ABOUT READY: Leroy Williams, McLean farmer, stands in a 20-acre field of irrigated alfalfa on his farm south of the city. The alfalfa is about ready for the first cutting.

Just Between Us

The importance of paying your poll tax was brought home to us in a rather definite manner Monday afternoon.

Members of the McLean city commission presented those petitions requesting a \$150,000 hospital bond issue to the Gray County commissioners court Monday morning.

There were 873 signatures on the original copies of the petitions, and it appeared well over the required number had been secured.

But it wasn't so.

Checking the signatures against the list of poll tax payers, the county clerk's office found approximately 90 signers hadn't paid for that "freedom" to vote.

So their names had to be eliminated.

-jbu-

The petitions are back in circulation again, with a goal of 100 more signatures. The way John C. Haynes was working at the task Tuesday, we feel certain that number has been secured by this time.

-jbu-

Perhaps it's for the best that this developed. Maybe we'll all be a little more respectful of the rights of legislators in the face of any state legislator who might be handy, and demand the election law changes which would eliminate the poll tax.

Right now, this is an issue before the legislators. A constitutional amendment repealing the poll tax has already been passed by the Senate, and at last report was awaiting House action.

-jbu-

Bartha McPherson tipped us off last week that a group of 600 school children were in town for a picnic at City Park. But we were so busy that day, it was impossible to go out for a visit with them.

The group rode the Rock Island train to McLean, enjoyed their picnic at the park, then returned to their homes.

We think it noteworthy that they should choose to visit McLean.

-jbu-

The Frank Goings have completed their 12-unit addition to the Dixie Motel, and are planning an open house Sunday week, May 26.

It's quite an addition to the motel, as well as to McLean — and we hope the whole town turns out. There will be more details in next week's News.

Bill Mantooth's Chevron Station is getting a face-lifting, and should look real nice when completed.

ALFALFA AIDED BY IRRIGATION

By ARNEAL SCOTT
Work Unit Conservationist
Soil Conservation Service

Not too many years ago, farmers thought it was impossible to raise alfalfa in the McLean area.

Due to irrigation, it has become an important crop. In addition, it is being grown on sub-irrigated bottomland.

Leroy Williams, McLean farmer, has proved that irrigation of his alfalfa crop is profitable, and he has a 20-acre field almost ready for its first cutting of the season.

Other farmers around McLean who are growing alfalfa under irrigation include H. C. McCurley and Peb and Richard Everett.

Applies Phosphate

Williams applies 115 pounds of phosphate per acre to his field. He gets four to five cuttings per year, and the average annual production is 5.3 tons per acre.

Enough hay is sold each year to cover expenses, and the rest is used for winter feeding.

Alfalfa can be valuable as a cash crop with good management. After deducting expenses, up to \$100 per acre can be realized by using present market prices.

MERCURY UP, BUT IT RAINS

Despite what the calendar says, summer has already arrived in McLean.

The official thermometer shot up to 101 degrees last Thursday and has hovered at or near the century mark almost every day since.

A light shower amounting to only .14 inch did tend to cool things off some on Tuesday, when the mercury rose only to 92—the lowest maximum of the week.

Rain late Wednesday afternoon and evening added another .14 to the total.

The rain Wednesday pushed to 3.09 inches the total moisture received this year, 75 of it coming in May. To this date in 1962 the city had received 3.43 inches, and the month of May ended up with 1.76.

APPLICATIONS FOR LIBRARY POST ASKED

City Commission Sets Salary At \$175 Per Month

The McLean city commission Monday night set \$175 per month as the starting salary for the new librarian selected for Lovett Memorial Library, and asked the library board to secure more applications for the position.

Three applications were considered by the library board at its meeting last week, and then were turned over to the city commission without recommendation.

Mrs. Guy Hester, librarian for the past several years, submitted her resignation at the library board meeting held last week.

The board adopted a resolution praising Mrs. Hester for her work.

Selection Next Month

In its monthly meeting Monday night, the city commission decided to delay the selection of a new librarian until next month in order to give others who might be interested in the position time to make application.

In other action at Monday's meeting, Mayor John C. Haynes read a letter from Chili Smith, district highway engineer from Amarillo, concerning the possibility of erecting speed-reduction signs on the outskirts of McLean.

The commission had requested that the signs be installed on the highway approaches to McLean, so that motorists would know to gradually reduce their speed as they neared the city.

Speed Survey Planned

Smith informed the commission that a speed survey would be conducted to determine if such signs are needed.

An ordinance setting a \$100 fine for leaving dead animals at the city dumpgrounds was read and approved by the governing board.

The board also approved the releasing of 46 acres of city-owned land south of town to Faris Hess. The lease agreement calls for the payment of \$150 per year for the land.

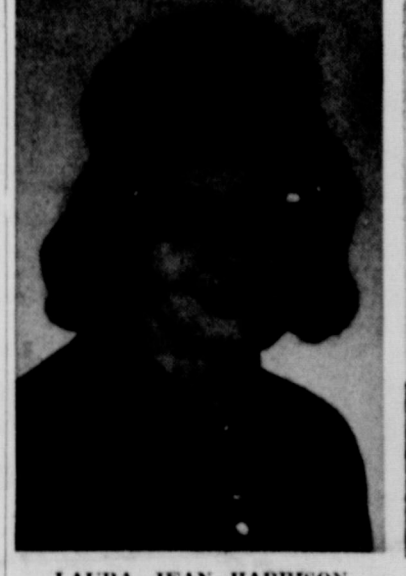

Hess has leased the property for several years.

Rev. David Thomas, pastor of the First Presbyterian Church, said the invocation to open Monday's commission meeting

LAURA JEAN HARRISON

Jeanne Harrison, Jay Ben McMillen Tops at Alanreed

Laura Jean Harrison, daughter of Mr. and Mrs. J. D. Harrison, maintained a grade average of 93.47 over the past two years and has been named valedictorian of the Alanreed School graduating class.

Salutatorian is Ben Jay McMillen, son of Mr. and Mrs. R. B. McMillen, who has an average of 93.03.

Names of the top Alanreed students were announced this week by Supt. George Smith, who said the current school term saw the "closest race for the top honors that we have had in several years."

First division medals went to Debra McClellan, tenor saxophone solo; Gail Fry, clarinet; Andy White, alto saxophone; Mike Haynes, alto saxophone; and Ronnie McElroy, French horn.

Superior for Band

Second and third division winners were Dennis Jones, clarinet; Arthur Dwyer, cornet; Keith Watson, cornet; Bob Glass, cornet; Toni Willoughby, cornet; and Francis Hopper, alto saxophone.

The band received a superior rating in all events entered and was awarded a sweepstakes trophy.

Director Jim Boyd said, "We feel that this is a real achievement, since the band had not participated before in this division. The parents would have been proud of their children if they could have heard the band play. I believe

JUNIOR HIGH BAND WINS

The McLean Junior High Band won 11 first, second and third division ratings last weekend at the area band concerts held in Gruver.

It was the first time a junior high group from McLean had entered this contest.

Students participated in concert and sight-reading on Friday, and 11 of the band members returned Saturday to enter the solo and ensemble part of the competition.

First division medals went to Debra McClellan, tenor saxophone solo; Gail Fry, clarinet; Andy White, alto saxophone; Mike Haynes, alto saxophone; and Ronnie McElroy, French horn.

Seniors Leaving Friday Schools in Final Week of Classes

School buzzers sound for the last time Friday in the 1962-63 term, but year-ending activities are to continue through the following week for the seniors.

Graduating seniors are scheduled to leave on their annual trip Friday night immediately following eighth grade commencement exercises, and return home next Thursday night.

Their itinerary will take them by chartered bus to Laredo, where they plan to cross the border over into Mexico to see the bullfights.

Then they will go to San Antonio, San Marcos, Austin and Dallas before returning to McLean.

They will be accompanied by Supt. Lee Welch; class sponsors, Mr. and Mrs. Carl Dwyer, and by Mr. and Mrs. Wallace Grimsley.

Rev. J. B. Stewart, pastor of the McLean Methodist Church, will deliver the commencement address Friday to the eighth graders.

Commencement at 8 p.m.

The program is set for 8 p.m. in the high school auditorium. Diplomas will be presented by Guy Beasley, a member of the board of education.

Also speaking during the program will be Dorothy Mae Beasley, valedictorian, and Teresa Kathleen Mertel, salutatorian.

Rev. Stewart will be introduced by Supt. Welch.

Sammy Haynes, school board president, is to give the invocation and benediction, and the recessional and procession will be by Donna Glass.

Baccalaureate services for the senior class were held last Sunday night, and commencement exercises are planned for Friday, May 24, at 8 p.m. in the Municipal Building (gymnasium).

STUDENTS ARE GIVEN AWARDS

Outstanding students in McLean High School and Grade School were recognized Wednesday in special Awards Assemblies held each year.

The assemblies were held in the high school auditorium, with certificates, medals and trophies given to the honored students.

Receiving awards in the high school assembly Wednesday morning were:

Cheerleader—Donna Hinton; drum major—Cheryl Grimsley; best all-around band student—Kay Hall; citizenship (rated best student of the entire school)—Toni Mertel; sportsmanship—LaVon Watson and Jim McCarty.

Best Students

And best all-around students (participation, scholastic, attendance, etc.)—Jim McCarty and Marilyn Magee; perfect attendance (no absences and no tardies)—Frank Robinson, Carlin D'Spain, John Bible, Barbara Simpson and Sandra Bruce.

Various trophies won in athletic competition during the past school term also were formally presented to the high school at the assembly.

Grade school awards went to:

PERFECT ATTENDANCE

Third grade—Jennifer Haynes, Jon J. Green.

Fourth—Marsha Ellison, Carolyn Holt, Steve Gray, John Hunt.

Fifth—Jenny Everett, Terrell Thornton, Ora Wayne Barker, Rhonda Davis.

Sixth—Thacker Haynes, Mike Haynes, Gary Ellison, Ernest Smith, Quinn Easley, Rovena Wright, Clinton Corbin, Marsha Hunt.

Seventh—Gary Bible, Richard Moore, Mike Simpson.

Wagon Train Riders

Persons planning to participate in the Wagon Train to Amarillo are to attend a rodeo meeting at city hall at 7:30 p.m. Saturday.

Each resident taking part in the trip is being asked to sign a release of responsibility form at Saturday's meeting.

TWU Honor Student

DENTON — (Special) — Jo Carolyn Wood, daughter of Mr. and Mrs. R. T. Wood of McLean, has been honored for being an outstanding student in scholarship at Texas Woman's University.

Miss Wood received an award for maintaining a grade average of 2.3 during the past year.

She is a sophomore at TWU.

Bill Eubanks Dies In Auto Accident

Bill Eubanks, representative of the Megert Music Co. of Borger, and a frequent visitor in McLean, was killed Wednesday night in a traffic accident at Borger.

Eubanks, who was 35, had held numerous music clinics in McLean, without charge, for band students. He died after his car struck the rear-end of a trailer truck shortly before midnight Wednesday.

Funeral services were pending at noon today.

'Soil Stewardship Week' Will Begin In County Sunday

"Soil Stewardship Week," a nation-wide observance which places emphasis on man's obligations to God as stewards of the soil, water and other related resources, will be celebrated locally May 19-26, according to James Clett, chairman of the Gray County Soil Conservation District.

The district has a film entitled "The Earth Is the Lord's" available for use by churches and organizations.

This year's observance, with the theme "We Turn Our Eyes to the Future," underscores the responsibility which each citizen has in meeting the responsibilities of soil stewardship.

The Gray County Soil Conservation District and some 2,930 companion districts throughout the nation and Puerto Rico, through their state and national organizations, are sponsoring this event for the ninth consecutive year.

The Gray County SCD will distribute upon request to churches of all faiths, programs, bulletin inserts, posters and booklets created particularly for this year's observance.

Wednesday Rites Held for Mrs. Roth

Mrs. Ethel Roth, resident of McLean, died in Shamrock General Hospital Friday night following a brief illness.

Funeral services were conducted in the First Methodist Church in Shamrock Wednesday, with the pastor, Rev. C. B. Melton, officiating, assisted by Rev. L. R. Green, pastor of the Assembly of God Church in McLean.

Burial was in the cemetery at Sherman.

Survivors include her husband, Steve, of the home; one son, Gordon Guffie, Phoenix, Ariz.; two granddaughters and 10 stepchildren.

Allisons to Attend Bankers Convention

Mr. and Mrs. Clifford Allison will attend the Texas Bankers convention in Houston May 19-21.

He is president of the American National Bank in McLean.

Mr. and Mrs. Allison left last Saturday. They are vacationing in various areas of the state before attending the convention.

Wheat Referendum Tuesday

Voting will be from 7 a.m. to 7 p.m. next Tuesday in the national referendum to determine if marketing quotas are to be in effect for the 1964 wheat crop.

Polling places include the McLean city hall, Grandview School, Laketon Store and Pampa Agricultural Stabilization and Conservation Service Office in the Gray County courthouse annex.

Miss Evelyn Mason, county ASCS office manager, urged all wheat

producers in this area to cast their ballots in the referendum. Those unable to go to the polls on May 21 may vote by absentee ballot in the ASCS office now.

A two-thirds favorable vote is required for approval of the marketing quotas.

If the vote is favorable, farm allotments as shown on notices mailed to the producers will be in effect. A diversion payment of 50 cents times the normal yield will

be the per-acre farm payment for the 10 per cent mandatory reduction which has already been removed from the allotments.

Miss Mason pointed out that farmers also may divert an additional 20 per cent of their allotments if they choose. This is voluntary, and the diversion payment for the additional acreage will be 98 cents times the normal yield for the per-acre payment on

Laura Switzer To Graduate Monday At Wayland College

PLAINVIEW — (Special) — Laura Mae Switzer, daughter of Mr. and Mrs. Forrest Switzer, McLean, will be graduated from Wayland Baptist College in the 52nd commencement exercises Sunday and Monday.

Miss Switzer, a 1969 graduate of McLean High School, is a candidate for the bachelor of science degree with a major in physical education and a minor in mathematics.

This year the graduating senior has served as publicity chairman of Wayland's Texas Student Education Association and of Physical Education Majors and Minors Club. She was vice president of Athletics for Christ, and also a Student Government Association senator of the senior class.

This year she was also selected by her classmates as a "Spinning Wheel," campus leader.

A four-year member of the Hutchinson Flying Queens, internationally famous women's basketball team, Miss Switzer recently returned from Sao Paulo, Brazil, where she and two teammates represented the United States in the Pan American Games April 20-May 5.

They were chosen for the honor at the National AAU Women's Basketball Tournament in St. Joseph, Mo., last month. Miss Switzer, three-time All-American, was also a member of the United States women's basketball team that toured the Soviet Union and played eight games against Russian teams and one Swedish team in 1961.

At the recent Sports Marathon Athletic Banquet at Wayland, Miss Switzer was awarded in absentia the Flying Queen Free Throw Trophy for 1963. She received the 1961-62 "Babe Zaharias Award" for outstanding participation in women's intramural sports.

This fall the outstanding young woman will teach in Sanford-Fritch public schools.

SS Benefits Hit \$165,740 in County

By the end of 1962 there were 24,806 people in the Texas Panhandle receiving old-age, survivors and disability insurance benefits, according to Hal Geldon, manager of the Amarillo Social Security office.

Total benefits paid to these people in December, 1962—the last month for which figures are available—amounted to \$1,529,866.

In Gray County during the same month, there were 2,516 persons receiving monthly payments averaging more than \$65 each. Insurance benefits that month totaled \$165,740.

For the entire state of Texas, old-age, survivors and disability insurance payments at the end of December were being paid to 785,996 persons at the rate of \$45,504,045 per month.

Think of three things: where you come, where you are going, and to whom you must give account.

entered the fourth grade, and she has attended there since that time.

Better known as "Jeannie," she is described by her teachers as a "very capable student" who is a "credit to any school she attends."

Her favorite subjects are math, English and physical education, and her hobbies include reading, cooking and sewing.

Active in 4-H

Miss Harrison is serving as secretary-treasurer of her class this year. She is very active in 4-H Club work, holding the offices of president, secretary and reporter, and also winning four blue ribbons for cooking and two red ribbons for sewing.

She has been secretary and song leader of the eighth grade Drag-ons Club.

She joined the Alaneed Baptist Church in 1962, and she hopes to enter the teaching field after graduating from college.

Younie McMillen was born in a Memphis hospital on Dec. 21, 1949, at which time his parents were residing in Lesley, Texas. They later moved to Lakeview, where he attended school until finishing the seventh grade.

For his eighth year of schooling, the family moved to Alaneed, where his mother is employed as a teacher in the school system.

McMillen's hobbies are model car building, hunting, reading and music, and his favorite subjects are math and science. He is not sure what future educational plans will lead to, but he is certain that it will be a phase of engineering.

The youth is eighth grade class president and vice president of the Alaneed Drag-ons. He has been active in 4-H for several years, and he has shown good sportsmanship and worked hard throughout the basketball season.

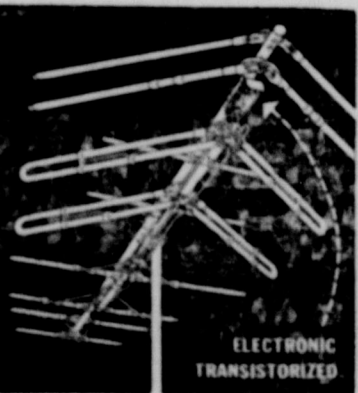

He received the Outstanding Player Award for the Alaneed Longhorns the past season. He also was active in track while attending school at Lakeview, winning awards of first place in 400 relay and second in 100-yard low hurdles.

Mr. and Mrs. Norris Cunningham and Norris Jr. and Dora Faye were in Kermit over the weekend to be at the bedside of his mother, Mrs. Zora Cunningham, who is ill in the Kermit Hospital.

Summer School Plans Being Made

Summer school classes in English and history are being planned at McLean High School, provided enough students express a desire to enroll.

Jim Boyd, a member of the high school faculty, said the classes can be held only if enough students enroll, since the total expense of the summer school must be paid by the students.

It will be necessary for students to make their desires known before May 21, Boyd said, and a minimum of 10 students is required in order to hold the school.

Only high school students are eligible.

A student may receive credit for one full year of English or one full year of history, or a half-credit in each subject for the maximum of one full credit.

Write to School

Interested McLean High School students are being given an opportunity to place their names on the school bulletin board until Friday of this week.

Those who do not place their names on the bulletin board should write to McLean High School, Summer School, Box 69, before next Wednesday listing the courses they wish to take.

An announcement will be published in next week's McLean News stating whether a sufficient number of students have enrolled. Additional information concerning deposits and fees also will be announced, if the school is to be held.

Mrs. Tom Bogard of Bula spent the weekend with her mother, Mrs. Lurah Rhodes, and also visited her sisters-in-law, Mrs. C. B. Peabody and Mrs. Lena Pettit.

Mr. and Mrs. Frank Rodgers and Mrs. Callie Haynes visited in Weatherford, Okla., Sunday with Chris Rodgers, Mrs. Bob Barnett and W. L. Haynes.

Snake Stop

Recently I received a letter from a lady at Turkey, Texas, that wanted the address of the company that made the compound called "Snake Stop."
The lady mentioned the fact that about two years ago she wrote me to inquire about how to get this chemical. Uncle Zeb, who writes for SW Crop and Stock, picked this item up out of this column sometime ago and mentioned it in his column in the above magazine.

I had quite a number of letters about the matter then. They came from New Mexico, Fort Worth and a wide area.

Since I corresponded with the lady at Turkey, several local farm stores have begun to stock the material. This is supposed to repel snakes up to 30 days in dry weather, or longer.

Mr. and Mrs. Creed Bogan of Borger visited with his mother, Mrs. W. E. Bogan, during the weekend.

Mr. and Mrs. George Humphreys attended the funeral of her niece, Mrs. E. P. Kromer, in Borger Tuesday.

If snakes stay in the chemical too long, it is supposed to kill them. If you are having rattle-snake troubles such as the lady above who lived on a ranch and had five small children, I believe you would be wise to give it a try.

Screwworm Program

Over 105 million sterile screwworm flies are being released weekly from the Mission, Texas, headquarters of the Southwestern Animal Health Research Foundation.

Several minor outbreaks north of a control barrier line have occurred. In each case, planes with sterile flies have been rushed in and stamped out the threat.

A lot of fingers are still crossed as to the outcome of the program.

Sunday guests in the Raymond Glass home were Mr. and Joe Bob Barnhill and daughters of Turkey and the Dale Glass family of McLean.

Mrs. Janie Mason and children of Amarillo were weekend guests in the J. I. Martindale home.

Chaplain and Mrs. Bobby Wayne Myatt and children have been visiting his mother, Mrs. C. A. Myatt. They have been transferred from New Orleans, La., to Fort Pendleton, Calif. Sunday guests in the Myatt home were Mr. and Mrs. G. A. Shull and son and Mr. and Mrs. Keith Myatt and children of Amarillo.

Dorcas Class Holds Salad Luncheon

The Dorcas Sunday School class of the First Baptist Church met in the Fellowship Hall of the church Monday for a salad luncheon.

Members attending were Mes. Homer Abbott, Forrest Hupp, Brent Chapman, Alvin Teeple, Ed Goppock and Raymond Smith and one guest, Mrs. M. J. Gibson of Muleshoe.

Mr. and Mrs. George Colebank have returned from a visit in Dallas with Mr. and Mrs. C. B. Lee and daughter, in Irving with Mr. and Mrs. Wayne Wood and in Fort Worth with Rev. and Mrs. Dan Cooper. While the Colebanks were in Dallas their son-in-law, C. B. Lee, suffered a heart attack and will be confined to the Doctors Hospital in Casa Linda for three weeks.

BE PROTECTED AGAINST HAIL

AN IMPORTANT MESSAGE TO THE FARMER FOR 1963

The PANHANDLE MUTUAL HAIL ASSOCIATION has paid back to the farmers an average of \$4c of each premium dollar over the last 4 years for HAIL LOSSES. The loss benefits is the important and simple crux of any insurance policy, and much sweeter than any token dividend or deviation.

TEN REASONS WHY PANHANDLE MUTUAL HAIL ASSOCIATION IS ONE OF THE LARGEST CROP HAIL WRITERS ON TEXAS CROPS:

1. All Texas policies are reinsured by the LLOYD'S OF LONDON with billions of dollar assets.
2. All liability is mapped and limited by section and township.
3. Approximately FIVE MILLION dollars paid to West Texas farmers for losses the last five years.
4. A-PLUS (EXCELLENT) RATING BY "DUNNE'S FIRE AND CASUALTY REPORT".
5. Required legal reserve (policy holders surplus) maintained at all times and deposits are kept in LOCAL BANKS throughout the West Texas area.
6. The PANHANDLE SPECIAL cotton policy DOES NOT have the REPLANT clause and we DO NOT use the PLANT POPULATION adjustment at any time on this policy.
7. We DO offer the FB-10 with (Replant Clause) and the Broadform policy—full effect on June 5th in Zone 2 at (noon) with replant clause before this date and plant population adjustment at a reduced rate.
8. The PANHANDLE Wheat Policy is the only policy with the "Extra Harvest Expense Award" benefits, also with the 10% credit on Tascosa and beardless wheat, only 48 hour waiting period and a nice premium saving in most counties.
9. Free cancellation on crop failures (See Dates) . . . arbitration clause.
10. Your PANHANDLE MUTUAL HAIL ASSOCIATION wants to serve you with "THE THINKING MAN'S HAIL INSURANCE".

Be sure and talk to your PANHANDLE MUTUAL AGENT now to compare and study the coverages and rates, because of the many coverages that are now being offered, you need to know which policy fits your West Texas farming conditions the best.

12 Piano Students Enter National Guild Auditions in Pampa

Twelve students of Mrs. Willie Boyett's piano class entered the National Guild Auditions in Pampa Tuesday of last week.
 Jon Green played 10 first grade pieces, and Judy Saunders and Judy Watson played six second grade pieces.
 The following played 10 selections each:
 Nelson Dwyer and Debra McClellan, Sonatina, first year level; Keith Watson, Sonatina, second year level; Beth Dalton, Sonatina, third year level; Elaine Baker and Sarah Coleman, Sonatina, fourth year level; Martina Giesler, Phyllis Pukan and Janice Saunders, Sonata, first year level.
 Mrs. S. M. Stores of Alamogordo, N. M. was the judge and was very liberal in her grading. It had been planned before that the number of entries and the grade received in the audition would determine the local ratings for the preceding six weeks period.
 Donna Glass was unable to attend the auditions and will play for Mrs. Yoder, Gray County chairman of the auditions, at a later date.

Mrs. Petty Host To WMS Circle

The Herman-June Circle of the WMS of the First Baptist Church met Tuesday with Mrs. Luther Petty.
 The meeting was opened with prayer by the circle chairman, Mrs. Frank Howard.
 The prayer calendar was read by Mrs. Petty, followed by prayer by Mrs. Boyd Reeves.
 Mrs. Ed Coppock was in charge of the program entitled Educating Youth in Missions.
 The program compared the growth and development of a fruit tree with the growth and development of the mission spirit in the hearts of youth.
 Mrs. Lee Welch and Mrs. Howard helped with the illustration.
 Mrs. Glenn Florey dismissed with prayer.
 Refreshments were served to Mrs. Edgar Smith, Mrs. Hershel Smith, Mrs. Bill Pettit, the above mentioned members and some children.
 Mrs. Winona Gibson of Muleshoe spent the weekend in the home of Mr. and Mrs. Raymond Smith.

SILOS / Peace of mind for the farmer now available for the first time! Inspection of silage at feeding time is now no longer necessary. Mold, rust and algae cannot occur. Your ensilage is now insured against rotting, spoiling and excessive fermentation. Air holes cannot occur in staves because cement or wood can now be acid-proofed and water-proofed with X-33.

HOMES / Why does paint peel, blister, crack and chip? Because rain water penetrates and when evaporation takes place the thin film of paint is broken. Initially the tiny pinholes are invisible to the naked eye but as time goes on serious deterioration takes place and another expensive paint job is inevitable. Avoid frequent repainting.
 Apply X-33 which is unconditionally guaranteed for at least ten years and makes your paint impervious to the harmful effects of water penetration and water evaporation.

BASEMENTS / Floors and walls in cellars can be made completely bone dry and waterproof by applying X-33 with an ordinary paint brush, roller or spray gun.
 Below grade seepage can now be avoided. Reasonable hydro-static heads can be controlled. Dampness, mildew and condensation can be eliminated.

Barns, Brooders, Farmhouses: Must not only resist the elements but provide living comfort within. X-33 assures dry, livable quarters—protecting not only the buildings and premises but the great investment in livestock as well. There's no water problem from the weather outside or the necessary sanitary precautions inside when the invisible water barrier of X-33 is established throughout. And it's so easy to apply to any surface by brush or spray!

the individual farms.

If the quotas are in effect, advance payments of one-half the diversion payment will be available.

Price support at the national average of \$2 per bushel will be in effect for certificate wheat. This is 80 per cent of a producer's allotment times the normal yield for the individual farm.

"You would have the same amount of certificate wheat whether you divert only 10 per cent of the additional 20 per cent, if you plant 80 per cent of your allotment," Miss Mason said.

In the event of a crop failure, certificates can be redeemed at the county ASCS office for 70 cents per bushel.

Grazing will be permitted during the winter months, but for full diversion payment it would be stopped between May 1 and Nov. 1. Grazing the year round would be permitted, if preferred, but the producer then would receive one-half diversion payment.

If the 1964 feed grain program is approved, permitted acres of feed grain can be planted to wheat and will be supported at the national average of \$1.30 per bushel.

Or, if desired, the wheat allotment can be planted to feed grains with feed grain price support.

In order to interchange the acreage, however, a farmer must sign up in both the wheat and feed grain programs.

A penalty will be in effect for exceeding the wheat allotment. The penalty is to be twice the normal yield times 65 per cent of parity (approximately \$1.65).

The program in effect if the marketing quotas are not approved includes the following:

1. The farm allotment as shown on a producer's notice still will be in effect for the farm. Price support would be available to those planting within the allotment at 50 per cent of parity (approximately \$1.25 per bushel).
2. No diversion payments. No certificate wheat or certificate redemption.
3. No penalty for over-planting. There is an exception: Producers with soil bank contracts will violate that contract if they over-plant any allotment.

it was the best job this group of students has ever done."

He added: "We were proud of all the students who entered, but we were especially proud of the sixth graders."

Many Thanks
Boyd thanked all parents, "not only of these students, but of the students in the beginners and high school band for the splendid cooperation which I have received this year."

"I would also like to thank Mr. Green, Mr. Riley and Mr. Welch for allowing our program to prosper. There is also another group that has been very patient with me—the employers of the students, who have allowed their student employees to miss several hours of work so we might better our band."

Boyd also expressed his appreciation to the Band Boosters Club and "the town people for making our success possible."

A large crowd of townspeople attended the annual spring band concert last Friday night. During the program band awards were presented.

Outstanding band members named were Tommy White, fifth grade; Ronnie Mellroy, junior high, and Joan Flowers, high school.

The John Philip Sousa Award, presented each year to the outstanding band student, went to Linda Gull. Selection of the recipient is determined by a vote of band members, school officials and the band director.
