## Tops in Division

### Safety Award Goes To El Paso Plant

Posting an accident-free record over a period of more than five years paid off Tuesday night for the El Paso Natural Gas Co.'s Ponomo plant east of McLean. High division officials of the company came here to present the Permian Division's 1962 "Outstanding Safety Achievement Award" to the plant, and prior to the ceremonies served a steak supper to local plant employees and their families.

In addition to the safety plaque to be hung in the plant office, each employe received either a cigaret lighter or a money clip bearing the company emblem.

The event was held in the backyard of one of the plant personnel houses.

Food for the occasion was prepared on the scene by the company officials, who then served in the serving line.

#### Division Manager Here

Heading the company group was A. E. Scarce, Permian Division manager from El Paso.

Tom O'Donald, company-wide safety director from El Paso, praised the McLean plant personnel for their outstanding record. He also commended the wives of the employes, saying that they had "an awful big part" in making the record.

O'Donald said the Ponomo plant was selected as "the outstanding location" in a division including "a great many outstanding locations."

He attributed the excellent safety record at the local plant to "good supervision and good operational practices" in addition to other factors.

T. J. Crutchfield, assistant division superintendent from Jal, N. M., presented the individual awards. The plaque was presented to J. B. Roach, local plant superintendent, by F. T. Bailey, division superintendent.

**Thanks Employes and Wives**  
In accepting the plaque, Roach expressed his appreciation to the employes and their wives for making possible the top safety record here.

It was pointed out during the program that the McLean plant had a record of no time lost as the result of accidents over a period of five years, one month and 18 days.

This represents 110,000 working hours.

Scarce, the division manager, spoke briefly and announced that he would retire in 1965.

Other company representatives present, in addition to those absent, in addition to those absent, in addition to those absent...

#### Officials Listed

Bill Angus, El Paso, assistant safety director; Gus Kendrick, Midland, area field representative; L. G. Sweatt, Jal, division compressor superintendent; Joe Kuhlman, Jal, division safety engineer; Doyle Balco, Jal, division personnel representative; Johnny Hodges, Midland, division safety engineer; Roy Watson, Jal, division safety engineer; Howard Kibee, Jal, company pilot; Keith Foster, El Paso, safety representative of the U. S. Fidelity and Guarantee Co.

Local personnel receiving the individual awards, in addition to Roach, and the year each was assigned to the plant, were: Sherman Crockett, 1959; Roy Hess, 1958; John Jones, 1959; John McCall, 1960; Alvin Teeple, 1958; Jack B. Hopper, 1961; Sid Lands, 1957; J. L. Parr, 1962; Kenneth Thornton, 1957; Don Blair, 1957, who has since left the company and now lives in Dumas.

Roach has been superintendent of the plant since 1957, the year it began operation.

#### Welch Attends Meet

Lee Welch, superintendent of McLean schools, attended the annual Texas superintendents meeting in Austin early this week.

Welch left last Saturday and returned to McLean Wednesday.

### JAN BAILEY SWEETHEART OF LOCAL FFA

Jan Bailey, daughter of Mr. and Mrs. Jack Bailey, is the new sweetheart of the McLean High School Future Farmers of America.

Miss Bailey, a sophomore at FFA, was introduced as the chapter sweetheart in a special assembly program Wednesday. She had been selected for the honor by chapter members last week, but identity of the sweetheart was kept secret until Wednesday.

Leslie Hunt, local FFA president, presented Miss Bailey a bouquet at Wednesday's assembly. The occasion also marked the 50th visit here of the Texas FFA president Benny Mays of Houston.

Boys who graduated from high school last year, is delaying the start of his college education in order to devote full time to the FFA president's job.

**Fight Communism**  
In a talk at the assembly, Mays challenged Future Farmers and the students to help in the fight against communism.

"Communism is a big challenge," he said. "They are winning the cold war, and will continue to do so until we make up our minds to save our way of life."

Mays said the youth of the United States are "wasting much of our ability."

He described the FFA as a very fine program in leadership, organization and citizenship.

Mays will travel about 50,000 miles during his term as state FFA president. He is attempting a visit to at least six chapters each week.

#### Rites Held For City Man's Mother

Funeral services for Mrs. Myrtle Irene Payne of Red Oak, who died Sunday afternoon in a hospital at the age of 78, were held at 2 p. m. Monday at the Red Oak Baptist Church in Waxahachie.

Survivors are her husband, W. W. of Red Oak; three sons, W. K. of Portales, N. M., W. C. of Red Oak, N. M., and S. M. of Red Oak; six grandchildren and one great grandchild.

#### Roy Franklin Dies in Albuquerque N. M.

Funeral services for Roy Franklin, who moved from McLean many years ago, died in Albuquerque on Sept. 18.

Survivors are his wife, Mrs. J. M. Franklin, who moved from McLean many years ago, died in Albuquerque on Sept. 18.

#### FACTORY FACTS

MARIE FOUNDATIONS REPORT	
Number of Employes	262
Production—Bras	2,176 dozen
Girdles	967 dozen

**BLOWN UP:** Builders of the new plastic hot house step back to admire their work. From left, the adults are Perry Isom, Petite Everett, Mrs. Everett and Mrs. Isom. The little ones are Gregg Isom (left) and Perry Everett. The plastic igloo keeps its shape through the use of a small blower. (McLean News Photo)

### Plastic Igloo Will Be a Hot House

McLean vine-ripened tomatoes at Christmas!

If all goes according to plan, this should be the accomplishment of a McLean couple this year.

Mr. and Mrs. Kenneth B. (Petie) Everett, with assistance of friends from Tulsa, Okla., have erected—or, rather, blown up—an igloo type of structure that uses air as its only means of support.

### Cubs, Clarendon To Battle Tonight

The McLean Junior High Cubs return to the grid wars tonight, when they host Clarendon at 7 p. m. at Duncan Field.

It will be the second contest for Coach Bob Schneider's Cubs, who were defeated 14-0 by Shamrock in their opener two weeks ago.

The youngsters had an open date last week.

Coach Schneider said the Cubs' starting offensive line-up will be: Jack McCarty, left end; Terry Hogg, left tackle; Brad Parker, left guard; Calvin Van Huss, center; Joe Redwine, right guard; Brad Dalton, right tackle; John Mann, right end; Butch Davis, quarterback; Mike Simpson, left halfback; Jimmy Heister, right halfback; and Steve Fuller, fullback.

### Future Homemakers Pick New Officers

The McLean High School Future Homemakers of America met recently and elected officers for the 1963-64 school term.

Chosen as president was Joan Flowers, with Mikki Green, vice president; Barbara Simpson, secretary; Dorothy Beasley, treasurer; Janice Saunders, parliamentarian; Janelle Hall, song leader; Sue Green, historian; Carolyn Keen, assistant historian; Judy Going, reporter; and Lana Grogan, refreshment chairman.

Ronnie Hunt was elected the FFA becu.

### Bowling Tickets Sold by Lions

The McLean Lions Club is continuing to sell bowling tickets good for three games at the Bowlor Lanes in Shamrock.

Tickets have been placed at the city hall and Parsons Rexall Drug Store. They also may be purchased from any member of the club.

Price per ticket is \$1.50. The local club retains 50 cents from each ticket sold.

### Magazine Subs Being Sold by MHS Seniors

The McLean senior class is continuing its magazine subscriptions drive.

Jim McCarty has asked residents desiring to subscribe to some of the most popular magazines—and at the same time help the class—to contact him.

### Leamon Andrews Is Elected to County ASCS Committee

Leamon Andrews of McLean has been elected a member of the Gray County Agricultural Stabilization and Conservation Committee.

Andrews was named to the membership of the committee in the recent county and community elections, according to Miss Evelyn Mason, county ASC office manager.

David Reeves, also of McLean, was named second alternate on the county committee, which takes office on Oct. 1 for a one-year term.

Paul R. Bowers will serve as chairman of the committee, with Floyd McLaughlin as vice chairman and W. C. Moseley as first alternate.

Community committee members elected include: McLean—Clyde N. Brown, chairman; Boyd Reeves, vice chairman; Frank Howard, member; J. I. Martindale, first alternate; A. B. McPherson, second alternate.

Grandview—George E. Dillman, chairman; Jim C. Hopkins, vice chairman; Raymond Maddox, member; Jack Barnett, first alternate; Austin Crowell, second alternate.

Laketon—J. D. Paris, chairman; Homer Powell, vice chairman; Lloyd Harvey, member; Irvin Seltz, first alternate; John Harnly, second alternate.

Pampa—Robert Sailor, chairman; W. C. Moseley, vice chairman; Nolan Cole, member; James A. Lewis, first alternate; W. F. Taylor, second alternate.

### McLean 4-H Club Meets on Monday

Approximately 30 persons were present for the monthly meeting of the McLean 4-H Club when they met Monday night, Sept. 23.

Jerry Harland, assistant county agricultural agent, was introduced to the club.

The members discussed ways of raising funds for the club. Becky Orrick, Debra McClellan and Johnnie Carpenter were appointed as a committee to work on this.

A demonstration on artificial respiration was given by Jeanne Anders.

Mrs. Jay Channell, assistant home demonstration agent, showed slides on how parents can help the 4-H Clubs.

The yearly program was approved by the club.

The meeting was adjourned, following which refreshments of cookies and punch were served.

### 4 El Paso Employees Attend Meeting

Four McLean men returned Friday from an El Paso Natural Gas Co. foremen's meeting in Midland.

Representing the plant here at the two-day session were J. B. Roach, superintendent, and Paul Johnson, A. L. Fuller and Tom White.

## Tigers Set To Battle Bucks Friday Night

Playing last-half catchup for the second week in a row, the McLean Tigers narrowly squeezed by Groom's Tigers 7-6 here last Friday.

The local squad goes after its fourth straight victory of the season at White Deer at 8 p. m. Friday.

Still winless in three starts, the White Deer Bucks are nevertheless expected to provide tough competition for McLean. Lefors trampled the Bucks last week 39-0, and half of the touchdowns were scored by the Pirates' defensive team.

Pep rallies have been held daily at McLean High School all this week in preparation for the game.

Coach Derral Davis said Wednesday that the Tigers are "better prepared mentally" for White Deer than they were for Groom.

"We didn't have that extra mental attitude we needed last week," the coach continued. He said the squad did show much improvement in the second half, after making several mistakes early in the game.

#### McCall Hurt

The only serious injury among the players was sustained by Center Mike McCall against Groom. McCall, who received a foot injury, will be out of action for at least four weeks.

Gary Joe Graham hurt his shoulder and Dwight Hathaway has a pulled leg muscle, but both will be able to see action at White Deer.

Bob Patton, who missed most of the Groom game with a shoulder injury, also will return to the lineup at his regular right tackle position.

The Tigers' starting lineup on offense will be: Kenny Smith, left end; Ronnie Hunt, left tackle; George Green, left guard; Hathaway, center; Mike Johnson, right guard; Patton, right tackle; Eddy Window, right end; Johnny Fuller, quarterback; Graham and Jim McCarty, halfbacks; Dickie Crockett, fullback.

Ronnie McCracken and Harlon Pool will see defensive action.

Groom dominated play here in the first half, but McLean came back stronger after the intermission.

Improvement Noted  
In the first two quarters, the locals were able to net only 42 yards rushing, compared to the visitors' 74. McLean added 124 to this in the second half, while holding Groom to only 17.

A recovered fumble set Groom up in business on the McLean 12 early in the first quarter.

Bob Garmon, 170-pound Groom fullback, struck for three and then after a pass failed he grabbed another yard to the eight. On the next play Garmon went around left end to score.

The kick for extra point was partially blocked, but the invaders still had a 6-0 lead with 7:56 remaining in the first quarter.

McLean rolled toward pay dirt following the kickoff before having to punt from the locals' 48.

Crockett Grabs Fumble  
Patton booted to Groom's 22. A Groom player was jarred loose from the ball, and Crockett fell on it at this point.

McCartey, Crockett and Graham worked their way to the Groom 16, and Graham took a pass for the end remaining yardage to the end zone. But a 15-yard penalty against the local Tigers nullified the score.

After moving back to the 31 because of the penalty, the Tigers (See TIGERS, Page 7)

### Lions' Broom Sale Set for Oct. 15

Oct. 15 is the date set for the annual broom sale sponsored by the McLean Lions Club.

Lions President Johnny Haynes this week asked residents to wait until the sale to buy their brooms, door mats, dish cloths, etc.

The brooms and other merchandise are made in Lighthouses for the Blind. A portion of the money raised in the sales is retained by the Lions Club for its projects.

Members of the club will conduct the sale throughout the city.

## TIGER B TEAM HAS SATURDAY CONTEST HERE

Coach Lloyd Hunt's Tiger B team, fresh from a 22-14 conquest of the Pampa Junior High Reapers, takes on Robert E. Lee Junior High of Pampa at Duncan Field Saturday.

Kickoff will be at 10 a. m. The Bees are now undefeated in three games.

McLean was forced to go all out here last Saturday to topple the Pampa squad, as Joe Magee scored the winning touchdown with but two minutes remaining in the game.

Robert McCabe put McLean on the scoreboard in the first quarter, but the extra-point try failed.

A short time later Larry Stevens passed to David Martindale for 30 yards and a Pampa TD, and the score remained tied at 6-6 when the invaders' attempt for the point-after was unsuccessful.

20-Yard TD  
Raymond Baker broke away on a 20-yard gallop for McLean's second score, then Baker ran over the goal line for the two-point conversion.

The Reapers picked up their second tally when Stevens plunged across from two yards out, after he had passed to Martindale on the preceding play for 58 yards.

Lane Hooten's run was good for the two-point conversion to deadlock the score again.

As the clock ticked away, the local Bees battled their way 60 yards for the victory-clinching TD, with Magee carrying the ball over.

### Last Rites Held For Mrs. Woods

Last rites for Mrs. Nellie Mae Woods, 62, were held at graveside Wednesday in Hillcrest Cemetery here.

Mrs. Woods, formerly of McLean, died Monday in St. Anthony's Hospital in Amarillo. She resided at 2240 Locust, Amarillo, and had lived in Amarillo since 1938.

Funeral services were conducted earlier Wednesday in Amarillo before graveside rites were held here.

Mrs. Woods is survived by two sons, A. J. (Woody) and A. B., both of Amarillo; one daughter, Mrs. S. J. Dyer Jr.; her father and stepmother Mr. and Mrs. J. W. Dougherty, northeast of McLean; two brothers, Sam and Basil Dougherty, both of Pampa; three sisters, Mrs. F. J. Bidwell, Amarillo; Mrs. Woodrow Mann, Graham; and Mrs. R. D. Williams, McLean; 11 grandchildren and four great grandchildren.

### Band Boosters To Meet Tuesday Night

The McLean Band Boosters Club will begin a membership drive in a meeting at 7:30 p. m. Tuesday at the band hall.

All parents of students in the fifth grade through the high school band are invited to attend the meeting, where fund-raising projects are to be discussed.

Coffee and doughnuts will be served.

**NEWS** from  
YOUR  
COUNTY AGRICULTURAL AGENT  
VENAS A. O. M. COLLAGE EXTENSION SERVICE

**By FOSTER WHALEY**  
**SCREW-WORMS**  
During the week of Sept. 8-19, 1962, a total of 823 cases of screw-worms were reported in Texas.  
During the same period this year only 19 cases were reported in Texas.  
The battle is being won. The most encouraging thing is the fact that very few to none are being reported in south Texas, where they are usually a tremendous problem.  
B. F. Holland said we need to come up with the same or similar technique on the bollweevil. This would be great.

**COTTON INSECTS**  
On the Tibbets-Giesler Farm just south of McLean, I noted some damage from leafworms. However, I could not find any leafworms.  
I did not catch either Oscar or Mr. Giesler around. I presume they have sprayed and eradicated the leafworms. Usually leafworms travel pretty fast.  
The last day or two have seen good weather on our cotton. Three weeks of this kind of weather would be great for the cotton farmer.  
At the same time, a good ground-soaking rain is needed on top to assure wheat pasture.

**WHEAT PASTURE PROSPECTS**  
In most cases, prospects are not nearly as bright as they have been in past years. Rains have been spotted.  
We predict that wheat pasture will be spotted also.  
A good general rain might change this, however. Most people who have sufficient moisture now have their wheat planted or either in the process of doing so.

**CIVIL DEFENSE MEETING**  
Our visit to McLean was delayed by one day this week due to a civil defense meeting of the U. S. D. A. personnel.  
About 75 representatives of the various U. S. D. A. employees met in Pampa on Monday and Tuesday. Purpose of the meeting was to inform county U. S. D. A. civil defense boards of their responsibilities and authority in case of a nuclear war.  
Some of the information was of a classified nature and stimulating to our local county U. S. D. A. defense board—Evelyn Mason, ASCS office; Arneal Scott, SCS office, and yours truly, county agent.  
In time of surplus food supplies we become very complacent, when Mr. and Mrs. G. F. Morris of Pampa visited last week with Mr. and Mrs. Guy Hester and family.

it comes to planning for an emergency as an all-out nuclear war.  
Last fall, however, people were very much on edge during the Cuban crisis. I mentioned on a daily radio program over KPND which I carried at that time that we had several timely publications people could obtain free by just picking up their telephones and dialing MO 4-3441.  
This was at 6:50 a.m. I answered the phone for a solid hour and a half, taking names and addresses of people calling in. Our secretary took over and continued.  
Numerous calls continued for several days. Although I was forced to drop the radio program because of pressing duties, I'm sure if I put the same announcement on today I would have very few calls.  
One of our speakers made some very exciting statements with regard to just how close we came to a shooting war last fall. He said we came within six hours of bombing Cuba.  
Planes were warmed up and he personally visited Key West, Fla., at the time of this crisis. I wish every resident of Gray County could have heard his comments.  
Incidentally, I still have a good supply of publications on all phases of civil defense.

Did you know that presidential orders have already been written and sent to all levels of government that would in effect close all grocery stores for a five-day period in case of an enemy attack?  
Yes, a great deal is being done that the general public does not hear about.  
Did you know the Civil Defense Administration has placed in the hands of our local SCS very expensive monitoring equipment that would give our radiation level soon after an attack?  
Did you know your county defense board has considerable broad powers in the procurement of food supplies, etc.?

**COMPARING:** State Fair Kids Marla and Cindy Hill get a real boot out of comparing their small-size footwear to the 7-foot 7-inch boots which belong to their heroes, Big Tex. On a recent visit to the Dallas studio where Big Tex lives during the off-season, Marla and Cindy got a close-up look at the boots which belong to the 52-foot-high symbol of the State Fair of Texas, the nation's largest annual exposition in terms of attendance. Big Tex—and also Marla and Cindy—will be ready and waiting to greet visitors to the 1963 fair in Dallas, when the gates swing open on Saturday, Oct. 5.

**WMU Association Meets in McLean**

The annual North Fork Association of WMU met with the McLean First Baptist Church on Tuesday morning, Sept. 24.

The theme of the program was "A Year of Praise and Thanksgiving" with Mrs. Charles Cason of Wellington, associational president, in charge.

The hymn, "O God, Our Help in Ages Past," was sung by the group to open the service, followed by the call to prayer.

The devotional was given by Mrs. Paul Miller, McLean.

Conference groups on GA's, Sunbeams, Prayer, Satyrdship, Community Missions, Mission Study and Presidents were held.

The ladies then assembled in the auditorium.

Testimonies by some of the members were given.

Mrs. Glen Hickey of Wellington sang a solo.

Rev. Dan Beltz brought the message, followed by prayer and adjournment for lunch.

During the afternoon session the message was brought by Miss Sarah Lou Henley, who is a missionary to Nigeria.

Dismissal prayer was by Mrs. M. E. Wyatt of Shamrock.

Guy Hester and Jimmy visited Monday at Amarillo AFB with Major Sheral Huff.

**Interior Decorator**

The Pioneer Study Club met in the home of Mrs. Guy Hester Thursday, Sept. 19.

Members were served refreshments of pastry shells filled with congealed luncheon salad, Russian tea cakes, meringues and coffee.

For the program, Mrs. Hester introduced the guest speaker, Bob Mitchell, who is an interior decorator with Sears-Roebuck & Co. Mitchell brought an enlightening

The general cost of living has increased over 100 per cent in the last 20 years. Doctors' fees have risen 90 per cent, while food is up 151 per cent, and clothing is up 106 per cent.

Julius Caesar, Napoleon Bonaparte and Violinist Paganini were all victims of epilepsy.

**WALTER ROGERS REPORTS**

**LANDMARK TAX LEGISLATION**

The most important legislation of the year—the "Revenue Act of '64"—will be before the House of Representatives as most of you read this newsletter.

Known to most citizens simply as "the tax bill," this measure's major provisions include an across-the-board cut in individual and corporate income taxes. Because of its impact on virtually every American citizen and business firm, the tax bill has brought more concentrated public and congressional attention than any other piece of pending legislation.

Perhaps you've determined by now that your own taxes would be reduced and the effects other provisions in the bill would have on you or your business. Perhaps you've found things in the bill with which you disagree; few issues could agree with every one in a bill 310 pages in length, although they might feel that "on balance" the bill is a good one.

The most significant thing about the tax bill is that it represents a strong affirmation of the nation's faith in the free enterprise system. At conflict in recent years have been two theories concerning the way in which government can help bolster the country's economy.

On one hand have been those who advocate higher government spending in programs and projects which tie a larger proportion of the labor force and industrial production directly to the government. On the other hand have been those who believe, as I do, that a relaxation of governmental controls and a reduction of the tax burden will encourage the free enterprise system to provide goods, services—and jobs—in ever-increasing abundance.

This bill represents the first step in history to stimulate economic development by freeing capital, through a reduction in taxes, for higher consumer spending and business investment.

Congressman Wilbur Mills, my colleague from Arkansas whose name Ways and Means Com-

mittee worked steadily for nine months to write the legislation, stated the philosophy underlying it in these words: "This bill reflects an effort by the federal government to reduce—not to impose—tax constraints on the economy, to give the private sector of the economy greater wherewithal to do what comes naturally to it and which increases the well-being of us all."

I am convinced that most Americans are anticipating a tax cut. The current strength of the economy reflects, in part, the conviction of many citizens that a tax cut is coming. The high rate of consumer spendings, an increase in business investment, the booming stock market, a drop in the rate of unemployment—this good news is not entirely due to the anticipation of a tax cut, but I believe that the prospect of lowered taxes is part of it.

The tax bill has wide bi-partisan support, the support of business and labor, support of citizens rich and poor.

The main argument against the bill concerns the wisdom of reducing taxes when the certain result would be at least temporary greater imbalance between the government's receipts and expenditures—in other words, additional budget deficits.

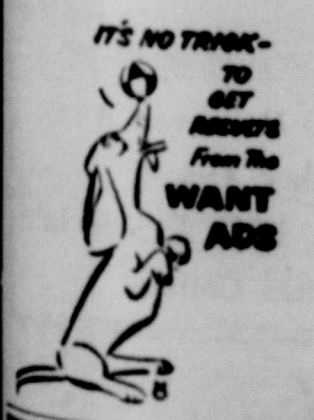

As one who has worked long for reduced government spending, I believe that enactment of this legislation will actually help achieve this goal. More Americans than ever will be writing their representatives to say, in effect: "We are glad to have a tax cut—now redouble your efforts to cut spending and balance the budget."

Congress, I believe, will become much more conscious of the need for economy with taxes substantially reduced.

The objective of tax reduction is to stimulate the growth of the economy to such an extent that the resultant higher levels of personal and corporate income will thus produce more—not less—tax revenue.

Section 1 of the bill, which was authored by Committee Chairman Mills, spells out that objective in these words: "To further the objective of obtaining balanced budgets in the future, Congress by this action, recognizes the importance of taking all reasonable measures to restrain government spending and urges the President to declare his accord with this objective."

Tax reduction and revision provided for in this bill will help hasten the day when our budgets are balanced in a growing economy, providing adequate employment and investment opportunities—and giving full play to the initiative of our free enterprise system.

**Today...Jet-smooth Luxury '64 CHEVROLET**

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delco-tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

**Take your first look at the first CHEVELLE!**

**CHEVELLE! by Chevrolet**

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

WASHINGTON AND  
"SMALL BUSINESS"  
By C. WILSON HARDER

Many ask what good has been accomplished by huge sums of U.S. tax money thrown around in Latin America.

Probably nothing. In fact, there is perhaps quite valid evidence that nothing has been accomplished beyond confusing the peoples of Latin America.

Some interesting comments are made in a publication titled "Mexican-American" published in Mexico City by Hugo Salinas Price. We do not know Senator Price, but his writings are interesting.

He reports that recently an American economic professor, a John P. Powelson was sent down to lecture at the National University in Mexico.

Senator Price reports that the Mexican newspapers covered his talk in this fashion. "The economist Powelson spoke on monopolies. He considers them in some cases necessary. The existence of great enterprises and even of monopolies, is necessary and not a negative factor in the economic development of the capitalist countries." He is then quoted as referring to the convenience of establishing large enterprises in Latin America without fear of monopolies.

This caused Senator Price to write "If the U.S. has such strict antitrust laws, why does an American economist advise us of the convenience of establishing large enterprises in Latin America?"

Latin America without fear of monopolies? This is typical of the people who are in charge of socializing Latin America through the Alliance for Progress; to persecute private wealth through taxation, and to advocate State-owned monopolies and trusts.

Senator Price also reported on the appearance in Mexico City for a roundtable discussion participated in by several avowed communists of Dr. Walt Rostow, chairman of State Dept. Policy Planning Committee.

Now Senator Price writes there is nothing wrong with being a planner, but Dr. Rostow, he avers, is the kind of planner who plans other people's lives, other people's work, and spends other people's resources.

As substantiation, he quotes from an article by Dr. Rostow in the London Economist as late as August 15, 1959, who wrote, "The central government should be capable of organizing the nations so that unified commercial markets develop. It should create and maintain a fiscal and tax system which will channel resources toward modern uses. Modern uses" is government spending.

This then, is an example of dogma being preached in Latin America by State Dept.

It thus, seems to leave little room for wonder why Latin American dictators, with this doctrine from the Big Brother of the North given to them, "channel" as much of their respective national wealth as possible, to safe places against the day their people wise up and revolt. For this type of advice, who needs U.S. State Dept?

MRS. ALICE SHORT SMITH SPEAKS AT PAMPA MEETING

"Germany and Japan, our two former enemies, respect the United States more than any other nations," commented a woman around-the-

world traveler as she showed slides of her travels at the first meeting of the season held by the Beta Delta Chapter of Delta Kappa Gamma Society in Pampa.

Mrs. Alice Short Smith of McLean expressed surprise at the ease in visiting East Berlin as she has been there six times.

She reported, "Traveling through Russia was interesting but a frightening experience. We bought food stamps for use in procuring food at restaurants. No stamps; no food. In Russia there is a language barrier which does not persist in other countries where enough English is spoken that some communication is possible."

Other slides included scenes from Greece, India, the Holy Land and Hong Kong.

Mrs. Leslie Webb of McLean modeled a sari and displayed objects of art from the Far East to complement the slide commentary.

Mrs. Jack Riley, also of McLean, in concluding the program focus, "Women on the Way Up," gave an account of the marriage of a 22-year-old girl, Hope Cooke, to Palden Thondup Namgyal, crown prince of Sikkim, a Himalayan kingdom.

Recognition was given to Mrs. Roy Sullivan, Pampa, who is state vice president and state chairman of the growth and public service committee.

Claudia Everly of Pampa was presented a guard for her state achievement award pin. Miss Everly was a charter member of the local chapter; it was organized in 1928.

The back-to-school lunch seminar was held Saturday at Lovett Memorial Library in Pampa.

During the business meeting, Norma Lee Lantz of Lefors gave a report of the expansion committee.

It was announced that the next meeting will be the regional meeting in Memphis on Oct. 12.

Member from McLean attending was Mrs. Riley; from Lefors, Misses Lantz and Ardelle Briggs.

Mr. and Mrs. Faris Hess and Mr. and Mrs. Bill Cash attended the football game at Canyon Saturday afternoon.

Specialist Trout NCO Academy Grad

BAD TOLZ, Germany—(Special)—Army Specialist Four Thomas M. Trout, 26, son of Mrs. Susie A. L. Trout, McLean, was graduated from the Seventh U. S. Army Non-Commissioned Officer (NCO) Academy in Bad Tolz Sept. 13.

Specialist Trout received four weeks of training in various military subjects with emphasis on leadership, map reading and principles of instruction.

The purpose of the academy is to broaden the soldier's professional knowledge; and to instill in him the self-confidence and sense of responsibility required of a capable leader.

An automotive mechanic in Detachment 2 of the 588th Ordnance Company near Kaiserslautern, Specialist Trout entered the Army in September, 1956, and arrived overseas in April, 1961.

Sponsors and officers of the four classes in McLean High School were elected in class meetings held Wednesday morning. Principal Freeman Melton Jr. reported.

Getting the tough assignments as sponsors of the two top classes were Harold Bunch and Mrs. June Story, for the senior class, and Clinton Williams and Miss Betty Lynch for the juniors.

Other officers and sponsors chosen are as follows: Senior class: President, Archie Dwyer; vice president, Billy Don Day; recording secretary, Ona Gail McPherson; reporter, Christine Hunt; corresponding secretary, Barbara Wilson; treasurer, June Stubblefield; candidates for student council, Virginia Beck, Christine Hunt, Wayne Moore and David Wilson.

Junior class: President, Rodney Gunn; vice president, Jimmy Farren; secretary, Mavis Medley; for student council, Don Trew, James Jolly, Frankie Tucker, Sarah McClellan; treasurer, LaRue Pettit; sentinel, Troy Smith.

Sophomore class: President, James Lee; vice president, Floyd Skipper; secretary, Johnny Day; treasurer, Owen Rhea; reporter, Dixie Hampton; for student council, Butch Turpen, Lloyd Skipper, Leona Gossett; sponsors, Mrs. Williams and Vernon Gibson.

Freshman class: President, Joe Dwyer; vice president, Gayle Mullanax; secretary, Ann Sligar; reporter, Carl Lee Henley; treasurer, Fred Smith; for student council, Paul Garvin, E. W. Riley, Rolena Chase, Mauree Miller; sponsors, Miss Virginia Sloan and Joe Coleman.

Mrs. Clyde Andrews was hostess to the Wesleyan Service Guild Tuesday evening in the chapel of the McLean Methodist Church.

The program was presented by Floella Cubine, June Stubblefield and Charles Bailey. Mrs. Willie Boyett assisted by showing pictures with her projector. Miss Stubblefield sang "Awake, Awake to Love and Work." She was accompanied at the piano by Miss Cubine. The program also featured pictures of the Teele family, Methodist missionaries to Japan, and letters written by Mr. and Mrs. Teele to friends in America.

Those present were Mesdames Clyde Magee, Frank Rodgers, C.W. Parmenter, Bob Sherrad, Odell Mantooth, Wheeler Carter, Bob Black, Lady Bryant, Shelton Nush, Wilson Boyd, Ercy Cubine, June Story, Clifford Allison, Earnest Beck, Lawrence Hauck, S.A. Cousins, Guy Hester, Paul Kenney, J. S. Morse, John Haynes, Evan Sitter and Boyett; Misses Cubine and Stubblefield and Charles Bailey.

20 Years Ago

Mrs. C. O. Huber presented the program at the Lions Club Tuesday, consisting of musical numbers, vocal solos and a reading. Misses Barbara Nell Williams, Jan Black, Kathleen Huber, Alice Billy Corts and Mary Lee Abbott were in the entertainment party.

Supt. Carl Chaudoin, Coach Russell Denison and Band Director C. A. Pingleton were guests.

The seventh grade has elected Grace Wilson for president, John Griffith for vice president, and Ethel Hugg for reporter. In the seventh grade we have 30 pupils that passed from the sixth last year. We have three new pupils: Beverly Clark from Battle Creek, Mich., John Griffith from Lefors and Tommy Reeves from Miami, Ariz.

Mr. Lawrence is our home room teacher.

The two sixth grade classes met together to organize a citizenship club which will meet once each month. The following officers were elected: Benny Cooper, president; Norma Watson, vice president; Charles Wendall Bailey, secretary; Clyde Mounce, reporter.

Chairmen selected for committees were: Glenn Wall, safety first; Mrs. Bob James visited in Abilene last week.

at the Government Cotton Classing Office in Memphis, Texas, beginning at 1:00 p.m. All members are urged to attend this important meeting.

ROLLING PLAINS COTTON PRODUCERS, INC.  
Memphis, Texas

40 Years Ago

A meeting was held in the Back community Wednesday night, when plans were made for Back's exhibit for the McLean and Amarillo fairs. Miss Patterson and Prof. Dunkle presided at the meeting. A large representative of the progressive residents of the community was present and the following committee chairmen were appointed: Corn, R. H. Corum; grain sorghum, L. L. Morse; hay, C. M. Carpenter; sweet clover and Bermuda, W. W. Wilson; fruits, Owen Neal; vegetable, Jesse Cobb.

Miss Ruby Cook of McLean entertained the crowd with several readings.

A speaker of national reputation was secured and a watermelon feast furnished by the local organization of the K. K. Klan last Thursday evening. The exercises were held in the L. O. Floyd pasture just opposite the W. B. Upham home, and the affair seemed very pleasing to those present. Practically every member of the community heard the lecture.

Persons: Mr. and Mrs. J. L. Upham and little daughter, Marilyn, of Elkhart, Kan., are visiting the former's parents, Mr. and Mrs. W. B. Upham.

Mr. and Mrs. Roy Rice and children left Saturday for their home at Elsworth, Kan., after a visit here with relatives. They were accompanied home by Mrs. C. S. Rice and son, Erwin.

J. C. Short and daughters Lefors Marguerite and Sophia, of Misses spent Friday and Saturday in the R. F. Sanders home.

Miss Stella Roby left Sunday for Amarillo to spend the winter.

Little Miss Eleanor and Billy Cooke are visiting relatives at Sapulpa, Okla.

Miss Lillian Abbott returned Friday night from the institute at Canyon.

News From ALAN REED

By MRS. CECIL CARTER

Mrs. O. W. Stapp and Wanda Averitt were in Amarillo on business Thursday of last week.

Mr. and Mrs. Jewel Snyder of Albuquerque, N. M., visited Mrs. Snyder's mother, Mrs. Faye Oakley, here last week.

Mr. and Mrs. Cecil Carter visited over the weekend in Amarillo with the Jim Bruce family.

Mr. and Mrs. Bill Lowe and family of Goodnight visited here Sunday.

Mr. and Mrs. F. B. Carter and Mrs. F. L. Dalton and Mrs. John Endsley of McLean were in Pampa Monday.

Mrs. Jerry Tarr and Mrs. Ernest Foshee were shopping in Pampa Monday.

Jimmy Bordwine and Graham Kuengler of Fort Sill, Okla., accompanied Paul Averitt home last weekend.

Mr. and Mrs. Ernest Oakley and Barbara and granddaughter, Kelly, visited Sunday with Mrs. Faye Oakley and others.

Mr. and Mrs. Warren Carter of Skellytown visited here and at McLean Monday.

Mrs. J. C. Gilbreath and Mrs. Norma Cooper and son, Gary, spent the weekend in Lubbock. Mrs. Cooper and son went on to Seminole to visit with her fiancé, Travis Bolch, and family.

Visiting with Mr. and Mrs. Ott Moore Sunday were her daughter and her family, the Bob Cliffords of Plainview. Patty McIlroy returned home with the Cliffords for a visit this week.

## NEWS OF CONSERVATION

There have been several permanent conservation practices installed in the Gray County Soil Conservation District this year.

Many times after a permanent practice is installed, we think the conservation problem is solved. A permanent practice might only be a part of the conservation needs of the land.

Vegetative practices, such as proper utilization of native grass lands and proper management of crop residues, play an important role in the over-all conservation program to control erosion and maintain soil fertility.

### IRRIGATION

Approximately 12 irrigation wells have been drilled in the Gray County SCD this year. W. D. Powers, D. W. Swain, John Harnly, G. M. Walls, Stan Kretzmeier, H. W. Waters, Donald Nicholson, Bill Crisp and Cecil Seaney are some of the farmers who have drilled irrigation wells.

Many irrigation farmers have found that there is more to irrigation than drilling a well. A complete irrigation system should be installed, which includes pipe-

line or ditches and sometimes land leveling.

After the system is installed, there should be a significant increase in crop production to justify the expense involved in converting dry cropland to irrigation.

Applying irrigation water to meet the needs of the crop during the peak water-use period is important. Knowing when to irrigate and how much water to apply are very necessary in irrigation farming.

Very seldom does an irrigated farmer get high crop production without fertilization. Proper fertilization and water application will in most cases provide enough increase in crop production to economically justify an irrigation system.

For assistance in planning your irrigation system, contact the Pampa Soil Conservation Service office.

Mr. and Mrs. Wilson Reedy of Wichita Falls visited her mother, Mrs. T. A. Massay, Wednesday and Wednesday night.

Mrs. N. A. Greer was in Amarillo Wednesday.

## Nona Ruth Beck Is Honored At Bridal Shower

Miss Nona Ruth Beck, bride-elect of Wayne Mann, was honored at a bridal shower on Saturday afternoon, Sept. 21, in the parlor of the McLean Methodist Church.

Hostesses for the occasion were Misses Cindy Rice, Mary Ann Carter and Nancy Meacham and Mesdames Billy D. Rice, Wheeler Carter, Jewel Meacham, Frank Rodgers, Wilson Boyd, Clifford Allison, Hack McCurley, Wayman Flowers, Jack Bailey, Ted Shaller and Woody Wilkerson.

The guests were registered by Miss Rice and Mrs. Shaller. Misses Carter and Meacham served at the refreshment table.

The future bride's chosen colors of blue and white were carried out in the table decorations.

The guests were greeted by Miss Beck's mother, Mrs. Earnest Beck, and her fiance's mother, Mrs. G. V. Mann of Clarendon.

Out-of-town guests attending were Mrs. Mann, Mrs. H. G. Babbitt and Mrs. C. A. Morgan of Clarendon; Mrs. Conrad Maddox of Amarillo, Mrs. Emmett Babbitt of Ralls and Miss Jewel Cousins of Borger.

Mrs. Stella Payne made a business trip to Hereford last week. She was accompanied by Mrs. N. A. Greer.

**TO BE AT FAIR:** American as Yankee Doodle describes the Deep River, Conn., Drum Corps which will make its first appearance outside New England at the 1963 State Fair of Texas, Oct. 5-20 in Dallas. The corps will appear during the first week of the fair, giving daily concerts and performing in the nightly "Stars and Stripes Parade." Founded in 1888, the group embodies the Spirit of '76 and keeps alive the military fife and drum tradition handed down unbroken from the days of Lexington, Concord and George Washington's Continental Army.

Those from the McLean First Baptist Church attending the annual North Fork Associational meeting at Shamrock First Baptist Church last Thursday were Rev. and Mrs. Dan Beltz, Mr. and Mrs. Luther Petty and Mesdames H. D. Banks, E. L. Price, Homer Abbott, Ed Coppock, Newt Barker and Walter Miller.

## BIRTHDAYS

Sept. 29—C. S. Rice, Jimmy Stevens.

Sept. 30—Mrs. Vernon King, F. L. Bones, Dean Tate, Linda Lee Henley, Carter Lee Trew.

Oct. 1—George Colebank, Jack Bailey, Mrs. T. E. Crisp, Ruby Back, Judy Lowe.

Oct. 2—Mrs. J. B. Pettit, Mrs. Raymond Smith, Inez Patton, James Lynn Thompson, Mrs. Lucy Peavler.

Oct. 3—Wm. Frank Payne Jr.

Oct. 4—Johnnie Mertel, Harlon Pool Jr., Sharon Goldston.

Oct. 5—Mrs. T. H. Andrews, Mrs. C. J. Magee, Mrs. Bill Pettit, Mrs. R. O. Cunningham, Gary Nicholson.

Many have quarreled about religion that never practiced it.

## Mrs. Thomas Talks Of Mission Work

The Presbyterian ladies were hostesses at a tea on Tuesday, Sept. 17, at the church.

Mrs. David Thomas gave a talk on her life as a missionary in China.

Decorations of fall flowers were used.

The serving table was covered with a lace cloth.

Tea was poured from a silver tea service by Mrs. Kid McCoy and Mrs. T. E. Crisp.

A set of hand painted china which Mrs. Thomas had brought back from China was on display. She also showed those present through the manse, where several other articles were displayed.

Approximately 23 people attended.

Mrs. James Clark of Ralston, Okla., visited last week in the Guy Hester home.

Fast service on Rubber Stamps  
 —any size. The McLean News, GR  
 9-2447.

**TIGERS**

(Continued from Page 1)  
 of McLean attempted to pass.  
 Groom Quarterback Dan Craig  
 was waiting and hauled down the  
 ball. He made it to Groom's 38  
 before being stopped.  
 In the second quarter, Groom  
 mustered another threat, but it fuz-  
 zed out on the McLean 22.

**March Goalward**

The locals' lone TD drive began  
 on the 50-yard stripe about midway  
 of the third quarter.  
 Crockett picked up a first down  
 on Groom's 40, and Fuller carried  
 to the 33. McCarty kept the march  
 going by recording another first  
 down on the visitors' 28, and then  
 pushed his way to the 21. Groom  
 got nowhere, but Crockett  
 counted another first on the 18.  
 A pass from Crockett to Graham  
 missed the mark. Crockett carried  
 to the nine, and Fuller picked up  
 the yard needed for a first down.  
 McCarty was knocked down on  
 the 10, and a pass to Window  
 fell incomplete—as was every aerial  
 tried by McLean all evening.  
 Crockett determinedly bulled his  
 way to the two, and on the next  
 play—25 seconds before the third  
 quarter ended—put McLean on the  
 scoreboard.  
 Patton's kick was perfect for the  
 extra point, giving the locals their  
 7-6 margin.  
 Groom staged another big threat  
 soon after the final period opened.  
 A clipping penalty against Mc-  
 Lean gave Groom a first down on  
 the McLean 40. Halfback Keith  
 Black took a pass from Craig for  
 a first down on McLean's 25. Half-  
 back Jerry Roberts picked up a  
 yard, and then a pass failed.  
 On the next try, however, Black  
 again was hit by Craig on the Mc-  
 Lean 10. Window broke through  
 then to throw Roberts on the 14.  
 Gorman made a yard, but Roberts  
 was downed on the 20.  
 Little Halfback Kyle Black put  
 McLean fans in shock when he  
 broke away to the eight on fourth  
 down. It wasn't enough for a first  
 and 10.  
 Trying to move away from dan-  
 gerous territory, McLean pushed out  
 to the 17, where a fumble gave  
 possession back to Groom.  
 McCarty stopped this threat three  
 plays later, though, when he in-  
 tercepted a pass on the five.  
 McLean was rolling goalward with  
 a first down on Groom's 27 as the  
 game ended.

**NOTICE**

**Cotton Classing  
 Office Will Open  
 Monday at Memphis**

Monday, Sept. 30, marks the open-  
 ing of the fifth season for the  
 Memphis cotton classing office, U.  
 S. Department of Agriculture.  
 Operated by USDA's Agricultural  
 Marketing Service, this office class-  
 es cotton for farmers in 11 west  
 Texas counties—Briscoe, Carson,  
 Gray, Childress, Collingsworth,  
 Cottle, Donley, Hall, King, Motley  
 and Wheeler.

Kermit E. Voelkel, who has been  
 with the AMS cotton division for  
 32 years, will be in charge of the  
 Memphis office for the third season.  
 "Last year, we classed 203,115  
 bales of cotton under the Smith-  
 Doney program," Voelkel said.

Cotton from 56 gins goes to the  
 Memphis office which has facilities  
 for classing about 5,000 samples  
 per day.

Early ginned cotton in the Mem-  
 phis territory was classed in Altus.  
 Should a farmer want a review on  
 any of these classifications, the  
 request for review and samples  
 should be sent to Memphis, ac-  
 cording to Voelkel.

Cotton is classed without cost for  
 farmers belonging to organized  
 Smith-Doney cotton improvement  
 groups.

Persons wanting these cotton re-  
 ports can get them without cost  
 by writing to Kermit Voelkel, 221  
 Noel Street, Memphis, 39245.

**New Ford Agency  
 Named for Area**

Golden Spread Motor Co. of  
 Shamrock is holding its grand  
 opening starting Friday to herald  
 the arrival of the 1964 Fords.  
 The company, located at 301  
 North Main Street in Shamrock,  
 has been chosen as the Ford  
 agency for this area.  
 Free coffee and doughnuts will  
 be served Friday and Saturday to  
 all persons stopping by the Golden  
 Spread Motor Co. Candy also will  
 be available for the children, and  
 there will be ballpools and other  
 souvenirs for the adults.

Persons visiting the Ford agency  
 during the grand opening will have  
 an opportunity to register for a  
 Tru-Tone console stereo which is  
 to be given away at 4 p.m. Sat-  
 urchday, Oct. 5.

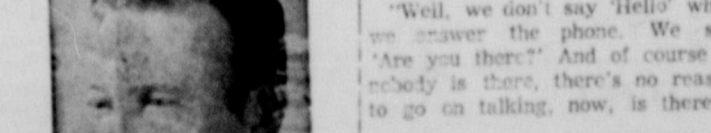

Robby Robinson is sales man-  
 ager for the new company; Wendell  
 Lang, parts and service manager;  
 Jack Terry, Hal Hancock and Jim  
 Ballew, mechanics, and Frank  
 Polk, porter.

Holdover directors are V. C. Dur-  
 rett, Hall County; Dudley Chev-  
 ington, Cottle and Kink; H. S. Maha-  
 ffey, Donley; J. R. Hefley, Wheel-  
 er; A. J. Garland, Armstrong; L.  
 B. Collis, Carson.

One out of four physicians in  
 Texas has held an elective or  
 appointive public office.

Quite a variety!!!  
**Chevrolet offers 43 models for '64**

For 1964, the Chevrolet Motor Division will  
 offer a total of 43 models in five separate passen-  
 ger car lines. Each line is distinguishable by its  
 own styling and wheelbase. Above, reading down,  
 the 108-inch wheelbase Corvair Monza Coupe;  
 110-inch wheelbase Chevy II Nova 4-Door Sedan;  
 the newest car in the Chevrolet family—the  
 Chevelle Malibu 4-Door Sedan which has a wheel-  
 base of 115 inches while the Chevrolet Impala  
 Sport Sedan is built on a 119-inch wheelbase.  
 Not shown is the Corvette Sting Ray which  
 sports a 98-inch wheelbase. Chevrolet dealerships  
 will have a representative showing of all models  
 when the new cars are introduced September 26.

**Some Are Losing  
 Benefits of SS**

Anyone who is now 65 or older,  
 and who has worked in employ-  
 ment covered by Social Security  
 at any time, may be losing money  
 regularly by not finding out what  
 his rights are, according to Hal  
 Geldon, district manager of Social  
 Security in Amarillo.

"With the amendments of 1961,  
 many people who were previously  
 ineligible, became eligible under  
 the reduced work requirement,"  
 he explains. "And since benefit  
 can be paid retroactively for only  
 12 months, each month's delay may  
 cost one monthly benefit check."

Even those who are still earn-  
 ing more than \$1,200 should in-  
 quire promptly at age 65, because  
 under the more flexible "retire-  
 ment test" some benefits may be  
 payable even where earnings are  
 substantially greater than \$1,200.

Full information may be ob-  
 tained from the Social Security  
 Administration office at 1006 Ad-  
 ams Street, Amarillo.

**SS Representative  
 Tells Schedule**

Curtis Watts, field representative  
 for the Amarillo Social Security  
 Administration district office, has  
 announced his schedule of visits  
 in this area for the next three  
 months.

Watts will be at Shamrock's Com-  
 munity Building from 10 a.m. to  
 2:30 p.m. on Tuesdays, Oct. 8 and  
 22, Nov. 12 and 26 and Dec. 10 and  
 24.

His schedule also calls for stops  
 at the Clarendon courthouse from  
 9 to 10 a.m. on Mondays, Oct. 7  
 and 21, Nov. 4 and 18 and Dec.  
 2 and 16.

Harold S. Gelden, district Social  
 Security manager, said Watts will  
 be available to conduct any busi-  
 ness relating to Social Security.

However, because of the crowds  
 often waiting for Watts, it was  
 suggested that some persons desir-  
 ing information about Social Se-  
 curity may prefer to visit the Am-  
 arillo office.

The office is open from 8:15 a.m.  
 to 4 p.m. each Monday through  
 Friday.

**August Bond Sales  
 \$13,893 in County**

August savings bond sales in Gray  
 County totaled \$13,893, barely bring-  
 ing the year's total to one-fourth  
 of the goal.

George B. Cree Jr. of Pampa,  
 chairman of the Gray County sav-  
 ings bonds committee, reports that  
 sales for all of 1963 total \$164,420.  
 The goal is \$650,000.

Sales in Texas for the first eight  
 months of 1963 amounted to \$99,-  
 644,534, which represents 66.2 per  
 cent of the state goal.

Cree announced that the 1963-64  
 school savings stamp program is  
 again in full swing. This has been  
 an important feature of the bond  
 program since 1941.

All children buying their first U.S.  
 savings stamp this fall—whether at  
 school or at the Post Office—will  
 receive certificates signed by the  
 seven Mercury astronauts, making  
 them "Junior Astronauts."

Presidents James Buchanan and  
 Grover Cleveland were victims of  
 the gout.

**PCA Officials At Amarillo Conference**

Officers and directors of the Canadian Production Credit Association are attending a two-day conference of eight agricultural financing institutions in Amarillo today and Friday.

The eight associations, serving a 61-county area of west Texas, the High Plains and Panhandle, provide more than \$100 million in private financing for their area's farmers and ranchers each year.

The conference is sponsored by the Federal Intermediate Credit Bank of Houston, discount and supervisor agency for all 36 PCA groups in Texas.

Attending from the Canadian PCA are President H. H. Keahy, White Deer; Vice President Wallace N. Hamker, Booker; Directors M. Lawrence Elzey, Perryton, Dale Nix and Hugh F. Parsell, Canadian, C. B. Henderson, Wheeler, and General Manager Erbin L. Crowell, Canadian.

The Canadian PCA serves Gray, Ochiltree, Roberts, Hemphill and Wheeler Counties. Offices are located in Canadian, Wheeler, Pampa and Perryton.

**Cattle Purchased**

Saunders Angus Ranch, McLean, recently purchased 22 Angus cows and five Aberdeen-Angus bulls from Mrs. E. H. Heckett, Valencia, Pa.

Spectacles were originally worn in France to hide defects of the eyes, and in Spain to add dignity to the appearance of the wearer.

The human adult body normally contains six to seven quarts of blood which is carried to the heart by way of between 75,000 miles of blood vessels.

**Old Timers Club Meets on Oct. 4**

The average hospital has two employes per patient and about 70 per cent of hospital costs are in wages.

A man must keep his mouth open a long, long while before a roast pigeon flies into it.

The Old Timers Club is scheduled to meet at 12 noon on Friday, Oct. 4, at Lovett Memorial Library, Pampa.

Mrs. Cliff Vincent, chairman, has invited all persons who have been in the Panhandle 50 years or longer to bring a covered dish for the luncheon.

**Veral Lynn Gift Shop**
