State Capital NEWS

Organized labor leaders of Texas have set as political priorities for 1972 the defeat of President Nixon and support of former U.S. Senator Ralph Yarborough for any office he seeks.

AFL-CIO State President Roy R. Evans announced the goals were adopted by his organization's executive board and the COPE administrative committee in a recent meeting here.

It is "quite possible" the AFL-CIO will make no endorsements in next year's governor's race unless Yarborough is a candidate. He noted a two-thirds majority of delegate strength is necessary for endorsement in a COPE convention.

Lt. Gov. Ben Barnes and Dolph Briscoe of Uvalde are announced gubernatorial candidates. Evans listed the lieutenant governor's race as the No. 3 priority of labor; the House Speaker's race No. 4 and congressional, state Senate and House contests No. 5.

He unveiled a voter registration goal of six million by the 1972 general election.

In a September poll of AFL-CIO convention delegates, Evans reported 201 felt Yarborough should run for the U.S. Senate, while 120 preferred that he run for governor and 26 for neither office.

He said 298 labor delegates would prefer Yarborough to 33 for Barnes in a governor's race between the two, while 294 would pick Yarborough to 47 for Briscoe.

The labor delegates like Sen. Hubert Humphrey for president, giving him 313 straw votes to two for Alabama Gov. George Wallace and none for President Richard Nixon. A random poll of rank and file union members showed 87 for Humphrey to 51 for Wallace and 38 for Nixon.

AFL-CIO convention delegates gave Yarborough 350 votes for senator to three for Sen. John Tower, and the former senator 316 to 13 over Democratic senatorial hopeful Harold (Barfoot) Sanders of Dallas in the poll.

FEED LOT SHUT DOWN

Texas Water Quality Board ordered feeding operation near San Marcos shut down when it found a "constant threat of pollution" to underground water in the Edwards Aquifer.

The Edwards Aquifer is a major source of water for a large area of South Central Texas.

Attorneys for the feedlot, Hill Country Feeders, said the decision will be appealed to state district court.

SCHOOL FOOD PROGRAM CURBED

A free breakfast program for school children faces insufficient funding, a Texas Education Agency spokesman reports.

TEA has been unable to add schools to the breakfast program this year due to lack of money. About 115 schools have had to be turned down. School participating last year increased from 298 in September to 474 in May. Schools receive 15 cents per breakfast or the cost of each meal, whichever is less, through U.S. Department of Agriculture allocations.

DRAFT CALL SET

The Texas draft call for the rest of 1971 is 588 men, State Selective Service Director Col. Melvin N. Glantz announced.

None will be ordered for induction in October, 363 in November and 195 in December. All are from extended first priority groups.

Glantz said the RSN cut-off for 1971 would be 125 for men in the first priority group.

Orders for induction for the call were mailed by local boards throughout Texas, with 30 days notice required in all cases.

Mrs. Luther Petty joined by Mrs. Nora Loveland and Mr. and Mrs. Milton Billingsley drove from Dallas to Fort Worth Saturday to see Mr. and Mrs. Horace M. Petty.

Mr. Petty is a brother-in-law of Mrs. Luther Petty and is seriously ill in a hospital there.

Church Of Christ Collect Clothing For The Needy

Even in our land of affluency one need not look far to find many people in need. In many in New Mexico, especially among those of Latin or Spanish descent, there are numbers of people living in poverty, whose present supply of clothing will not keep out the winters cold.

As a part of the benevolent program of the local church of Christ thousands of items of shoes and clothing are sent each year to help supply this need. The clothing is sorted, mended and boxed for sending by the ladies of the church, and then taken to Textline where distribution is made to cities in New Mexico where the need is greatest.

This week W. A. Bentley, George Saunders and David Fultz took a trailer load containing more than 2500 garments besides shoes and other items for distribution to the Textline Church.

Grocery items are also brought each week by members of the church to send to children's home, and homes for the aged who send their trucks by to pick them up.

Recently a class of boys and girls taught by Mrs. D. L. Jones started a project to gather trading stamps to send to Westview Boys Home near Hollis, Okla., to buy a bus, and more than 60 books of stamps have been gathered to send.

This church also carries on a local program of benevolence endeavoring to heed the admonition given the apostle Paul, "Only they would that we should remember the poor; the same which I also was forward to do."

Salvation Army Unit Helps Those In Need In McLean

A week rarely goes by without some family, temporarily in need of help, receiving groceries, rent, medicine, or some other form of aid from the salvation army service unit in McLean.

Like much of the service rendered by the Salvation Army, aid is largely preventive. A family with hope is likely to pull itself out of its crisis and become self sufficient again.

The choice of helping other people to the full extent of our ability is one of the rights of a free society. Here, right is linked closely with duty, according to the trend, those we do not choose to help may be helped eventually through taxation. The right we started with is transformed into legal obligations, and choice no longer obtains in the matter.

That's why voluntary giving to the Salvation Army is so important. To retain the choice of helping people (who are not in a class of hard-core destitutes) is still a right of every citizen. A logic prevails, in case we are not impressed with abstractions like "right and duty": Anyone of us or member of our family - through accident, illness or unemployment, may in some future time be in need of just the kind of help that is the specialty of the Salvation Army.

Mrs. John Dwyer expresses her appreciation for the response and help in the campaign drive. If you were not contacted by any one for the Salvation Army drive, mail your contribution to Rev. Herman Bell, McLean, or drop it by the American Nat'l Bank.

VICKIE PARR

Football Queen Is To Be Crowned At Football Game Friday

What an exciting week this has been! Secret ballots have been cast right and left. One of the highlights for McLean High School is the selection of Football Queen and her attendants, which are chosen by the entire Tiger Team.

The three candidates are: Vickie Parr, a junior, daughter of Mr. and Mrs. J. L. Parr; Kay Layne, a junior, daughter of Mr. and Mrs. William Layne; Becky Adams, a senior, daughter of Mr. and Mrs. Billy B. Adams.

No one, at this time, knows which girl has been selected as the queen, but excitement and speculation reigns.

On Friday, October 22, at 7 p.m. just before the Silverton game, the revelation will be made and the queen will be crowned in a gala coronation service.

Tragedy Hits The Kenneth Jackson Family Second Time

A tornado dipped down out of the sky Sunday night to bring tragedy to the Kenneth Jackson family of White Deer for the second time in the last four months.

While listening to the tornado warnings on television at 10:30 p.m., members of the Jackson family were whirled from their home when a tornado destroyed their home about 7 miles south and 2 miles west of White Deer.

Jackson said that when the tornado hit their home, he and his 3 year old daughter, Kristi, were blown into a field south of their home and his wife was tossed under a tractor or east of where the house had been.

They were treated at the hospital and released. Although they received cuts and bruises, they are thankful to be alive. Jackson's wife, Alice, who is the granddaughter of Mr. and Mrs. Elton Johnston of McLean, received a dislocated shoulder bone.

The Jacksons lost their little four year old boy in July when he drowned.
