

Government Lifts Rail Embargo When Miners Return To Work

Dimouts, Other Curbs Remain During Deadlock

WASHINGTON, May 11 (AP)—The government today ordered the railroad freight embargo lifted Monday, when coal miners go back to work under a strike "truce" — but retained other curbs in the face of deadlocked contract negotiations.

John L. Lewis and the operators conferred to seek the settlement which President Truman requested by Wednesday but Edward F. McGrady, government conciliator, reported no new issues were discussed. This appeared to indicate that Lewis' demand for \$3,000,000 in holiday pay still blocks the way.

Hard-hit industry was heartened, however, by removal of the freight ban and back-to-work announcements made by soft coal mines and miners in Pennsylvania, West Virginia and elsewhere. Further railroad layoffs appeared to be averted. Detroit auto factories cancelled plans to close.

The freight embargo, which took effect Thursday, will end at 12.01 a. m. (Eastern Standard Time) Monday. With it will go the post office ban on parcel post shipments weighing more than 11 pounds.

The 25 percent reduction in passenger travel on coal-burning trains is being kept in force for the present. An additional 25 percent cut slated to start Wednesday, however, was called off.

Dimouts and other state and local measures to save electric power are to be continued. The Civil Production Administration decided to keep in force the order requiring the rationing of manufactured and mixed gas when utility coal stocks fall before three weeks supply.

Col. J. Monroe Johnson, director of the Office of Defense Transportation, admonished the railroads "to use every effort to continue conservation of coal."

From the coal fields came reports that most of the operators are getting ready to re-open for volume production Monday. Two Pennsylvania locals of the United Mine Workers union with 1,500 members said they would not return to work, noting that their members can begin drawing state unemployment compensation next week.

Texas Pays Tribute To Mothers Today

By the Associated Press Texas will pause today to pay affectionate tribute to mothers, young and old, on Mother's Day.

Celebration of Mother's Day in San Angelo will be highlighted by the 100th birthday observance of Mrs. Sarah Armstrong. She was born May 12, 1846, in Burleson county, Austin's colony. She moved to San Angelo 59 years ago.

Galveston's Splash Day will feature mothers today.

The oldest mother who registers there today on the beach will be given a free trip to see any relative she wishes.

Galveston's famous Badgett quadruplets will present the oldest mother a bouquet of flowers and a new spring bonnet.

At Hillsboro, special ceremonies are expected at the home of Mrs. Ella S. Watson, chosen by a national organization recently as the Texas mother of 1945.

The circle of Czech women will hold a Mother's Day program in Dallas.

Calf Roping Contest To Show Lariat Magic

Jess Goodspeed, Waurika, Okla., gets a second crack at Toots Mansfield, Big Spring and Rankin, in a matched championship calf roping contest today and several thousand fans are due a demonstration of some of the world's best magic with a lariat and tie rope.

Time is 3 p. m. and the place is the rodeo grounds, where gates will open at 1 p. m. Prospects are good for a 3,500 to 4,000 turnout.

Reservations have been made from over a wide area of West Texas.

Mansfield, who recently was announced as the champion calf roping by the Rodeo Association of America, met Goodspeed once be-

MRS. OCHSNER AND SON—Side by side, Mrs. Hilda Ochsner and her millionaire son, Seaman John Ochsner, leave a navy plane at San Francisco shortly after his arrival from Honolulu. The mother's intervention rescued the seaman from two romantic episodes in Hawaii. (AP Wirephoto).

Seven Injured, One Critically, In Two Traffic Accidents

Seven persons were injured, one critically, in traffic mishaps Saturday night.

Mrs. Robert Ramsey, Eldorado, Ark., was in serious condition at the Big Spring Hospital as the result of a head-on collision which involved three cars on a curve 10 miles west of Big Spring about 9 p. m.

Her three-year-old daughter, whose name could not be learned immediately, had a severe head injury, and her husband, Robert Ramsey, who received his discharge from the navy a week ago, had a broken jaw and other injuries. They also were at the Big Spring Hospital.

Under treatment at the Cowper hospital were Gordon Layne Webb, 21, William M. Blakeney, A. B. Brown, Jr., and a youth thought to be Elmer Clinton. They were not thought to be injured seriously.

Mattie Hughes, who apparently walked into the path of a car driven by a man who gave the name of Oscar Nulwi, route 3, San Angelo, also was at Cowpers and seemingly only shaken.

State Highway Patrolmen Bill Beeson and John Strother said that investigations showed Webb had picked up his three companions at a skating rink and was en route to a dance at Stanton. Webb came upon a car in which Mr. and Mrs. Paul Nathan Deal and their three-year-old daughter, Dorothy Mae, 409 Donley, were riding, and swerved to avoid striking it from the rear. Instead, he met the Ramsey car head-on. The Deal car was hit but no one was injured. Those in the other cars were brought to Big Spring by W. L. Pinkerton, Midland Army Air Field, and T. J. Robinson, Big Spring.

Police Chief A. G. Mitchell and Capt. Pete Greene were witnesses to the accident involving Mattie Hughes. They were behind the San Angelo man, who slowed as she walked into the street. Suddenly she was in front of the car before it could be stopped, said Mitchell. The incident occurred in the 1200 block of W. 3rd.

61 Nazi Defendants Convicted By Court

DACHAU, Germany, May 11. (AP)—A US military court today convicted all 61 defendants of killing and torturing thousands of prisoners in the Mauthausen concentration camp murder mill and set Monday for sentencing.

The defendants, mostly members of the German SS, were responsible for 70,000 deaths at the camp and "the clock would be turned back 1,000 years if the court condones these atrocities," the prosecutor, Lt. Col. William Denison, declared in his summation.

Unknown Assailant Fires At Prosecutor

NICHOLS, Conn., May 11. (AP)—Connecticut state police combed through records of cases prosecuted by State's Attorney Lorin W. Willis today in an attempt to find a clue to the identity of an assailant who vainly sought to assassinate the veteran Fairfield county prosecutor.

A single bullet crashing through a window of the Willis home here Thursday night, narrowly missing the prosecutor and his wife, precipitated one of the most intense investigations in county history.

MOTHER'S DAY GREETING SENT

SAN DIEGO, Calif., May 11. (AP)—A county jail prisoner today wired the following Mother's Day greeting: "Dear darling mother, I love you, but I don't like it here. Please pay my fine of \$50."

Sheriff Bert Strand did not disclose the name of the prisoner.

Truman Claims One Defense Against Bomb

NEW YORK, May 11 (AP)—President Truman declared today that until the world learns the science of human relationships "the atomic bomb will remain a frightful weapon which threatens to destroy all of us."

Speaking before a crowd which overflowed 10,000 seats on the campus of Fordham university, celebrating the 100th anniversary of its charter, the president declared:

"It is up to education to bring about that deeper international understanding which is so vital to world peace."

Mr. Truman, whose address was broadcast over all networks, said there was at least one defense against the atomic bomb—"the defense of tolerance and of understanding, of intelligence and thoughtfulness."

The president—who studied law in Kansas City in the early 1920's—donned a gold-tasseled cap and a purple-banded gown to receive Fordham's honorary degree as doctor of law.

"Education faces the greatest challenge in its history," the president said in preparing veterans and other young men and women "to live in the new atomic age."

Mr. Truman, reading to the convocation on the Fordham campus a "last message" from the late President Roosevelt, said:

"In a speech which he wrote just before he died, but which he never delivered he said: "We are faced with the pre-eminent fact that, if civilization is to survive, we must cultivate the science of human relationships—of all kinds, to live and work together, in the same world, at peace."

POLISH ORPHANS ENTER STATES

LAREDO, May 11. (AP)—One hundred and eighty-seven Polish orphans, fugitives from Nazism since 1940, today entered the United States on a special mercy train en route to Chicago and Milwaukee where they eventually will be offered for adoption.

They had been living at Santa Rosa, Guanajuato, Mexico, since 1943.

They fled from Poland to India via Russia and Persia. They were evacuated to America on a US refugee ship and then moved to Mexico.

The orphans, ranging in age from 6 to 18, will remain under the care of the Catholic Welfare Association. Later they will be offered for adoption.

Government funds are financing the trip.

MacArthur Denies Nazi's Statement

TOKYO, May 11 (AP)—General MacArthur's headquarters today denied a statement from Peiping attributed to Eugen Ott, former ambassador to Japan, that "MacArthur promised me to work for German reconstruction."

A headquarters spokesman said MacArthur "does not and never has known Ambassador Ott and had not met or talked to him. There must be some mistake."

Ott was taken to Tokyo last fall for investigation as a possible war criminal. As German ambassador to Japan from 1938 until 1941, he helped win Japan to the tripartite treaty.

Col. Harry Crosswell, chief of MacArthur's counter-intelligence staff, said Ott never was in custody here and now is working with the prosecution section of the international military tribunal.

In Peiping, Ott said he "proved very useful to the allies" but did not elaborate. He did not say why he went to Peiping.

Chinese Boy Killed After Shooting SP

SHANGHAI, May 11 (AP)—The US navy announced today that a 15-year-old Chinese boy, described as a member of a prominent family but an opium addict, shot and killed a navy shore patrolman who had picked him up on suspicion of stealing a jeep.

The youth was killed in a gun battle with Chinese gendarmes a few minutes later. He had grabbed the gun from the shore patrolman's belt holster and shot him in the back while being taken to Shanghai.

Political Units Will Cooperate In Elections

Clearing House Set Up For Endorsing Liberal Candidates

WASHINGTON, May 11 (AP)—Coordination of the campaigns of three political-active organizations in behalf of candidates they consider "liberal" in the coming elections was arranged today at a conference of their leaders.

The organizations are the CIO Political Action Committee; the National Citizens PAC, and the Independent Citizens Committee of the Arts, Sciences and Professions.

They created a coordinating committee of nine to serve as a "clearing house" for joint action for or against certain candidates.

They also adopted a platform based largely on the Roosevelt-Truman programs and headed by a call to "raise the level of cooperation and understanding" among the United States, Great Britain and Russia.

Leaders said there will be no "blacklist" of candidates, but that they will try to take "group action" for certain candidates after local units of the three organizations take the initiative. Where joint action is not possible, they added, each organization reserves the right to take an independent course.

Three from each organization were named on the coordinating committee, as follows: CIO-PAC—Phillip Murray, CIO president; Sidney Hillman, CIO-PAC chairman, and Jam B. Carey, CIO secretary-treasurer.

NC-PAC—Dr. Frank Kingdon, radio commentator; Elmer Benson, former governor and senator from Minnesota, and C. B. Baldwin, Farm Security Administration official under President Roosevelt.

ICC-ASP—Harold L. Ickes, former secretary of the interior; JO Davidson, the sculptor, and Miss Hannah Dornier, executive director.

Schools Closed As Polio Spreads In San Antonio

SAN ANTONIO, May 11. (AP)—Declaring a state of emergency in San Antonio, all schools and Sunday schools in the northern half of the city were ordered closed by the city board of health in a drastic measure to halt the rapid spread of a mysterious polio-like disease that has killed four San Antonians since May 1 and has affected nine others.

All downtown theaters and those north of Commerce street were ordered closed to children and adults through 21 at the specially called board of health meeting this morning.

At the suggestion of Mayor Gus B. Mauermann, swimming pools will not open.

The sale of unpasteurized milk was forbidden.

Tension of the meeting was heightened as announcements came of two new cases. One of these resulted in the death of a 16-year-old Alamo Heights school girl; the other in serious illness and paralysis of a 16-year-old Texas Military Academy student.

Dr. Walter Stueck, head of the Robert B. Green hospital polio ward, called the epidemic serious because of its high mortality.

\$55 WON'T BUY THE FINER ARTS

TOKYO, May 11 (AP)—Fifty painters and sculptors complained to the ministry of finance today that nobody could buy their works because government regulations limit spending to 500 yen (\$33) a month per person.

Vice Minister Tanemi Yamada suggested they "produce something for the 500 yen a month people."

"You are insulting fine arts," snapped an artist.

The artists went away unappeased when Yamada proposed that they concentrate on work for tea rooms and restaurants which could pay them in food.

Youngsters Deliberately Making Decoys Of Selves To Trap Killer

TEXARKANA, May 11. (AP)—Texarkana was a city of sleuths today but officers warned that some of the younger generation were going too far in trying to catch the phantom killer believed responsible for five deaths here.

Some were reported to be actually trailing persons they suspected, and others planted themselves as decoys to lure the killer into another attack.

In a statement tonight, Ranger Captain M. T. Gonzauilas said "some one is likely to get killed if the amateur sleuthing by some of the younger generation here continues. It's a good way to get killed."

Jack Runnels, Texarkana, Tex., chief of police stated: "The investigation is only hampered by youngsters who go out on their own in an attempt to capture this killer."

Sheriff W. H. Presley of Bowie county, Tex., and Sheriff W. E. Davis of Miller county, Ark., tonight asked that rewards for the capture of the phantom killer be increased to a total of \$10,000. The reward fund now is more than \$7,000.

Commenting on widespread reports concerning the phantom, Gonzauilas said "It's a cinch this man can't be in Kilgore, Lufkin, Corsicana, Oklahoma and Texarkana at the same time."

Treaty With Italy Holds Ministers Meet Deadlocked

PARIS, May 11 (AP)—Russia, making it clear that the only stumbling block to accord apparently lay in the stalled Italian treaty, insisted again today before the deadlocked four-power foreign ministers council that agreement on all treaties with former axis satellites must precede a general European peace conference.

American sources said, following today's second meeting of the ministers of the United States, Great Britain, France and Russia, that V. M. Molotov, Russian foreign minister, regarded the Italian treaty as an obstacle, and that he did not think the ministers harbored fundamental differences concerning the Balkan treaties.

Russia still was at variance with the United States and Great Britain, the sources said, over Italian reparations and colonies, and the disputed port of Trieste, sought by both Italy and Yugoslavia.

Secretary of State James F. Byrnes urged Molotov once more today; the American informants said, to agree upon a specific date for convoking the 21-nation peace conference.

When Molotov declared that the ministers first should agree on all points, Byrnes replied that if the Russian thesis were accepted, then anyone could block the peace conference simply by disagreeing on any one point. After an inconclusive exchange of arguments on this point, the council adjourned until Monday morning.

Molotov pointed out that the Russians reversed their stand yesterday by agreeing to a French proposal that Italy be named sole trustee, under the United Nations, of all her pre-fascist colonies.

It remains to be seen, the Russian added, what could be done about Trieste and Italian reparations.

During the morning session, Byrnes said the United States would accept the French plan for Italian reparations, giving the Russians \$100,000,000, provided payments were restricted to Italian assets in Balkan countries now occupied by the Russian army, Italian naval and merchant vessels and excess industrial equipment in former war factories.

Wires Snipped On Radio Speech By AFL Leader

ASHEVILLE, N. C., May 11 (AP)—A shouting speech by AFL President William Green opening the AFL southern organizing drive was cut off the air tonight under mysterious circumstances.

George L. Googe, AFL southern representative, told reporters, "It was sabotage and it must have been done by an enemy of the American Federation of Labor."

John Hurley, NBC announcer, said an investigation showed that the wires carrying the broadcast had been snipped in the basement of the city auditorium where Green spoke.

T. C. McManus, Asheville plant manager for the Southern Bell Telephone and Telegraph company, confirmed Hurley's statement. McManus said three wires were cut, and in his opinion it could not have been accidental.

Green, when told about the snipped wires about three hours after his speech, declined comment. An aide said, however, the matter would be "thoroughly investigated."

The broadcast went dead about 15 seconds after it started, while Announcer Hurley was introducing the AFL president. Green then made his speech, cheered at intervals by 2,000 southern AFL leaders. Green and the audience believed the speech was being heard throughout the country over the NBC.

Green struck the keynote of the AFL southern campaign and his address. He attacked the CIO as "communistic" and urged southern industry to cooperate with the AFL instead.

Parodi Takes Place On Security Council

NEW YORK, May 11. (AP)—Alexandre Parodi arrived by plane from Paris today to take up his duties as permanent French delegate on the United Nations Security Council.

Henri Bonnet, French ambassador to the United States, has been the temporary French representative on the council.

Latin American Reports Asked In Franco Probe

NEW YORK, May 11 (AP)—The vesting Franco Spain will receive documents within the next few days purporting to show that agents of the Franco regime have been active in Latin America.

Mexican informants said Mexico would submit evidence next week that the Spanish falange had engaged in "subversive activities" in some Latin American countries.

At the same time Spanish republican sources said representatives of the Spanish government-in-exile had received "important documents" on falangist activities in the western hemisphere and were at work on a memorandum for the subcommittee.

The US state department is expected to present a comprehensive report to the committee "about the middle of the week" in response to the UN request for information on Franco Spain, a US spokesman said.

It could not be learned whether this report would contain any evidence of falangist activities in Latin America.

The spokesman indicated the US report would contain documents intended to show that Generalissimo Francisco Franco collaborated actively with the axis powers during the war. Some of the documents already have been published in the state department's white book on Spain, but the new report was expected to contain additional information.

A Paris dispatch said Dr. Jose Giral, premier of the Spanish government-in-exile, left Paris by plane this afternoon with evidence to be submitted to the subcommittee. He was expected to arrive in New York tomorrow.

Reviewing The Big Spring Week

Joe Pickle

If you have any doubts as to the calibre of performers in the matched calf roping at 3 p. m. today at the rodeo grounds, then put it down that they are the equivalent of Byron Nelson and Ben Hogan in golf. If you still don't get the idea, they're tops.

The Tree of Knowledge, under whose boughs our philosophers are wont to expound, was strangely short of customers just after the war started. Here's the story. A local merchant had a salesman, who could have passed for a FBI agent, go to the courthouse square. One by one he simply asked each of the patrons his name and address. Looked him over and said nothing. Soon only the shade remained.

By way of example to those who dislike front curb garbage collection, the city points to the system employed by Bill Crook in Park Hill addition. The can slips down into a chamber below the curb and is concealed by a lid flush with the ground.

There are certain beauties to which we can point in this section, and one of them is bear grass (yucca, if you want an elite word) in bloom. Right now the white clusters are dotting the countryside.

County officials last week announced plans for a countywide memorial service on May 30. The ceremony is slated for the courthouse lawn, and we hope that the attendance jinx for this spot is completely smashed for this occasion.

The "thought surveys" which are simply sessions to get ideas for people interested in the city and area, are drawing good attendance and are generating much interest. Several have produced so much

(See WEEK, Page 2, Col. 3)

KLAN HOLDS MASS INITIATION CEREMONY—On the barren slopes of Stone Mountain, near Atlanta, Ga., members of the Ku Klux Klan initiated approximately 1,000 new members, according to Dr. Samuel Green, Grand Dragon of Atlanta, physician who heads the Klan. A 300-foot fiery cross burns atop the granite mount and four smaller crosses, two of which can be seen above, lighted the ceremony. Several thousand spectators lined the mountainside to watch. (AP Wirephoto).

Spring Weather Turns Somersault

By The Associated Press
Texas' mild spring weather turned a somersault Saturday as thermometers fell to the near-freezing mark in several sections. Little relief was expected for Sunday. The US weather bureau prediction was for continued cloudiness and cooler weather over most of the state.

The thunderstorms, lightning and high winds that have hit north and northeast Texas were the result of a battle between the norther and warm moist air from the gulf, the weather bureau reported. Weatherman A. M. Hamrick said he expected the norther to move again through the area Saturday night and the disturbances to be repeated again Sunday afternoon.

Moyie Star To Wed

NEW YORK, May 11 (AP)—Louise Albritton, 25, motion picture actress, and Charles C. Collingwood, 28, radio commentator, of Washington, D. C., obtained a marriage license today. They plan to be married Monday at the Little Church Around the Corner. Miss Albritton lived in Wichita Falls.

VISITOR—Valerie Hobson (above), British film actress soon to make a film in Hollywood, fondles a little pig on a model farm near her country home in England.

Roping

(Continued from Page One)

which the three fastest ropers take all entry fees. Possibly two score of the section's best ropers will participate in this event. Saturday evening grounds were in top condition and a fast arena should speed times. Buck Jackson, Pecos sheriff of Reeves county, will announce and Dunagan Sales is furnishing new sound equipment. Music will be furnished by the Hoyle Nix string band. Timekeepers, judges and starter must be agreed upon by the participants. Fifty rough and tough Brahma calves, 25 earmarked for Mansfield and Goodspeed, are in fine fettle and accustomed to the corral and arena set-up.

Cost Of Living Down Slightly For Quarter

NEW YORK, May 11 (AP)—The cost of living for wage-earner and lower-salaried clerical worker families declined .4 of 1 per cent from mid-December to mid-March, the National Industrial Conference Board said today. The decline, the board added, resulted mainly from a drop of 1 per cent in food costs. The cost of women's clothing also declined during the period while increases were noted for men's clothing, fuel and light, and sundries.

Between March, 1945, and March, 1946 living costs advanced 1.2 per cent, all items in the family budget going up except housing, electricity and gas. Food was up 2.7 per cent.

Less Pork Here Means More Grain Elsewhere: Anderson Orders Cut

WASHINGTON, May 11 (AP)—Choosing between meat for this country and grain for starving hands, Secretary of Agriculture Anderson tonight asked farmers to produce 10 per cent fewer pigs next fall than they did a year ago. The action, he said, is dictated by the fact that grain supplies will not be large enough to continue hog production at present levels and supply famine areas abroad. It was taken as Stabilization Director Chester Bowles served notice to the public that the meat supply "pinch is really going to be felt next winter and spring." Meat will be more plentiful within the next few months, he reported, but then will become scarcer as a result of higher grain prices authorized in the hope of getting more grain for export.

Wyatt Ready To Act On Housing Setup

WASHINGTON, May 11 (AP)—Housing Administrator Wilson Wyatt directed his staff today to launch a \$400,000,000 building material subsidy program as soon as the housing bill is enacted next week. Seeking to make up for the time lost in congress, which he said cost 3,000 houses a day, Wyatt plans to hold industry conferences at once to put the government funds to work increasing the production of scarce materials. His aides represented him as disappointed at the decision of a senate-house committee to cut the subsidy payments from the \$600,000,000 he requested. He is determined to go back to congress for more if the \$400,000,000 proves insufficient.

CIO Votes To Extend Mine Workers Strike

CHICAGO, May 11 (AP)—The executive board of the CIO International Union of Mine, Mill and Smelter workers voted today to extend, "if necessary," the strike of 30,000 of its members. The board passed a resolution authorizing the union "to broaden the strike in such areas where it will add those unions now on strike." About 30,000 unionists are on strike against the Phelps Dodge Corp., the Kennecott Copper Corp., American Smelting and Refining Co., and the US Smelting, Refining and Mining Co.

Men's Suits Coming Out At Doubled Rate

NEW YORK, May 11 (AP)—American men are getting suits at a rate more than double that at the turn of the year, and supplies should become increasingly greater as the year progresses. This conclusion came from an international statistical bureau, private research organization, study which said about 2,000,000 suits a month currently are flowing into retail stores—a quantity equal to the highest pre-war production rate. It estimated output this quarter at \$600,000 suits compared with 3,000,000 in the final quarter of 1945. The consumer may not see much evidence of an increase in supplies because suits are sold as rapidly as they are received.

Firemen Called Out

The Big Spring fire department was called out for the first time in four days Friday afternoon, when equipment was summoned to a cafe at 104 Main. A blaze caused by excess grease on a cooking stove caused slight damage to the ceiling and some smoke damage.

O'Brien To Speak

The Rev. P. D. O'Brien, pastor of the First Baptist church, is to address the Brotherhood of the First Baptist church in Amarillo Monday evening. He will be accompanied by Boone Horne.

Congressman Charges Taft-LaFollette Deal

MILWAUKEE, May 11 (AP)—Rep. Andrew J. Biemiller (D-Wis) declared today that there were rumors in Washington that Senator Robert Taft's support of Robert M. LaFollette of Wisconsin for reelection on the republican ticket was the result of a "deal" between LaFollette and the Ohio republican. Biemiller asserted "there are strong rumors in Washington that the reason Senator Taft is supporting LaFollette is because there is a deal on between Taft and LaFollette under which Taft would support LaFollette for reelection and LaFollette would support Taft for president in 1948."

1.4 OUNCE EGG—Mrs. William Burnham of Albany, N. Y., holds a 1.4-ounce egg, about seven times normal weight. "Millie," the hen responsible for it, the egg measures five inches in length and nine inches around.

Music Groups Take Honors At Abilene

Musical groups from Big Spring high school took one first and four seconds in the musical festival of Region 2 held in Abilene today, according to Mrs. Wiley Curry, director. Helon Blount won a first in the girls' soprano solo division with "Two Numbers," "Dawn" and "Villanelle." Mable Smith took a second in that division with "Upon the Top of the Hill" and Mozart's "Alla Lulla." Joyce Howard, contralto, took a second singing "Yesterday and Today" and "Thou Art the Night Wind." Both the girls' glee club and the girls' ensemble won seconds. The glee club sang "Gypsy, Play Your Guitar," "River, River" and "O Land of Dreams." The ensemble presented "Were You There," "Robin in the Rain" and "My Johann."

FDR Jr., To Address Oilmen Convention

FORT WORTH, May 11 (AP)—Franklin D. Roosevelt, Jr., will be principal guest speaker at the annual convention of the Oil Workers International Union (CIO) opening here Aug. 12, the union's president, O. A. Knight, announced today. Roosevelt will speak as a representative of the American Veterans Committee, of which he is sponsor. His subject will be veterans problems as they affect labor.

There is a VETERAN PROBLEM

IF Americans pull together

Alarmists who predict crime waves, and a return to post-1918 gangsterism involving World War II veterans, seem to have forgotten this simple fact about human nature:

Happy men... men with good jobs, decent housing, and opportunities in a free country... don't go wrong. That's what the V. F. W. is striving for—to bring all Americans together in comradeship, understanding, and mutual effort for a better America in a better united world.

HE SERVED OVERSEAS. HE BELONGS IN THE ONE VETERANS ORGANIZATION WHERE EVERY MEMBER HAS A RECORD OF FOREIGN SERVICE.

Search On For "DP's" Spinging On US Army

FRANKFURT, May 11 (AP)—The US army has ordered a hunt throughout the American occupation zone for imposters and criminals believed spinging on American and United Nations aid. The army, nothing that new "displaced persons" were appearing mysteriously in free care camps, ordered that the more than 400,000 DP's both in and out of camps be put through a screening.

DDT Spray Shows Results Locally

Application of DDT during the war has filled the air with discussions about its prowess, both pro and con, leaving the average person impressed but befuddled. This probably accounts for the fact that the insecticide is much slower catching on than anyone dreamed.

By actual tests locally, DDT measures up to most of its press notices. Perhaps the most striking example is that reported by Bill Sheppard at Banner Creamery. Using 30 per cent emulsion

mixed with water, to reduce strength to five per cent, Sheppard said that flies had been almost obliterated. What amazed him the most is not its lethal effects on flies, but that it seems to keep them away although it is not attributed with repellent effects.

Another angle is that of comparative costs. On May 15 last year the plant had required some 300 gallons of special spray at a cost of around \$275. For a better job, the cost has dropped to \$35.

Others are using sprays with varying effects, and some are checking percentages of DDT to increase results.

Several dairymen have used the material, applied to screens, stalls, and even to stock. Where strength directions are followed, results have been good. The heel fly nuisance has been reduced to a minimum.

Local tests have indicated real benefits in applying DDT spray to poultry houses. On one instance blue bugs cluttered the floor the morning after it had been applied.

Limited experience with DDT on ranges has not given ample basis for judgment locally, although trial tests have indicated that it is one means of giving beef cattle sorely needed relief from swarms of flies.

USDA tests show that on one ranch stock gained 1,284 pounds of beef for each pound of DDT used, compared with an untreated herd. Another had a 1,202 pound gain over untreated stock, and still another showed a 2,306 pound advantage. Similar tests by USDA have shown that under favorable conditions, milk flow can be increased.

In this connection tests have shown that tales of DDT affecting milk are so much blue-John. A cow would have to drink a keg of the stuff for it to show up in the milk, and even then it wouldn't affect those consuming it.

DDT is effective for controlling flies around the home and yards around barbecue pits, etc. It is death to most potato pests, the grapeleaf hopper, and many others. It is ineffective against the Mexican bean beetle, cotton leaf worm, plum curculion, etc. It should be used on crops only after checking proper authorities because it can destroy beneficial insect predators and parasites that their value is destroyed. It is not recommended as a bean spray, but it is indicated for corn, onions, tomatoes, etc.

COMING SOON!

New Maytag Home Freezer

A new home freezer described as a "complete kitchen unit" has been announced by The Maytag Company of Newton, Iowa. With six net cubic feet of locker storage space and a capacity of 300 lbs. of meat or 240 lbs. of mixed packages, it maintains an operating temperature of zero Fahrenheit in all climates. When closed it provides a porcelain enamel utility table top with attached drop leaf for dinette purposes, large enough for two people. Inset shows counter-balanced lid opened and defrosting tray in use.

The Week's Business—

Building Permits Climbing Again; Livestock Brisk

Building permits continued to hold up well during the past week, giving the month of May a chance to vie with first quarter figures after a light run in April. A \$30,000 building planned by the Jones Motor company, to be erected at 101 Gregg boosted the week's total to \$44,345. There were 24 permits, or an average of four per day, issued during the week. Total for the first 13 days in May is \$92,410, while the total for the year to date stands at \$628,501, as compared to \$275,350 a year ago.

Puckett and French are completing plans for a new warehouse building to be erected by Scripling Supply company at the intersection of First and Johnson. It will be 120' x 150' of tile construction, with loading docks and office space included.

Big Spring cattle market hit the best mark possible under existing ceilings Wednesday at the Big Spring Livestock Auction company's sale. Another heavy run was experienced, as practically all grades moved at steady to strong prices.

Warranty deeds filed during the week at the county clerk's office leaped to \$184,432. Wasson Land and Cattle company purchased four sections and part of three others out of block 33, Tsp. 1-S T&P from Gretta Connolly for \$124,776.90 to head the week's list.

Irish Leader Dies

DUBLIN, May 11. (AP)—John McCaughey, 32, tight-lipped former Irish Republican army "adjutant general" died in his cell at Dublin's Maryboro prison early today after a 23-day hunger strike which caused political agitation throughout Eire. In Belfast, David Fleming, another Irish Republican hunger striker, was reported in a "weak condition" as his fast entered its 50th day.

England did not use the ballot system of voting until 1872.

Pullets begin laying eggs when about six months old.

NEW CHIEF — Donald Williams, Big Spring Eagle scout, was elected chief of the Tatanka lodge, Order of the Arrow, at a recent encampment of lodge members. The order is a national society of outstanding Boy Scout campers and the lodge is sponsored by the Buffalo Trails council.

Sears Annual Essay Contest Announced

Deadline for entries in the annual Sears essay contest for 4-H club boys has been set for May 20, and all essays must be in the hands of the county agent by that date, it was announced Saturday.

Any 4-H club boy in the county is eligible to enter. The 500 word essays, which must be written on the Sears cow, hog, and hen program, will be scored on neatness, content and willingness of the individual contestant to work with pigs.

The Sears foundation will furnish eight gilts and one boar as prizes in Howard county. Winners will care for the pigs under direction of the extension service and then show them this fall in the Sears pig show. A Jersey heifer will be given as grand championship prize and 500 baby chicks as additional prizes. The pigs are to be distributed during the last week in May.

Fayetteville, N. C., near Fort Bragg, was the first town in the United States to be named for the Marquis de Lafayette.

OPA Gets Details On Cigaret Boost

The local OPA price board has received official information on cigarette price boosts, which were placed into effect on April 23.

Cigaret manufacturers' prices were increased a half cent per package, and wholesalers may increase five cents per carton on receipt of their first shipment at new prices. The increase will be taken on receipt of the first shipment of each brand.

Retailers' prices for single package sales remain the same, but the multiple pack price may increase a half cent per package. As in the case of wholesalers, the retail increases may be taken after receipt of the first shipment at new prices. Vending machines may increase one cent per package.

Judge Holds Negro Teacher Pay Must Be On Equal Basis

SHERMAN, May 11. (AP)—Judge Randolph Bryant of US district court ruled here today that white and negro teachers must have the same salary if they have similar professional qualifications and similar work.

The ruling was handed down in the case of Sammie Taylor Savage vs. the Denison, Tex., school board.

The plaintiff, a Denison negro teacher, alleged there was racial discrimination in the payment of negro teachers 25 per cent less than white teachers.

Big Spring (Texas) Herald, Sun., May 12, 1946 3

Two Army Paper Staffers Killed

NUERNBERG, Germany, May 11. (AP)—Two soldiers on the staff of Stars and Stripes, US Army newspaper, were shot to death from ambush as they rode in a jeep with another soldier and three young women here last night.

The names of the victims were withheld pending notification of relatives. Each was shot in the chest. The Army pressed an in-

vestigation, but there was no indication that any clues had been found to the identity of the gunman.

The attack occurred in the northern section of Nuernberg, the site of the trial of 22 top Nazis on war crimes charges.

Thirty-One Local Girls Register For Bathing Revue At City Pool

Thirty-one local girls, among them one who may be the next Miss Big Spring, have been signed to appear at the Bathing Revue to be held at the formal opening of the Municipal Swimming Pool next Sunday at 1:30 p. m.

Proceeding the parade of bathing beauties will be a diving exhibition performed by Claude Hugh Cochran and Harry Echols. The affair is sponsored by merchants in town who have put up \$10 to enter a contestant and is arranged by the High Heel Slipper Club through the cooperation of the City of Big Spring. Burke Summers will be master of ceremonies.

Mrs. Martha Cochran Hardin, the last official Miss Big Spring, will present the new winner with her title and will be director of modeling, to help instruct the girls in procedure and details of appearing before the judges and the crowd.

Mrs. Hardin will pin the ribbon on her successor, Evelyn Green, president of the club, will present her with a loving cup and Nancy Hooper, member, will give her flowers.

Prizes have also been provided for second and third place winners.

Arrangements have been made with KBST for the final judging to be broadcast at 2 o'clock. The public address system will be operated by Taylor Electric company.

Deadline for entries has been extended until Monday at noon. It has been announced by Lorena Brooks, sponsor of the High Heel Slipper Club. Anyone desiring to enter a girl may contact Miss Brooks at her home, phone 218, before that time.

Detailed measurement and filling in application blanks for the convenience of the judges will be done at a tea given by the club for the contestants Thursday night at the back lawn at 1013 1-2 Johnson. Each contestant will be notified later of the time.

Firms participating in the event and their representatives include: Anthony's, Ann Smith; Franklin's, Wilma Walker; Lorraine Shop, Vera Dell Walker; Bob Fuller Motor Co., Patti McDonald; West Texas Stationers, Clarice McCasland; Salle Ann Shop, Marianna Whitaker; Morris System Grocery, LaVerne Fuller; Griffin Service Store, Wanda Bobb; B&J Food Store, Jo Nell Sikes; State Theatre, Lela Joyce Hale; Marvin Hull Motor Co., Jene Lane.

Smith Talk Second In Series On Youth Broadcast On KBST

The second in a series of radio talks in the interest of youth will be presented on station KBST from 7:15 to 7:30 p. m. Tuesday, with Rev. H. C. Smith as speaker.

The talks, which are designed primarily for developing cub scouting, were arranged by D. M. McKinney, Big Spring cubing commissioner, and are being broadcast weekly.

Rev. Charles Abele made the first address last Tuesday, and others in the series will be made by Rev. Dick O'Brien, Rev. J. E. Moore, W. R. Dawes, Capt. Olyv Sheppard, Delbert Downing, Midland district scout chairman, and H. D. Norris.

Parents are urged to tune in on the talks, McKinney said, in pointing out that the need for trained adult leadership for youth is increasing.

ATTORNEY DIES
EL PASO, May 11 (AP) — W. H. Burges, 78-year-old attorney who successfully defended civil and criminal suits growing out of the mass deportation of striking miners from Bisbee, Ariz., in 1917, died today. He served on the University of Texas board of regents from 1911 to 1914.

Australia harvests about 13,000,000 acres of wheatland each year for an average yield of some 150,000,000 bushels.

WILL YOU DO THIS MUCH TO HELP US LIVE?

"Silence sold us on Servel!"

says **FRED M. MURRAY** famous picture star

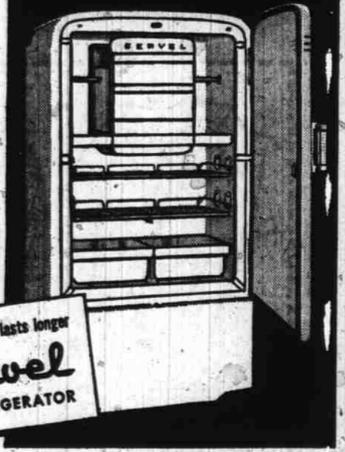

"Lucky us! We picked a Servel Gas Refrigerator. It never makes a sound or causes trouble."

Like the Fred MacMurrays, you'll feel lucky if you choose a Servel. Because, as more than 2,000,000 Servel owners have found, this modern gas refrigerator is basically different.

No moving parts

Servel freezes with no moving parts. So, there's nothing in the freezing system that can make a noise. Nothing to wear, or need fixing, either. That's why Servel stays silent, lasts longer. Ask anyone who owns the Gas Refrigerator.

Come in and see the new models! You'll be amazed how roomy the new Servels are—how well they're arranged for every type of food. There are special temperatures for meats—for vegetables—for frozen foods.

Stays silent... lasts longer

Servel GAS REFRIGERATOR

SAVE!

1. SAVE wheat products and fats. These two precious food elements can keep people overseas alive. (Their last harvest was disastrously small because of crop failures. They have almost nothing left.)

So when you plan your meals, remember how great is their need—how great can be your help if you will save and share fats and oils and wheat products such as breads, macaroni, pies, cakes, cookies. In their place, use more of the good plentiful foods like potatoes, eggs, fish, fresh poultry, fresh fruits and vegetables.

SHARE!

2. SHARE a meal with the hungry every day... a meal with no bread (you won't miss it too much with plenty of potatoes)... a meal with a refreshing fruit dessert instead of pie, cake or cookies. That's not much of a hardship, is it?

Remember these other wheat-and-fat saving tricks, too. When you bake pies, leave off the top crust. Instead of regular sandwiches, make open-face ones whenever possible. When you do serve bread, share it with the hungry by eating a slice or two less than you ordinarily do. Use unthickened gravies.

WASTE NOTHING!

3. WASTE nothing! Make every crust, every crumb of bread count. Use up dry bread as melba toast or as stuffing for poultry and fish. Roll out the crumbs to top scalloped dishes. Never throw out leftover sandwiches. Dip them in beaten egg, fry them in a little drippings, and you have a fine hot dish for lunch! Save all drippings to use in cooking.

Every one of us can do this much to share with the hungry and dying. (Many can still help more by growing and preserving more food!) But remember! They can't wait! Each day from now until the next harvest, more and more are going to die of starvation unless we get the needed food supplies to them. Start today!

SAVE WHEAT AND FATS - FIGHT FAMINE!

Judges Select Winners In Contest For Definitions Of Family Responsibility

Judges Saturday evening selected an entry submitted by D. W. Jones, 1700 Johnson street, as first in The Herald's "Family" contest.

An entry by Jess F. Blair, which spelled out The American Family in vertical alignment of key letters, took second and that of A. Smith, 710 E. 3rd street, was picked in third place.

Names of all entries were covered by tape and judges, key community leaders who were notified of their appointment only late Saturday, will not know the names of the winners until they read them in The Herald.

A few definitions of the responsibility of the family exceeded the 50-word requirement, the only basic rule applied in the contest. Judges praised the entries, admitting that many outside the three they selected were excellently done.

The winning entry: "This is the family's responsibility: To establish a home where there is a feeling of security, love and relaxation, where no member is afraid to ask God's help in making a decision, where troubles as well as joys can be discussed and shared and there's respect for each other's opinions."

This was the second place suggestion:

"The family Has the responsibility of Encouraging American ways of living, Meeting all problems together Each day, Respecting Individual rights, Commending every kindness And good deed, and Nourishing love of God.

Family, And country; thereby Making certain that Ideals gained in the Loving family circle of Yesteryear will remain throughout life."—Jess F. Blair.

The definition submitted by A. Smith and in third place follows: "This is how the family should be: Where parents are honored and duly respected, And children are loved and from evil protected; Where joys and sorrows are equally shared, And spiritual endeavor is never impaired; Where truth, honesty and sympathy abound; Love and Christianity are usually found."

The Herald wishes to express its appreciation for the many entries. They were all so good that it is to be regretted that they could not all have won.

Other definitions, not previously published, follow:

"The responsibility of the family is to mould character, into its individual members, to instill a sense of moral and spiritual duty to God, to others and to one's self; to lead each member to strive to make of himself an influence for good to all whose lives it touches."—Marion Beam.

"The responsibility of parents of all nations is to teach children to fear God. (Ecc. 12-13); love Him and put Him first (for) the fear of the Lord is to hate evil (Prov. 8-13); children should be taught to respect our government, but above all to love God and keep His commandments."—Charles H. Worley.

"Home is the university of good citizenship; gives children love (God is love); security; teaches them the Golden Rule and the Ten Commandments; keeps them busy and entertained; lets them learn to do their own thinking early in life. If we spend the rest of the time improving and reforming ourselves they will catch

on. These children will be a foundation capable of responsibility."—Mrs. H. E. Peacock.

"The parents and parents alone should assume the responsibility of their children. They are responsible for the kind of family they wish to produce as the moulding of their characters are the products of their own attitude of life."—Mrs. Neil G. Barnaby.

"The family is the vital pivot that the human world rotates on. The first thing that the family should do is take God into its home. If you wish for land, cattle, etc., the Bible says 'seek ye first the Kingdom of God and all these things shall be added unto you.' The greatest responsibility rests on the mothers for she is with them more. She should rear them in the admonition of the Lord; when they get old they will not depart from it. Fathers are responsible also. They should spend as much time with their children as possible, and help the mothers in every way they can, such as to instill into their young, honesty, thoughtfulness and respectfulness, to do unto others as they would be done by. Mothers should be home when children come in. Where mothers are, that is home. Children and parents should be sure to ask God to guide them each day to do what is best."—Mrs. J. M. Choate.

"The responsibility of the family is to provide a stable foundation of love, humility, inspiration, aspiration, high ideals and purposes, so that the characters builded thereon may go out to make of their community, state, nation and world, a better place in which to live for their having lived in it."—Mrs. Marion B. Beam.

YOUR ENTIRE FAMILY NEEDS X-RAY SHOE FITTING!

The magic eye of our X-Ray machine tells you if your shoes fit you. Perhaps you have no trouble in fitting your feet... but do you know if your shoes fit? Or do you order by number and take a chance? At this store you see, before you buy, how shoes fit. That's the modern way to fit shoes. It takes but one misfit... to start foot troubles... with our X-Ray equipment... at no extra cost—you and I can see the exact size and shape YOUR-foot needs. Come in at your earliest convenience, take advantage of the only correct way to buy shoes. Your feet may need correction. Bring the children. Don't take a chance, ordering shoes by number or depending on the measuring stick.

VA TO GIVE HELP

Details For Student Enrollment In Vocational School Received

Officials of the Howard County Vocational school have received details of procedure for student enrollment from the Veterans Administration. Applications will be accepted immediately for enrollment in agriculture, trade and industrial training and distributive education. Forms are available at the county superintendent's office and interested veterans are urged to enroll at once in order that instructors and materials can be secured. This also would expedite starting of classes. A meeting has been called for 8 p. m. Wednesday in the district courtroom when representatives of the school and VA will explain objectives and operations and answer questions of veterans as to subsistence allowances. Because information will be of value to employers, veteran organization officials, and others in interpreting the program, the meeting is open to the public. As veterans complete enrollment at the county superintendent's office, they will be referred to the VA office at 206 Petroleum building where Ray Boren, VA contact representative, and staff will assist in completing forms for subsistence and tuition allowances. Any other question about veteran rights will be discussed by Boren. J. C. Webb and L. R. Armstrong have been engaged as instructors in agricultural work. Both are graduates of agricultural colleges and experienced in the field. Recently they have been making field contacts with prospective enrollees. Federal and state agricultural agencies have given assurance of support of the program which requires six hours per week class instruction (usually night), eight hours group demonstration, one hour per week supervisor visit, 10 hours supervised home practice. Marketing, accounting, finance and credit, agricultural economics, beef cattle production, livestock judging, meat grading, dairying, poultry production, crop production, soil and crop management, farm shop, farm buildings, etc., will be included in this phase of the curriculum. Most of the trainee's time will be spent on the job in the trade and industrial training division. Instruction will relate to a closed occupation, among them mechanics, machine shop, sheet metal, radio repair, construction trades, electrical, refrigeration, air conditioning, petroleum production, refining, etc. Many related subjects will be offered as an adjunct to the on-the-job training designed not only to make them skilled craftsmen but to give training which would enable them to engage in small business. Similar is the program for distributive education, which, broadly, covers the retail and wholesale fields as well as service establishments.

Block Manufacturers To Apply For Prices

The OPA wants each manufacturer of concrete blocks in this district to submit application for approval of the prices in effect for his commodity because the product is so scarce and the demand is rising, according to information recently received at the local price board. According to the announcement, the district office is receiving a tremendous number of requests for approval of prices for manufactured concrete block and practically none of these would-be manufacturers has been able to include prices charged by their most closely competitive seller due to the fact that so few manufacturers have had approved prices on their products.

Forsan Club Given Demonstration In Pressure Cookers

FORSAN, May 11—Use of pressure cookers, with old and new gauges, was demonstrated by Miss Margaret Christie, county home demonstration agent, when members of the Forsan Home Demonstration club met in the home of Mrs. Frank Hall on the Phillips lease. The club made plans to send a box of cotton material and clothing to the Philippines and a case of milk to a European country. Attending the meeting were Mrs. L. H. Patrick, Mrs. Grady Hall, Mrs. H. L. Tienerand, Mrs. Earl Hughes, Mrs. J. M. Craig, Mrs. M. M. Fairchild, Mrs. L. B. Griffith, Mrs. Henry Huestis, Mrs. John Kubecka, Mrs. L. E. Wynn of Lindsay, Okla., and Mrs. Manuel Millholten.

Gets Discharge

Announced as a dischargee from the Army this past week was Pvt. Jack M. Macomber, 113 East Second Street, Big Spring. He was cleared through the Personnel Center at Fort Sam Houston.

Letter To Editor—

Suggestions Made On Dog Question

Dear Editor:

I see by your paper that the chamber of commerce is holding meetings for worthy suggestions on the improvement and betterment of our city, which is wonderful, and should receive many worthwhile suggestions.

I have something in mind that is not exactly in line with the chamber's requirement but will submit it to you for better or for worse. It is the dog question.

The dog catcher is active again, which is repeated each year. My idea is to tax each person who owns a dog, with the dog's name, breed, color, weight and age or any other identification. Also an ordinance requiring the owner of a female dog to obtain a permit to breed the dog, and if said dog is permitted to run at large while in season that the owner be arrested and fined for permitting a nuisance.

I think the above would eliminate the stray dog menace in a very short time, besides bringing a revenue to the city.

Thanking you for your consideration of the above, I am, Yours resp., L. H. LITTLE, 505 E. 4th St.

P.S.: I experienced quite a sad scene on the east hi-way last evening. Two dogs (pals) were coming west when all of sudden the smaller of the two was crushed under the wheels of a speeding car. The larger dog was frantic, would drag his dead pal a short distance, dodging cars and finally succeeded in getting his pal on the opposite side of the hi-way, then laid there by the side of his dead partner watching for some one to stop and render aid.

While I was making inquiry as to the owner of the dogs, some kind-hearted gentleman stopped and picked-up the little dead dog and placed it in his car and the large dog jumped in also and they went east. I hope this noble animal has found a good home, which he deserves. With kind regards and thanks to this gentleman, L.H.L.

PROSECUTOR FIRED UPON

NICHOLS, Conn., May 11 (AP)—Connecticut state police cloaked in silence today their investigation of an attempt to assassinate Lorin W. Willis, state's attorney for Fairfield county. A bullet crashed through a window of the Willis home here Thursday night, narrowly missing the veteran court officer and his wife who was seated with him.

Sheriff To Bring Man Back To Trial

Dozens Of Ideas Obtained In C-C Thought Survey

With 16 more meetings remaining on the schedule, the chamber of commerce already has tabulated several dozen ideas for community development submitted during the past week at thought survey sessions, J. H. Greene, chamber manager, reported Saturday.

Reiterated several times, various proposals for beautification, paving, housing and seeking new business firms have been recorded. Some others for which widespread support is indicated include planting trees on highways leading into town as a memorial to veterans; zoning the city; equipping more playgrounds for youth and improving those already established; encouraging people with vacant lots either to improve or sell them; promoting more investment of local money into local business; and improving the city cemetery. These are only a few of many submitted. Greene pointed out in urging that more people join in the survey next week.

The schedule for Monday, with presiding officers, follows: 9 a. m., Ted O. Groehl; 10:30 a. m., M. M. Miller; 2:30 p. m., V. A. Merrick; 4 p. m., Cecil C. Collings.

Red Cross Course To Be Organized

A course to qualify instructors for American Red Cross first aid courses will be organized at a meeting at 8 p. m. Monday at the chapter headquarters, W. 4th and Scurry, C. J. Lamb, first aid chairman, has announced.

Lamb urged all persons who hold the regular and advanced first aid certificates as well as all instructors who are in need of a refresher course to validate cards, to attend the session.

Instruction will be in charge of Hilton Gilliam, St. Louis, first aid specialist for the midwest area of Red Cross. Monday evening he will project a special first aid film. Other films will be shown at some schools and clubs during the week, said Lamb.

New textbooks, involving what observers believe to be beneficial revisions and clearer illustrations, will be used in the course.

Monkeys Are Crazy Folks, Lower Manhattan Learns

NEW YORK, May 11 (AP)—Monkeys, monkeys and more monkeys—some 100 fugitives from a pet shop—made a jungle playground out of lower Manhattan for several hours today.

Scampering Simians climbed into open windows, frightening office workers, dashed over rooftops and squealed in delight as they barged into stores.

In a firehouse the monkeys had a field day—swinging from apparatus, sliding down poles and generally tormenting frustrated firemen unaccustomed of chasing such wild life.

Middy tipplers in a tavern received unexpected stimulation—and some apprehension—when the jibbering animals entered, sampled some beer, then turned to more potent libations. Ten patrons left with checks unpaid.

A cage in the fifth floor monkey house was left open briefly. The animals scurried out, opening the doors of other cages to allow their companions to greet the new world en masse.

Ten squirming monkeys were captured in the firehouse, 30 in historic St. Paul's Chapel cemetery, a grocer trapped 40 in his store, and two were nabbed in a laundry bar.

Man Who Operated On Himself Claims His Side Is Swelling

EL CENTRO, Calif., May 11. (AP)—Max Lucas, 39, who testified he performed an appendectomy on himself and annointed the wound with blood of a live lamb, said today swelling was arising in his side and he might have to operate again.

Lucas, leader of a Filipino church in nearby Calexico, was given a suspended 60-day sentence in justice court Thursday on a charge of cruelty to animals. The judge warned him against such sacrificial offerings.

British Liberals Urge UN Atomic Control

LONDON, May 11. (AP)—The Liberal party's annual assembly in resolutions today urged United Nations control of atomic energy, worldwide relation of censorship and free access to news sources.

Calling for removal of "the gulf between Britain and Russia," Dingle M. Foot, former member of parliament, said Soviet officials could begin "by raising the iron curtain and by permitting free access to, and reporting in the territories under control."

Corn Kernels Fatally Strangle Young Boy

LONG POINT, Ill., May 11. (AP)—Three year old John Charles Carpenter died of strangulation last night after he had put a handful of hard corn kernels into his mouth.

The child, who was visiting his uncle, Donald Buetke, a farmer, picked up the corn while it was being shoveled into a wagon. Several kernels lodged in his esophagus. He was removed to a Joliet hospital but died on the operating table.

NEW CAPE—This transparent rain cape and hood are made of polythene, a plastic material developed during the war and used for cable insulation, gun casings and food packaging.

MISS GODDARD IN LONDON
LONDON, May 11. (AP)—Film actress Paulette Goddard arrived today by plane to discuss plans with Producer Alexander Korda for making a motion picture here next year.

Millions Of Vets Must Have Jobs

ST. LOUIS, May 11. (AP)—Jobs must be found for 6,700,000 veterans by 1947 if the nation is to avoid prolonged unemployment, Ralph H. Lavers of Washington, national director of employment and veterans reference for the American Legion, declared today.

Lavers recommended to the opening session of the 12th annual conference of veterans employment representatives of the United States Employment Service that, to help meet the problem, they urge formation of committees of business leaders in each community to maintain files of available jobs, induce employers to list jobs with the USES, and show employers how they can create jobs within their businesses.

Little Girl Demands Her Daddy's Return

WASHINGTON, May 11. (AP)—A three year-old girl carrying a sign "Free My Daddy" led approximately 100 persons who picketed the White House today for the release of imprisoned conscientious objectors.

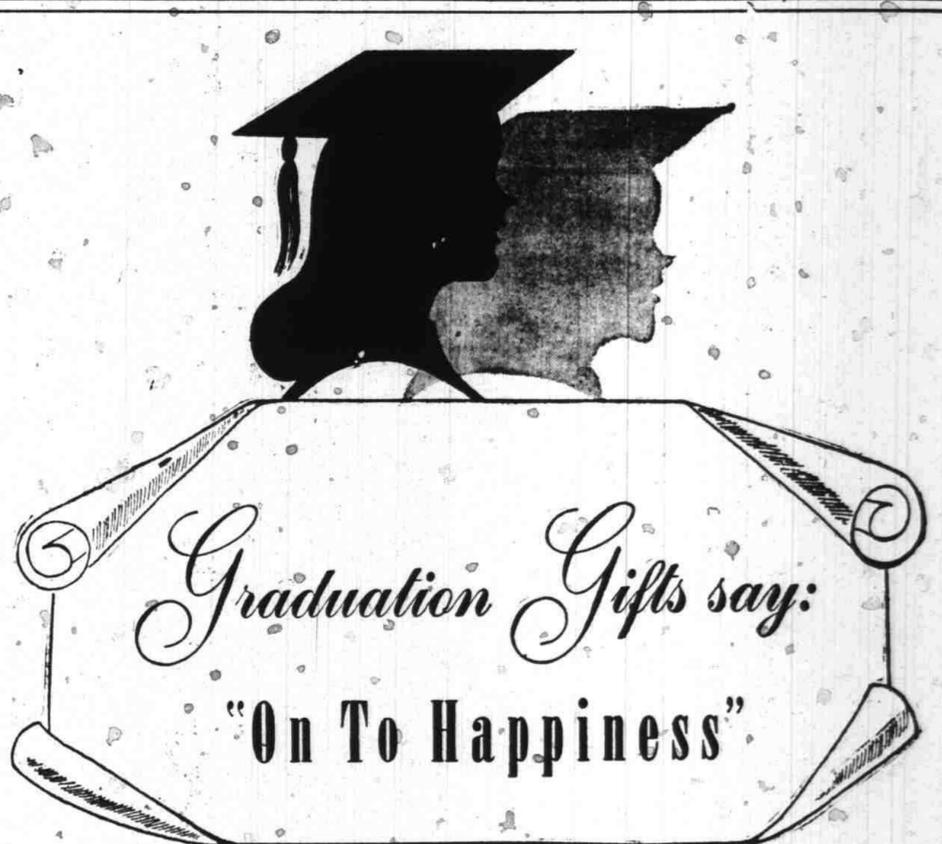

A statement by the Committee for Amnesty said the marchers, many of whom are relatives of imprisoned men, would petition President Truman for the release of 2,600 conscientious objectors still in federal jails.

"The President has it in his power to grant a general amnesty as was done after the last war," the statement said.

Big Spring (Texas) Herald, Sun., May 12, 1946

RICE RATION DEMANDED
YOKOHAMA, May 11. (AP)—Kyodo news agency said today that 1,600 workers from an electric factory stormed the Kanagawa prefectural office demanding a special rice ration. It said they left after being promised an increase of flour and starch.

Lord Byron Takes Lead At Houston

HOUSTON, May 11. (AP)—The old master—Lord Byron Nelson of Toledo—took charge of Houston's \$10,000 golf tournament of champions today as he ripped River Oaks 6,558-yard course for a four-under par 67 and the lead at the end of 54 holes.

Big Spring Motor, Cosden Oilers Square Off In Munny Play Monday

What looms as the most important game of the young Munny softball league season will be unrecalled at 7:30 Monday evening when Big Spring Motor comes to grips with the powerful Cosden Oilers.

Both teams are unbeaten in circuit play. The Cosdenites, however, have played four games, the Fordmen but two. The Motorists were decided two weeks ago by Manhattan but a protest by their management stood up with League President Dewey Collum and the result was removal from the records.

The week's schedule: MONDAY—Big Spring Motor vs. Cosden: United Body Works vs. Doc's Redcaps.

WEDNESDAY—Forsan's Cosden Pipeliners vs. Big Spring Hardwars: VFW vs. Coca-Cola.

THURSDAY—ABC vs. Manhattan: Coahoma vs. Howard County Implement.

Two of the games scheduled for last week were postponed and will be made up later in the season.

VFW and Doc's Redcaps failed to play Wednesday due to a mixup by the schedule-maker and rain washed out the Thursday night bout between Coahoma and Manhattan.

Standings: Team—W. L. Pct. Cosden 4 0 1.000 Coahoma 4 0 1.000 Manhattan 3 0 1.000 BS Motor 2 0 1.000 Redcaps 2 1 .667 Forsan 2 2 .500 VFW 2 .333 HC Implement 1 3 .250 Coca-Cola 1 3 .250 ABC 1 3 .250 BS Hardware 1 4 .200 UBC 0 4 .000

LOUIS TOUGHENING UP POMPTON LAKES, N. J., May 11 (AP)—Joe Louis, gradually getting in condition for his world heavyweight title defense against Billy Conn next month, floored one spar mate today, bloodied the nose of another and battered two more a round each in a vicious workout.

Loboes Drop 9th In Row, Sammy Malvica Back

LAMESA, May 11—Two home run clouts for the winners and the recurrent failure of the losers to produce hits with men on base were the combining factors in 10 to 6 victory for the Amarillo Cold Sox over the Lamesa Loboes in the series opener here Friday night.

The Gold Sox hammered John Gray for 14 hits including a home run by Bill Moran with one on in the second, and another by Joe Bauman with two on in the eighth. Bauman's drive put the clincher on for the Gold Sox after Lamesa had rallied for 3 runs in the seventh to pull within one-run of a tie.

Lamesa gathered 16 hits off three Gold Sox pitchers including Amarillo ace fire-baller Evans, but left 15 men on base. The Loboes, led by new second baseman Sammie Malvica who got 5 hits in 6 trips in his debut, and Manager Sturdivant, who gathered 4 bingles in 5 tries, knocked Gold Sox starter Andy Dewine out of the box in the seventh.

Malvica played with Midland in 1939. A crowd of nearly 900 sat in near-winter weather and watched the Gold Sox hand the Loboes their 9th straight loss. A strong, chilly wind fanned the gathering while the game was delayed 30 minutes in the sixth when most of the lights went out.

Lamesa announced the release of infielder Harry Light. The box score: Amarillo AB RH PO A E Koppe, rf 5 2 2 2 0 Sutch, ss 1 1 0 2 2 Duarte, cf 5 1 3 2 0 Bauman, lb 3 2 2 9 0 Moran, 3b 4 1 1 1 0 Souza, if 5 1 2 3 0 Zoeller, 2b 5 2 2 2 0 Lamprich, c 4 0 1 8 0 Dewine, p 4 0 0 0 1 Correa, g 0 0 0 0 0 Evans, p 1 0 0 0 0 Totals 40 10 14 27 2

Lamesa—AB RH PO A E Martin, cf 6 0 5 0 0 Malvica, 2b 6 2 5 2 0 Sturdivant, 3b 6 1 4 0 2 Cruce, lf 4 0 0 0 0 Fortin, rf 5 0 2 1 0 Brown, c 5 1 1 5 2 Brookbank, if 5 1 2 3 1 Wilcox, ss 4 1 0 2 1 Gray, p 4 0 2 0 1 xPalmer, p 1 0 0 0 0 Totals 45 6 16 27 7 x—batted for Gray in ninth.

Score by innings: Amarillo 0 0 0 0 10 Lamesa 0 0 2 0 300—6 Batteries: Devine, Correa, Evans and Lamprich; Gray and Brown. Winning pitcher, Devine. Runs, batted in: Koppe, Duarte, Bauman, 4, Moran, 2, Lamprich 2, Martin, Sturdivant, Fortin. Two base hits: Zoeller, Duarte, Fortin, Brookbank 2, Gray. Three base hits: Zoeller, Malvica. Home runs: Moran, Bauman. Stolen bases: Duarte, Sturdivant. Left on base: Amarillo 11, Lamesa 15. Base on balls: Off Devine 2, off Evans 1, off Gray 8, struck out: by Devine 6, Evans 2, Gray 5. Hits: Off Devine 12, in 6 1-3, off Correa 1 in 2-3, off Evans 3 in 2. Passed balls: Brown. Winning pitcher, Devine. Umpires Norman and Gunter. Attendance 876. Time 2:40.

Bristow Paces Ringer Field

Obie Bristow is one stroke up on the field in the men's division of the ringer tournament at the country club, having birdied every hole with the exception of 7 o' Nine. His score of 28 shades the card of 29 turned in by Burl McNallen.

McNallen has scored birds on all holes except Six and Nine. Entry of George Tillingsat brings the field to 26.

Mrs. Leona Freeman is the current pace setter among competitors in the women's division with a 47.

Play in both brackets continues throughout the month of May. A group of eight golfers led by Pro J. T. Hammett visited the country club Friday afternoon for a round of "get-acquainted" play with local enthusiasts.

Dee J. Davis Leads In Y Kite Contest Four boys and a girl shared in the 12 awards handed out Saturday morning in the YMCA kite contest, which took place on the College Heights school campus.

Dee John Davis won four ribbons, gaining first places for having the most attractive, most unique, largest and best flying kite on display.

Divisions and winners: BOYS' DIVISION Smallest—Robert Utley, first, and Alvin Moore, second. Most attractive—Dee John Davis, first, and Rex Kennedy, second. Most unique—Dee John Davis, first. Largest—Dee John Davis, first, and Rex Kennedy, second. Best flier—Alvin Moore, first, and Rex Kennedy, second.

GIRLS' DIVISION Best flying, most attractive and largest kite prizes all won by Twila Phillips. Eighteen boys and girls had entries in the contest. Judges were Douglas Orme and Dee Davis.

Kleberg Bangtail, Assault, Roars To Victory In \$139,620 Preakness

Mehrtens Pilots Texas Stallion To Neck Win

PIMLICO RACE TRACK, Baltimore, May 11 (AP)—Assault, committed murder again in the Preakness today, just as he did in the Kentucky Derby last week.

The club-footed comet from Texas turned on the steam after three quarters of a mile and hustled home a neck to the good in this richest race in history. Jockey Warren Mehrtens was again up. And just as he did it before a record crowd last week at Churchill Downs—largest in turf history at more than 100,000—he strutted his stuff this time before the greatest throng ever to see a horse race in Maryland, 42,370.

In winning the high-priced race Assault paid \$4.80, \$3.10 and \$2.20. Lord Boswell coming in second paid \$3.10 and \$2.20 while Hampden paid \$2.30 to show.

There were none of the alibis for any of the others this time as there were last. The sleek sturdy Lord Boswell was running clear all the way, and although he practically set fire to the stretch to come from next to last in the field of ten and run over the others to wind up second, he wasn't good enough to overhail the Texas terror.

And Hampden, the Delaware dandy, closed up to third—four lengths and a neck away. But the kid from the wide open spaces proved to be a chip off the old block once more.

For, it was just ten years ago that Assault's daddy, Bold Venture, danced home in the Derby, then repeated in the Preakness. But while Bold Venture broke down after nailing the two jewels in the triple crown—and had to retire—there was nothing wrong with Assault after his work tonight that a good meal didn't fix up just fine, for the chocolate champ, like the third gem in the crown—the Belmont—three weeks hence. And unless he gets a sudden attack of measles, or some such thing, he looks like death-and-taxes to become the seventh horse in the book to put that crown on his brown mane.

He was the tenth horse ever to win this Derby-and-Preakness double. And never before has any double rung up the cash register like this one.

The highest pot of gold ever put up for a horse race was waiting at the finish line for the four who got home "fastest with the mostest"—a total of \$139,620, compared to the previous high of \$136,220 for last winter's Santa Anita handicap.

Of this, Assault picked up a winner's slice of \$99,120, which included a \$2,500 nominator's award for his owner, Robert J. Kleberg, Jr., owner of the million-acre King ranch of Texas, where the Lone Star sizzler was born.

Tacked onto his \$96,400 Derby pay check, this gave him \$195,590 for the double, \$61,720 more than Stage Hand put in the bank for his hitherto record two-race, take-home pay for the Santa Anita derby and handicap back in '38.

All told for his two seasons of racing, the flier has \$235,900 in the bank.

The jammed, milling colorful throng, which braved intermittent showers during the morning and early afternoon, poured into the mutual machines \$446,140 on the Preakness alone.

Griffith Tames Cokemen, 6-2

Ottie Griffith throttled the Coca-Cola Bottlers with three hits to pace the Cosden Pipeliners to a 6-2 victory in a Munny softball league game played Friday night at Forsan. The setto was originally booked for Thursday but postponed because of rain.

The Pipeliners jumped into the lead in the initial inning with a two-run outburst.

Bobby Yarbrow applied the clincher in the fifth round when he drove out a home run with two mates ahead. Yarbrow's circuit play was one of eight hits the Forsanites collected off Jim Daylong, Cokemen's hurler.

Score by innings: Coca-Cola001 010 0—2 3 Pipeliners200 130 x—6 8

Williams, Harris And Rankin Tally In Steers Intra-Squad Contest

Regulars Defeat Reserves, 12-0, In First Half

Playing in ideal football weather, the Big Spring high school football team wound up its month-long spring program at Steer stadium Friday night with a hour of slam-bang intra-squad play.

During the first two quarters, the first and second strings had at it, with the starters gaining a 12-0 edge. In the final two periods, the Blacks and the Golds, eleven picked by the coaches, staged a spirited tug o' war, with the Golds copping the duke, 7-0.

Jackie Barron's, long pass to Donald Williams, which caught B. Lee's, defensive half, napping, provided the payoff punch in the main go. Another overhead, Hoss Rankin to Ensor Puckett, set up the extra point.

Gerald Harris went skipping through the dew for 50 yards for the regulars in the first quarter. The big half-back broke into the clear an instant before first quarter proceedings ended.

Hoss Rankin widened the difference in Round Two when he ankle into the end zones from around the ten-yard stripe. Barron had set the stage for the counter when he intercepted a Black pass up around his own 30-yard stripe and moved 30 paces into the foe's territory.

Of the lesser lights, George Worrell and Paul Shaffer showed to advantage as reserve backs. Bobo Hardy proved very hard to hold.

Up front, Ike Robb stood head and shoulders above all other linemen but Bobby Hollis, Marv Wright, Eddie Houser and Larry Hall all made favorable impressions.

In the test between the Black and Gold squads, the Blacks had a slight edge in weights, averaging 158 pounds to 154 for the victorious Gold eleven. Most of the avid supporters advantage was in the secondary.

Tigers To Meet Pecos At 3:30

Popeye Cruz, who tamed the Monahan Wildcats in impressive fashion last week, will probably toe the slab again this afternoon for the Big Spring Tigers when they go up against the Pecos Bengals on the North Ward diamond at 3:30 o'clock.

Manager Elias Gamboa will have Paradez in reserve should Cruz falter. Popeye limited the Monahans 9 to 4 hits and looked to advantage in the clutches in last week's test.

The Pecos gang held one victory over the Big Springers, having trimmed them, 10-3, in a slugfest three weeks ago.

Southwest Frosh Rule Restored

COLLEGE STATION, May 11 (AP)—A hike in football admission prices from \$2.50 to \$3.00 for reserved seats in order to pass the federal tax on to the public, approval of B team football schedules, plans for play-offs of ties for the basketball championship and restoration of the freshman rule in 1947 were voted today by the faculty of the Southwest conference.

Winding up their annual spring meeting, the governing body of the conference elected Dr. Gayle Scott of Texas Christian University president.

The minimum price for end zone seats was left at \$2.00. Box seat prices will be regulated by the home school.

The one-year residence (or freshman) rule was restored as of the fall of 1947 and the rule covering the transfer of students from junior colleges suspended during the war will be reinstated at the same time.

Regarding transfers from other schools the committee decided that athletes who have participated at another school but desire to return to their original school will not be charged for the time played at that other school in war-time.

Eight of the nine men who won letters on last season's team return for another season of competition. Departing is Fred Phillips, a forward.

KIRBY BEATEN IN FEM FINALS

DALLAS, May 11. (AP)—Mrs. Julius Page, Jr., veteran of many links battles, will carry home with her to Greensboro, N. C., tomorrow the women's Southern golf championship—an honor she has sought and richly deserves.

In the 36-hole finals over the Dallas country club course today, in chilly weather and sometimes rain, the doughty campaigner defeated Dorothy Kirby of Atlanta 4 and 3.

Forsan All-Stars To Play Monday

Second round games in the Forsan softball league Tuesday night will pit Shell against the high school team in the 7:30 test and Phillips against Continental in the 9 o'clock contest.

Shell recently replaced the Chalk contingent.

In the opening bouts last week, the Cosden Gaugers triumphed over Phillips, 6-1, while Continental was beating Lee Store, 12-4.

The Forsan All-Stars swing into action Monday night in an exhibition game with the Sterling City Independents. High school contingents of the two towns will meet in a seven-inning bout.

C. B. Long will probably toe the slab for the All-Stars in place of the regular pitcher, Otis Griffith. Manager Blacky Hines is counting on holding Griffith in reserve for the Munny league games later in the week.

Manhattan To Play In Stanton Today

Manhattan's softball team invades Stanton today for a 3 p. m. exhibition with the independent club representing that city.

Manager Billy Parker has announced that all players who intend to make the trip should report to the Manhattan Club on lower Main street by 2 p. m.

Johnny Daylong is slated to hurl for the Big Springers, who will be favored to subdue the Stanton brigade.

Gene Anderson Leads In Golf Meet With 64

Gene Anderson's 64 stands as something other linksmen must shoot at if they hope to come out on top in the men's division of the ringer golf tournament being conducted at the Munny golf tournament.

Anderson may seek to better that score this afternoon. The tournament closes when the sun goes down.

Charley McCoy and L. L. Miller and their 85's are not far behind Anderson's low net and they may try to put him in the background today.

Mrs. Bernie Freeman's 90 represents the best tally posted in women's competition. Inez McCleskey is five strokes off that figure while Mrs. Lois Hodges has come in with a 103.

Merchandise prizes will be proffered for low net, low gross and the players showing the most improvement in scores.

The United States buys about 50 percent of Cuba's sugar.

Currie, Berry Star In Gold Football Win

Johnny Currie and Harold Berry teamed up to pace the Golds to a 26-12 victory over the Blacks in a test between third and fourth string players of the Big Spring high school football team Friday afternoon at Steer stadium.

Currie counted the first two touches for the Gold, then came back to be the finger man in the ancient hideout play, taking a pass from Berry for the clincher. In between, Berry went 35 yards to score one six-pointer, booted one extra point and ran the right side for the other.

Ernie Ache almost turned the tide for the Blacks. He tallied twice, the first time going 40 yards to pay dirt, then ambled from inside the ten for the other.

At all times, the sophomore speedster was dangerous. Strahan proved one of the better performers in the line for the Blacks while Hale showed promise for the winners.

Score by quarters: Golds7 0 6 13—26 Blacks0 0 6 6—12

Starting lineup: GOLDS—Grigsby and Foster, ends; Hale and Cain, tackles; Harris and Hooper, guards; Jones, center; Currie, Berry, Davis and Abbe, backs.

BLACKS—Foxy and Strahan, ends; Houser and Gaster, tackles; Freeman and Huett, guards; McDaniel, center; Hamrick, Wilks, Ache and Kohanek, backs.

The painter Velasquez was the son of a Seville lawyer.

LOOKING 'EM OVER

With TOMMY HART

Linemen who went up against him in the Big Spring high school Steer football scrimmage last Friday night say Bob Hardy, pint-sized fullback, is the hardest man to down and keep down in John Dibrell's secondary... Then comes Gerald Harris, who is bigger and the fastest man in the starting lineup... Of the linemen, Ike Robb, a guard with at least two years of eligibility remaining, stands heads and shoulders above the others, though Eddie Houser is coming along... Harris, incidentally, has a namesake back in the ranks, who they distinguish by calling "Band Member," he being a member of the school band... Tommy Elliott, who referred the Friday evening bout, says he thinks Marion Pugh was a better ball carrier than John Kimbrough when both were in Texas A&M... Elliott played against both while a freshman at Aggie and... The VFW basketball team has designs on carrying on a statewide schedule next season, traveling with the Midland Army Air Field team... Last semester the Vets played strictly a localized program... Bob Hillin, who was with Lamesa's baseball Lobos the first part of the season, has caught on with Lubbock after being cut loose by the Lamesa management.

When George Sturdivant went clear for two against the Abilene Blue Sox last Tuesday night, it was the first game this season in which the Lamesa skipper had failed to hit safely... Sturdivant pink-slipped two of his pitchers, Roy La Rue and Francis Wilson, before the club left town... Others are due to be dropped from the squad soon... For the convenience of those fans who have yet to see a WT-NM league schedule, here are the remainder of the home games for the Lamesa club: May 12-13, Lubbock; May 14-15, Borger; May 24-25, Clovis; May 26-27, Pampa; May 28-29, Albuquerque; June 3-4, Abilene; June 7-8, Amarillo; June 9-10, Lubbock; June 11-12, Borger; June

Yes, more and more women are finding that bowling provides healthful relaxation and plenty of entertainment after a hard day's work.

Ernie Bonham Takes Boston Sox, 2 To 0

NEW YORK, May 11 (AP)—The spectacular winning strafe of the Boston Red Sox was snapped at 15 today, four short of the American league record, as burlly Tiny Bonham pitched the New York Yankees to a two-hit victory, 3 to 0.

Bonham was such a complete master of the situation as he mowed down the formidable array of Boston sluggers lining after inning that in the late stanzas the crowd of 53,286, including 52,011 paid, seemed aware that the slightly tainted run the home club scored in the third inning and Tommy Henrich's home run into the right field stands in the fifth would be enough.

The crowd aimed its vocal blasts primarily at Ted Williams, the Red Sox great slugger who for the second straight day went hitless. In addition to being called out on strikes with two on bases in the third inning, his play on Hank Majeski's high, lazy fly, was directly responsible for the first Yankee run.

Henrich, who took the sledge run from Joe DiMaggio and Charley Keller today with three rousing blows, including the four-base wallop, brought Majeski home with a sharp double to right center after it appeared Tex Hughson would weather the threat.

Women's Softball Team Organized

FORSAN, May 11.—Mrs. O. D. Smith has been named manager of the Forsan women's softball team, which was organized Thursday evening.

Members of the contingent are Mrs. R. L. Condray, Helen Nixon, Mrs. Edgar Chambers, Mrs. Calvin Sewell, Mrs. M. M. Fairchild, Mrs. Tilman Schultz, Mrs. Jake Green, Mrs. Luther Moore, Mrs. G. H. Gamble, Mrs. C. L. Draper, Mrs. Lefty McCabe and Mrs. Dee Ayers.

Mrs. Smith is planning on issuing challenges to fem teams in Big Spring, San Angelo, Stanton and other neighboring communities.

Legion Lasses Rally To Win

In a softball game featured by a ten-run outburst in the fifth inning, the American Legion girls' team of Big Spring defeated Stanton, 12-7, at the city park Saturday night.

Lefty Todd pitched all the way for the local nine, scattering a dozen enemy hits effectively.

Shortstop Lois Kinman paced the Big Spring mace attack with three blows.

Gibson, Blocker and Burnham were the outstanding invaders.

The Legionnaires invade Stanton Wednesday afternoon for a third go with the Martin county gang. The locals won the first test a week ago.

Reiser's Home Run Give Brooks Win

BROOKLYN, May 11. (AP)—Peter Reiser hit an inside-the-park home run off the last half of the ninth inning to give the Brooklyn Dodgers a 12-11 victory over the Philadelphia Phillies in the zanziest game of the season. A total of 18 pitchers were used by both teams, seven by the Dodgers.

Reiser's blow was one of three he collected in the three and a half hours of play. Peeewe Reiser batted in four runs for the victors with two doubles.

The Dodgers used 22 players, including three first basemen and as many pinch hitters, the Phillies 14.

Frank McCormick hit a home run for the Phillies.

BOVINES WIN TENNIS TITLE

HOUSTON, May 11. (AP)—Clarence Mabry, tall University of Texas freshman with a sizzling serve and a fighting heart, upset Rice's Ken McCarthy today to win the singles of the Southwest conference tennis tourney and then teamed with Ed Chew to give Texas another victory in the doubles by drubbing McCarthy and Sam Match.

Mabry's edge in the singles was 6-6, 6-4, 6-2.

In the tough doubles match Rice bowed after a hard fight by the count of 6-8, 6-2, 3-6, 9-7, 6-3.

Ramsdell, Muratore Setting Pace

DALLAS, May 11 (AP)—The Texas league, always known as a pitcher's loop, is living up to its reputation this season.

The general trend of hitting is downward but the hurlers are piling up some fantastic averages.

Henry (Hank) Oana, Hawaiian twirler for the Dallas Rebels, tops the pitchers with six victories against no losses through games of May 8, while teammate Bobby Hogue and Willard Ramsdell of Fort Worth each show four wins.

Eddie Borom of Dallas is the hitting leader, the Rebel second-sacker clouting for .393 in 76 trips to the plate. Five others top his average but none has played a third as much as Borom.

San Antonio moved into first place in team batting with its .372—four points ahead of Dallas.

Among individual leaders—

Runs—Ed Knoblauch, Houston, and Len Ratto, Beaumont, 18; hits—Harry Hatch, San Antonio, 32; doubles—Lew Ruchser, Fort Worth, 8; triples—Earl York, Tulsa, 4; home runs—Clarence Maddern and Roy Easterwood, Tulsa; Sam Lamatina, Oklahoma City, and Bob Duncan, Shreveport, 3; stolen bases—Eddie Borom, Dallas, 7; runs batted in—Eldon Muratore, Beaumont, 23; strikeouts—Les Studener, Houston, 28; innings pitched—Walter Wilson, Dallas, 49.

Ten Tennis Courts To Be In Operation Here Soon; Some Equipment Available

One of the favorite athletic pursuits of scores of local citizens is tennis, which is now displaying signs of reaching a new high in interest after experiencing a wartime paralysis.

Elimination of the two high school courts on the campus to make way for the basketball gymnasium several years ago left the city without a court of any kind and net enthusiasts who wanted to keep active in the sport had to go elsewhere to play.

At the present time, however, there are no less than ten courts now being used here or are in the process of being built, and a majority are available for public use.

Four of them are situated in the Municipal park, two immediately south of the softball diamond and the other two directly across the street east of the museum.

The high school restored its courts some years ago, but this time in Steer stadium, where the high-school teams regularly stage workouts.

Two new courts were recently completed and put into use at the country club. They are available only to members of the club, however.

A corner of the yard at Cosden refinery east of town is being cleared off for a court and, according to Jack Y. Smith, personnel director, another might be added there.

Another court is being put playground at West Fifth and San Antonio streets which, according to the Army's officer in charge, Olyv Sheppard, will be ready for use in a few weeks.

Those who play at the park generally have to furnish their own rackets and balls. The equipment, incidentally, is not up to pre-war standard but can be had locally.

Herd Trackmen Win Conference

COLLEGE STATION, May 11 (AP)—The University of Texas defended its Southwest conference track and field championship here today by cashing in on second, third, and fourth places.

Getting only three firsts, the Longhorns wound up with 53 1/2 points to Texas A. and M.'s 46 1/2. The Aggies gained five firsts.

Baylor barely nosed out Rice—22 1/2 to 20 1/4—for third place. Arkansas ended up fifth with 17, Southern Methodist was next with 12 and Texas Christian was last with 4.

Johnny Ziegler, Texas A. and M. distance star, took high point honors with wins in both the mile and two-mile runs. August Erfurt of Rice was runner-up with 8 1/4 as Bill Martinson, Baylor's all-around star, faltered.

High north winds slowed down the speedsters with the record-breaking sprinters of yesterday, when Martinson and Allen Lawler of Texas both ran 108 yards in 9.5, getting only 9.9 in the century. Lawler won it with Aubrey Fowler, Arkansas darkhorse, overtaking Martinson at the tape for second.

The 440-yard dash duel between Art Harnden of A. and M. and Desmond Kidd of Texas was the feature of the afternoon with the Aggie beating the Longhorn in the dash then beating him to the tape in the anchor leg of the mile relay.

Veterans To Seek Business Friday

Many a local party is going to have the arm put on him Friday, May 17, when the local chapter of the VFW assumes charge of the West Texas Bowling alleys.

Scouts will converge upon local stores throughout the day, soliciting for business and will offer escort to the alleys to those persons having a few moments of leisure.

All money realized from the recreational center's trade that day—and there'll be no expense save the salary of the pin-boys—will go toward VFW benefits.

Personnel of the organization will have charge of the concessions as well as the bowling lanes.

Thurman, Shaffer Prep Survivors

Sam Thurman and Paul Shaffer qualified for the semifinals in the high-school boys' golf tournament being conducted at the Muni course by defeating Marshall Day and Clarence Shaffer, respectively, in Saturday matches.

Thurman turned back Day, 3-1, while Clarence Shaffer was falling victim to Paul Shaffer, two up.

The remaining preliminary duels, which must be completed today, sends Marvin Wright into action against Jimmy Hobbs and Dickie Cloud out to play Buster Burns.

Losers become eligible to compete in the consolation rounds.

France, China Win Davis Cup Tests

(By the Associated Press)

France, China and Sweden joined Switzerland in the second round of European Davis Cup play today, the first three teams winning doubles matches to go with a pair of singles victories in the opening competition yesterday.

Switzerland advanced a week ago by defeating Spain, three matches to two.

In addition to the round-clinching matches at Paris, Copenhagen and Stockholm, the Belgian team swept the opening day's play from Monaco at Brussels.

Fifteen thousand fans in Roland Garros stadium in Paris saw the young French combine of Marcel Bernard and Bernard Destregh make their stamina pay off against John Olliff and Henry Billington of England, 13-11, 4-6, 7-5, 6-1. Both British players are in their top thirties.

Pale Hose Shakkled By Virgil Trucks

DETROIT, May 11. (AP)—Fireballer Virgil Trucks limited the Chicago White Sox to two hits here today as the Detroit Tigers won their sixth straight victory 4 to 1. One of the Chicago hits was Wally Moses' home run.

Fat Mullin accounted for two of the Bengal failures with a four-baser in the sixth inning. Barney McCoskey broke the ice for the Detroiters with a single that drove home two scores in the third.

Outside of Moses, Ralph Hodgkin was the only man to solve Trucks' offerings for a safety.

Chicago 000 001 000—1 2 0
Detroit 002 002 000—4 9 1
Dietrich, Grove and Tresh, Dickey, Trucks and Richards.

Redcaps Beaten By Motorists

A four-run rally in the last frame fell short as Doc's softball Redcaps lost a 10-9 decision to Big Spring in a practice game played at the city park Friday night.

The Redcaps were not at full strength. However, they made a battle of it, hitting the enemy hurler, Toby Cunningham, hard and often.

Darrell Flynt started on the hill for the losers and gave way to Morris Crittenden in the midst of a Fordmen rally in the fourth inning. The Motorists chased five runs across the platter in that round before being stopped.

Natorium To Be Opened This Week

Manager Bob Flowers' plans for having the municipal swimming pool open this weekend were cancelled due to failure of a piece of chlorine machine equipment to arrive.

The apparatus, ordered from a company in New Jersey, should be here no later than Wednesday. Flowers said Saturday, and will be installed immediately.

Persons attending next Sunday afternoon's bathing beauty revue at the natorium will be privileged to see a diving exhibition given by Hugh Cochran and Harry Echols, if they call early.

That part of the show gets underway around 1:20 p. m.

Legion Dates Set

AUSTIN, May 11. (AP)—The first post-war state convention of the American Legion will be held in Galveston Sept. 3 through Sept. 6. The site and dates were selected at a meeting here today of the five division commanders and state commander Herman G. Nami of San Antonio.

Use of tobacco as money is as old as its cultivation—it matched gold as legal tender in colonial Virginia.

Blast Kills Youths

CHICAGO, May 11. (AP)—Two 17 year old high school seniors were fatally injured and a third was seriously hurt last night in an explosion while they conducted an experiment in a basement chemistry laboratory in suburban Maywood. They were preparing for their final examinations in chemistry preparatory to graduation next month.

The first capital of the state of New York was Kingston.

Haney Asks Support Of Citizens To Raise Old Persons' Pensions

Declaring that, through organization of interested persons, Texas' payments to aged people have been increased substantially since 1940, Judge Edgar P. Haney, president of the Texas Pension Association, called for support of Howard counties in a campaign to continue efforts toward raising the state's average payment at a meeting in the district court room Saturday afternoon.

Machinery is taking the place of man, he said, which makes it more and more difficult for older people to secure work. He referred to an article in an agricultural publication, which he said stated that an estimated 3,000,000 farm workers would be displaced by machinery within 18 months.

The Rev. Duval Pollard, chaplain of the association, who made the first address at the meeting, pointed out that rapid development has been made in the nation's industry and public conveniences during the past few years. "But the old people of today, whose work brought about the development, are being rewarded with poverty and hardship," he said.

Haney lashed at the Texas senate, which he said blocked the pension plan last year. Texas has

JUDGE EDGAR P. HANEY

had a poor record on pensions ever since the federal government passed the social security act, he said, quoting figures which showed that although the federal government would match any state payment up to \$15, Texas started off with \$7.50 for the state part. This payment of \$15, state and federal combined, dropped to a low of \$10 in 1940, he said, but has subsequently been raised through efforts of the Pension Association to \$24.

The meeting here was attended by more than 100, and other sessions were held in Midland and Pecos Saturday night.

Dallas Police Spot Missing Seattle Car

SEATTLE, May 11 (AP)—The Seattle Times said today that Chief R. D. Thorp of the Austin, Tex., police, informed it that the automobile in which two Seattle morticians mysteriously disappeared here Thanksgiving night, 1944, was seen on a Dallas street last night.

Sheriff H. S. Callahan telegraphed instructions to Texas authorities to impound the car and hold all persons connected with it after Lt. Ed Moody, chief of the Washington state patrol's identification bureau at Olympia, advised him Texas officials had requested all data available on the machine. John F. Hennessy and Earl J. Cassidy, employees of a university district mortuary here, were last seen driving away from a friend's home apparently en route to their own home.

The first regulations governing naval officer uniforms were passed by the United States in 1797.

Livestock

FORT WORTH, May 11 (AP)—(USDA)—Cattle: Compared close last week; Most classes 25-50 lower; week's tops: Slaughter yearlings 17.25, heifers 17.00, cows 14.00, vealers 16.00, heavy calves 15.50. Week's bulks: Good beef steers and yearlings 15.50-16.00, medium 13.50-14.50, good cows 12.25-13.25, good and choice fat calves 14.00-15.50, common and medium calves 10.50-13.25.

Hogs compared week ago: Steady on all weights, barrows and gilts for slaughter 14.65, sows 13.90.

Sheep compared last week's close: Spring lambs and shorn lambs 50-1.00 higher, aged sheep steady to 25 higher, feeder lambs poorly tested. Week's tops: Spring lambs 15.50, shorn lambs 14.50, bulk prices: Good and choice spring lambs 14.25-15.08, medium springers 13.00-75, good shorn lambs 13.50-14.25, common and medium shorn lambs 10.25-13.00.

Honor Mother on her Day

Deep in your heart is a very special kind of love, a very special kind of lady — your "Mom." Through the days and weeks of the years you take her very much for granted — accept her kind words and deeds, her patience and understanding, her courage and selfishness. Today is Mother's Day — the day on which you can express your love and devotion — on which you can let her know in some small way how much she means to you every day throughout the year.

Elmo Wasson

Mother's Day

She's young and she's gay, but she's your "Mom." She's thinking of you every minute of every day — planning and hoping for your happiness. On Her Day, today, honor, love her, make her the happiest "Mom" in the whole wide world.

SWARTZ'S

STRAWS

Let the ladies wear gardens—animal kingdoms and bird's nests on their heads: We "sensible" men want cool, lightweight comfort for summer — and here it is in headgear that's next-to-nothing in weight yet tops all in smart appearance.

MEN'S WEAR OF CHARACTER

Here 'n' There

Lt. Comm. Robert Pritchard, son of Mrs. J. I. Pritchard, is expected home sometime this week from San Francisco where, he docked May 7 after a tour of duty in Far Eastern waters.

Chester O'Brien is spending the weekend in Abilene.

Doyal Grice has joined the Big Spring police force as a radio operator.

HSU Students Plan Youth Program Here

A group of students representing Hardin-Simmons university, Abilene, will have charge of a "Youth for Christ" program to be presented at the East Fourth Street Baptist church Saturday evening, May 18.

Included among the body that will be on hand will be Charlotte Holden, Big Spring, who is studying theology at HSU.

The students will also appear on Sunday, May 17, programs at the Baptist church in Coahoma and the East Fourth church here, according to Rev. James Clark, East Fourth church pastor.

U. S. merchant seamen receive nearly three times the pay of the average of 15 other leading maritime nations.

Poster Prize Checks Sent School Children

Checks for prizes in the recent school poster contest for cleanup week have been issued by the chamber of commerce, and individual awards will be made by W. C. Blankenship, superintendent of schools within the next few days.

Prizes of \$2 were given for first place, and \$1 for second place.

Winning the first grade division was the Lakeview colored school, which submitted a group sponsored poster.

Other winners were as follows: Second grade, no entries; third grade, Ruby Stevi Bryce, Lakeview, first; June Whitlock, South Ward, second; fourth grade, Nelda Kay Williams, Central Ward, first; Robert Carrington, West Ward, second; fifth grade, no entries; sixth grade, Bud Whitney, College Heights, first; Glendale Bunn, North Ward, second; seventh grade, Charles Warren, Central Ward, first; Lillian Rowe, East Ward, second.

GM Can Maintain Full Operations Now

DETROIT, May 11 (AP)—Removal of the government's freight embargo will permit General Motors to continue with full operations and keep its 215,000 production workers on the job.

General Motors previously had said the embargo was the only obstacle to continue operation during the coal strike, in which a truce has been called.

Arabs To Fight If Italy Gets Tripoli

LONDON, May 11 (AP)—Azzam Pasha, secretary general of the powerful Arab league, was quoted tonight in a Reuters dispatch from Cairo as saying that "if Tripoli is handed over to Italian trusteeship it means war."

The four-power foreign ministers conference in Paris was reported yesterday to have agreed that former Italian colonies, including Tripolitania, should be placed under United Nations trusteeship with Italy as the sole trustee.

Mother's Day--Doubled

Mother's Day to Mrs. Claude Russell, Mrs. Woodrow Patterson and Mrs. Horace Beene mean twice as much as it does to 99 out of 100 mothers. They each have twins, an occurrence which happens once in approximately every 100 births. To them Mother's Day is a double expression of the devotion and appreciation which all children show, especially on that day. The newest to the group of twins within Big Spring are Morris Dee and Doris Lee Patterson, twins of Mrs. Woodrow Patterson (left picture). The twins were born on March 3. Mrs. Claude Russell (right picture) is the mother of Ray and Fay Russell, born Feb. 16, 1931, now students in Big Spring high school. Reaching the sub-deb age Joyce and Joan appear with their mother, Mrs. Horace Beene (below). Joyce and Joan were born on January 24 and are now 15. The majority of the churches will observe Mother's Day in their services, and on Friday evening the girls of the East Fourth Street Church honored their mothers at a mother-daughter party. The newly organized YWA will have a Mother's Day reception and program for members and their mothers at the First Baptist church this afternoon at three o'clock. Whether at home or in church, however, all mothers will be honored on their day.

Billie Joyce Robinson Weds O. B. Brown In California

Double Ring Vows Exchanged In Napa Presbyterian Church

In a simple ceremony in the Napa, Calif., Presbyterian church on May 1 Billie Joyce Robinson became the bride of Ossie B. Brown, USNR.

Rev. Albert Patch of the Napa Baptist church officiated at the double ring ceremony and was assisted by Rev. Lee Vernon. Mrs. Hector MacLean, Jr., played organ selections before the ceremony and during the marriage service.

Prior to the arrival of the wedding party, attendants in white robes lighted the white candles which provided only lighting for the ceremony. The tapers were in three-point candelabra which were arranged along the chancel rail alternately with bouquets of calla lilies and roses. Larger bouquets of the same flowers were placed on pedestals below.

The bride wore a street-length dress of heavy white crepe, designed with a yoke of net and a rounded neckline. The molded bodice was accented with a gathered peplum. She wore a coronet of red roses and carried a white Bible with a corsage bouquet of red roses and white sweet peas. She was given in marriage by her brother, Sydney Robinson.

Mrs. M. H. Stallings, sister of the bride, was her only attendant. She wore a pale blue crepe dress and a matching flowered hat. Her corsage was of pink carnations.

Lt. Comdr. Louis W. Tordella was best man, and ushers were Paul Rigney, James Fuller, Eugene Stowers and Robert Rouse. The bridal couple is now at home at 707 Seminary street in Napa.

She is the daughter of Mr. and Mrs. Levi Robinson of Big Spring. She was graduated from Big Spring high school where she was a member of the music club and, as a member of the school band, participated in various state tournaments. She was also a member of the tennis and Bible clubs. She had been employed in the business office of the Napa Register for a year prior to her marriage.

The bridegroom is the son of Mr. and Mrs. George F. Brown of Baton Rouge, La., and was a pre-law student at the Louisiana State university at the time he entered the service. He was a drum major of the LSU band and won the national championship in that field. He served as president of the student council and was on the student advisory board of the WMC and Baptist Student Union. He was a member of Sigma Chi social fraternity. He is, at present, stationed at Skaggs Island. Following his discharge he plans to continue his schooling on the West coast.

YWA Focus Week Starts At Program

A program this afternoon honoring their mothers will be the initial activity for YWA Focus week for young women of the First Baptist church.

The affair will begin at 3 p. m. and will be held at the First Baptist church. Mrs. Milton Meyer, leader, has announced. Light refreshments will follow the program.

A reception will be held Monday at 7:30 p. m. in the church for all girls in the Baptist church in the YWA age, which ranges from 16 to 25 years.

On Tuesday at 5 p. m. the girls will begin a visitation program to the shut-ins, and magazines will be taken to the Westside Community Center.

A Royal Service program will be given by the girls of the organization at the regular 7:45 p. m. prayer meeting hour. The subject for the program will be "Is Our Democracy Democratic?"

The week of concentrated worship will be concluded Thursday evening at 7:30 o'clock with a formal initiation of YWA members. All members of the YWA will be included in the ceremony since the unit was established on March 12.

The group meets each first and third Tuesday in the home of a member. Julia Mae Cochran is president of the organization, and Audrey Harris is vice-president. Secretary is Ruth Hobbs, and Pat Cochran is unit treasurer.

Mrs. Brigham Speaks At P-TA Meeting Thursday

Mrs. J. E. Brigham, guest speaker at the West Ward P-TA Thursday, expressed the hope that every ward school could have a lunch room program by the opening of the fall term since the project this year had been so successful.

Mrs. R. D. Burnett gave the devotional and the third and fourth grade Spanish classes gave a playlet. Mrs. Della Agnell reviewed the history of the local school system.

Present for this final meeting of the year were Mrs. C. E. Johnson, Mrs. H. H. Rutherford, Mrs. C. R. Moad, Mrs. Roy Anderson, Mrs. D. W. Evans, Mrs. A. M. Rippes, Mrs. J. E. Brigham, Mrs. F. H. Hinkley, Mrs. K. W. Hardy, Mrs. Harry Montgomery, Mrs. C. P. Ward, Mrs. E. T. Reynolds, Mrs. C. A. Horton, Mrs. R. L. Owens, Mrs. Marshall Poth, Mrs. J. D. Light, Mrs. Mae Brumley, Mrs. R. G. Burnett, Mrs. Jack Drake, Mrs. Robert Hill, Mrs. E. B. Blackburn, Mrs. R. L. Baber, Mrs. Jack Reynolds, Mrs. Sara Penick, Mrs. R. N. Griffin, Mrs. Durward Lewter, Mrs. Odie Moore, Mrs. Burke Plant, Mrs. J. L. Thomas, Mrs. A. B. West, Mrs. Della K. Agnell, Mrs. Lorraine Echols, Mrs. H. H. Halford, Mrs. Parks, Mrs. Ira Thurman.

Mrs. Frank Tate Installed As Forsan President By San Angelo District Officer

FORSAN, May 11.—A new slate of officers, headed by Mrs. Frank Tate as president, was installed by the Forsan Parent-Teacher Association at its meeting this week in the school gymnasium.

The installation ceremony was directed by Mrs. J. E. Brigham of Big Spring, district vice president, who also spoke on the objects of the P-TA. Another visitor was Mrs. J. C. Lane of Big Spring.

All past presidents of the unit were recognized. After the meeting was opened by Mrs. Harry Miller, outgoing president, Mrs. Herman Williams presented the eighth grade class in several group songs. Mrs. Williams, who soon is to move to Midland, was presented with a gift from the organization, as a token of appreciation of her untiring efforts in the children's choral work.

Officers installed with Mrs. Tate were Mrs. G. H. Gamble, vice president; Mrs. R. E. Hughes, secretary; and Mrs. J. D. Leonard, treasurer.

A tea followed the program, with Mrs. J. B. Sowell, Mrs. E. A. Grissom and Mrs. Miller serving. Attending the function were Mrs. Bill Conger, Jr., Mrs. D. W. Robertson, Mrs. Burl McAllen, Mrs. G. F. Duncan, Mrs. R. L. Freeborn, Mrs. J. E. Chanslor, Mrs. J. P. Kubecka, Mrs. O. D. Elliott, Mrs. J. T. Holladay, Mrs. C. V. Wash, Mrs. J. M. Craig, Mrs. M. M. Fairchild, Mrs. G. B. Hale, Mrs. H. L. Tienerand, Mrs. W. B. Dunn, Mrs. Sam Porter, Mrs. W. O. Averett, Mrs. Blesse Cathcart, Mrs. Grissom, Mrs. Sowell, Mrs. Brigham, Mrs. Lane, Mrs. Leonard, Mrs. Miller, Mrs. Tate, Mrs. Hughes, Mrs. Gamble and Mrs. Williams.

Bennie Jo Melton, Bride-elect, Feted At Shower Friday

Bennie Jo Melton, bride-elect of Ben Daughtery, was honored at a bridal shower given Friday evening in the home of Mrs. Lou Helen Underwood, with Mrs. W. J. Goodson and Frances Shanks as co-hostesses.

After gifts were presented as the climax to a treasure hunt, games were played and refreshments were served. Mrs. Earl Parish presided at the punchbowl and those assisting in the serving were Mrs. H. L. Thurman, Mrs. Perry Burleson, Maxine Hull, Frances Shanks and Naomi Wright.

Guests attending were Mrs. Thurman, Mrs. Lloyd Brooks, Mrs. Burleson, Mrs. Chester Batesback, Mrs. O. N. Lancaster, Pauline Harrell, Mrs. Mac Sundy, Mrs. Marvin Daughtery, Dorothy Sikes, Mrs. Louella Moore, Mrs. R. L. Finley, Naomi Wright, Dorothy Bond, Evie Eastham.

Hazel Jones, Marie Thames, Jeannette Mansfield, Mrs. Earl Parish, Mardeane Hill, Maxine Hull, Mrs. T. A. Melton, Norma Harrison, Mrs. Bob Finley, Ben Daughtery and Bert Mathies. Gifts were sent by a number unable to attend.

Parents Announce Nabors, Frank Rites April 22

Mr. and Mrs. J. W. Frank of Stephenville announce the marriage of their daughter, Bettye, to Gene Nabors on April 22.

The secret ceremony was read by the minister of the Stephenville Church of Christ in his study.

The bride will graduate from Stephenville high school, where she is an honor student, on June 3, and the bridegroom, son of Mr. and Mrs. O. L. Nabors, completes his high school work at John-Varleton high school on May 18. He attended high school at San Marcos academy for three years.

The couple will spend most of the summer in Big Spring where Nabors will work with his father. Both plan to return to Stephenville in the fall for college work.

Social Calendar For The Week

FIRST BAPTIST WMS will have a meeting of all circles at 3 p. m. in the church for mission study led by the Maybelle Taylor circle.

FIRST METHODIST WSCS will have a joint session at the church at 3 p. m. to begin the Bible study on "The Divine Fatherhood," with Circle One in charge.

FIRST CHRISTIAN WOMAN'S COUNCIL will have Bible study by Mrs. Cliff Wiley at 3 p. m.

PRESBYTERIAN AUXILIARY will have a family night meeting at the social hall at 7 p. m.

WESLEY METHODIST WSCS will have Bible study at the church at 3 p. m.

Auxiliary To Meet

The Lions Auxiliary will have their regular luncheon Wednesday at the Settles hotel. Each member of the organization is requested to bring a guest, whether the wife of a Lion or not. Reservations should be made before Monday noon with Mrs. Ake Douglass or Mrs. Joe Pickle.

STOP UNDER ARM PERSPIRATION AND ODOR WORRIES

PAT THEM AWAY! 1 to 7 days' protection from under arm perspiration and odor. (Depends on you and the weather.)

BETTER... because pads are moist with a prompt perspiration-stopping PASTER... dries in seconds, quick and easy to use as a powder puff.

KINDER... to clothing and skin.

NEATER... use once and gone away.

Older Adults BTU Has Dinner Meet

Mrs. A. S. Woods was hostess for a covered dish supper served buffet style Thursday evening for the Older Adults Union of the BTU.

Mrs. R. Y. Cloud, presiding at the business meeting following the meal, appointed Algine Smith, Mrs. Bill Sandridge and Mrs. A. S. Woods as a committee for nominating officers for the new year.

George McLellan, new educational director, then spoke to the group on training union work.

A social hour followed.

Attending were Mr. and Mrs. Walter Grice, Mr. and Mrs. E. W. Waldrop, Mr. and Mrs. Bob Wren, Mr. and Mrs. Dick Cloud, Mr. and Mrs. Otto Couch, Mr. and Mrs. George McLellan, Rev. and Mrs. James Roy Clark, Mr. and Mrs. I. C. Raley, Mr. and Mrs. Bill Sandridge, Mrs. A. F. Gilliland, Mrs. Altie Dunbar and Algine Smith.

Mrs. J. R. Manion Has Meeting Of Rook Club On Friday

Mrs. J. R. Manion entertained the Rook club with its regular party Friday afternoon.

Visitors were Mrs. E. H. Happell, Mrs. Sam L. Baker, and Mrs. A. F. Williamson.

Members were Mrs. W. A. Miller, Mrs. S. T. Eason, Mrs. W. H. Power, Mrs. W. D. McDonald, Mrs. P. M. Simms, Mrs. R. L. Warren, and Mrs. S. P. Jones.

P-T A Units Meet May 17

May 17 has been set for the date for a school of instruction for presidents of the local Parent-Teacher association and a meeting of the P-TA council. The meetings will be held at the First Baptist church.

From 10 a. m. until 12, the last council meeting of the year will be held, and at that time all committee and officers' reports will be heard. Written reports will be handed to successors to the various offices, and the new officials will be introduced and they, in turn, will introduce future plans.

Following a covered dish luncheon, the afternoon session will open at 1 p. m. All P-TA members may attend this session, but only council members' votes will be counted. Especially invited to attend are new officers for the various units.

Mrs. Philip Thompson, district president from San Angelo, will install the officers, and Mrs. L. G. Byerly of Midland, state vice-president, will conduct the school. All P-TA members interested are invited to attend.

Ronald Parish Has Party For Birthday

Ronald Parish celebrated his fourth birthday with a party given by his mother, Mrs. Earl Parish, for a group of small friends.

Cake and punch were served with balls given for favors.

Those attending were Jerry Hammond, Dolores Howard, Peggy Hayworth, Jimmy Hayworth, Gary Tidwell, Patsy Tidwell, Homer Wilkerson, Evelyn Wilkerson, Paul Wyman Powledge and Joel Hoeger.

Grayson, Allyson Are Sisters From Boston, Playing At The Ritz

A merry jamboree of song, dance, romance and comedy is offered on the Ritz screen in "Two Sisters From Boston" in which MGM has gathered a galaxy of entertainment talent in the persons of Kathryn Grayson, June Allyson, Lauritz Melchior, Jimmy Durante and Peter Lawford.

stage, the picture offers an opportunity for each of its stellar headliners to make the most of his or her specialty.

Backgrounded by the story of a girl who makes a hectic and breathless climb from a Bowery beer-hall floor show to the opera

Miss Grayson, as the spirited Boston sister, who entertains in a Bowery honky tonk in order to earn money for her opera lessons, again proves her singing and acting versatility and is a delight on both eye and ear whether she be doing such amusing comedy numbers with Jimmy Durante as "Down by the Sea," and "Two Sides to Every Girl," or singing her thrilling opera arias.

June Allyson, as the prim Martha shocked by her sister's gaudy theatrical environment and endeavoring to bring an end to the scandalous situation only in the end to find herself in a floor show number with the riotous Durante, is completely captivated. As for Durante, his role as the piano-playing "Spike" is the most hilarious in which he has yet been seen. The famous Durante styness, affability and dexterity at putting over a song are all present—nose and all—and his every appearance brings down the house.

What with Lauritz Melchior bringing his incomparable Metropolitan voice to the screen and young Peter Lawford making both Miss Allyson in the picture and all the girls in the audience sigh, "Two Sisters from Boston" offers entertainment for every age and taste.

The production offers a musical variety of more than a dozen songs, the sets and costumes have a nostalgic turn-of-the-century charm, and Director Henry Koester has kept his story moving at a fast and laugh-filled clip. It all adds up to eminently satisfactory entertainment.

"God Is My Co-Pilot" Aerial Drama At State

"God Is My Co-Pilot," Col. Robert Lee Scott, Jr.'s best-selling autobiography on which the Warner Bros. film is based, is his own personal story, told in the words of a fighting man.

Brought to the screen by Warner Bros. (the film is currently at the State theatre), in all the thrilling glory of a dramatic motion picture, Col. Scott's story is an inspiration for our youth who today, more than ever, look for their future in the sky. The film stars Dennis Morgan in the role of Scott, pilot of a rugged Curtiss P-40, and features Raymond Massey, Dane Clark, Andrea King and Alan Hale in supporting roles.

Col. Scott's tale is a record of courage and a boy's long-lived ambition to fly. Scott's education in flying included the dangerous post-graduate work of "taking over" during the winter of 1934 when many Army pilots died, learning to fly the mail. He tells of other ordeals—lonely nights of celestial navigation, fighting ice on his wing tips, crossing through treacherous down drafts and fighting the Jap in the bloody skies over China.

There are many great fighters in Col. Scott's story. Some, like General Claire Chennault, are familiar while others, like Ed Rector, Johnny Peth and Tex Hill, unsung until now, will also find a place in your heart. Here are the men who are winning tremendous

'Lost Weekend' Now At Lyric

Whether or not you've read Charles Jackson's best seller, "The Lost Weekend," get set for a shock when you see Paramount's film version of the amazing novel. The picture, which bears the same title as the book, is due today at the Lyric theatre. Starring in it are Ray Milland and Jane Wyman. Those who were privileged to see "The Lost Weekend" at former showings, report that this terrifying story actually rocks the screen with its impact and they say that Paramount produced the picture with uncompromising frankness. It's not surprising that critics have acclaimed "The Lost Weekend," for which Milland was given the coveted Oscar, as a great picture when you recall that Billy Wilder had a hand in this one too. With Charles Brackett, he wrote the screenplay. He also directed the picture while Brackett is listed as the producer.

Battle Of Alcatraz And Kentucky Derby In Ritz Newsreel

Action shots of the "battle of Alcatraz"—the rioting in which inmates of the federal penitentiary on "the Rock" fought off guards for more than two days—are included in the latest issue of the Metro newsreel which is on the Ritz theatre's program for Sunday and Monday.

The news camera also brings scenes of last week's Kentucky Derby, catching all the excitement and thrills of the No. 1 race event, won by the Texas horse, Assault.

Dorothy H. Hendricks Wed To John Stanley Saturday

Double Ring Rites Read By Newman In Webb Home

In a double ring ceremony read by Herbert Newman, minister of the Church of Christ, Dorothy Helen Hendricks, granddaughter of Mr. and Mrs. A. E. Hendricks, was married to John R. Stanley Saturday evening.

The vows were exchanged by candlelight before an improvised altar decorated with baskets of gladioli. The ceremony was performed in the home of the bride's aunt, Mrs. G. W. Webb.

The bride wore a blue gabardine suit with black accessories with a corsage of an orchid. For the traditional something old she wore a necklace belonging to Mrs. Webb, and something new was a ring, a gift. Something borrowed was a blue silk handkerchief belonging to Joann Massey.

LaVerne Franklin acted as maid of honor and was attired in a gray suit with black accessories. Her corsage was of pink carnations. Wayne Prather acted as best man. Mrs. Webb, who lighted the candles, was dressed in a pink suit with black accessories and a corsage of white carnations.

Following the ceremony a reception was held, with guests registered by Mrs. A. D. Harmon. Guests were received by Mrs. Webb and Mrs. Morris. The three tiered wedding cake was served by Joann Massey and Willie Jo Nations presided at the punch service.

Only close friends and relatives attended the ceremony and party for the bridal couple.

Mrs. Stanley is a 1945 graduate of Big Spring high school. At the time of her marriage she was employed at the First National bank. The bridegroom, son of Mr. and Mrs. J. R. Stanley, is a 1939 graduate of Amarillo high school.

Immediately after the reception the couple left on a short wedding trip. On their return Mr. and Mrs. Stanley will be at home in Big Spring where he is employed at the Stanley hardware store.

The bride was honored at a gift shower Friday evening in the home of Mrs. A. D. Harmon, with Dorothy Sain and Joann Massey as co-hostesses.

After guests were registered in the bride's book by Mrs. Harmon, the honoree was presented with a corsage. Joann Massey then gave a reading on marriage.

Refreshments were served. Attending were Annazine Glaz-

Mrs. John R. Stanley

or, Doris Ward, Lena Alexander, Stella Wheat, LaVerne Franklin, Barbara Laswell, Betty Alice Nobles, Ernestine Owens, Billie Jo Riggs, Leslie Glazer, Cora Beth Echols, Joann Massey, Dorothy Sain, Beth Rice, Reba Baker, Faye Stratton, Nell Rogers, the honoree and the hostesses.

Mrs. Humble Gives North Side Baptist Young People Social

Twenty guests were present at the social in the home of Mrs. R. A. Humble Thursday night to entertain the Intermediate and Young People's classes of the North Side Baptist Church.

Games were played and a devotional was given by Mrs. Brandon Curry.

Refreshments were served to Kenneth Curry, Dolores Sanderson, Eleanor McNeely, Mardeena Hill, Marvin Vaughn, Sgt. Bert Matthews, Mary Frances Abbey, Jeanette Kinman, Loyce Kinman, Edna Faye Stevenson, Benny Byrne, Alton Wheeler, Billie Jo Watkins, Doyle Denton, Violet Hartin, LaVerne Kinman, Mrs. S. F. Sanderson and David, Mrs. Brandon Curry and Mrs. R. A. Humble.

L. Griffith Honored At Birthday Party

Lonnie Griffith was honored on his birthday by his wife and the Fireman Ladies Officers' club with a barbecue at the city park Thursday evening.

Mr. and Mrs. Griffith barbecued the meat while the club brought covered dishes.

Forsan News—

HD Club Members Attend Picnic At City Park Here

FORSAN, May 11. —Members of the Forsan home demonstration club who, with members of their families, attended the county HD and 4-H picnic at the Big Spring city park Friday night, included Mr. and Mrs. J. M. Craig, Norma and Rodney; Mr. and Mrs. M. M. Fairchild, Dan and Mary Ann; Mr. and Mrs. H. L. Tienerand, Mr. and Mrs. J. P. Kubecka, Mrs. Grady Hale, Mrs. Burl McAllen and Patsy and Margaret Lightfoot.

Mrs. O. S. Butler is visiting relatives in Hamlin and Dallas. Mr. and Mrs. Sam Porter are visiting in Mings this weekend.

Mr. and Mrs. Russell Wilson of Willsboro are here with their parents, Mr. and Mrs. B. R. Wilson. Yvette Scuday, daughter of Mr. and Mrs. Marshall Scuday has recovered from an attack of measles.

Clifton Boyd of Bangs has been here visiting his brothers, D. L. and Harry Boyd, and families. Mr. and Mrs. B. D. Caldwell, Mr. and Mrs. O. N. Green and Mrs. Lois Smith were in Lubbock Wednesday.

Mrs. Julia McCaslin and Mrs. Margaret Madding were business visitors in Midland this week.

Mr. and Mrs. C. E. Chatten left Saturday for Woodward, Okla., to be with Mrs. Chatten's mother, Mrs. Amelia Steele, for a week's visit.

Mrs. Oran McClure of Fry, Ariz., was here this week as a guest in the Charlie Long home. Her mother, Mrs. Villa Peoples, returned home with her for a visit.

Mrs. Margaret Madding has learned that her son is in Naples, Italy, attached to an ordnance depot.

Mr. and Mrs. Ray Crumley have as their guests, Mrs. W. W. Watson and daughter, Mary Evelyn, of Stephenville.

Pfc. Bobby Asbury is in Nuernburg, Germany, with the army of occupation.

Johnny Bob Asbury underwent a tonsillectomy in a Big Spring hospital Saturday.

Mrs. Vera Harris has had her father, G. C. Gaskins of Olton, as a guest this week.

YOUTHS ATTEND MEETING

Members of the Methodist Youth Fellowship of the First Methodist church will attend a district MYF meeting in the Acklerley church Tuesday.

Joint Activities, Picnics And Meets Highlight Home Demonstration Week For Women, Girls' Clubs In County

Local Units Organized In 1929; Membership Continues To Grow

Members of Howard county's 17 Home Demonstration and Girls 4-H clubs have been observing National Home Demonstration club week with activities within the individual clubs and with joint picnics and meetings.

The local units were first established in 1929 and 1930, and at the present time practically all farm women are associated in the work, aided by government agents now placed at every county seat.

The clubs in Howard county include Coahoma, R-Bar, Luther, Lohmeyer, Forsan, Overton, Hiway, Knott and Fairview. Two 4-H clubs have been established at Coahoma and others are located at Garner, Gayhill, Forsan, Midway, Centerpoint and Elbow.

At the present time the HD clubs are viewing demonstrations on baking, gardening and house improvement, and the 4-H girls are working on bedrooms, gardens and baking. The girls will enter contests in these fields and will receive prizes for their work on achievement day in the fall.

Plans are being made now for the county fair the last week in October and the women are beginning to prepare exhibits for the fall showing now.

Mrs. Jesse Overton, one of the pioneers of home demonstration club work, has been actively associated with the club which was named for her. Mrs. Overton was one of the charter members of the club, originated when the group of women decided to establish the organization independently.

In the beginning county agents were reluctant to set up the unit, since there were few farm and ranch women in the area. However, Mrs. Overton declared, the women were stubborn and continued to work until finally they were recognized.

After more than 15 years of club work, Mrs. Overton decided that of all the projects done, she has enjoyed the handwork most. In the process of gardening projects the Overton club tried raising asparagus, the club woman stated. "It grew so successfully we now have to dig it out of flower beds like Johnson grass. I used not to like it, but we've had to much of it that I've grown to enjoy it," Mrs. Overton stated. She and her family are now attempting to grow strawberries, despite West Texas dryness.

Mrs. W. F. Heckler is another old-time HD clubwoman and is now completing her seventh year as a council member, during which time she has missed only one meeting. That time the meeting date was changed and she was unable to be present. She has served two years as secretary, two as treasurer and is now serving as vice-chairman and council reporter. She has been chairman of many of the HD committees and was sent as delegate to the Beaumont convention in 1941. She attended others at San Angelo, Monahans and Stanton. She is a member of the R-Bar club where she has been yard, bedroom, kitchen and "repair the home" demonstrators.

Mrs. Shirley Fryar, another active member of the county HD club, has served as president of the Hiway club. She has been a bedroom and yard demonstrator. She has been a member of the Howard county unit since its origin in 1929. She is now council chairman.

Mrs. W. C. Fryar, for many years a 4-H club girl, has been selected as sponsor for the Knott club, as well as county 4-H chairman. She directs girls' activities and leads them in their various 4-H projects.

Mrs. W. H. Smith Named Honoree At Gift Party

Mrs. W. H. Smith was complimented with a bridal shower in the home of Mrs. H. G. Carmack Friday evening with Hazel Carmack as hostess.

The gift table was laid with a lace cloth, as was the refreshment table. The floral arrangement of spring blossoms was placed between lighted tapers in crystal candelabra. The arrangement was repeated on the mantelpiece. Mrs. Noble Kennemur and

Lola Mae Neill assisted the hostess in serving. Attending were Bennie Jo Melton, Mrs. Clifford Spillman, Wandalee Richardson, Miss Neill, Mrs. Bernice Maddry, Mrs. Perry Burleson, Mrs. John Lee Parker, Mrs. Hollis Bond, Mrs. H. L. Hasey, Gerri Staha, Betty Alice Nobles, Mrs. John Masters, Hazel Carmack and Mrs. Kennemur. Gifts were sent by about 20.

JONESES HAVE SON

Mr. and Mrs. R. V. Jones have received word that their son and his wife, Lt. and Mrs. R. V. Jones, Jr., are the parents of a son born May 10 in Houston. The boy weighed eight pounds, three ounces, and is still unnamed. The Joneses have one other boy.

They Have Earned The Tribute

Just as it is difficult for us to express the measure of love we bear our mothers, so is it difficult to inject some new thought into the observance of Mother's Day.

The shallow, the sophisticate, the non-conformist solve the situation by applying Scrooge's "humbug" or echo the theme of commercialization. Others, frustrated in attempts to reason it out, praise the occasion with reservations.

It makes no difference, for as surely as conquered doubt strengthens faith, so the beauty of the sentiment of this day grows tenderer despite its thorns.

Perhaps nothing new needs to be said. If the observance has found merit all these years in the nation's heart, there must be good reason for it.

We like to think that this is because mothers have earned the tribute. In the main they have been women who have accepted motherhood as the highest lay call-

ing. Being a mother has served as a primary devotion for them. Not infrequently prior dedication and a holy ambition has caused a Hannah to raise up a Samuel, an Elisabeth a John, an Eunice a Timothy.

Doubtless they had a mother instinct, yet those who succeeded most admirably developed into a deep and realistic love. They could discern and correct faults in their children because they loved them in the fullest meaning of the word. They could teach with positive effect because the things they did gave substance to their words. Their faith was so deep and abiding that the poet spoke for untold millions when he said, "Surely, my mother's prayers have followed me."

What the voices of the moment shall say about Mother's Day will not affect the regard with which mothers are held. Only mothers can change that through such a light esteem for their God-imposed responsibility that motherhood would diminish into mere child-bearing.

MEANWHILE THE WATER KEPT RISING

Mal Boyle's Notebook

WHO Won The War?

BERLIN, May 11. (AP) — Who won the war?

Brooklyn. Because her sons gave the Army the belly laughs you have to have when you either must laugh or go crazy.

You couldn't throw a horseshoe in the Air Forces without hitting someone from Texas, and what Texas was in the air Brooklyn was on the ground.

If you picked any five guys at random from the Infantry, one of them was sure to be from Brooklyn.

It was a hard adjustment they made — from pavements to foxholes, from crowded street corners to bare Tunisian deserts, from steam heat to bunks in Belgian snowdrifts. And they complained there was too much ventilation in the war, and that the next one should be fought indoors.

"Bum management," they said, and wanted to know why, if the Army could bring over leeks, it couldn't bring over taxis instead so everybody would be more comfortable.

They groused and hollered more than a calf caught in a beartrap, but their griping always had a laugh in it. One Brooklyn boy was a better morale builder than any three USO camp shows. His wry humor and endless wisecracks as he labored up a cliff carrying a mortar platoon would keep a line of weary doughboys grinning all the way.

Brooklyn produced more than her share of heroes and medal winners. Her boys had guts as well as mouths. They learned their strange new trade well.

Many now lie from Casablanca to Plisen; side by side under the Christian cross and the Star of David.

But above their high courage even was the stimulus they gave

to every level of army life by their refusal to let their troubles get them down, the way they met every hardship with a jeer and a quip.

Well, they won their war and now most of them are back hanging on subway straps. So here, from across the seas on the anniversary of the day they gave up walking, is a toast to the happy, scrappy kids from Brooklyn who always called a spade a spade but never learned to call an oil burner anything but "erl boiler."

Jobs Plentiful

CHICAGO, (UP) — Jobs for women still are plentiful, according to Dr. Frank Endicott, placement director at Northwestern University.

Despite the return of servicemen, both industry and business plan to employ many women, he said.

A survey of a cross-section of business and industrial firms revealed that 77 per cent of them intend to maintain or increase the number of their female employees, Dr. Endicott reported.

Touch Of Home

STATEVILLE, Ill., (UP) — A street sign erected in the yard at Illinois State Prison reads, "State and Madison."

"So many of our guests are from Chicago," Warden Joseph Ragen explained. "The sign sort of makes them feel at home."

In 1858, the cable rate between Great Britain and North America was \$5 a word.

New York City's first aircooled house (it had an ice chamber in the basement) was built in the 1860's.

Washington Merry-Go-Round—Draw Pearson

Big-Wigs Visit House On R Street

WASHINGTON.— Three years ago this month, this columnist, laboring under the impression that it was the obligation of newspapers to expose grafters, war profiteers and other hambuzzers of the public, revealed certain strange things that went on in the famous "red house on R Street."

Shortly thereafter, the inmate of that house, one John Monroe, sued this columnist for \$1,000,000 with a side suit for the Washington Post for \$350,000.

The charges I brought against Monroe at first might seem unbelievable; but he was one of the most unbelievable, irrepressible lobbyists ever seen in a city where lobbyists pounce out from the potted palms of every cocktail lounge and where, today, one even occupies a confidential office next to the President.

Monroe had the gall to invite to his red house on R Street the then secretary of the Navy, Frank Knox; he invited senators and congressmen, generals and admirals. What's more, he got away with it! They accepted his invitations. He would put his feet up in a chair in the home of Adm. Ernest King, then top commander of the Navy, order a scotch, pick up the phone, and tell one of his cronies:

"I'm up at Admiral King's house. I just wanted to let you know I was working on that contract. The Navy thinks it'll be okay."

Rats for Sale
Monroe even offered to sell the entire muskrat production of Louisiana—which obviously he did not control—to a New York fur dealer if the latter would put up \$25,000 campaign expenses for Congressman Jimmy Morrison of Louisiana.

He got Congressman Compton White of Idaho along to a meeting with representatives of New York butchers which turned out to be a discussion of ways and means of black marketing in meat—a condition of which was that the butchers put up \$100,000.

Generals, admirals and congressmen flocked to his house despite the fact that shortly before the war, as this column pointed out, Monroe paid an income tax of only \$3. He had been sued 22 times for debt, was kicked out of West Point, advertised a phoney oil deal in Louisiana which lost money for a lot of poor suckers; he tried to sell munitions to the Greeks, Springfield rifles to the Dominicans, and poked his nose into every war contract where he thought he could rake-off a few hundred dollars in commissions.

Much of the above was published by this column—and later proved when the \$1,000,000 libel suit came to trial. After two weeks of testimony, the jury rendered only 30 minutes to decide Monroe was a phoney. It found for the defendant.

Big-Wigs Kept Coming
Even after that, however, senators and congressmen continued to dine at the red house on R Street, and Monroe continued to enjoy the hospitality of Admiral King's home. Not even the facts brought out in the libel suit seemed to hurt the ebullient, irrepressible, unbelievable John Monroe.

Finally, however, the law caught up with him. Monroe was caught by federal authorities for black marketing in textiles to the tune of several hundred thousand dollars. A New York judge gave him a fine of \$100,000 and two years in jail to think it over.

Capital Chaff

The man whom George Allen wants for Democratic national chairman to replace Bob Hannegan is Paul Fitzpatrick of New York—a good man but not as good as Hannegan.

Sam Rosenman, who plays cozy with brother George, is pushing the deal. . . . New York politicians are holding an important huddle today at a cocktail party given by boss-of-the-Bronx Ed Flynn, Mayor O'Dwyer, Senator Mead, Wayne Johnson and the five county leaders are putting their heads together as to who will run against Tom Dewey. Mead can't do the job if he wants it. . . . Dick Frankenstein, former United Auto official and candidate for Mayor of Detroit, applied for a Ford dealership the other day but was turned down. . . . Friends are kidding Attorney General Tom Clark of Texas about paying allegiance to two flags, despite the fact that he took an oath to defend only one. He has the Lone Star flag of Texas flying beside his desk. . . . Capt. John Delano, cousin of Franklin Delano Roosevelt and president of the American Pilots Association (marine, not air), is spearheading a drive for funds for the Merchant Marine Veterans' Foundation, to begin May 21.

Small Business Protectors
One of the most watchful guardians of small business and the public just before the war was the Justice Department's hard-hitting anti-trust division. Time after time it exposed cooperation between US big business and cartels in Germany or Japan which were delaying the American arms program. It was the anti-trust division which revealed that Standard Oil of New Jersey was in cahoots with Hitler's I. G. Farben to keep

Post-War Need Greater

With the end of the war, President Truman and Attorney General Tom Clark were determined that the anti-trust division be more alert than ever. For the period after the last war was when big business, waving the banner of "back to normalcy," entrenched itself firmer than ever.

However, they reckoned without J. Edgar Hoover, who was then chairman of the sub-committee on Justice Department appropriations. Louis and his committee whittlers got out their penknives and proceeded to whittle the anti-trust division down to a point lower than during the war.

If the appropriation stands as it is, the anti-trust probers, instead of taking on new men, will have to scuffle part of their staff.

Meanwhile, ex-Governor Harold Stassen says, we require not only a much stronger anti-trust division, but new legislation providing tax penalties on profits taken through monopoly.

NOTE—Chief whittler of anti-trust appropriations during secret committee debates was Republican Representative Dean Gillespie of Denver. Chief defender of anti-trust was Republican Karl Steffan of Nebraska. Other members of the sub-committee were: Hare, S. C., and Kerr, N. C., Democrats; and Jones, Ohio, Republican. (Copyright, 1946, by the Bell Syndicate, Inc.)

Glazed tiles, used in the United States chiefly as floor and wall coverings, are also used in Europe as an exterior finish for stoves.

New Kind Of Capitalism

By FRANK GRIMES
Herald Special Writer

It was no wild-eyed theorist or New Deal brain-truster who warned U. S. businessmen the other day that they must create a new kind of capitalism "or face the threat of economic liquidation." And the word he used was economic, not political or ideological liquidation.

He was Eric Johnston, the movie czar, and the occasion was his retirement as president of the U. S. chamber of commerce. If his four-year fight to liberalize the policies of that organization drew any loud huzzas from the membership, or produced any inkling of a revolution in American business policies, the fact was not apparent as Mr. Johnston took his leave. But there was applause for the ringing statement of his successor, Mr. William K. Jackson of Boston, that the USCC is "a phalanx of organized effort" to improve the welfare of the nation, a verbal placebo equivalent to Cal Coolidge's dry remark that a certain long-winded preacher he had just heard seemed "opposed to sin."

For himself, Mr. Johnston got down to cases,

and referred to spades as the highest suit in a bridge deck.

"We are called on," observed Mr. Johnston, "to choose between the old and the new capitalistic society. The old holds that it is a closed and perfect system of life resting on concealed and unchangeable dogmas. It is loaded down with petrified prejudices—against organized labor, against government activity, against community planning."

The new view, he went on, "which I earnestly recommend," is that "capitalism is a human institution, vibrant and evolutionary, capable constantly of adjusting itself to new conditions."

He concluded: "There is nothing eternal, nothing sacrosanct about it. Unless it justifies itself by works instead of words, it must go with the wind of change."

He might have called attention to the sad history of Lot's wife, who had a new empire of opportunity before her, but couldn't resist turning back to look over her shoulder at blazing Sodom. She turned to a pillar of salt. Business that continually looks back over its shoulder steps off a precipice into liquidation.

The Nation Today—James Marlow

Primer Explaining The Coal Strike

WASHINGTON, (AP)—Here's an ABC on the coal strike. What John L. Lewis demands and what the mine owners have offered.

When the talks started March 12, Lewis made nine written demands. After the broken-off talks were resumed April 29, Lewis shoved in a 10th demand. Five are outstanding. They are:

1. Lewis wants a health and

welfare fund for the miners. He says he wants the owners to agree to the "principle" of such a fund. The owners say they have. They made this proposal:

That they and Lewis "explore" a plan for such a fund. They the owners to raise the money by setting aside 10 cents on every ton mined. (President Truman says he thinks such a royalty payment would be illegal.)

2. Lewis wants improved safety for his miners.

The owners proposed a committee of owners and miners to study safety needs and work together to get better safety laws passed.

3. Lewis wants pay for recent holidays for his miners. After the Japanese surrender

wanted the miners to contribute. (They say Lewis wants them to put up all the money.)

They suggest that an impartial agency, like the Red Cross, run the fund if it is created.

The operators say Lewis wants President Truman wiped out a government wartime order that workers in war industries (coal was one of them) be paid time and a half if they worked on a Saturday after a holiday.

Since then there have been four major holidays: Labor Day, Thanksgiving, Christmas and New Year's. The owners say they didn't pay time and one-half to miners who worked Saturdays after those holidays because the president had cancelled the order. Lewis argues that—government order or no order—his miners had a contract with the owners calling for them to be paid.

He says the owners owe his miners \$3,000,000 for those holidays.

Although this wasn't one of his original nine written demands, he made it a 10th demand April 29th and says it must be settled before any other problem is solved.

The owners offered to let a government-appointed arbitrator give a decision on this. Lewis refused.

4. Lewis wants to unionize mine foremen.

(The owners made some proposals on this but they're too complicated to examine here.)

5. Lewis wants higher pay for his men.

He hasn't said how much higher. The owners made an offer which they explained meant they'd be willing to grant an increase of 18½ cents an hour.

Ina Bradley Made First Woman Member American Legion, Feels "Out Of Place"

For the first time since its establishment the Big Spring American Legion post has a member taken from the ranks of service women. Miss Ina Mae (Mickey) Bradley was made an official member of the post at the meeting last week.

"I was very honored to be made the initial woman member of the post, but at the same time I felt a little out of place," Miss Bradley declared.

Miss Bradley entered the service on March 28, 1944, and served for 16 months overseas as a clerk-typist in counter-intelligence. She was a member of general headquarters of the AFAC, 441st counter-intelligence company, and served in Australia, New Guinea and the Philippines.

She holds the Philippines Liberation ribbon, the Asiatic-Pacific ribbon with two bronze stars, unit citation with two oak leaf clusters, the good conduct ribbon and the Victory ribbon.

The nicest Christmas present Miss Bradley received last Christmas, she stated, was her discharge which came on Dec. 25, 1945. She arrived home just in time to be with her family for a few hours on Christmas Day. She

MISS INA MAE BRADLEY (Bradshaw Photo)

was a sergeant at the time of her release. She has resumed her duties at the Cosden Petroleum Corp.

Smith-Cockerham Ceremony Read By Rev. Moore

Mrs. Dovie Cockerham of Italy was married Thursday morning to Willard Smith in the Presbyterian church.

The single ring ceremony was read by Rev. James E. Moore.

The bride was dressed in a pink crepe frock designed with a sweetheart neckline and simple gored skirt. Her small hat was decorated with flowers in the shade of her dress, and she had a corsage of gardenias. Her other accessories were black.

The couple left immediately on a wedding trip to El Paso. Mr. and Mrs. Smith will be at home in Big Spring.

Attending the ceremony were Mrs. K. G. Stroud of Italy, Mrs. James Freeman, A. D. Webb and Jeff Wheeler.

C. C. Coffees Learn Of Son's Landing

Mr. and Mrs. C. C. Coffee received a telegram Friday evening and a telephone call Saturday morning from their son, Lt. C. Creed Coffee Jr., informing them that he had arrived in the states aboard the US General Sturges.

Lt. Coffee will proceed to San Antonio where he will receive his discharge at Fort Sam Houston. He has served with the Army engineers since June 15, 1943, training at Camp Abbot, Ore., Fort Belvoir, Va., and Camp Claybourne, La., before going overseas in November, 1944. He was sent to Ledo, India, where he participated in construction of the Ledo Road, and later in its maintenance. He was a student at the time he was called to the service. His parents expect him to arrive home within a week.

Cosden Chatter—Raymond Andrews To Participate In Atomic Bomb Tests

We received word yesterday that Cosden will be represented in the atomic bomb test by Raymond L. Andrews, a former employee, as he and his shipmates are to take part in it. Raymond has been assigned to another ship and is now on his way to China. His new address is: Raymond L. Andrews, S1-c, USS EST 828, 1st Div., c-o FPO, San Francisco, Calif.

Mr. L. F. Hughes and party is spending part of next week at our Opossum Kingdom Lake Camp near Graham.

The Cosden softball team added another winning game to their non-defeated record in the City League last Monday night and will try to add another tomorrow night in a game with Big Spring Motor Company.

Mrs. Freda Hoover has been out of the office the past week due to a tonsillectomy but is now recovering nicely.

The following refinery employees are on their vacations this week: Romy Mays, L. C. Chap 1, J. M. Jordan, E. F. Russell, Kenneth Taylor, Pedro Diaz, L. V. Morgan and L. F. Hughes.

Rube McNew, our maintenance foreman, will return to work tomorrow after spending a week vacation.

R. L. Tollett left Friday on a business trip to North Texas.

Marvin M. Miller returned Friday night by plane from Washington, where he attended a meeting of the representatives of the petroleum industry, called by the Civilian Production Administration.

Arnold Marshall received his discharge from the Army April 22, and will return to work in the pipeline department May 15.

Otto Peters, Jr. will be back in the office in the morning after taking a week of his vacation.

R. L. Tollett returned to the office Monday after spending two days in Chicago attending a meeting of the National Refiners Industry advisory committee.

Junior-Senior Banquet Given Musical Theme

COAHOMA, May 10. (Sp)—The annual Junior-Senior banquet of Coahoma high school was held tonight in the high school gymnasium.

A large bowl of red roses centered the banquet table and a music theme was featured in all other table decorations.

Place cards were miniature music lyres and the plate favors were sandy music notes.

The programs were printed on small sheets of music.

A three course meal was served by the girls of the homemaking department, followed by the program with Superintendent M. R. Turner serving as master of ceremonies.

Invocation was given by Francis Barlett, the welcome by Bobby West and the response by Tommy Clark. Music was furnished by Wayne De Vaney and Dennie Turner and the girls quartet, composed of Helen Joyce Engle, Margie Woodson, Peggy Perry and Ray Nell Hale. Patricia Turner and Betty Kidd accompanied them on the piano and bells.

Teddy Fowler read the prophecy and Loma Jean Buchanan the will. Guest speaker for the occasion was J. C. Bristowe.

Girls Entertain With Spring Formal

The Sub-Deb club entertained with its spring formal Friday evening at the Settles hotel with approximately 100 attendees.

The orchestra stand was flanked with a wall of ivy and flowers. Music was furnished by a local orchestra.

Chaperones included the sponsor, Mr. and Mrs. Willard Hendrix, Mr. and Mrs. M. A. Cook, Mrs. T. B. McGinnis, Mrs. M. E. Anderson, Mrs. Nat Shick and Lillian Shick.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is used in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy. It helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscle or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

Mother's Friend

XYZ Luncheon Held At Settles Hotel; Members Planning Party For ABC's

The regular luncheon of the XYZ club was held Thursday at the Settles hotel.

Arrangements of gladioli and roses were used in decorations. During the business session a committee was appointed to plan a party for members of the ABC. That group included Mrs. Douglas Orme, Mrs. W. N. Norred, Mrs. Harold Canning and Mrs. Ted Phillips.

High at bridge was won by Mrs. Jimmy Jennings and Mrs. W. L. Thompson made high score in 42. Mrs. W. D. Caldwell and Mrs. John Walker binged.

Guests at the meeting were Mrs. Horace Roberts and Mrs. Ross Boykin.

Members attending were Mrs. Arthur Caywood, Mrs. O. L. Nabors, Mrs. Walker Bailey, Mrs. C. O. Nalley, Mrs. O. C. Lewis, Mrs. Floyd White, Mrs. M. O. Spears, Mrs. Harvey Wooten, Mrs. W. B. Younger, Mrs. R. B. Reeder, Mrs. Pete Green, Mrs. J. O. Haygood, Mrs. J. D. Jones, Mrs. Douglas Orme.

Mrs. J. W. Campbell, Mrs. Ted Phillips, Mrs. Royce Bridwell, Mrs. Dwayne Leonard, Mrs. Norred, Mrs. Preston R. Sanders.

Homemakers Class Has Monthly Party

The Homemakers class of the First Christian church was honored Thursday at a party in the home of Mrs. N. G. Bell with Mrs. M. C. Lawrence as co-hostess.

Mrs. J. H. Stiff presided at a short business meeting. Mrs. J. E. McCoy led in prayer.

During the social hour games and contests were played. Attending were Mrs. R. J.

TRY THIS AMAZING HOME RECIPE TO TAKE OFF UGLY FAT

Right in Your Own Home, You Can Lose Pounds of Excess Weight Without Starvation Diet or Strenuous Exercise

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcontrate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active. Perhaps you are overweight due to over indulgence in food or the wrong kind of food. With the Barcontrate home recipe method, you do not have to starve yourself or go hungry. Just follow the simple instructions given on the label and you should get satisfactory results quickly. The very first pint you make up should show results. Why not slim down your figure without a lot of fuss and bother? Try the Barcontrate way. Wear your streamlined frocks and slacks gracefully. Remember, if the very first bottle of Barcontrate doesn't show you the sensible way to lose weight, your money will be refunded.

Collins Brothers and all other druggists.

What you waste looks good to me!

EVERY CRUST OF BREAD, every morsel of food is needed to fight famine in the world. 500,000,000 persons are hungry—pathetically undernourished. Millions may die of starvation. And we won't even have to go a little hungry to help feed those who need food so desperately.

3 Ways to Share a Meal and Save a Life!

- 1. Share Wheat and Fat Products**
Go light on all foods that take wheat, fats and oils. Conserve bread, macaroni, cakes, cookies, pastries and deep-fried foods. Use drippings for pan-frying. Conserve salad oil—use boiled dressings instead.
- 2. Buy and Serve More Plentiful Foods**
Balance diets with the more plentiful foods such as potatoes, fruits and vegetables, eggs, fresh poultry and fish.
- 3. Waste NO Food**
Dress up today's leftovers for tomorrow. Make every crust count, as melba toast, crumb-toppings, bread puddings and stuffings. Take no more than you can eat. Clean your plate. Turn in every drop of reusable fat to the fat salvage program.
In addition, you can help by keeping your Victory Garden producing, and by contributing to your local emergency food collections.

BY TAKING ONLY as much food as you can eat... by cleaning your plate... by using up all leftovers and throwing away nothing—we can eat well and still save as much as one-fifth of our food. Share a meal every day. Lives depend on it.

SHARE A MEAL EVERY DAY

Lease Activity Gains In Area Of Deep Test

By JOHN B. BREWER
 SAN ANTONIO, May 11.—Increased leasing in the Delaware Basin around Argo Oil Corp. No. 1 Mrs. Dora Roberts, bidding for deep production in southeastern Reeves county, drilling in the second well in the Dollar Hide (Permian) field in southwestern Andrews county and the reported showing of distillate by a deeper outpost to Midland county's discovery were among principal West Texas oil developments this week.

Argo No. 1 Roberts recovered lime and shale showing slight oil stains and gas bubbles in coring from 10,749-658 feet. It made two unsuccessful attempts to drillstem test and was likely to core ahead before trying again to test. The wildcat, deepest ever drilled in the Delaware Basin, gained the spotlight last week when it filled with oil in 14 3/4 hours on a drillstem test from 10,697-729 feet, then flowed an estimated 10 to 15 barrels of oil in one hour. Location is the C NW SE 294-13-H&GN, 13 miles northeast of Balmer.

Many of the tracts for lease within 15 miles of the prospect had been sold at prices ranging up to \$5 an acre. Largest purchase was that by McElreath and Suggs of a block of approximately 14,000 acres, centering around section 19-51-8-T&P, five miles northeast of No. 1 Roberts. It consists largely of all the land until then not leased by Mrs. H. T. Collier, 13,620 acres.

Veteran landmen compared the lease play to that following the showing by a wildcat for flush production. Some attributed it to the desire for leases anywhere there is a possibility of finding oil, to comparatively little open acreage in the West Texas Permian Basin and that the Delaware Basin is about the largest big region in which there has not been deep exploration except by Argo.

Union of California No. 2 E. P. Cowden, quarter mile north of Magnolia and Humble No. 1 Cowden, quarter mile north of Humble No. 1 Pio Crespi in Midland county, C NE NW 10-28-2-T&P, was credited with recovering 150 feet of distillate and 1,850 feet of mud cut with distillate on a drillstem test from around 11,428-478 feet. It deepened to 11,468 feet and was to drillstem test. The formation was believed in some quarters to be Devonian, entered at about 11,400 feet. Elevation is 2,702.

Location is 14 mile north and 3-4 mile west of Humble No. 1 Buchanan, opener of the Midland field, producing from the Strawn at 10,370-390 feet. No. 1 Crespi missed that pay.

Midland To Boost Rodeo By Means Of Air Tours

MIDLAND, May 11.—Midland boosters will take to the air this afternoon to advertise the twelfth annual world-championship Midland Rodeo, May 30-June 2.

Sponsored by the Midland Chamber of Commerce, two one-day airplane trips will be made to various cities of West Texas and New Mexico. George W. Glass, vice-president of the Chamber of Commerce, is general chairman of the aerodrome.

Fifteen planes already have been signed up for the trip, Glass said. Other pilots from Big Spring, Odessa and Sweetwater are expected to join the Midland flyers on their rodeo advertising tours which will cover approximately 800 miles.

Goodwill tours also will be made by bus and automobile under the sponsorship of the Midland Junior Chamber of Commerce.

The first plane trip will be made May 25, with the flyers scheduled to land at Lamesa, Lubbock, Spur, Stamford, Abilene, Sweetwater and Big Spring.

The following day, May 26, the flying boosters will visit Odessa, Monahans, Pecos, and Carlsbad, Lovington and Hobbs, New Mexico. Thirty-minutes will be spent at each stop. The first day, the flyers will lunch at Lubbock, and the second day at Pecos.

Farm Land Prices Soar Like Boom In 1920's

NEW YORK, May 11. (AP)—Farm land prices, soaring 71 percent above the 1935-1939 average, have almost duplicated the "land boom" following the First World War.

Many bankers are worried lest the debacle of the early 1920's be repeated, when the "boom" broke, farm mortgages were foreclosed and farming community banks failed.

But admittedly the American farmer's present financial situation and assurances of a governmental backstop if in financial difficulties, make his position much more favorable than in the inflation days at the end of World War I.

For the country as a whole, farm real estate values have jumped 13 percent in the last year, and 7 percent in the last four months. From the start of World War I to the inflation peak in 1920, land prices jumped 70 percent. Prices at the start of World War II were lower than in 1914, but the percentage increase this time is already 71, although actual prices are not yet at the 1920 peak.

Farm sales continued at a high level during 1945 and the number of farms resold after a limited period of ownership increased, indicating speculation.

Reasons for the "boom" include:

high prices of farm products and the government's commitment to maintain levees for two years after the official end of the war; widespread belief that parity prices, subsidies and premium payments will become a permanent policy; trend among urbanites to buy farms as a hedge against inflation and as a place to grow their food if another depression hits; and the healthy financial condition of the farmers themselves.

Only April 15, prices of farm products were 212 percent of the 1920-1921 average, and the highest since July, 1920.

Farm mortgages now are estimated at \$5,000,000,000, the lowest since 1916, when they were \$5,200,000,000. At their peak in 1923 they totalled \$10,785,000,000.

Will the "land boom and bust" of 1920 be repeated? Spokesman for the American Banker's Association said it depended upon continued effectiveness of inflation controls, but even more on "how well people remember the bitter lessons of 25 years ago."

First Car Of 1946 Wheat Is Received

FORT WORTH, May 11 (AP)—The first car of wheat for 1946 was loaded at Monday today and will reach Fort Worth Monday, according to K. K. Smith of the Kimbell Milling Co., here to whom the grain was billed.

Smith said this is the earliest car of wheat ever produced in Texas so far as he knows, most first cars having moved about May 24 or 25. The dry weather has caused the early maturity which will result in harvesting becoming general by the last of this week.

Majority Of Texans Want Price Controls Extended -- As Needed

By JOE BELDEN
Director, The Texas Poll

AUSTIN, May 11.—A majority of Texans wants price ceilings continued. Furthermore, most people in this state believe the OPA controls may be needed for a good long time to come.

Those are the results of the third postwar survey of The Texas Poll, the systematic sampling reported by eighteen newspapers to measure state public opinion. The results of the Office of Price Administration, which expires in June unless renewed by Congress, now lies in the forthcoming vote in the US Senate. Polls have been consistently showing the nation as a whole behind continued price control. Here for the first time is what Texas actually thinks about the subject.

"Do you believe ceilings on prices should be removed now, or should they be continued longer?" interviewers asked. The results:

Remove ceilings	33%
Continue ceilings	60%
No opinion	7%

The 60 percent who want price controls extended were then asked:

"How much longer do you think ceilings should be continued?"

Six months or less	6%
Seven to twelve months	11%
More than a year	12%
As long as necessary	27%
Undecided	4%
	60%

Significantly, then, more than half of those who want extension are willing to see prices regulated for longer than a year, or place no restrictions on the length of time (12 plus 27 above).

But while the majority is certainly in favor of the OPA, Texas is not nearly so enthusiastic about it as the rest of the nation. Compare the 60 per cent in this state who want price ceilings with these two recent nationwide surveys.

Gallup poll: "price ceiling law should be continued" 73%
National Opinion Research Center (University of Denver): favoring extended control "during the next year" 62%
Texas women, who do most of the family spending and should therefore be more sensitive to the

rise and fall of prices, are boosting control in larger numbers than men:

Women in favor 66%
Men in favor 57%
The veterans, younger people, and city residents—groups that feel inflation most—are especially anxious that price ceilings should not be removed. The reasons for most people's opinions in favor of the OPA are typified by these two comments:

"Control of prices is a life saver for the small salaried person"—bookkeeper in Cleburne.

"Prices is already higher than wages"—colored farm laborer near Austin.

Most of those opposed to further price control will tell you "it has never worked anyway" or "if we had no ceilings goods would become available."

This and other surveys for The Texas Poll are conducted by a statewide staff of resident inter-

viewers, trained for this particular job. For each survey, the interviewers receive a list of the types of people to be interviewed in the canvass, that is, the correct proportions of men and women, younger and older, poorer and wealthier, and so on. The people included in such a sample are thus selected as representative of the entire state. The method has been repeatedly tested against actual election results and found accurate within a few percentage points.

RELIEF CATTLE DONATED

JACKSON, Miss., May 11. (AP)—Approximately 200 head of cattle have been donated to Mississippi's ship of mercy to sail from a Mississippi port to peoples starving abroad. It was announced today at the office of Gov. Thomas L. Bailey.

Achievement Tests Given To Elementary Grades Of Schools

Administration of tests in elementary schools, with the exception of Kate Morrison and Lakeview, has been completed this week and grading is in progress.

As this is completed, Supt. W. C. Blankenship will call a head teachers meeting to plot results, making adjustments for subject differentials in grades due to gaps occasioned by the shift to the 12-grade system.

Results of the achievement tests, based on subject matter in Texas text books, will be compared with normals established by results from 10,000 tests in schools scattered about the state.

SHOOTS SELF

GEORGETOWN, May 11. (AP)—Roy "Bud" Montgomery, 30, ranch laborer, was found shot in the forehead with a .25 caliber automatic pistol early today on the steps of the First Methodist church here. A verdict of suicide was returned.

Farm And Ranch News

By WACIL McNAIR
The 4-H club field and dairy day has been set tentatively for May 16 at Coahoma, County Agent Durward Lewter has announced. Notices are being sent out to the 4-H club members with the understanding that a good rain between now and the date will automatically postpone the event. Boys will judge four classes of animals, dairy, beef, swine and sheep. Several head of dairy cattle will be brought in for placing.

The first national 4-H club to be held since 1941 will take place in Washington, D. C. June 11-18, according to James W. Potts, 4-H club specialist for the Texas A&M college extension service. The camp will be held on the campus of the American University in Washington. Adequate additional facilities, including the use of barracks adjacent to the main campus, have been made available by the Navy Dept., Potts says. Selection of boys and girls from Texas who will attend the camp will be announced later.

C. H. DeVaney, president of the Howard county Farm Bureau, sent in an order for the car-load of Johnson grass poison Saturday. Many farmers, not only from Howard but from several neighboring counties as well, joined in subscribing the car.

There has never been a better time for farmers to harvest legume and grass seed than this year, according to R. R. Lancaster, pasture specialist for the A&M college extension service, who has pointed out that prices for most seed are high and farmers can depend upon a strong demand. Not only is there a big demand for seed in this country, but also abroad, where farmers are attempting to rebuild their hay and pasture.

In addition, the PMA offers payments to farmers who grow and harvest hay and pasture seed. You can inquire about these at the local ACA office, Lancaster said.

There is a new law now in effect which concerns every milk producer in the state who sells cream or whole milk to a dairy manufacturing plant. While the state health department is charged with enforcement of all food and drug laws, the extension service is trying to help acquaint dairy farmers with the provisions, G. G. Gibson, extension dairymen, says. The requirements are not as stiff as for producers of grade A milk. They do, however, require a milking barn and a milk handling room with screened openings. A small shed-type barn with single wall construction is satisfactory. Then the law requires cooling, sanitary methods of handling the milk, and keeping healthy cows. For full details, milk producers can get information from their dairy manufacturing plants or county agents.

A Bouquet to the Mothers of America

There are no medals made for Mothers. There are no medals in any language that can adequately express the appreciation in our hearts for the tender care—the patience—the understanding—the love they give us through the years.

We join you in handing a bouquet to the Mothers of America—we are humbly grateful.
