We've been having wonderful times here at the library the last two weeks-in fact, we've had such a good time and have been so busy that I failed to find time office last week.

We were visited Aug. 10 at Story Hour by Mr. Peter Rabbit himself. He came with Miss Leona Forbes and listened to the story, "Peter Rabbit and Mr. McGregory." After the story. Miss Forbes asked the children if they would like to give a birthday party for Peter Rabbit. They did, and Peter Rabhit brought in a decorated wagon loaded with rabbits and little baskets of candies for the children. Miss Ferbes also gave the children balloons which had decorated the

story-telling area. Eighteen boys and girls attended

Last Friday morning Mrs. Willie Harris told the stories, Pied Piper, Christmas and Sugar Plum Tree. The kiddoes really enjoyed these stories, and Mrs. Harris, by way of magic, produced a real Sugar Plum Tree from which the children ate candie and marshmallows. We had a conflict with the Methodist Vacation Bible School which cut our attendance to 13, but we encouraged the children to

THE LOST MONTH

This dream girl turned dreary drudge has only 11 months each year to ENJOY life. She spends the other month doing dishes by hand.

It's true. On the average, it takes two hours a day to wade through three stacks of dishes - breakfast - lunch and dinner. That comes out to 730 hours a year. And, friends, that's a month. A month of full 24 hour days.

Don't be a drudge and do dishes - and lose a month a year. "Dial" dishes in an electric dishwasher and enjoy life all year long. It costs just a cent and a half a day to wash and dry dishes electrically. You couldn't buy the hand lotion for that little money - and you get another month to live better electrically.
