Serving McLean and the Area Since 1903

McLEAN, GRAY COUNTY, TEXAS - THURSDAY, OCTOBER 30, 1975

NUMBER 44

Allison Is Elected SWCD Director

James Allison was recently elected as a Director of the Gray County and Water Conservation District. James will represent the McLean area on the board. The Gray County Board is responsible for coordinating and developing programs to conserve water in the County. The board also serves as a clearing house for information and services. Allison will serve a five-year term as director.

McLean Hospital Rates To Go Up

The Gray County Board of Hospital Managers has approved a hike in hospital room rates, to be effective November 1. Private room rate will be \$100 per, and semi-private room rates will be \$75 per day. We regret this action is necessary, but it is to offset the high cost of maintenance and operation.

Methodist Youth Collect For CROP

The United Methodist Youth Fellowship will be collecting for CROP on Sunday, Nov. 2. We wish to donate leave your porch light on. We appreciate your support.

Halloween Carnival Saturday

Recipes Needed From Gray Co.

Gray County cooks are invited to submit their favorite recipes for publication in the winter issue of TDA Quarterly, a Texas Department of Agriculture consumer-oriented magazine.

Recipes unique to the Plains area and old-time specialties will be stressed. However, any good recipe will be considered. Agriculture Commissioner John C. White said.

Since cattle are important to the Plains area, a special look out will be kept for beef recipes.

In addition to recipes, old-time methods of food preservation in danger of disappearing will be printed. Anyone with tips from the past on preserving foods is invited to send them in, White said.

Deadline for submitting recipes and hints from the past will be November 21.

Mr. and Mrs. Bobby Hudson of Norman, Okla. visited her grandparents, Mr. and Mrs. T. E. Crisp over the weekend. Also visiting the Crisps recently was Mr. and Mrs. Richard Crisp of Russell, N.M. and Mr. and Mrs. Arch Crisp of Walsenburg, Colo. The Crisps in return visited for a few days in Colo.

Voters To Vote On Constitution Saturday, Nov. 4

The voters in McLean and Alanreed will go to the polls on Tuesday, Nov. 4, for the purpose of voting for or against the proposed revision of the Constitution of the State of Texas submitted in the form of eight separate amendments.

The election will be held at a new place this year. It will be held at the Senior Citizen's Hall, located on Main Street. The polls will be open from 7 a.m. until 7 p.m. with Mr. S. A. Cousins as the presiding judge.

Pee Wees Get 3rd In Lefors Tournament

by Betty Holmes

Pee Wee gridders wrapped up their 1975 season Sat. afternoon with a third place trophy from the Lefors 2nd Annual Boys' Football Tournament.

Fritch, an all 6th grade team, scraped by the McLean players to a 7-0 victory. The close game saw no scoring action in the first half and one McLean penetration within the 20 yard line.

The score held 0-0 until the fourth quarter when Fritch got two breaks that decided the game. The first came about as Fritch regained possession of the pigskin after their own 4th down punt, which went straight up, hit a McLean player and was covered. McLean's second fatal flaw came when they fumbled the ball on their own 39, giving Fritch the opportunity to score.

Coach Cecil Reynolds viewing the older team said, "We gave them quite a run for their money!"

The McLean defeat put the local Pee Wees in the bracket with Lefors to vie for the third place title. McLean proceeded to stomp over the little Pirates and win the contest 34-0 bringing home the third place trophy.

Visiting in the Leon Nall home sometime during the past week was nephews and nieces of Leon's Mr. and Mrs. Ruel Barrow of Bovina, Mr. and Mrs. Martin Nall, Mr. and Mrs. Clyde Putman of clarendon and Regina and Briget Spears and Mr. and Mrs. Lloyd Best of McLean. While they were all here they called Elmo Nall and everyone talked to him.

Citizens To Preserve The Texas Constitution

The chairman of Citizens to Preserve the Texas Constitution says the campaign to defeat constitutional revision in the Nov. 4 election is gaining to defeat constitutional revision in the November 4 election is gaining ground rapidly with the help of Governor Dolph Briscoe.

State Senator Peyton McKnight of Tyler said the Governor's decision to oppose all eight propositions on the ballot "came after his own careful analysis which convinced him the present Constitution is far better than the revised version written by the Legislature."

Citing reports of voter apathy, McKnight called upon Texans to familiarize themselves with the issues and vote next Tuesday.

"I believe that most people who study the proposed new constitution will vote against it," he said. "But if a voter hasn't had time to examine every controversial provision, then I think he or she should play it safe and keep our present Constitution by voting no."

Keep Halloween Enjoyable This Year

Halloween is just around the corner, and it won't be long til the little ghosts and goblins celebrate their big night October 31. But too many children -- and adults have found the fun to be short lived because of carelessness or lack of awareness.

The Great Pumpkin can prove a greater disaster if you're not careful. If you use nature's product, the pumpkin, always instruct children to carve away from -- not toward -- themselves as they create Jack-O-Lanterns. As far as lighting the will-o-wisp is concerned never use candle or other battery-operated light is even best for the natural pumpkin -- it glows just as well, and is much less a fire hazard.

Don't costume your little trick or treaters in flammable outfits.

Accompany the small fry when they go a-haunting.

Beware of any suspicious treats. Instruct your youngsters to refrain from eating anything until they have arrived home where it can be carefully inspected.

Be a responsible parent. Some children, especially older ones, may

Wheeler Slips By Tigers 12-10

The visiting Wheeler Mustangs scored on the opening drive of the second half to go ahead for the first time, then held on for a 12-10 victory over the home town Tigers.

The Tigers scored with five minutes remaining in the first quarter when Sammy Haynes raced untouched 10 yards for the score. The extra point kick by Morse Haynes was good, and McLean led 7-0.

Then with 4 min. 58 sec. remaining in the 1st half, Wheeler quarterback, James Gutrie fired a 20 yard strike to Robert Wills for the score. The extra point kick failed and Wheeler narrowed the Tigers lead 7-6. With only 11 seconds showing on the clock Morse Haynes booted a 23 yard field goal to push the Tiger lead to 10-6 at half-time.

The second half spelled defeat for the Tigers, as the Wheeler offense took the ball 70 yards in 12 plays for the winning touchdown. Again the extra point failed and the game ended with Wheeler on top 12-10.

Coach Mears commented, "We played better than we have the last two weeks. But it looked like we had a mental let-down when Wheeler scored their second touchdown."

McLean is now 3-4 on the season while Wheeler is also 3-4.

Tigers Travel To Claude Friday

The Tigers will travel to Claude this Friday to take on the Mustangs.

The Tigers are 3-4 for the season and 1-3 for conference play while the Mustangs are 2-5 for the season and 1-3 for conference play. It should be a good game and the Tigers would like to have everyone out to see it. The game starts at 7:30 p.m.

QUESTION

How did the writers of the Bible know the following scientific facts so many centuries before "scientists" discovered them?

FACT	DATE OF DISCOVERY	BIBLICAL LOCATION
Man and woman possess seed of life.	17th Century	Gen. 3:15
There is a place void of stars in the north.	19th Century	Job 26:7
The earth is round.	15th Century	Isa. 40:22
Day and night occur simultaneously on earth.	15th Century	Luke 17:3
Certain animals carry diseases harmful to man.	16th Century	Lev. 11
Antibiotic for disease control.	17th Century	Lev. 13
Kind of animals carries disease.	17th Century	Lev. 17
Kind necessary for survival of life.	19th Century	Lev. 17:1
Plants have natural paths to them.	1854	Psa. 8:8
Plants contain fresh water springs.	1920	Job. 38:16
Oil has material value.	1905	Job. 38:22
Certain numbers of stars.	1940	Gen. 15:5
Light is important to survival.	1935	Isa. 40:12
Spencer's scientific principles.	1820	Gen. 1
Plants move through space.	19th Century	Job. 38:32
Water cycle.	17th Century	Eccl. 1:7

How DID these various writers KNOW these facts before "learned men" of the world discovered them? THE ONLY TRUE AND LIVING GOD, told them! He is the only one that is concerned about YOU. Read Psalm 139, then consider: "The Lord is not slack concerning his promise, as men count slackness; but is longsuffering to us-ward, willing that any should perish, but that all should come to repentance." Texans:

If you are tired of bigger government and higher taxes, vote NO on the proposed new constitution November 4.

Don't give future Legislatures a blank check.

The Houston Chronicle calls the new constitution "a dangerous document." Governor Dolph Briscoe warns it will "lead us down the road to a state income tax."

Governor Briscoe says: "It is my personal view that the current Constitution under which Texas has grown and prospered for a century is preferable to the proposed new constitution. Accordingly, I believe it is in the best interest of Texas that all eight propositions on the ballot be rejected."

Play it safe. Keep our present Constitution by voting NO on Tuesday, November 4.

Rachel Glenn - Tommy Eck Are Harvest Queen and King

By Gina Layne

The annual Harvest Coronation was held Tuesday night in the high school auditorium immediately following the costume contest for grades one through six. The 1975 Harvest Queen and King are Rachel Glenn and Tommy Eck from the Freshmen class. The winner was based on the amount of money raised by each class for the class candidates. The senior class candidates were Janet Smith and Gary Danner; junior class Maridale Glass and Kenneth Parker; sophomore class - Leisa Gabel and Curtis Simpson. These candidates were elected by the classes they represented.

Judy Trew and Mike Smith were crowned as the 1975 Royal Prince and Princess. Candidates from each class of grades 1-8 were eligible for winning. Each person in elementary and junior high voted for their favorite candidates and the ones with the most votes won. The seventh grade candidates were Rosanna Eck and Mark Morris; sixth grade - Donna McAnear and Bick Horn; fifth grade Eva Anderson and Eric Stokes; fourth grade - Maria Eck and Elson Rice; third grade - Paige McDonald and Von Holwick; second grade - Melanie Billingsley and Rodger Smith; and first

Roving Reporter... A Message To Burglars

Hello art lovers! This is your Roving Reporter with a special feature for art lovers and people who just like to read.

I had a very exclusive interview with a very famous artist who was raised in McLean and resides now in Amarillo. The western artist is none other than Joe Mercer the son of McLean's best loved cook, Pearl Mercer.

Joe Mercer never had art lessons as a kid but the talent was always there. He started drawing horses at the age of nine and more recently sculpturing horses and other wild life in a mixture of petroleum and bees wax. The molds are then cast in bronze and an average of 14 castings are made then the mold is broken. Joe doesn't limit his talent to sculptures he also paints and many people can prove he can really put together a mean hanging lamp.

October 19th, Joe Mercer returned to McLean with several examples of his talent. He exhibited his art in the McLean Lovett Memorial Library. When I asked M. Mercer how it felt to return to this home just Joe Mercer, he replied, "I really enjoyed returning home and being able to visit with old friends and teachers." Mr. Mercer is some man I ought to know he's my uncle.

Junior Class Have Hayride

The Junior class sponsored a hay ride last Saturday night. Complete with wagon, hay, and freezing kids.

The hay ride left the High School parking lot at 7:00 p.m. and headed for Back's lake not to return until 10:30 p.m. Several exciting events happened although it was fairly cold everyone had a nice time.

Afterwards everyone was invited to Miss Gillispie's for hot chocolate and plenty of warmth.

A Message To Burglars

by Beth Hambricht

The McLean High School was burglarized over the past weekend.

We would like to inform the people that are planning to break into the school anytime in the near future that they are planning in vain. There will not be any money left in any of the classrooms or in any of the offices. All of the portable equipment is marked with the school's tax number and is traceable.

The advice to you that are planning anything of this type of thing is to forget it.

Tiger Post Memory Lane

1934

by Carolyn Bailey

Last week the McLean livestock team of last spring received their free trip to the Kansas City Royal Livestock Show, which was given to them by the Rock Island Railroad.

The Tigers of McLean high school are again settling down to serious work in preparation for the invasion of the Clarendon Broncos on Tiger Field, November 2.

The football queen will be crowned Friday night.

1935

The livestock judging team consisting of Verna Harris, Arthur Ledbetter, Cecil Jones and James Lee Rice, accompanied by their instructor Clyde Magee, have just returned from Kansas City, where they have been attending the American Royal Livestock Show.

1944

The Wellington Sky-rockets proved to be too much for the McLean Tigers and defeated them with a score of 45-0.

A boys' chorus is now being organized for the boys in high school that are interested in singing.

by David Dorman

The chili supper was a great success with over 150 people attending in the cafeteria, Friday night. The money raised from it will be for the Senior Harvest King and Queen candidates.

Players Of The Week

by Teresa Mounce

Coach Robert Mears named Dean Trew and Marty Duniven as players of the week. Dean was named as the defensive

player and Marty as offensive player. Coach Mears commended the two players on their standing performance the Wheeler game.

Tiger Band Gets 3rd Rating

Tuesday, Oct. 28, the McLean Tiger Band left at 5:45 a.m. for marching contests in Canyon. This is an annual event sponsored by the University of Interscholastic League. Here bands from all over the area compete against each other.

At 10:39 a.m. the band

marched with a north wind.

The band received a division rating which classed as good.

The twirlers also entered into the U.I.L. competition. The twirlers Cherrie Billingsley Tammy Pierce, received a 1st division for superior, and a 2nd division for excellency, respectively.

CARD OF THANKS

IN MEMORY OF NANNIE E. WILLIAMS

We the family want to thank each and everyone of you for your kindness to our families while we were here. We all appreciate the flowers, food and donations. We thank the Baptist Church for the lovely lunch they served us.

Sincerely, John E. Williams and Family Charley T. Williams and Family

At this time words seem so inadequate, but I must express my sincere thanks to all of you for the many kind deeds shown me and my family during the past five years. I deeply appreciate your allowing me to use the strength your prayers and thoughts provided me.

May God bless each and everyone of you. Mrs. Clifford Allison and family

spotted a big aoudad ram that had stepped into a number four coyote trap and was dragging the trap wherever he went. The rancher contacted the Texas Parks and Wildlife Department and Ainsworth and Stevens were on their way.

The wardens debated roping the ram but after driving the big sheep into a canyon where the trap and drag hung on a rock as the ram jumped over a cliff, there was no time.

CATTLE SUPPLY - PRICE Cattle slaughter set a record for the week ending October 11. For the first time total number of head slaughtered exceeded 800,000 head. One would think this would put the market in a state of panic. Beef prices did tumble as much as \$4.00 to \$5.00 but seems to have made a recovery or at least stabilized some what this week. Two things are working in the cattlemen's best interest. First, total red meat production was down from a year earlier. This is due mainly because of the fact pork production is off twenty five percent from a year earlier. The average live weight of cattle slaughtered is down from 1016 pounds to 990 pounds. The dressed weight was off from 608 pounds in October 1974 as compared to 569 pounds in October 1975.

A continued plus factor is the fact that hog producers are not planning any big expansion in the near future according to a U.S. D.A. survey "and if farmers follow through on earlier plans to cut hog production this year, pork consumption could drop ten pounds from last year to 54-56 pounds per person-The smallest level in 40 years. And per capita pork supplies could prove the sparsest since 1937. The report indicated total meat supplies will continue to lag year earlier levels for the remainder of 1975. And retail meat prices will stay on the high side compared with previous years.

WHEAT CONDITIONS

If we continue another 3 to 4 weeks without moisture-The only wheat pasture you will see will be a few acres of irrigated. Even the irrigated isn't looking good. It usually takes a good rain to make wheat pasture whether it be irrigated or dry land. The dry weather starts in the Southern part of the Great Plain and extends into Canada. Most of the wheat belt of Oklahoma, all of Texas of Northward into Kansas looks very bleak at this time. We think this might have an upward pressure on the wheat market. Lifting the export ban might also have beneficial effect on the market. Wheat farmers and Gray County oil operators might be just as well off that the oil-wheat deal was not consummated at the same time.
