HOSPITAL BOND VOTE IS JULY 16

Just Between Us

What is happening to this nation of ours... for so many years able to boast of being the greatest and strongest on earth?

Ever so swiftly that way of life which made the United States what it is most definitely is disappearing. And you can count us among the growing number who don't like it.

America was hand-made by rugged individuals who cherished freedom above all else. Special favors were neither asked nor given. If a man had what it took, he made the grade and became a "somebody." If he didn't, then his was just another face among the multitudes.

We could choose our neighbors and our friends. There were no laws saying we had to associate with anyone, whether we wanted to or not.

And back then the federal government was something with headquarters in a place called Washington, D. C., that we read about in history books, and was composed of three branches with titles like legislative, judicial and executive. The President was a highly respected man pictured in the newspapers occasionally. We heard his voice every now and then on the radio when there was a world situation he wanted us to know about.

And we knew what he said was the absolute truth as he knew it.

But there in our state capital sat the group of men who really made the decisions that affected our everyday lives. They knew our problems, because they were from among us, and they knew how to cope with them.

The Supreme Court was a God-fearing panel of men who, we venture to guess, opened each session with a prayer just as their predecessors had since the United States of America was founded back in the late 1700's. Interpretation of the Constitution appeared a fairly simple matter for the robed and dignified Supreme Court justices, for they knew the kind of people who wrote (See JBU, Page 5)

LAST RITES FOR MRS. BARKER ARE HELD SATURDAY

Funeral services for Mrs. Mary Alice Barker, 908 Cook Street, were held Saturday afternoon in the First Baptist Church, with Rev. Dan Beltz, pastor, officiating.

Interment was in Hillcrest Cemetery under the direction of Lamb Funeral Home.

Mrs. Barker died at 12:45 a.m. Friday at her home.

She was born on Nov. 20, 1882, in McKean County, Pa., and moved to McLean from Sayre, Okla., in 1937.

She was married to Bert Barker in 1901 at Washington, Pa.

Surviving are her husband; three sons, Roy, Shannon and James, all of McLean; two daughters, Mrs. Norma Engle and Mrs. Alberta Gray, both of McLean; one sister, Mrs. Hazel Martin, Leon, Kan., 12 grandchildren and 10 great grandchildren.

Serving as pallbearers for the last rites were Oscar Tibbets, George Colebank, W. C. Simpson, Frank Simpson, F. E. Stewart and O. G. Stokely.

FOR SAFETY RESTS: The interstate highway system in Texas is being blessed with large, elaborate Safety Rest Areas for the safety and convenience of Texas travelers. Motorists can now relax and refresh themselves in the first of these rest areas (roadside parks) designed and built on the interstate highway system in

Texas. This new rest area contains eight arbors equipped with fireplaces for family cooking, incinerators, fire wood and big spacious tables and benches for picnicking. The "park" lies on a small knoll 10 miles east of San Antonio on Interstate Highway 10 and was formally dedicated on May 29.

BIBLE SCHOOL OPENS MONDAY

The annual Vacation Bible School of the Church of Christ gets underway Monday, June 24, and will continue through Friday, June 28, with a closing picnic at the City Park Friday noon, the 28th.

This year's general theme for the school is "This Is My Father's World," with 14 classes being taught beginning with the 2-year-olds through the adults.

There will be two sessions daily, with the morning classes beginning at 9 and dismissing at 11. These morning classes include all children from 2-years-old through the eighth grade in public school. There will also be an adult class every morning during the school.

The evening session will begin at 8 and dismiss at 9 with classes for all high school students and adults.

All the Family
"We are designing this year's school to every member of the family. We know every person attending the school will be benefited for the lessons are Bible centered around the timely theme, "This Is My Father's World!" Jay Channell, minister of the church said.

There will be an attended nursery for infants during both the morning and evening sessions. Refreshments will be served during both sessions also. Transportation will be provided for anyone calling GR 9-2182.

Everyone in McLean and surrounding communities is personally invited to this five-day Bible School, Channell added.

Attend Convention

The McLean Lions Club is being represented by two members at the International Lions Club convention now underway in Miami, Fla. Lee Welch and Rev. J. B. Stewart are attending the gathering of Lions from throughout the world. The convention continues through Saturday. Welch and Rev. Stewart were accompanied to Miami by their families.

Same Levy Endorsed Alanreed Approves Issue for School

Alanreed will get its new school building. Patrons of the Alanreed independent school district Saturday voted 50-37 for a \$100,000 bond issue to construct a new building to replace the antiquated structure in use many years.

During the same election, patrons also approved a continuation of the present tax rate of \$1.25. The vote was 64 for and 16 against.

Re-voting of the tax rate was necessary, according to the state attorney general's office, because of the recent removal of several sections of land from the Alanreed district. The property was added to the McLean school district.

Plan Changes Necessary
Members of the Alanreed board of education do not anticipate the need for an increase in the tax levy to pay off the \$100,000 in bonds.

Wagner Phillips, school board president, said work will start on the new building as soon as possible, but some changes will first be required in the architect's plans.

The bonds then must be sold and the project advertised for bids. The new one-story building will contain six classrooms, plus a cafeteria and office space. It will be constructed of brick.

Phillips said arrangements will be made to convert one of the classrooms when needed to a projection room.

The cafeteria will be used for a cafeteria and an auditorium.

Vacation in Hawaii

Bill McCoy, grandson of Mr. and Mrs. Kid McCoy of McLean left his home in Amarillo Tuesday for a Hawaiian vacation it has taken him three years to save enough money for.

The 16-year-old youth son of Mrs. Brady McCoy, 5306 Everett, Amarillo, began saving for the island vacation at the age of 13 after his mother told him he could go to Hawaii "when you save the money."

A newspaper route boy in Amarillo, Bill accumulated \$500 by this summer from his route earnings and other odd jobs.

In Hawaii he will visit his uncle, Dr. Kid McCoy, who is deputy veterinarian for the islands. He plans to fly to Hawaii, then to work his way back on a freighter ship.

Roswell Child Is Left at Alanreed; But Parents Return

A little Roswell, N. M., girl was joyfully reunited with her family Tuesday night, after it appeared she had been abandoned in Alanreed.

Mr. and Mrs. Charles Logan and their four children were returning home from a visit in Illinois Tuesday, when they stopped at an Alanreed service station.

After their car had been serviced, the Logans drove on west toward home, unaware that their 5-year-old daughter, Cathy, had climbed out of the vehicle in Alanreed.

Jimmy Hill, who operates the station in Alanreed, discovered the little girl standing near the station shortly after the family had departed.

After she had been calmed down, Cathy told Hill her name, but she wasn't sure where she came from.

Calling Begins

Hill then notified Mrs. Johnny Baker, the telephone operator at Alanreed, who called Deputy Sheriff (See CHILD, Page 5)

HAYNES NOW PRESIDENT OF LIONS CLUB

Jim Hathaway Is Selected As Lion of Year

Johnny M. Haynes was installed Tuesday noon as the new president of the McLean Lions Club. He succeeds Jim Hathaway.

The installation ceremony was conducted during the club's regular luncheon meeting in the Methodist Church Fellowship Hall.

Installing officer was Milton (Buff) Morris of Canyon, international Lions Club counselor and a past district governor for this area. Morris is on the faculty of West Texas State College, and served as district governor in 1952-53.

Haynes and other Lions Club officers were elected in balloting last April, but the club year begins on July 1.

Identity Kept Secret
Morris also presented a plaque to Hathaway for being named the club's "Lion of the Year."

McLean Lions each year vote in secret balloting in selecting the outstanding member. It was not disclosed until Tuesday that Hathaway had won the award.

Under Hathaway's leadership, the local club was ranked the best in District 2-TI the past year.

Officers installed, in addition to Haynes, were:

Cliff Day, first vice president; Joe Burroughs, second vice president; S. A. Cousins, third vice president; Lee Welch, secretary-treasurer; W. C. (Flea) Simpson, assistant secretary-treasurer; Rev. J. B. Stewart, lionmaster; Ted Raines, tailwaster, and John C. Haynes and E. J. Windom Jr., directors.

'Old Monarchs'

Holder directors are Truitt Johnson and D. C. Lowary.

Three "Old Monarchs" awards for 10 years of continuous membership in the Lions Club were presented to George Saunders, Jewel Macham and W. C. Simpson.

In a report to the club, John C. Haynes disclosed that some \$477 was lost on this year's 66 Round-up Rodeo and Horse Show celebration. Haynes said this figure may go slightly higher, since all bills may not have yet been turned in.

One guest, Thacker Haynes, was present for the luncheon.

Damage Moderate As Autos Collide

Damage was moderate and there were no injuries in a traffic collision last Friday morning in downtown McLean.

Highway Patrolman R. C. Parker said the accident occurred when L. A. Hudson of Groom attempted to make a U-turn at the intersection of Main and Second Street.

A car driven by Sylvia Groves of McLean crashed into the side of Hudson's pickup as he turned back onto Main.

Parker described damage to each vehicle as "moderate."

Balloting Scheduled All Across County

The long-awaited \$150,000 bond issue to construct a 24-bed hospital in McLean will go to Gray County voters for a decision on Tuesday, July 16.

County commissioners in a meeting Monday in Pampa set the date of the balloting and accepted a plan to pay the bonds off—provided the issue is approved—in a four-year period.

Commissioner Truitt Johnson of McLean told The McLean News that in order to pay the bonds off in four years a small county tax rate increase amounting to five cents per \$100 property valuation will be required for 1964 and 1965.

No special assessment will be required for the final two years, with the tax rate reverting to the 70 cents now in effect.

Act on Petition
In calling the special election, the county commissioners court acted on a petition presented late last month, which contained the signatures of more than 10 per cent of the qualified property tax-paying voters in the county.

As in other bond elections, only persons who own property and hold a valid poll tax receipt will be permitted to vote.

Voting places by precincts in the election will include:

1, Lefors Civic Center; 2, Baker School, Pampa; 3, Grandview School; 4, Alanreed School; 5, McLean city hall; 6, Laketon Store; 7, Horace Mann School, Pampa; 8, Mrs. Elmer Milton's residence, Hopkins; 9, First National Bank Annex, Pampa; 10, Gray County courthouse, Pampa; 11, Phillips Camp Community Hall; 12, Pampa Fire Station No. 2.

Drawings Ready
Architect's drawings of the proposed hospital here were prepared several months ago for the city commission.

The hospital would be a branch of Highland General Hospital in Pampa.

Plans call for the new portion of the hospital to be constructed on the north side of the present McLean Clinic, which will become a part of the hospital building.

The clinic was erected in McLean several years ago by the county. But it is not large enough to serve as a hospital, and currently is being used as a doctor's clinic.

Petitions asking the county commissioners to call the bond election were circulated here and elsewhere in the county several weeks ago, after local residents endorsed the proposed hospital in a town meeting.

Patrol Investigates 13 Rural Mishaps

The Highway Patrol investigated 13 rural accidents in Gray County during the month of May, according to Sgt. J. W. Wilson, patrol supervisor of this area.

These wrecks accounted for seven persons injured and property damage in the amount of \$3,595.

The rural accident summary of Gray County from January through May of 1963 shows a total of 62 crashes resulting in three persons killed, 35 injured and estimated property damage of \$39,928.

SCREWWORMS ARE FOUND IN HEDLEY AREA

The first confirmed case of screwworms in this area has been discovered 8½ miles south of Hedley, according to Donley County Agent H. M. (Flip) Breedlove.

Breedlove said that Earl Wheatley of Hedley sent in the samples of screwworms, taken from an animal on the Spalding Ranch last Saturday. The sample was sent to the Screwworm Eradication Program headquarters at Mission, where the case was confirmed.

Monday morning a representative of the eradication program marked the location of the confirmed case so that sterile flies could be dropped in the area by airplane.

The flies were to have been dropped within 48 hours from the time the site was marked.

7 Miles Square

Breedlove said that the number of sterile flies dropped would be sufficient to cover an area of about seven miles square.

The Donley County agent urged all livestock owners in the county and surrounding area to be on the lookout for screwworm cases.

When suspected cases are found, eight or 10 worms should be placed in special containers and shipped to the Screwworm Eradication Program, Box 969, Mission, Texas.

Containers for shipping the samples can be picked up at Breedlove's office in Clarendon or at The McLean News office. No postage is necessary for mailing.

Breedlove cautioned persons finding the suspected cases to fill out the papers enclosed in the shipping container so that the location can be identified on a map.

Phone Directories Ready for Mailing

Copies of the 1963 McLean telephone directory will be mailed to customers on Friday, according to George Newberry, manager for the Southwestern Bell Telephone Co.

Newberry said the new directory has a white cover and is over-printed in black ink.

Almost 1,300 copies of the new directory have been printed. It has eight white or alphabetical and 16 yellow or classified pages.

Old directories should be thrown away when the new ones are received. Customers are cautioned to check the old telephone books carefully before they are discarded.

Newberry said often times customers keep out-of-town telephone number and address lists in them and then throw the books away without removing the lists.

Social Security Schedule Revealed

The regular schedule of visits to this area by the Social Security Administration representative from Amarillo was announced this week.

The representative is due at the American Legion-VFW Hall, 123 Foster Street, in Pampa from 9:15 a. m. to 12 noon each Tuesday through September.

A representative will be at Shamrock's Community building from 10 a. m. to 2:30 p. m. on Tuesdays, July 16 and 30, Aug. 13 and 27 and Sept. 10-24.

Visits are planned at the Clarendon courthouse from 9 to 10:30 a. m. on Mondays, July 1 and 15; Aug. 5 and 19 and Sept. 9 and 23.

VOWS SOLEMNIZED: Miss Shirley Ann Bybee and James Perry Hooten were united in marriage on May 29 in the McLean First Baptist Church. She is the daughter of Mr. and Mrs. A. O. Bybee of McLean, and his parents are Mr. and Mrs. Polk Hooten of Shamrock.

Mrs. Boyett's Music Clubs Meet For Closing Sessions

The music clubs of Mrs. Willie Boyett's piano class met in closing session Tuesday, June 11.

Timothy Banks presided over the Double Sharp Club and Sharon Sitter over the Musical Dozen Club.

Repertoire players were Terri Lynn Ouzts, Jerry Don Dwyer, Arthur James Dwyer, Beth Dalton and Phyllis Pakan, with six numbers each, and Janice Barker and Janice Saunders, with three numbers each.

Other members who played one selection each were Timothy Banks, Jan Colman, Judy Saunders, Gay Simpson, Cheri and Valta Tarbet, Judy Watson, Sarah Coleman, Nelson Dwyer, Martina Giesler, Sharon Sitter, Keith Watson and Vicki Welch.

Special numbers included a piano duo by Terri Lynn Ouzts and Judy Watson and a vocal solo by Janet Callers of Shamrock, who was accompanied by her cousin, Phyllis Pakan.

Ruth Porter was given a hearty welcome as a new member of the club.

Terri Lynn Ouzts was student of the month for the grade school and Sarah Coleman for the high school club.

Judy Watson was named student of the year for the grade school club, with Jan Coleman as second.

Sarah Coleman was student of the year for the high school, with Nelson Dwyer and Keith Watson second and third.

Hostesses were Mmes. Finis Dalton, James Barker, Arthur Dwyer, Johnnie Ouzts and Dusan Pakan. They served cookies and punch to 45 members and guests.

Year pins and reward cards were presented at the close of the meeting.

Mrs. H. D. Banks gave the benediction.

Sublett Family Has Reunion Here

John Sublett celebrated Father's Day with a full house and bountiful dinner at the grade school cafeteria.

Out-of-town guests included his children, Mrs. Lydia Berry, Canyon; Mrs. Marie Bird, Stinnett; Mrs. John Moore, Dimmitt; Mr. and Mrs. Buster Sublett and sons, Troy Don, John Wayne and Jerry Mac, Pampa; Mr. and Mrs. Vernon Sublett, Tulsa, Okla., and Cleo Davis, a son-in-law from Shamrock.

And grandchildren, Mr. and Mrs. Dale Smith, Sharon and Susan, Mr. and Mrs. J. D. Bureson and Mike, Mr. and Mrs. Bob Churchill, Pam, Susan and Stevie, Mrs. Oscar Stidger, Kathy, Danny, Dee Dee and Robin and Mr. and Mrs. Ray Villandry, Jo Carol, Donna, Kim, Lucretia and Mark, all of Amarillo; Mrs. Spitzer Thomson and Terry Don, Lubbock; and Mrs. Clyde Patterson and Debbie of San Antonio.

Also a sister-in-law, Mrs. Louie James of McLean; a friend, Douglas Soule of Amarillo, and a host of McLean friends called to visit in the afternoon.

Mrs. Zora Pickett of Amarillo spent the weekend in the home of her parents, Mr. and Mrs. Luther Petty, and visited with her son, Vernon Kennedy.

"My little daughter has swallowed a gold sovereign and has got to be operated on. I wonder if Dr. Robinson is to be trusted?"

"Without a doubt. He's absolutely honest."

You'll find nothing but absolute honesty on your visits to the Mantooth Chevron Service Station in McLean. We strive to please you in every way. And we are proud of the products, as well as the type of service we offer. For courteous, honest-to-goodness fine service, bring your car—or truck—to McLean's sign of the Chevron.

Herman-June WMS Circle Has Meeting

The Herman-June Circle of the First Baptist WMS met Thursday afternoon with Mrs. Glen Florey as hostess.

The program was led by Mrs. Edgar Coppock. Subject of the program was "What Is Royal Service?"

Mrs. Luther Petty read the calendar of prayer for missionaries. Prayer was led by Mrs. R. E. Armstrong of Enid, Okla., a visitor.

Mrs. Frank Howard, circle chairman, called the meeting to order and assisted the leader in a short skit.

Others present not already mentioned were Miss Marjorie Fowler, Miss Margaret Glass and Mrs. Ola Henderson and Mrs. Bill Pettit.

Dorcas Class Has Salad Luncheon

The Dorcas Sunday School Class of the First Baptist Church met Monday noon for a salad luncheon in the home of Mrs. R. V. Daffern.

Members present were Mmes. Homer Abbott, Newt Barker, Raymond Smith and the hostess. One visitor also attended, Mrs. Cannon.

Mr. and Mrs. D. L. Miller and Romain Pugh visited Mrs. Roman Pugh in St. Anthony's Hospital in Amarillo Tuesday. Her condition is fair.

FEET ACHE, ITCH?
1/4 of all your bones are in the feet. No wonder they ache, swell, perspire, itch. Bathe feet twice daily with T-A-L Solution for relief of the 52 bones, 66 joints plus ligaments. Cures athlete's foot too (sloughs off infection—watch healthy skin replace it) or your feet back at any drug store if not pleased IN ONE HOUR. TODAY AT ALL DRUG STORES.

Alanreed Study Club Has Annual Picnic

The Alanreed Twentieth Century Study Club met Thursday, June 13, for its annual picnic. Due to the weather, the group met in the basement of the Presbyterian Church instead of the park.

A bountiful meal was served at the noon hour and visiting was enjoyed until a late hour.

Members and guests present were Messrs. and Mmes. Frank Crisp, Harrison Worsham, Roy McCracken, Enloe Crisp, Kid McCoy, K. W. Hambright and children, Kinnette, Beth and Billy Frank, Bobby Jack Massey and daughter, Brenda, Mrs. C. O. Goodman and Mrs. Frank Hambright and son, Gene.

Mr. and Mrs. Carl Dwyer, Mary Ann and Carla Jo went to Muleshoe Saturday for a visit with her parents, Mr. and Mrs. J. W. Thomson.

Mrs. Alice Short Smith spent the weekend in Stinnett in the home of her niece, Mrs. Harry Youngblood.

NEWS OF CONSERVATION

A stock pond was staked on R. W. Adams Ranch northeast of McLean, and on the R. J. Bradley place south of Pampa.

A pond was completed on the Adea Lea Hopkins Ranch. Mrs. Mary Helen Boston is building some more terraces on her farm east of Laketon. This farm is operated by Fayette Seitz.

Swa-Pa-Hobi Club Meets on Thursday

The Swa-Pa-Hobi Club held a regular meeting Thursday, June 13, in the home of Mrs. Lloyd Hinton.

The afternoon was spent doing handwork and visiting.

Refreshments of ice cream and cake were served to Mmes. James Clitt, Walter Bailey, Elton Johnston, Earl Eustace, Kester Rippey, Alvin Teeple, Leslie Gordon, Sophia Hutchinson and three visitors, Mrs. Brown, Linda Langford and Melinda Hutchinson.

The next meeting will be held Thursday June 27 in the home of Mrs. Alvin Teeple.

The discontented man finds no easy chair.—Benjamin Franklin

A diversion terrace was completed for Mrs. Doshia I Anderson.

D. W. Swain has completed a waterway and diversion and is in the process of completing a pit-type pond. The diversion and waterway will catch all of the runoff from the rainfall and irrigation, and will carry it to the pond he is constructing. D. W. also plans to irrigate some switchgrass and some native grass.

Mrs. Kid McCoy, accompanied by her sister, Mrs. Lon Hood of Claude, and her granddaughter, Patsy McCoy of Amarillo, have been visiting in New York City with Mrs. McCoy's daughter, Mrs. Joe Romer, and her husband. They traveled by jet, which Mrs. McCoy says is wonderful.

MARRIED: Miss Emme Grigsby, daughter of Mr. and Mrs. A. L. Grigsby, and Richard Norman, son of Mr. and Mrs. Myrtle Norman, all of McLean, were married at 6 p.m. on June 1 in the Grace Baptist Church at Amarillo. The couple is now at home at 5309 Gem Lake Road, Apartment 2, Amarillo.

Mr. and Mrs. Guy Hedrick, former LeFor residents, spent Friday and Saturday in the Jewell Meacham home. Sunday and Monday Mrs. Ollie Meacham of Turkey visited the Meachams.

Frank H. Worsham Taking Summer Training at Austin

AUSTIN—(Special)—An Alanreed guardsman is among the 120 Texas National Guard officer candidates attending summer training at Camp Mabry. Frank Hubert Worsham of Alanreed is undergoing an intensive two-weeks training program in the field and in the classroom. After completing summer camp, Worsham will return to his home National Guard unit, Company 8, Second Battalion, 142nd Infantry, and will be required to return to Camp Mabry or Dallas for 16 days of weekend drills during the next 11 months and two additional weeks next June.

Upon completion of a year of successful training, these candidates will be commissioned second lieutenants in the Texas National Guard.

Worsham graduated from McLean High School in May, 1959, and attended West Texas State College. In civilian life he works for F. J. Hess as a rancher.

The Texas National Guard Academy is now training its seventh class of officer candidates since 1957. The school is patterned after the Army Infantry School at Fort Benning, Ga.

Mrs. Derral Davis returned this week from San Antonio where she visited her sister, Patty Bucholz.

NEWS ITEMS FROM ALANREED

Give your car a lift?

Best way to do it is not with a helicopter attachment, but with gasoline you buy from your Phillips 66 Dealer.

Whether you choose Flite-Fuel or Sixty-Six Gasoline, you'll notice an immediate improvement in your "take off" power. Easy starting! Lively acceleration! A smoothness you may never have experienced before!

Why not get all the driving pleasure your gasoline dollar will buy? Fill up at the nearest Phillips 66 Station!

Monza Spyder Convertible

Monza Spyder Club Coupe

**Come hill... or high water
Vacations go smoother in a Chevrolet Corvair**

Bring on those mountains! They're not so high and mighty when you've got Corvair's gummy six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling

over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift* and Spyder package* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel deal on it to put you in a holiday mood.

WATSON-SHALLER MARRIAGE IS SOLEMNIZED AT CITY CHURCH

In a candlelight ceremony solemnized in the First Baptist Church Friday evening, June 7, Miss Alta June Watson became the bride of Ted L. Shaller. Rev. Dan Beltz, pastor, read the vows before an altar decorated with baskets of white gladioli with aqua bows.

The bride is the daughter of Mr. and Mrs. E. L. Watson of McLean and parents of the bridegroom are Mr. and Mrs. Lee Shaller of Clarendon.

Mrs. Glen Curry, sister of the bride, was matron of honor and Miss Linda Willingham of Amarillo was bridesmaid. She is a cousin of the bride. The attendants wore aqua pima cotton dresses featuring a square neckline, full skirts and short sleeves and carnation corsages.

The bride, escorted to the altar and given in marriage by her father, wore a white street-length gown of white organza over taffeta with a round neckline, full skirt and elbow-length sleeves. She carried a bouquet of white carnations with lily-of-the-valley streamers atop a white Bible.

Mrs. Paul Miller provided traditional nuptial selections at the organ and accompanied Mrs. Truitt Stewart as she sang "Always" and "Because."

Wendell Luttrell of Clarendon was best man, and William Chamberlain, also of Clarendon, served as groomsmen. Carl Watson and Glen Curry, brother and brother-in-law of the bride, were ushers.

A reception was held in the home of the bride's parents immediately following the ceremony for members of the wedding party and relatives.

The bride chose a white arnel jersey suit with white accessories and a white corsage lifted from the bridal bouquet for a wedding trip to points of interest in New Mexico and Colorado.

Mrs. Shaller is a graduate of McLean High School and is employed at the American National Bank in McLean.

The bridegroom is a graduate of Clarendon High School and is a student at Clarendon College.

Mr. and Mrs. Shaller are now at home at 515 West Second Street in McLean.

Out-of-town guests at the wedding included Mr. and Mrs. Lee Shaller, Mr. and Mrs. Will Chamberlain, Evelyn, Betty and William, Mr. and Mrs. Leroy Luttrell, Wendell and Susie of Clarendon; Mr. and Mrs. Carl Studer, Mr. and Mrs. Frank Shaller and Mrs. Evelyn Newton and Sandra of Canadian; Mr. and Mrs. Fred Mulley of Hereford; Mr. and Mrs. Matt R. Shaw of Durham; Mr. and Mrs. J. C. Williams and Mrs. A. N. Williams of Shamrock; Mr. and Mrs. Harrel Willingham, Linda and Mike, Mrs. Bertha Shaller and Mrs. Hazel Shaller of Amarillo.

20 MULE TEAM BINDWEED KILLERS

NEW LIQUID TRITAC-D®

Is your lowest cost weed killer for noxious perennial weeds such as: field bindweed, Canada thistle, leafy spurge, bur ragweed, Russian knapweed, etc. Why? Because only 4 to 8 gallons will effectively treat an entire acre of non-cropped land. TRITAC-D contains the added weed killing ingredient 2, 4-D, thus offering you triple killing action: 1, effective deep-root destruction, 2, quick foliage top kill, 3, prevents seeds from developing. TRITAC-D is nonselective, yet safe to handle for easy spray application. Available in 1, 5 and 30 gallon containers.

DRY GRANULAR BENZABOR®

Is the most effective, nonselective weed killer to use where spray equipment or water are not available. Or where accuracy of rate of application is essential on small scattered patches of these same noxious weeds. Reason: You apply BENZABOR in its dry granular form—straight from sack to soil. The handy PCB Spreader lets you treat up to 1/4 of an acre of non-cropped land in 10 minutes. It also controls a wide range of woody vines and shrubs. And it is non-poisonous, noncorrosive and nonflammable when used as directed.

RATE OF WATER USE IN RELATION TO PLANT DEVELOPMENT

WATER USE CHART IMPORTANT TO COTTON, MILO FARMERS

By FOSTER WHALEY
 Gray County Farm Agent

By studying the above chart on rate of water use by a cotton plant, an irrigation farmer can draw some good ideas about when he should irrigate his cotton. From the time the cotton has reached the 65th day to 115 days of age is the critical period. It hits a peak on about the

ZIP

(Continued from Page 1)
 United States of the most modern systems of mail distribution and delivery in existence.

The ZIP code number is constructed as follows: First digit, indicates one of 10 geographic areas 0-9; second digit, indicates a state or a geographic portion of a heavily populated state, or less populated states within the geographic area; third digit, represents a major destination point within the state (it may be a big city Post Office or a mail concentration point in a less-populated area known as a sectional center).

The last two digits indicate either a postal delivery station of a large city Post Office, a smaller Post Office (in the case of McLean) or a single office building receiving large volumes of mail.

Mr. and Mrs. Don Sanders of Fritch announce the birth of a boy on June 14 in a Berger hospital. He has been named Kenneth DeWayne. Weight at birth: 7 1/2 lbs. Grandparents are Mr. and Mrs. Granville Liley and Mr. and Mrs. B. V. Mangum, all of McLean.

Mr. and Mrs. Jack Humphreys of Pampa spent Sunday with his parents, Mr. and Mrs. George Humphreys.

Mr. and Mrs. Jack Humphreys of Pampa spent Sunday with his parents, Mr. and Mrs. George Humphreys.

NEWS from YOUR COUNTY AGRICULTURAL AGENT

WILSON A. & M. COLLEGE EXTENSION SERVICE

JUNIOR HEREFORD BREEDERS FIELD DAY

On Saturday, June 22, starting at 9 a.m. the Junior Hereford Breeders Association is having its second annual field day at the Pronger Ranch near Stratford. Actually the first program of this type was held three years ago at the Faris Hess place south of McLean. The one held then was so successful that the Junior Hereford Association started sponsoring them.

McLean 4-H'ers and adult leaders will be well represented at Stratford. Faris Hess and Flip Breedlove, Donley County agent, are both on the program. Flip will also be in charge of the barbecue. Faris is to give a fitting demonstration.

We hope to have a 4-H judging team which has been coached by Faris, George Orrick and George Saunders. A few that plan to attend include Jakey Hess, Dwight Hathaway, Mike and Truitt Johnson and yours truly. All 4-H'ers are urged to attend. A free barbecue will be served.

NOXIOUS WEEDS

Truitt Johnson was asking me about a specific weed which he said was on the increase in this area. I identified the weed as perennial broom weed. It has a yellow flower and a tremendous root system. The roots are very woody in appearance. The plant ranges in height from eight inches to a maximum of about two feet. It has a gummy leaf. Our range specialist, Garlyn Hofman at Texas A and M, says these

are on the increase all over the state. A specialist is presently doing research work on methods of eradication at the Spur Experiment Station.

I have one test plot which I sprayed last year with 2, 4-D and estimate I got a 50 per cent kill. Results have been very erratic, however, in most test work. It would be your best bet if you are having the same trouble.

JOHNSON GRASS CONTROL

I have been furnished a small sample of a relatively new chemical for eradicating Johnson grass. I plan to hold a demonstration on the Milton Carpenter place today (Tuesday). Check with Milton to see if it works.

C-36 when used with diesel fuel has given fair control on about the third application.

RED ANTS

Nearly every day I will have a phone call on how to control red ants, as well as other types. Dieldrin or Aldrin is your best

bet in either granular, powder or as a liquid. About three tablespoons of Dieldrin or Aldrin to one gallon of water to each bed. Re-treatment may be necessary.
