McLEAN, GRAY COUNTY, TEXAS - THURSDAY, OCTOBER 24, 1974

NUMBER 43

Halloween Drivers Should Use Caution

Driver responsibility to pedestrians will increase on the night of October 31, which is Halloween. The Governor's Office of Traffic Safety, issued a reminder for all motorists to be mindful of their responsibility to the youngsters as they set out on their "trick or treat" adventure. Said the Governor, "Halloween is not only one of the more accident prone seasons, but a time for us to be aware of the children. These youngsters are going to be passing streets with thoughts of having fun and ringing doorbells. Many will not be remembering their instructions to watch for cars. Therefore, I urge each motorist to be especially mindful of young goblins during the evening of Halloween."

Arnold expressed optimism about the small amount of accidents that actually occur during Halloween, but he added that it never hurts to be reminded of the responsibility. "If children start out before dark and are reminded to cross at intersections and look for oncoming cars, then may be we can have this period without injury to young pedestrians. It is not moving at a snail's pace, it has a much better chance of coming to a halt if necessary and this could result in saving a life," Arnold concluded.

Spokesman for the Governor's Office of Traffic Safety said children could wear brightly colored clothing, carry reflective flashlights, and display reflective tape on their costumes to be seen from greater distances.

Alanreed Carnival Set For Saturday

The Alanreed Halloween Carnival will be held Saturday, October 26 in the Alanreed School gym. The Alanreed Home Demonstration Club will be serving turkey dinner with the trimmings beginning at 6 p.m. The carnival booths will open at 7 p.m. for all to enjoy the fun and games. The highlight of the evening will be queen coronation at 10 p.m. Everyone is invited to come out to the carnival.

Band Boosters Meet Monday

There will be a meeting of the band boosters on Monday, October 28 at 7:30 a.m. at the band hall. All members and interested persons asked to please attend.

MRS. FARIS HESS, a representative for the area Cowbelles present a certificate to the officials representing Genesis House, a home for girls.

Cowbelles Present Absentee Voting Beef To Girls Home For General Election Is Underway

Top O'Texas Cowbelles, represented by Mrs. F. J. Hess recently presented Genesis House with a "Beef Gift certificate on one-half beef. Accepting the certificate for Genesis House were Emmett, Saltzman and Gene Steel, President and immediate past President of the Home's Board. The processing of the half beef was donated by B&B Packing Company of Pampa.

Top O'Texas Cowbelles have designed and printed "Beef Gift certificates", which are available free of charge to all beef retailers. Many stores are already using them.

"Consumers should ask their favorite store to get the certificates from Cowbelles if they have not already done so", Mrs. Hess said.

"Cowbelles believe beef is an ideal gift. Since the gift certificate is so flexible, a gift may be as reasonable or as luxurious as the giver wishes", explained Mrs. Hess. "Certainly one could not find a more useful or desirable product. Top O'Texas Cowbelles are urging everyone to consider this unique gift idea for weddings, birthdays, Christmas and other special occasions," she added. "Beef for Father's Day" has been a Cowbelle promotion project for several years.

Genesis House is a licensed care home for girls in need of Christian love and care who have encountered problems within our society. Since its beginning in 1971, Genesis House has given care and counselling to some 60 girls, 80 percent of whom have been returned to their own homes to begin readjustment to life within the family group.

Tigers Play Memphis Lose 57-0

By Betty Holmes
The Tiger grid, composed mostly of Freshmen, was faced with the 3-0 District contenders last Friday night as the Memphis Cyclones blew into town with a 57-0 victory.

The Tiger team, hosting its third home game in a row, was led offensively by Curtis Simpson running 25 yards in 15 carries. Gary Danner followed with 20 yards on 7 attempts. Danner was also recognized defensively playing the linebacker position when he brought down four Cyclones single handedly and assisted in nailing down 16.

Memphis' Fred Alexander led the Cyclones in rushing yards carrying the ball in 11 attempts for 107 yards.

Next week McLean travels to Wheeler for a bout with the Mustangs on their home ground.

Halloween Carnival Set For Saturday

Mother's, Inc. will hold their annual Halloween carnival Saturday, October 26 at 7 p.m. in the high school gym.

Fourteen organizations are hard at work on their booths. Several new activities will be offered this year including a book sale, a fish pond, and a hayride. Mother's Inc. will again have a Bingo game. McLean merchants have donated prizes to be given to Bingo winners. Everyone is working especially hard so that the carnival will be a big success again this year.

Proceeds from Mother's Inc. activities will go toward three projects for the high school; a tiger mosaic, air conditioners for the auditorium, and furnishings for the Tiger lounge. The student body at McLean High suggested and voted on these projects Mother's club

Mother's club invites anyone interested in having a good time to come to the Halloween this Saturday. There will be no admission charge.

Mrs. M. F. Corbitt, who resides at El Paso Camp is a patient in the Shattuck, Oklahoma Hospital, where she was to have surgery.

My Neighbors

McLEAN HOSPITAL TO LOSE MEDICARE

A very important meeting for the residents of this area will be held Monday, October 28 at 7:30 p.m. at the sanctuary of the Methodist Church.

The Social Security Administration has officially notified officials that the medicare program at McLean Hospital will be terminated as of November 8, 1974.

This act comes as a result of not being able to provide registered professional nursing care for all patients on a 24 hour basis every day.

Why can't our hospital here in McLean get the nurses they need? Come to this meeting and voice your feelings on this matter.

There are many senior citizens who depend on this hospital and need it. When it does lose the Medicare program, as one hospital board member stated, there is the possibility that the hospital might eventually be completely closed.

DeLinda Howard Gets 16 Rural Accidents 2nd In Steer Riding Occur In September In Gray County

Delinda Howard, a junior at McLean High, claimed a score of 51 and 2nd place in the steer riding competition of the 1974 Caprock High School Tri-State Rodeo in Amarillo last week end. The rodeo, an annual affair ran nightly Thursday, October 10, through October 12, with an afternoon performance on the latter day.

Delinda, the 17 year old daughter of Mr. and Mrs. J. F. Howard residing at El Paso Camp east of McLean, has quite a numerous collection of belt buckle awards for her steer riding performances locally and all over the area.

This being her second year of rodeo participation, Delinda ranked 3rd in the Tri State High School Rodeo Association finals last year, a prized position for any competitor.

In her first year of experience she acquired first place buckles from the Amarillo High School Rodeo and McLean High Rodeo; second place buckles from Claude, Spearman, Tascosa High School rodeo in Amarillo, and Wheeler; and a third place buckle from Happy. Other than her Caprock winnings this year, she captured a second place from Happy and also a second from Wheeler.

The next rodeo Miss Howard will perform in is the Tascosa High School Rodeo in Amarillo scheduled for October 31 through Nov. 2.

Mr. and Mrs. Clyde Willis, Mr. and Mrs. Tommy Willis visited in Altus, Oklahoma on October 16 with Mrs. Blanch Olson and her mother and two sisters.

The Texas Highway Patrol investigated 16 accidents on rural highways in Gray County during the month of September, 1974, according to Sergeant D.E. Womack, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and seven persons injured.

The rural traffic accident summary for this county during the first nine months of 1974 shows a total of 125 accidents resulting in six persons killed and 67 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September, 1974, shows a total of 471 accidents resulting in 17 persons killed and 213 persons injured, as compared to September, 1973 with 601 accidents resulting in 24 persons killed and 364 persons injured. This was 130 less accidents, and seven less killed, and 151 less injured in 1974 at the same period of time.

The 17 traffic deaths for the month of September, 1974, occurred in the following counties; two each in Lipscomb, Moore, Farmer, Haskell and Parker; and one each in Castro, Deaf Smith, Hartley, Oldham, Randall, Hale and Lamb.

Pep Rally Nov. 1

By Gail Terry
Friday, November 1 at 3:30 p.m. at the McLean gymnasium a Homecoming pep rally will be held. Everyone is invited to come and join in the fun.

Senior Tea Held

McLean's seniors were entertained Saturday at a tea held at the Pioneer Study Club. The tea was held at the McLean Country Club.

McLean News

Published every Thursday at McLean, Gray County, Texas. Second Class Postage paid at McLean, Texas 79057. Owner and Publisher: E. M. Bailey. Subscription rates: \$5.50 year and neighboring counties \$6.50 per year elsewhere.

Carnival Booths

The organizations of McLean High School are having meetings after meetings wondering what they will do for their booth in the carnival this year.

The FBLA members have decided on the following booths: a spook house, a cake table, the witches brew, and the basketball throw.

The FFA members are still thinking about it; however they think it will be the football throw.

The FHA members have decided on a country store and a coin toss. The coin toss is where the customer throws a nickel or dime in a square without it touching the lines and he will get a prize. Mrs. Hicks, one of the sponsors, said the price would probably be money.

The Tiger Band has not decided yet; however it will probably be the powder puff throw as last year.

H. S. Students Take Harvest Coronation College Exam Tests

The junior students of McLean High School took the annual PSAT/NMSQT tests offered by the College Entrance Examination Board and the National Merit Scholarship Corporation. The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is designed to measure certain verbal and mathematical abilities that have been shown to be related to success in college studies. The questions in the verbal section test ability to understand work relationships and to read with comprehension. Those in the mathematical section test ability to understand and solve problems about numbers and quantities.

Students who take the 1974 PSAT/NMSQT and meet eligibility requirements will be considered for recognition in NMSC-administered programs and for scholarships to be awarded in 1976.

The tests will be mailed back in six to seven weeks with results.

Harvest Coronation McLean High Spirit

Monday, October 21, there was a coronation for the Harvest King and Queen. A costume contest was also held. In the 1-4 year old competition, Wendy Smith, who was dressed as a witch won first; second-Darla McAnear who was dressed as a black cat; third place-Denise Hamilton who was dressed as bat boy. In the 5-8 competition Wendy McDowell won first as a Hollie; 2nd- Mitch Reynolds as an Indian; and Alicia Marsh won third as a box. In the 9-12 year old division 1st went to Susie Billingsley as a lady with a dog; 2nd Frank Todd as a ghost; 3rd- Alicia Ashcraft as a gypsy.

The coronation included a beau and sweetheart from each class 1-12. The main competition went on with grades 6-8 and 9-12. In Jr. high the 8th grade won with royal prince David Tolleson and royal princess JoAnn Morris.

The High school has been competing with each other by several projects going on in the community. At the final decision, the senior class won with Harvest King Charles Stewart and the Harvest Queen Kathy Hale taking the throne for the 1974 year.

McLean High students and faculty have spirit. These people have the kind of pride, determination and pep that will keep on growing until... I'm afraid we might need a new high school because the old one might bust. When I say spirit I'm not just talking about the posters, streamers, and yells in the halls, but the feeling in the air. One can almost hear the snap, crackle, victory as the students gather in the halls. The presence of spirit is an electrical boost to each person who walks into the MHS building. Our tigers know we're backing them and each student who is a member of MHS knows that we're all behind them 100%.

Bonfire Scheduled

It won't be long till Homecoming comes around. In fact, it is next week. Plans are now being made for the event at MHS.

One of the major events will be the bonfire. Everyone has been collecting wood to make a great bonfire. The Flame Queen will be crowned that night. It will be held Thursday night.

We hope to see all the Tiger Fans there. It's going to be an exciting week for everyone at MHS.

Jrs. Sell Mums

The Juniors of McLean High have been trying to raise money for the Jr.-Sr. Banquet. The Juniors are selling mums for the homecoming game against Claude which will be November 1. They are selling Town Crier kits consisting of two year's worth of calendars, two candles, wall scones, and a kitchen set. They also went to the flea market in Pampa on October 5 and sold desks.

Band Prepares For Contest

The McLean Tiger Band, under the direction of Mr. Roger Quibodeaux, has begun the preparation of their 1974 marching contest shoe. The University Interscholastic League competition will be held at Kimborough Stadium in Canyon, on Tuesday, October 29. The McLean Band will march at 1:09 p. m. after Wellington and before Canadian. Judging the contest will be Mr. Bill Dean from Odessa High, Mr. Clyde Wilson of Midland High and Mr. Fred Prentice of Wichita Falls public schools.

Senior twirler Diann Miller and Sophomore twirler Sherry Billingsley will perform solo routines immediately following the marching for judges, Mr. Martin Lindsay of Levelland High School and Miss Patsy Kempson of Plainview Public schools. Contest director for the 1974 competition of Dr. Gary Garner of West Texas State University.

JACK HIGHTOWER

JACK HIGHTOWER was born and raised in the Panhandle and Northwest Texas. He understands this area and its people, offering voters the choice of a Congressman—for a change—who can represent everyone in the 13th District. He is extremely well qualified to serve as your new and effective voice in Washington.

JACK HIGHTOWER knows how to trim budgets and work hard for the best government services at the lowest possible cost. He will work to halt inflation, high interest rates, and bring down the high cost of living.

JACK HIGHTOWER will fight for tougher criminal laws, supplemental water supplies, better educational opportunities.

JACK HIGHTOWER recognizes needs and responds quickly to constituent problems. He can handle tough jobs with fairness and integrity. Elect him to help you get things done in Washington... for a change.

Paid Pol. Adv. by Jack Hightower for Congress Committee. Cleddie Palmer, Chairman, Box 1973, Vernon, Texas 76384

DEMOCRAT FOR CONGRESS

Consumer Education

You aren't going to believe this but the students in the Consumer Education classes are married. And a few even have kids.

Actually they are playing a game, based on keeping a budget. The group of students are given \$833 a month with this they pay for housing, food, utilities, taxes, car payments, etc.

For every month they are given a situation card. These contain emergencies bring up an unexpected expense.

It's fun and makes keeping a budget fun.

Tigers Play Memphis

Last Friday the McLean Tigers played host to the Memphis Cyclones who defeated the Tigers 57-0. During the first half of the game the Cyclones had scored 41 points against the fighting Tigers. This Friday night at 7:30 the Tigers face the Wheeler Mustangs at Wheeler.

FHA Have Project

The Future Homemakers of America in McLean have started a new project called Impact. The members selected secret grandmothers and will give them presents and cards on special occasions through out the year to brighten up their day. At the end of the year the girls will reveal to their secret grandmothers who they are. Another project is to improve school spirit. They plan to involve the football boys in the pep rallies and the students who aren't involved with band, pep squad, or football. The idea of the FHA girls is to unite the school and give it togetherness.

A single dental X ray gives three times as much radiation as the average American would get in a lifetime if all our power were nuclear.

 TEXAS PRESS ASSOCIATION

AUSTIN — Statewide interest in the general election may be running at a near low, a check of local officials across Texas indicates.

Even optimistic forecasters place the turnout in the 50 per cent range. Many doubt the 30 per cent showing of last May's primaries will be improved on much. There are an estimated 5.5 million registered voters.

About 55 per cent of eligible voters participated in the 1970 off - presidential - year election, 48 per cent in 1966. The spotcheck produced these estimates on the turnout:

Harris County (Houston) —40 per cent.

Dallas County—35 to 50 per cent.

Tarrant County (Fort Worth)—30 per cent.

Bexar County (San Antonio)—35 to 40 per cent.

Travis County (Austin)—45-50 per cent.

El Paso—Fewer than 30 per cent.

Even in counties where local candidates are slugging it out, voters don't seem turned on. The governor's race between Democratic incumbent Gov. Dolph Briscoe and Republican Jim Granberry has attracted limited attention.

Observers report voters are burned out politically by Watergate scandals and President Nixon's hasty departure from the White House under fire.

Many voters are said to distrust politicians and proposed political solutions to such major issues of concern as runaway inflation. So apparently — they will sit home November 5, and leave it to a minority to decide who gets elected.

INSURANCE HIKE DUE—State Insurance Board staff members recommended a whopping 16.8 per cent increase in auto insurance, but the Board indicated it may not go for the full amount.

The insurance industry asked for 18.3 per cent average state increases on private auto coverage.

Board Chairman Joe Christie noted that accident and claim data used by the staff cut off Dec. 3, 1973—before speed limits were reduced from 70 to 55 miles per hour and before peak of the winter gasoline shortage.

He used consideration of more-recent data. No decision will be made on the rates, to be effective January 1, until late November, Christie indicated.

Under the recommendations, full coverage comprehensive policies would increase 22.3 per cent on the statewide average, property damage liability 21.4 per cent, bodily injury liability eight-tenths of one per cent and no-fault medical payments 2.8

per cent. Uninsured motorist coverage cost would be reduced 20.1 per cent.

ALLOWABLE UNCHANGED—The November state oil production allowable will remain at 100 per cent of potential for the 32nd straight month.

Texas Railroad Commission agreed on that last week after noting that major buyers asked for 17,582 barrels a day (4,075,201 barrels) less than in October.

Commission Chairman Jim Langdon said leased acreage for exploration is about as high as it has been in 15 years and drilling applications have increased 40 per cent. Actual increase in drilling is about 15 per cent. Langdon said the increase would be far greater if it were not for a shortage of pipe and drilling rigs.

AG OPINIONS—Waiver of a city-owned utility's obligation to make payments to the parent city is not an unconstitutional gift but merely a rate reduction, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- Copies of tests and test results on mobile home tie-downs should be made public on request.
- Public officials must confer with employees over grievances.
- Child care facilities operated by local mental health units or other political subdivisions are exempt form licensing requirements.

CROPS FORECAST—Texas upland cotton production this year is expected to decrease more than 1.5 million bales from 1973, to a level of 3.1 million bales, according to Agriculture Commissioner John C. White.

However, White said the October outlook for most Texas grains—rice, corn, sorghum and soybeans—remains good. Rice production is expected to top 25 million hundred weight bags in the state—an increase of 23 per cent from 1973 totals.

The Commissioner sees corn production at 69.7 million bushels, sorghum at 925 million bushels and soybeans at 6.5 million bushels. He said 1974 will be a good year for pecan production, estimated at 40 million pounds.

Weather—drought, followed by a cool, wet September—was blamed by White for the decline in the cotton yield.

HERITAGE DAY OBSERVED—October 14 was Family Land Heritage Day honoring Texas farmers and ranchers whose families have worked the same land for 100 years or more.

Nearly 1,500 attended special ceremonies at the Department of Agriculture Food and Fiber Pavilion at the State Fair in Dallas.

The Bible Doctrine of Hell

"And these shall go away into everlasting punishment; but the righteous into life eternal." (Matt. 25:41)

The word of God teaches that the state of life after death is divided into two parts, and that there is a great gulf fixed between them. (Lk. 17:19-26) And after the judgement, there will still be two parts or places, in one of which every person shall live eternally. (Mt. 25:41-46) One place is heaven; the other is hell. Hell is the opposite of heaven; hell will be as terrible as heaven will be wonderful, and hell will be the eternal abode of the devil and his followers, as heaven will be of Christ and the righteous.

Jesus speaks of hell as a very real place: "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" (Mt. 23:33) In the sermon on the mount, Jesus speaks of the dangers of hell, (Mt. 5:22, 29, 30) and even the most liberal theologians of the day accept the sermon on the mount Jesus' teaching.

We need to develop a mature realization of the reality and terrors of hell; for through mercy, grace and love are higher motives than the fear of hell, sometimes people must see death to appreciate beauty, bondage to appreciate liberty, and the horrors of hell to appreciate the blessings of heaven. Some people have no more idea of hell than the concept of being burned on a stove, and hell is a great deal more severe than such ideas ever realize.

One can appreciate the reality of a thing by a foretaste of it. You can appreciate the reality of heaven by tasting it here on earth in the kingdom of heaven, where it is said that we "taste the powers of the world (age-ASV) to come." (Heb. 6:5) To be in the Lord's church is to get a taste of heaven in advance. On the other hand, one can get a taste of hell on earth too, for hell is the ripening or maturing of all the fruits of hate, envy, strife, jealousy, wickedness, and everything separate and opposed to God.

Hell is the summit of all hatred, a place, Jesus said, where "there shall be weeping and gnashing of teeth." The gnashing of teeth implies hatred, as in the case where the Jews gnashed their teeth at Stephen, then cast him out of the city and stoned him to death. (Acts 7:54-58) Hatred is the ugly spirit of Satan; it will consume the one who allows it to rule him. Bitter hatred will be a part of the terror of hell. Having company in hell will be no consolation, for there will be no friends there: all will be bitter enemies, hating one another.

Hell is described in Rev. 21:8 as "the second death." Death is a separation, in this case an eternal separation from God and from all of God's attributes--life, health, strength, love, peace, righteousness, happiness. (2Thess. 1:9) Think of a community separated from every aspect of holiness, righteousness, peace, and happiness, and you visualize something of what hell will be like.

We will continue the Bible doctrine of hell next week.

CARD OF THANKS

We will ever be grateful
 to our friends for their kind-
 ness following the death of
 our father and grandfather,
 Olen Davis. We deeply ap-
 preciated the cards, flowers,
 prayers, food, and words of
 sympathy.
 The Family of Olen Davis

CARD OF THANKS
 We want to thank our friends
 and relatives for the many
 cards, flowers, prayers and
 visits while our mother was
 in the hospital. We also want
 to thank the hospital staff for
 what they did. The children of
 Julia Cooper

PUBLIC NOTICE

CITATION BY PUBLICATION
 THE STATE OF TEXAS
 TO: ALL WHOM IT MAY
 CONCERN:
 GREETINGS:
 YOU ARE HEREBY COM-
 MANDED to appear and an-
 swer before the Honorable
 31st Judicial District Court,
 Gray County, Texas, at the
 Courthouse of said County in
 Pampa, Texas, at or before
 10 o'clock a.m. of the Mon-
 day next after the expiration
 of 20 days from the date of
 service of this citation, then
 and there to answer the peti-
 tion of LINDA G. BOWERS,
 Petitioner, filed in said
 Court on the 15th day of
 October, 1974, and said
 suit being numbered 19,081
 on the docket of said Court,
 and entitled "In The Interest
 of LUCRETIA DAWN RICH-
 ARDSON, a Child", the
 nature of which suit is a re-
 quest to Terminate Parent-
 Child Relationship. Said
 child was born the 23rd day
 of May, 1974, in Pampa,
 Texas.

The Court has authority
 in this suit to enter any jud-
 gment or decree in the
 child's interest which will be
 binding upon you, including
 the termination of the parent
 child relationship and the
 appointment of a conserva-
 tor with authority to consent
 to the child's adoption.
 If this citation is not serv-
 ed within ninety days after
 the date of its issuance, it
 shall be returned unserved.
 The officer executing this
 writ shall promptly serve the
 same according to require-
 ments of law, and make due
 return as the law directs.
 Issued and given under my
 hand and the seal of said
 Court at Pampa, Texas, this
 16th day of October,
 1974.
 Helen Sprin
 HELEN SPRINKLE
 Clerk,
 31st Judicial District Court
 Gray County, Texas,

 Bailey home over the week-
 end were Mr. and Mrs.
 Matthew Bailey and Allen
 of Plainview, and on Satur-
 day and Monday were Mr.
 and Mrs. Curtis Southerland
 of Plainview and Mrs. Kathy
 Southerland and Bradley of
 Wellington.

RANGE MANAGEMENT

Range Management is the
 science and act of obtaining
 maximum production from
 rangeland consistent with
 conservation of the land re-
 sources. It involves a broad
 spectrum of disciplines - from
 agronomy to wildlife. Altho-
 ugh range management is of-
 ten overlooked, it is the basis
 of the ranching industry. The
 main product of rangeland in
 Gray County is grass; which is
 harvested by cattle and conver-
 ted to beef. Rangeland also
 furnishes food and shelter for
 gamebirds, deer and antelope,
 which can be harvested by pay-
 ing hunters to furnish addition-
 al income to ranchers.
 Ranchers in Gray County
 have an opportunity to increas-
 their forage and livestock pro-
 duction by several range man-
 agement practices, such as
 brush management, range
 seeding, better grazing distri-
 bution, grazing deferment,
 planned grazing system and
 proper use and better distribu-
 tion to increase and maximize
 forage production. Also, prop-
 er location of fences, water
 facilities and salt aids in ach-
 ieving grazing distribution
 over the whole pasture to elim-
 inate heavy spot grazing. All
 these practices center on the
 management of the main range
 products - grass. Just as peo-
 ple need rest and food, so
 do plants. For information on
 how you as a rancher can pro-
 duct more from your rangeland
 visit your local Pampa Soil
 Conservation Service office.

TODAY- WITH ELECTRIC HEAT

ASK ABOUT OUR
 BRIGHT STAR IN
 THE GALAXY OF
 ELECTRIC HEAT!

If you could take a peek into the world of
 the future... you'd see a lot of things that
 would amaze you. But one thing we don't
 think will surprise you is that electricity in
 its familiar "switch-flipping" form will still
 be around. And, the people of the future
 aren't going to be any less comfort-conscious
 than we are, or any less concerned about
 saving energy.
 Today's answer to saving energy while main-
 taining comfort? The heat pump - one unit
 that both heats and cools your home. For
 answers to all your questions about home
 heating, call us for a free electric heat cost
 survey... and ask about the Bright Star in
 the Galaxy of Electric Heating... the heat
 pump!

The Future Is Electric!

Baptist Women Have Bible Study

By Mrs. Luther Petty
The Baptist Women organization of the W.M.U. met Tuesday afternoon in the home of Mrs. A.C. Wood, for Bible Study with Mrs. Leo Gibson giving the opening prayer and Bible lesson was led by Mrs. Herman W. Bell found in Acts 1 and 2 with the "Recipe for a Missionary" being the subject, and all members participated by reading various scriptures. The Calendar of Prayer was rendered by each member drawing the name of one or more names of birthday missionaries from the mixing bowl. Dismissal was by all joining hands as Mrs. Oba Kunkel led in prayer.
Those attending in the

Time To Change Sunday, Oct. 27

Midnight, Saturday, October 26, is the date set for the annual turning back of clocks one hour to compensate for the 1 hour loss daylight savings time subtracts in the spring.

Students attending McLean Public Schools will be arriving one hour earlier Monday morning for classes due to the time change.

rain were Mesdames Bill Pettit, Jerry Ellison, Oba Kunkel, A.C. Wood, Dennis Stewart, Luther Petty, Raymond Smith, Leo Gibson and Herman Bell.

The next meeting will be November 11 in the home of Mrs. Bill Pettit.

THPD Training School To Begin

A training school for 110 new State Troopers with the Texas Department of Public Safety will start February 11, 1974 Major C. W. Bell, Regional Commander, announced today.

"We have several new benefits to offer qualified applicants," Bell said. "For instance, the pay during training is \$651.00 per month. Upon commission this salary is increased to \$743.00 per month; after six months of law enforcement duty this is elevated to \$768.00 and further advanced to \$820.00 upon completion and twelve months' law enforcement experience.

To qualify for employment in the uniformed services of the DPS, an appli-

cant must be between the ages of 20 and 35; good moral character; excellent physical condition; weight proportionate to height; visual acuity of 20/40 or correctable to 20/20; a citizen of the United States; and a minimum of sixty semester college hours.

For complete information concerning the position of trooper, training and Bell asked that those who are interested contact the nearest DPS trooper or office. "In return," he said, "They will receive complete information in regard to application and employment procedures."

Governor Briscoe Secretary of Agriculture Earl Butz to declare Presidio and El Paso Counties disaster areas due to recent winds, hail and rain.

You can make a five-minute call to New York for:

\$3.94

A three-minute person-to-person call costs the same, no matter when you phone. But rates for extra minutes are lower between 5 p.m. and 8 a.m. Monday through Friday and all hours Saturday and Sunday.

\$2.54

That's the rate for a credit card, third number or collect call Monday through Friday, 8 a.m. to 5 p.m. The same rate applies on calls from coin phones or hotels.

\$2.19

Dial your call One-Plus Monday through Friday between 8 a.m. and 5 p.m.

\$1.80

Make a credit card, third number or collect call—or phone from a coin or hotel telephone—Monday through Friday, 5 p.m. to 8 a.m. or any time Saturday or Sunday.

\$1.25

Just dial the One-Plus way Sunday through Friday evenings between 5 p.m. and 11 p.m.

\$1.05

Rates are lowest when you dial One-Plus between 11 p.m. and 8 a.m. daily, Saturday between 8 a.m. and 11 p.m. or Sunday, 8 a.m. to 5 p.m.

Take your choice

Any way you go, it's a bargain. So travel by Long Distance... and stay awhile.

Like to have more information about Long Distance rates? Fill out and mail the coupon. We'll send you a free guide that shows you the best times to call and gives examples of rates to major cities.

Participate in America's 1974 election. It's free. It's freedom. **VOTE** November 5

The primaries are over, but the important contests are yet to come. Between now and November 5 when millions of voting Americans cast ballots on issues of local and national importance, candidates will be campaigning hard. Get involved. Ask questions, write letters, find out what their positions are on problems that bother you most. An informed voter is the best assurance we have for a living democracy.
