## Highway 290 East To County Line To Get New Surface

### New, Wider Bridge On Johnson Draw Slat-Ed Next Month

The State Highway Department has advertised for bids, to be opened on Feb. 16, for constructing 14.817 miles of flexible base and surfacing on U. S. Highway 290 from the intersection of Highway 100 in downtown Ozona to the Crockett-Cotton county line. The highway will be widened approximately two feet the entire distance. E. E. McCulloch, senior resident engineer for the State Highway Department at Bonora, declared.

A new had wider bridge over Johnson Draw in Ozona, designed to permit the effective flood control channel improvement work contemplated by the Soil Conservation Service as a part of the Johnson Draw flood control project, is in the Highway Department's plans for next month. Mr. McCulloch said. The Department is expected to advertise for bids next month on this project for which an appropriation of \$70,000 has been made by the Highway Commission.

In connection with the construction of the new bridge, surfacing of a section of the highway from the intersection to the bridge and a block west will be done at the same time. The present bridge will be widened and a completely new bridge constructed on the site. The new bridge will be wider and longer than the present bridge, maintaining a present grade level and at the same time conforming to the Soil Conservation Service channel improvement plan.

Trucks will be re-routed two blocks south and back in the highway of the Johnson Draw flood control project. The new bridge is under construction, Mr. McCulloch said.

Plans and specifications having been completed by Soil Conservation Service engineers, the local sponsoring agency, the County Commissioners Court, will award contract on Feb. 24, if satisfactory bids are received, for construction of the dam at Site No. 5, on the W. R. Baggett ranch north of Ozona.

The dam will contain 162,000 cubic yards of earth, with excavation of the sedimentation pool involving the removal of 28,200 cubic yards. ## A Tribute

### To Our Boy Scouts!

When Lord Robert Baden-Powell, the Englishman, conceived the idea of the Boy Scouts and later our own American, Dan Beard, further and promoted the idea here, neither, we suspect, ever dreamed what a world wide fountains of Youth he was putting in action! Today the Boy Scouts are the flower of young manhood in every quarter of the globe. Their deeds are legion. Their clean, manly characters shine forth from their scrubbed faces and the trim uniforms they wear. How very proud we fathers and mothers of Boy Scouts should be! Their merit badges are a symbol of sincerity, eagerness to serve and pride in their organization. God bless them all. They'll be leaders tomorrow!

## ASK DADDY, HE WON'T KNOW

By Alma Ingham

Now that they've abolished  
 chrome work

I'd like to call their attention to  
 home work.

Here it is only three decades  
 since my scholarship was famous,  
 and I'm an ignoramus.

I cannot think which goes side-  
 ways and which goes up and down,  
 a parallel or a meridian.

Nor do I know the name of him  
 who first translated the  
 Bible into Indian. I see him only  
 as an enterprising colonial Gideon.

I have difficulty with dates,  
 To say nothing of the annual  
 rainfall of the Southern Central  
 States.

And the only way I can distin-  
 guish proper from improper frac-  
 tions

is by their actions.

Naturally the correct answers  
 are just back of the tip of my  
 tongue.

But try to explain that to your  
 young!

I am overwhelmed by their eru-  
 dite banter.

I am in no condition to differen-  
 tiate between Tamerlane and Tam  
 o' Shanter.

I reel, I sway, I am utterly ex-  
 hausted.

Should you ask me when Chic-  
 go was founded I could only reply  
 I didn't even know it was lost!

I would like to dedicate this  
 poem by Ogden Nash to our par-  
 ents. They must feel badly when  
 we ask them some sort of dumb  
 question, and they can't seem to  
 give us a decent answer. We un-  
 derstand, it has been a long time  
 since they went to school.

Well, until next week I'll be  
 seeing you somewhere in our  
 Lion's Roar.

## HONOR ROLL

By Camille Adams

Ozona High School has quite a  
 group of scholars with an A aver-  
 age. I'll start with the Freshman  
 and go up.

Judy Bennett, Pat Brown, Bar-  
 bara Barber, Sandra Ratliff, Ro-  
 berta Johnigan, Priscilla Stewart,  
 Art Kyle, and Sandra Whitaker are  
 the Freshmen.

The second year letter men go  
 as follows:

Boyce Bollinger, June Banger,  
 Buddy Dale, Roy Neil King-  
 worth, Bill Meinecke, Bob Meis-  
 ecke, Mango Pogue, Joe Friend,  
 Ronnie Beall, Johnny Jones, Bob  
 Cooke, Jimmy Williams, and Pierce  
 Miller.

Of course the Juniors have their  
 share on the honor roll, too. Mar-  
 illee Dale, Diane Phillips, Allison  
 Young, Johnny Cooper, Becky Dav-  
 idson, Jerry Jacobs, June Knox,  
 Milla Tandy, David Sikes, Ken-  
 nth Deland, Tommy Spurgers,  
 Eddy Sutton, and Donald McCal-  
 cob.

Last, but not least are the Sen-  
 iors. It seems there will be quite  
 a race for the honors this year.

The list is as follows; Genelle  
 Childress, Jake Young, Rodney  
 Franklin, Jonathan Burton, Jim  
 Burton, Wanda McCaleb, Mark

White, Mary Jo Ward, Stanley WH-  
 Hams, Carolyn Mayfield, Gwynel  
 Walker, and Delma Martinez.

This list is the nearest we could  
 come to accurate, but if your name  
 was left off we will be glad to  
 correct it. Just let it be known, if  
 the grades are as high this semes-  
 ter as last semester we will be  
 doing very well.

## THINGS 'N STUFF

By June Banger

Well, there are six more weeks  
 of winter as anyone could tell you  
 if he remembered that Sunday was  
 Feb. 2. The sun was shining like  
 a summer day, and Mr. Ground-  
 hog just didn't stand a chance.

Along with all the sunshine, there  
 were a few cases of spring fever  
 and I even heard a few people  
 making summer plans. However,  
 according to the weatherman the

temperature is supposed to drop  
 down to 32 degrees again any day  
 now which proves that Old Man  
 Winter isn't ready to give up yet.

The biology classes have come  
 to a crucial moment of the year,  
 dissecting Frogs. I have been told  
 that this is supposed to separate  
 the cast-iron stomach from the  
 weaker ones and according to Al-  
 ma, there is still a little on the  
 fleshy side.

Saturday afternoon, taking ad-  
 vantage of the warm weather,  
 Carolyn, Gwynel, Frances, Motty  
 Sue, Wanda, June, Diane, and  
 Marilee went on a picnic to the  
 four mile park. They all had a  
 great time.

Seen Saturday night were Gen-  
 elle and Stanley, Susie and Jerry,  
 Dix and Becky, Sandra and Tony,  
 Mary Jo and Rod, and Joe Poe and  
 Janet Mascn. Hope you liked the  
 show kids.

It seems that Bill, Clayto, and  
 Joe Clayton got a little tired of  
 the hometown girls and decided  
 to try their luck elsewhere. How  
 are those of the "weaker sex" in  
 Big Lake, Boys?

Also Saturday Barbara Hatcher  
 had a slumber party for a few of  
 the freshman girls, and from what  
 I hear they must really have been  
 in a wild mood. At least they  
 sure left some gay notes for San-  
 dra and Tony when they got home.  
 That was quite a night, eh San-  
 dra?

Friday nite after the freshman  
 game there was quite a commotion  
 down in the dressing room. It  
 seems that Coach Hickman had  
 lost or misplaced something. Just  
 what did happen coach?

Well as Jivin' Joe might say,  
 "Gotta scam Sam! The gong's  
 donged, and I'm a date gator for  
 the numbers and figures depart-  
 ment." Which means, "See you  
 next week. The bell has rung, and  
 I'm late for Algebra."

MOUSIE NEWS

By Pee Wee Mouse

Mumble, Mumble, Mumble, What  
 do they say?

The Juniors have been runnin'  
 around sayin' a bunch of jumbled  
 up words from the Declaration of

Independence and the L...  
 Address. You all know how that  
 goes. (If you do, you're better  
 off than I am).

Durin' fifth period Monday, I  
 heard the "awfulest" noise I mes-  
 ever heard. It sounded like some-  
 one was bastin' somethin' else.  
 Later I found out that it was just  
 Mr. Harem, I mean Harlan.

The Seniors had a play Monday  
 and Tuesday night. If you ask  
 me, they play all the time. "Course  
 nobcddy asked me."

Has anybody seen a little green  
 bug runnin' around in our school  
 building? One of my "countrified"  
 cousins came to see me and I guess  
 he got "carried away" with all  
 those cars outside the building.

Looks like spring around the  
 ole "homestead," but I sure have-  
 n't seen any little "springs" run-  
 nin' around yet.

Next week, (I guess next week)  
 you'd sure better watch out 'cause  
 there's this little guy on the loose  
 that doesn't do anything but shoot  
 arrows at people. Believe me, folks,  
 if you see him, you'd sure better

### Lions Roar

(Continued From Page 5)  
 run. He is dangerous and his arrows are sharp and he's a good shot! Guess you know who he is by now — Mr. Cupid. Did you ever see him? "Well, I did". Anyway, everybody be careful 'cause they say when he shoots ya! his arrows have the same effect as when the "lovebug" bites!

Oh, my poor aching head! The band blew on those crazy horns until I can't think. All day Wednesday, not, too! Just the same ole' thing. I hope it did them some good, tho — cause it sure didn't help anyone else!

A couple weeks ago, some of our "safe driving" students took driver's test. Boy take it from me — don't ever go on a walk when the driver's license man is here!

We sure have been having some assembly programs! The Seniors then Freshman, someday the Sophomores, and last of all the Juniors. (this is the order that the classes give their assembly programs).

Did every one read "Bomba" Clayton's article on girls last week? I think he did a very good job and every word of the thing was true! (We'll teach those, "Bomba") Of course, the article about boys (three weeks ago) didn't have a true word written in it. You can never believe a word that any girl writes. All they do is gossip! (Hope no girls are reading this).

We have a pretty good basketball team this year. I don't know what for but never-the-less they're pretty good guys!

I think we need a girls' gossip team. We could win state! (Never mind what I say, girls don't like me anyway.)

Have any of you ever been into into the biology room? They sure do have lots of frogs, but not any of them do anything but sit in a jar with their feet pokin' up!

I don't know if you know that I know that I have never told the honest to goodness truth anytime I've written anything for the Lions Growl — I mean Roar. I'll tell you why, I just never hear any truth cause I usually hear all of this mess from — you guessed it — girls!

The Agg boys are going to have

a sheep show this month — you know — where they show their sheep to the judges and one of them wins. (One of the sheep) I really must go to see this. I hope that that boy — Bill Black doesn't try to kiss that gal again! Good luck to all sheep!

Like the "Lone Stranger" says — "Hi ho Sliber — Away!"

### BEHIND THE BANDSTAND

By Gwynel Walker

Yesterday was one of the most important days that the band will have all year. Mr. Bellamah from Sul Ross College, worked with us all day. Most of our attention was centered on Finale, a piece we will play for contest this spring. The Band Boosters Club served us refreshments about 10:00. Even though we all had to work very hard, we know that the help we received will certainly be beneficial.

### JOKES

By Sally Baggett

Billy Bob to strange girl: "Pardon me but I'm writing a telephone book and I would like to include your number."  
 Alleane Y. to Sandra W. "Both he and the car are equipped with an automatic clutch."  
 Mary Jo to Rod in restaurant: "You look ill. Is it something I ate?"  
 Garage attendant to B. B. I.:

In his wrecked pick-up: "Sorry we just wash cars — we don't iron them."  
 One jealous girl to friend: "How lovely you look; you must have gone to an awful lot of trouble."  
 Daughter with Carload of packages to father: "I decided as long as you going to be mad you may as well be good and mad."

### THOUGHT OF THE WEEK

I wonder why I'm what I am.

### QUESTION OF THE WEEK

By Barbara Barber

What would you do if someone told you that you had just won a "Porche Spider?"  
 Miss North — I'd probably be non-plussed  
 Camille — So surprised  
 Pam J. — I'd give it to Miss Powers, and then run.  
 Susie — That's all right they can keep it.  
 Priscilla — I'd scream!

Alma — I'd be the first to ever win.  
 June B. — Take it and I hate spiders.  
 Sandra W. — "Ugh!"  
 Miss Powers — I'd let her sell chances on it.  
 Geneie — I'd jump in it and go, go, go.  
 A "Porche Spider" is a car.

## A Word To The Wise; Take This Advice

Christmas is over, the "new" is gone from the New Year, and now it is time to settle down to our normal every day living. Think about those bills you have acquired during the past two months. It is always convenient and nice to be able to say "Charge it, please." But how would you feel if suddenly your credit were

discontinued? You can be assured that such a thing will not happen, if you pay your bills on or before the tenth of the month, or as agreed. Inquire about our loan service if you are having difficulties meeting your monthly bills.
