LIONS' FLAG GRID GAME IS OCT. 19

Shamrock Accepts Challenge to Play At Duncan Field

McLean will face Shamrock at Duncan Field on Oct. 19 in a Lions Club flag football contest, it was announced this week.

Johnny Haynes, president of the McLean Lions, said at the club's Tuesday luncheon that Shamrock Lions had accepted a challenge from local members to play in the flag football game.

Derral Davis is chairman of the committee in charge of making arrangements for the game. Davis announced that tickets will be \$1 for adults and 50 cents for students.

The first practice session for the local Lions is scheduled for tonight following the McLean and Memphis junior high football game here.

The McLean Lions observed the annual Farmer and Rancher Day at the luncheon Tuesday in the Methodist Church Fellowship Hall.

4-H Demonstration

Featured on the program was a demonstration presented by Steven Maddox and Bill Skaggs, 4-H Club members from Pampa.

The youths, introduced by Gray County Agent Foster Whaley, had placed first with the demonstration in the district 4-H contest earlier this year at Canyon. They also entered the state competition, and won high honors there.

Mike McCall, McLean High School student, was introduced as the Lion "Cub of the Month" for October.

Other guests included Gene Byrd of Shamrock; James Clett, J. L. Hess, J. I. Martindale, C. M. Carpenter, Leslie Darsey, W. W. (Slick) Boyd and Lloyd Hunt of McLean, and Jerry Harland, assistant county agent from Pampa.

Mrs. Emma Price Dies in Oklahoma

Funeral services for Mrs. Emma Lee Price, 92, were held Wednesday afternoon in Coley Memorial Chapel at Hollis, Okla.

Rev. Tom Broughton, pastor of the Gould Methodist Church, officiated, and interment was in Fairmont Cemetery in Hollis.

Mrs. Price, mother of E. L. (Smockey) Price of McLean, died Tuesday in Harmon Memorial Hospital at Hollis.

She was born on Feb. 1, 1871, in Sherman, Texas, and had been a resident of Hollis since 1927.

Survivors, in addition to her son here, are four daughters, Mrs. B. F. McCarty, Lancaster, Calif.; Mrs. T. L. Billingsley, Pecos Gap, Texas; Mrs. Thelma Plummer, Lovington, N. M.; and Mrs. Bob Byrd, Amarillo; four other sons, B. H. of Ladona, Texas; Parker of Friona, Claude of Monte Bella, Calif.; and L. onnie of Tulare, Calif.; 16 grandchildren, 23 great grandchildren and two great great grandchildren.

Meeting Tuesday

The McLean city commission will meet in regular session at 7 p.m. next Tuesday at city hall.

ELECTRIC BILLS GET NEW LOOK

Electric service bills for McLean customers will come in envelopes beginning next week, it has been announced by James Thompson, manager for the Southwestern Public Service Co.

The change from the postcard bill, which has been in use for a number of years, is the result of the installation of new electronic billing equipment, Thompson said.

"I think the chances are slim that anyone would throw away an envelope with our company's return address on it, without first seeing what it contained, but it seemed wise to point out, at the start of this new billing procedure, that the statement will be coming in an envelope in the future," Thompson added.

The new envelope, white in color, with a green block, is clearly marked on the outside as an electric service bill. Enclosed along with the new statement is a return envelope. The stub from the bill should be enclosed with the payment, the same practice that has been followed in the past.

Just Between Us

It's late to be impatient, but . . .

The delay in getting construction started on the McLean Hospital is beginning to irritate us—and not of the people we've talked to on the subject.

Time flies fast, we know. But how whole months soon will have passed since Gray County property owners gave overwhelming endorsement to the proposed hospital.

And only one firm step has been taken to get the hospital any nearer the construction stage than it was when the voters gave their approval on July 16.

Now the \$150,000 worth of bonds have been sold, and at a near-normal low interest rate. We've secured our approval of this accomplishment long enough, however.

The county hospital board's recommendation for an architect to prepare the final plans was to have been made to the county commissioners court sometime ago.

Then this was postponed until Oct. 1. Now Oct. 1 has come and gone without the recommendation presented to the commissioners court.

We're told that the hospital board is to meet Friday, and the project is to be decided upon at that time. Then if the county commissioners could get together for a brief meeting to accept the hospital board's recommendation, we would be over another hurdle.

The architect's work is expected to be completed within six weeks after he receives the go-ahead signal. This would put us up to the middle of November.

The next step would be the advertising of bids on the building, and finally awarding of the contract.

Perhaps the weatherman at least will look with favor upon us, and provide the kind of winter weather we've sought for construction.

Grade School Principal Jack Riley is still trying to think of the best way to get even for a year staged at his expense early this year. (See JBU, Page 8)

Lions Club to Sell Rooms on Oct. 15

The McLean Lions Club annual room sale will be held on Tuesday, Oct. 15.

During the day club members will sell brooms and other household articles all across the city.

Fire Prevention Week Is Oct. 6-12; Contests Planned

The annual Fire Prevention Week observance again will be held in McLean Oct. 6-12, with the traditional poster and theme contests scheduled in grade school and junior high.

Fire Chief Boyd Meador said Wednesday that the contests will be sponsored jointly by the Lions Club and volunteer fire department.

A total of \$1 per school grade will be provided as prize money. Principal Jack Riley said that students in the first through the fifth grades will prepare posters.

Bucks Too Much For Tigers; Win Streak Ends

The White Deer Bucks brought a quick stop to McLean's Victory Express here Friday night, shutting the Tigers out 14-0.

McLean takes a needed rest this week before going to Wheeler on Oct. 11 for the final non-conference tussle of the season.

White Deer, which had gone winless to this point of the season,

rose up to shackle the Bengals on the Bucks' Homecoming night. They held the Tigers to a net total of 80 yards rushing while rolling up 249 yards for themselves.

With their strong defense—plus the aid of two recovered fumbles and an equal number of intercepted passes—the Bucks were able to

control the ball most of the night. A leg injury early in the evening to Fullback Dickie Crockett slowed McLean's offensive action to a snail's pace, compared to preceding games.

Penalties were called frequently during the contest, with the Tigers losing 56 yards via this route compared to White Deer's 120.

Interference Called

Pass interference called against McLean set up the first score for the hosts, after the Tigers had held solidly against determined efforts a short time before.

The interference call moved the Bucks from the McLean 25-yard line to six inches from paydirt. Ray Armstrong carried across on the next play, but the conversion attempt was blocked.

This came with 4:50 left in the second quarter.

Soon after the period started White Deer pushed to a first down on the McLean five, then got to the one before McLean dug in and stopped the drive.

White Deer rang up TD No. 2 on the first play of the fourth quarter, when speedster Larry Elliott galloped 36 yards to climax a drive that had started on the Bucks' 49.

Richard Moore ran across the goal line for the two-point conversion. McLean could get no closer to scoring than the White Deer 35 throughout the night.

Marvin Young Dies In Car-Truck Crash South of Plainview

Funeral services for Marvin Glen Young, 25, were held this morning in the Bovina First Baptist Church.

Interment was to be this afternoon in Hillcrest Cemetery here. Mr. Young, son-in-law of Mr. and Mrs. Jesse (Chock) Smith of McLean, was killed Sunday in a grinding collision between his car and a cattle truck.

His wife, the former Rosie Lee Smith of McLean, remained in critical condition Wednesday in the Plainview Hospital. The couple's two daughters, Cindy Lee, 2, and Melissa Dawn, six months, were not seriously hurt in the accident.

Mr. and Mrs. Young and their children were returning to Bula, where he was high school coach, from a weekend visit in McLean when the crash occurred at the intersection of FM 400 and FM 52, 20 miles south of Plainview.

PENNINGTON IS FIRST AGAIN

Bale of Cotton Brings \$50 Extra

Dewey Pennington, McLean farmer, claimed the \$50 award last Thursday afternoon for producing the first bale of cotton ginned here.

Pennington's 517-pound bale was brought to the McLean Gin late in the afternoon.

The 2,010 pounds of pulled cotton necessary to produce the bale was pulled from over several acres on land owned by Mrs. R. L. Howard and sons, three miles east of McLean in Wheeler County.

Pennington said the first pulling averaged approximately one-quarter bale per acre. He expects to average three-quarters bale an acre over the entire field.

Hand-Pulled

The cotton was hand-pulled and, in addition to the lint, produced 800 pounds of seed.

Pennington said he planted the Gregg cotton on June 4.

The first bale was brought to the McLean Gin last year on Sept. 17.

B. F. Holland, gin manager, said Pennington's first bale graded "strict middling 31."

The \$50 first bale award was donated by the City of McLean. The gin also processed the bale without charge.

Golf Tournament Sunday Afternoon

The McLean Golf Course will be the scene Sunday of a Mulligan Tournament, it was announced Wednesday.

E. J. Windom Jr., tournament chairman, said tee-off time will be 1 p.m.

All golfers, whether members of the McLean Lions Golf Association or not, are invited to enter the tournament.

Cubs Rip Clarendon 50 - 32

A stunning barrage by the McLean Junior High Cubs completely overwhelmed the Clarendon Colts 50-32 here last Thursday night.

Coach Bob Schneider's young Tigers take on Memphis at 7 p.m. today at Duncan Field.

Last week's victory gave the McLean youths a 1-1 record for the season. They fell to Shamrock in the opener.

SWPS Employees Will Be Honored

Two McLean employees of the Southwestern Public Service Co. will be among 102 from the company's Panhandle Division to be honored tonight at the 15th annual service awards dinner in Amarillo.

Miss Patsy Durham will receive a 15-year award and Harlon Pool will be recognized for five years service.

A. R. Watson, president and general manager of the Southwestern Public Service Co., will make the presentation to the McLean employees and the other 100 honorees.

The top awards for service this year (35 years) will go to Gordon Lyons, Pampa, and three Borger men, Lewis Jones, Edgar McMillan and P. H. Renfro.

Throughout Southwestern Public Service Co.'s 45,000-square-mile service area, 285 employees with a combined service of 3,715 years are being honored at service awards dinners this year.

James Thompson Observes Birthday

James Lynn Thompson, son of Mr. and Mrs. Jay Thompson, was honored with a birthday party Wednesday afternoon, Oct. 2, at the family home in observance of his sixth birthday.

The children enjoyed playing games and watching the honoree open his gifts. Refreshments of cake and ice cream were served to the guests. Attending were Denise Lamb, Kelley Davis, Cathy Raines, Velda Williams, Roger Mac Bowling, Kelly Marshall and James' grandmother, Mrs. Janie Pittman of Hollis, Okla.

DEATH TAKES LEFORS MAYOR

Last rites for W. F. (Frank) Wall, mayor of Lefors, were held this afternoon in the Lefors Church of Christ.

Mr. Wall was pronounced dead on arrival Tuesday afternoon at Worley Hospital in Pampa, after being found shortly after noon in an alley behind his home.

Death was apparently from a heart attack or an acute stroke. Serving his third term as mayor, Mr. Wall had been a councilman for several years before being elected mayor.

He was born on Aug. 15, 1898, in Vonita, La., and was married to Hazel Cole on March 27, 1926.

An employee of Coltex for 10 years in Louisiana before moving to Texas in 1928, he continued with the company for 2½ years after coming to the Lefors area.

He entered the grocery business and operated a store in Lefors for 10 years, and then went into the variety store business in 1949. He owned Wall's Variety Store at the time of his death.

Survivors include his wife; two daughters, Mrs. C. E. Fenno, Lefors, and Paula Wall of the home; one son, Franklin of Pampa; two brothers, Bill and Carl Wall, both of Lefors; two grandsons and one granddaughter.

Hiring of Architect Delays Planning For New Hospital Here

Selection of an architect for the new McLean Hospital was delayed Tuesday at a meeting of the Gray County commissioners court.

County Commissioner Truitt Johnson told The McLean News Wednesday that the county hospital board informed the court it had not decided which architect to recommend for the project.

The board has interviewed several architects and was to have made its recommendation to the county commissioners at Tuesday's meeting.

However, members of the board contacted County Judge William J. Craig before the meeting to report that no recommendation would be made at that time.

Meeting Friday McLean Mayor John C. Haynes, who is a member of the hospital board, said that the board plans to meet Friday and probably would make a decision then.

Haynes said the architects interviewed had agreed to complete the plans and specifications for the new building here within six weeks after being hired by the commissioners court.

Gray County property owners approved by an overwhelming majority a \$150,000 bond issue for the McLean Hospital on July 16. The hospital will be operated as a branch of Highland General Hospital in Pampa.

When constructed, the new two-story structure will be located on the north side of the present McLean Clinic, and will be connected to the present building.

Saunders Wins At Oklahoma State Fair

A quality display of hornless blacks were paraded before Judge William A. Ljungdahl of New Mexico State University at the recent Oklahoma State Fair Angus Show in Oklahoma City.

Angus Valley Farms, Tulsa, and George F. Saunders, McLean, split top honors in the competition, which featured 12 herds from three states—Oklahoma, Texas and Missouri.

Saunders captured senior and grand champion bull honors on his 1818 Jr., and won the senior and reserve female grand championship with Saunders Key Pride.

Food is as much a weapon in the Cold War as is the military. It is a crucial fact of life in the modern world that warfare—hot or cold—involves the total commitment of national resources, populations as well as industrial and agricultural productive capacities. The current phase of the East-West conflict amounts to an imposing test of the abilities of two opposite systems to provide for the well-being of humanity.

Our conviction, and certainly that of the Canadians, is that freedom under democratic government is the best way for man to attain his material and spiritual goals. The Communist belief is that state supremacy through totalitarian control is the only course through which man can attain an abundance, if soul-less, existence.

The conflict between the two systems will continue through the foreseeable future, and as it goes on the capacities of the Free and Communist worlds to provide for their people will continue to be tested.

Some argue that for humanitarian purposes we should modify our export policies to sell foodstuffs to Iron Curtain countries, including the Chinese Communists. It is an appeal that bypasses the dominant fact that these nations are bent on the destruction of free men and their governments, including the United States.

At the moment, the United States—in assessing Canada's action—is in the same position as would be a sporting goods store owner who sees his competitor across the street sell a basket of revolvers to a gang of known criminals. We wish we'd gotten the dollars in our till, but we know that the effect of the sale may be to hasten the day that the gang returns to stage the promised hold-up.

I regret that the Canadian government can't see that point. And I trust our own government, despite our wheat surplus and balance-of-payment problems, will not lose sight of it.

Sunday evening visitors at the First Baptist Church were Dr. and Mrs. Buell Wells. Dr. Wells, former pastor of the McLean church, is now doing mission work in Kentucky.

NEWS OF CONSERVATION

R. J. Bradley and the Soil Conservation technicians staked three more terraces on his farm just south of Pampa. This field has about six badly eroded gullies. After he gets the land terraced he plans to level out the gullies. Rex McKay has sowed his waterway near Kingsmill to western wheatgrass.

Fertilize Cut Areas. Experiments conducted at Bushland showed that phosphate and nitrogen on the cut areas where the top soil has been removed maintained crop yields. Where the top soil has been removed it will take about 100 pounds of phosphate and about 100 pounds of nitrogen per acre.

Contour Farming. S. K. Roach, who farms northeast of Groem, is proud of his maize that he listed and planted on the contour. He said the contour listed furrows held the water where it fell. We sometimes think of contour farming being beneficial only during dry years. It will pay just as much in wet years as it does in dry years.

Texas State Fair Opens on Saturday

DALLAS—(Special)—The 1963 State Fair of Texas, a star-spangled "Exposition of Our American Heritage," will open Saturday and run 16 fun-filled days through Sunday, Oct. 20.

"How to Succeed in Business Without Really Trying," the award-winning Broadway musical comedy, and the State Fair Horse Shows both open Friday night, Oct. 4. Gov. John Connally will officially open the fair in ceremonies Saturday morning following the opening day parade through downtown Dallas, led by the Fourth United States Army Band.

Opening day is also Rural Youth Day, and some 100,000 4-H Clubbers, Future Farmers and Future Homemakers from all over Texas will be on hand.

Keyed to the Americana theme of the fair, there will be a colorful "Parade of the Stars and Stripes" around the fairgrounds each evening at 6:45 p.m.

4-H CLUB WORK

Dick Everett has agreed to be the adult leader for our subject matter group in rifle. Next Monday night Dick will take this group to Pampa where Bob McCann, adult leader, Pampa, will put this group through their first lesson.

The group will have 10 hours of instruction by Dick on safety, care and handling of guns before they shoot a rifle. Plans are to affiliate with the National Rifleman's Association.

Four .22-caliber rifles will be furnished free through this organization. A small bond has to be posted and a \$5 fee to the National Rifleman's Association has to be posted.

This entitles the group to a certain amount of free ammunition. The guns and ammunition are furnished through the Army or some agreement with the N. R. A.

We think Dick Everett is to be commended for his interest and time in this matter.

I do not know the exact time Dick will leave for Pampa next Monday. Call him up if you are a 4-H member or would like to become one.

Milton Carpenter is supposed to take any extras that might be necessary to take to Pampa. After Monday the group will meet at a local place.

LEFORS 4-H CLUB

Interest is very keen in the 4-H Club at Lefors. The club has met only twice, and over 40 club members attended last week.

CHAMPION GRASS GROWER

Ralph Thomas and I collected a sample of blue panic grass on the Milton Carpenter Ranch this year. It was entered in the Tri-State Fair at Amarillo.

It was no surprise to Ralph, Milton or me when this bundle of grass took the first-place blue ribbon.

Why? Because this makes about the eighth year in a row this has happened. For years Ralph collected this sample and entered it in the fair. Each year it won the first-place slot.

I asked Ralph to collect these samples in 1960, 1961 and 1962. This year, he and I collected the grass together.

I am just wondering if a record hasn't been set on a single exhibit.

SUPERVISORS ELECTION

James Cliett and Mrs. Cliett

Mr. and Mrs. David Frizzell of Lockney visited her grandparents, Mr. and Mrs. T. E. Crisp, Tuesday night.

attended a soil board supervisors election in Pampa last Tuesday night. W. C. Epperson, Pampa, was elected to replace Roland Dauer.

Roland has served very faithfully for the past five years on the Gray County Soil Conservation District board of supervisors. Next year, Curtis Scheaffer, southwest portion of the county, will have completed 10 years of service to the board and will be up for reelection.

These fellows serve without pay. James Cliett is your local supervisor, representing sub-division No. 2.

HYBRID MILO—NEW VARIETIES

The experiment station released foundation seed this spring to seed growers for the production of head smut-resistant type of RS 610 and RS 608 hybrid milo.

New 610 will be numbered 626. The RS 608 (Martin pollinator) will be numbered 625.

According to the experiment station, these new varieties will out-yield the older varieties. They stand better and are shorter.

RS 610 is the most widely planted and still stands at the top of the list, or near the top of the list, in yield, when compared at our unbiased experiment stations.

I still accept what our experiment stations report. They have nothing to sell except good, authentic information. Some commercial concerns are slightly interested in selling seed.

Check with the yield reports of your experiment stations. At Bushland, where there is no experiment test involved, they plant 610 all the way.

In other words, it is their opinion that 610 is tops for dry-land production. Under irrigation, there are other varieties that will out-yield it.

 of cattle and driven by Donald Wayne Preston, 22, of Stratford, struck the front of the Young car.
 Both vehicles veered into a ditch, and Mr. and Mrs. Young and one of their daughters were thrown from the car. Mr. Young fell between the wreckage of the car and truck.

Wreckers had to pull the wreckage away before the body could be removed.
 Preston, who was uninjured, has been charged with negligent homicide in Plainview.

Mr. Young, born on Aug. 3, 1938, at Farwell, was graduated in 1962 from West Texas State University in Canyon. He was beginning his second year as coach and high school teacher at Bula.

Attends Clarendon College. He also attended Wayland Baptist College, Plainview, where he played basketball, and Clarendon Junior College. He was a graduate of Bovina High School.

He was a member of the Enoch Baptist Church near Bula, and was active in church work.

Survivors, in addition to his wife and daughters, include his parents, Mr. and Mrs. Ephram Young; Bovina; seven brothers, Paul E. of Lubbock, Sam A. of Salem, Va., Henry E. of Baytown, Arnold D. of Toms River, N. J., Roy R. of Boys Ranch, Donnie B. of Bovina and George P. of Fort Worth; two sisters, Mrs. Howard Allen, Bunnell, Fla., and Mildred Young, Bovina.

NOTICE ELECTRIC

(Continued from Page 1)
 prevailed in the past.
Billing at Same Time
 Thompson said McLean customers would be billed at the same time of the month that they have been in the past.

Thompson pointed out that there is a feature in the new billing system which might encourage more customers who have checking accounts to use the bank draft method of payment. He said that the objection to this method on the part of some customers in the past has been that they didn't know how much their bank account had been charged.

Under the new billing system, the customer using the bank draft method of payment will receive a copy of his statement at the same time that the billing for McLean customers is made.

The statement will be clearly marked that it should not be paid because a bank draft will be drawn, but it will inform the customer of his monthly charges for electric service.

A small pamphlet, announcing the new billing procedures, will be enclosed in the first statements, scheduled to go out next week, Thompson said.

Poco Chamita Wins At Oklahoma Fair

Poco Chamita, yearling filly Quarterhorse owned by Neville and Ruby Back of McLean, added to her growing list of winnings last week at the Oklahoma State Fair in Oklahoma City.

Poco Chamita won her class in the competition there, bringing to nine blue ribbons, one grand championship and two reserve championship titles since the first of August.

Poco Pine Cody, also owned by the Backs, placed fifth in his class in Oklahoma.

The outstanding registered Quarterhorses will be entered Saturday in the show at Guyton, Okla.

Mrs. Back said Wednesday that a half-brother of Poco Chamita—Poco Little Ben, owned by the Williams Quarterhorse Ranch of LeFors—is also capturing a number of ribbons.

Poco Little Ben has entered seven shows, and won five blue ribbons and two second places.

Both of the animals were sired by Poco Pine Cody, also owned by Neville and Ruby Back.

Heart Attack Fatal For W. O. Alexander

W. O. Alexander, 68, of Wichita Falls died Monday night, Sept. 30, of a heart attack in a hospital in Wichita Falls.

Funeral services were held at 2 p.m. Wednesday at the Highland Heights Christian Church, with burial in the Wichita Falls Cemetery.

Survivors include his wife, Julia; one son, Jimmy, and one daughter, Mrs. Henry Joiner, all of Wichita Falls; four sisters, Mrs. Elton Johnston of McLean, Mrs. Lou Wood of Borger, Mrs. Emmett Thompson of Quanah and Mrs. T. J. Coffey of Dallas, and three brothers, Don of McLean, Alva of Sacramento, Calif., and Oscar of Albuquerque, N. M.

Local Boys Will Attend Convention

Two McLean High School students will attend the national Future Farmers of America convention Oct. 8-11 in Kansas City, Mo. Nelson Christie, local vocational agriculture teacher, said Harry Tate, son of Mr. and Mrs. Orpheus Tate, and Kelly McChellan, son of Mr. and Mrs. Bernard McChellan, will represent the McLean FFA chapter at the convention.

The youths are to leave next Monday with some 68 other Future Farmers and vocational agriculture teachers from 15 FFA chapters in Area 1.
 They will travel by Santa Fe train from Amarillo, and are scheduled to return on Saturday, Oct. 12.

STYLE LEADER—Heading Pontiac's parade of 1964 cars is this Grand Prix sports coupe above. With its "over and under" headlamps and new rectangular front parking and turn signal lamps, the Grand Prix commands immediate attention. From every angle the Grand Prix uses its clean lines to suggest a longer, lower, wider look. The profile is highlighted by a thin roof line and large concave rear window. Floor console, bucket seats and special instrument panel treatment add a sports car flair. The 1964 Pontiac Catalina four-door sedan below is completely restyled while retaining a strong Pontiac identity. In addition to new styling, colors and interiors, the 1964 Pontiacs feature a wide range of high-performance V-8 engines, improved suspension system and a complete group of accessories for added safety and comfort. Other Catalina models are a two-door sedan, a two-door sports coupe, a four-door hardtop, a convertible and six and nine-passenger station wagons.

Down Memory Lane

10 Years Ago

Mr. and Mrs. Everett Watson of McLean announce the engagement and approaching marriage of their daughter, Norma, to Glen Curry, son of Mrs. R. D. Coon of Cheyenne, Okla.
 The wedding date has been set for the first week in October.

A birthday party honoring Johnnie Mann was given in the home of his parents, Mr. and Mrs. J. L. Mann, Thursday, Sept. 17.
 Delicious refreshments of cake and ice cream were served.

Those attending were Dickie and Linda Henley, Barbara and Patricia Simpson, David Hefner, Herbie Butrum, Jackie Croves, Hickman Brown, Mike Simpson, Marilyn Williams and Douglas Johnson.

The intermediate Sunday School class of the McLean Methodist Church met at the home of their teacher, Mrs. Willie Boyett, Saturday, Sept. 26, for a pot luck supper, honoring the new members who were entering the class from the junior department.

Those new members were Othella Eustace, Jimmy Dawson, Jimmy Allison, Lester Siter and Paul McCurley.

After the supper, Mrs. Boyett entertained the group with picture slides of scenes in McLean.
 Besides the honorees, those present were Martha McCurley, Ann Sligar, Suzanne Hibler, Janice Magee, Monta Kennedy, Jackie Bailey, Billy Rodgers, Joel Wilson, Bobby Davison, Miss Virginia Sloan, Mrs. Earl Eustace and Rev. and Mrs. C. W. Parmenter.

20 Years Ago

For those who did not see the game Friday night, here are a few highlights:
 Lineup: RE, John Dwyer; RT, Bob Evans; RG, Carl Dwyer; C, Donald Dowell; LG, Don Steadman; LT, Philip Lisman; LE, Kenneth Goodman; LH, James Barker; RH, Frank Simpson; FB, Bill Hill; QB, George Johnson.

The only score made during the game was in the third quarter. Before the half, we had advanced closer, but not close enough.

Our touchdown was made by James Barker, the extra point by George Johnson.

The subs that were sent in at the half were: Johnnie Cabine, RG; Kenneth Preston, RT; Raymond Smith, QB; Frank Stewart, C.

40 Years Ago

On Thursday evening of last week Miss Lillian Abbott gave a watermelon feast in honor of the teachers of the McLean school. Those who enjoyed the occasion were: Misses Margaret Miller, Lois Taggart, Ann Richey, Neia Norman, Sammie Roach, Altha Bridge, Nona Cousins, Myrtle Strong, Mellie Bird Richey, Louise Orr, Oma Arnold, Eunice Stratton, Ila Abbott; Mesdames Vigna Stuckey, S. A. Cousins and D. L. Abbott; Mr. and Mrs. S. M. Castleberry, Messrs. T. A. Taggart, R. O. Dunkle and Homer Abbott.

On Wednesday of last week the freshman class of McLean High School met and elected the following officers: President, Charles Jordan; vice president, Roger Powers; secretary, Rachel Stratton; treasurer, Temple Atkins; yell leader, Duke Shaw; assistant yell leader, Vera Wilson; song leader, Audra Wilson; assistant song leader, Lea Jackson; news reporter, Lena Sparks; social committee, Lois Clement, Roger Powers and Faytie Belle Copeland.

Our home town Tiger boys met and defeated the husky Jack Snappers from Miami here Saturday afternoon, by a nice little score of 24 to 0. The entire score was made in the second half, the first half being very evenly matched.

Early in the first quarter Fred Bentley was taken off left end so that he would be fresh for the backfield in the second half. It proved to be a good change, as "Mike" made two touchdowns when he did get on left half. Norman Johnston played left end the remainder of the game and did some good work, both offensive and defensive. J. F. Watkins showed the old Tiger spirit on right end after he relieved Marvin Davis, who was to be rested for the third quarter. Marvin had done his part. Mart, Charles and Floyd blazed the trail for the backfield to follow through the line. They ploughed through every line they heard their numbers. Ovie carried the ball well, but S. E. was our best ground gainer and made a pair of touchdowns for the Tigers. His generalship as a captain and quarterback makes us have full confidence in the Tiger squad. The lineup was as follows: F, Bentley, left end; C, Jordan, left

tackle; B, Burrows, left guard; M, Carpenter, center; D, Waters, right guard; L, Jackson, right tackle; M, Davis, right end; S. B. Morse (captain), quarterback; F, Phillips, left half; O, Ginn, right half; M, Dwyer, fullback; Subs: Norman Johnston, J. F. Watkins, Gaylard Hodges, Roger Powers, Temple Atkins, Russell Grogan, Frank Howard.

The sophomore class of McLean High School met Tuesday afternoon, and with Miss Norman acting as chairman, elected the following officers: President, Marvin Davis; vice president, Leonard Howard; secretary-treasurer, Benjie Newman; news reporter, Vina Stratton; entertainment committee, Essie Worley, Lorena Ashby, LeRoy Landers and Oran Robinson.

this week.
The city crew dug a trench on the grade school grounds (for a water line or gas line, we didn't learn which. When the line was laid, the earth covering the trench was carefully mounded and patted smooth.

At one end a stone was erected, and plastic flowers were placed on the mound.

Scrawled on the stone were words to this effect:

"Here lies Jack Riley . . . Gone but not forgotten."

And speaking of practical jokes, they pulled a humdinger on Dewey Pennington down at the McLean Gin last week.

B. F. Holland, gin manager, knew that Dewey was working feverishly Thursday to gather the first bale of cotton here. For his efforts, of course, the farmer would be in line to collect a \$50 award from the City of McLean and have the first bale ginned free.

Well, Dewey was racing against time. He had hired several Negroes from Shamrock to pull the first bale for him, and at about noon he offered each an extra \$1 if they would get the job done by 5 o'clock.

They finished up at 4 p.m., and Dewey—who has brought the first bale to the gin here consistently, except for 1962—headed toward McLean.

In the meantime, though, B. F. and the gin crew were getting ready, too.

They pulled an empty cotton trailer out near the gin office, carefully putting it in a position so that Dewey would see it as he turned toward the gin.

He saw it all right, and he commented later that he almost decided to turn around and take the cotton to Shamrock for ginning.

Boy . . . sometimes it just doesn't pay to write for a newspaper, where your mistakes are down in plain black and white.

We committed two dandy blunders last week, and now must beg forgiveness.

First, we announced to the world that Jan Bailey, McLean High School sophomore, had been chosen sweetheart of the local FFA chapter.

Possibly we've been around these parts longer than we had thought. Jan is not either a sophomore—she's a junior—despite the fact that it may seem only a year or so ago since she entered high school.

So, our apologies to Jan. Next, we apparently got so excited being in the presence of such high El Paso Natural Gas Co. officials that we scribbled down the wrong information.

The Permian Division manager's name is not A. E. Scarce, as we reported it. He's Mr. E. A. Scarce.

So, our apologies to Mr. Scarce.

THREE MISHAPS INVESTIGATED

Two McLean young people escaped injury Monday afternoon in a two-car collision in front of the grade school on Main Street.

John Robert McCabe, driving a 1963 Chevrolet had stopped at a stop sign in the street in front of the school building when his car was hit in the rear by a 1956 Ford driven by Sylvia Groves.

Highway Patrolman Charles Henderson estimated damage to both vehicles at a total of \$350.

Henderson also investigated two other traffic accidents, both of which occurred on Sunday, Sept. 22.

Richard McGee of Skellytown failed to negotiate a curve on FM 1321, 11.8 miles north of McLean, and his 1959 Chevrolet overturned.

Treated at Hospital
McGee, 22, and Eloyse Mercer, 27, of Shamrock, a passenger in the car, were treated for bruises and abrasions at Shamrock General Hospital.

Damage was estimated at \$550. A Missouri couple sustained injuries in an accident later the same day 17.9 miles west of McLean on Highway 66.

Henderson said the mishap involved a 1956 DeSoto, driven by Pete Folkens of Enumclaw, Wash., and a 1962 Mercury driven by Hubert Lee Brooks of Franklin, Mo.

Folkens was attempting to make a left turn from the outside lane of the highway, when the collision occurred, Henderson said.

Brooks and his wife, Vesper, were treated for bruises at Groom Memorial Hospital.

Property damage was estimated at \$750.

Rites Pending For Mrs. Ida Jane Whitt

Mrs. Ida Jane Whitt, mother of Mrs. Lopez Hauck of McLean, died at 6:30 a.m. today (Thursday) in Adair Hospital at Clarendon.

Funeral services were pending this morning with Lamb Funeral Home of McLean.

Mrs. Whitt was born on Jan. 11, 1889, and moved to Clarendon from Grand Saline, Texas, in 1929.

A retired school teacher, she taught for 25 years before her retirement in 1947 from the Skelly Schools.

Mrs. Whitt was a member of the Clarendon Methodist Church and of the Woodmen of the World organization.

Survivors, in addition to Mrs. Hauck, are one other daughter, Mrs. Charsley Ann Scribner, Iolton; three sisters, Mrs. Nora Scott, Paducah, Mrs. Jeffie Melton, Grand Saline, and Mrs. Lillie Parker, Dallas; one brother, Tom E. Long, Seminole; four grandchildren and one great grandchild.

Visiting with the Cliff Days Sunday were Mr. and Mrs. Ed Day of Amarillo, Mr. and Mrs. Bill Day of Perryton, Mr. and Mrs. Dave McGahey and Cheryl Lynn of Pampa and Mr. and Mrs. Ben Day of Brownfield.

Influenza had flattened the gorilla just before children's day at the zoo. So as not to disappoint the children, a workman put on a gorilla suit and swung about the trapeze equipment in the cage. On one wide swing he went out of control and landed in front of the tiger.

"Help!" he yelled.

"Shut up," whispered the tiger furiously, "or we'll both get fired."

There's no make-believe at our station—either in products or service. We did our practicing a long time ago and we know how to care for your service station needs.
