State Capital NEWS

By Vern Sanford

Gov. Preston Smith, in an unprecedented veto action, vetoed the job of rewriting the 1973 state budget to a special legislative session next year.

Smith took the axe to \$3.1 billion in state spending which he found "unnecessary and unwarrented" for the second half of the biennium. He announced his decision on a statewide television program, and said that he will submit to the lawmakers, before September 19, and new 1973 budget proposal which will require no new taxes.

Smith made it clear that a 72 special session is inevitable, anyway, because the legislature did not appropriate state funds for the second year.

Governor's action may accomplish the following regarding whether a new tax bill will be avoided next year (Texas Research League estimates a 74 million biennial tax bill will be required in the 1972 special session);

Legislators will have to take over second look at spending items in an election year when many are faced with general election contests.

Fact that little additional federal aid is available for welfare spending, in spite of predictions by Smith, Lt. Gov. Barnes and others, will be partially obscured, since the special session will not be called to welfare alone but opened to the entire area of government spending for 1973.

Smith declined to reveal his political plans but left hanging the prospect of a third term race.

Governor claims the public response has been almost 100% favorable to his historic veto.

Deputy Governor and House Speaker Gus Mutscher pledged cooperation.

COURTS SPEAK

State Supreme Court, in a four-to-four decision, held that an insurance company can't fight its policyholders in suits against uninsured motorists except in unusual situations.

A man fired by an oil company for not getting enough business in the Beaumont area was granted a new trial through a Supreme Court order.

High Court upheld the court order at law finding that an Antonio woman could collect damages from the City of San Antonio for condemnation of her land and for damage to property due to erosion.

Supreme Court heard arguments in the Braniff and Texas International Airways effort to round the new Southwest Airlines (Dallas, Houston, San Antonio routes).

Court of Criminal Appeals reversed the death penalty of a man convicted of a 1967 wife murder of a Baylor University coed and ordered a new trial.

OPINIONS -- Texas Water Quality Board may contract for the state with the federal government for federal grants or loans under the federal water pollution control act--subject to a 60-day limitation and the governor's approval -- Atty. Gen. Crawford C. Martin has said.

In other recent opinions, Martin concluded that:

* El Paso can contract with the Council of Governments for recreation area partly within city limits, partly in the county and partly in Dona Ana county, New Mexico.

* National Guard Army has authority to determine the lowest and best bid for best interest of the state.

* Army construction which involves unknown factors on a bid, price and congressional factors.

* Concentrated Employment project federal funds are not subject to auditing procedures applicable to county funds.

* A city fireman, on returning from military leave, is en-

titled to credit for the time spent in service, in figuring city payroll longevity.

* Where the legislature has made specific lump sum appropriations, for hourly wages, the head of a state agency to whom an appropriation is made has the discretion to fix the hourly rate of pay.

APPOINTMENTS

James L. Lindsey of College Station, longtime newspaperman in Midland, San Angelo was named by Governor Smith to succeed Dr. Elmer Baum of Austin on the State Banking Board.

Smith also recently named: Emory Walton of Eastland--criminal district attorney for the county;

Dr. Hampton C. Robinson of Houston (reappointment) -- State Board of Health;

J. R. Owen of Taylor -- 26th district attorney;

Harold Boyd Harvey of Lubbock -- Industrial Accident Board.

Governor also named a 41-member Texas Film Commission.

District Judge Tom Davis of Vernon and Earl E. F. Dally of Houston have been appointed commissioners for the Court of Criminal Appeals.

Attorney General Martin is the new president of the National Association of Attorneys General.

CITIES COLLECT \$35.5 MILLION - Texas cities which levy a one percent local option sales tax received nearly \$35.5 million from January-March collections on sales within their boundaries.

Collection for the first quarter of 1971 compared with \$39.6 million for the final quarter of 1970 and \$36.5 million for the third quarter of 1970.

More than 400 cities levy local option sales tax.

Money goes to the state comptroller and is handed back to cities of origin. During the quarter ending March 31, the state retained \$719,756 as its service fee.

INSURANCE RATE HIKE ASKED AGAIN

Auto insurance companies were expected to request rate increases of more than 25% at a hearing before the State Insurance Board June 30.

Companies six months ago were granted a 14% increase, but were far from happy and insisted on more. They wanted a 27% boost.

They want to purchase deductible liability insurance if they are willing to assume the risk of the first \$250 damage their car may do to property. Another new act gives the State Insurance Board direction to promulgate rules of cancellation and non-renewal of policies.

SIX CITIES WIN CITATION

Six Texas cities received plaques as winners of government's community achievement awards.

Cities were Victoria, Trinity, Mansfield, Taylor, Lamesa and Grand Prairie Awards went for efforts to improve the quality of living.

PARKS APPROVED - A \$558,600 project for Lake Arrowhead State Park near Wichita Falls has been approved, with state and federal agencies splitting the cost.

Two park projects totalling \$510,400 were approved for Dallas; as were a \$274,613 land acquisition for Denton park; a \$75,200 park land purchase in Pasadena and a \$51,200 new park purchase in Terrell.

SHORT SNORTS

Construction of a million dollars worth of new ward buildings has been started at Rusk State Hospital.

After September 1, Texas Department of Public Safety law officer recruits must have a semester's college training or agree to get it within two years after enlistment.

Texas Parent-Teachers Association board of managers went on record as opposing busing to achieve school racial balance.

TDPS To Drive Carefully July 4th

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today estimated that traffic accidents over the long July 4th holiday weekend will claim 48 lives in the Lone Star State.

In addition, Speir said it appears that between 6 p.m. Friday, July 2 and midnight Monday, July 5--the official holiday weekend--these same collisions could result in hundreds, perhaps a thousand or more injuries, and a monetary loss running into the millions of dollars.

The DPS director, in a special appeal, said, "We urge Texans to reduce the toll by obeying the laws of safety, driving defensively, avoiding fatigue while driving, and, above all, by not drinking while driving. The ultimate solution to lessening the toll obviously lies in the hands of each driver."

Speir said as many DPS patrolmen would be on duty as possible, including some from uniformed services other than the Highway Patrol. He noted that many local law enforcement agencies will place similar special emphasis during the holiday period.

The Department of Public Safety will also conduct its "Operation Motorcade" program during the holiday which, in cooperation with local police agencies and the news media of Texas, attempts to focus public attention on accident hazards through the rapid compilation and release of information on fatal traffic mishaps during the period.

"We are hopeful," Speir said, "that all street and highway users will make the slogan 'Drive Friendly' a reality during the July 4th weekend."

McLean Fire Dept. Fight Grass Fire

Units of the McLean Fire Department extinguished a grass fire Sunday about 7 p.m. The fire was west of McLean near the Lake McClellan turn-off, on the south side of the highway, according to Fire Chief Jim McDonald.

Co. Commissioners Have Two Meetings This Week

The Gray County Commissioners' Court met Monday, June 28, at the County Courthouse in Pampa. Business included consideration of awarding a construction contract to Perry Lefors Airport and discussion of the Texas Panhandle Community Action Corporation by F. C. Banda and Mrs. Mary Dwyer.

The Gray County Commissioners' Court met at 10 a.m. today in the Pampa Courthouse. Included on the agenda were:

- (1) convene as Board of Equalization and approve an order directing the County Clerk to notify taxpayers whose properties are raised, (2) discuss Welfare Officer's report recommending discontinuance of a monthly grant, (3) report from the Airport Board on airport operations by Ralph Prock, chairman, and discuss renting an additional radar unit for the Department of Public Safety.

Historical Society Have Meeting

By Mrs. Luther Petty

The Alanreed-McLean Historical Society met Sunday at the McLean Church of Christ. President John C. Haynes presided over the meeting, and singing was led by George Saunders.

David Fultz, Church of Christ minister, showed slides he took during his trip to Africa. Milton Carpenter read data of the McLean church's history from the time it was organized on First Street in 1904. The Church of Christ is presently located on Fourth Street.

1971 Lion Officers Installed By Jack R. Riley

New officers and directors were installed and awards were presented at the annual Lions Club Ladies' Night supper Monday night.

Jack R. Riley, Governor of District 2-T-1, was presented two key membership awards for recruiting new members. He also received a watch from the local club for his service throughout the year.

Jenny Haynes, Lions Club Sweetheart for the 1971-'72 year, was introduced to members.

Riley gave a short talk, and entertainment was furnished by Gay Simpson, who sang and played the guitar.

Officers and directors for the coming year, installed by Riley, are: Jim Hathaway, president; Ted Simmons, first vice-president; Guy Hester, second vice-president; W. A. Bentley, third vice-president; Casper Smith, secretary; Carey Don Smith, treasurer; Russ Caldwell, Lion tamer; and Rev. Bob Brown, S. A. Cousins, and Tony Smitherman, new directors.

Mike Haynes Is Employed By McLean News

Mike Haynes, son of Mr. and Mrs. John M. Haynes, has been working for the McLean News the past two weeks. He will spend most of the summer as a part-time reporter and editor. Mike is a journalism major at Texas Tech University.

Postmaster Invites Area Residents To Visit Postoffice

The inauguration of the new United States Postal Service today will be celebrated in Washington, D.C., and in every post office across the country. Postmaster Frank Simpson announced that all members of the community are invited to visit the McLean Post Office.

Visitors to the post office will be given a souvenir envelope imprinted with the new and the old insignia of the Postal Service, one to each visitor. Also, this envelope (two-cent value) will be given to each purchaser of the new eight-cent stamp. The envelope may be stamped with the first-day cancellation.

Four full-color posters depicting commemorative stamps are being displayed at the McLean Post Office. Order forms for these beautiful 30 x 40 inch posters may be picked up at the post office.

The posters show U. S. stamps picturing history, transportation, environment, and space. Some of the stamps included are a Davy Crockett stamp, an Apollo II stamp, and a 1928 stamp showing George Washington at Valley Forge.

The mail system is undergoing a gradual change in operation, and though there will be no great immediate change, Postmaster General Winston Blount says he expects much improvement in the next five years. The new system is called the U. S. Postal Service, replacing the old name, the U. S. Post Office Department.

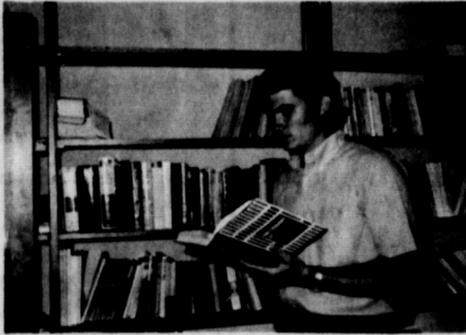

Local Lions Attend Convention

McLean was represented at the Lions Club International Convention in Las Vegas, Nevada, last week by Mr. and Mrs. Ted Simmons and family and Mr. and Mrs. Jack R. Riley and daughter, Stephanie.

Riley is finishing his term as Governor of District 2-T-1 of the Texas Lions. His successor for the 1971-'72 year is Floyd Sackett of Pampa.

Next year's International convention will be in Mexico City.

Visitors in the E. M. Bailey home last week were Debbie and Ronnie Stringfellow of Oklahoma City.

DON TURNER BAPTIST YOUTH DIRECTOR
Photo By Mike Haynes

Don Turner Is Baptist Summer Youth Director

Don Turner, 1967 graduate of Pampa High School and 1971 graduate of Baylor University, is the summer youth director of the First Baptist Church in McLean.

Turner has been in McLean two weeks and will lead youth activities at the church for the remainder of the summer. In addition to many other duties, Turner will direct a youth choir and accompany groups of young people to the Pan Fork Baptist camp in July.

Turner graduated from Baylor in May with a B.A. degree in journalism. He was editor of the Baylor newspaper, the "Baylor Lariat" and has worked for the Pampa Daily News two summers.

He said he entered journalism because he is very interested in the problems of today's world, and he thinks everyone should be aware of what is happening. However, he had decided that Christ is the answer to all the ills of society and consequently he is channeling his efforts to the religious field.

Turner will study at Baylor this fall and will go to seminary next spring.

Baptist Youth Leave Today For Ft. Worth

Twenty-seven McLean young people and six adult sponsors left at 4 a.m. today to attend the Baptist Youth Evangelism Conference in Fort Worth.

About 14,000 young people from churches throughout Texas are expected to be present at the two-day conference to hear messages by Christian celebrities, ministers, and other young people in Fort Worth's Tarrant County Convention Center.

Among the speakers will be Terry Bradshaw, the Pittsburgh Steeler quarterback who spoke at the Hereford Encounter '71 meeting last week, and Bill Glass, former defensive end for the Cleveland Browns, who has traveled with Billy Graham.

The McLean group will visit Six Flags Over Texas amusement park today before attending tonight's opening session of the conference.

The conference will be in progress all day Friday, and the McLean delegation will return Saturday morning. They will stay at the Landmark Motel in Fort Worth.

The Youth also will participate in a spiritual "blitz," singing and telling about Christ in the downtown area, the zoo, shopping centers, and local church areas. A committee of Fort Worth ministers is making preparations for the "blitz."

The local youth raised money for the trip by washing cars the past two weekends. They were only \$14 short of the necessary amount, the rest being collected from those going to the conference.

Top 15 On Ladder Tournament Are Listed

The McLean Golf Association's ladder tournament continued this week, and there were some changes on the ladder. The tournament will run until October 1, so golfers on the lower part of the ladder should not wait too long to make their move!

Anyone wishing to be added to the ladder should contact Buck Lee, McLean Golf Association president, or E. J. Windom, Jr., tournament chairman.

The top fifteen golfers on the ladder as of June 30 (in this order) are:

1. Alvin Danner
2. E. J. Windom, Jr.
3. Terry Hugg
4. Sam Haynes

15. John McCall

George Saunders Attends LCC Board Meeting

George Saunders, of McLean, a member of the Lubbock Christian College Board of Trustees, participated in the quarterly meeting at Lubbock Christian College, Saturday June 26, 1971.

The morning and afternoon sessions were separated by a ranch style, chuck wagon bar-b-que at the LCC Hancock Farms north of Lubbock. Guy Goen, board member for Spur, brought his rubber tired chuck wagon and crew over from the ranch and cooked beef, beans and cobbler.

During the business sessions the board heard reports from Jim Ravaneli, Director of Development, and Dr. John Hay, Sr., Vice-President for trusts and bequests. The major discussions were concerned with the expansion of campus dormitories and apartment type student housing and the possible construction of a new and larger trailer park.

Mrs. Oba Kunkel of McLean and Mr. and Mrs. Jerry Kunkel of Lubbock attended the funeral of Mr. Charles Upton Tuesday in Kenia, Okla. Mr. Upton was the father of Mrs. Oba Kunkel's son-in-law.

Elmer Day was admitted to the hospital in Amarillo Wednesday for observation.

Sales Tax Goes Up One Cent Today

Remember when the price of a fifteen-cent Coke rose to sixteen cents as a result of new sales tax rates? Well, that wasn't the end of it, as another raise in the sales tax which goes in effect today will make a ten-cent candy bar cost eleven cents.

Any sale from ten cents through 29 cents now necessitates a one-cent tax. A sale from 30 cents through 49 cents takes a two-cent tax; 50 through 69 cents, a three cent tax; 70 through 89 cents, a four-cent tax; and 90 cents through \$1.09, a five cent tax.

One per cent of the new five per cent rate is the city sales tax which McLean voters approved in December, 1969. In the four quarters since the city sales tax has been in effect, McLean has received over \$10,000 in revenue from that source.

For the second 1970 quarter (the first period after the city tax went into effect) McLean received \$2341.46. For the third 1970 quarter, \$3271.42 flowed into the city, \$2300.36 was collected in the fourth 1970 quarter, and for the first 1971 quarter, \$2568.69 was received. That check arrived from the state last week.

LCC To Have Music Camp

Lubbock Christian College's annual Music Camp will be held July 18-30 on the LCC campus for high school and junior high students 12 or over.

The "Music Campers" live in the dorms, eat in the college cafeteria and snack bar, and utilize all college facilities during the two week period of study and fun.

The studies offered are: Song direction, band, chorus, drum majoring, theory and sight-singing, vocal quartets and sextets, sectional rehearsals, stage band and Bible.

Recreation will consist of a variety show, movies, all-day picnic, swimming, softball, volleyball, skating, and miniature golf.

The LCC bus will round up students at Houston, Dallas, Fort Worth, Abilene and towns in between.

The Music Camp staff are talented and have years of experience in their respective fields. They are: B. Wayne Hinds, LCC Music Department head; Dr. Everett Maxwell; Charles Cox, Eddie Chance, Tex Stephens and Horace Coffman.

Time is growing short, so contact Wayne Hinds at LCC for additional information on this fun time with music-music-music!

Cheerleading Clinic Has Maximum Load

With the addition of cheerleaders from Sunray and Boys Ranch, Texas, the Panhandle State College National Cheerleaders Clinic has been filled and closed to other groups wanting to attend.

Forty-nine high schools, totaling 251 high school cheerleaders, make up those represented. College cheerleaders and Pom Pom girls from Panhandle State College will act as counselors during the clinic.

Registration will start on Monday, July 5th, at the Hughes-Strong Auditorium and the first orientation session will be held 7:30 p.m. Introduction will be made at this time and rules and regulations will be read.

The clinic will run all day Tuesday, Wednesday, and Thursday and will dismiss after lunch on Friday. The morning sessions are divided into Pom Pom routines, Tumbling and Mass Cheers. The afternoon sessions include lectures, workshops, and competition.

High Schools attending include 17 from Texas, 13 from Oklahoma, 12 from Kansas, 5 from Colorado, and 2 from New Mexico. Those from Texas are Follett, Spearman, Stratford, Gruver, Texline, Hartley, Channing, Panhandle, McLean, Darrouzett, Stinnett, Higgins, Phillips, Lefors, Claude, Boys Ranch, Sunray.

Visitors in the E. M. Bailey home Sunday were their daughter Ter Denise of Amarillo and Lynn Ramsey of Manning, Iowa. Ramsey was formerly stationed in McLean with the Air Force train, and is now on leave before reporting for duty in Vietnam.

Ray Dwyer, son of Mrs. Mary Dwyer, has been home for a two-week visit. He is in the National Guard and is stationed at Fort Polk, Louisiana, where he works in diesel mechanics.

Visiting Mr. and Mrs. J. E. Moore this week are Mrs. Johnny Fogo and son Kirby, of Fontana, Calif., and Mrs. Ellen Williams of Augusta, Kansas.

CRADLE ROLL CALL

Mr. and Mrs. Joel Lynch of Phillips are the parents of a 8 lb. boy, Cory Wayne, born June 23 in Borger. Cory has a sister Darla and a brother Kyle.

TAX SAM SEZ:

In a few days our Nation will celebrate its birthday. There are a lot of folks who say that the country has already fallen apart. There are some more who feel that things are coming apart, or else the air, water, people, or some other kind of pollution, will do us in within a few years. We don't want to argue one way or the other with any of these good folks, but there are a lot of solid dedicated Americans left in this country. The Internal Revenue Service for many years has stayed in business because there are enough of the good solid Americans left who are willing to work hard enough and earn enough money to pay about two hundred billion dollars in Federal taxes each year. IRS is an efficient tax collection outfit primarily due to the good solid Americans paying 97% of this two hundred billion dollars voluntarily.

Hot dry weather with South-west winds are taking us back to the severe drought conditions we were experiencing six weeks ago. In most cases farmers have been able to get stands of cotton and feed. Most don't feel very optimistic about crop prospects because sub-soil moisture is so scant.

Last week I talked with a most influential individual about things the Government could do to assist. This individual has substantial banking, farming, ranching and feedlot interest. He said if this drought continues that it would not only break all the farmers and ranchers but it would also break many small banks as well. He proposed that we go back to last years Government program and permit a full percent diversion. This would substantially increase government assistance to the farmers and the smaller banks. I agreed this would be of tremendous help but I told him he would never get it sold this year. This individual has been most influential in obtaining several big breaks in the government program. One of these has been the matter of obtaining a release of all diverted acres on CAP and set-aside acres. These have been released throughout the 1971 growing season on both dryland and irrigated acres for grazing and haying. Meanwhile the severity of the drought increases day by day. So far, there hasn't been any massive sell off of breeding herds. Prices have held good in face of the drought situation. One reason for this is the lush condition of grass in States to the north of us. The drought is confined pretty well to the western half of Texas and New Mexico.

ALFALFA
It is much harder to produce a high tonnage of alfalfa in dry weather. Price probably off sets a lot of the lower tonnage. A tremendous demand for alfalfa for our custom feedlots has been generated with the increasing number of new feedlots the last four or five years. A few farmers in the Pampa vicinity are selling light weight baled alfalfa at \$1.25 per bale in the field. After they put it in a hay shed it goes to \$1.50. This means the hay is bringing from \$40.00 to \$45.00 in the field. Good alfalfa off a truck in the Pampa area costs over \$50.00 delivered. This means it is costing as much as Milo. We now have over a million, six hundred thousand head of cattle on feed in Texas. Ninety percent of these are within a 125 mile radius of Amarillo. Whether the drought continues or not - I see nothing but high priced alfalfa hay for years to come in the Panhandle. If you have suitable land for alfalfa I would not hesitate to advise you to produce alfalfa for a money crop.

Meeting Daily Milk Requirements
Do I have to drink milk? That's an often repeated question, says Frances Reasonover, Extension foods and nutrition specialist at Texas A&M University.
Drinking milk isn't the only way to meet the daily milk requirement, Miss Reasonover points out. Children and pregnant women, who need 3 or more cups of milk a day, and teens and nursing mothers, who need 4 or more cups daily, probably must consume a large part of the milk as a beverage, but they don't have to drink all of it.
Several milk products and other foods supply about as much calcium as one cup fresh whole milk or one cup milk made from nonfat dry milk. These include 1 cup custard; 1 cup pudding made from milk

Three men were driving through the countryside very late on a pitch black night. Two were in the front seat and the other in the back, half asleep. Suddenly the driver asked the man in the back to look out the rear window and see who the crazy driver was behind them. For the past five minutes he had been trying to let him pass and, to top it off, his car had only one light on. The man looked out the back and then said very excitedly: "No wonder he can't pass you--he's on tracks!"

Weekly Food Market Report

Follow these food marketing tips this week to stretch your food dollar, suggests Gwendolyn Clyatt, Extension consumer marketing specialist.
Look for specials on a number of beef cuts. Increased warm-weather demands for sirloin, T-bone and rib steaks should make the featured values more attractive. Rib roast, to be prepared on the rotisserie or cut into steaks for grilling, may be featured in some markets. Other economical choices are round steaks and roasts, and beef and calf liver.

Pork values include hams, picnics, shoulder roasts and steaks and end cut loin roasts and chops.
Fryers remain the number-one bargain in most retail meat departments. Egg production continues to be high and prices are about the same as a week ago. Retail prices on large Grade A eggs are still very low, making them the best value by weight.

An assortment of milk products are now being spotlighted in the dairy section, including sour cream, margarine, whipping cream and a variety of cheeses.
In the vegetable section, cucumber and pepper supplies are increasing and prices should be a bit lower soon. Potato prices are about the same, while lettuce prices have declined slightly as supplies increase. Cabbage is one of the better green vegetables from the standpoint of nutritional value and cost. Fresh corn, beans, summer squash, green onions, cooking greens, radishes and yellow onions are also worthy of consideration.

In the fruit market, first-of-the-season peaches are making their appearance at relatively high prices, as this year's crop is reported to be in short supply. Cantaloupe is in good supply with prices moderate. Other economical selections at most produce counters include pineapple honeydew melons, watermelons, lemons, cherries, apricots, plums, bananas, avocados, grapes, and strawberries.
and cornstarch; 1 cup oyster stew; 1 1/3 cups canned cream soup prepared with an equal volume of milk; 1/3 of a 14-inch pizza with cheese topping; 3/4 cup homemade macaroni and cheese; and 1 milk shake made with 3/4 cup milk and 1/2 cup ice cream.
Or, you may add nonfat dry milk to other foods. For example, "eat" part of your daily milk need in meat loaf, Miss Reasonover suggests.

Ginger ale was originated by chemists to use as a substitute for ginger beer for British troops in India.

R. T. Wood was admitted to McLean Hospital Sunday.

Derby Town Tops Have Meeting

The Derby Town Tops Club met for their regular weekly meeting in the Fire Hall building on Monday at 6:30 p.m. Mary Lowery weighed in the members and recorded the weight chart with Gladys Smith assisting her, as the leader and co-leader were absent at the time of the weighing.

Deloris Bailey, treasurer called the roll with members answering with their weight loss or gain and collected the dues and penalties. The members had a 15 lb. weight loss for the past week. Deloris Bailey is the weekly queen with a 3 lb. weight loss and she took home the Fruit Basket.

Plans were made for the club members to have a Swimming Party once a week as a part of their exercises. The time will be set at a later date.

Present for the meeting were Deloris Bailey, Pearl Dickinson, Nola Crisp, Lucille Cullison, Louise Clawson, Mary Lowery, Viola Glass, Mary Lou Glass, Gladys Smith, Wanda Lamb, Mary Terry, Marilyn Mounce, Muriel Moore and one visitor, Pat Lee, Muriel's daughter. The club welcomes any new members.

AGRICULTURAL BRIEFS

REAL ESTATE VALUES UP
Advances in real estate values made up 79% of 1970's gain in farm and ranch assets in Texas, says Charles K. Baker, Extension marketing economist. Farm and ranch assets in Texas reached \$29.2 billion on January 1, 1971. Most of the remaining gain was attributed to higher values for livestock and poultry inventories and machinery and motor vehicles.

THE SCREWORM SITUATION

Texas livestock producers recorded nine screwworm cases during the two week period of May 30-June 12, compared to six cases reported during the corresponding period a year earlier. Larvae samples submitted for identification at the Mission Lab have been declining in recent weeks, and this is causing concern for program officials. Livestock producers are urged to submit samples of suspected worm cases for positive identification.

USE THAT HAY CONDITIONER

Use your hay conditioner on large stemmed hay plants at the time of cutting or as soon afterwards as possible, advise Extension specialists. This will insure that the walls of the stem will be cracked open for better drying that will contribute to harvesting high quality hay.

July Plentiful Foods Program Features Turkey

Shades of red, white, and blue! July is almost here and what better way to greet Independence Day than with a sampling of America's plentiful foods.

Turkeys top the U. S. Department of Agriculture's July plentiful foods list, so why not try some outdoor barbecuing ideas with this all-American bird, says the Texas Agricultural Extension Service.

The monthly plentiful foods list, compiled by USDA commodity specialists from fact finding sources in government and food industries, also includes eggs, fresh plums, watermelons, fresh vegetables (tomatoes, cucumbers, sweet corn, cabbage, celery and carrots in particular), rice, frozen and fresh salmon, and cranberry juice and sauce.

Turkey marketings and cold storage holdings exceed those of a year ago, and egg production is continuing in an upward trend, so July supplies of both products should be abundant and consumers may look for attractive prices.

Supplies of fresh plums and fresh vegetables will increase seasonally during July, and drought conditions delaying early harvesting in some sections will result in a heavy volume of watermelons from the southeast and south central states.

Ample stocks of rice, cranberry juice, cranberry sauce, and frozen and fresh salmon will assure plentiful supplies in July.

HOURS AND YEARS

"Grow old along with me . . . the best is yet to be," the sundial seems to say. It's a nice thought—but is it true?
What is best in life? Childhood? Adolescence? The Middle Years? The peace that should come with the twilight of life? Who is to say?
Life is full of many questions and very few answers. The hours bring with them unexpected contrasts of happiness and sorrow—of assurance and dismay—of wealth and poverty, both spiritual and material.
Because of this very uncertainty, we need something far more stable than a sundial to "grow old along with." We need substance, endurance, solidity. We need faith.
Where to find it? How about looking, first, in the church of your choice? Next Sunday?

Couple Married In McLean Make Home In Fort Worth

S/Sgt. and Mrs. Frederick Dean Hergenrother are at home in Fort Worth following a wedding trip to Gardena, California, and other points of interest.

Mrs. Hergenrother, the former Martina Gayle Giesler, is the daughter of Mr. and Mrs. L. F. Giesler. Mr. and Mrs. Dean Hergenrother of Gardena, California are the parents of the groom.

Officiating in the double-ring ceremony solemnized recently in the First Baptist Church was the Rev. Lee Eudy, Baptist minister.

Mrs. Jim Adams served her sister as matron of honor and Miss Pamela Jean Burnett was bridesmaid.

Lt. Roger Zody was best man and Richard Singlary was groomsmen.

Ushers were Ray Dilbeck of Lubbock, brother of the bride and Jim Adams, brother-in-law of the bride.

Reception guests were received in the home of the bride's parents.

The bride is a Biology English Major graduate of West Texas State University and the bridegroom is serving in the United States Air Force.

Baptist S. S. Class Have Monthly Social

By Lucille Cullison, reporter
The Mary Martha Sunday School Class of the First Baptist Church met for their monthly Social on Friday at 7 p.m. in the home of Mrs. Essie Burrows, as the hostess and Mrs. Gladys Smith was co-hostess.

The Social began with a prayer by Loree Barker.

Helen Ramsey, class president gave the Devotional from Ephesians, 4:4-13 verses. The Key verse in the devotional was verse 11, which in quotes is, "and he gave some apostles; and some prophets; and some evangelists; and some pastors and teachers;" our pastors are a gift from God and they need our support and prayers.

Helen led the class business session, class members voted to keep Mrs. Margaret Chapman as their teachers from another year and Mrs. Mary Howard as assistant teacher and Lilly Mae Williams as co-assistant teacher. A committee of three members was elected to elect new class officers for the coming year. There was a review of the class projects for the past year.

the interesting games. They were a Bible Guessing game and a game about our American Flag and other flags and was based on the 4th of July theme. The games were enjoyed by all.

Delicious refreshments of Cherry cream pie, pink lemonade and coffee were served to Mesdames Bea Lester, Loree Barker, Helen Ramsey, Mary Howard, Pauline Miller, Lucille Cullison, Pearl Dickinson, Mildred Day, Elizabeth Kunkel, Clara Maude Hupp, Velma Willis, Jessie Watson, Lilly Mae Williams and two visitors, Carol Ann Eudy and little Miss Tanna Eline Howard, (Mary Howard's granddaughter) and the hostess Essie Burrows and Gladys Smith.

A good time was had by all. Mr. and Mrs. Wm. B. Layne and family are visiting relatives in Houston after visiting in Arkansas last week.

Lions Club District Governor Jack R. Riley and family were in Corpus Christi recently to attend the state Lions convention.

Mrs. Odessa Carver, sister of Mrs. Roy McCracken of McLean, died Sunday, June 27, in Lubbock. Funeral services were held in Lubbock Tuesday.

SALES AND SHIPMENTS

Cattle and calves marketed through Texas auctions during May numbered 645,000 head, 14 percent above a year ago and three percent above the previous month, according to the

Texas Crop and Livestock Reporting Service. During April 24-May 23, health certificates as tabulated by the Texas Animal Health commission show that 101,804 cattle and calves were shipped from other states to Texas.

Moliere said: "It is not what we do not do, for which only what we do, but also we are accountable."

Cullison Family Reunion Held

By Lucille Cullison
The W. R. Cullison's recently had a reunion. It all began on June 1st when Mr. and Mrs. George Bingham of Gardena, California visited in the home of her brother and family, Mr. and Mrs. W. R. Cullison and son Roy Jr. While here, the Cullisons and Bingham's visited with Mr. Cullison's daughters and families. They were Mr. and Mrs. Dean Cluck, Monta and Teresa of Gruver and with Mr. and Mrs. Everett Green and daughter, Wanda Sue and Mrs. Jo Ann Vernon and granddaughters, Shannon and Tonja of Spearman. The Cullisons and Bingham's then went to Bartlesville, Okla., to visit in the home of Mr. Cullison's brother and family, Mr. and Mrs. Homer Cullison and son Phillip.

On June 8, the Cullison families attended the "Cullison Family Reunion", in the home of Mr. Cullison's sister, Mrs. Lizzie Walker of Wann, Okla., which is near Mr. Cullison's birthplace. Other sisters attending the reunion, were Mrs. George Bingham of Gardena California and Mrs. Alice Serviss of Kansas City, Kansas, whom Mr. Cullison had not seen in 17 years, one brother and family attended the reunion. They were Mr. and Mrs. Homer Cullison and son Phillip of Bartlesville, Okla., others attending were, Mr. and Mrs. Robert Cullison and children, Jeri, Bobby and Christopher of Tulsa, Okla., Mr. and Mrs. Jimmie Cullison and Stephanie, Mr. and Mrs. Gene Vaden and children, David, Jan and Robin, Mr. and Mrs. Stephen J. Cullison and children, Susan and Gerald all of Bartlesville, Okla., Mr. and Mrs. Robert Walker of Caney, Kansas and Mr. and Mrs. Wayne Snelson and daughters of New Orleans, Louisiana. Delicious food was served including "Old time Home-made light bread" and a good time was had by all present. It was a joy to Mr. Cullison to see his relatives, some of whom he had not seen in years and also a joy to Mrs. Cullison to meet the folks she had not met before. The Cullison's enjoyed visiting Mr. Cullison's boyhood home places and other places of interest and history which brought back many memories to Mr. Cullison.

he only other brother and sister unable to attend the reunion were, Mr. and Mrs. Frank Cullison of Palmdale, Calif., and Mr. and Mrs. D. D. Hamilton of Kilgore.

Visiting in the E. M. Bailey home over the weekend was their nephew Jerry Branson, of Oklahoma City and his friends, David and Shirley Hall, also of Oklahoma City.
