McLEAN, GRAY COUNTY, TEXAS - THURSDAY, AUGUST 30, 1973

NUMBER 35

B. Myatt Died Wednesday

Funeral services were held Wednesday, August 29, in the First United Methodist Church for Mrs. B. Myatt, 81, who died away at 4 p.m. Monday in the Lea County Hospital, Lovington, N.M.

Mrs. Myatt, a long time resident of McLean and Gray County, was born in Motley, Texas. She was married to C.A. Myatt in 1914 and established a home in Wheeler County. Mrs. Myatt preceded her husband in 1967.

She is survived by four daughters, Mrs. J.R. Williams of Lovington, N.M., Mrs. J. Shull of Amarillo, Mrs. R. C. Gibson of Orlando, Mrs. P. E. Osburn of Dallas; three sons, C.A. Washington D. C., B. W. Pendleton, Calif., and Keith of Port Neches; sisters, Mrs. O. A. Pedersen and Mrs. Mike Lovelady; brother, Lloyd Hefner; and 10 grandchildren.

Co. Has 25 Fatal Accidents

The Texas Highway Patrol investigated 25 accidents on highways in Gray County during the month of July, according to Sergeant J. L. Dail, Highway Patrol supervisor of this area.

These crashes resulted in 12 persons killed and 21 persons injured.

The rural traffic accident tally for this county during the first six months of 1973 shows a total of 130 accidents resulting in 12 persons killed and 68 persons injured.

The rural traffic accident tally for the 60 counties in the Lubbock Department Public Safety Region for 1973 shows a total of 1,213 accidents resulting in 21 persons killed and 366 persons injured. This compares to July 1972 with 713 accidents resulting in 34 persons killed and 133 persons injured. This was an increase of 13 fatalities and 22 less injured in the same period of time.

The 21 traffic deaths for the month of July, 1973 occurred in the following counties: Sherman, Wilbarger, each; Palo Pinto, Pecos, two each; Hockley, Lamb, Parker, Wise, Tarrant, Potter, and Oldham, one each.

Mrs. Benny Hill and Valerie of Amarillo visited the E. M. Bailey home over the weekend.

Mr. Herndon is a patient in Anthony's Hospital in Dallas this week.

Commissioners To Meet Saturday

The Commissioners of Gray County will meet at 9 a.m. Saturday, Sept. 1 in the county courthouse in Pampa for the purpose of considering.

To pay salaries and bills as approved by county auditor. Consider time deposits and transfers of funds as may be recommended by county auditor.

Consider resolution and contract regarding the regionalization plan as requested by the Amarillo Mental Health and Mental Retardation Regional Center Board of Trustees and to announce that all departments should submit 1974 budget estimates to the county auditor.

Mary Ann Back Hale Gets Masters Degree

Mary Ann Back Hale, graduate of McLean High School in 1951, received her master's degree from Eastern New Mexico University at Portales, New Mexico, on August 3.

Mrs. Hale, who taught first grade in the McLean School System in 1957-58, is at present teaching second grade in the Hobbs, New Mexico schools.

She is past president of the America Association of University Women in Hobbs, was listed in the 1968 yearbook of outstanding young women of America, and will be initiated into the Delta Kappa Gamma this September.

Mary Ann is married to Tommy Hale, who is associated with the Texaco Company in Hobbs. They with their children, Mary Tom, twelve; and Emil, nine, visited with relatives and friends of McLean during the first week in August.

Sen. Sherman Is Re-appointed To Legislative Council

Lieutenant Governor Bill Hobby today announced the re-appointment of Senator Max Sherman of Amarillo to the Texas Legislative Council. Also named were Senators Jack Hightower of Vernon, Jim Wallace of Houston and Grant Jones of Abilene. Senators Sherman, Patman and Hightower are re-appointments to the council.

The Legislative Council conducts research and drafts bills for members of the Texas Legislature. The Lieutenant Governor is chairman of the council, which consists of 10 representatives and a permanent staff.

LABOR DAY

Baptist Church To Have Homecoming

The First Baptist Church of McLean recently announced plans for a Homecoming to be held Sunday, September 30th.

The day's program includes a basket dinner and address by a former pastor and the Top O Texas Baptist Missionary, Carol Ray.

Former members and friends of the church are encouraged to make plans to attend.

12,790 Students Enrolled At A.C.

The latest statistics pouring forth from the computer at Amarillo College bear out what college officials have been saying—that a community college like AC can serve many different people through a wide range of day and evening courses.

Adding summer enrollment to other figures for the just completed year, the College announces that a total of 12,790 persons took one or more courses at AC during the 1972-73 school year. This is a comprehensive increase of 6.24 percent over that from the same period a year ago.

Evening students out numbered day students, 7,094 to 5,351.

While most of the day students are enrolled in a full schedule of classes, 5,591 evening students may be taking just one or two classes from the Continuing Education program which includes courses in Adult Vocational Education and Community Service.

The College of Arts and Sciences has a total student enrollment of 2,819 which is just under the 1971-72 figure of 2,972.

Programs in the School of Biomedical Arts and Sciences show an increased enrollment of 11.57 percent over previous figures a year ago.

The School of Technology has had an impressive gain in enrollment with an increase of 456 students in technological programs or a 34.70 percent increase.

The AC School of Vocational Arts show a 16 percent increase in its five training programs which include air conditioning and refrigeration welding, automotive mechanics, diesel mechanics and commercial electronics.

Adult High School extension courses show a percentage drop due to the program being phased out.

These figures represent a total picture of Amarillo College and its ability to serve the needs and wants of the community and surrounding area.

Mr. and Mrs. Norman Jones and daughter of Mesquite visited his parents and sister, Mr. and Mrs. Clifford E. Jones and Sherry, over the weekend.

1974 Wheat Program Details Announced

Wheat allotments for Gray County farms will be about three times the size of the 1973 allotment. This will be in effect for 1974.

Wheat allotment will be based on the national allotment in 1974 of 55.0 million acres, announced on August 16 by Secretary of Agriculture, Earl L. Butz, and the individual allotment notices will be mailed to farmers very soon.

The allotment represents the number of acres of harvested wheat, based on the estimated average yield, which would result in production equal to estimated domestic and export disappearance in the 1974-75 marketing year. The allotment does not restrict the amount of wheat that can be planted.

The 1974 wheat program was announced by Secretary Butz shortly after the four-year Agriculture and Consumer Protection Act of 1973 was signed into law. He states that the program is designed to encourage all-out production.

Following is 1974 program details:

New to the wheat program is the target price feature. If the average market price for wheat is at or above the \$2.05 per bushel target price the producer will receive no payment. If the price average is below the target, the producer will receive the difference between the target price and the average price received by all farmers during the period from July through November 1974.

There will be no preliminary payments. Any payment due will be paid after December 1, 1974. If the five-month average price falls below the \$2.05 target, a producer would be paid on an amount of bushels determined by multiplying the farm allotment times the projected yield established for the farm by the county ASC Committee.

As announced earlier, there will be no conserving base requirements for the four-

V.F.W. Auxiliary Receives Awards

By Lucille Cullison, Reporter
The McLean Auxiliary to Post 8565 received eight State of Texas awards and citations of merit at the district 9 convention held at the Amarillo V.F.W. Post 1475 on August 11 and 12.

The awards and citations were "Voice of Democracy", "100% Program Participation", "Recognition for reporting for rehabilitation and Service", "Recognition for Attaining 100 per cent of 1973 Membership by December 31, 1973", "Recognition for being the 5th auxiliary in Department of Texas to reach 100% in membership as of September 5, 1972", "Award for community activities and citation award

MELBA STOOKESBERRY

Melba Stookesberry Receives Water Instructor License

Miss Melba Stookesberry received her Water Safety Instructor's License at the close of the Aquatic Small Craft and First Aid School in Athens, Texas, recently.

Miss Stookesberry was sponsored by the Pampa Red Cross Unit for the ten-day camp beginning August 15. She attended classes on canoeing, sailing, and first aid in addition to swim courses.

Sixty-five young adults from many states were involved in the seminar, held in the Christian Youth Camp at Athens. Most of those attending were college students. Melba, age 17, was the youngest student enrolled.

Mr. and Mrs. Bill Stookesberry who reside east of the city, are Melba's parents. The young lady is a senior at McLean High.

School Enrollment Is Down This Year

Figures released by school administrators related that 326 students have enrolled in grades 1 thru 12 of the McLean School system.

The totals are slightly lower than those compiled at the close of the 72-73 term when 337 were in class. The 72-73 year began with more than 347 students.

Classes and their numbers are as follows: grade 1-18; grade 2-24; grade 3-25, grade 4-22; grade 5-29; grade 6-29; grade 7-31; grade 8-31. There are 113 boys and 96 girls in these grades.

In high school the ranks are divided as follows: Freshman, 24; Sophmores, 34; Juniors, 27; Seniors, 32. There are 55 boys and 62 girls in high school.

For our auxiliary, "Notebook" put together by Effie Lou Everett for 1972, "Statue for 1972 quota on membership" and "plaque for 100% on membership as of December 31, 1972." Those attending from McLean were Mr. and Mrs. Lester Bailey and Mr. and Mrs. Richard Everett.

Tigers, Wildcats Swap Victories

The Tiger Varsity won on basis of penetration during last Thursday night's scrimmage with Canadian, as neither team scored. The Jr. Varsity didn't score to Canadian "B" Team's three touchdowns.

Both varsity teams showed strong defense ability, the Tigers moving to the Wildcat 35 and the 'cats carrying the ball no further than the 50 yard line during the forty game plays.

According to scrimmage rules, each team runs 20 defensive and 20 offensive plays from the twenty yard line of the team possessing the ball.

Canadian is rated No. 1 in their district, IA, by Top O Texas Football Magazine and were described by a local team member as being "small and quick", about 5'10" and 170 pounds.

The Black and Gold will scrimmage Class AA Perryton "B" and Jr. High teams at 10:00 a.m. on Saturday morning, here.

School To Build New Ag Building

Construction of an Agriculture building to be located north of the McLean Schools Bus Garage will begin soon.

The 50' by 75' steel building is expected to be completed by December 20th and put into use at the first of the year according to Kenneth McGinty, Vocational Agriculture Instructor.

Construction of a new Agriculture Department was necessary in order to maintain state accreditation of the four-level course.

Total for the seven lot site and the facilities is \$39,000, paid locally. Existing equipment and some new items purchased with state assistance will be used in the department.

Existing facilities were added in the late 1940's and were prisoner-of-war barracks moved from the World War II camp four miles east of McLean.

Twenty-five young men are enrolled in Agriculture courses and are studying livestock and crop production, agri-mechanics, and plant and soil science.

Labor Day Holiday To Be Next Monday

Much of McLean will lock up tight next Monday for the annual observance of Labor Day.

Since the holiday comes on Monday, it will mean a long weekend for students and other local residents.

Schools will resume classes Tuesday morning.

Mrs. Olen Davis is a patient in the hospital at Shamrock this week.

Okla.

MRS. JOHN MILTON HUNT

**Karon Kay Stewart and John Milton Hunt
Exchange Vows in Baptist Church**

Miss Karon Kay Stewart be-
came the bride of Mr. John
Milton Hunt, on Saturday,
August 11, at 7:30 p.m., in
a double ring ceremony before
Rev. Herman W. Bell in the
First Baptist Church of Mc-
Lean.

The bride is the daughter
of Mr. and Mrs. Edward Mac
Stewart of McLean. The
bridegroom's parents are Mr.
and Mrs. Lloyd Hunt of Mc-
Lean.

Given in marriage by her
father with "her mother and
I" avowal, the bride wore a
floor length gown of white
Chantilace over bridal satin,
edging of white scalloped
lace around the bottom, the
gown fashioned with the em-
pire waist, longshear lace
sleeves fitted at the wrist and
granny stand up collar with
bibbed front of scalloped lace
accented with tiny white satin
bows.

Her two-tiered veil of illu-
sion fell from a crown of scal-
loped lace into a chapel
length train. The bride car-
ried a cascade bouquet of
white camellias centered with
a corsage of yellow camellias
entwined on net and accented
with tiny beads, tied with
long white and yellow satin
streamers and wide scalloped
lace.

Mrs. Steve Owen, of Arling-
ton, was matron of honor
and Miss Melinda Hunt, sister
of the groom, served as
bridesmaid. Their dresses of
formal length yellow lace
over satin were styled in the
modified empire line. They
wore wide brimmed yellow
hats with matching streamers
and a velvet ribbon sash ac-
cented the waist of their
gowns. Their nosegays were
formed of yellow camellias
with long yellow and white
streamers.

Serving as flower girls,
were Misses Chandra Lou and
Rebecca Dawn Crockett, of
Wheeler, cousins of the bride.
Their yellow floor length lace
dresses were fashioned after
the bride's attendants, head
pieces were yellow net cen-
tered with camellias and

tiny beads. Randy Stewart,
brother of the bride, served
as special usher and candle
lighter.

Charles Stewart, brother of
the bride, assisted the bride-
groom as best man and Rod-
ney Gene Bailey was groom-
man, Jimmy Carl Baker, of
Lubbock, and Steve Owen of
Arlington served as ushers.

Mrs. Russell Caldwell, ac-
companied Mrs. Truitt Stew-
art, vocalist, as she sang
"Love Story", and as the cou-
ple knelt on a white prayer
bench, she sang, "The Lord's
Prayer."

The bride's bouquet ac-
cented the yellow cloth overlaid
with a white lace cloth for
the reception in the church
fellowship hall. White wed-
ding bells hung from scalloped
tiers of crepe paper from the
ceiling. A three-tiered
cake with yellow flowers ar-
ranged around cake and top-
ped with a bride and groom,
was served by Misses Nan and
Ann Wiginton. The guest
were registered by Miss Bren-
da Brown.

Following the reception the
guest were given yellow satin
rose bud filled with rice
lifted from a floral arrange-
ment made by the bride's
aunt, Mrs. R. N. Barron of
LaMarque.

The bride is a 1973 gradua-
te of McLean High School.
The bridegroom is a 1971
graduate of McLean High
School and will be attending
Texas Tech, as a junior this
fall. The couple are at home
in Lubbock.

Out of town guest were Mr.
and Mrs. R. N. Barron, Eddie
Truitt, Mark and Miss Susan
Webb, of LaMarque, Mrs.
Peggy Bruner, Billy Gene and
Howard Ray and Mr. and Mrs.
Steve Owen, of Arlington,
Mr. and Mrs. Ronnie Hunt
and Mrs. Marsha Thompson,
of Bryan, Mr. and Mrs. Lowell
Blackwell, Mrs. R. L. Stan-
ley and Mr. and Mrs. Steve
Weathers of Amarillo, Miss
Ozella Hunt, of Denver City,
Mrs. Naomi Thompson, of
Norton, Mr. and Mrs. Joe
Nye and family and Joan Sul-
livan and girls of Dallas, Mr.

and Mrs. Fred Howard, Mrs.
Audrie Howard and Hazel and
the Charles Hendersons of
Borger, Elmer D. Feetzen,
of Darrouzett, Lee Reeves of
Denver City, Colo., Mrs.
Agnes Passmore and Mrs. Lil-
lian Jackson of Oklahoma Ci-
ty, Mr. and Mrs. Lewayne
Foshee of Pampa, and Mr.
and Mrs. Charles Crockett
and girls of Wheeler.

A pre-nuptial event was a
miscellaneous shower honored
by friends of the bride and
groom, on July 16 in the Hos-
pitality Room of the Ameri-
can National Bank.

Women Bartenders?

Do women have a constitu-
tional right to be bartenders?
Until the last few years, courts
have steadfastly said no. Laws
against women bartenders, when
challenged as discriminatory, were
upheld on two main grounds:

1) that their presence would
encourage immorality in a place
"where the worst passions are
aroused;" and

2) that they could not keep
the peace as effectively as men
bartenders.

But in several recent cases,
courts have taken a fresh look
at the question and come up with
the opposite answer. Immorality
is no more encouraged, said one
court, by a woman behind the
bar than by waitresses out front
serving cocktails.

As for keeping the peace, an-
other court had this comment:
"The saloon days of the Wild
West are long gone. Nowadays
the typical bar does not provide
a setting for violence and danger,
if in fact it ever did."

For good measure, the court
added:
"Women are as capable of
mixing drinks as men."

Less innocuous activities, how-
ever, may still be subject to re-
straint. Another case involved a
city ordinance forbidding the use
of "B. girls"—women hired by
the management to solicit drinks
from male customers. A tavern
owner claimed that his women
employees were being deprived
of their freedom of speech and
assembly.

"Their freedom of speech," he
reasoned, "includes the right to
talk to customers and their free-
dom of assembly includes the
right to mingle with customers."

But a court said the rights of
speech and assembly, while guar-
anteed in general by the Consti-
tution, may be limited in spe-
cific situations for specific re-
asons. Noting the city's power to
discourage drinking, the court
said:

"If the regulation curtails free-
dom in some slight degree, the
limitation is not unconstitutional.
These rights are not absolute."

My Neighbors

"Okay, now what?"

Our Freedoms We As Americans Enjoy!

We have "FREEDOM FROM WANT" and use it to eat "junk,"
drink liquor and beer, and walk around half-naked (or less).
We are a part of the world's most affluent society. Rich,
the world's standards, pleasure-mad, our stomachs lavish-
ed, and slow to learn that "man does not live by bread
alone." (Matt. 4:4)

We have "FREEDOM OF SPEECH", and use it to curse, lie,
sland, bite, tell filthy jokes, to protest against law and or-
der in the land, speak disparagingly against civil govern-
ment ordained of God (Rom. 13:1-7); to cry out for "CIVIL
DISOBEDIENCE" and ignore "HUMAN RIGHTS," and "give lipservice
to the living God of the universe. (Col. 3:1-10)

We have "FREEDOM OF THE PRESS", and use it to print fil-
thy magazines, obscene literature, horror and moronic "com-
munist" books, "atheism, infidelity, communism, and anti-American
propaganda." To conduct "gossip columns" about someone's fifth
finger and husband separating in Hollywood and the vicious sex
scandals being committed. (Gal. 5:19-21)

We have "FREEDOM OF RELIGION" and use it mostly as a fr e-
edom FROM RELIGION. We make a feeble effort to practice James
1:27. We "FORSAKE THE ASSEMBLY" (Heb. 10:25; Acts 20:
11) for our own pleasure. We withhold from the Lord by re-
fusing to "give as we have been prospered." (1Cor. 16:2)
We use Sunday evening (and many times Sunday morning) for
recreation and pleasure and Wednesday evening for T.V. Some
even fight in war for "Freedom of worship" and refuse to
submit when they return home.

McLEAN, TEXAS

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin

TEXAS PRESS ASSOCIATION

The Texas Constitutional Revision Commission made key decisions last week on finance and legislative sections of the state's basic laws.

It will formulate recommendations September 6-8 on judiciary and education provisions, Sections on local government and general provisions will be reviewed September 13-15.

Final action of the 37-member body, which is studying changes needed in the state's basic laws, is scheduled September 27-29.

Meanwhile, a legislative planning committee for the January-May 1974 constitutional convention of lawmakers is moving ahead with preparations for the historic gathering.

The planners have voted to spend \$33,938 on new chairs and desks to place in the House of Representatives chamber during the convention. Chairs, costing \$165 apiece, will be replicas of those used by delegates to the 1876 constitutional convention. The desks, considerably more economical, will be made by state prison system inmates at a cost of \$22.50 each.

The revision commission practiced some economies (of language) in shortening the recommended general legislative tax power section of the constitution from the present lengthy statement of limits and exemptions to the following:

"Taxes shall be levied and collected by general law for public purposes only, and shall be equal and uniform."

The 181 legislators who will be delegates to the convention will convene here December 6-8 for a briefing on details of the commission's recommendations. The convention will open January 8. CHILD CARE RULES TIGHTENED - The State Board of Public Welfare is toughening requirements for licensing child-care institutions and has named former State Rep. Randy Pendleton of Andrews as temporary head of a licensing division.

Pendleton said the new division will shift role of the Welfare Department from urging facilities to comply with the law to active enforcement of the law and policing of facilities.

The Board also named a new six-member advisory council (with three alternate members) on child care administration to assist in checking credentials of personnel at child care facilities. The legislature this year required administrators to be licensed

by January 1. FARM PRODUCTION HIGHS SET -- Texas farmers and livestock raisers are setting new production levels this year, Agriculture Commissioner John White reported.

Records, according to White are being tied or broken for wheat, cotton, grain sorghum, corn, peanuts, soybeans, oats, barley, rye and rice. Texas is first in the nation in cotton and grain sorghum and fourth in wheat production.

Texas cattle on feed total 2.3 million, said White, about 700,000 more than the second-ranking state, Iowa, and an increase of nine per cent over last year. White said cattle producers marketed more cattle during June and July than they did a year ago. Proving that they are not holding back because of the price freeze on beef.

White predicted that removal of the beef price ceiling will not cause skyrocketing of meat prices and may even help bring them down.

He said there are warning signs consumer resistance to the rising prices of food products is stiffening. GUARD STRENGTHENED -- Texas for the first time in six years will field a full Army National Guard Division November 1.

New Guard troop allocations will raise the state's authorized Army Guard strength to 17,000 from the present level of 16,000 (with 17,377 now authorized).

Reactivation of the 49th Armored Division of the Texas ANG was announced at Camp Mabry headquarters here recently. The "Lone Star" armored division will have three brigades strategically located over the state -- the First in Dallas, the Second in Fort Worth and the Third in San Antonio. In addition, the 36th Airborne Brigade at Houston will become a part of an active Army airborne division in event of mobilization.

The 49th Division will contain 21 battalions. Summer training will be at Fort Hood, largest armor training camp. INSURANCE DEALS TARGETED -- New Insurance Board rules aim to halt rate discrimination and unfair competition in property and casualty insurance.

Board Chairman Joe Christie said some non-rate-regulated companies, including Lloyds and reciprocals, offer unrealistically low rates to prime risks with the intention of having ultimate liability assumed by a rate-regulated company.

Christie said the "brother-in-law" deals can result only

in higher rates for the majority of policyholders.

"A farce has slowly but surely been perpetrated when a large company either forms a Lloyds, or even rents one by one scheme or another, for the purpose of evading this state's regulatory laws," Christie said.

TOURISM GAINS -- Tourism gained modestly through July with attendance at attractions up one per cent and highway tourist bureau services up nearly five per cent for the first seven months of 1973.

Forty-seven attractions reported 29.7 million visitors, a gain of 300,000 over January July, 1972.

DOCUMENTS DEMANDED-- House Speaker Price Daniel Jr. called on the Department of Public Safety to release to him and the public documents on a House committee vending machine industry probe, held confidential for six years.

Daniel directed Department of Public Safety Director Wilson E. Speir to deliver the tapes and other records Monday (August 27) and called a news conference at the same time.

He said the open meetings law, House rules and the new public access to information act require free public access to government documents except in most-extraordinary circumstances.

APPOINTMENTS -- Gov. Dolph Briscoe appointed Amarillo District Judge Mary Lou Robinson associate justice of

the Seventh Court of Civil Appeals.

Gilbert J. Pena has been named assistant chief of the law enforcement division in Atty. Gen. John Hill's office.

Jane Hickie of Austin is new chairperson of the Texas Women's Political Caucus.

Governor Briscoe appointed John Artero of Victoria to the State Board of Morticians, succeeding Charles L. Villaseñor of Austin.

The Governor appointed William P. Ratliff of Haskell 39th district judge.

SHORT SNORTS

The cotton stalk destruction deadline in the Lower Rio Grande Valley has been extended until midnight September 30 from August 31.

The constitutional convention planning committee met with Louisiana convention delegates for advice on preparations for the historic January 1974 revision effort.

DPS predicts 42 will lose their lives during the Labor Day weekend in traffic accidents.

Visiting in the Clyde Willis home last week was their daughter and husband, Mr. and Mrs. Albert Conatser and children, Barbara and Robert from Delta, Colorado; Mr. and Mrs. Roy Lowe, Eddie and Tammy from Pampa; Mr. and Mrs. Walter Bible and children from Borger; Nancy Bible from Amarillo; Tommy and Jean Willis from Borger and J. C. Willis from D...s.

DOWN MEMORY LANE

10 YEARS AGO

A grand total of 463 students enrolled during registration late last week and early this week.

Wayne Willis was honored on his birthday Aug. 16 with a birthday party at his home in Borger.

Ruth Pakan, daughter of Mr. and Mrs. Miro Pakan, was recognized during graduation exercises Friday at the Forrest Heights Methodist Church in Lubbock.

20 YEARS AGO

Mr. and Mrs. John Bayless of Borger are the parents of a boy, born Tuesday, August 25. He weighed 8 pounds, 4 ounces, and has been named John Edward.

A party honoring Hickman Brown Jr. on his third birthday was given in the home of his parents, Mr. and Mrs. Hickman Brown Friday, August 21.

30 YEARS AGO

A force of prisoners from the McLean prisoner of war camp, under armed guards, are cleaning up the alleys and vacant lots in McLean this week.

Mrs. Vester Smith was the honoree at a birthday dinner Sunday at the home of Mr. and Mrs. W. W. Shadid.

40 YEARS AGO

The watermelons days are

here, the merriest of the year.

Another large crowd enjoyed the second of the series of free rodeos and races sponsored by the chamber of commerce, Saturday.

While Gray County went wet, McLean and Alanreed voted dry in the election held Saturday.

Little Miss Martha Ann Harrilton celebrated her 5th birthday with a party last Thursday, August 24.

50 YEARS AGO

The first bale of cotton for this season was brought in Monday by W. C. Stanton and sold to Smith Brothers for 25¢ a pound.

Mrs. Pauline Sanders, milliner, has reopened her hat shop in T. J. Coffey and Brother's store.

60 YEARS AGO

After a two week period of idleness caused by the lack of casing the work on the local test well of the McLean Development Company has been resumed and it is stated it will be vigorously prosecuted.

The watermelon movement this week has been more active than any time since the season opened up and prices the first of the week soared a bit by reason of strong competitive bidding.

Closed on Thursday.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

During the past year Texas has made great strides in venereal disease control by significantly decreasing the incidence of early infectious syphilis. But there is still a long way to go in the fight against both syphilis and gonorrhea.

Emphasis has been put on V.D. control, and receipt last year of some \$2 million in federal funds greatly accelerated the program.

With those funds, State Health Department officials planned a five year intensive statewide campaign in an attempt to reverse the upward trend of these infections, and reduce the prevalence of infectious gonorrhea to a controllable level.

A gonorrhea culture screening program went into effect in July 1972, the goal being to test 500,000 females for possible venereal disease. Women in particular were the target group, since in many instances, women who contract the disease do not manifest any symptoms. They become asymptomatic carriers, unknowingly spreading the disease to others.

Health Department officials estimate that in Texas, 80 per cent of the women between the ages of 15 and 40 who have gonorrhea do not know it. Officials refer to this group as "reservoirs of infection," and such reservoirs are the target of the statewide screening campaign.

The campaign has been in effect for nearly a year, and results certainly are promising. Dr. M.S. Dickerson, chief of the Communicable Disease Service Section of the State Health Department, explains that in July 1972, the statewide ratio of reported cases of gonorrhea in males to reported cases of gonorrhea in females was four to one. Because most men who have gonorrhea are painfully aware of the fact, more cases of male gonorrhea were brought to treatment and reported to health authorities. Since the screening program went into effect, the ratio of males to females dropped to two to one. Health authorities say this means more and more asymptomatic carriers, women in particular, are being identified and treated, thereby reducing the "reservoir of infection."

"What we're aiming for," says Dr. Dickerson, "is a one to one male to female ratio. When we achieve it, we can effectively control the spread of the disease." The V.D. Division of the State Health Department seems well on its way to achieving that ratio. "200,000 women have been screened in Texas since July 1972," notes Dr. Dickerson. "Of these, 6 per cent (12,000) proved to have positive culture. By identifying and treating these women, we remove them from the asymptomatic reservoir. Unless infected again, they will not unknowingly infect anyone else."

The overall effect is a reduction in the number of cases of gonorrhea. Dr. Dickerson notes that last year there were 57,000 cases of gonorrhea officially reported in Texas. At the present rate, the projected number of reported cases at the end of this year will be 52,000. "In the past, there was a 10 to 15 per cent increase of gonorrhea cases each year," says Dr. Dickerson. This year, we may have been prevented in Texas this

past year. That projected decrease, plus the annual 10 to 15 per cent increase that was prevented, means that the VD screening program could have an overall effect of reducing the number of cases of gonorrhea in Texas 20 to 30 per cent in one year. This means some 11,400 to 17,100 cases of gonorrhea may have been prevented in Texas this past year.

The screening program has also had an effect on the incidence of syphilis in Texas. While syphilis does not have the asymptomatic characteristics of gonorrhea in women, the screening program has helped identify carriers of this infection. There were 1,800 cases of syphilis reported in Texas last year. Dr. Dickerson projects that 1,450 to 1,500 cases will be reported this year.

As a result of state and local Health Department efforts, private hospitals, family planning centers, and private physicians throughout Texas are participating in the screening program. Health Department field representatives explain the program to the private physicians, asking them to cooperate and to encourage their female patients to undergo a confidential test for gonorrhea at the same time they have a routine pelvic examination.

If, after one year of operation, the gonorrhea screening program's projected figures are any indication, that particular health service certainly seems to be having an impact.

Band Boosters Meet Monday

The Band Boosters met Monday night at the band hall for a regular meeting. The band parents that were not able to make it were missed.

The Band Boosters are going to work towards sending the band to Enid, Okla. band festival this year. A lot of interested boosters and willing workers will be needed. The Boosters will also be conducting an all out membership drive soon. Please decide to join.

Former Resident To Have 93rd Birthday

Mr. T. J. Coffey, a former resident of McLean, will celebrate his 93rd birthday on Friday, August 31. He lived his years ago and may still be remembered by some of the old timers. For those who might like to drop him a card his address is T. J. Coffey, Morningside Manor, 602 Babcock, San Antonio, Texas 78284.

V.F.W. Post and Auxiliary Have Cook-out

By Lucille Cullison, Reporter
The Pampa V.F.W. Post 1657 and auxiliary were visiting guests of the McLean V.F.W. Post 8565 and auxiliary on Tuesday, August 21 at 7:30 p.m.

The McLean Post and auxiliary members entertained the Pampa auxiliary members and one post member with a hamburger cook-out at the post home.

Later in the evening the Pampa auxiliary members attended the McLean auxiliary and business meeting. A good time was had by all present.

Pampa members present were Tharon Leonard, auxiliary president, Bonnie Stuckey Hazel Smiley, Alvena Williams and Lorene Kuhn. Post members Vernon R. Stuckey attended the post meeting.

The Pampa post and auxiliary members to visit with them at their post in the near future.

Can low-acid foods using a steam pressure canner. Bacteria spores which cause food poisoning from botulism are killed at a temperature of 240 degrees F.

Woods Visit In Hester Home

R. T. and Veral Lynn Wood spent the past weekend in Burkburnett, visiting their friends and former neighbors, Guy, Erma, Gary and Amber Ruth Hester.

R. T. took his musical equipment along, and it is reliable sources that he and Guy kept the neighborhood awake for two nights.

Guy also entertained the group with some new slight of hand tricks called "Why".

Rodeo Club Members SCHOOL MENU Have Busy Summer

During the summer months members of the local high school rodeo club participated and placed in state rodeos. They were: Delinda Howard placed 3rd at Happy, 6th at Muleshoe, and 4th at Wheeler in Steer riding. Delinda is a sophomore this year and the daughter of Mr. and Mrs. J. F. Howard. Cindy Sherrod, a freshman, is well on her way to the finals. At the Wheeler rodeo, she won 2nd in barrel racing. She got 1st at Shamrock and Pampa in polebending and is tied for 2nd and 3rd at Canadian. Also at Pampa she won 2nd in the barrels. Cindy is the daughter of Mr. and Mrs. Bob Sherrod.

Kit Long placed 3rd at Shamrock in ribbon roping, with Delinda as his runner. Kit is a junior and the son of Mr. and Mrs. Rex Long.

Art Rhine is concluding his last year in the S.H.S.R.A. with a good beginning. At Cluade tied for 1st and 2nd in bareback riding, winning \$145. In Leedy, Okla. he won 1st with \$140. At the Wheeler Tri-state Rodeo he won first in barebacks, and in the amateur show he placed 3rd. He won 4th in the Shamrock show in bull riding.

On July 23rd the rodeo team members met and elected officers. They are Art Rhine, president; Jim Seaney, vice president; Delinda Howard, secretary-treasurer; Teresa Steel, reporter.

Members are Dennis Brooks, Jay Dee Fish, Kathy Bailey, Teresa Steel, Kit Long, Jim Seaney, Mike Johnston, Greg Tollison, Delinda Howard, Todd Darsey, Art Rhine, Bobby Crockett, Jerry Rollison, Cindy Sherrod, Dale Steel and Ronnie Heasley.

"You can't go around digging up dirt, without finding yourself in a hole."

"I hate to tell you this, lady," sadly said the stranger, as he stood at the front door, hat in hand, "but I just ran over your cat. I hope you'll forgive me, and I want to replace him."

"Well, don't just stand there!" she barked. "There's a mouse in my kitchen."

An Army captain, stationed overseas, was elated over the snapshot his girl had sent him from the States. It showed a happy couple sitting on the beach, while she sat alone in the background looking forlorn. The message on the back read: "Darling, this shows how lonesome I am for you."

The captain showed the picture to everyone who would look at it, over and over again, until he and his picture became number one bore. Finally a fellow officer devised a way of inducing him to put the snapshot away permanently. "John," said his friend innocently "who do you suppose took that picture?"

"I'm sure his work would improve. Mr. Plumb, if he could only take his mind off the girls."

NEWS from your

*** County **
Agricultural Agent
Texas A. & M. College
Extension Service
By FOSTER WHALEY

For the convenience of the people in the McLean area I am leaving four different bulletins at the McLean News Office. One is U.S.D.A. Bulletin #202 entitled "Growing Vegetables in the Home Garden." Another is Fact Sheet L911 - Planning your Vegetable Garden. Another is B-176 - Frozen Foods - How to Freeze-How to Cook. The last one is B-194 - Home Canning - Fruits & Vegetables.

We have left only a few copies of each of these publications. We have reordered most of the publications because of the heavy run we have had on them this summer. The bulletin on Canning & Freezing Foods is two of the best on most popular bulletins in our office. The Canning bulletin has everything in it from how Grandma use to make horsey to how to can black eyed peas. They give several different methods suggested. You better get you a copy. If the supply runs out I will restock.

WEATHER -- It's pretty hard to get every farmer in the county to agree to accept a rain at the same time. I believe we would have 100% that would vote for one today.

Cotton has showed extreme stress the last two weeks. We have some good looking dry land Milo in the McLean vicinity. Above the Caprock there is hardly a single field of dryland milo. Most farmers did not have enough moisture to bring the crop up in June and July. Rains shut off in early May. By the time farmers had their ground worked the seed bed was dried out. A very odd year. The unusual is the usual in this country. For the past six or seven years we have had dry May, June, and July's. The long range history of rain fall shows May, June and August to be the three highest rain fall months.

Considering the fact there is a minimum of dry land milo we anticipate a vast acreage of wheat will be planted this fall. This and the high price of light weight calves could hold wheat pasture price down to price of previous years.

IOWA CATTLE TOUR -- Tomorrow (Wednesday) I am to act as leader for a bus load of Iowan's, that will be in the county for a brief look at our beef feeding complexes. We are to board a bus at our office with some 45 Iowa farmers that are touring the Panhandle to see what is going on in this

area. They are becoming fully aware of the competition we are giving them in the cattle feeding business. Texas took first place away from Iowa as the Nations top cattle feeding state some three years ago.

Since then we have continued to expand while they have shipped backward or stood still.

1974 WHEAT PROGRAM (Continued From Page 1)

year life of the 1973 Act. And, for 1974, producers may substitute any annual non-conserving crop or a cropland conserving crop used for hay or grazing in order to preserve their wheat allotments and to make them eligible for any payments under the target price feature. Crops for which a marketing quota is in effect are, of course, excluded.

Loans will be available to producers on their 1974 crop wheat at a national average of \$1.37 per bushel, an increase of 12 cents over 1973 crops loans.

The requirement that producers purchase certificates valued at 75 cents per bushel on each bushel of wheat processed for human consumption was eliminated by the 1973 Act.

Market Report

Optimists in consumer-nutrition ranks these days point to the fact that most people eat more meat than they need for good nutrition anyway.

Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, Texas A&M University System, is one.

She advocated this week that shoppers sharpen food buying habits--keeping in mind the improbability that all meat will vanish from diets.

Simply plan meals with less meat.

Combine meat and vegetables to make a little meat go a long way--beef stew, hearty hamburger soup and ground meat extended with grated potatoes and onion are a few familiar examples.

Teams of vegetables, such as zucchini, tomatoes and onions with a small amount of ground beef, ham or cheese make appetizing main dishes.

In poultry sections, fryer chickens took a small price dip with turkeys showing no change, this week.

Also, other protein foods serve as meat supplements. A smaller portion of meat served with milk, nuts, cooked beans or peas provides necessary protein at somewhat less cost than a larger meat serving.

Although eggs, cheddar and

News From ALAN REED

Rev. and Mrs. Bill Clolerbough were back in church Sunday. Bill was in the hospital in Pampa on Sunday of last week. The Warner Phillips were back in church Sunday also. Everyone enjoyed the good song service.

Sue Crisp was absent due to a wasp sting. The wasps are bad right now where the gardens are being watered.

Mr. and Mrs. James Armbrister and children visited his parents over the weekend in Ada, Okla.

Visiting Ruby Hill on Sunday was T. A. Boyd of Borger and her son and daughter-in-law, Mr. and Mrs. R. C. Hill of Amarillo.

Word was received on Tuesday morning of the death of Mrs. Dillie Taylor, aunt of Mrs. T. T. Crisp and the Hills.

Ruby Hill made a business trip to Pampa on Monday.

On Sunday afternoon Ruby Hill and T. A. Boyd attended church in McLean. They visited the home of the T. T. Griffins and the home of Dolph and Jo Burrows. Then in the home of the Hartley Davis. Jo Burrows will be remembered by many as Dr. Keritzler's nurse back in the early 1950's.

Visiting the A. H. Moreman's is her sister Mrs. Nellie Mendanhall, of Wichita Falls. Mrs. Mendanhall, was met in Hedley and she and the Moremans attended funeral services for her nephew, W. H. Mendanhall of Hedley.

A county wide home demonstration club member luncheon was held. Mrs. Bobby Combs women's editor of the Pampa Daily News gave training for people wishing to be reporters. A farwell party was given also for the Gray County Home Demonstration agent, Miss Jimmie Lou Wainscott, who has been with Gray county for several years. Going from Alanreed was president Sue Crisp, Anita Bruce and Mary Davis.

HUB
SMALL, YET

HOW BIG

How small a man seems -- walking down a lonely road on a rainy day, with gaunt trees towering over him.

How small man is, and how frail in body. The trees in the picture and even the chimneys on the old house will probably long outlive the man.

Yet how big man is -- in the things that are not of the body, but are of the mind and soul. God has not made man mammoth. But He has made him poten-

tially great -- if he will but accept blessings given him, and use the Christian teachings.

Man finds in the Church, the age ment and the instruction to him to make from his God-given spark something great and enduring and of benefit to all human-kind.
