Rep. Joe Burkett

## Burkett Making Active Race For Speaker's Post

### Kerrville Legislator Aims Re-Election In Demo Primaries

Rep. Joe Burkett Jr., of Kerrville, who headed the House committee which untangled two of the most notorious scandals in Texas, announced an active campaign today for speaker of the House in the forthcoming 59th Legislature.

He announced his candidacy for re-election from the 78th Representative District which covers 10 Central and West Texas counties, the largest in land area in the state.

Rep. Burkett, who is the leading contender in the speaker's race, when questioned concerning the progress of his campaign, said:

"It now appears at least 120 of the present members of the House will seek re-election and of that group I have more than enough positive commitments to assure my election as speaker."

He served as chairman of the committee which investigated the veterans' land scandals and proposed stringent laws to prevent the mis-use of state funds.

In 1955, he was chairman of the committee in the House which re-organized the insurance laws of Texas to protect the investors and policyholders.

A diligent legislator, known both for his devotion to detail and his scope of state affairs, Burkett has served with distinction on other committees.

These include state affairs, revenue and tax conservation and reclamation, game and fish, labor, livestock and stock raising.

A four-year veteran of World War II, Burkett served 18 months overseas as a field artilleryman in Europe under the late Gen. George S. Patton. He earned two major campaign ribbons in the battle of Central Germany and the Rhine.

Burkett launched his career of public service in Kerr County by serving two terms as justice of the peace. He was appointed to the office of Kerr County Attorney and was elected to that office twice, retiring in 1949.

But public service still beckoned and Burkett accepted an appointment as county judge in 1950.

He was elected to the Legislature in 1951 in a special election to fill an unexpired term. He has been successfully returned to office ever since.

A native Texan, Burkett was born and reared in Eastland County. He attended Eastland public schools and graduated from high school in San Antonio. He attended Texas Tech and Cumberland University and was admitted to the bar in 1934.

Burkett is married and the father of two children.

## New Winter Blasts Bring Slow Rain, Snow To West Texas Area

An aging winter showed it had plenty of sock left the past week when some of the season's most severe weather gripped most of the country.

As for this West Texas area, the spell threw the worst of winter's weapons, everything from wind and rain to snow and sleet. Two days of slow, cold drizzle was climaxed Monday night by a one to two inch blanket of fluffy snow over the Ozona area. With temperatures hanging around the 26 degree mark until noon, the snow remained on the ground through most of the day.

The moisture will be beneficial to spring growth, but the severe cold which accompanied it may cause some losses of lambs where lambing is under way and halted early goat shearing operations.

## Funeral Services Slated Today For Mrs. Geo. F. Davis

### Pioneer Ozona Resident Died In San Angelo Tuesday

Funeral services will be held at 2 o'clock this afternoon (Thursday) at the Robert Massie Funeral Chapel in San Angelo for Mrs. George F. Davis, 63, a pioneer Ozona resident, who died at 8:30 p. m. Tuesday at Baptist Memorial Hospital in San Angelo after a long illness.

Services will be conducted by the Rev. Troy Dale, pastor of the First Baptist Church of Ozona. Burial will be in Sherwood Cemetery beside the body of her husband who died here in 1937. The late Mr. Davis was killed in an accident at the old Ozona Water and Light plant where he was employed as manager and engineer for many years.

Born in Nevada Feb. 14, 1874, Mrs. Davis came with her family to West Texas in 1889, the family settling in Sherwood. Her father helped build the First Baptist Church in Sherwood. She had been a member of the Baptist Church since girlhood.

Survivors include two sons, Guy F. Davis of San Angelo and Neville Davis of Big Lake; three daughters, Mrs. Carl Pettit of Tucumcari, N. M., Mrs. A. O. Fields of Ozona and Mrs. Stanley Scothorn of Sherwood; a brother, T. G. Stinebaugh of Bronie; three sisters, Mrs. O. A. Carr of San Angelo, Mrs. George Murphy of Burleson and Mrs. Vina Lackey of Brackettville; 10 grandchildren and six great-grandchildren.

Visitors to the Texas Law Enforcement Foundation Crime mobile view such exhibits as the Hi-detector, a police gun display, a drunkometer, ballistic microscope, and the X-ray machine. Wall pictures show Texas crime fighters in action protecting citizens of the state. Sponsored by the Texas Law Enforcement Foundation, the Crime mobile will be on display in Ozona Feb. 15, under sponsorship of the Ozona Rotary Club. The public is invited to visit the exhibit.

## Commercial FFA Livestock Show Here February 22

### 26 Students Exhibit 106 Lambs, 2 Calves, Feeder Projects

A Commercial livestock show Saturday morning, Feb. 22, beginning at 9 a. m. at the new Junior Livestock Barn at the fairgrounds will climax a 110 to 120-day feeding program for 26 FFA students of the Ozona High School Vocational Agriculture department.

The public is invited to visit the project show which will be under way from 9 a. m. to 4 p. m. M. A. Barber, Vocational Agriculture instructor, said. In the show will be 106 fat lambs, and two calves, and in addition one student will exhibit a wildlife project.

A benefit barbecue dinner will be served at the noon hour, proceeds to go into the local FFA treasury.

The lambs and calves have been fed a balanced commercial ration during the feeding period, Mr. Barber said, the object being to put weight on the animals as economically as possible. At the show each lamb and calf will be graded into commercial grades indicating market value. Herman Carter of San Angelo will grade the commercial stock in to the five market grades of Prime, Choice, Good, Commercial and Feeder.

For each lamb the FFA student has fed through the period, ribbons and cash prizes will be awarded according to the grade attained. For each prime lamb, the feeder will receive a blue ribbon and a cash prize of \$6. For each Choice grade, the award will be a red ribbon and \$4 in cash; and for each Good quality, a white ribbon and \$2 in cash. If a lamb still grades feeder after having been fed for the 110-20 days, no ribbon or cash prize will be given.

Calves will be graded in a similar manner as to the slaughter market value of the animals.

There will not be an auction sale of the livestock in Ozona. However, on Wednesday, Feb. 26, the animals will be sold by grades at the Producers Livestock Auction Co. in San Angelo.

## Youth-Led Revival At Baptist Church March 2 Through 9

### Ministerial Students From Baylor To Head Week-Long Meet

A youth-led revival meeting will be held at the First Baptist Church in Ozona beginning Sunday, March 2, and continuing through March 9, Rev. Troy Dale, pastor, announced this week. Emphasis was laid by the pastor on the fact that, although the series of services is essentially a youth-led program, all adult members and friends of the church are cordially invited and urged to attend any or all of the services.

Preaching during the series will be done by Charles Fox, a senior ministerial student at Baylor University, Waco. Fox is head year 11 leader at Baylor, a member of the campus Chamber of Commerce, the Student Court, Alpha Chi scholastic fraternity and the Executive Baptist Student Union Council. He is listed in Who's Who in American Colleges and Universities. He is a young man of many talents and interests. He sings, plays the saxophone and is in demand as a speaker and entertainer for youth meetings both on and off the campus.

Song services during the series will be directed by Leroy Yarbrough, a student in the graduate school at Baylor. Yarbrough is director of the Baylor Religious Hour Choir which does radio and TV appearances and has made a number of recordings. The group's long-play album has just gone on the market. Yarbrough is also director of the Texas Baptist Student Union Choir. Besides his outstanding talents as a vocalist, young Yarbrough also is a talented organist.

Both morning and evening services, at 10 a. m. and 7:30 p. m. are planned for the entire period of the revival. In addition there will be a noon-hour service for the benefit of high school students particularly, the pastor announced.

Plans for the revival are being worked out by youth committees. The committees are as follows:

Pre-revival steering committee: Stanley Williams, student pastor, Donald McCaleb, Marilee Dale and Jonathan Burton.

Spiritual preparation committee: Jim Williams, chairman, Bonnie ...

Publicity committee: Jim Bur ...

## Ozona 4-H Shows Grand, 2 Reserve Champs at Santone

### Jay Miller, Pam Jones Cop Breeder, Bob Childress Fat Show

Crockett County 4-H Club members invaded the big-time at San Antonio last week and crashed into the top bracket with a clean sweep of the Junior Rambouillet Sheep Show ewe division, winning grand champion and reserve champion and nine placings in the breeding sheep division, and in the fat lamb show won a reserve champion and placed eleven of seventeen lambs entered.

Jay Miller showed his registered Rambouillet ewe to the grand championship of the show and Pam Jones took reserve champion with her Rambouillet ewe. The champion and reserve champion had won first and second places respectively in the yearling ewe class.

In the yearling ram class of the Rambouillet show, Pierce Miller won fifth place and Pam Jones 11th. Another yearling ewe shown by Pam Jones took 8th place in that class and Pierce Miller's ewes won 5th and 6th places in the class. In the get-of-sire group showing, Pam Jones won second and Pierce Miller third.

In the fat lamb division, Ozona 4-H showmen placed eleven of the 17 lambs entered, one showing to the reserve championship.

Bob Childress of Ozona showed the Reserve Champion crossbred lamb of the show in the final showing Monday.

In the finewool class, Penn Baggett's lamb placed 8th and Bill Black's placed 41st and 53rd. In the crossbred class, Bob Childress placed 2nd and Bill Jacoby 7th.

In the medium wool class of lambs, Pen Baggett placed 4th, Frank Childress 5th and 15th, Mark Baggett 10th, Joe Everett 12th and Bob Childress 20th.

County Agent Pete Jacoby and the group of 4-H clubbers left last Wednesday for the San Antonio show showing fat lambs were Bill Black, Bob Childress, Frank Childress, Joe Everett, Bill Jacoby, Jimmy Baggett, Mark and Penn Baggett and Fred Baker.

The fat lambs are scheduled to be sold at auction in the show ring Friday of this week.

#### PRAYERFUL ANNIVERSARY

In the seventh annual observance of its "Back to God" program, presented in a nationwide telecast from the Washington Headquarters on February 1st, The American Legion deliberately avoided any suggestion of saber-rattling.

Past National Vice Commander Thomas E. Parradine, narrator of the half-hour show over the ABC network, took cognizance of the first American satellite — then beginning its circumnavigations in the nothingness above us — reminded the nation that the godless Khrushchev could not participate in such an occasion as this. But in Mr. Parradine's remarks and the addresses that followed there was no vainglory, braggadocio or arrogance. The ceremony — highlighted by the brief prayer of National Legion Chaplain Feltham S. James — remained, as it should, a humble dedication of all Americans who cared to participate, to the service of "God and Country."

National Commander John S. Gleason, Jr., who took leave of his hospital bed for the occasion, declared that America needs "the moral might of a people close to God," that if this nation is to conquer the power and evil of Communism, "it needs all of the spiritual strength which only a God-fearing, prayerful people can offer."

Defense Secretary Neil H. McElroy, speaking from the Penta-

gon, urged his fellow Americans to follow the commandments of justice and mercy in building the strength of the nation and in laying a secure foundation for the peace of the world.

Most encouraging were the words of 19-year-old Tom Peaks, of Norton, Va., president of American Legion Boys' Nation for 1957, who brought to the oldsters of the nation a message of hope and faith from the 29,000 boys who take part each year in the Legion's education - for - citizenship program. These youngsters, he said, are representative of American youth who "not only believe in God but practice this belief through prayer, church attendance and a daily, personal effort to keep His commandments."

Once more The American Legion has reminded America to "Praise the Lord and pass the ammunition." And it has solemnly memorialized the fifteenth anniversary of the sinking of the transport "Dorchester, when the four chaplains — a Catholic, a Jew and two Protestants — gave their life-jackets to others and arm-in-arm went back to God.

Defective wiring we hear, caused the Navy's second Vanguard disaster. Was it wired by a do-it-yourselfer? Who inspected the wiring? Who had access to it afterward? What caused the first fiasco? Or does anybody care?

Rear Admiral Rawson Bennett says the Vanguard troubles are "normal". Is sabotage considered "normal" nowadays? The people who pay would like to know.

Recommendations for a Tax Cut may come from the White House this year! In his press conference, President Eisenhower admitted that "it would have a very real, great stimulus on the economy, no question about that."

Why not give the economy this stimulus — at least to the extent that Congress can cut from the budget the non-essentials the President said should be cut out — but somehow left in? We can have adequate defense, a tax cut and a balanced budget too!

Asked if Harold Stassen's usefulness to the White House has ended, President Eisenhower ducked the question, said his "Secretary of Peace" had "many traits" that should qualify him as Governor of Pennsylvania. But Pennsylvanians suggest Minnesota. Who says politicians aren't generous?

### Employers Of Bracero Labor Are Invited To Conference Here Feb 21

A representative from the Texas Employment Commission will be in Ozona Friday, February 21, for a conference with ranchmen of the area who contract Mexican Nationals or contemplate contracting them in the future.

The meeting will be held in the courthouse starting at 10 a. m., and all ranchers or others who employ bracero labor are cordially invited to attend.

"It will be to the advantage of all ranchmen who contract Mexican Nationals or plan on doing so to attend this meeting," L. W. Keilers, Office Manager of the San Angelo Office, Texas Employment Commission, said in announcing the local meeting.

Certain information will be given ranchers attending the conference regarding contracting and their responsibility under the Mexican National Program.

"Ranchers not present at this meeting very likely will have to go to San Angelo before they will be able to extend contracts or contract new braceros," Mr. Keilers said.

### BROWNIE TROOP FLIES UP TO GIRL SCOUTS

### Civil Air Patrol Squadron In Meeting

The Ozona Squadron Civil Air Patrol held a regular meeting last Tuesday night, in the High School library.

Plans were discussed for a Group 3 SARCAP which will be held in Ozona in the spring. A new Air Force uniform which will be available for CAP members also was shown to the group.

Lt. Jim Coker, Cadet Commandant, asked the senior members to be at the airport next Sunday to give flight orientation rides to the Cadets who had advanced in their training to the point where they

are ready for their second flight. Several senior members volunteered.

The next regular meeting will be held on Tuesday night, Feb. 24. It will be a joint meeting with the CAP Cadets. The senior members will meet at 7:30 p. m. for inspection. All members are requested to be in uniform for the joint meeting which has been called for 8:00 p. m. in the high school library.

Hardly a day goes by that we don't read about someone drowning, or being seriously injured in a water accident. Most of these accidents can be traced to just plain carelessness. Somebody does something very foolish and the next thing his friends are dragging the lake for his body. We hope every time you step in a boat this year you'll remember to use utmost care, both for yourself and others. A Tip on Minnows. A fish biologist has just reminded me that most of the rough fish which we have to fight in our new impoundments have been put there from minnow buckets. There is a tendency on the part of all of us to dump into the lake whatever minnows we have left when we are through fishing. If you use pond raised minnows this isn't so bad. However many places sell minnows that have been seined from distant rivers, some as far away as Mexico, Oklahoma or Arkansas. Many of these are carp and gar minnows. As a result, we are infesting new lakes with rough fish which later must be cleaned out. If you have some minnows left, give them to someone else or dump them out on dry land. Or, you might take them home, dig a hole in the garden and pour them in. Then plant a squash or watermelon. They'll be well fertilized.

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays. These in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold. Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Preserving that freedom

has been - and always will be - a Press that will not succumb to dictation or overpowering despotism. For the light that leads to all freedoms is Freedom of the Press: Education... information of all kinds... news of all that transpires... and the open discussion of opinions and ideas that sharpens understanding. Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

### The News Reel

A re-run of "The Ozona Story" as planned from the film of The Ozona Stockman

From The Stockman, Feb. 14, 1929

Spud Peters, cashier of the Ozona National Bank and good road builder, has been named a member of a committee of representatives of towns along the route of the Old Spanish Trail highway selected for the purpose of advertising the Trail and bringing more traffic along the route from Florida to California.

A father and daughter met in Ozona last week for the first time in 22 years. They were Dr. W. D. Coates of Fort Birdwell, California, and Mrs. James Welch of Wichita Falls, Texas. Dr. and Mrs. Coates stopped in Ozona for a few days for a visit with relatives after attending the funeral of Dr. Coates' brother, Kern Coates, in Big Lake. Dr. Coates met his daughter while on a visit here 22 years ago and they had not seen each other since.

A new drug store, to be known as the Ozona Drug Company, will be open for business sometime next week. The Ozona Drug is another in the "Orange Cross" chain of drug stores which have operated so successfully in this section. Raymond M. speaker and attend the service immediately following the special Service.

## A Tribute

### To Our Boy Scouts!

When Lord Robert Baden-Powell, the Englishman, conveyed the idea of the Boy Scouts and later our own American, Dan Beard, further and promoted the idea here, neither, we suspect, ever dreamed what a world wide fountains of Youth he was putting in action! Today the Boy Scouts are the flower of young manhood in every quarter of the globe. Their deeds are legion. Their clean, manly characters shine forth from their scrubbed faces and the trim uniforms they wear. How very proud we fathers and mothers of Boy Scouts should be! Their merit badges are a symbol of sincerity, eagerness to serve and pride in their organization. God bless them all. They'll be leaders tomorrow!

**Texas Life Insurance Firm Sets Record For Growth In Business**

Houston — Oil Industries Life Insurance Company, a firm with numerous stockholders in the West Texas area, has just set another world's record, its executive vice president and director of agencies, Duane E. Kuntz, said Saturday.

In just three and a half years, said Kuntz, Oil has achieved \$100,247,303 ordinary life insurance in force. A search of Best's Insurance Research Reports discloses the best previous record in reaching the \$100,000,000 was five years after an insurance company was organized. Iowa Life hold the old record, Kuntz said.

Earlier in its career, Oil Industries Life also established other insurance industry records. The first company in Texas to post \$1,000,000 capital and surplus paid in cash before writing business. Oil proceeded to set a production record of more than \$33,000,000 in its first year, again beating Iowa Life world's record.

It was also the first life insurance company in Texas to concentrate on the oil business.

Brock Jones is Ozona agent for Oil Industries Life. Jones has been in the top ten agents in production for the past three years.

Max Schneemann, Ozona ranchman and banker, is an administrative director of the company. J. O. Poage of Big Lake is district manager.

**ESA Reports Mothers March Is Big Success**

Beta Rho chapter of Epsilon Sigma Alpha Sorority met Monday night in the home of Mrs. Haskell Leath for the regular meeting.

The program theme was "Keeping Actively Young," and Mrs. Nona Gibson talked on the subject in connection with the Stauffer plan.

In the business meeting which followed, plans were made for a local educational program on muscular dystrophy, the ESA district project this year. It was reported that the Mother's March on Polio, sponsored by the sorority, was highly successful. The ESA state project, a canteen for the Texas Institute of Rehabilitation and Research at Houston was discussed and plans begun to meet the chapter's financial quota.

A letter was read from Mrs. Howard Lemmons, former sponsor of the group, and Mrs. Coralie Meinecke was welcomed as the new sponsor.

Coffee and cookies were served by the hostesses, to Mrs. Haskell Leath, Mrs. Homer Hopkins, Mrs. Gordon Gibbs, and Mrs. James Isbell to Miss Billy Chandler, Mrs. Bruce Mayfield, Mrs. J. A. Pelto, Mrs. James West, Mrs. Dick Webster, Mrs. Ray Collins, Mrs. C. V. Tubbs, Mrs. Billy Mills, Mrs. Charles Ratliff, Mrs. W. E. West, Mrs. Charles Womack and Mrs. Coralie Meinecke.

Mrs. Henry Carden and daughter, Miss Wanda Carden, were visitors in the home of Mrs. Carden's parents, Mr. and Mrs. Ralph Watson last week.

ver City 15-3 and 15-7 in the first round and Sonora 15-3, 15-3 in the second round. A strong Big Spring B team downed the Ozona girls 15-5 and 14-3, time running out in the last game. In the game for third place, Seminole nosed out Ozona 14-2, 10-13 and 13-7, each a time game.

The A team out - maneuvered Denver City in the first game of their match in a thrilling overtime game 18-16. The Ozona girls lost the second game 7-11, but came back to win the third and decider 15-3. In the second round game, the Ozona girls beat out Wink 15-3 and 15-8. In the semi-final, champion Big Spring won over Ozona 15-4 and 15-0 in a match more interesting than the score indicates. In play for third place, Ozona bowled out to Seminole 15-3 and 15-6.

Twenty-eight teams competed in the tournament. In the Permian Basin. A team tournament, Big Spring won the championship with Kermit second. Seminole was third and Ozona fourth. In the consolation bracket, Monahans was winner with Andrews the runner-up. The sportsmanship award went to the Ozona team. In the Queen Bee or B tourney, teams finished in this order: Kermit, Big Spring, Seminole, Ozona, Monahans and Andrews. Snyder won the sportsmanship award.

### Volleyball

ton deflected a dribble towards the sidelines. Yates tried to recover the ball and kicked it out of bounds.

The official on the side of the floor where the play occurred saw the play and called it correctly as the crowd came to its feet with a deafening roar. David Sikes put the ball back into play on the official's signal and Jerry Jacobs streaked into the open to take the pass and score all by himself to give the Lions a 34 to 33 lead with only six seconds to play, but from the opposite side of the floor and over half the distance of the gym away from the play, the other official called for a jump ball and the goal was nullified - and Men-

ard had the game.

When questioned about the call after the game the official claimed that he could not see the play after Sutton hit the ball near mid-court, which of course was true, but then one wonders what he was doing calling a play he did not see.

The Tuesday game with Junction was postponed due to bad weather and Friday the Lions will travel to Eldorado to play the Eagles and then finish their regular schedule with a game in Sonora next Tuesday night.
