NUMBER 44

First School Meeting To Shape Program of Needed

Organizing a school program under the Public Schools Act passed by the Texas Legislature, was discussed at a meeting of interested citizens, including a number of area towns, in the auditorium here last night.

The facilities could be established if an agreement is reached by the towns, who are interested, Peto agreed, who presided at the meeting, named a committee to work out details of the necessary program, and to make a canvass to find out if there are enough towns to justify establishing schools.

The committee were: James Childers, Nip Black, Sam Marrett, Sam Marrett, Armando Reina, and others. At a meeting following the meeting of the sub-committee to secure a sufficient number of towns to justify the survey of the committee, the committee members were: James Childers, Nip Black, Sam Marrett, Armando Reina, and others.

Eight pupils is recommended of 20 hours with 40 recommended. The Texas Education Department will pay three dollars per hour. None of the equipment or other expenses can be used. The local sponsors can place the special education children at the site of the school. The meeting was held at the home of Mrs. T. Henderson, and Mrs. Henderson, Roy Killingsworth, Ivy Mayfield, Hillery Phillips, Bailey Post, Eldred Roach, P. T. Robinson, Max Schneemann, O. D. West, Ted White, C. L. Williams, Sr., W. D. Womack and Taylor Word. Guests were Mrs. N. W. Graham and Miss Joan Ridley.

Practice Search And Rescue Mission By CAP Sunday Topped Success

Last Sunday, the Ozona CAP Squadron with local ground crews, held a simulated search and rescue mission. It was the first such practice mission to be held in Ozona, and was highly successful. The first practice run the airplains were hampered by high winds aloft which were unknown at the time of take off. The second practice run located the simulated aircraft in 23 minutes. The search covered an area of 2,500.00 acres, and the elapsed time between take-off and completion of the mission was considered excellent. The squadron and supporting units felt that cooperation between all units was carried out well, and that if it had been a real SARCAP, the results would have been successful.

Aircraft pilots who participated were: Capt West, Maurice Lemons, Jimmy Barbee, Pecos Childers, Bill Stone, Dick Henderson and Bill Stone. The ground crew was: Jim Stone and Maurice Lemons. Capt West was the pilot of the simulated aircraft.

Miss Foster Tells Of European Visit In Talk To Local Woman's Club

Miss Ethel Foster

Miss Ethel Foster of Sterling City, Texas Federation Chairman, Council of International Clubs, who was a member of the General Federation of Women's Clubs tour group which visited eastern Europe last year told members of the Ozona Woman's Club of the trip and some of her observations of women's clubs in Europe at the regular meeting of the local club Tuesday afternoon in the home of Mrs. Floyd Henderson. Mrs. W. D. Womack assisted Mrs. Henderson as hostess. Invocation was by Mrs. W. R. Baggett.

A high light of the Federation European tour was when the group was received by Queen Juliana of the Netherlands, Miss Foster said. The day's study topic was "Amalgams of Central Europe" with Mrs. N. W. Graham as leader. Mrs. Max Schneemann read some letters written by her daughter, Mrs. C. B. Sikes, whose husband, Lt. C. B. Sikes, is stationed in Frankfurt, Germany, with a U. S. Air Force unit. Miss Joan Ridley, member of the Ozona school faculty, a former teacher in Germany, showed slides and described her experiences there. Miss Lola Mae Daniels, another Ozona teacher, and world traveler, described the Salsburg Festival and Music.

Members present were Mmes. W. R. Baggett, John Bailey, Ira Carson, Tom Clegg, L. B. Cox, Jr., J. A. Fassell, N. W. Graham, S. M. Harvick, Floyd Henderson, J. W. Henderson, A. C. Hoover, Roy Killingsworth, Ivy Mayfield, Hillery Phillips, Bailey Post, Eldred Roach, P. T. Robinson, Max Schneemann, O. D. West, Ted White, C. L. Williams, Sr., W. D. Womack and Taylor Word. Guests were Mrs. N. W. Graham and Miss Joan Ridley.

Change-Over Nears To Dial Phones As Exchange Is Began

Every Instrument Must Be Replaced Before Change Is Made

Another step toward converting Ozona to new, modern dial service began this week when the first common battery telephones were exchanged for dial telephones. It is announced by R. E. McCullough, district manager for General Telephone Company of the Southwest. McCullough explained that before dial conversion, each telephone instrument in every home and business in Ozona would have to be replaced with a dial telephone. During this change out of instruments, a special bargain offer to have a colored telephone or an additional telephone installed is being made to all Ozona subscribers, McCullough stated. He explained that if a customer has a colored telephone instrument installed at the time the change out is made, the customary installation charge of \$3.00 is eliminated and thus a customer may obtain an instrument which will match the decor in his home or office for only 25 cents a month over regular charges. In addition to this money saving offer, General can place in residences, at no service connection charge, an additional telephone or extension — providing the additional telephone is installed at the time the old instrument is replaced with the dial telephone. He pointed out that monthly charges for an additional telephone in color are \$1.25 but that having the extension installed during the change out eliminates an installation fee.

March of Dimes Climax Is Feb. 6 In Mothers' March

Draggy Campaign May Be Rescued By Good Response Then

A so-far drabby March of Dimes campaign for the not-yet-born fight against polio may be pulled out of the doldrums and marked a success for Ozona on February 6 when the annual "Mothers' March" against polio will be staged. Enthusiastic planning on the part of leaders of the Epsilon Sigma Alpha sorority, which has shouldered the responsibility of conducting the Mothers' March, is expected to produce a successful porch light campaign the evening of Feb. 6. Mrs. Wayne E. West is chairman of the Sorority's porch light campaign. A kick-off meeting will be held at the Hi-Way Cafe at 7:30 the evening of the March and all workers will be assigned specific territories. Ozona residents are urged to turn on their porch lights to signal their willingness to contribute to the March of Dimes on that night. Leave them on until 9:30 to give the solicitors plenty of time, the chairman urges. Two coffee-days during the past week netted \$115.00 to the polio fund, Frank James, chairman, reported. The M&M Cafe turned in \$68.00 and the Hi-Way Cafe \$47.00. Members of the E. S. A. Sorority baked cakes to be sold with the coffee and a number of such cakes are on sale for benefit of the fund.

Poll Tax Payments Speed Up; Only One More Day Left To Pay

Every Instrument Must Be Replaced Before Change Is Made

Poll tax payments were speeding up at the office of the county tax assessor and collector this morning, Mrs. Gertrude Perry, chief deputy, reported, but the total is running far short of the last election year, two years ago. To mid-morning, the total poll tax receipts totaled was \$97. This compares favorably with last year's \$78 but falls far short of the 1,250 regular poll tax payments two years ago. Friday is the last day to pay poll taxes to qualify for the right to vote in 1956. The total here, if the present rate of payment is continued, was expected to reach at least 1,000 before the deadline tomorrow night.

Eldorado Downed In 3rd Dist. Try For Lion Cagers

Sonora Coming Friday For Next District Contest

By Ernie Boyd

The Ozona Lions resumed district play Tuesday night when they downed the Eldorado Eagles 55 to 24 at Davidson Gym. The Lions quickly built up an 18 to 4 lead and from there on Coach J. A. Peto experimented with reserves and unusual combinations to hold the score down. Nine of the eleven Lions who got into the game broke into the scoring act with Jerry Jacobs 11 points being high for the night. Rodney Franklin and Stan Williams both counted 9 points during their brief appearance in the contest. For the Eagles, Alvin Nixon was the top point producer with eight points. Stan Williams hit a layup and then Nixon hit a long jump shot to tie the score and that was the last time the Eagles were in contention as the Lions scored the next fourteen points before the visitors scored again just before the quarter ended. With reserves in the game the Eagles made their best show of the night in the second quarter by scoring 12 points while the Lions scored exactly the same. The Lions rolled to a twenty-two point lead in the third period and coasted the rest of the way for the victory. The win brought the Lions record to 2 wins and 1 loss and left Eldorado with a 1 win and 1 loss record. The Lions will meet the Sonora Broncos at Davidson Gym Friday night in their next district contest. A freshman and B game will precede the varsity meeting which is scheduled for 8 p. m.

Seniors To Present Annual Play Monday And Tuesday Nights

Members of the 1955 Ozona High School Senior class will present the annual Senior play next Monday and Tuesday nights in the high school auditorium. Under the direction of Hack Leath, the class will present "Every Family Has One," a three-act comedy by George Batson. In the cast will be Gwynel Walker, Dartha Melton, Wanda McCaleb, Molly Sue Richardson, Carolyn Mayfield, Bill Black, Marilee Dale, Joe Clayton, Jim Burton, Jonathan Burton, Genelle Childress and Mark White. Assisting Mr. Leath in directing will be Camille Adams and June Bunker. In charge of stage properties will be Linda Millspaugh and Sally Baggett and ushers will be Mary Jo Ward, Minnie Delgado, Alma Ingham, Delma Martinez, Diane Phillips, Billy Bob Bolden and Clayton Friend.

Practice Search And Rescue Mission By CAP Sunday Topped Success

Last Sunday, the Ozona CAP Squadron with local ground crews, held a simulated search and rescue mission. It was the first such practice mission to be held in Ozona, and was highly successful. The first practice run the airplains were hampered by high winds aloft which were unknown at the time of take off. The second practice run located the simulated aircraft in 23 minutes. The search covered an area of 2,500.00 acres, and the elapsed time between take-off and completion of the mission was considered excellent. The squadron and supporting units felt that cooperation between all units was carried out well, and that if it had been a real SARCAP, the results would have been successful.

Results CAP Meet

The CAP meet, held Tuesday night at the library, was a success and resulted in a number of new members. The meeting was held at 7:30 p. m. and was attended by a large number of citizens. The meeting was held at the home of Mrs. T. Henderson, and Mrs. Henderson, Roy Killingsworth, Ivy Mayfield, Hillery Phillips, Bailey Post, Eldred Roach, P. T. Robinson, Max Schneemann, O. D. West, Ted White, C. L. Williams, Sr., W. D. Womack and Taylor Word. Guests were Mrs. N. W. Graham and Miss Joan Ridley.

Surprising Lions Capture Own Tourney Crown By Downing Iran; Big Lake 3rd, ACCHS Consolation

By Ernie Boyd

The Ozona Lions, playing before the largest crowd in Ozona's basketball history, pummeled the Iran Braves 54-26 Saturday night to capture their own tournament championship for the first time in nine years. The victory by Coach J. A. Peto's dark horse entry was the first for any Ozona team since the erection of the Davidson Gym and the expansion of the tournament to a sixteen team event. The Big Lake Owls stood off a determined second half rally by Wall to win third place and the ACCHS Panthers outscored the Rankin Red Devils to win the consolation trophy. Two records were set in the course of the meet with the Big Lake entry setting both new marks. The first record fell Thursday night when the Owls ran up a record 66 points against the helpless Grand Falls team, and then with the first game as a big boost, the Owls scored the most points a team has ever scored in the tournament with 394. The old record of 78 points in one contest was set first by Lakeview in 1952 and then tied by Uvalde in 1956. The tournament point record was held by McCamey and was set in 1955 when the Badgers scored 230 points. Ozona started its march to the crown Thursday night when they downed Rock Springs 66 to 45. Rodney Franklin scored 14 points to lead the Lions while Stan Williams had 16. The Lions jumped into a commanding lead in the first quarter and never saw the Angora's get closer than seven points during the course of the contest. Charles Bierschwale and Brozz Smart led the Angoras in the losing effort. Other first round winners were Merton who ousted Junction from the championship flight, Wall, who downed ACCHS rather handily, Mason over Christoval by a surprisingly small margin Menard over Rankin easily, Iran over Sonora, Big Lake over Grandfalls in a record shattering scoring effort, and Eden over Eldorado with ease. Tourney favorites Big Lake, Wall, and Menard, along with Mason emerged winner in the first contest, with Menard and Big Lake making particularly fine first game appearances. Play in the consolation bracket found Junction ousting Rock Springs, ACCHS disposing of Christoval with great ease, Rankin pushing past Sonora and Eldorado ousting Grand Falls. In the second round of the Championship play, Bobby Vargas hit for 15 points to lead the Ozona Lions to a hard fought and roughly played 48 to 40 win over the Merton Hornets. Reserves Rodney Franklin and David Sikes gave strong performances to help the Lions whip one of the tourney's better teams, Freddy Brooks led the Hornets and also score 15. Sikes chipped in 8 points after taking over for Bobby Sutton who collected three fouls early in the contest. The first big surprise of the tourney occurred Friday afternoon when the Iran Braves with Lindy Lyles back in the lineup ousted Menard 46 to 44. Menard jumped into a big lead in the first half but the Braves completely dominated play in the last half and Menard was clearly a beaten team long before the final horn, despite the fact the score was close. If the Menard game was a surprise, fans were a bit amazed when Wall crushed Mason 68 to 39. The Cow Punchers who rated high in pre-tourney predictions due to two wins over Menard, were not in the class with the Wall team and never could make a game of it. A third straight shocker was narrowly avoided Friday when the Rankin Red Devils, who were in a contesting display of long range shooting, were defeated by the Owls.

Log Jam Predicted For Motorists Who Delay Car Safety Inspection

Major William E. Speir, Commander of Region No. 4 of the Department of Public Safety, announced today that Texas motorists may be lined up for blocks before Motor Vehicle Inspection Stations as the April 15 deadline nears for obtaining safety inspection stickers for cars and trucks. "Only 125,000 vehicles have received their safety inspection stickers, out of the one-half million registered vehicles in Department of Public Safety's Region No. 4," said Captain R. M. Hammett, Commander of Motor Vehicle Inspection Service of Region No. 4. "About ten weeks remain in which to obtain 1955 inspections and there are 375,000 vehicles still to be inspected in the 49 counties of Region No. 4." Captain Hammett pointed out that motorists are subject to a fine of one dollar to two hundred dollars, plus court costs, if they are apprehended without a valid safety inspection sticker.

Plymouth Finals New Pay Opener In Crockett Co.

Owens Well Flows 145 Bbls; Cities Service Spots Deep Wildcat

Crockett County gained a discovery and location for a wildcat. Also a deep wildcat was plugged. Wolfcamp reef production was opened in the shallow Olson field with completion of Plymouth Oil Co. No. 13-AM J. W. Owens, 17 miles southeast of Iran, for a daily flowing potential of 145 barrels of 36 gravity oil, no water, with gas-oil ratio of 524-1. Production was through a 3-16-inch choke and perforations between 5,820-30 feet in 5 1/2-inch casing cemented at 5,896 feet, on total depth of 5,961 feet. Pay section was washed with 500 gallons of mud acid. The strike is one mile north and slightly west of the three-well Clara Couch (Wolfcamp) field. Location is 660 feet from the north and east lines of 9-GG-T&NO. Cities Service Oil Co., Odessa, will drill a deep wildcat, 20 miles southeast of Big Lake. It will be the No. 1-L Shannon. The project will be drilled with rotary to 9,500 feet, a depth sufficient to test the Strawn. Elevation is 2,740 feet. Location, on a 640-acre lease, is 660 feet from the south and 1,980 feet from the west lines of 7-2-GC&SF. The project is 3 1/2 miles west of the World, West (Strawn) field. Ashman & Hilliard No. 3 Ltd. of Midland No. 1-22 University, wildcat located 17 miles southwest of Big Lake, has been plugged and abandoned at 5,585 feet. No tops and no tests were reported. Location is 1,200 feet from the south and 400 feet from the west line of 22-7-University.

Child Struck By Car In Fair Condition

Arturo Ramirez, 7-year-old deaf mute son of Mrs. Rosanna Ramirez of Ozona, is reported in fair condition at a San Angelo hospital after suffering internal injuries and facial cuts when struck by a car in Ozona Saturday.

The child was struck by a car driven by Romero Peres of Ozona about noon Saturday. The accident was described as unavoidable.

COIN AND COIN

By Alma English

Oh! Boy! The seniors were really "coin" and "coin" during the tournament. Even though some of us worked alot we have decided the hard work was worth it. Especially Monday morning when we worked on the little pony. The seniors have been saying, "Canada here we come." You can imagine that our motto is Canada or burst! Dartha Dee was bubbling over with excitement Saturday night. Her boyfriend from Rock Springs got to come down. She said it seemed like a long time since last Saturday night.

Bill Black dated Sarah Chandler while she was visiting here with her cousin Susie. Sarah lives in San Angelo, and comes to Osona every chance she gets.

We were certainly proud of our Lions Saturday night. Of course they would have been lost if it hadn't been for Mr. Felto. Congratulations, boys! The new trophy is just beautiful! Three members on the Lion squad placed on the all-tournament team. They were Jerry Jacobs, Jake Young, and Bobby Vargas. Osona placed more boys on the all-tournament team than any other team entered in the tournament. Isn't that great! Seen after the basketball games Friday night were: June and Gail G., Camille and Kent, Allene and Johnny C., Caleen F. and Erby. There were many unusual couples during the weekend, and these are only a few who were seen together over the big weekend.

The cave exploring club took a trip last weekend. It was a joint exploration with Abilene Grotto N. S. S. The cave has an underground river in it, and the entrance is a vertical shaft about 180 feet deep. Dicky B., Mills T., Tommy F., Ronald C., and Bill G., were the cave explorers from Osona. They reported a wonderful time, and are planning on returning.

Becky and Anne seemed to have enjoyed the tournament. They kept the whole Menard team in their home. Some of the boys returned Saturday for the final games after having to leave Osona Friday.

Nemie has a new sister-in-law. Her name is Wanda Conklin. She is as cute as a bug, and has a personality plus. Nemie is enjoying the pleasure of introducing Wanda just because Nemie has

been the only daughter in the Conklin family for sixteen years. We're all so happy for Ben and Wanda Conklin, and we wish them the very best of luck.

Well, until next week—So good.

JIM'S JUNK

L. Simpson

The revolt I fully mentioned last week about the teachers' subconscious hatreds against the coaches seems to have spread to the students. Last week during an unspecified time, Coach Cleere stepped into his room to lecture the boys and girls on American history. Just as he entered the room he glanced up and saw hanging from the transome a miniature noose. Forgetful of where he was going he let his feet wander into a much larger lasso spread on

the floor. Of course, when the unspecified persons jerked the rope tight, Coach Cleere fell on his face. Needless to say, "heads did roll."

Master Felto finally told me something when I asked him about the tournament. "Burton" he said, "I will give you a comment about the tournament."

"Thank you coach," I answered, "but I have already quoted you concerning it."

"Nevertheless, I will give you a comment to a confidential whisper comment." Then with his voice he said, "There will be a tournament."

Just what this proves I am not sure but then—Oh, Well! On the lighter side, the "B" team got their football jackets. It seems to me that the "B" denoting reserves is almost as big as the letter "O" on the jacket. However, this is probably just my hypersensitive nerves.

I cheerfully dedicated this article to all of you who think you are "God's gift to the Universe" with the reminder "Quien Sabe?"

THE TYPICAL GUY

(An answer to the typical girl)
 By Joe Clayton, Jr.

The typical American girl also gets up at six dresses always in a dress, studies, and cooks breakfast for the whole family. She then cleans house and studies until 8 when her father takes her to school. She is very polite and courteously speaks to all the teachers. She does not gossip in the halls nor does she flirt with all the boys. She goes to all her classes, takes notes, and studies very hard. She is very lady-like and concerns herself very seriously with her studies. She studies all day and when school is out her father picks her up and takes her home. When she reaches home she may study or read her favorite book, "How to Win Friends and Influence People." She speaks only when spoken to and once a week she writes her pen pal in Pakistan. She is allowed one date a week on Saturday and must always be well chaperoned. She must call her mother on arrival and

must leave by five until ten if she will arrive home by ten. The rest of the week she may study, go to bed early, or watch television until nine.

The Typical Osona Girl

The typical Osona girl always gets the start for seven-thirty, cuts it off at eight, and is usually up a few minutes after, depending on her date the night before. She puts on some peddle pushers, Bermuda shorts, Levi's, or anything of her father's or mother's that happens to be lying around the house. She drinks several cups of coffee, eats two eggs, five pieces of toast (without butter, she must watch her figure) seven pieces of bacon, and two glasses of orange juice.

By this time it is after eight thirty and if her ride hasn't come by yet, she usually manages to get there by nine or ten or she may give up the effort altogether and go back to bed. She always has a ready excuse, car trouble, my ride didn't come by, or I was just plain

late.

When she reaches the classroom she constantly talks, chews gum, and annoys the boys trying to study. Between classes she will talk about boys and consequently is late to all her classes. She delights in skipping activity period or embarrassing Coach Cleere. After a hasty lunch she will ride around listening to the radio. When school is out she will continue to ride around and if she doesn't have a date that night she may ride around again. (Think of the gas bill.)

Some girls have very strong imaginations when it comes to thinking of excuses for being late at night. These range all the way from a flat tire to a second show that lasted after eleven-thirty. She will have a date almost every night and has been known to wear bermuda shorts and suck lemons all the way to a cold football game. She is usually in bed by twelve and ready to face the alarm clock at eight-thirty the next morning. This has been a typical day in the school week of a typical Ozona girl.

FUNNIEST NIGHTS OF THE YEAR

Grab your hats everyone! Get ready for two of the funniest nights in the year. That hysterical, sidesplitting senior class will present their senior play Monday and Tuesday nights on February 3rd and 4th at 7:30 p. m. "Every Family Has One" is the title and its guaranteed by everyone who has seen previews of it to keep you laughing for weeks to come!

OPINIONS

By Alma Ingham

Lets visit with some of the teams entered in our basketball tournament, and see what their opinion of our tournament was.

Menard boys — Think it's the best tournament in this part of the country.

Christoval boys — It's real good and very well organized.

Mason boys — Certainly fine, but needs more girls.

Rocksprings boys — The tournament was great, and we especially appreciated the fine hospitality.

Big Lake boys — It would have been better if we had beat Iraan.

Sonora boys — Lots of fun, but it was bad cause we didn't win more games.

Wall boys — Exciting! We've never seen so many good-looking girls.

Eden boys — We have enjoyed every minute, up until the time to go home.

A. C. C. High School boys — It was more fun than last year, cause we knew some of the girls we had met here.

Last but certainly not least is the opinion of our winners, The Ozona Lions Team, and coached by the best, Swede Peltó — We had a drought for nine years. These ranchers think they've had it had! It took us nine years to break our drought.

THANK YOU!!!

The tournament ended Saturday night, and amid the shouts of VICTORY we heard many remarks from the visiting teams. They were all impressed with our tournament, but most of all they appreciated the hospitality that was shown by everyone.

We want to take this time to thank Miss North for her incalculable organization and all of the people who were so gracious in keeping the visiting boys and helping to make our tournament such a success.

Political Announcements

The Stockman is authorized to announce the candidacy of the following for the offices indicated, subject to action of the Democratic primaries this summer:

For County Commissioner, Precinct 2:
C. O. (LEFTY) WALKER
SEN WILLIAMS

For County Commissioner, Precinct 4:
SAKE YOUNG (Re-election)

QUESTION OF THE WEEK

By Sally Baggett

What makes Mr. Peltó great?

Barbara H. — His cigar
Mrs. Hull — his happy disposition

Sandra R. — his calmness
Pam J. — his Gen. Math class
Marilee D. — his cute hair-cut
Tommye S. — all bald-headed men are great

Molly Sue — his rose tinted glasses

Nonie C. — his ability to tease

B. B. I. — his basketball team

Mr. Harlan — if he is great, I don't know it

Joe Friend — I don't know, but it isn't because he is a hard algebra teacher.

Mark W. — because he wins

Jim Freemann — Who said he was great?

Richard S. — because of his ability to make people do push-ups in study hall.

Mr. Leath — his wife

Buddy D. — his curve

June B. — his calmness during basketball games

Mr. Hopkins — the boys

Linda M. — his algebra II tests

Camille A. — he just thinks he is

Mr. Moody — plenty of rest

Stan W. — his players

Susie C. — his intelligence (?)

FREEDOM IS A MIGHTY SWORD

We Americans can rightly be proud of the fact that we are a peace-loving people. That our aim as a nation is to strive to improve human welfare, with freedom and justice for all. * Such a people is always slow to anger, tolerant and patient. But when patience is exhausted, a peace-loving people can turn its peace-time skills into weapons of fierce and righteous wrath. There is only

one way such a nation could be enslaved. That would be through propoganda that misleads, through lack of knowledge, and of truth. America's greatest strength is... freedom of the printed word... to give the people truth, truth that builds freedom of thought, of word, and of vision. * This great Freedom tempers the steel out of which a nation and a people can forge mighty swords.

Miss Shirley Kost,
Bride Elect of Dick
Kirby, Honored At Tea

Miss Shirley Kost, bride-elect
of Dick Kirby, was honored at
a gift tea Wednesday afternoon
in the home of Mrs. Evert White.
Hostesses were Mrs. White, Mrs.
L. B. Cox, Jr., Mrs. Herbert Kun-
kle, Mrs. Jack Brewer of San An-
gelo, Mrs. A. O. Fields, Mrs. Lind-
sey Hicks, Mrs. R. L. Flowers, Mrs.
Tom Owens, Mrs. Bill Conklin,
Mrs. James Baggett, Mrs. T. A.
Kincaid, Jr., and Mrs. P. T. Robi-
son.

In the receiving line were Mrs.
White, Miss Kost, her mother, Mrs.
Oscar Kost, her grandmother, Mrs.
Fleet Coates, Mrs. Madeline Gold-
wire, Mrs. L. R. Dorsey and Mrs.
Henry Schooler, all of Big Lake.

The dining table held a center-
piece arrangement of stocks, car-
nations and iris, with silver and
cut glass appointments. The
bride's chosen colors of blue and
white were accented in the gift
tables which were draped with
covers of blue satin and white net.

Arrangements of stock, iris,
carnations and roses were used
throughout the house.

Presiding at the tea service
were Mrs. Audra Moore, Mrs.
Fae Drake, Mrs. Dennis Fleet
Coates, Mrs. Roy Coates, Miss Dol-
lye Coates and Mrs. Joe Teague
of Slaton.

Mrs. R. F. Powell and Mrs.
Shankle Bloxom of Big Lake were
at the bride book.

Others in the house party were
Mrs. Buddy Moore, Mrs. Kirby
Moore, Mrs. Pete North, Mrs. Joe
Friend, Miss Ann Baggett, Miss
Sally Baggett, Miss Nonie Conk-
lin, Mrs. Jim Dudley, Miss Billy
Chandler and Miss Sarah Hicks.

More than a hundred guests
called during the tea hours.

WOMAN'S FORUM MEETING

The Ozona Woman's Forum will
meet Tuesday, Feb. 4, with Mrs.
Brock Jones for a business meet-
ing to complete plans for the For-
um style show. The Forum mem-
bers will assist the E. S. A. with
the Mothers' March for the polio
fund the evening of June 6. Work-
ers will meet at 7:30 at the Hi-
way Cafe to map plans.

UAW VOTES \$50 MILLION STRIKE FUND — More than 3000
UAW delegates, representing locals from coast to coast attended
a special 3-day convention in Detroit, Mich., Delegates heard Wal-
ter P. Reuther, UAW president, warn the Big Three auto com-
panies that 1958 bargaining will find them facing a "united
union." The convention voted a \$50 million strike fund to back
up the union demands in 1958 bargaining talks.

Degree From Southwest
State Teachers College
To Sheffield Student

SAN MARCOS — Jack Cauthen,
son of Mr. and Mrs. Jack E.
Cauthen of Sheffield, Texas, was
among 94 students who received
degrees from Southwest Texas
State Teachers College in winter
graduation exercises here Sunday
afternoon, Jan. 26.

Mr. Cauthen was awarded the
Bachelor of Science degree by
Dr. J. G. Flowers, president of
the college. Dr. Flowers awarded
17 master's degrees and 77 bach-
elor's degrees in the exercises.

Dr. James Taylor, delivered the
commencement address in Evans
Auditorium on the SWTSTC camp-
us. His topic was "The Russian
Challenge and American Educa-
tion."

COFFEE HONORS BRIDE

Mrs. W. P. Conklin honored her
daughter-in-law, Mrs. Ben Conk-
lin, a recent bride, with a coffee
at her home Saturday.

Greeting guests at the door was
Mrs. R. A. Harrell. In the receiv-
ing line were Mrs. W. P. Conklin,
the honoree, Mrs. B. B. Ingham,
Sr., Miss Nonie Conklin and Mrs.
Jim Dudley.

At the coffee service were Mrs.
Lovella Dudley and Mrs. Roger
Dudley, Sr., and assisting in the
dining room were Mrs. Nelson
Boothe of San Marcos, Mrs. John
J. Stokes of San Marcos, and Mrs.
Roger Dudley, Jr. At the guest
book was Mrs. J. A. Conklin of
San Angelo. Others in the house
party were Mrs. Norris Creath of

San Angelo, Mrs. B. B. Ingham,
Sr., and Miss Alma Ingham.

Pink Elfie roses and silver can-
delabra were used in decorations
for the table and pink delight
roses in other parts of the house.
About 65 guests called.

Practice Search

(Continued from page one)

Green OAP Cadets helped as observers, and with the ground crew. They were Rocky Davidson, Buddy Anderson, Sandy Battiff, John Young, Louis Meek, Douglas Smart, Jim Burton, Jim Burton, Stan Williams, Buddy Dale and Jim Coker, cadet commandant.

The following local units acted as ground crews: John Leebert, State Game Commission; Bill Cooper and Joe Tom Davidson of the Fire Dept.; Billy Mills and Oscar Gault of the Sheriff's Dept.; Scotty Houston of the State Highway Dept.; and Walter Cowyer, Highway Patrol.

OAP ground operations were conducted by the following: Clyde Woodall, mission commander; John Barbee, aircraft operations; Dick Webster, communications; Pat Barbee, Helen Coker, Gene Lilly, trackers and plotters.

Everyone participating in the mission was pleased with the results, and felt in case of an emergency, they belonged to a group that functioned efficiently.

Maurice Lemmons, Squadron C. O., and Clyde Woodall, Mission C. O., wish to express their thanks and appreciation to all who participated and helped make the trial mission a success.

Lions Cop Crown

(Continued from Page One)

shooting to be edged in an overtime by the highly favored Reagan Owls 48 to 47.

Ray Lubbe, a diminutive guard who entered the Eldorado game as a substitute and turned out to be the leading scorer, led the Bulldogs with 17 points while Neal Hendrichs and Kent Raborn hit in double figures. Jimmy Noe and Tommy Rees did the most to keep the Owls in the journey as they did outstanding jobs both shooting and rebounding.

Saturday morning found the ACHS Panthers edging by the Junction Eagles 46 to 47 to gain the finals of the consolation round, while Rankin experienced not too much trouble in downing a hustling Eldorado team.

The afternoon session played before a big afternoon crowd saw

the surprising Iron Braves contest the Reagan Owls for two quarters and then pull from seven points behind into a 54 to 48 victory.

Lindy Lyles and Paul Wilson led the Iron Braves but the clutch play of big Don Jacobson was a key factor in the win.

For the Owls Carman Weatherby and Jimmy Noe led the attack but the loss of Rees on the foul row sealed the Owls' fate.

Owens and Wall battled to a standstill for nearly a quarter and a half before the Hawks began to pull away on the shooting of Kenneth Dierachts and Kenneth Helms, but Jerry Jacobs and Bobby Sutton turned on the steam in the third period as the Lions changed tactics and went on to down their bigger opponents 38 to 28 in a game of offensive and defensive strategy.

In the consolation finals, ACHS threatened to run away with the game in the first half only to see the Red Devils stage a determined second half drive which fell only six points short of tying the score

at one point.

James McKernan led the Panthers' attack with 20 points while Jack Small had 14 for the Red Devils.

Tommy Rees scored 19 points on the Big Lake Owls ahead off the Wall Hawks late rally to win third place. Kenneth Helms was the game's top point maker with 28.

In the finals, the Lions and Braves battled to a 28 to 22 half but the Lions late breaking attack more than overcame the tremendous height advantage the Braves used in the first half as the Lions won the title with a 64-38 win.

Bobby Sutton and Jerry Jacobs led the Lions, with Jacobs winding up on the game's top point producer with a 28 points.

Lindy Lyles of Iron was awarded the outstanding player award for his part in piloting the Braves into the finals. Don Jacobson of Iron, Tommy Rees of Big Lake, Kenneth Helms of Wall, Ray Lubbe of ACHS, Duane Lovelace of Menard, James McKernan of ACHS and three Lions, Jerry Ja-

cobs, Jake Young, and Bobby Ver-

gas were chosen on the all-star team by the 18 coaches.

Build-Up Of Logging Texas Wool Production Starts With More Rains

Austin, Texas — Wool production in Texas fell sharply during the recent drought, but the return of favorable moisture conditions is permitting ranchers to rebuild flocks rapidly, and production will soon begin an upward trend, the University of Texas Bureau of Business Research says.

"As a consequence, in a year or two the Texas wool industry will reach its normal level of production and remain an important factor in the state's economy," George E. Noel, Jr., Bureau editor-

led in the state. The wool industry in Texas is the largest in the country. Most of the wool is produced in the western part of the state, particularly in the counties of Brewster, Big Bend, and El Paso.

Wool production in Texas is estimated to be about 10,000 pounds in 1957, compared with 10,000 pounds in 1956. The wool industry in Texas is estimated to be worth \$100 million a year.

Wool research is being conducted by the University of Texas at Austin, and the Texas A&M University at El Paso.
