Tigers Open Friday at Shamrock

Just Between Us

by JBB

Football was already in the air before the temperatures began falling, and doesn't this cool weather really make you feel like it's time for McLean's favorite pastime?

Our grid fortunes may not be as great as last year, but there are few towns the size of McLean that can repeatedly produce championship material.

Gone are the three W's—Clyde Windom, Jim Watson and Kenny Billingham—to try their hand at college football.

These three truly fine gridders had to be developed, and we feel certain there are youngsters on the squad this year with the same potential.

—jbu—

The fact that McLean fans followed their Tigers so faithfully to each game—both in and out of town—caused comment everywhere we went during the 1961 season.

We're hoping the same big throng—and even a few more, if possible—will tag along this fall.

No one will need any encouragement to attend Friday's game at Shamrock, however. It's just customary for what appears to be a good half the population of McLean to make that trip every other year.

We'll see you there.

—jbu—

In the junior high Tiger Cubs, McLean has repeatedly turned out champions.

It's amazing how they have managed to go through four straight years without suffering a single defeat. Each team they face now has its sights set on whipping the Cub, making it ever more difficult to remain undefeated.

Lefors did tie the Cubs last season, and in so doing took a share of the district championship.

John Ramp, the new Cub coach, is doing one terrific job in training the youngsters.

—jbu—

We were forced to miss Tuesday's Lions Club Teacher Appreciation Night program, but we're told it was great.

The Meadorlarks, a sister trio from Borger, entertained, stirring up more interest in such Lions programs. Should help increase attendance at such future events.

Cheerleaders Picked At Grade School

Five cheerleaders have been selected to direct the cheering at McLean Junior High School Cubs sports activities this term.

They are Teresa Mertel, Jackie Groves, Carolyn Keen, Donna Glass and Gail Fry.

Kay Parr has been elected president of the junior high Pep Club, with Dorothy Beasley named secretary-treasurer. Mrs. Charles Weaver and Mrs. Curby Morris are sponsors.

Other seventh and eighth grade girls joining the Pep Club include: Shirley Cook, Vicki Welch, Sharon Jones, Barbara White, Margaret Bishey, Sue Kunkel, Connie Beavers, Lana Burnett, Beverly Dawson, Kathleen Herndon, Brenda Lowe, Jewel Lowe, Linda Lowe, Eva Morgan, Norma Page, Cheryl Smith, Pam Bailey, Janet Hawkins, Janan Jones, Kathy Kelly, Judy Kingston, Sherry Lawley, Betty McDonald, Frances Morgan, Juanita Nall, Susie Seaney, Terry Ann Taylor and Mary Hutson.

New Coach Takes Over

Cubs to Try For Fifth Big Year

The McLean Grade School Cubs, who haven't lost a ball game in four years, begin what they hope will be another successful season next Thursday.

Foes for the Cubs will be the Shamrock juniors, and kickoff time in Shamrock is set for 7:30 p. m.

YOUNG CITIZENS: Delynn (left) and Diann Miller, daughters of Mr. and Mrs. Paul Miller.

Workouts for the local squad began at the start of school last week, and new Coach John Ramp is rapidly getting the youths ready for the season.

Ramp took over the junior high coaching chore this year from R. L. Cline, who had guided the Cubs to four straight undefeated seasons.

Only a tie with Lefors at the end of last season mars the Cub' record during that period.

Practice sessions are being held each afternoon at Duncan Field.

6-Game Schedule

Six game are on the squad's schedule. After next Thursday, they will face, in this order:

Sept. 27—Clarendon, there, 7:30 p. m.
Oct. 4—Memphis, there, 7 p. m.
Oct. 11—Canadian, here, 7 p. m.
Oct. 18—Lefors, here, 7 p. m.
Oct. 25—Wellington, here, 7:30 p. m.

Members of the squad are:

Eighth graders—Troy Corbin, Arthur Dwyer, Doug Ellison, Drew Fuller, Randy Hess, Bryan Parker, Andy White, James Adams, Raymond Baker, Roy Blaylock, Lonnie Easley, Bob Glass, Randy Jones and David McLaughlin.

Seventh graders—Gary Bible, Terry Bible, Brad Dalton, Steve Fuller, Jimy Hester, Terry Hugg, Johnny Mann, Joe Redwine, Joe Simpson, Calvin VanHuss and Pat Windom.

Election of officers will be at the 2 p. m. national board of directors meeting in the American Legion Building following an "Early Bird Luncheon."

Rogers, honorary president of the association, will speak at the banquet.

Joe McIntyre of Needles, Calif., is president of the National U. S. Highway 66 Association. Myron Wells, Flagstaff, Ariz., is west vice president; Tom Harrison, Shamrock, east vice president; Jack Cutberth, Clinton, Okla., secretary-treasurer.

Association dues for McLean members are now being collected by Boyd Meador.

A bonfire and pep rally is scheduled at Duncan Field at 7:30 p. m. today to build enthusiasm for Friday night's game in Shamrock.

Everyone—students and adults—are invited to the event, the first of the year.

Mercury Plunges To 54-Degree Low

Temperatures took a nose-dive to blanket-pulling levels during the past week, and chilly readings were hanging on today.

A cool 54-degree reading was recorded Wednesday morning for the lowest temperature of the fall season.

The high for the past week was 89, registered on Monday.

Rain was scarce in this area during August, with the city recording an official .66 inch in the month. September started out with .06 inch on Sunday.

This brings to 13.15 inches the total for the year, compared with 19.90 to the same date in 1961.

City Commission To Meet Tuesday Night

The regular monthly business meeting of the McLean city commission is scheduled for 7 p. m. Tuesday in the temporary city hall.

The temporary city hall is located in the old Post Office building on Main Street, while the old city hall is being remodeled.

BARNYARD POPULAR: The Future Farmers of America Children's Barnyard, featuring all kinds of farm animals and their young, has been so popular at the State Fair of Texas that it has become a standard attraction. The barnyard at the 1962 State Fair in Dallas Oct. 6-21 will again have on display behind the "big red barn" entrance a variety of calves, colts, kittens, puppies, poults, goslings and other baby animals like the lamb in the picture.

P-TA EVENT SET TUESDAY

Everyone is invited to attend "Back to School Night" at 7 p. m. Tuesday at the McLean Grade School, Principal Jack Riley has announced.

Teachers will be in their home rooms from 7 until 7:30 p. m., and parents were invited to visit their child's room and get acquainted with the teacher.

The first meeting of the term for the Parent-Teacher Association will be held immediately following the open house.

In Cafeteria

Scene of the session will be the school cafeteria.

The P-TA theme for the 1962-63 school term is "Homes Create Community Strength Through Good Citizenship."

Guest speaker for the evening will be Mrs. R. Crews Henry, state P-TA chairman of recreation and a first grade teacher in the Canyon school system.

Mrs. H. F. Fabian is serving as president of the McLean P-TA this year.

Anders' Ship Leaves For Pacific Duty

SAN FRANCISCO, Calif.—(Special)—Johnny G. Anders, Navy machinist's mate third class, son of Mr. and Mrs. John E. Anders of McLean, is serving aboard the refrigerated stores ship USS Sirius which was scheduled to depart San Francisco Sept. 1 for a four-month tour of duty with the Seventh Fleet in the Western Pacific.

As an underway replenishment ship, the Sirius has as her mission the re-provisioning of combatant units of the fleet, to assist them in maintaining their patrols across the largest body of water in the world, thus doing her part in restraining the forces of aggression which challenge freedoms everywhere.

In between replenishment operations the ship is scheduled to visit ports in Japan, Formosa, the Philippines and Hong Kong.

Board Meets Monday

The McLean board of education will hold its regular monthly business meeting at 7:30 p. m. next Monday in the high school building.

Shamrock Services Are Held Sunday For Arthur Meathenia

Funeral services for Arthur Ray Meathenia, a native of McLean who was killed last Friday near Shamrock, were held Sunday afternoon in the Shamrock First Baptist Church.

Rev. M. E. Wyatt, pastor, and Rev. C. B. Melton, pastor of the Shamrock First Methodist Church, officiated, and burial was in Shamrock Cemetery.

Mr. Meathenia, 29, was crushed by a boulder in an accident Friday some six miles southwest of Shamrock. He died about five hours later in Shamrock General Hospital.

He was employed by the K. L. Towle Construction Co. of Shamrock and was loading rock from a pit, when the boulder broke loose from the side of the pit and rolled on him.

He was born in McLean on Oct. 19, 1932, and moved to Shamrock in 1939.

Mr. Meathenia was married to the former Betty Bohlar in Shamrock on Sept. 15, 1959.

He is survived by his wife and one daughter, Peggy Kay, of the home; two sons and two daughters by a previous marriage, Lonnie Ray, Johnnie, Ginger and Kathy, all of Andrews; his parents, Mr. and Mrs. George E. Meathenia, Shamrock.

And three sisters, Mrs. Claude Tarbet, Amarillo, Mrs. L. D. Staggs, Spearman, and Mrs. C. W. Schaubbs, Pampa; four brothers, L. A. Meathenia, Pampa, Jack Meathenia, Canyon, George E. Meathenia Jr., Guymon, Okla., and Kenneth Meathenia, Farmington, N. M.

ASCS Committee Election Underway

Ballots in the election of community committeemen for the Gray County Agricultural Stabilization and Conservation Service committee should be returned to the ASCS office in Pampa by Sept. 10.

Evelyn Mason, office manager, reported that ballots have been mailed to all producers in the county.

Ten nominees have been selected for community ASCS committeemen. These nominees are listed on the ballot.

Those elected will serve on the committees during the coming year.

Miss Mason eplained that the ballots must be returned to her office in the Gray County Courthouse annex at Pampa by Sept. 10 in order to be counted in the election.

Seek 2nd Straight Over the Irish

A small and inexperienced—but tough—squad of McLean High School Tigers will begin the 1962 grid war Friday night against long-time foes, the Shamrock Fighting Irish.

Kick-off time in Shamrock will be 8 p. m.

The annual battle with the Irish—rivals of the Tigers for years—is usually a real crowd-pleaser, and a host of fans is expected to travel from here for the game.

The Fighting Irish last year were stunned by Coach Derral Davis' Bengals, who staged a late passing attack to open the season with an ever-important victory.

The Tigers went on from there to win the District 2-A championship.

Coach Davis watched the Tigers scrimmage Spearman there last Friday night, and reported afterward that he was "pleased with their willingness to hit on defense."

He said the Tigers' offensive action "still has some bug in it," and Davis, Assistant Coach Lloyd Hunt and junior high Coach John Ramp have been working to clear up the problems this week.

McCarty Injured

The Spearman scrimmage resulted in the loss for the season-opener of one of McLean's most dependable backs.

Halfback Jim McCarty suffered a knee injury, and probably will miss at least the first two games of the season.

Coach Davis said that McCarty should be fully recovered from the injury in a couple of weeks.

A 160-pound junior, McCarty is beginning his third year of regular play for the Tigers.

Davis said the locals showed "jitters in the beginning" at Spearman, but then settled down to play well on defense.

Don Woods, 155-pound senior, has received the starting assignment at quarterback, with Bob Patton, a regular lineman last season, starting at fullback.

Patton at 196 pounds is the heaviest man on the Tigers' roster. He is a junior.

Crockett, Graham Halfbacks

Dickie Crockett, 175-pound sophomore, and Gary Graham, 150-pound junior, will be at halfbacks.

Other starters:

Ends—Kenny Smith, 148-pound junior; Harlon Pool, 141, sophomore.

Tackles—David Seaney, 168, junior; Eddy Windom, 150, sophomore.

Guards—Mike McCall, 140, junior; Mike Johnson, 143, junior.

Center—John Evans, 166, senior.

Pool will be at end on the offensive team, with Johnny Fuller, 171-pound sophomore, due to replace Pool on the defensive unit.

Fighting Irish's starting eleven hadn't been learned here today. Shamrock, however, is expected to field a heavier team than McLean.

Social Security Representative Visits

A representative of the Social Security Administration is to make regular weekly visits to Pampa each Tuesday during September.

The Amarillo Social Security office reports that its representative will be in Pampa at the American Legion-VFW Hall, 123 Foster, from 10:30 a. m. to 12 noon each Tuesday through this month.

Persons wishing to file claims for Social Security benefits, however, were advised to visit the Amarillo office, 1006 Adams, for faster service.

Stewart Is Taking Recruit Training

Johnny B. Stewart, son of Rev. and Mrs. J. B. Stewart of McLean, is taking recruit training with the Navy in San Diego, Calif.

Stewart enlisted in the Navy last month and was flown to San Diego to begin training.

Following his recruit training, he will be assigned to a technical training school to learn all about Navy aircraft, what makes them function, why and to keep the aircraft flying.

Stewart is a 1961 graduate of McLean High School.

CHURCH PLANS YOUTH SUNDAY

Next Sunday has been designated as "Youth Sunday" at the McLean First Baptist Church, according to the pastor, Rev. Dan Beltz.

Emphasis will be on youth at the morning worship hour, and the church's young people will have complete charge of the evening worship service.

Jerry Day will keynote the youth emphasis at the morning worship service.

Crusaders for Christ, with representatives from the 19 Baptist churches of the North Fork Association, will present a program of inspiration, fellowship and recreation at the church at 2:30 p. m. Sunday.

There will be a youth choir at the evening services, testimony by Jimmy Kingston, a member of the local church, and special music arranged by Vicki Welch and Janice Barker.

Annuity Program Is Offered at Alanreed

Tax sheltered annuities will be made available to teachers and employes of the Alanreed school district, the board of education decided in a meeting Tuesday night.

Trustees voted to permit the teachers and employes to participate in the program after hearing an explanation of the benefits by Derrel B. Hogsett, representative of the Western National Life Insurance Co.

The board explained that if employes of the district wish to participate in this program, they may do so with any agency they desire. The school board is now studying contract amendment procedures in the event the employes desire to participate in the tax sheltered annuities.

At a special meeting held earlier, the Alanreed board of education discussed the possibility of making the Social Security program available for the teachers and employes.

However, the board found that it is impossible to participate in Social Security at this time, because of the lack of funds in the school budget needed to cover the additional expense of participation.

Cited for Success Of Cancer Crusade

Mrs. Kermit Lawson, chairman of the 1962 Cancer Crusade for Gray County, has received commendations from the state chairman, Dr. G. V. Brindley Sr., for the outstanding success of the educational and fund-raising campaign here this year.

Gray County is one of 126 leading counties in the state which have reached or exceeded their minimum share in the 1962 crusade. With a minimum share of $5,400, Gray County has already reported a total of $5,718.68.

Dr. Brindley's letter pointed out that Mrs. Lawson and all who helped with the crusade here furnished inspiration to the entire state crusade.

"We could not have reached our state goal," he said, "without the leadership of counties like yours."

FIRETRUCK

I haven't talked with Boyd Meador, but I understand there has been some response from ranchers in the form of donations on the firetruck. This is good, and as it should be.

Although I wasn't a very good one, I did serve as a volunteer fireman on the Claude fire department at one time. I was usually at some other point in the county when the fire broke out.

I did serve long enough to develop a full appreciation for what they do for their fellow man, and all for free.

Ranchers, let's back 'em.

COTTON OILING SHOE

Leamon Andrews is planning to try out a fairly new device that is supposed to save a lot of money and hard work in the production of cotton.

It is a device called an oiling shoe. Using a special oil the shoes slide on the ground and spray a metered amount of oil just under the leaves of cotton.

The oil does not hurt the waxy stem of cotton, but does do an excellent job of killing all weeds and grass. They use them extensively in other areas.

We have literature which we received from A and M that gives direction on how to build a rig. Leamon has agreed to be our guinea-pig. If it works, others might want to try the same thing.

It is my understanding that Bryan McPherson had rather use other means of weeding his cotton.

INCOME TAX TIPS

Recently I received a publication from the North Carolina Extension Service, entitled "Farm Income Management."

In a section of the publication under tax management tips, it had a few very good suggestions on how farm and ranch people could save income tax dollars.

Here are a few of them you might want to consider:

1. Pay reasonable wages to children for farm work actually done by them, as long as there is a true employer-employe relationship. (This would be an excellent way to build them a college fund. In effect, it would give the taxpayer a double deduction for each child.)

2. If age 63 or 64, postpone income tax to age 65 to take advantage of $1,200 exemption.

3. Do not hold breeding stock used for production of market livestock too long. (Qualify them for capital gain.)

There were a number of other excellent suggestions. Saving on income tax is many times more important than making that extra production.

McLEAN SPEAKS

My brief ardticle of last week concerning the birthplace of Billy Sol Estes seems to have aroused some speculation as to authenticity of the statement.

However, my information came from what you might consider a rather direct source, be it fact or fiction, it has served to divert the minds of a number of people from the matter of non-existent fertilizer tanks and illegal cotton allotments, and I doubt that would make Billy Sol too unhappy.

In reminiscence, he may just wish that his origin in Gray County was all there is to argue about and I might add that in view of the many prominent names mentioned in connection with his recently much publicized activities —it isn't likely he would be alone at the Wishing Well.

D'Ann Phillips has been absent from school since Monday. She has been ill and we hope she will be back in school Tuesday. We missed you, D'Ann.

We have been rather lucky. Monday we were served cold punch by Mrs. Hauck. Wednesday Mrs. Earnest Foshee sent us some cookies. We want to thank Mr. Foshee for being so thoughtful of us.

We have six students enrolled in the first grade. They are Bobby Cockerham, Randy McCracken, Jerry Don Tarr, Stephen Smith, D'Ann Phillips and Joyce Smith.

We have three students in the second grade. They are Lynn Foshee, Kelly Lee Street and Janet Bible.

We are expecting Sharon and Linda Rowel to enroll this week. They are late enrolling due to their mother being ill.

All students are really progressing in their work. I hope they keep the good work up.

FIFTH AND SIXTH GRADE

We have four students enrolled in the fifth grade and six in the sixth.

Everyone seems to be ready for the grade in which he is enrolled.

We are having two days of art each week this term.

We are short a few books but expect to have them soon.

We have been asked to furnisn entertainment for the PTO the fourth Monday in September.

SEVENTH AND EIGHTH GRADE

We have a new portable science table and some new science equipment. We also have some new library books.

MISS KATY HARRINGTON IS MARRIED TO RAY HUPP

Marriage vows were exchanged between Miss Katy Harrington, daughter of Mr. and Mrs. B. D. Harrington Sr. of Shamrock, and Ray Hupp, son of Mr. and Mrs. Forrest Hupp of McLean, in a candlelight ceremony at the First Christian Church in Shamrock recently.

Officiating at the double-ring service was Rev. Dale Harter of Canyon.

Traditional nuptial selections were played at the organ by Miss Dorothy Higdon of Canyon, who also accompanied Miss Anita Wimberly of Kress and Chuck Braaflodt of Amarillo, vocalists.

The bride, given in marriage by her father, chose a formal gown of white satin, fashioned with molded bodice and sweetheart neckline. Fitted sleeves terminated in a love point over the hand. Her bouffant skirt swept to a chapel train. A veil of silk illusion was attached to a crown of satin. She carried a bouquet of roses and stephanotis, centered with an orchid atop a white Bible.

Attendants were Miss Carol Harrington, sister of the bride, maid of honor, and Miss Kathryn Jean Pipes of Stephenville as bridesmaid. They wore baby blue silk organza dresses, with head bands of blue flowers. They carried long stemmed yellow roses.

Candlelighters were Miss Judy Hamilton of Amarillo and Miss Virginia Gerber of Andrews. They wore white sheath dresses with gold accessories and white rose wristlets.

Serving as best man for his brother was Jack Hupp of Amarillo, and groomsman was Dave Shockley of Anton. Ushers were B. P. Harrington Jr., brother of the bride, and John Reynolds, brother-in-law of the groom.

A reception was held in the fellowship hall of the church immediately following the ceremony.

The couple has returned from a wedding trip and they are at home in Happy, where the bride is a teacher in the Happy schools. The bridegroom is employed by Taylor Evans and will be a senior student at West Texas State College in Canyon the coming term.

In the paper we read that wide sweeping organization changes are to take place in the military. This was in the headline. Upon reading the fine print we found that two completely new departments are being set up to manipulate the departments we already have. The past 30 years should prove that nothing can be as changeless as changes.

In the fashionable wonderland district of Northern California a very prosperous little town was notified by the government that their area had been classified as a depressed area and therefore eligible for various forms of assistance. . . . No one needed anything and no one asked for anything. According to Editor Asbury of the Weekly Trinity Journal, it seemed that because of his own political career, someone in Washington gave them the finger of scorn for not being willing to lie down and be depressed. . . . This reminded us a bit of the poor turkey farmer . . . no matter how hard he tries he can't keep from being helped . . . on top of that he can't even afford to be helped any more.
