PAM JOHNSON AND WENDI

Deaf Children Are Receiving Help

"I have found deafness to be a much greater handicap than blindness. Deafness, by fettering the powers of utterance, cheats many of their birthright to knowledge." These words by Helen Keller have a profound meaning for educators and parents who daily prove that their deaf children are not

'dumb". Currently 2 Shamrock children are in regular attendance deaf education classes at the Amarillo Speech and Hearing Center. These children are Pamela Kayanne Barker daughter of Mr. and Mrs. Rodney Barker, grandaughter of Mr. and sion work. He is married and Dave Griffin, an intelligence Mrs. Elton Johnston of McLean officer from the Amarillo Police and Mr. and Mrs. Roy Barker of Shamrock. Wendi Patton daugh daughter Sheila. ter of Mr. and Mrs. Bob Patton. granddaughter of Mr. and Mrs. Johnnie F. Mertel and Mr. and Mrs. Ebb Patton, great granddaughter of Mrs. Essie Burrows and Mrs. Julia Mertel, all of McLean. Pam is 8 months old and Wendi is 5 1/2 years old. Pam and her parents attend classes weekly at the Center. These classes are for both Pam and her parents. Wendi has attended classes daily for 3 1/2

> and school holidays to her parents. Without the sense of hearing the deaf baby is unable to imitate the speech that comes so naturally to most children. This 00. staggering deprivation of communication and expression is one of the primary concerns of ing Center. The foundation. whose director is Buddy Steph-

the Amarillo Speech and Hearens, a native of Shamrock, was property damage of \$168,685. If Glaucoma goes undected or organized in 1959 for the puruntreated it can cause blindness, pose of oral training for the deaf and for providing diagnostic and xas during the last twenty years lor, A.J. Beagle, Bill Fraser, therapeutic services for language disorders.

The increasing importance of ly being emphasized. The ear- cidents has increased from 69, ly training a deaf child receiv es is critical, states Mrs. Spencer Tracy, director of the John Tracy Clinic in Los Angeles. Not only does the teacher of the deaf encounter the problem of teaching the sounds of speech, but perhaps the greatest barrier to the deaf is that of lang. uage. With the help of skilled personnel, the deaf child learns that concrete objects have names and with much devoted train. night, October 31, ing, he is able to understand ab-

and other intangibles that the hearing world expresses and experiences everyday. Patience is the essence of the states largest leadership com- teaching a deaf baby to speak. Lipreading is achieved only after seeing a word spoken a thousand times or more. In addition, the child is taught tongue placement, and difference in breath and voice sounds, and

> rations in his effort to reproduce a given sound. Specialized training such as that given to the deaf child would lose much of its effectat home. The Amarillo Speech and Hearing Center believes that the children whose parents are educated about deafness and who work diligently at home progress more rapidly. Weekly mothers' meetings are held, and public Schools and The United parents must observe the nurery program which includes in-

dividual as well as group work. Students in the school age program are placed according to age, degree of hearing loss, achievement level and previous training. Testing of all child-ren and adults is done within the Center's audiological laboratory which serves a five state area,

An adult lipreading program is offered to persons who have

Jim Standridge To Preach Revival At First Baptist

The First Baptist Church will have a revival October 26-November 1st. Services will be day), and 11:00 a.m. & 7:30 p. of Directors. He replaces m. on Sunday.

The evangelist is Rev. Jim Standridge, Pastor of Highland Baptist Church, a year ago. He

baptized over 100 people. Brother Standridge has a unique testimony. He will give his testimony during one of the evangelistic services. You will

not want to miss it. The singing will be led by Mr. Doyle Fowler, Music Director at Faith Baptist Church, sions Penetrations for the past five years. He has conducted the music in Churches in pioneer areas under the sponsorship of Southwestern Baptist Theological Seminary in Fort Worth. He has gone on these trips at his own expense spending about four weeks each year doing mis has three chilren. Timmy age 18, Rusty age 16, and married

Everyone is cordially invited to attend these services. The Nursery will be open for every

McLean Hobble Mustangs

The Tigers held their 1st Conference game against the Claude Mustangs. In pre-season chosing, Claude was put along the top of the district, they were big and powerful but the Tigers slowed them down with a 20-6 victory over the Mustangs. Claudes weight was their main advantage over the Tigers, they had several big backs. Claude tried to run the ball but the Tigers' strong de-

fense held up. McLean opened the game with receiving the ball. On the 3rd play of the game, Ronny Brown made a 52 yard run off of left tackle for a touchdown. David Haynes' kick for extra point was wide. Claude didn't like this, being as they were favored over McLean. The Tigers kicked to the Mustangs, to power their way through the Tigers' defensive line. Making several yards a play, Richard Berg finally made a 2 yard run off of left guard for Claudes' 1st touchdown. Jerry Ashworth tried for a 2 pt. conversion but it was a failure. The score was then McLean 6, Claude 6. On the 1st play after Claude kicked off, Ronny Brown made a 75 yd. run around right end for Mc-Lean's second touchdown. David Haynes' kick for extra point

was good. It was a tough 2nd half, the Tigers had a powerful running Times Study Club from Sham attack just the opposite of last week's passing game. Tommy Duniven only completed 7 passes out of 18 attempts. But the Tigers made up for it in driving. For the last score of the evening, Tommy Duniven ran 10 yds score to McLean 20. Claude 6.

Tax Man Sam Sez:

PAY AS YOU GO A long time ago Congress de-ham, cided to change the income tax law by adding the pas-as-yougo provisions. It didn't take most of us very long to find out about pay-as-you-go. Our employer gives us a very effective lesson every pay day. However, the self-employed taxpayer and taxpayer with income other than his salary or wages, doesn't always seem to understand that Congress provided the benefits of pay-as-you-go for him a s well as the rest of us.

Filing an estimated tax form 1040ES and paying taxes quarterly is a nuisance. However, it is less expensive than the tax and the penalty and the interst that Internal Revenue collects if you don't

DEPARTMENT-SPONSORED FILM WINS EXCELLENCE AWARD

"Crisis on the Coast," a film sponsored by the Texas Parks and Wildlife Department and four other coastal States along the U.S. Bureau of Sports Fish eries, has won an award for 'creative excellence" from the U.S. Industrial Film Festival,

The 14-minute film, renamed from "The Biologist and the Boy, " and being shown in commercial theaters over the State, points out the deteriorating condition of the estuarine environment and the implications of this condition.

The film was narrated by Arthur Godfrey.

Malouf Abraham Rated Conservative

Representative Malouf Abraham of Canadian was one of only seven State Representatives to source of fall and winter quail of the Americans for Constitutional Action during the last ses- food supply is supplemented by sion of the Texas Legislature.

"We wish to congratulate you on your outstanding conservative ture changes rapidly after frost; lize it to an extent controlled voting record and you have our other birds and rodents compete by the cover pattern of fence whole hearted endorsement in the upcoming election, " Texas Chapter President Tom Morton said in a letter to Abraham.

The Canadian Representative is a candidate for the 31st District senatorial post in the November 3 election. The ACA was founded as a bi-

partisan group to evaluate the voting performance of Members of Congress and the state legis latures.

"Although I was not aware of this rating. I was pleased to receive the endorsement of ACA because of the wide respect the organization has among respon-sible conservatives," Abraham

The Panhandle candidate is the first Representative to save the taxpayers more than his salary while in office. By the end of this term he will have returned more than \$20,000 in expense money to the State Treas-

Abraham has received the endorsement of another high rating legislator, Congressman Bob Price of Pampa.

Governor Smith 10 Support Police Training Program

An action grant of \$17,850 to the Panhandle Regional Planning Commission to support its regional police training program was approved today by the Texas Criminal Justice Council.

It was one of 21 action grants, totaling #436, 399 approved at the Council's regular monthly

Judge Joe Frazier Brown, executive director of the Criminal Justice Council, said the Panhandle Regional Planning Commission is contracting with Amarillo Junior College to give basic training for 75 men and specialized training to 60 officers during the next year. The courses are approved by the Texas Commission on Law Enforcement Officer Standards and Education.

An in-kind match of \$39,600 will be provided by the grantee for the program to begin immediately.

Counties in the Panhandle State Planning Region are Collingsworth, Lipscomb, Potter, Randall, Armstrong, Briscoe, Carson, Castro, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Moore, Parmer, Roberts, Sherman, Swisher and Wheeler.

The Criminal Justice Council, responsible for statewide planning, administers grants to units of state and local government to assist them in carrying out projects for improving the criminal justice system.

Bob White Quail Are All Over Texas

Bobwhites can be found all over Texas. The number usually depends upon the amount and type of food and cover available. Natural causes can drastical

y reduce the number of quail in an area but with good cover and food his potential for reproduction enables him to make a quick recovery. Food, water and cover are the keys to Bobwhite survival. He must have cover and food year round not just part of the year. A n eleven month food supply is not enough. Farmers and ranchers interested in quail should realize this. A few rows of crop left standing along a fence row or windbreak is a great asset to quail survival. He must have cover to protect him from his enemies while feeding, resting, loafing, roosting, traveling and nesting. He must have open areas but still be close enough to cover for protection in case the need arises.

Weeds are a very important receive a 100 percent conserva- food. Bobwhite do well during tion rating by the Texas Chapter the summer and spring months. Seeds are ripening than, and a good supply of green plant material and insects. The picwith Bobwhite for summer's pro- rows and pasture edges.

CATFISH IN CAGES ---- Dr. H. R. Schmittou, Extension fisheries specialist, believes there is a high profit potential for producing catfish in cages, provided the producer had provided the producer has available a quality water source and the time and initiative necessary to make such a project a success.

WHEAT REFERENDUM ----- A mail referendum on 1971- crop wheat marketing quotas is scheduled for the Oct. 12-15 period, announces Secretary of Argiculture C. M. Hardin. A two-thirds favorable vote will be required to make quotas effective.

duction of seed.

A light discing of small areas where quail are found will encourage the growth of weeds. Some of the weeds used by Bobwhite for food are Doveweed, Ragweed, partridge pea, wildbean, techtrefoil, panic grass, paspalum grass and lespedeza. There are many other foods that quail eat but the ones listed above are found throughout Texas. Most grass seed are too small to provide much worthwhile quail food. All farm grown grains including com are good food to Bobwhites. Where grain is left in the field Bobwhites grain is left in the field Bobwhites can be expected to uti-

HERE'S HOW YOU CAN HELP **ELECT** "OOFIE"

It's not long until election and each of you can contact your friends in his behalf. This District covers the north 20 counties, with the big vote in Potter-Randall.

You can poin to the fact that he is the first Representative to save the Taxpayers more than his salary while in office. By the end of this term, he will have saved you more than \$20,000.00.

He is one of only 7 of the 150 Representatives to receive a 100% conservative rating from the Americans for Constitutional Action Committee.

He is a conservative business man with a broad experience in agriculture, insurance, oil and gas, dry goods and other businesses. He knows the value of a dollar.

State spending has doubled in six years and Abraham has consistently opposed wasting the Taxpayer's money.

The Panhandle team will consist of 5 Representatives two of whom will be going back for their second term and the other three will be new. It makes sense that the Senator must be a man who know the ropes and can head up the team.

He has served you well and is willing to devote his time to making you a Senator who will represent the entire

You can help bring better government to Texas by spending a few hours between now and election spreading these reasons over the Panhandle.

Malouf "Oofie" Abraham For STATE SENATOR

For A Second Term

Extension Service By FOSTER WHALEY

Bill Estes, Mgr. of McLean Gin says it will be at least two weeks before harvesting of cotton will get underway. The frost was much lighter in the McLean area than at Pampa. My Thermometer read 25 degrees at its lowest reading. The temperature stayed at this level long enough to kill every leaf from top to bottom on milo and cotton on top.

With pretty weather for another week, combines will begin to run in full swing in the Milo harvesting.

Milo and Cotton acres are the lowest we have seen in this county in years. This was due mainly to the tough weather conditions last spring and sum-

Recently I was devising a form in which to analize the profit or loss from a given group or lot of cattle. We have many farmers and ranchers that should be doing more analysis work on individual lots of cattle. The form we set up had a place to list expenses and a place for receipts. We also had a place to show what the interest cost was on each lot of cattle. This is a cost item so often significent today than ever. One of the bits of information I put on this form was how much the interest cost was per one thousand dollars per day. We thought you might be interested in know ing what varying votes of interest would cost on a thousand dollars a day. At six per cent interest the use of a thousand dollars cost \$.164 per day: 6.5% cost \$.178 per day: 7% cost \$.192 7.5% - \$.205; 8% - \$.219; 8.5% - \$.233; 9.0% - \$.247; 9.5% \$.260 and 10 per cent cost \$.27 per one thousand dollars per day,

You can see why the high interest vote has stopped some of the economic wheels from tuming. A ten percent interest vote on one thousand dollars will cost you a dollar more per day and \$30.00 more per month than a six per cent interest rate. How will this affect interest cost on

Recently I had occasion to figure how much interest cost was per CWT of gain on cattle in the feed lot on a set of 400 lbs. heifers that gained 302 lbs. in 122 days. The interest cost \$1. 17 per CWT of gain.

It cost over a dollar per head per month interest on a steer out on grass. This is one of the factors that is causing more people to go into the feed lot rather than own the cattle on grass. Kansas and New Mexico are having a hard time attractin cattle to their grass. New Mexico land owners were taking cattle on a gain basis in the 10¢ pe pound of gain bracket. You will see much more deals like this in the immediate future. INCOME TAX SCHOOL

We have a representative from the internal Revenue Service, Texas A&M University and Ama rillo as speakers for an income tax school scheduled to be held on November 12 at Furr's Cafe teria in Pampa starting at 10:00 a.m. Everyone is invited.

Pioneer Study Club See Slides Of Europe And England

The Pioneer Study Club met Thursday, October 1, in the home of Mrs. Carey Don Smith.

In presenting her program on "Beauty Abroad," Mrs. Smith showed motion pictures taken by Mike Haynes this summer on his trip to England and Europe. Mrs. Smith was assisted by Miss Jenny Haynes, Becky Adams and Stephanie Riley who gave to a first hand account of the trip and commented on historical and interesting pictures of places visited in each country. Mrs. Smith also displayed a collection of hand crafted articles brought back by members of the tour from different countries.

Those present besides hostess. and guests mentioned above were, Mrs. Jim Back, Mrs. Jess Coleman, Mrs. John Dwyer, Mrs. Harold Fabian, Mrs. Dale Glass, Mrs. Guy Hester, Mrs. Forrest Hupp, Mrs. George Jones, Mrs. Creed Lamb, Mrs. Clyde Magee, Mrs. Miro Pak-an, Mrs. Alice Short Smith, Mrs. A.C. Wood, Mrs. Evan Sitter, Mrs. David Woods and Mrs. June Woods.

Our recent sad loss and the injury of our loved ones leaves us with grateful hearts toward our neighbors and friends. Your comforting expressions of sympathy, prayers, thoughfulness and memorials will always be remembered.
