according to County Agent Foster Whaley.

Whaley announced this week that the new laboratory is now in operation to serve local and area farmers.

Containers for mailing soil samples and instructions for taking the samples will be placed by Whaley at the Williams Feed and Seed Co. in McLean for the convenience of local farmers.

The wise use of commercial fertilizer reduces production costs and boosts net profit, according to Whaley and area farmers cooperating with agricultural agents in numerous field demonstrations.

In the picture panel at left above, Parker Buford (left) Lubbock County farmer, and Assistant County Agent Nathan Boardman report results of fertilizing cotton according to laboratory recommendations.

The cotton at left was fertilized with 55 pounds of nitrogen, 60 pounds of phosphorous and no potash (55-60-0) per acre before planting. The check plot at right received no fertilizer, otherwise all treatments were identical, including tillage operations and three irrigations.

The fertilized cotton produced 3,480 pounds of seed cotton per acre, while the check plot produced only 3,020 pounds. This amounted to an increase of 101.2 pounds of lint in favor of the fertilized plot, an additional net return of \$19.30 per acre.

In the center panel, a 3 1/2-acre field of Midland Bermudagrass is like money in the bank to R. W. Horton, who farms near Meadow in Terry County.

### WORTH A MONTH OF SUNDAYS

Czech citizens of Texas have provided our state with one of the most interesting and reverently beautiful spots to be found in the entire country.

At their village of Hostyn they have constructed a rock and stone duplicate of the Grotto of Lourdes, just as it is found in France.

Hostyn is located in Fayette County, just six miles south of La Grange, in central south Texas.

Nestled atop a hill, the grotto and numerous chapels, monuments and statues of marble, rock and granite encircle a church.

Some tourists have been heard to respectfully comment that the visit to Hostyn was "worth a month of Sundays." It is truly a beautiful area to behold. We should be glad it's in Texas.

The community club was discussing the establishment of a new youth center. As usual one young matron was critical of the other members. She accused them of clinging to old-fashioned customs and old-fashioned ideas. "Our youth center ought to be run by a young person," she declared, "someone young enough to know what the teenagers really want to do."

"And old enough," said one of the older women dryly, "to see that they don't do it."

We are old enough to know that you want good service from your car—and we are here to see that you get it when you patronize our station. Drive in today.

Wheeler held a 6-2 lead as the opening period ended and was in front 17-6 at the half and 26-10 after three quarters.

**Parrish Gets 10**  
Parrish's 10-point total was the best individual effort of the evening in the Canadian game. Tate had one; Johnny Fuller, one; Joe Magee, two, and Eddy Windom, two.

The Cubs held Canadian scoreless in the second half after leading 12-11 at intermission.

McLean's girls also had things pretty much their way against Canadian, pressing to a 15-7 half-time advantage and coasting on to victory after that.

Miss Goldston sacked up 11 points and led the Tigerettes' effort. But Canadian's Hext had 14 for the evening and was top scorer.

Miss Bailey had 10 and Miss McDowell four.

## WALTER ROGERS REPORTS

### THE MANDATE OF THE PEOPLE

On Nov. 8, 1960, the people of the United States exercised their right of franchise, a right enjoyed by very few people throughout the world; a right indispensable to the preservation of a free government by law rather than by man; a right, the proper exercise of which is the keystone of democracy.

The result of the exercise of that right by well over 60 million Americans is indicative of many things. Pollsters, lawyers, editorial writers, columnists, optical experts and others will be analyzing that vote for many months and years to come.

These analyses will produce as many meanings attributed to the votes and the voters as the number of people who undertake to treat the subject. Many will say that the system in this country is wrong, that it is unfair, that it does not permit the true reflection of the feeling of the majority of the people.

Others will say that the system should be retained as the most perfect system yet devised by man. The electoral college method of electing a President has been under fire for a long time. Many attempts have been made to change it, but none have been successful.

No doubt other attempts will be made in the future, near and far, but I seriously doubt that the system will be changed until there is definite proof that an alternative is better.

I would like to submit my feeling as to the real meaning of what happened on Nov. 8, 1960. In my opinion the most significant fact was the closeness of the election, regardless of who won. It reflected the wealth of strength in the democratic process and it contained a mandate from the people to the elected officials that should and must be honored.

The people said, in effect, that they want a balanced, sound and honest government, free of extremist policies in either the direction of statism or monopolism, properly tempered so that the fullest strength can be realized.

The people of this country from all walks of life: the farmer, the laborer, the professional, the housewife, the corporate represent-

ative, the butcher, the baker and the candlestick maker, all spoke to make up the one voice that constituted the voice of the people.

To all who would hear, that voice had the same clear, rich tones of the voice in 1787 that said to the world:

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of liberty to ourselves and our Posterity, do ordain and establish this CONSTITUTION for the United States of America."

## ASSOCIATION BAPTISTS TO MEET DEC. 5

Rev. Tom Z. Parrish, vice president of development services at Wayland Baptist College, will speak at the North Fork Baptist Association's "M Night" meeting Church Dec. 5.

Rev. M. E. Wyatt, pastor of the Shamrock First Baptist Church and association moderator, said this week that the Women's Missionary Union and executive board will open the gathering with a meet-

ing at 7 p. m.

At 7:45 p. m. a large number of Baptists are expected to meet in the church auditorium for worship and inspiration under the leadership of the Training Union. Many churches in the association have adopted attendance goals and a record-breaking crowd is expected.

Special features of the evening include demonstrations of work-memory work by the Shamrock First Baptist juniors; sword drill (use of the Bible), Wellington First Baptist intermediates; better speech, Kellerville First Baptist young people.

A music-youth choir will be led by Joe Hawn, Baptist pastor in Quail.

Rev. Parrish, principal speaker of the evening, is a graduate of Stephen F. Austin College, the University of Texas Law School and Southwestern Baptist Theological Seminary.

Since joining the Wayland staff he has served as interim pastor of several churches in the Panhandles Plains area. He is a popular speaker before brotherhood and civic groups for his homespun philosophy, and is currently president of District 9 Brotherhood.

Margie Railsback was taken to the Groom Hospital with an infected ear Saturday night. She is at home now and is feeling much better.

John S. Coleman, president Detroit Chamber of Commerce: The point to remember is that what the government gives, it must first take away.

(Soil Conservation Service Photo)

## GOOD RANGE MANAGEMENT IS KEY TO INCREASED PROFITS

The margin of profit or loss is usually dependent upon the type of management given.

This is true for ranchers as it is for any other business.

A high-producing ranch will sell more pounds of beef than a low-producing one; the measure of production, then, is in terms of pounds of beef per acre.

According to the Soil Conservation Service, good management will aim toward developing the range grasses into a high state of vigor by:

- Removing unnecessary competition, such as woody plants.
- Seeding good grasses in suitable locations.
- Eliminating overgrazed areas by developing additional water facilities or by the placement of salt.
- Chiseling, furrowing or pitting areas when normal rainfall tends to run off, yet the soil is otherwise capable of growing good grass.
- Developing a system of grazing with the proper number and class of livestock.

Former Ford Production Chief Charles Sorenson. It isn't the incompetent who destroy an organization. The incompetent never get in a position to destroy it. It is those who have achieved something and want to rest upon their achievements who are forever clogging things up.

Much of the good work of the world has been that of dull people who have done their best.—Sen. George F. Hoar, quoted by Helen Keller in *Out of the Dark*

A conservation plan should be the basis for the need treatment, according to SCS. A plan is developed following a survey of the land on the ranch.

A range site and condition survey is made on rangeland which will show the general condition of all sites found on the ranch.

The major grasses, woody plants and perennial forbs will be shown and will form the basis for range management practices.

Ranchers need to learn the growth habits and characteristics of the important native plants. After a knowledge is obtained the rancher will know how long a period of deferment from grazing is needed, and by watching his better plants he will note the improvement being made.

Range improvement will result when the desirable grasses are used properly and given timely rest periods. Proper use of range grasses is accomplished when no more than 50 per cent of the annual growth, on a weight basis, has been grazed by livestock during the grazing season.

A good cover of grass is needed in the land for protection of the soil, SCS technicians pointed out. During the winter the cover will hold blowing snow and thus increase the moisture supply.

In the spring and summer cover is needed to hold rainfall and prevent rapid evaporation. Additional grass will result from a good range plan and provide a higher net return from the ranch.

Gray County SCS personnel in Pampa invited ranchers interested in improving their rangeland to contact them.

## Dillard New District Manager for Bell

D. D. Dillard has been appointed manager for the Amarillo district of the Southwestern Bell Telephone Co., according to an announcement made by John Whitcomb, division manager at Lubbock.

Dillard succeeds A. O. Thomas who held that position for the past 23 years. Thomas has been appointed personnel development supervisor for the company at Dallas.

Dillard began his telephone career in 1945 with the company in Oklahoma City. He was appointed manager in Muskogee, Okla., in 1949.

He was transferred to Midland in 1953 and to Lubbock later the same year, serving as manager in each town. He was promoted to district manager at Abilene in 1955, the position he held until his appointment at Amarillo.

## Lefors Airman at Norfolk Air Station

NORFOLK, Va.—(Special)—James E. Trapp, Navy airman from Lefors, is serving with Air Anti-Submarine Squadron 36 at the Naval Air Station, Norfolk, Va.

The squadron is training with the Grumman SF-3 "Tracker," a twin-engine aircraft which seeks out and destroys enemy submarines.

Upon completion of training, the squadron is scheduled to return to the anti-submarine warfare support aircraft carrier USS Randolph.

Only twice has a presidential election been thrown into the House of Representatives because no candidate received a majority of electoral votes. That was in 1800, when Jefferson won, and in 1824, when John Quincy Adams was elected, reports World Book Encyclopedia.

Assets of the nation's farmers amount to \$203 billion, about equal to the value of all stocks listed on the New York Stock Exchange.

## TEACHERS TO BE ADDRESSED BY STURGEON

L. P. Sturgeon, director of the Texas State Teachers Association public relations division, will speak Dec. 5 at a dinner meeting of the TSTA's Gray-Roberts County unit in Pampa.

Mrs. Jack Riley, McLean High School teacher and vice president of the unit, is in charge of the program, to be held in the Pampa High School cafeteria at 7 p. m.

Mrs. Riley said that 300 teachers, administrators and their husbands and wives are expected to attend the Dec. 5 session, one of three unit meetings planned during this school term.

Purpose of the gatherings is to help develop a stronger unit, Mrs. Riley said.

Westall Altmeiller, principal of Travis Elementary School in Pampa, is unit president.

In addition to McLean and Pampa, towns in the Gray-Roberts unit include Lefors, Alanreed, Miami, Hopkins and Grandview.

Well known throughout Texas, Sturgeon has been in virtually all phases of public school work. He served as classroom teacher, coach, high school principal, superintendent and associate commissioner of education with the Texas Education Agency.

Sturgeon first went to Austin in 1949 as director of the minimum foundation program in the state auditor's office.

In 1950 he was appointed associate commissioner of education with TEA and continued in that position until 1954, when he assumed the duties of director of public relations for TSTA.

He is a graduate of East Texas State College, where he received his bachelor of arts and master of arts degrees. Sturgeon also has done graduate work at the University of Texas.

## MASS GRAVE AT LEANDER

The terrible story of the Webster Massacre is now written in stone above its victims, in a cemetery at Leander, in Williamson County, north of Austin.

In 1839 the Comanche Indians attacked John Webster and his party of about 30 settlers. They were trapped by the Indians in the open prairie after attempting to escape under darkness.

Mrs. Webster and her two children were imprisoned, but all others were killed.

Victims were buried in one box, about the size of a wagon body. Their remains are still there.

## Hunting Season Is In Full Swing All Across the State

AUSTIN—(Special)—The Texas hunting season now is in full swing with practically all species available to the gun, according to H. D. Dodgen, executive secretary of the Game and Fish Commission.

Deer and turkey seasons opened in most areas Nov. 16. Duck season previously had opened Nov. 11, and goose season on Oct. 26.

Quail season also is in progress in all of the Trans-Pecos counties, and in several others in the state. Quail season will open in the Possum Kingdom area Nov. 24 and in the remainder of the state Dec. 1.

Although the dove season in the north zone ended Oct. 30, it will remain open in the south zone through Dec. 5. Most of the south zone area reports a bountiful supply, but with deer and turkey season open most of the hunters are turning to the larger game.

Although hunters report seeing many ducks and geese, warm weather has been a barrier to successful hunting in many areas. There hasn't been enough cold weather as yet to bring them down to decoys, and there is so much water on the ground both the ducks and geese are badly scattered.

A number of seasonal wardens have been added over the state, and every effort will be made to reduce illegal kills, according to Dodgen.

## TELEPHONE TALK

### VOICE FOR THE VOICELESS

Last month in Telephone Talk I mentioned the successful launching of Echo, the communication satellite in orbit 1,000 miles above the earth.

Now I have news of still another product of communications research. It's a new artificial larynx to help people with impaired vocal chords to speak again.

This electronic larynx is really a "new voice" for people who have lost the use of their vocal chords. When held against the throat, this 7-ounce device (looks something like a flashlight) replaces the vibrations of normal vocal chords to produce speech. It is being offered on a non-profit basis.

In an age of great scientific achievements such as space satellite communications, the Bell solar battery and transistors (all pioneered by Bell scientists), it's reassuring to know that telephone research has not overlooked human needs in the search for better communications services.

### HOW ABOUT A FAMILY HARVEST?

Have you noticed the changes being made in the food markets lately? It seems to me that it is much easier to find certain items—fresh or frozen turkeys, pumpkins, cranberries, chestnuts and other Thanksgiving treats.

It looks like some of the biggest Fall harvests in McLean will be made around the dining room table. That's true in more ways than one. Because, in addition to the good things to eat and share, Thanksgiving has always been a great family day.

If all of your family live in McLean, it's usually a simple matter to get together for Thanksgiving. If your family is scattered in different parts of the country, you can still "get together"—by telephone.

The cost is low, and if you place your long distance call station-to-station, instead of person-to-person, you can save one-third. Rates are even lower if you call after 6 p. m.

Why not plan to call and make this Thanksgiving a "family harvest?"

### SCIENCE SHOW ON TELEVISION

In addition to the Telephone Hour, which brings you top artists in the field of music every other Friday evening on Channel 4 at 8 p. m., I'd like to remind you of our new science program.

The first of the new series, "Thread of Life," tells the story of how we inherit our many and varied characteristics. This 60 minute color program will be Friday, December 9, on Channel 4 at 8 p. m. I hope you'll be watching.

Call by number. It's twice as fast.

**Hairstyling Feature Of Program For Art and Civic Club**

The Art and Civic Club met in the Civic Center Tuesday night for a program on hairstyling, under the direction of Mrs. Alex Swenn, program leader for the evening.

Mrs. Gladys M. Davies of the Pampa College of Hairdressing, was introduced by Mrs. Swenn. Mrs. Davies is the owner of the Amarillo School of Hairdressing as well as the Pampa College, and has been a resident of the U. S. for only about two years, having come here from England.

She compared hair styles of the U. S. to those of England during her talk and demonstrations.

Using two models, Misses Johnny Barnett and Patsy Smith, she set their hair in high fashion and in vivid color, stating: "You are out of style if you don't use a color. Most of the colors are temporary. All hairdos follow a trend which is decided by the national hairstyling group, consisting of six basic ones, usually picked about six months before being presented throughout the nation.

"Cutting is the basis for all hair styles," she went on to say. Mrs. A. E. McQuerry, an instructor in the college, conducted a question and answer period for the guests and members present.

Mrs. Babe Hall, president, presided over the meeting. It was agreed to hold the Christmas bazaar on Dec. 10 in the Civic Center.

The annual Christmas box sent to the State Hospital at Wichita Falls will be sent again this year, it was decided.

The next meeting will be on Nov. 29, with Miss Norma Lantz as leader of the program on "Finland."

Mrs. Raymond Jordan, Keith Geisler and W. B. McEee were joint hostesses for the evening and served refreshments.

Guests present were Mrs. Jay Wiggins, Jeff Bradley, E. A. Bryant, Jack Pool, Boyd Beck, Bell Cole, Arthur Hammer, Jeff Davis, Weldon Moore, Gladys Pafford and Miss Nancy Jordan.

Members present other than those mentioned were Mrs. Earl Atkinson, R. H. Barran, Fred Blackwell, J. E. Carter, Ray Chastain, Bud Cumberledge, Charles Glissen, C. H. Gustin, G. N. Mounger, C. C. Mullins, L. R. Spence, B. J. Thacker, Bill Watson, Paul Walden and Miss Mickey Johnson.

**WMU Circles Hold Weekly Studies**

The Women's Missionary Union circles met Tuesday for their weekly studies, the circle program, "Woman's Witness," being used for study in the Lottie Moon and Blanche Groves circles.

It was decided by the Lottie Moon circle to fix Thanksgiving baskets for two elderly people. Mrs. Earhart was hostess to the circle, with Mrs. Jake Leggett bringing the study of the day.

Open prayer was led by Mrs. J. L. Lockard, with Mrs. J. D. Halley conducting the business meeting. Also present were Mrs. Roy Howard, W. E. Dumas, J. F. Morris and Alvin Cates.

Mrs. C. H. Butrum was hostess to the Blanche Groves circle, with Mrs. R. N. Cypress, Mrs. J. V. Guthrie and the hostess conducting the program.

Mrs. Johnny Taylor read the prayer calendar and offered prayer for missionaries. Refreshments were served. Mrs. Robert Vought led the closing prayer.

Also present was Mrs. D. S. McDowell.

Phyllis Line and Loren Hill of Canyon visited Miss Line's parents, the Ike Lines, over the weekend.

**BUCS FALL, 42-0, TO STINNETT IN BI-DISTRICT GRID FIGHT**

Scoring at a near point-a-minute clip, the Stinnett Rattlers Friday night defeated the game Lefors Pirates, 42-0, in a bi-district engagement in Pampa.

Coach Ed Lehnick's Pirates, District 2-A champions, were outclassed by the District 1-A titlists, but the Lefors crew battled like the crown-wearers they were throughout the evening.

It was the second time this year the Pirates had been whipped by Stinnett, rated as the top Class A team in the state.

Lefors fought toe-to-toe with the Rattlers in the early stages of the tussle before the larger Stinnett squad began to run up its margin of victory.

The Rattlers first got on the scoreboard with a field goal from the 18-yard line with 7:23 remaining in the opening period. Lefors had stopped a Stinnett drive on

the 11, and Right Halfback Donny Anderson—start of Friday's victory—booted the ball straight through the uprights.

Lefors' Scott Dunnam took the ensuing kickoff in his own end zone and raced to the 21 before being hauled down. Three tries failed to gain the Bucs sufficient yardage for a first down, and they pointed to the Rattlers' 40.

Stinnett marched stubbornly downfield, and Quarterback Larry Anderson scooted wide to the left from the nine for the first touchdown of the evening. Donny Anderson kicked the point after to 2:39 to go before the first quarter ended.

The Rattlers headed goalward again after taking a punt from the Pirates as the first period neared an end. But an alert Doug Burruss grabbed a Stinnett fumble for Lefors on the 14 to halt the threat.

Dunnam brought Pirate fans to their feet with a flashy run out to the 28, then picked up two more before another punt was in order.

Dunnam's punt was blocked on the Lefors 15, but a penalty against Stinnett moved the line of scrimmage out to the 30. The Rattlers pushed to the 24 and tried another field goal—this one unsuccessful.

With 46 seconds to go before intermission, Donny Anderson hauled down a Pirate pass on the Lefors 15 and galloped into the end zone. He then kicked the PAT to give Stinnett a 17-0 halftime lead.

Early in the third quarter Stinnett Left End Mainsie Gibson smashed through the middle of the line and went 35 yards for a TD and less than three minutes later Donny Anderson scampered 70 yards for another marker to push Stinnett into a 29-0 lead.

Larry Anderson returned to the scoring act with another third-period TD, tallying from eight yards out with 4:45 remaining.

Stinnett Right End Don Hazel closed the scoring when he took a 25-yard pass from Larry Anderson. Still 10:23 was left on the scoreboard clock as Donny Anderson added the extra point.

The 20-30 Club held its regular meeting in the home of Mrs. R. E. McDonald Monday night, with Mrs. E. L. Foshee bringing the program on "Flower Arrangement."

Roll call was answered by showing an arrangement previously made. Mrs. Foshee showed an arrangement of white and yellow mums arranged in a black skillet with silver sprayed okra. Mrs. Ed Lehnick used a pair of balance scales for an early American arrangement.

"Never cut flowers with scissors; use a sharp knife and cut on the slant. Refresh flowers by wrapping in a wet newspaper, and by dipping stems in hot water as soon as cut," were some of the points given by Mrs. Foshee.

In the business meeting presided over by President Donna Sims, it was decided to sponsor a Brownie troop.

Refreshments were served. One guest, Mrs. Gordon Robinson, was present and the following members: Mrs. R. E. McDonald, Joe Archer, Ed Lehnick, Wayne Sims, Ray Dickerson, Gene Fort, Fay Rowe, Billy Cox, J. M. McPherson, Leonard Cain and Chestene Dunn.

**Youth, Talent Show Slated by Optimists**

The Optimist Club of Lefors is holding a youth and talent show Dec. 1 in the high school auditorium.

Anyone in the community interested in participating should call Philip Earhart, TE 4-2207; C. A. Martin, TE 4-2298, or Ralph Hicks, MO 4-3967.

An admission charge will be made, 75 cents for adults and 35 cents for children.

**First Grade Mothers Name Committees, Make Party Plans**

First grade mothers met in Mrs. G. N. Mounger's room Thursday afternoon to organize party committees for the year, including Christmas, Valentine and Easter. All the mothers work together on the last of school picnic.

Mrs. B. J. Thacker was selected as room chairman, with committee chairmen including Mrs. Tony Timmons, Christmas party; Mrs. W. G. Hughes, Valentine party, and Mrs. Gene Robbins, Easter party.

Assisting Mrs. Timmons are Mrs. Mmes. Jack Boyer, W. E. Harvey, Leonard Cain, Chester Crutcher, W. J. Foster, Bob Klein, Carl Johnson, Joe L. Wallis, Kenneth Vernon, Tony Blevins, Johnny Taylor, B. J. Thacker, Carl Emerson and O. H. McDonald.

Assisting Mrs. Hughes are Mrs. Charles Roberts, Sidney Gilbreath, Jerry Jacobs, Herbert Sims and A. C. Sanders.

The Easter committee includes Mrs. G. L. Denton, Manuel Allison, Gene Robbins, Wayne Hill, J. P. Bussell, James Gatlin and J. C. Jernigan.

The second grade mothers met on the same afternoon in Mrs. Arthur Hammer's room for the same purpose.

Mrs. Ray Chastain is chairman of the Christmas committee, assisted by Mrs. Fred Cullon, W. G. Hughes, Alex Swenn, Ijuana Brewer, Joe Brankel, R. W. Beck, R. E. McDonald, Charles Williams, Aubrey Carlton, Joe Cochran, Vernon Cates and Walter Jackson.

Mrs. Leonard Cain heads the Valentine party committee as chairman, with Mrs. W. J. Foster, Everett Brobst, Bob Clemmons, Herbert Sims, Claude Beshears and Tommy Adams on the committee.

The Easter party committee is headed by Mrs. George Smith, with Mrs. Dale Prescott, Marvin Moxon, Fred Harkcom, E. L. Foshee, Walter Kingman, Charles Audleman and Leta Boyd on the committee.

Cheerleaders of the team were Donna Graham, Donna Shipman, Barbara Blair, Charis Gustin and Sue Stubblefield.

**BANDITS ARE HONORED AT GRID BANQUET**

The annual Lefors Junior High Bandists football banquet was held in the school cafeteria Saturday night, Nov. 19.

Sheriff Rufe Jordan, Pampa, was the guest speaker for the football boys, their dates and their fathers. The football mothers sponsor the affair, and did the cooking, serving and decorating.

Alex Swenn, grade school principal, was master of ceremonies. Invocation was by Rev. Luther Berry, Baptist preacher.

Bill McGowan, music teacher, gave special music, accompanied by Sheila Cable at the piano.

The football boys were recognized by Coach Eddy Clemmons. Rev. Carl Nunn, Methodist minister, gave the benediction.

The autumn theme was carried out by Mrs. Howard Archer in the decorations. Tables were covered in white with orange runners, and were centered with horn of plenty arrangements, fall flowers and candles.

The place favor of each football boy was a miniature player with his own respective number. Each girl received a miniature banner, and the cleverest of all was the identical replica of Rufe Jordan (cigar and all) at his place, and the tiny miniatures of the Coaches (Eddy Clemmons, Edward Lehnick and Ronald Adams) at their places, some acting as referees.

Football players enjoying the steak supper with their dates and fathers were Michael Allison, Dickie Archer, Bill Beck, Rennie Berry, Edgar Brown, Ray Carter, Johnny Dunn, Glen Henderson, Danny Hill, Jimmy Hill, Jerry Lane, Johnny Lofton, Danny Martin, Billy McBee, Bill Nichols, Larry Pruett, Billy Rippetoe, David Roberts, Ocie Robinson, Danny Rossen, Terry Sanders, Dal Trusty, Jack Hatcher, Jimmy DeGray, Dickie Wells and Phillip Cates, manager.

Cheerleaders of the team were Donna Graham, Donna Shipman, Barbara Blair, Charis Gustin and Sue Stubblefield.

By VERN SANFORD  
Texas Press Association

AUSTIN—(Special)—Like a debutante daughter in bouffant gown, Texas' many charms have been wrapped in a lavish, full-color booklet and presented for the attraction of free-spending visitors.

First of its kind ever published in Texas, the 32-page brochure was compiled by the State Highway Department and is being distributed free. First printing of 400,000 copies is being sent to travel agencies, clubs, newspapers, anywhere that it may be used to draw tourists to Texas.

It is one of the first big steps in a program to reverse Texas' decline in tourist revenue.

Texas is "20 years behind the times" in advertising tourist attractions, says Tom H. Taylor, director of the travel and information division of the Highway Department. Next goal is to get the Legislature to appropriate \$300,000 to be used for media advertising over the country, as other states do.

Requests for copies of the brochure should be sent to the travel and information division of the Texas Highway Department in Austin. Taylor said the department expects heavy demand and will not be able to furnish the booklet in quantities.

**MORE WATER AID IS GOAL**—Gov. Price Daniel said he will ask the next Legislature to take action aimed at speeding up local water conservation projects.

Speaking to the Texas Water Conservation Association, the governor said he would urge more money for water projects and a more flexible financing program. Marvin Nichols of Fort Worth, chairman of the Texas Water Development Board, urged that the present ceiling of \$5,000,000 on any one water loan be raised to \$15,000,000. Under the present water development program the state sells bonds to raise money to lend to local governments to help pay for water conservation construction. Lending is limited to one-third the total cost and \$5,000,000 on any one project.

Nichols said the Water Development Board was "admittedly disappointed" in the small number of loans (eight for a total of \$14,840,000) completed since the program was passed in 1957. Abundant rainfall has caused many local governments to lose a sense of urgency about water conservation, said Nichols.

Several speakers warned of the certainty of another drought. "Biggest problem in many cities by 1980 may be getting a good drink of water," said one.

**INSURANCE RATE HIKE REJECTED**—State Board of Insurance turned down by a unanimous vote a proposed 30 per cent increase in auto insurance rates.

Board will re-study the problem in June, 1961. Until then the present rates will continue.

Board also turned down by a 2-to-1 vote a proposal by Chairman Penn J. Jackson to allow companies to make the merit rating system optional. It is asking for an attorney general's opinion on whether optional merit rating would be legal.

Board Member Robert W. Strain said he felt an across-the-board raise in auto insurance rates would be unfair to law-abiding, accident-free drivers.

**DPS MEMORIAL PRESENTED**—A six-by-eight-foot bronze plaque commemorating Department of Public Safety men killed in line of duty is to be mounted in the lobby of the DPS headquarters in Austin.

Private citizens paid for the plaque which was presented to Col. Homer Garrison Jr., DPS di-

rector, at a honor banquet. Names of 21 men are inscribed on the plaque. Sixteen of these were killed in traffic accidents while on duty; two were killed by the ill-famed Clyde Barrow; three were shot to death by other outlaws.

**CAN'T TAKE CAR FOR TAXES**—A local taxing district cannot seize a person's personal car because he has failed to pay property taxes on it, the attorney general's department ruled.

However, the tax assessor still has plenty of ways to "get at" the car owner who tries to evade taxes.

An automobile—one only—is part of a person's homestead, said the opinion and cannot be taken for forced sale to satisfy a tax claim. However, it said, the tax collector can get a judgment that will allow attachment and sale of a second car, or any other property not included in the homestead exemption.

**SHOP AT HOME**—State Highway Commission has reaffirmed its policy of using only U. S.-made materials for road and bridge construction in the state highway system.

Beginning January, 1961, all contracts for highway construction will include a provision that all materials furnished will be manufactured in mills located in the United States or its territories or possessions.

This policy was vigorously protested by representatives of industries of other countries at a hearing earlier this fall.

Policy will not apply to products finished in this country using some component parts furnished from abroad—such as pigments put into paints, wire made into wire mesh, etc.

**SHORT SNORTS**

Eleven assistant attorneys general are working on 365 cases over the state, aimed at stopping the charging of illegally high interest rates by loan companies, Atty. Gen. Will Wilson announced. Wilson said a court decision allowing the attorney general to examine records of suspect companies will be a great help in the effort.

State taxes collected in the sale of cigars, liquor and wine for October ran \$1,589,729 higher than the same month a year ago, said State Treasurer Jesse James. Total collections were \$8,478,194.

Number of employed persons in Texas hit 3,453,000 during September, highest September total ever recorded, reports the Texas Employment Commission. Employment was down from August, however, mostly due to ending of summer jobs and returning of students to school.

Hopes for a new medical school in the Capital City were revived by the announcement of a study being undertaken by the Texas Medical Association on whether the state needs a fifth school. Austin lost out to San Antonio in bidding for the fourth medical school authorized by the last session of the Legislature.
