Governor Submits Bill Defining Oil Theft

Arrangement Of Building Is Ingenious

Beauty And Utility Com-bined In Commodious Local Structure

Besides being one of the most modern and adequate municipal buildings in Texas, the new city half and auditorium is a masterfrom the standpoint of ar

rangement.

Stretching for nearly a handred yards between East Fourn and introduction with and auditorium presents a tretty spectacle. prefty spectacle. The main entrance on East Third

street (Broadway of America highwa;) leads into the magnificant auditorium. Color schemes, al-though conservative, show a tentendey to modernism without less of dignity. Ten massive chandliers from the lofty ceiling. High in the rear is a large projection room.

From the furtherest seat in the

house conversation can be heard plainly from the stage.

Balcony chairs are regular opera-seats. Dewnstairs the chairs are heavily padded. Parquets and rows

and seats are plainly marked. To the front ample orchestra pi space is provided. The stage is large enough to contain a basket ball court. Lighting effects will give shades varying from bright day to deep moonlight. The stage can be flooded in fiery red, a soft resy glow, a hazy blue, or faint yellow it the twinkling of an eye. An automatic centrol beard pre-vides for instant changes to fit th

Dressing

Compact creating Toons rise on three levels on the west side of the stage. From the same wing proects a loading platform. Materials may either be brought to the audiorium from it or easily transferred to the boiler room below.

Above the boiler room is the water department's equipment room Here meters will be stored and tested. Necessary materials will kept on hand to prevent delay

when emergencies arise. To the front lie quarters for fire-Already they have taken out their salaries enough to buy a billards table for the recreation "Some whisper that the city

FORT WORTH—W. N. Waddell, thought us a table, said one of the firemen, but we took it out of our own pay."

Lacking only a stove, table, and retrigerator, the kitchen presents a neat appearance. It is immaculately white and everything is kept very clean. Forward sleeping quarters for the firemen are kept in orderly fashion. Beds, all alke in covered with green bedspreads. There is no variation. Each bed is made up perfectly.

The body is at the Harveson & held for the mission asking that the city commission asking that an election to pass on issuance of \$200,000 bonds for the purpose, be called.

The commission called the election for June 16, 1931, and on that day 987, votes were cast. The vote was:

On June 11, a few days before that the city commission asking that an election to pass on issuance of \$200,000 bonds for the purpose, be called.

Bond Measure Compromise Is Completed

Assumption Measure Ready For Action Late Thursday

AUSTIN (A) Representative-lubbard, New Boston, member of he house conference committee on he highway bond assumption bill. gaid the joint conference committee had agreed on terms of compromise for the bill which were to be ready for action of both houses late

Thursday.
He said the conference report provided for state assumption of only those portions of bond issues that had been used in actual con-struction of state highways. As-sumption of bonds used to purchase right of way may be precluded.

Bland Tandy St Texas Girl Of Fine Ability The International Cowley Entertainers of the Lions club of San Angelo, who have attained an international reputation by their music at Lions International conventions and have been designated as the best musical organization maintained by any Lions club in the world, will appear this evening at the formal opening of the municipal building and auditorium. Members, shown above, are left to right, dim Elslop, Louis Hall, Joe Haddon, Jake Houston, Lloyd Grave, Frank Meadows, Harold Westbrook Broome. Fay Bland Tandy West Texas Girl

Fay Bland Tandy, soloist for tonight's opening program of the municipal auditorium, is a West Texas gerl whose ability as a singer has made her popular for programs of this kind, and other musical affairs, throughout Texas.

Municipal Building

In private life she is Mrs. H. B.
Tandy, wife of an Abilene physician, and mother of two. She
is a daughter of Mr. and Mrs. R.
L. Bland of Abilene.

She studied in Trinity university, Waxahachie, of which she is a graduate. Her instructor there was Clark Leaming. For several years ebe, studied with two of the southstructure, myetler Dum, 'anticur,' Ted Sullivan

In addition to her work as ist she has apepared repeatedly in program of the Musical Coterie, Abilene, and has directed choirs. One of her most successful appearances was last year in Abilene Patman Holds Payment when the Abilene Orchestra and Oratorio Society under direction of Christian Thaulow presented popular gems from symphonic and

operatic literature. In that program the world's best known operatic quartet, the Rigolette, was presented with Mrs. Tandy as Gilda.

Holders Of Tickets . Who Will Not Attend

for tonight's opening program of the city auditorium and municipal building, but who find they will be unable to attend are urged to re-

this way to the governorship.

Texas Hiways On US Layout

Funds Available For Use In State

FORT WORTH, (UP) Construc tion of 1,500 miles of surfaced roads in Texas is embodied in the \$10,-000,000 emergency highway pro-gram approved by Federal District Engineer C. E. Swain here.

A total of \$9,864,621 in federal unds is available for highway construction in Texas, Swain said. The national government set aside \$7. 646,201 for Texas under the recent unemployment relief act. A to-tal of \$2,200,000 remains in the state's regular federal aid fund. First projects of the relief proway commission at Austin Sept. 19 and 20. Swain completed examination of the program.
