Fair to partly cloudy this afternoon, tonight and Tuesday; little change in temperature.

Troops Move Into Airplane Factory

Tornadoes Strike Panhandle Towns, Kill Four, Hurt 21

Permanent Proration Law Asked

AUSTIN, June 9 (AP)—Legislation making oil proration permanent in Texas was urged today by Railroad Commissioner Jerry Sadler in a letter to Lieutenant Governor Coke, R. Stevenson.

In the letter, Sadler said he would leave tonight for Washington and might not return before the legislature's adjournment. He declined to reveal the purpose of his trip.

"Being the largest oil producing state," Sadler declared, "it is imperative now more than ever that we set a perfect example of coordination with the federal defense program."

He pointed out that proposals now before the legislature would make proration of oil permanent and "place Texas in the forefront of wholeheartedly tendering the administration our every effort of cooperation."

Sadler told Stevenson "the answer rests on your hands that I may be able to tell Coordinator Ickes and other administration leaders that Texas has its house in order and will go all the way in this nation's defense plans."

The house has passed a permanent proration law, but the senate amended it to provide for two-year reenactment of the statute.

Senate Seat Seekers Keep Beating Bush

Part of the candidates in Texas' 27-man senatorial race report the fact that some factions believe there are only four of the contestants who have a chance to be elected June 28.

A. B. Cyclopedia Davis said in Dallas yesterday (Sunday) that the "23 unrecognized candidates" would "hold an indignation meeting" in Dallas next Sunday to make their resentment against the four-man attitude known.

Rep. Lyndon Johnson proclaimed an audience at L'Orange Saturday he would "roll up my sleeves and get the job done" if sent to the senate and restated his pledge to "go with the boys" if it became necessary for him to vote for war.

Gov. W. Lee O'Daniel, who is doing his campaigning by radio while the legislature remains in session, came in for discussion last night at Waco.

Members of the McLennan county Pension club split over whether to ask the governor to quit the senatorial race and continue as governor to seek further pension legislation.

One faction adopted a resolution requesting he quit the race and another group left the session and drew up a resolution of its own asking that he continue the race.

Dies continues his campaign today at Itasca, Granbury and Cleburne and Mann plans to be at Dallas, Rockwall, Willis Point, Grand Saline, Mineola, Quitman and Jacksonville.

Opposing Generals In Mock War Offer 'Bounties' On Each Other

WITH ARMY IN TENNESSEE, June 9 (AP)—The two generals who will command opposing forces in the army's test of a motorized division against one of the new armored divisions today offered bounties for the capture of each other when their troops meet in the Tennessee war game.

STORMS DO MUCH DAMAGE AT KRESS, CLARENDON, SPADE

KRESS, June 9 (AP)—A tornado which struck in two places on the edge of the Texas Panhandle today killed two persons, injured almost a score and caused more than a half million dollars damage.

Two persons were killed and at least six others were seriously hurt when another tornado dipped into the Spade community of Lamb county about 4 o'clock this morning.

The dead: E. P. Singleton, 70, killed instantly when the storm swept way his home at Kress. Mrs. R. E. Drennon, 46, wife of the Clarendon Junior College dean, who died in an Amarillo hospital late this morning of injuries received when the

Eight Die In Kansas Storm

WICHITA, Kas., June 9 (AP)—A tornado killed eight persons on farms north of Wichita late last night, five of them at the Guy Scribner home, scene earlier in the day of joint observance of a 23rd wedding anniversary and the mother's 42nd birthday.

The dead: Mrs. Guy Scribner, 42; Betty Scribner, 16; Margaret Scribner, 19; Mrs. Ralph Kruger, about 70, mother of Mrs. Scribner; Janet Lee Paulson, 4, a neighbor child spending the night with the Scribners; Miss Marie Penner, 38; Haskell Keys, 50, of Oklahoma City; the infant son of Mr. and Mrs. Christ Thierstine, Jr.

Guy Scribner, husband and father in the family whose one-story frame home was demolished, was taken to a Newton, Kas. hospital suffering a broken leg and shock. Dr. A. S. Hawkey, who treated him, said Scribner was blown 200 yards but managed to crawl a quarter mile to the home of Mr. and Mrs. Virgil Paulson, parents of Janet Lee, for aid.

The entire Scribner family was asleep when the storm struck. Bodies were scattered 100 yards.

Gaines Murder Suspect Held

SEMINOLE, June 9 (AP)—Bill R. Prather, 31, was in the Gaines county jail today under charges of murder in the fatal shooting of George H. Dark Thursday.

Prather was arrested by a posse on the Five Wells ranch, 25 miles southeast of here, Friday after roaming in the open all night during wind and rain storms.

The charges were filed by County Attorney W. A. Griffith. Dark was shot while at work on a tractor in a field near the Gaines-Dawson county line.

Death Takes Mrs. Piner

Mrs. Ida Piner, 79, mother of Robert T. Piner and pioneer resident of Big Spring, succumbed at 2:15 p. m. today at a local hospital.

She suffered a sudden illness Sunday and her condition grew progressively critical. Arrangements were pending.

cyclists, countered with a \$50 offer for the seizure of General Haskell. In addition, he offered \$5 for each soldier assisting in the capture.

With the maneuvers of the 5th, 27th and 30th divisions entering the second week of training tests against a simulated enemy, the offers of awards sent team spirit up.

The impending "battle" will provide officers with their first opportunity to study the tactics of a full armored division in simulated combat against modern motorized fighting forces.

The armored division is due to enter the first problem next Monday but the direction and exact time of the "attack" was being guarded closely.

New Quota Of Selectees Is Filled

Eight young men have been named to fill Howard county's June selective service quota of eight, the selective service board announced Monday.

They are: Earnest John Peach, general delivery; James Nelson Floyd, general delivery; George Gonzalez Palacios, Knott; Emanuel Chastain, general delivery; Louis Newman Addison, 1805 Lancaster; John Truman Reynolds, 304 Johnson; Brent Carroll Jackson, Jr., 508 Goliad; Jack Y. Starkey, Jr., 701 Johnson.

Peach is a volunteer. Addison, now in the mountain country of Colorado, has written the board that he desires to return home and enter the service through his home office rather than muster in at some Colorado post.

The schedule calls for departure from here at 7 a. m. Friday for Fort Bliss at El Paso. The quota is No. 17 for the state. Lack of envelopes has slowed the rate of mailing on questionnaires from the local board, but it is probable that the remaining 300 plus will be mailed before the end of the week. To date 2,850 have been mailed.

Fines Roll In As Cops Make War On Speeders

Slower driving habits are being cultivated in Big Spring—the hard way. City policemen, highway patrolmen, and Constable Jim Crenshaw are all paying special attention these days to the slowing down of traffic.

Four persons paid weekend fines of \$14, including costs, to Justice of the Peace Walter Grice, for driving too fast. City court has been assessing fines for the same offense more frequently than usual. The speed limits are: 30 miles in town, 60 miles on highway in daytime, 80 miles on highway at night.

Drivers can get that fast for the cost of their gasoline and wear and tear on their cars. But if they go faster, they are put to the extra expense of paying speeding fines.

Draft Boards Are Lauded

WASHINGTON, June 9 (AP)—Selective service headquarters today cited for high praise the unknown civilian soldiers of the new army—those 19,500 citizens who serve on the nation's local draft boards.

Brig. Gen. Lewis B. Hershey, selectee headquarters director, said that "they serve for no other remuneration than the knowledge that they are giving of their time and their effort to perform well a task for their country in an hour of need."

Behind the cover of such impersonal terms as "selective service system" and "local boards" the work of these individuals who actually are administering the selection of men for military training has received little more than formal notice. Yet they actually compose one of the first groups of American citizens to volunteer their services to the country in the present emergency.

Night after night in cities, towns and rural districts, these doctors, lawyers, business men and members of many other callings sacrifice their evenings to meet as members of the local boards.

Selective service officials said that the average local board member puts in 10 to 20 hours a week on the job. Their contributions in time, it was pointed out, are matched by the responsibility they assume in making decisions about which registrants are available for military duty.

PHILIPS CONFIRMED AUSTIN, June 9 (AP)—The senate today confirmed the appointment of Shine Phillips of Big Spring as a member of the state board of pharmacy.

FDR Orders Breaking Of Picket Lines

Government Takes Forceful Action For First Time

WASHINGTON, June 8 (AP)—Asserting that continuous production in the North American Aviation plant at Inglewood, Calif., was "essential to national defense," President Roosevelt today ordered the army to take over the strike-bound plant and operate it.

Troops moved in soon after his order was issued at 10:40 a. m., Eastern Standard Time, a few minutes after the plant had opened at 7 a. m. Pacific Coast Time.

The order was transmitted to the army officers in command of troops at the plant by Robert F. Patterson, undersecretary of war, by long distance telephone from the chief executive's study.

The president himself talked to the commander, Lieutenant Colonel Charles E. Branshaw, the White House said. Branshaw had recommended that the troops take over.

Also present in Mr. Roosevelt's study were Sidney Hillman, associate director of the office of production management; Attorney General Jackson; Harry L. Hopkins, supervisor of the lease-letting program; and Stephen Early, presidential secretary.

Early said that Branshaw was directed by Patterson, in accordance with the president's instructions, "to tell the military that they should give protection to the men returning to work, leaving work and at their homes."

Hillman and the others agreed, Early declared, that the issuance of the order was necessary if the plant was to open and operate because the workers were willing to return to work and seemed hesitant to do so unless given protection by the army.

Early said Branshaw had reported that approximately 1,000 men with dinner pails were waiting outside the plant, ready to go to work, and were being prevented from doing so by approximately the same number of pickets. The army officer said that only about 10 men had entered the plant, Early reported.

Branshaw, Early added, had expressed the opinion that it was necessary to use the army because the situation was "beyond control of the Los Angeles police."

The executive order was prepared, Early said, in collaboration with the war department, justice department, national defense mediation board and the OPM. The cabinet previously had given unanimous approval to the step.

The White House said Mr. Roosevelt's order was issued under powers vested in him by the constitution and under his recent declaration of an unlimited national emergency.

It was the first time the government has taken such definite action to handle a strike situation, instead of relying upon appeals.

Other property owners will be allowed to appear in a second session of the board June 23.

London Announces Loss Of Ships

LONDON, June 9 (AP)—The loss of the anti-aircraft cruiser Callcutia and the destroyers Hereward and Imperial during the British evacuation of Crete was announced tonight by the admiralty.

WEST TEXAS — Showers and thunderstorms in southeast portion; elsewhere fair this afternoon, tonight and Tuesday, cooler in southeast portion; continued cloudy or eastward.

WEST TEXAS—Mostly cloudy, local thundershowers tonight and Tuesday. Fresh occasionally strong southeast and south winds on coast.

LOCAL WEATHER DATA Highest temp. Sunday 83 Lowest temp. today 67 Sunset today, 7:31 p. m.; sunrise Tuesday, 5:39 a. m. Precipitation, trace.

Soldiers Will Escort Men Desiring To Resume Work

LOS ANGELES, June 9 (AP)—Three thousand U.S. troops, bayonets and machine guns drawn, took over the strike-bound North American Aviation plant today under presidential proclamation after two brief riots in which tear gas bombs were hurled between police and a CIO picket line, 1,000-strong.

Six persons were taken to the Venice hospital after fights between the pickets and workers who tried to enter the plant. Strikers generally yielded to the troops that advanced on the big plane factory in long skirmish lines, but one who stood his ground was bayoneted and taken to a hospital.

A convoy of fifty trucks, loaded with army troops, moved down Redondo boulevard in front of the plant.

The troops were greeted with cheers by the lines of workers across the road from the plant main entrance, who had been prevented from entering the struck plant by disorders.

LOS ANGELES, June 9 (AP)—Lieut. Col. Charles E. Branshaw, in charge of the western district office of the Army Air Corps, in nearby Santa Monica, in taking over the struck North American Aviation Company today, issued this statement:

"By authority of the president of the United States and in compliance with orders of the secretary of war, I am this day taking over in the name of the government the plants and activities of North American Aviation, Inc.

"My instructions from Washington are to take immediately all steps necessary to protect workmen desiring to enter the plant, those leaving the plant and in their homes, and to take such other additional measures as may be needed in the interest of national defense.

"Effective immediately, the plant will be opened for work under government control. Employees desiring to return to their jobs will be given all necessary protection to insure free and safe entrance to and exit from the factory.

"Under government control, employees of North American Aviation will not be coerced or intimidated to return to or remain in the plant. At the same time and to the extent possible under the law, no person or organization will be permitted to coerce or intimidate any individual who desires to return to work, nor will any action calculated to delay, hinder or endanger national defense production in the plant be tolerated."

Draftees Get Real Dose Of Army Life

CAMP BOWIE, BROWNWOOD, June 9 (AP)—Johnny Draftee, who might have been a drugstore cowboy, a millionaire's son or a truck driver is getting his first taste of modern warfare in the Eighth Army Corps maneuvers.

More than 30 per cent of the 70,000 soldiers working at war on the vast 500,000-acre battleground east of Brownwood are men fresh from civil life.

Some have been in the army a few months, others only weeks. Under the army's new training system, they absorbed in 13 weeks what it used to take the army six months to drill into a rookie's head.

Then, from the training and replacement center, they were shuttled to regular army units and prepared for maneuvers such as these—a rigid test which throws into sharp focus the army's effectiveness or lack of it.

Word came from the field today that Johnny Draftee was doing a good job.

The corps maneuvers started last night which would leave much time for analysis were the activities not so arduous.

The title "war games," which ordinarily is applied to maneuvers, is a misnomer if there ever was one. Long hours, little sleep, strained nerves and missed meals—those are a soldier's lot. It doesn't take an officer long to find out who the weak sisters are.

The army plan to build up men's physical strength as well as mental and soldierly capacity for maneuvers is simple.

A system of gradual training—little maneuvers such as camp field problems and division exercises—is used, until finally the soldier is ready for the big examination. Or, as one officer put it, "when the boys come into the army they are bush-leaguers; the smaller man maneuvers put them in the class A league; here they are class double-A players, and this summer in Louisiana when the big army maneuvers start they will be in the major league."

Boats Churn Moss Creek Lake Waters

If Big Spring people don't become motorboat conscious, it won't be the fault of Ollie Williams. Some have been in the army a few months, others only weeks. Under the army's new training system, they absorbed in 13 weeks what it used to take the army six months to drill into a rookie's head.

Boats Churn Moss Creek Lake Waters

Boats churning the waters of Moss Creek lake today were doing a good job.

The corps maneuvers started last night which would leave much time for analysis were the activities not so arduous.

The title "war games," which ordinarily is applied to maneuvers, is a misnomer if there ever was one. Long hours, little sleep, strained nerves and missed meals—those are a soldier's lot. It doesn't take an officer long to find out who the weak sisters are.

Army Seeks Lost Plane

SALT LAKE CITY, June 9 (AP)—The army air corps sought today for word of a B-18 twin-motored bomber that left here at 1:35 (MST) yesterday afternoon with a crew of six on a non-stop flight to Chicago.

The ship, due at the Chicago municipal airport about 9 p. m. yesterday, was unreported throughout the night.

Aboard were Capt. D. N. Metherell of the 16th reconnaissance squadron as pilot; Lieutenants T. F. Holsten, J. V. Gallagher and K. Harvey, and Staff Sergeants D. E. Hawley and M. McGowan, all stationed at Boise, Idaho.

Showers and thunderstorms slashed across their route, with the worst flying weather indicated east of Cheyenne during the period the ship would normally have been in that area.

Commercial lines, however, had little difficulty in making schedules throughout the day and night.

British And Free French Make Advance

By the Associated Press

British and "Free French" mechanized columns, striking across ancient battlefields where the Crusaders fought the Saracens, were reported today to have advanced within 40 miles of Damascus, capital of French-ruled Syria, and also within 40 miles of Beirut, capital of Lebanon.

General Henri Dentz, commander of Syria's defense forces, declared bloody fighting was in progress.

The French high command said French troops were fiercely resisting their former British allies along the Syrian-Lebanese frontier, destroying several armored cars and shooting down two RAF warplanes.

A French communiqué said the RAF again bombed air fields at Damascus, at Aleppo in the north, and at Latakia.

It was not immediately clear whether France would declare war on Great Britain. In Berlin, a Nazi spokesman said the question of Germany's attitude or ultimate action could not be discussed.

British warships, supporting the land invasion which began at 3 a. m. Sunday, were reported in action along the Syrian coast, shelling the port of Tripoli, torpedoing several oil tankers, and bombing other coastal points.

Dispatches from Jerusalem said allied forces, which Vichy estimated at 20,000 strong, were driving across the broiling desert and into the volcanic mountains of the French Levant states from Palestine and Trans-Jordan and were pushing back the French armies of 45,000 men wherever they met.

Three allied columns were reported in action:

1. From Trans-Jordan, one force was said to be marching through the land of the warlike Druses in Jebel Ed Drus toward Damascus. A German radio report said this column had advanced 25 miles to Souda, capital of Jebel Ed Drus, 55 miles south of Damascus.

2. From Palestine, another column was reported knitting toward Beirut north of the sea of Galilee, attacking the 13th century Crusaders' stronghold of Sidon.

3. Still another contingent of British motorized troops was reported advancing up the Euphrates river valley in Iraq toward the big French outpost of Deir-Ez-Zor, in eastern Syria.

The French high command said a British naval squadron of a battleship, two cruisers and five destroyers attacked the coast of Lebanon, south of Beirut, and landed small forces armed with sub-machine guns. The landing party was declared to have been captured.

Authoritative London quarters said the allies had entered the town of Merjayoun, on the road to Beirut, and also captured Tyre (Cair), on the Lebanese coast. Merjayoun is 40 miles south of Beirut; Tyre is 40 miles southwest of Damascus.

Capture of 150 German parachute troops in French-ruled Syria was reported today as British and Free French mechanized columns drove into France's Middle East colonies.

The big guns of the British fleet threatened to bombard Beirut, the capital of Lebanon.

Both the German and French have vigorously insisted there were no Nazi troops in Syria.

Dispatches from Vichy reported that defenders of Beirut had blown up their coastal road leading from Palestine to the Lebanese capital, in a move to slow the 3-day-old allied invasion.

Vacation School Registers 124 At Monday Session

A total of 124 persons had registered in the Vacation Church school of the First Methodist church at the close of the opening day Monday. Registration will continue through Tuesday. Of the total, 27 have registered as instructors, according to Woodrow Wadbeck, director of youth activities.

Former Ft. Worth Man Is Married

BALTIMORE, Md., June 9 (AP)—Miss Edith Virginia Richardson of Kensington, Md., and Robert Blake Powell, formerly of Fort Worth, Tex., were married here June 6 at the Seventh Baptist church.

The couple left for a honeymoon in Rehoboth Beach, Del., and New York to spend a week before going to Washington, D. C., where Powell is employed by the civil service commission.

Sanders Family Holds Reunion Over Weekend

For the first time in four years Mr. and Mrs. J. E. Sanders had their six children together for a family reunion over the weekend. The family gathering took place in the Sanders home at 703 Nolan

and pictures of the group were taken. Attending were Lieut. Preston R. Sanders, stationed in the Beaumont general hospital in El Paso and formerly on the staff of the Big Spring hospital; Mrs. Warren Smith and children of Chicago; Virgil Sanders, student in the John Sealy Medical school in Galveston; Garland Sanders and family; Mrs. Henry Carpenter and family of this city, and Clifton Sanders of El Paso.

Accuracy Needed In Tennis Game

KANSAS CITY—Gov. N. Tracy has further proof that accuracy pays in a tennis game. He smacked a ball out of the court. It rolled into rain swollen brush creek. Tracy waded in after it.

As he reached to pick up the ball, a log knocked him off his feet. The current swept him a quarter mile downstream. He grasped a bridge support and weakly climbed to the bank. The ball floated by.

Blue Bonnet S. S. Class Will Be Entertained At Party Tuesday Evening

Mrs. H. L. Bohannon will entertain the Blue Bonnet Sunday school class of the First Christian church in her home at 8 o'clock Tuesday evening with Mrs. Paul McCarty assisting.

Play Features Rebekah Lodge Meeting At Knott

KNOTT, June 9 (Sp)—A one act play by four Big Spring lodge women was the outstanding feature of the meeting of the Knott Rebekah lodge No. 14. Taking part were Mrs. Della Herring, Eula Pond, Rosalee Gilliland and Alma Crenshaw. In the election of new officers Mrs. Willie McClain, noble grand, and Mrs. Grace Kemper, vice grand, were chosen.

After the business session the members and visitors enjoyed a social hour. Refreshments were served to Mrs. Alma Crenshaw, Mrs. Della Herring, Mrs. Rosalee Gilliland, Mrs. Maggie Richardson, Mrs. Eula Pond, Mrs. Dolly Mann and daughter, all of Big Spring; Mr. and Mrs. T. M. Robinson and children, Mr. and Mrs. T. H. Hughes, Mr. and Mrs. J. M. Meyers and children, Mr. and Mrs. George Bays, Mr. and Mrs. Jim Iden, Mrs. Nora Gaskins, Mrs. Willie McClain, all of Knott, and Mrs. Myrtle Morrow of Ackerly.

Mrs. J. C. Wolton, elected new teacher for next term at Brown, left this week for Canyon where she will enter school to do work toward a degree.

Mrs. Lee Castle, Alena Forrester, Elmer Anderson, Joy Beth Phillips, attended the convention of the West Texas district of Young People of the Church of God at Sweetwater Thursday and Friday.

Mrs. Porter Motley and her niece, Miss Edna Mae Motley, left to enter the first semester of summer school at Sul Ross college at Alpine. Mrs. Motley will work on postgraduate music and Edna Mae a graduate of Garner this May, is entering as a freshman.

Eddie L. Morgan Is Now Instructor In Aviation In Stamford Service

Mr. and Mrs. Eddie L. Morgan of Stamford were the weekend guests of their parents, Mr. and Mrs. J. M. Morgan and Mr. and Mrs. Olie Cordill.

Eddie, once renowned in this region as a golf champion, is now instructor in aviation in the government flying service recently instituted in Stamford. Morgan began taking private lessons in aviation in Odessa a year ago and has made definite progress in aviation in that short period.

With his wife he has made several long trips by plane, including a visit to the airplane factory in Lock Haven, Pa.

Lubbock Ready For Legion Convention

LUBBOCK, June 9.—Preparations are complete for joint conventions of the American Legion and auxiliary of the Fifth Texas division and the 19th congressional district to which Lubbock's Allen Bros. post will be host Saturday and Sunday, June 14 and 15, according to Chas. Whitson of Lubbock, 19th district commander.

Registrations are to begin at noon Saturday in the legion home, 910 Texas avenue. Members of the 40 and 8, fun organization of the legion, are to frolic Saturday afternoon and will stage their "wreck" at 8 p. m. Business session of the 19th district is scheduled Saturday night at 7:30 o'clock, when a commander and vice commander are to be elected.

Mrs. Bottomley Hostess For Child Culture Club In Party Entertainment

The Child Culture club will be entertained with a lawn party at 7:30 o'clock Tuesday evening at the home of Mrs. Harold Bottomley, 1106 Sycamore street.

Failing Eyesight Ruins Pickpocket

NEW YORK—Failing eyesight brought 57-year-old Joseph Martino to the police lineup on the same old charge that has been plaguing him since 1918—picking pockets.

Two policemen collared him in a department store after they said he deftly opened a woman shopper's purse, closed it, put on his glasses the better to see its contents, opened it again and then closed it once more when he saw the haul would be too small.

Local Minister Received Iron Cross For Important Service To Kaiser During World War

By JOHN R. HUTTO

The recent death of the ex-Kaiser Wilhelm II of Germany had quite a different meaning to Rev. George M. Hank, pastor of the local Mexican Baptist church, to most of the people of Big Spring. When he was handed the newspaper that announced the death of the late exiled ruler he at once became reminiscent.

When asked if he ever saw the kaiser he replied, "Surely, many times. I was a soldier in the World war and the emperor inspected our command. I was a striking boy, still in my teens and was quite a boyish looking. He raised my helmet, which was too large for me, and said to me, 'Boy, how old are you?'"

But it was Rev. Hank's experience at Ypern that he relates with the most interest. Ypern was a town of 30,000 inhabitants situated in Flanders and at that time was in the hands of the Germans. All the inhabitants of the city, except the inmates of an insane asylum, had been forced to evacuate the town which was occupied solely by German soldiers. The day was a solemn one, the day preceding an expected hard battle, and the place was the Catholic cathedral of the city. There was no one to play the organ, but the great military band furnished music for the Holy Mass.

Rev. Hank said, "Our priest was wounded and was interned in a provisional field hospital. One of our captives was a French priest and our commander decided that it would be necessary for him to sing the Mass on that occasion. There were 15,000 soldiers in deep devoted meditation in the church and we expected a hard battle for the next day. We didn't know but that half of us might be in our graves before the setting of another sun.

The priest needed an assistant and our commander inquired if there were any soldiers present who knew Latin and could assist in the Mass. I had been a student in a Catholic seminary and was preparing for the priesthood myself, and consequently knew Latin. I arose and offered my services, but something awful happened in the Mass.

In the most solemn moment of Mass the priest pronounced in a whisper the following words, "Hoc est enim Corpus Meum" which translated means, "This is my body." All soldiers were standing at present arms and the drums were rolling with a tremendous roar. Of course I could not hear what the priest was saying but I could tell from the movement of his lips that the words were not in Latin.

"I called an officer's attention to the actions of the priest and technicians were ordered at once to make an examination of the altar and tabernacle. It was found that the prisoner-priest was speaking into a secret telephone that was concealed behind a curtain and that he was talking to Edgley soldiers who were planning at that very time to take advantage of the sacred occasion and blow up the building and kill all the soldiers. A group of soldiers did make an attack, but our forces were ready

PERTAINING TO PEOPLE

Miss Jacqueline Faw returned home Saturday evening from Oklahoma City where she has been a student in the Oklahoma City university to spend the summer vacation with her parents, Mr. and Mrs. H. S. Faw.

Mrs. Mary Whaley left Sunday for St. Louis for a two-weeks visit with her mother and brother. Mrs. B. T. Cardwell will take her place on The Herald staff during her absence.

Marvin House, Jr., left Sunday to spend a few days in El Paso.

Mrs. Marvin House returned Sunday from Norton where she visited her daughter, Mrs. Gene Morrison, and family for a few days. She was accompanied home by her daughter and two sons Billy Marvin and Dickie, to spend the week.

R. L. (Jimmie) Beale and his father, W. F. Beale of Dallas, who has been a guest in the Beale home for the past few weeks, returned Sunday from a fishing trip at Devil's Lake near Del Rio.

Mrs. Poe Woodward of Stanton has been the guest of her mother, Mrs. George Wilke for the past few days.

Mr. and Mrs. George French and two daughters, Linda and Judie Diana, left Saturday to accompany Miss Frankie Sparks, Mrs. French's sister, to her home in Muskogee, Okla. Mrs. French and children will visit in Muskogee for two weeks while Mr. French will take a fishing trip.

Mr. and Mrs. Irby McIntosh and daughter, Thelma Joyce, of Fort Worth and formerly of this city, were the weekend guests of Mrs. McIntosh's parents, Mr. and Mrs. Jack Stephens.

Mrs. Sylvia Wheelock of Lubbock who has been the houseguest of her daughter, Mrs. E. M. Conley and family, spent Sunday in Abilene with her son, Howard Wheelock. She was accompanied by her granddaughter, Miss Gloria Conley.

Mrs. Ann Gibson Houser has returned from Amarillo where she was sponsor and accompanist for Shirley June Robbins and Betty Bob Diltz who appeared on the program of the district 2-T convention of the Lions club.

Mrs. J. M. Taylor and children spent the weekend in Sweetwater with Mr. Taylor who is stationed there with the Texas Electric Service.

Mr. and Mrs. C. F. Faubion have returned from College Station where they attended exercises for the A. M. and M. graduating class of which Mr. Faubion's brother, Jack Faubion, was a member.

Mrs. H. A. McFarland of Abilene was the weekend guest of Mr. and Mrs. D. F. Tyson, her parents.

Mr. and Mrs. Clyde Waits, Jr., have as houseguest Mrs. Charles Davis of Fort Worth, formerly of Big Spring.

A group of local women golfers is expected to attend an all-day golfing session in Odessa Friday to which the local players and Midland women have been invited.

Party Favors Knott Youth On 11th Birthday

KNOTT, June 9 (Sp)—Celebrating the eleventh birthday anniversary of her son, Jerry, Mrs. Fred Adams entertained with a birthday party in her home.

Fortune telling and guessing games were played with Charles Carr and Twila Frances Phillips winning prizes in contests. The birthday cake was decorated in pink, green and white and served with ice cream and punch to Jammylou Brewer of Coahoma, Charles Carr of Big Spring, Billy Doris McClain, Don Lee and Billy Yale Crawford, Donald and Twila Frances Phillips, Melba June Adams, the honoree, Jerry Adams, and the hostess, Mrs. Adams.

R. M. Williams, Jr., son of Mr. and Mrs. R. M. Williams, has returned home from Canyon where he has been attending Canyon State Teachers College there.

Mrs. Curtis Hill, Mrs. Fred Roman and children, accompanied by Mrs. Jack Glenn and children, of Big Spring left Friday for a visit with Mrs. Johnnie Lane of San Angelo.

Earl Brownrigg, county trapper, reports the trapping of another big bad wolf on the Bill Neal ranch west of Big Spring, this week. This makes the second wolf trapped there in a month.

Arlen Martin, recently returned from employment in Arizona, has signed up for a three year term in the army. He is to be stationed in Alaska.

Cowboy Duds Brighten Lamesa On Eve Of Big Annual Rodeo

LAMESA, June 9 (Sp)—Lamesa animals will have been installed by tonight. A big western parade will be held tomorrow afternoon.

Bill Boyd, president of the Lamesa Rodeo Association and chief impresario of this year's show, said yesterday that attendance and contestant records might be raised this time. Last year the events were watched by over 4,000 and about 100 cowhands vied for prizes.

This year the entrants will be trying for about \$2,000 in cash awards plus many merchandise premiums. Wade Winston, Snyder, and Leonard Proctor, Midland, will act as co-judges of the cutting-horse contests.

Other officials of the association, a non-profit organization formed last year, are Guy Weakles, vice-president; Bob McDonald, secretary-treasurer; Jack Phinix, Dick Jones, Elmo Smith and J. M. Harrington, directors.

Jack Phinix, chief of police, will be in charge of the parade.

Kind Treatment Even Spoils Birds

TOPEKA, Kas.—Alexander, the ugly robin, has become a psychopathic case.

Alex was caught by a cat, got away in a near-naked condition. Dr. and Mrs. D. E. Whitley administered first aid, kept him warm with a hot water bottle, and even dug him worms.

He was finally turned out. But other birds would have nothing to do with Alex. He wouldn't dig his own worms, kept running back home at meal time.

"We're trying to ignore him," say the Whitleys.

The United States is the greatest dairy nation in the world.

Terrace System Proves Worth On Ackerly Farm

Land properly terraced with the terrace ends closed is proving its worth on a 160-acre farm which is owned and operated by Robert H. Burns, near Ackerly. According to Burns, the end closures, which allow no water to escape around the terrace ends, will double the value of his terraces.

"Holding all of the water by means of contour tillage, level closed end terraces, and distributing it evenly over the field will greatly increase my crop yields," he said.

Burns obtained the assistance of Soil Conservation Service technicians, whose office is now located in Big Spring, in planning a five-year cooperative agreement for complete soil and moisture conservation, and also plans were made for adequate water facilities for livestock and domestic purposes. The water facilities include the installation of a new windmill, a sixty-barrel overhead storage, a concrete water trough, and piping water into the house.

In addition to terracing, the conservation program on the farm includes strip cropping, contour tillage, crop rotation and leaving sufficient stubble height on the feed land and temporary pasture to prevent soil blowing. Besides conservation plans on the crop land, a system of temporary pasture, supplemental feeding and grazing the pasture land was worked out which enabled the native pasture to be grazed at the proper time and capacity to give maximum yields.

Legislature Adjournment Still A Question Mark

CUNNINGHAM & PHILIPS
Have filled your prescriptions since 1880

Money Bills Are Up For Final Action

AUSTIN, June 9 (AP)—The legislature entered the 147th day of the general session today and the question on most members' minds was when and how would it end.

Immediate sine die adjournment was doubtful because of urgent business but there were indications a quitting plan might develop sometime this week.

The business of the moment was that of putting the final touch to major appropriation bills now in conference committees.

These included allotments for the eleemosynary system, state supported colleges, government departments and rural school aid. Only the eleemosynary fund bill and reached the floor of either branch and the house, disliking a provision which permitted a joint legislative committee to supervise a \$2,500,000 building program, sent it back to the conferees for further study.

Other conferees meanwhile waded into the remaining bills with the objective of winding up work this week and removing one obstacle to final adoption of an adjournment or recess proposal.

Another important bill in conference was that disposing of a surplus in the road bond assumption fund, a debate involving subject which might prolong discussion when the conferees report to their respective branches.

There was unfinished business of another sort too.

In this category were important oil prorator bills. Senate and house reenacted the general prorator statutes, the house without time limitation and the senate for a two-year period. This difference could be adjusted by house acceptance of senate amendments or it might be ironed out in conference.

The senate passed to final reading a house bill requiring statewide instead of pool-by-pool distribution of oil allowances. It awaited a final senate vote.

The house also sent the senate legislation making the state public welfare laws conform to federal social security act amendments which became effective July 1.

Sponsors said federal matching funds for old age assistance might be discontinued unless the house bill won approval in the senate.

the ROAD AHEAD

Old Man Texas is today looking ahead and planning.

Beside the great farming and ranching country which Texans have built, he sees a new industrial empire here.

Already the start has been made. Some industries, such as petroleum, are now showing what can be done to utilize Texas' vast natural resources. Today this industry refines with Texas labor over four-fifths as much oil as the State

produces. Its products make up nearly one-half of all Texas manufacturing. Altogether petroleum provides the living for almost one-sixth of our people. But this is only a beginning.

Texas has many other raw materials, unexceeded by any other State. Texas has in oil and gas the cheap and dependable fuel supply essential to industry. Texas is the gateway to Latin America, our new foreign market.

Each new industry means more jobs. It makes added tax values for our State and local governments, bigger payrolls for our workers, and greater prosperity for you and every other Texan.

Last-Half Of City Leagues Opens Tonight

City league softballers hit the track tonight for the last half of the Major-Minor race.

Breaking away from the previous schedule, Major and Minor clubs vie on the same nights. This evening, the first-half champions of the upper bracket, Cities' Service Oilers, tangle with the second-placers, Phillips' Tiremen in a 9 o'clock night cap.

The third-place Sea Scouts take on the NYA lads in the night's opener, 7:15 p. m.

ASSOCIATED PRESS PICTURE NEWS

DATE WITH DYNAMITE—Next on the Joe Louis parade of matches defending the world championship title is handsome Billy Conn (above), Pittsburgh heavyweight. The date and the place: June 18 at New York's Polo Grounds.

STILL A FAVORITE—Flight of the Washington Senators—they've hit the American League cellar—hasn't lessened the popularity of well-liked Bucky Harris (above), 44, Senators' manager, who's had that job since 1935.

NEW SENATOR—Andrew Jackson Houston (above), a Democrat and only living son of Gen. Sam Houston, hero of the Texas revolution, is new senator from Texas. He'll be 87 soon. He succeeds to seat of the late Sen. Morris Sheppard.

A ROUND DOZEN FOR ARMY—Twelve nurses who'll be assigned to army posts in the South are sworn in as second lieutenants by Lieut. Daniel Munster at Philadelphia. Left to right, front: Elizabeth Wright, Ida Berry, Louise Coblan, Anne Laessig, Ruth Jones, Fern Nunemaker, Anna Nevegas. Rear: Emily Lee, Mary Linn, Virginia Wood, G. Certicos, Helen Farrell.

LIGHTNING MADE BY MAN—Bad news for an enemy are these Lockheed "Lightning" interceptors, the P-38, awaiting delivery to the U.S. army; they're also in production for Britain's R.A.F. Powered by two Allison liquid-cooled engines of 1150HP each, the heavily-armed P-38 climbs rapidly, performs well in sub-stratosphere, surpasses 400 m.p.h. in level flight.

CARRIERS—A number of new cargo vessels have been converted into aircraft carriers for the navy. John J. Dempsey (above) of the maritime commission told a senate committee.

LINK IN LIFELINE—On Suez Canal (above), vital link in Britain's empire lifelines to India and Australia, the full weight of a Middle East war may soon fall. A waterway for supplies, it's a key to Eastern Mediterranean dominance.

KNOWS UPS AND DOWNS—Flying is almost the middle name of Mary Zerbel (above), who at 20 years of age is the youngest of 21 women flying instructors in U.S. She and student-pilot Roy Martin are at Los Angeles airport.

ARMY 'DAISY CHAIN'—When troops of the 44th division halted in a daisy field at Fort Meade, Md., during their mass movement from Fort Dix, N. J., to Virginia for summer maneuvers, Pvt. J. C. Carroll (left) of Harrison, N. J., and Corp. J. Farrell of Buffalo didn't like the idea of having all those daisies in their pup tent. So they plucked them.

STORM—In center of radio chain ownership furore is James L. Fly, Federal Communications Commission chairman, seen giving his views on the F.C.C.'s authority, at a senate hearing.

MODE—No heat wave can keep that miss. Fashion, from having fun for summer wear. This pink cape created by DeLia-DeLia has a smart double-headed "ruffle" at the hem.

RUSSIAN TOWING SERVICE—Kleven gliders are being towed by this single plane, say sources in Russia where gliding is a popular sport and gliders are used for freight hauls.

SOME TRUCKING!—In his 14 years of driving trucks 1,450,000 miles, Edward Smithwick, 31, Detroit, has never had a mishap—which makes him No. 1 member of Star Drivers club. Johnnie Fetter, school boy, is giving him membership certificate.

LOVE INTEREST—"Private Kosecki" responds to kind treatment at the hands of Betty Clague in New Orleans, who named the squirrel for her boy friend in the army. Betty's father rescued Kosecki from some stone-throwing boys.

Bombers Split Twin Bill With Spudders

Open Tour In Double Header With Borger

Big Spring's Bombers hit the high road last night, with a half-and-half showing against Wichita Falls' Spudders Sunday, plus a six-game lead over their nearest rival in the West Texas-New Mexico league, Borger Gassers.

First joust on their card is a double header with the Gassers club Monday, then a tussle with the same crew Tuesday. From the Borger precinct the Bombers hit themselves to Pampa for a three-game series with that club's Oilers, June 11, 12, 13. Saturday, June 14, the local club returns to its home grounds for a pair of tussles with Lubbock, the series to wind-up Sunday.

Yesterday, the Big Springers dropped the first, an 11-inning affair, to the Spudders, 3 to 2, then came out ahead on the finale, 5 to 2. Charlie Wheelchel worked on the hill in the first go-round, the second bout was handled by Buck Schulze.

The Bombers ran into super pitching by Lefty Lucas, the old-fashioned hot shot of the West Texas-New Mexico circuit. The Spudders ace held the Big Springers to a zero hit record until the eighth frame, when a single by Pitcher Charlie Wheelchel tossed him. The two clubs were even-seven at that time, the Spudders having tallied in the first when White, on base after being hit by the pitch, was scored on a double by Manager Sammy Hale, and the Bombers racking up their count after Zigelman strode to first and came in on an error made of J. L. Haney's wallow.

Going into an eleventh inning with the count still even-up, Hernandez got a two-bagger, scoring Stan Bolton from a walk, and Hall binged to bring in Hernandez.

Eddie Stevens came near to evening the record in the frame with Wheelchel on second and Chubby Greer on first per singles, but the wind played a hand and a hoped for homer became a put-out in Rightfielder Kanagy's hands.

Wheelchel allowed eight hits over the route and Lucas wound up his afternoon's showing with four blasts against him.

The nightcap came as an anticlimax, after the slick hurling exhibition put on by Lucas and Wheelchel.

The Spudders had a one-run lead on the Bombers, having tallied in the second stanza when Hernandez was brought in by White. But the Bombers took the fifth inning in their own hands, sacking up five hits and four runs in just about as hit-crazy a round as has been seen on the local field.

In the sixth, Mel Reeves again tallied on a single by Hank Poltras.

Blaine Peterson, playing second-base after Art Shillings was injured in a scramble in an attempted double play, gave a greyhoundish show in the sixth when he beat out a roller into the infield for a hit.

Schulze pitched four-hit ball in a likely manner while Hill was bopped for eight licks over the route.

In today's affray, Tate is somewhat on a limb in the mound department. George Boal is slated to take on the Gassers in the first round, but Tate does not have a fully rested pitcher for the second go. He said Sunday night he might use either Andy McBrook or Willard Ramsdell, although he disliked using them before they had taken a full rest.

Wind Hurts Cotton
LAMESA, June 9 (Sp) — High winds dense with sand swept the county Saturday night and Sunday, damaging trees and shrubbery in Lamesa and wiping out many acres of young cotton. Heavy rains and snow wind and dirt have combined to keep many farmers here far behind with their crops. Many fields have already been replanted two or more times.

Open Returns Soar Above Expectations

Financial Experts Still Figuring Proceeds From Meet

By BILL BONI
FORT WORTH, June 9 (AP)—The time has not yet come to take statistical stock of the 45th U. S. Open golf championship. The financial experts still are involved with figures on ticket sales, the hot dog concession and the cost of getting back into normal condition the Colonia club where the tournament was played.

One thing, however, is certain. The U. S. Golf association big-wigs were amply satisfied with their experiment of bringing their blue-ribbon tournament into new territory.

Harold W. Pierce, the U. S. G. A. president, never did get over his astonishment at the size of the crowds which turned out even on opening day and the fact that by 8:15 each morning, when the first threesome teed off, the customers already were banded two and three deep behind the ropes.

"It's the closest thing I've ever seen to the golf interest in Scotland," Pierce said. "Over there men, even old women and mothers with their babies in perambulators would line the dunes from early morning to well into the evening. These people were just about as enthusiastic."

Though the final day's galleries, the 10,000 who saw Craig Wood match par for his closing 36 holes to post a winning 284, fell short of most advance predictions, they nevertheless were tremendous. Francis Guinnet, who won the open in 1913 and this year headed the championship committee, and Chick Evans, who won in 1916, both judged the crowd the largest ever to see a U. S. open.

The tournament set another record in that there were only two players who broke par during the three days, one was Denny Shute, whom Wood beat by three shots for the title, and the other Ben Hogan, who had the best score for any 36 holes—68-70 on the last day.

Hogan, after finishing in the money for the 48th straight time, said he was sure he'd win on the last day, even though he went into it seven strokes behind the leaders.

"I really beat my brains out through those last two rounds," said Ben, who tied Johnny Bulla for third place at 289 and was the best-scoring Texan in a race which Texans had been figured to dominate. "But the boys crossed me up—I didn't think they'd score so well!"

Wood lost little time starting to get rid of his \$1,000 prize money. The first \$100 went for a defense savings bond, and the next \$200 to his caddy, who had picked Craig in advance of the tournament. The boy got off the best crack of the week.

When Wood handed him his check, he took one look and said: "Boy, call me a taxi!"

lake, are C. M. Brown, 22, carpenter; takes seven five-cent pieces to buy a pound of nickel.

ter; Elton Brown, 16, newspaper route carrier, and Witt Stamper, 18.

Families of the missing trio notified the sheriff's office last night after waiting several hours past 6 o'clock when the party was to have returned home from row-boating.

Three Feared Lost As Boat Capsizes

Loboes Share Twin Bill In Lubbock Sun.

Sullivan Hurls No-Hit Ball In His Part Of Tilt
LUBBOCK, June 9—Lamesa Loboes split a doubleheader with Lubbock Hubbers Sunday, losing the first engagement 6 to 5 and coming out ahead in the second, 5 to 4. Lefty Sullivan hurled no-hit ball in his share of the second game.

Cowstar took the hill for the Loboes first in the final fracas and was nicked for three hits, allowing four runs in the first inning of the show. Sullivan came into the fray with two men out in the first and from there on turned in a bang-up and spectacular hurling job.

Lookin 'em Over

Big Spring's league-leading Bombers left last night at 10 o'clock for a five-day tour of the circuit, minus Art Shillings, second baseman, and plus Edwin Janicki, new recruit in the Tatemans' catching department.

Janicki, first-season, 20-year-old righthander, arrived in Big Spring at 9:30 last night and immediately piled into the bus for the jaunt through the country. He came to Big Spring from the Newport, Arkansas, club, where he had been shifted after starting the season with the Olean, New York, team, member of an up-state pony league. In his season's travels he has remained in the Brooklyn Dodger circuit.

Before going into the pro ranks of baseball Janicki put in an apprenticeship with semi-pro clubs in and near his hometown, Cleveland, Ohio.

Janicki is scheduled to spell Al Zigelman in the behind-the-plate scene, since Buz Ross has returned to his job with a Panhandle oil company.

Speaking of Art Shillings' injury, Manager Jodie Tate said it came as the result of legitimate baseball. Hernandez was out to break up a double play, he did that very thing, yet there was no intention of actually causing real injury to Art.

Wichita Falls had a revamped club in Big Spring for the series that closed Sunday. Bill Phillips, third-baseman, and Pitcher Athel Lee, received their releases just before the Spudders started on their nine-day road trip and Chester Hill was brought in from Amarillo. Hill performed to fair advantage in the doubleheader finale here Sunday.

Hill, winner of 19 games last year with Amarillo, is a right-hander, adding to the right-hander staff that already includes Carl Foez, recent acquisition from Lamesa. Phillips went into the Pampa Oilers' organization.

Racing Boat Runs Amok—And How!
NEW ORLEANS, June 9 (AP)—The Flying Cloud VI threw out her driver, Charles Bihl, yesterday in a powerboat race on Bayou Barataria, and then:

Struck another boat and sent another driver into the water. Next it raced madly in circles, forcing Bihl to dive under water several times as it approached. Bihl's mother, watching on a dock, collapsed. The Flying Cloud finally struck a judge's stand and stopped.

MEN WANTED

There's more than one way that advertising brings men to work.

The most important way is when advertising is used to increase sales.

Instead of "men wanted," it says, "customers wanted." And more customers mean more jobs in the stores and factories that keep busy by using advertising.

The Daily Herald

Editorial —

New Sugar Act Threatens Good Neighbor Policy Of Americas

Despite protests of the secretary of state, the secretary of agriculture and the valiant work of Sen. Tom Connally and others, the U. S. senate has passed a bill which places a flay not only in the sugar economy but in our Good Neighbor policy.

marketing would be re-allotted to foreign countries other than Cuba, in effect to Santa Domingo, Peru and Haiti.

balance through loss of customs. Total loss annually could amount to \$80,000,000, which would mean that our trade loss with our neighbors would suffer proportionately.

Hollywood Sights and Sounds—

'Caught In The Draft' Is Rib Tickler

By ROBBIN COONS HOLLYWOOD—"Caught in the Draft" Screenplay by Harry Tugend. Directed by David Butler.

Fitzgerald and the others aid ex-dialogue director Rapper to an impressive start on his own.

Miller. Principals: Robert Taylor, Brian Donlevy, Ian Hunter, Mary Howard, Gene Lockhart, Lon Chaney, Jr., Henry O'Neill.

"Blood and Sand." Screenplay by Joe Swerling from the Vicente Blasco Ibanez novel. Directed by Rouben Mamoulian.

The old tagline tale of the boy of Spain who was born to die in the arena is told again in a movie that for selfish use of color has the others backed off the palette.

More color—this time focused on the natural beauties of Arizona's Monument Valley country.

"Shining Victory." Screenplay by Howard Koch and Anne Froelich from play by A. J. Cronin.

Unobtrusively stealing the whole, however, is the dramatic color photography—in spectacle scenes especially.

"Million Dollar Baby." Screenplay by Casey Robinson, Richard Macaulay, Jerry Wald.

Adapt and smoothly-told tale of a young English scientist in a stodge Scottish asylum who discovers that science without heart isn't all he thought it was.

"Billy the Kid." Screenplay by Gene Fowler. Directed by David

They look at the pictures of Tyrone Power a long time, and probably they see Valentino in his place, Valentino with his slave bracelet and his brooding eyes.

Man About Manhattan— Old-Timers Think Of Earlier Versions Of 'Blood And Sand'

NEW YORK—The years hurry by, Melora...They must be streamlined, they go so fast... They make you stop and think.

gusta Appel...She began her career with Gus Edwards, the old "star" maker, who discovered Eddie Cantor, and George Jessel, and even Walter Winchell...

Alsop and Kintner— Action NOW Is Needed To Clear Sea Lanes For Shipping To Great Britain

WASHINGTON, June 9—Nothing better illustrates the strangely equivocal position in which present war policy places this country than the undisciplined episodes of the Atlantic patrol.

er's detecting device announced the approach of a submarine. The submarine could only have been German. It was virtually certain to use its torpedoes, as semi-darkness concealed the nationality of the American ship.

ping protection will not be instituted for some time, unless an incident occurs, even though other aggressive steps are taken.

The Timid Soul

This is so because 50 per cent of the damage at sea is still done by the submarine. Constant aggressive sweeping of the sea lanes virtually removes the threat from the long-range bombers, which together do the other 50 per cent of the damage.

Someday I'll Find You

BY MARGARET WIDDEMER

Chapter 30 Martin takes a job "Hello, Lewis—come to supper!" Martin said. "There's a swell wild-duck casserole. We left quite a lot." Mary retreated and closed the kitchen door.

outside, with the door shut. Eileen heard Lewis' final shout of "Eileen!" A belated horror of the situation, a terror of Martin, was more than her distrust of Lewis.

Dazed to the point of shock by this news, she sat quietly, while he went on. "What was why I took on your proposition. Understand?"

Dawson County Pioneer Dies

LAMESA, June 4 (Sp) - John Parmley Gibson, 75, a pioneer resident of Dawson county, died at his home southeast of Lamesa last Saturday night at 11:30.

He came to this county in 1897 and retired from active farm work about four years ago. He was born in Coryell county June 21, 1865.

Funeral was held at his farm home Sunday at 4 p. m. by Rev. W. C. Wright and Rev. E. F. Cole before burial in the Lamesa cemetery. He was a member of the Baptist church for 80 years.

He is survived by his wife, Lou Gibson, two brothers, R. H. Gibson of Carlton, Texas, and M. L. Gibson of Stephenville; eight children and 17 grandchildren. The children are Rosa Gibson, Mrs. Jim Hinson, Mrs. V. E. Love, Mrs. R. S. Standfield, Mrs. J. H. Ragsdale, Jim Gibson and Clyde Gibson, Lamesa, and Horace Gibson of Spur, Texas.

The figures: Paris \$373,000; BIG SPRING \$268,000; Marshall \$250,000; Sherman \$245,000; Corsicana \$232,000; Temple \$215,000; Harlingen \$204,000; Greenville \$198,000; Palestine \$185,000; Brownwood \$179,000; Denton \$150,000; Cleburne \$129,000; Brownsville \$129,000; Longview \$113,000; Pampa \$108,000; Terrell \$89,000; Denison \$77,000; McAllen \$74,000; Del Rio \$40,000.

Free Comes Double HARTVILLE, Mo.—Lester Hudson stood in the crowd and watched a filling station burn to the ground. Then he went to answer a telephone call. "Your home has just burned down!" he was told.

There's Magic In Music

Texas Mishaps Fatal To 13

By the Associated Press
Automobile accidents and drownings took the lives of thirteen Texans during the weekend.

Rose Martin, 20; Bernice Nissen, 20; and George Rubison, 29, were drowned when an automobile plunged into 30 feet of water after a collision on a bridge over Clear creek near Seabrook. Pat Coughlin, 20, the driver, escaped. All were from Galveston. The bodies were recovered shortly before Saturday midnight.

Mrs. Ralph A. Long and Mrs. Ted Avant, Corpus Christi welfare workers en route home from Arkansas, were killed Sunday when an automobile overturned into a ditch near Three Rivers. Mrs. Edna Bemis, head of the Corpus Christi welfare bureau, and Miss Agnes Reynolds, a nurse, were critically injured.

Gordon McCallis, 30, and his 10-year-old son, Jimmy, drowned in Lake Cisco Sunday after their fishing boat capsized.

Harry A. Merritt, 19, of Beaumont, drowned Sunday while swimming in the swift current of rain-swollen Village creek south of Silsbee.

After three boys had made several trips across a lake yesterday by holding to a horse's tail, the horse became exhausted and went under. Walter Wright, 17, of the Lasbuddie community, near Farwell, drowned. The other two boys swam to safety.

The bodies of Isahel M. Long, 24, and his nephew, Henry Wallace Long, missing since late Saturday when they went to remove sheep from Colorado lowlands near Goldthwaite, were recovered last night. It was believed they were trapped by rapidly rising floodwaters and were unable to wade or swim to safety. The older man is survived by his widow and two children.

Venerable Doyle Leavelle, 16 months son of Lloyd Leavelle, drowned Sunday afternoon when he toppled into a concrete tank at the farm home near Hart.

Another child, 2-year-old Rex Weldon Strickland, died Sunday of injuries suffered when struck by a car at Burkburnett Saturday.

H. E. Heaton Infant Claimed By Death

Funeral services were scheduled at 4 p. m. today for the infant son of Mr. and Mrs. Harold E. Heaton, who died at birth in a local hospital Sunday evening about 7:15 p. m. Burial was to be in the Salem cemetery following rites conducted at the Nalley chapel.

Survivors are the parents and several uncles and aunts who reside in Collin county and in Iowa. The Heaton family resided here for about two years. Mr. Heaton operating a filling station on the east highway.

VFW Calls Session To Plan For Flag Day Celebration

Officials of the Veterans of Foreign Wars, taking the lead in organization of plans for a Flag Day celebration, Monday announced an open planning session at 8 p. m. Representatives of all service and civic organizations, the band, Boy Scouts, etc. were urged to participate. Possibility of moving the date up to Friday evening will be discussed since Flag Day falls on Saturday and since the American Legion is having a weekday bi-district convention at Lubbock.

Senate Committee Cuts WPA Fund

WASHINGTON, June 9 (AP)—Flatly rejecting President Roosevelt's recommendations for liberalizing the law, the house appropriations committee approved today an \$885,000,000 work relief fund for the year beginning July 1—a 35 per cent cut from the current fund.

Markets At A Glance

NEW YORK, June 9 (AP)—Buying of industrial "blue chips" and specialties kept the home fires burning in today's stock market. Prominent stock movers on the upside were Du Pont, Eastman Kodak, Allied Chemical, Westinghouse, Grumman Aircraft, U.S. Steel, General Steel Castings preferred, Caterpillar Tractor, Chrysler, Great Northern Iron Ore certificates, International Paper preferred, Patino Mines, Chesapeake Corp. and Union Pacific.

Laggards included Jones & Laughlin preferred, a brisk climber last week, U. S. Gypsum, Public Service of N.J. and Texas Corp. Supported in the curb were Carnation, Gulf Oil, Heyden Chemical, Sherwin Williams, Raymond Concrete and Todd Shipyards.

Livestock

FORT WORTH, June 9 (AP) (USDA)—Cattle 2,600; calves 800; beef steers and yearlings active, strong; cows strong to 15 cents higher; other classes and calves fully steady, active; good to choice beef steers and yearlings 9.25-10.75; heavy mature steers 8.75-10.00; beef cows 5.75-7.75; bulls 5.50-7.35; slaughter calves 7.25-10.75, vealers up to 11.50; good stock steer calves 9.25-13.00; stock steer yearlings 6.50-11.00.

Hogs 2,000; mostly 10-25 cents higher than Friday's average; top 9.35; most good and choice 180-200 lbs. 9.30; stocker and butcher pigs steady at 8.50 down; packing sows steady to 25 cents higher, mostly 8.25-9.00.

Sheep 10,500; spring lambs, clipped lambs and feeders steady; wethers scarce; medium and good spring lambs 9.00-10.00, medium and good clipped lambs mostly 8.25-7.75, top 9.25; clipped feeder lambs 7.00.

Grain

CHICAGO, June 9 (AP)—Wheat prices rose 2 cents a bushel at the start of trading today to highs unsquared here since May, 1940, but backed down under weight of profit taking inspired by a net gain the past week of more than 8 cents.

Wheat closed 1-1/2 to 3/8 cents higher than Saturday, July \$1.02 5/8-3/4, September \$1.04-1.05 1/4; corn 7-8-1/2 to 3/8 lower, July 7-8, September 7-8 1/4; oats unchanged to 3/8 lower.

4-H Boys End Camping Trip

Nineteen Howard county farm boys are back in the fields today after taking three days off for the annual district 4-H club encampment at Fort Stockton.

Jack Burleson scored 96 and Delbert Simpson 94 in a grass identification contest at the encampment.

Delbert Simpson was high scorer for the county in the rifle shooting contest, and County Agent O. P. Griffin believes he led the district, although final score tabulations have not been received here.

Howard county boys going to the encampment were Donald Jones, Edwin Grauke, Fred Phillips, Johnny Broughton, Norvin Smith, Delbert Simpson, Jack Buchanan, Douthitt Clay Buchanan, James Long, W. M. Hyden, J. D. Hyden, Donald Simpson, Eugene Lepard, Leo Eggleston, Lon Odus Burnett, Jimmie Stallings, Louis Stallings, Ralph Coates and W. J. Coates.

A. J. Stallings and the county agent were adult sponsors of the trip.

SCOUTS TO MEET

Inaugurating a series of summer meetings of a different type, Boy Scouts of troop No. 3 will hold its regular weekly session at 8 p. m. today at the Coca Cola bottling plant. Officials said that a game session would feature the meeting and that during the summer months a variety of meetings of this sort would prevail.

Wool Market

BOSTON, June 9 (AP)—Very few inquiries for wool were being received today at the Boston market. Quotations on domestic wools were unchanged compared with the close last week. The undertone of the market was very firm despite the current slow demand and the comparatively large quantities of wool being received in this market. A large portion of recent receipts of wool were deliveries against previous orders.

Floor Slab Being Poured On Airport Terminal Building

First floor slab for the new municipal airport terminal building was to be poured this week, it was reported Monday.

NYA enrollees assigned to this project are making steady progress and as the NYA resident center turns out window frames, the laying of bitudobe brick will continue. Virtually all of the 14,000 brick going into the structure have been made by the enrollees and are cured to the point of being ready for use.

Those in charge anticipated that the building would take shape rapidly once the frames are in place. When completed, it will house offices for commercial airlines, weather bureau, management, etc.

Deputy Petroleum Coordinator Named

WASHINGTON, June 9 (AP)—Ralph K. Davis, vice president of the Standard Oil Company of California, was appointed deputy petroleum coordinator today.

He will serve under Secretary Tolkes who was chosen by President Roosevelt last week to head up the government's effort to meet a threatened oil shortage in eastern states.

Bonura To Swap Bat For Rifle

MINNEAPOLIS, June 9 (AP)—Zeke Bonura is doing a Hank Greenberg and storing his big bat for a real war-club.

He's been called in the draft and refused to seek deferment. His loss to the minors is easily what Hank's was to the majors, for Zeke has been setting the American association strike.

Bonura, stepping down a peg or two after a slugging career in the American and National leagues, played so well with Minneapolis that, he said, he got two offers to return to the big show and he rejected both because of his happiness here and the imminence of the draft call.

Checking out yesterday to visit his folks in New Orleans before reporting for army duty, June 19, Bonura was feted by the ball club and by individuals.

Here 'n There

AAA reporters of Howard county were in meeting today to study latest regulations, preparatory to checking compliance of farmers. M. Weaver, county AAA administrative officer, was conducting the meeting.

Dry goods merchants of Howard county, AAA officials, and a representative of the Surplus Marketing administration were to meet at 2 p. m. today to arrange for handling surplus cotton stamps, which will be distributed here by the AAA as a supplemental subsidy for farmers effecting certain cotton acreage reductions.

R. H. Miller, Jr., home for the summer from Texas A.&M. college, has been made "top kick" of his outfit. For the benefit of uninitiated, "top kick" is first sergeant. R. H. is in the headquarters company of the field artillery and this year received a medal for being the best drilled man in his unit. He also has a medal won in intramural boxing.

Albert Straube, Stanton, had his car back Monday. He had parked it near a local theatre Sunday evening, and later missed it. Officers were questioning another Stanton man, who drove the car back to Big Spring, about the affair. Police said "there may have been a mix-up."

Mr. and Mrs. Sam Fisherman and family returned Monday from Dallas where they went Sunday to witness the marriage of their son, Frank Fisherman, to Miss Etta Tope of Culver, Texas. The couple was married at the Melrose hotel and Dr. Henry Fisherman, brother of the groom, served as best man. After a brief honeymoon in Denver, Colo., Dr. and Mrs. Fisherman plan to visit here briefly before making their home in San Antonio.

H. W. Whitney, J. D. McWhirter and E. J. McDaniel have earned certificates for completing a special finance officers course offered by the state vocational education division at Sweetwater during the past two weeks.

A. W. "Horse" Crocker, formerly a member of the Big Spring police department, visited relatives and friends here during the weekend. He is stationed at Fort Bliss as a member of the army's investigative service and says his work is similar to his duties with police here. Horse has worked off 20 pounds with the army.

Walter Roberts, who graduated from the naval radio schools at Charleston, S. C., has been transferred to shore duty and is stationed at Miami Beach, Fla. He graduated from Big Spring high school in 1940.

Mrs. Jesse L. Douglas and son, Frederick, of Albany visited with their son and brother, Jack Douglas, here during the weekend.

The smoke of slower-burning Camels contains

28% LESS NICOTINE

than the average of the 4 other largest-selling brands tested—less than any of them—according to independent scientific tests of the smoke itself!

CAMELS ALWAYS TASTE SO COOL—SO GOOD!

SURE, THEY'RE SLOWER-BURNING—WITH EXTRA FLAVOR

YOU'VE GOT the right answer there, Ralph Flanagan. Camel's slower way of burning means more coolness. More flavor, too, for nothing dulls flavor like excess heat.

And what a treat to a tired smoking taste a cool, flavorful Camel can be... how welcome Camel's extra mildness—extra freedom from nicotine in the smoke. Get Camels. For economy and convenience, buy the carton.

THE SMOKE'S THE THING!

It's Ralph Flanagan—swimmer of the world's fastest mile—lighting up that All-American mildness favorite, a slow-burning Camel

There's only one Ralph Flanagan—only a limited few who can even give him a good race. But, as a smoker, he's no different from millions of others when he tells you: "Camel is the cigarette that is extra mild—and has a flavor that doesn't wear out its welcome."

Yes, in every walk of life—in the ranks of the Army and Navy, too—the brand that clicks is the flavorful cigarette that is extra mild with less nicotine in the smoke. Science confirms this advantage of less nicotine (see left, above), but get Camels and smoke out the facts about mildness for yourself.

HERE (closest to the camera) is Ralph Flanagan in action at Palm Springs. And they call that stroke a crawl! 5 times All-American—he swam the world's fastest mile in 20:42.6—and he still says: "I'd walk a mile for a Camel!"

BY BURNING 35% SLOWER than the average of the 4 other largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to **5 EXTRA SMOKES PER PACK!**
