**OSMA HAS NO DEFENSE FOR US**

Osma, it appears at this writing, is eager to improve any impression repeat that is labeled "Osma" or "military," but equally unwilling to face up — in an election year — to what President Roosevelt predicted would be "one of the hardest and most demanding tasks that the coming session of Congress must face."

The granting, which followed the passage of the bill for aid to such lands as public assistance, social insurance, agriculture, housing, public works and hospital construction, have into them with the subsequent unveiling of the President's farm message. From Lincoln's Democratic Senator Lincoln to Vermont's Republican Senator Allen, the "Osma's friends" in Congress vote up in work at a program that called for lower price supports, fewer crop controls and more opportunity for the farmer to run his own business and profit by his own good judgment.

But, even if they should choose to turn themselves on a program that might possibly be helpful to the farmer as well as the rest of America, our lawmakers should not be too busy to signing off the book on the military and the Osma side get before them.

They might, for instance read the message from the January 24th radio address of Brig. Gen.

The News Reel

From The Stormman, Jan. 24, 1939

Mrs. M. J. Kibben, teacher by profession and a pioneer resident of Ozona, was found dead in bed at her home here early Wednesday morning. She had been in poor health for some time. "Mummy Kib" was a pioneer hotel keeper here, caring for sicklema in the early days when she was a "mummy" to every toothy in the county.

Designation of W. A. Kay as local manager of the Ozona Telephone Co., now owned by the Mid-Century Telephone Co. of Corsicana, was announced here this week by Herrick Johnson, president of the company. Mr. Kay has been succeeded by W. H. Smith of Dawson, Texas, operator of twelve exchanges out of Dawson who will be in charge until a permanent manager can be found. All-night telephone services for Ozona beginning Feb. 1 was promised by Mr. Johnson. The rates will be raised on that date and the additional service offered. Hereafter the exchange has closed at 10 p. m. with only emergency service after that hour.

Construction work was started this week on the wholesale station of the Humble Oil & Refining Co. The station will have four tanks with a capacity of 12,000 gallons. There will be an office building, warehouse and double garage. Clyde Buebe of Barnhart will be local manager, under the supervision of C. C. Luther, Barnhart, Humble agent.

New and proposed extensions to railroads in West Texas include: Branch from Orient at Big Lake to Siles; Yates & West Texas, from Sheffield to Rankin, charter applied for; proposed line from Barnhart to Ozona; proposed Santa Fe extension from San Angelo to Del Rio; proposed extension from Menard to Junction.

Ernest Gallimore and Rev. Perry Evans of San Angelo were here Friday in the interest of the San Angelo Baptist Hospital.

Kern Coates, brother of the late

San Angelo, died in his home Tuesday morning.

Mrs. E. S. Smith was elected chairman of the Ozona Cemetery Assn. in a meeting last week. Mrs. W. E. Smith was chosen secretary-treasurer.

Sale of approximately one section of ranch land in Crockett county by Collins Oakes to John W. Henderson, Jr., was reported here this week. The land sold for \$15 an acre, one of the highest prices paid for land in this section for some time.

Progress of sheep-washers eradication work in Texas is indicated by the December report of J. H. Raso, chief inspector, showing only 171 head have been infested during the month, and 169,102 free from scabies. Four quarantines were issued during the month, nine released, leaving 15 quarantined premises in the state.

Mrs. Greene Cooke and infant daughter are recovering from the flu. Marshall Cooke, her small son, is also ill.

Mrs. Lee Childress was elected president and Mrs. W. E. Baggitt vice president of the Ozona Woman's Club at the annual meeting for the election of officers held Tuesday afternoon in the home of Mrs. W. E. West. Mrs. Childress succeeds Mrs. A. C. Hoover as president of the club.

A dividend of 6 percent was declared on shares of the Ozona National Farm Loan Assn. at a meeting of directors following the annual meeting of stockholders at the courthouse Tuesday, Jan. 8. This is the second dividend paid by the Association, which paid a 14 percent dividend the first year of operation. All officers and directors were re-elected. S. E. Couch is president, Chas E. Davidson, vice president, and N. W. Graham secretary-treasurer.

West Texas ranchmen no longer will suffer the depredations of at least five of the big Mexican

black' vagabonds that infest the stock raising section. That many eagles have been sent to their rewards in the past week by Vernon Cox, Crockett county ranchman. All of the eagles were caught in traps Mr. Cox had set for coyotes.

Cattle Open Strong; Weather Market Dovesops

FORT WORTH — Offerings of livestock were small at Fort Worth and at other points around the major market circle Monday as a big storm moved into the midwest and southwest states. Certainly that supplies of livestock would be short the rest of the week, stirred a strong demand for all classes, and prospects for one of the better weeks of the winter season so far as prices were concerned were very good at the outset.

Slaughter steers were strong to 50 cents higher, and yearlings and slaughter calves were fully steady to strong. Cannons and cutters and bulls sold fully steady, while fat cows were steady to weak. Stocker and feeder ruled fully steady, quality considered.

Good and choice slaughter steers cashed at \$22 to \$25, and yearling cattle sold on up to \$27.50. Common and medium sorts sold from \$15 to \$22. Fat cows cashed at \$15.50 to \$18, while cannons and cutters cashed at \$9 to \$16. Bulls returned \$15 to \$20.

Good and choice slaughter calves cashed at \$23 to \$25.50, and some baby beef kinds sold to \$27 and \$27.50. Common and medium slaughter calves sold from \$15.50 to \$22, and culls drew \$12 to \$15.50. Good and choice stocker calves sold from \$24 to \$27.50, and similar grade heifer calves sold from \$25 down. Stocker steer yearlings moved at \$26 down.

Sheep and Lambs Generally Steady. Yearlings at \$22

The numbers of sheep and lambs at Fort Worth Monday was rather light and prices were uneven, but generally steady. Fat yearlings

held at \$22... 50 cents down... Good and choice... sold for \$22 to... lambs at \$22... Louisiana's...

A Tribute To Our Ministers!

Each Sunday and often throughout the week, the minister of your church lifts his head in prayer and envisions the heaven of your faith. He is a patient man. He is an understanding man. He's there, your loyal friend, in sickness, sorrow. He officiates at weddings and visits the homes of his parishioners. Yet with all his biblical knowledge and his interest in his sermons, he is a man. A fine man. And he should be treated as a friend and companion, not merely as a cleric. Your minister and his church deserves all the support you can give them. Attend services regularly and be generous with your contributions.

## THE LITTLE ROOM

By Allene Young

Looking for the coaches I have a very good idea where they are. It is a place called "The Coaches Lounge." In this little room there are cakes, pies, cookies, and other goodies which are enjoyed by all the coaches during the annual basketball tournament.

The time of a game is approaching. Mr. Felto must go out to the court with his team, but before he leaves this paradise, he must have just one more piece of that excellent pie. So he chokes another down and makes it to the bench just as the starting whistle blows. During the half he sends the boys to the dressing room and runs for coffee and cups. Ready to go again! When the game is over, he gets away as quickly as he can and back to this haven called "The Coaches Lounge." If you think one of the men teachers or coaches is in a lull, just go to this little room and you will find them talking over basketball plays, telling jokes, and eating. What a life!

## JOKE

By Alma Ingham

Miss Moore — "This makes the fifth time I have punished you this week. What have you to say?"  
 Bill — "I am glad it's Friday, Miss."  
 Dad (sternly) — "Where were you last night?"  
 Dicky — "Oh just riding around with some boys."  
 Dad — "Well, till 'em not to leave their handpans in the car."  
 Mr. Haiden — "Now, Clyde, what did Caesar explain when Brutus stabbed him?"  
 Clyde — "Quis?"  
 Father — "Did you give Rita that copy of 'what Every Girl Should Know'?"  
 Mother of Cecil — "Yes, and she's writing a letter to the author requesting the addition of three new chapters."

Condie — "But I don't think I deserve an absolute pass!"  
 Mr. Felto — "Neither do I, but it is the lowest mark that I am allowed to give."  
 Nephew — "Thanks very much for the present!"  
 Aunt — "Oh, that's nothing to thank me for."  
 Mr. Ward — "It was your own fault — what else did you expect if you kept hanging around here every night?"  
 Pretty Girl — "It must have taken a lot of courage to rescue me as you did."  
 Fireman — "Yeh, I had to knock down three other guys who wanted to do it."

Condie — "Well, Mom, you have my consent!"  
 Caller — "I wonder if I can see your mother, little boy. Is she engaged?"  
 Mommy — "Engaged! She's supposed to be married."  
 "What, ma?"  
 "Are you spitting in the fish bowl?"  
 "No, ma, but I'm a gettin' clean of it."  
**A TRIBUTE TO VERNON M.**  
 We diligently read and devotedly study, Chaucer and Shakespeare and all the rest, but from the depths of our hearts, we proudly salute Vernon M. Harlan in the best. — By Stanley Williams.  
 The best "what", we sometimes wonder!!!!  
 This article is dedicated to the coaches with the reminder that in spite of what I say about you, I still hope you win.

**GREAT VICTORY OVER MENARD!!**  
 Saturday afternoon was the time; the game, Menard football stadium. The Game girls' football team, with the assistance of one Menard girl, captured the Yellow-Jackets 22-0. The battle lasted about one hour. There were no injuries, but, naturally, ham-corn events interrupted the smooth play.  
 Francis Children should definitely be on the A squad next fall. She runs like a deer! Carolyn Mayfield and Diane Phillips proved themselves both on defense and offense. Gwen Walker can carry the ball, block, play two positions, you name it, and there's Walker.  
 Don't feel bad about your loss Friday night, boys! The girls made it up Saturday!

This reminds me. I have commended Coach Felto several times, but all I ever get, when I ask him about the game or tournament, is a desultory silence. This can be interpreted as — no comment. I'm too miserable to say, or Burton, you know what happens to messy people.  
 In turn, this makes me wonder what has happened to team discipline. It seems that somehow a rubber snake got mixed up with the boys the night of the Menard game. At first some one put it in poor unsuspecting Bobby Sutton's bag. While he was looking around in his bag he pulled out the snake instead of a bat. Since panic ensued, he flung it over his shoulder and it promptly wrapped around John Young's neck. After that it got into Johnny Cooper's pocket, and then it was found in the seat of Coach Cleere's car.

by Coach Cleere naturally. Bobby Sutton recovered from his earlier fright, put on a brave act, and grabbed the snake by its head then with a flourish, he threw it through the air. But as the inflated snake flipped away it slid through the slightly open window of a passing car. The erratic course of the car gave evidence that the reptile was unexpected if not unwelcome.

On the lighter side is a poem composed by a senior English student. It is titled:

**MOUSIE NEWS**

By Pee Wee Mouse

Down the hall — and into the street, I dodge the kids, as well as their feet!

These halls are terrible! (the traffic, that is) I'm almost sure that I'm gonna get stepped on today! The kids have gone "ape wild" over the tournament. Especially the girls. I am now beginning to see why girls take some poor ole' boy's jacket and say, "Oh, I'm not going steady!"

You know, it's come to the point where I can't even sleep in the "dark room", during fourth period, anymore. Some ole' boys sit in there and swoon over some pictures of somethin'. It wouldn't be so bad, if they'd let me in on their secret so I could swoon, too!

Yesterday, I was walkin' down the hall — very peacefully and here come Buddy I, just a trompin' along and singin' somethin' about a "teenage queen." What he meant, I don't know, but anyway, it almost caused an end to me.

Tuesday, I saw something unusual coming down the hall, that nearly scared me to death! It had short "somecolored" hair and green eyes. Gosh, I just started running fast as I could. I was doing pretty good and all of a sudden, I ran into a locker and fell down and fore I could get up, I saw "Red" P. coming around the corner. The "thing" stopped and pulled the green thing off (I later learned it was a "she" and the green things were glasses) and started to "yak". Come to find out, it was that "cat woman", Camille Adams with new glasses and a new hair cut. So — I'm running again!

Before closing, a note to all families keeping basketball boys. I'm sure that they are grateful — but don't forget to return them!

**QUESTION OF THE WEEK**

By Barbara Barbee

What would you do if someone said you are recalcitrant?  
Sandra W. — It takes one to call one.

Alma L. — Oh, how sweet!  
Anne D. — At least I don't have my two front teeth out.  
Roy Neil K. — Scared to answer.  
Bob M. — You're crazy!  
Alvin B. — Nothing I don't guess.  
Tony P. — They're stupid.  
Roberta J. — I'd sock 'em.  
Mr. Hopkins — I probably wouldn't like it.  
Camille A. — I'm not an intellectual — so I don't know.  
Genele C. — I just couldn't care less.  
Susie C. — "Ha!"  
June B. — "Flatterer!"  
Johnny J. — He's a liar.  
Priscilla S. — They would probably be right!!  
Carolyn M. — I am not!  
Mary Jo W. — I'd scream!  
Barbara Hatcher — You're silly.  
The word recalcitrant means stubbornly rebellious.

**Position Improved For Wool, Mohair Producers Says TSGRA President**

San Angelo — "Wool and mohair producers in Texas are in a better position today in some respects than they were a year ago says T. A. Kincaid, Jr., Ozona, president of the Texas Sheep and Goat Raisers Association.

"This fact prevails even though considerable tonnage from the 1957 clip remains in warehouses," Kincaid said just after returning from Phoenix, Arizona. He headed the Texas delegation of about 50 growers to the 93rd annual convention of the National Wool Growers Association there.

Kincaid remarked that because of heavy rains late last spring some of the 1957 fall mohair carried a considerable amount of defect and due to that defect some of it has been selling under 70 cents per pound.

"Mohair has been included in the incentive payment program the same as wool," he said, "but no incentive payment has been made because overseas markets in 1955, 1956 and the spring of 1957 kept the average price above the incentive level of 70 cents."

Sale of 2 or 3 million pounds of defective mohair at less than the support level might contribute to an incentive payment being made in 1958. The 1958 wool and mohair marketing year begins on April 1.

"I feel that most of our growers would not want to deliver mohair sold for less than the support price before April 1 if there was a chance of an incentive payment being made in 1958," Kincaid added.

Garden Club Reminders

It's that perfect time of year for gardeners: The nursery and seed catalogues are clogging the mails and gorgeous color plates transpose (via arm-chair dreaming) the simplest garden into an awesome spectacle. Nothing is more fun - but a word of caution from a "spoil-sport." A fountain pen is such an easy tool to use. Don't mortgage your sacroiliac for months to come. Let experience and common sense triumph, and succumb only to visions of hardy plants that you know will survive our dust storms, winds, and July and August in Crockett County.

As your Christmas poinsettias cease to bloom, store them in a cool place without water until spring, then cut back to six inches and replot in fresh soil. Sink them in outdoor soil all summer. Before frost return them to the house to bloom again.

Do not hasten to prune rose bushes before the latter part of February. Pruning starts new growth, and with changeable West Texas weather, this can spell disaster.

A good formula for iris fertilizer comes from our Garden Club president, Mrs. Bailey Post: 2 cups Vigoro, 1/2 cup copperas, 2 cups 20% super phosphate (powdered), 2 cups bone meal, 1 gallon wood ashes (dry). Mix well and

put 1/2 cup of mixture around each iris. Water well every few days. Use in February. In November use Topsoil to new plants and 2 tbsp. to old plants.

FRIDAY BRIDGE CLUB

Mrs. W. W. West entertained the Friday Bridge Club in her home last week. Red and white carnations were used in arrangements in the rooms. High score went to Mrs. J. W. Henderson, Jr., low to Mrs. Joe Pierce, Jr., and cut to Mrs. Eldred Roach.

Others attending were Mrs. S. M. Harvick, Mrs. Evert White, Mrs. Lovella Dudley, Mrs. Stephen Perner, Mrs. Ben Robertson, Mrs. Hillery Phillips, Mrs. Lee Childress, Mrs. V. I. Pierce, Mrs. Sid Millspaugh, Jr., Mrs. Joe Pierce, Jr., Mrs. Eldred Roach, and Mrs. J. W. Henderson, Jr.

LADIES GOLF ASSOCIATION

The monthly luncheon of the Ladies Golf Association met last Thursday at the Country Club for lunch and bridge play. A dried arrangements with hand carved birds was used as table decorations. Mrs. Joe S. Pierce, 3rd, was luncheon hostess. Bridge hostess was Mrs. Joe Clayton. High score in bridge went to Mrs. C. O. Walker, low to Mrs. Marshall Montgomery and cut to Mrs. Dempster Jones.

The association will sponsor a golf foursome, bridge and supper for members and their husbands on Feb. 15th. The Association e-

lected Mrs. R. L. Bland, Jr., and Mrs. Lindsey Hicks as models for the Forum style show.

Members attending were Mrs. W. D. Cooper, Mrs. Lindsey Hicks, Mrs. Arthur Kyle, Mrs. Jess Marley, Mrs. Aubrey McMullan, Mrs. V. I. Pierce, Mrs. Lloyd Sherrill, Mrs. Byron Stuart, Mrs. Sherman Taylor, Mrs. Joe Pierce, Jr., Mrs. Nip Blackstone, Mrs. Byron Williams, Mrs. Charlie Black, Mrs. Jack Williams, Mrs. W. W. West, Mrs. A. C. Locke, Mrs. Sid Millspaugh, Jr., Mrs. Hillery Phillips, Mrs. Joe Friend, Mrs. R. L. Bland, Jr., Mrs. John Childress, Mrs. C. O. Walker, Mrs. Dempster Jones, Mrs. Marshall Montgomery, Mrs.

Joe S. Pierce, 3rd., Mrs. Joe Clayton, and a guest, Mrs. H. Millican.

**62-Year-Old N. J. Woman Who Has Driven Over 1 Million Miles, Alone, Since 1922 Stops For Brief Rest Here On 27th Trip Across U. S.**

You couldn't help envying her that slight bright-eyed little old lady who told you she was 62 years old but who could have passed for 40, and who was doing just exactly what she wanted to do — travel.

And what a traveler she has been for those past 35 years. More than a million miles of driving an automobile, alone, through every State in the United States, and in Canada and Mexico, she stopped over Sunday at Ocean for a brief rest. Just because I told my child, you'd like an occasional rest, on her 27th auto crossing of the continent.

Mrs. Pearl Huntington Dawson, Rutherford, N. J., recalls, has been traveling the highways and byways of the North American continent since 1922, when the automobile was far from the mechanically perfect machine of today and when the highways were mostly adventure trails. Every inch a lady, from her well groomed softly waved silver hair to her tiny well shod feet, Mrs. Dawson sat in the lobby of the Flying W Lodge Sunday and related some of her fascinating experiences in trailblazing through Canada and Mexico, into the Rockies and Sierras, and knowing about the 48 States of the United States in 35 years of driving alone.

Mrs. Dawson was on her way from Florida, where she spent Christmas with a grandson and his family, to Los Angeles, Calif., where she will visit her two daughters and one son and her grandchildren and great grandchildren.

This was the traveling octogenarian's second visit to Ocean. She stopped off here in 1922, that time traveling from west to east. It was soon after the Flying W opened. "I was mighty happy to see those bright lights and this beautiful place that night," she recalled.

One of the oldest members of the American Automobile Association, she's been a member 35 years. Mrs. Dawson has had a lot of help from that organization in mapping her travels. Her first trip was a 3,000 mile trailblazing trip from New York through the

Rockies and Sierras. A few years later she crossed Canada over a route further north than any automobile had previously traveled.

"I called in the village about a year to a more northern route," Mrs. Dawson recalled of her first trip to Canada. "One village told me of a pass that I might negotiate, but that I would have to go 300 miles out of the way. It's a dirt road, he told me, dry that time of year but mighty dusty. I made it then."

The much traveled lady also made something of a pioneering trip to Mexico City before the road was improved to its present state. A leader agent of the AAA accompanied her to another

part and on the return expressed great admiration for Mrs. Dawson's driving ability. "I was amazed to find an auto of those narrow mountain roads," he reported. "But Mrs. Dawson didn't seem at all bothered." "It's a pretty good machine when it's necessary," Mrs. Dawson says.

Mrs. Dawson declared that she averages about 400 miles in a day's drive. Don't you get tired at that pace?

"I never get tired," the charming, clear-eyed little lady declared. "I never get stiff or have the aches. The only difference I find now and when I was younger is that I have to have a little more sleep. My doctors say I have neither hands instead of amules."

Tuna soups are the finest in the station, she declared. And Highway 200 to the Coast Highway in the United States.

**CAP Plans —**  
(Continued from page one)

here in the spring.

All Senior and Cadet members of CAP are requested to bring field glasses with them and to be in Class A uniform. All participating units and all CAP members are requested by Lt. M. A. Lamm, Squadron C. O., to report to the airport by 1:30 p. m. for final briefing.

Clyde Woodall, mission commander, will be in charge of the complete operation, with Lt. Ralph Simon acting as mission flight commander. Johnny Butler, operations officer, Dick Webster, communications officer, and Jim Coler, cadet commandant will perform their regular duties.

All CAP members are requested to participate, as this will be the

best of the year.

The public is invited to come out to the airport to see the operation and to see the CAP members in the field.
