## Tigers Clip Broncs; Memphis Next Stop

### DICKIE GETS 3 TD'S IN BRONC GAME

A fired-up band of McLean Tigers knocked over Clarendon 25-12 here Friday to open play in District 2-A. This Friday night the locals try for No. 2 when they travel to Memphis to battle the Cyclone. Kick-off time will be 7:30.

Last week's victory was a welcome one for McLean, which had dropped its last two games—to White Deer and Wheeler—after winning three.

In other district-opening contests, Lefors dropped Canadian 32-30 on a second-half scoring spree and Wellington overwhelmed Memphis 32-0.

Coach Derral Davis said he was well pleased with the hustle the Tigers showed against Clarendon.

He praised the entire McLean team, and gave special commendation to End Eddy Windom.

Coach Davis said Windom played by far his best game of the year, jarring the Clarendon gridirers with bruising blocks and tumble-producing tackles.

Also outstanding on defense were Bob Patton, Jim McCarty and Gary Joe Graham. McCarty did especially well on pass defense, intercepting two Clarendon throws, and turned in his usual fine performance in ground gaining.

George Green grabbed two Clarendon fumbles and saved one McLean fumble during the evening.

The most spectacular play of the game came in the first quarter, when Graham reached high to catch a pass from Dickie Crockett, and hung onto the ball despite the fact that two Clarendon players were hanging onto him.

Crockett was back at near full speed for the first time in weeks, and ate up big yardage on his (See **TIGERS**, Page 7)

RO Ranch Makes 'em Hoof It!

## Cattle Drive Gets Lots of Attention

The sprawling RO Ranch south of McLean rolled back the clock early Wednesday morning.

Instead of using the customary method of trucking its crop of yearlings to the Rock Island Railroad stock pens here for shipment, RO Ranch herded 955 animals up the McLean-Hedley road.

It took 18 horseback riders to do the job.

The bawling herd attracted plenty of attention, and there were many local and area residents on hand to watch the operation.

Another 185 head were hauled here by truck from Clarendon.

The animals left McLean later in the day in 28 cattle cars for shipment to Brennan Cattle Co. in Kerkland Ill.

Lee Roy McCracken, foreman of the 105-section ranch, said the 1,140 head of cattle included about 1,000 yearlings purchased last fall and fed on grass and cake since that time.

**646-Pound Average**  
The yearlings averaged 322 pounds each when bought by RO Cattle Co. Their average at delivery time was 646 pounds.

Some 400 calves were delivered on Sept. 15 by the ranch, and McCracken said another 1,500 will be wintered there, along with approximately 2,300 cows.

Almost all of the RO Ranch is located in Donley County. Only a small strip of the 105-section spread near Alanreed is in Gray County.

McCracken has been ranch foreman for 2 1/2 years, but he has been a RO employee for about 17 years.

## 2 CALIFORNIA GIRLS INJURED

Two teenage California girls luckily escaped with minor injuries Sunday in a one-car accident 3.1 miles west of Alanreed on Highway 66.

Highway Patrolman Charles Henderson said a 1963 Ford driven by Jill Kerrigan, 19, of San Rafael, Calif., failed to negotiate a curve on the highway.

The west-bound vehicle crossed the median, continued across the south lanes of the highway and plunged 75 feet down an embankment. Rain was falling at the time.

**Treated in Groom**  
Miss Kerrigan and Susan McMahon, 19, also of San Rafael, received lacerations and abrasions. Miss McMahon fell from the car in the mishap.

Both of the young women were taken by private car to Groom Memorial Hospital for treatment. Damage to the 1963 Ford was estimated at \$2,000.

## Alanreed Halloween Carnival Saturday

The Alanreed P-TO will sponsor the annual Halloween Carnival Saturday starting at 6:30 p.m. in the school gymnasium at Alanreed.

Everyone is invited to attend the festivities. Plate lunches and a number of refreshments are to be served during the evening.

Highlight of the event will be the crowning of the carnival queen.

## LCC Band Will Present Concert

The Lubbock Christian College Band is scheduled to present a concert at 3 p.m. on Nov. 7 in the McLean High School auditorium.

Linda Guill, an MHS graduate, is a member of the band, which will stop here on its annual tour.

## McLEAN CUBS DROP LEFORS

### Wellington Site Of Game Tonight

Coach Bob Schneider's McLean Junior High Cubs salted away their fourth straight victory last Thursday in Lefors, and they'll try for No. 5 tonight.

Wellington will be the site of tonight's game, starting at 6:30 o'clock.

Steve Fuller, 137-pound McLean fullback, counted three of the Cubs' four touchdowns in the 28-0 shellacking of Lefors' Bandits, with Halback Jimmy Hester scoring the other.

McLean started the scoring early, marching from its own 46 after the game-opening kickoff.

Fuller, Mike Simpson and Hester alternated carrying the ball down to the Lefors 11. There on a double handoff from Quarterback Butch Davis to Fuller to Hester the drive reached its climax, with Hester crossing into the end zone.

**Extra Points Added**  
Fuller ran across the extra points, making it 8-0 McLean, with four minutes and 40 seconds remaining in the first quarter.

In the same period, Simpson galloped 28 yards for another TD, only to have it nullified by a backfield in motion penalty.

This didn't stop the Cubs, however, and they resumed their goalward march as the second quarter began.

Fuller raced first to the 28, then to the 12 and the 11. A pass fell incomplete, but Fuller went for a first down on the Lefors four on the next play, then got to within one-half yard of the end zone and finally crossed over for the score.

Simpson's run was good for two points, giving McLean a 16-0 lead.

**Fumble Recovered**  
That's how it remained until early in the second half.

The Cubs recovered a Bandit fumble on the kickoff, and headed for another touchdown.

The effort was punctuated by a 10-yard pass to Simpson and good gainers by Hester down to the three-yard stripe. Fuller hit the middle there for the TD, but the (See **CUBS**, Page 2)

## 'We Won a I' Marching Band Is Division I Winner

For the first time in history, the McLean High School Tiger Band won a Divisional I rating Tuesday at the Interscholastic League marching contests in Canyon.

Each of the band twirlers—Toni Mertel, Sharon Sitter and Jan Bailey—received a II rating in the twirling competition.

## LIGHT RAIN HELPS SOME

A slight dent was recorded in the dry weather here over the weekend, with 39 inch of rain falling.

Weather Bureau records maintained by the city show 24 inch of moisture on Saturday, followed by .15 on Sunday.

This brings to an even 14 inches the amount of moisture McLean has received during 1963, compared to 18.16 to the same date last year.

The rain was McLean's first in October. Temperatures, for the most part, remained on the cool side most of the past week. The high reading was 81 degrees on Friday, and the low was 55 on Thursday and Friday.

THE WEATHER		
	High	Low

## Paula Named Stage Manager for Play

Paula Guyton, senior student from McLean, is stage manager for the Hardin-Simmons University production of "A Far Country," major fall production of University Players which will be staged Oct. 24-29 in Abilene.

The three-act play, directed by Robert Scates of the H-SU speech and theater faculty, has to do with a critical period in the life of Sigmund Freud, resulting from his first efforts in the field of psychoanalysis.

## Tiger B Team To Face Memphis Here

The McLean Tiger B team, boasting a record of five wins and one tie, will meet with the Memphis Tigers here Saturday morning.

Games will be at 10 a.m. at the McLean stadium.

The Tiger B's, coached by Lloyd Boyd, will end up their season the following Saturday, Nov. 2, by hosting the Pansies at 10 a.m.

## RAIN SLOWS THE HARVEST

### Ginning Figure Hits 61 Bales

The weekend rains temporarily halted this area's cotton harvest just as the pace was beginning to quicken.

B. F. Holland, McLean Gin manager, said late Wednesday that 61 bales had been ginned to date—23 of these being turned out on Friday and Saturday before welcome moisture began to fall.

Three more have been ginned this week.

Holland said more pullers are moving into the area, and they are being put to work as they arrive.

**Good Grade**  
Grade of the cotton brought here remains good.

The same is true of cotton being classed at the Department of Agriculture classing office in Memphis according to K. E. Voelkel, who is in charge of the office.

The latest report from Voelkel indicates white grades increased to 47 per cent the past week, compared to 44 per cent the week before.

About 51 per cent of the cotton graded was light spotted and less than two per cent fell into the spotted category.

**Strict Middling**  
Predominant grade for the week was strict middling white, with 23 per cent. About three per cent of the samples classed were reduced in grade because of bark.

Ninety-four per cent of the cotton classed the past week had less than an inch staple. Predominant staple length was 15/16 inch, with 34 per cent. Less than one per cent was designated as wasty.

The cotton market was a little more active, with light spotted grades, uncombed, mixed lots in warehouse, selling from five to 30 points above, while white grades sold from 10 to 60 points below the CCC loan rates.

Cottonseed price at gin points was \$33 per ton.

## Promotion Earned By Ida Sue Evans

Ida Sue Evans, daughter of Walter Evans of McLean, has been promoted to the rank of first lieutenant at Walter Reed General Hospital in Washington, D. C.

L. Evans is a dietitian for the hospital's food service division, and received her promotion during a recent ceremony at the hospital.

## Rites Held Saturday For Debbie Sue Pair

Graveside services for Debbie Sue Pair, infant daughter of Mr. and Mrs. Ed Pair of Groom, were held Saturday afternoon in the Alanreed Cemetery.

S. T. Greenwood of Alanreed officiated at the services, which were under the direction of Lamb Funeral Home of McLean.

try for extra points failed, leaving McLean with a 22-0 advantage.

Joe Redwine partially blocked a Lefors punt on the Bandits' 40 to set the Cubs up again at that point.

With effective blocking to help him, Fuller picked up 14 yards to the Lefors 26, and six downs later the swift fullback blasted over through the middle of the line for McLean's final score.

### Lefors Scores

Again the PAT effort was no good.

Lefors rang up its lone touchdown with 1:40 left in the game on a 35-yard run.

The only other threat mustered by the Bandits all night was brought to an end just before half-time, when Thacker Haynes intercepted a pass on the McLean 37.

Performing well on defense were Hester, Redwine, Fuller, Pat Windom, Brad Parker, Mike Haynes, Calvin Van Huss, Dennis Jones, Bryan Going, Gary Hanes, Ernest Smith, Clinton Corbin, Quinn Easley, Mike Darsey.

## PERSONALS

Mrs. Luther Petty attended the District 10 annual WMU meeting at the First Baptist Church in Dumas Tuesday. She spent the night with her niece, Mrs. Vesta James Tubbs. On the way home she called on Mrs. Hugh Longan and Mrs. J. L. Johnston in the Groom Hospital.

Visiting in the Ohmer Smulcer and O. L. Tibbets home several days last week was Mrs. Mittie Ater of Meadow.

Mrs. Marvin Simpson of Pampa visited with Mrs. Gladys Smulcer Saturday.

### IN MEMORIAM

In loving memory of Lillie Dell Cook Aldous who passed away Oct. 27, 1962. May the happiness she shared with others strengthen and sustain them, not only during gay and joyous times but through bleak and dreary hours that are to be. She would wish it thus.

Mr. and Mrs. Guy Hedrick of Lefors visited with Mr. and Mrs. Jewel Meacham Monday.

Earl Eustace and daughter, Othelia, Mrs. C. E. Cortis and Miss Marnelle Ledgerwood.

The following officers were elected: President, Alice Billy Cortis; vice president, Irma Ruth Fulbright; secretary, Earline Eustace; reporter, Mary Hess.

Mrs. Boyett served refreshments. The Junior Music Club met in Mrs. Boyett's studio Wednesday of last week.

The following officers were elected for the coming year: President, Mary Beth D'Spain; vice president, Jan Back; secretary, Leta May Hughes; reporter, Mrs. Beck.

After the program, delicious refreshments were served by Mrs. Boyett to the club members and the following mothers: Mesdames D'Spain, Woods, Mantooth, Keith Caldwell, Ralph Caldwell, Wilson, Crockett, Shadid, Switzer, Holloway, Cubine and Railsback.

The Junior Progressive Study Club met last Thursday in the home of Mrs. Carl Jones.

A delicious breakfast was served after which a short business meeting was held with Mrs. Earl Stubblefield presiding.

The club was entertained with several piano selections by Mrs. Travis Stokes.

The following members attended: Mesdames Earl Stubblefield, R. T. Dickinson, John B. Rice, Keith Caldwell, Travis Stokes, Jess Kemp, Frank Howard, Odell Mantooth, Earnest Beck and the hostess.

### 40 Years Ago

One of the most attractive exhibits entered at the McLean fair was that of the club girls. Our demonstrator has done a fine work with the girls of this county, and the girls proved by their wonderful exhibits that her efforts were not wasted.

Beryle Stubbs of Alanreed deserves special credit for her exhibit. The roads were impassable the day the exhibits were to be entered, so she sent her fine trio of turkeys and some entries for the domestic science department by express.

The girls entering exhibits in the different classes were the following: Lucille Rice, Lois Clement, Bobbie Cooke Velma Fulton, Velma Crockett, Fattie Bell Copeland, Tommie Mae Bird, Rachel Stratton, Wilma Grigsby, Margaret Boyd, Winnifred Howard, Joellene Vannoy, Ozella and Neoma Hunt, Vida Colebank, Lockey Norman and Beryle Stubbs.

Miss Nona Cousins entertained a number of friends with a Halloween party at her home north of town Wednesday evening. On arriving at the Cousins home the "spirits" were shown into the basement, which was appropriately decorated for the occasion. The evening was very pleasantly spent in fortune telling, bobbing for apples, story telling, etc. Delicious refreshments were served to the following: Mr. and Mrs. Harold Rippey, Misses Lillian Abbott, Sammie Roach, Mellie Bird Richey, Nela Norman, Myrtle Strong, Ann Richey, Frankie Mae Upham, Eunice Floyd, Margaret Miller, Alpha Bridg, Eunice Stratton and Maybelle Veatch, Messrs. Leaman Andrews, Homer Abbott, Leonard Knowell and Glenn Wolfe.

### Ex-Student Reunion Set at Clarendon

Ex-students of Clarendon High School are planning their annual reunion for Nov. 15-16 this year. The Clarendon-Memphis football game in Broncho Stadium will get things off to a good start on Friday evening, and activities are planned throughout the day Saturday, Nov. 16, beginning with registration at the new school building from 9:30 a.m. to 3 p.m. There will be visiting, class meetings, business meeting, banquet and dance, and arrangements are being made for Lee baby sitting throughout Saturday.

Reservations may be sent to Basil Smith, president, or Genevieve Eads, secretary, Clarendon.

Advance tickets for the banquet are \$1.25 and for the dance \$1 per person. Tickets at the door will be slightly higher.

Classes of 1919, 1929, 1939, 1949 and 1969 will be honored.

MRS. PAUL McCURLEY

## VOWS SAID IN KELLERVILLE BY BETTY TEDDER, PAUL McCURLEY

Wedding vows were said at the Church of Christ in Kellerville on Oct. 12 at 7 p.m. by Betty Ruth Tedder and Paul McCurley of McLean.

The bride is the daughter of Mr. and Mrs. Glenn B. Tedder of McLean and the groom is the son of Mr. and Mrs. C. H. McCurley, also of McLean.

Alton C. Little Church of Christ minister of Bakersfield, Calif., performed the ceremony.

Recordings by the Abilene Christian College Choir were used for the wedding music.

The bride was given in marriage

by her father.

She wore a gown of heavy white satin fashioned with long tapered sleeves and fitted bodice. She carried a bouquet of white chrysanthemums and yellow lilies-of-the-valley.

Ardine Lee of McLean was her cousin's maid of honor. Her dress was of yellow taffeta with an overlay of white lace. She carried a bouquet of yellow carnations with ribbon streamers.

The flower girl, Laura Little of Bakersfield, Calif., cousin of the bride, wore a dress of pale green with a satin sash.

Best man was Jimmy Rice and ushers were Frank Worsham of Albreed and Joe Howard.

A reception for the couple was given by the bride's parents in the Kellerville school gymnasium following the ceremony.

The bride's colors of yellow and white were carried out in decorations and the wedding cake.

For travel the bride wore a white wool suit with gold buttons and brown accessories.

The couple is now at home in McLean.

Vernon Kennedy of Amarillo visited his grandparents, Mr. and Mrs. Luther Petty, last week.

# BLOWIN' Out the CORNERS

by Anne Le Seb

We read the following ad in a small publication called The Comet Advertiser. It is our nomination for the most honest statement of the week in advertising. It read: "I Want to Be a Millionaire. If everyone who sees this ad will send me ten cents I'll be on my way." And then he gave instructions where to mail the dimes . . . I would give one dime just to know how many he received.

O. J., often heard on the early morning farm program over KGNC, Amarillo, gave the following as an answer to one of his regular hecklers regarding another who was absent that morning. He reasoned: "With friends like him, I don't need any enemies." The thought bears a bit of pondering.

One father complained about some of our modern day habits as follows: "Why, our son has to take the family car to school just to ride the three blocks home after a very strenuous football

workout after school."

If you can remember when most everybody had to take their bath in the family wash tub you certainly don't have to worry about the draft . . . As I remember it we were too tired and had too much else to think about to worry whether we came out perfectly clean.

E. T. Cummings, our regular reader from Tampa, Fla., writes that not long ago he read a believe it or not in a farm magazine which said that a Grimes County farmer owned a heifer which gave birth to a calf at the age of 12 months. Could this be possible?

Mr. and Mrs. Ed Brock, Mr. and Mrs. Woodrow Nelson, Mr. and Mrs. Ronald Nelson and Mr. and Mrs. Donald Nelson, all of Dimmitt, and Mr. and Mrs. Earl Lane and Jerry of Lefors visited Sunday with their father and grandfather, J. D. Brock, in the home of Mr. and Mrs. A. R. Clawson. Other visitors Sunday afternoon were Raymond Lane and Mr. and Mrs. Douglas Clawson.

Weekend visitors in the C. E. Hunt home were their daughters, Miss Ozella Hunt of Denver City and Mrs. Glen Thompson of Morton, also Mrs. Thompson's daughter, Mrs. George Autry, and children of Morton.

### COTTON HARVESTING

As of Tuesday, Oct. 22, a total of 60 bales of cotton had been ginned, according to B. F. Holland, McLean Gin manager.

Holland said we would have been in full swing, if it hadn't rained. D. D. Pennington says he has over 75 bales open now and is crying for pickers. I felt so sorry for him I thought about volunteering to help him pull it myself. My back still aches when I have such thoughts.

### PRAIRIE DOG WORK

Once more we hit J. J. Railsback's prairie dog town with poison grain. This time we had V. R. Smith with the Rodent Control Service.

We used a poison called 1080 oats. Jeff, let us know if this put the finishing touch on one of the last prairie dog towns in the

Attending funeral services for C. A. Cryer Friday afternoon in Amarillo were Mr. and Mrs. Wilson Boyd, Mrs. Nida Rippey Green, Mr. and Mrs. K. S. Rippey, Boyd Meador, Charlie Carpenter and Mrs. A. W. Lankford, all of McLean, and Mrs. Estelle Roach of Shamrock.

Mr. and Mrs. Foster Whaley and children of Pampa visited in McLean Tuesday afternoon.

Mr. and Mrs. W. C. Jackson of Keller and Mrs. Lola Stockton of Bethany Okla., visited the Homer Abbotts the past week. Mrs. Jackson and Mrs. Stockton are sisters of Mr. Abbott.

Mr. and Mrs. J. A. Meador, formerly of Boerne, Texas, spent the early part of this week visiting friends and attending to business here.

county.

It has taken a great deal of persistent effort to stamp these very destructive pests out in the county.

I am told they are very bad in many of the surrounding counties.

Thanks for the help of the Rodent Control Services.

### GOPHER CONTROL DEMONSTRATION

In visiting with V. R. Smith while he was in the county, he advised me they would be able in November to put on other demonstrations such as the one we had on the Hack McCurley farm.

According to the experts in the Rodent Control Service, we were most fortunate in obtaining a 100 per cent kill. This is very unusual.

### RAIN

The rains were spotted on the High Plains, but enough people got rain that it has created some interest in the purchase of cattle for wheat pasture.

There is still some maize in the field; quite a bit, in fact. People are busy harvesting and doing other fall chores. I believe it would pay the beef cattle man in this area to hold off for 10 days to sell his calves.

Some people are skeptical about whether wheat will root down with the amount of rain they have received. Personally, I believe those that get as much as an inch will be able to graze in a 10-day period.

Hold onto them for a 10 days to two weeks period. If we get more rain, I believe you will be able to get \$2 to \$3 more per 100 pounds.

However I don't believe stocker cattle will gain back to their original price for sometime. Reason: Feeders have taken a beating the last two years.

Their bankers are calling the shots now. Meat imports are having their effect as well.

"IF YOU'D KEPT ALERT FER SCREWORMS LIKE THEM SCIENTIST FELLERS SAID, OLE BLAZE WOULD STILL BE ALIVE!"

## NEWS OF CONSERVATION

A high point for an irrigation well was staked for Barnett and Hermesmyer on a farm they operate northeast of Groom.

A dam was staked for John C. Haynes of McLean.

Check Your Pounds of Beef per Acre. Several ranchers in the district are planning to check the

weaning weights of their calves to figure the pounds of beef produced per acre. In many cases it will be possible to increase the pounds of beef produced per acre through better range management.

At the Woodward Experiment Station the weaning weight of calves and pounds of beef per acre was increased by reducing stocking rates. Weaning weight of calves on heavily stocked pastures was 404 pounds, and weaning weight of calves on moderately stocked pastures was 481 pounds per head.

Proper range use, brush control, good distribution of grazing and deferred grazing are the major range conservation practices that can increase pounds of beef per acre.

### Kennedy Family

#### Has Recent Reunion

A family reunion and birthday dinner was held in the home of Mrs. W. E. Kennedy on Sunday, Oct. 13.

Four of the five children were present for the occasion. Mrs. Margaret Adkins and family of Charwater Fla., were unable to attend.

Birthday honorees were Steve Kennedy, Buddy Kennedy and Petie Everett.

Those present were Mr. and Mrs. G. W. Keller of Lawndale, Calif., Mr. and Mrs. Frank Kennedy and Jenny Ann, Margie, Buddy and Danny of Quail, Mr. and Mrs. Steve Kennedy and Cynthia and Carol of Amarillo, and Lucille Gaines, Mr. and Mrs. Petie Everett and Perry and Jerry and Mrs. Kennedy of McLean.

# WALTER ROGERS REPORTS

**BALANCE-OF-PAYMENTS PROBLEM**

The nagging balance-of-payments problem continues to play a continuing major role in influencing United States foreign policy decisions. The United States presently has an unfavorable balance of payments.

From 1947 to 1957, deficits were generally small—averaging about \$1 billion a year. In 1958, the problem began to accelerate, and deficits have exceeded \$3 billion a year in every year since then.

Although the average citizen is not directly affected by the situation, the problem could mount to such proportions that the dollar would be devalued with a re-

sultant serious impact on the stability of international trade and payments. Some suggest that the financial crisis that would result would be followed by a world-wide depression.

United States exports exceed imports by a wide margin. But this trade advantage is more than offset by other factors. One of the big ones is the high cost of maintaining a huge military establishment in foreign countries. Other factors involved are U. S. tourist dollars spent abroad, private investment and lending transactions with foreign nations and foreign aid.

The major drain on our dollars has come in recent years from an outflow of private capital, ranging from short-term bank loans to the purchase of stocks on foreign exchanges to the construction of plants abroad by American industries. Many Americans have determined that more money is to be made by investing dollars abroad in one way or another than by investing them in the domestic economy.

Properly, I believe, our government has consistently refrained from taking the drastic step of instituting exchange controls, of limiting the freedom of Americans to spend or invest in foreign lands. But the situation is the reverse in many of these same foreign countries; there, the citizens are prohibited by government order from investing their surplus money in the United States economy.

And, by the same token, American investors are sometimes surprised to find that the high rate of return luring them into foreign investments has a serious catch: They can put their dollars into foreign securities earning high interest but the withdrawal of capital is limited to amounts authorized by the foreign governments. Were these foreign controls to be lifted,

better balance would be achieved in this investment phase of the problem.

A legislative proposal before the Congress, the so-called "interest equalization tax," would raise the cost of foreign long-term borrowings through new bond issues and other loans and place a purchase tax on foreign securities bought by American investors. The purpose of this step, which might be termed a "tariff on money," would be to reduce the investment gap. Part of its purpose would be lost, however, by the proposal's call for an exemption of most Canadian issues.

Our government has tied most foreign aid purchases to the United States. Instead of money, the foreign aid program has in recent years called for assisting underdeveloped nations by giving them American-made goods. Less than 20 per cent of new foreign aid commitments results in an outflow of dollars and the program has continued its appeal to manufacturing and labor interests in this country who find in it an economic prop.

One of the objectives of tax-cut legislation, which has passed the House and is pending in the Senate, is to stimulate the investment of capital in American business and to assure continued economic growth in this country. Time will be required for this measure to have the impact sought for it.

Another measure that will take time to become fully effective, and to have a significant impact on the balance of payments, is the Trade Expansion Act of 1962, which is part of our effort to lower import barriers abroad. Meanwhile, a vigorous campaign is being continued in an effort to promote more U. S. exports of a wider variety.

The economic well-being of the entire Free World is tied to that of the United States. This fact is recognized in the capitals of Western Europe, where the economic boom in the years since World War II is directly related to United States assistance, and encouragement.

It is in the interests of all Free World nations that the United States find solutions to its balance-of-payments deficit—and the signs are that we will receive increasing support and cooperation from our allies.

# what's it COST?

Women, who before buying their electric ranges, thought it cost too much to cook electrically, have been pleasantly surprised at the bargain they bought. Some have noticed no difference in their electric bills. Composite figures compiled by engineers, however, show that the average is about 7¢ a day which includes breakfast, lunch and dinner for an average family — truly the kind of family bargain you've come to expect from modern electric service.

**Spur Field Day Set for Friday**

Paul T. Marion's "cow cafeteria" will highlight the Rolling Plains Experiment Station's annual fall field day at Spur, Texas, on Friday, Gray County Agent Foster Whaley has announced.

Marion is superintendent of the Spur substation and personally directs all beef cattle research activities there. His pet project features a feedlot breeding herd that has never been on pasture. Visitors will see these cows and their fourth calf crop at weaning time. Whaley said.

Other items of special interest to area ranchmen will include reports on brush control research, water conservation practices and cow and calf operations on native pastures.

The field day program will get underway with a tour of the station from 9 a.m. to 12 noon, followed by a "ditch treat" chuck wagon lunch.

**TIGERS**

(Continued from Page 1)

hard charges to score the three McLean TD's.

McLean struck quickly for its first touchdown, chalking it up only three minutes deep in the opening period.

The Tigers took possession on the Broncho 41 after receiving a punt. Crockett struck to the 35 and Graham got the first down on the 24.

McCarty broke away to the four, and Crockett finished the drive in two more carries. He then went wide to the left for the two-point conversion, dribbling the ball one time on the run.

Another march toward the goal was stopped on the Clarendon 15 when the Bronchos recovered a fumble.

Green fell on a fumbled ball on the visitors' 42 as the first quarter neared a close, but the effort ended early in the second period when Clarendon recovered another Tiger fumble on the one.

On the 25

At the half, McLean was roll-in again, making it to the Clarendon 25 just as the horn sounded.

Another fumble was recovered by the Bronchos on the second half kickoff. This time it was a costly one, coming as it did on McLean's seven.

Only three plays were necessary for Halfback John Grady to cross into the end zone. The run for extra points failed, leaving McLean with an 8-6 lead.

Midway of the quarter, the rushing Tigers caught a Clarendon back trying to punt from his end zone, and advanced him for a two-point safety.

The Tigers swiftly went for another TD soon after the ensuing kickoff from the Clarendon 25 following the safety.

Movie From 41

The drive started from the Broncho 44. A 15-yard penalty against Clarendon moved the line of scrimmage to the 29, and McCartney picked up six yards to the 23.

Graham ran to the 10. Crockett

to the eight and Graham to the six. From there Crockett went across on the next play.

Patton kicked the extra point, and McLean was ahead 17-6 with 2:26 to go in the third quarter.

McCarty hauled in a Clarendon pass on his own 20 as the third period ended, and returned to the Clarendon 48 before being hauled down.

Crockett picked up a first down on the Broncho 30, and a penalty against the invaders covered 15 more yards of the route.

**Runs to Right**

Crockett then went for a touchdown around the right side, but a backfield in motion penalty nullified the score. The big fullback hit to the 11 and Graham added four more yards. A 10-yard run by Crockett got the six-pointer.

Patton attempted to kick the extra point, but a personal foul by McLean penalized the Tigers back to the Clarendon 32. On the next conversion try, Johnny Fuller threw a long pass which bounced off one player and into the arms of Windom, who crossed into the end zone for the two points.

It was now 25-6 McLean, and the clock showed 10:13 to go.

Clarendon opened up with the passes as time ticked away. Dennis Stewart took the big one—good for a total of 65 yards—on the McLean 30 and went all the way. The PAT try failed, and the scoring ended at 25-12.

**Savings Bond Sales \$200,858 in 1963**

Gray County residents purchased \$36,438 worth of savings bonds during September, but the total sales in the county still are less than one-third of the year's goal.

George B. Cree Jr. of Pampa, county bonds committee chairman, said the September purchases bring to \$200,858 the amount of bonds bought during 1963.

The county goal for the year is \$650,000.

Bond sales in Texas last month were \$11,860,120, which is a 15.5 per cent increase over sales in September, 1962.

For the first nine months of the year, sales totaled \$111,504,654, representing 74 per cent of the \$150.6 million state goal.
