## Boy Scouts Of America Observe 30th Anniversary

### Nations 1,350,000 Boys Join In Nationwide Observance

The nation's 1,350,000 Cubs, Boy Scouts and their leaders will celebrate the 30th anniversary of the incorporation of the Boy Scouts of America in a week's observance beginning Thursday, Feb. 8.

Boy Scout Week is the most important week in the Boy Scout calendar and nine million present and former Scouts and leaders will join the celebration which this year has as its theme "Scouting—The American Way."

The Scout program with its patrol method and other group action features is a "school for citizenship." Since Scouting provides for democratic group decisions and group action, the celebrations throughout the nation will be greatly varied. Each troop will celebrate the birthday anniversary in accordance with its own plans.

Radio will play an important role in the Boy Scout Week celebrations linking together, if only for a short time, the Scouts in the great rural areas with those in the cities and towns.

The high point of the week's observance will be a nation-wide broadcast from the White House, Thursday evening, Feb. 8 in which President Roosevelt, as honorary President of the movement and himself an active Scout leader will talk to his "fellow Scouts and Scouters" as well as the millions of friends of Scouting.

Speaking also during the Presidential broadcast will be Walter W. Head of St. Louis, president of the Boy Scouts of America, who will speak from Detroit, Mich., where he will be attending a dinner of Scout leaders. Mr. Head will speak briefly and then introduce the President of the United States and at that point the broadcast will switch to the nation's capital.

A feature of the White House broadcast will be the annual re-dedication by the nation's Scouts to the Scout Oath which is the guiding principle of Scouting.

## Father Of Mrs. R. J. Adams Death Victim

R. E. Colvard, 71, father of Mrs. Richard Adams, died Monday morning at his home in Strawn. Funeral services were held at 2 p. m. Tuesday at Gordon. Mr. Colvard underwent an operation in a San Angelo hospital about four months ago.

Survivors include Mrs. Colvard, and three daughters, Mrs. W. B. Prosclose of San Angelo, Mrs. J. P. Oglesby of Eldorado and Mrs. Adams. They were at his bedside when he died.

## Baptist Men Plan Oyster Supper and Entertainment Fri.

Men of the Ozona Baptist church and their friends are invited to be present at the church Friday evening starting at 7 o'clock for a supper and evening of fellowship and entertainment. An oyster supper will be served.

Entertainment features and games to follow the supper will be arranged under the direction of Ira Carson and Joe Billy Keeton.

## Abstractor Opens New Offices Here

M. Johnson, abstractor, has rented part of the Cox building adjoining the City Barber Shop and plans to have his office open for business by the last of next week.

Painters and carpenters are now busy refinishing and repairing the office on the inside, and Mr. Johnson returned Tuesday night from San Antonio with a complete new set of office furniture.

## They Join Forces to Fight Long Machine

Sam Houston Jones, left, who ran second to Gov. Earl Long in the Louisiana Democratic primaries, embraces James A. Noe, third place candidate. The vote given Jones entitles him to a run-off election against Long in February. Noe announced he will swing his support to Jones in an attempt to beat Long, a brother of the late "Kingfish" Huey Long.

## Ozona Finnish Relief Fund Is Started At \$13

### Others Wishing to Contribute Asked to Do So In Next Week

Ozona's Finnish Relief Fund was started during the past week with contributions from four Ozonans for a starter totalling \$13. The Stockman, along with newspapers throughout the nation, is receiving contributions to the fund for the relief of the civilian population of Finland suffering from unprovoked war being waged against their nation by the Soviet Union.

The following are contributions so far received by the Stockman for the Finnish relief fund:

A. W. Jones	\$1.00
Baker's Piggly Wiggly	\$1.00
Rev. Eugene Slater	\$1.00
Kay Johnson	\$10.00

TOTAL \$13.00

The local fund will be held open for another week and the total amount collected will then be dispatched to state headquarters of the Finnish Relief Fund in Dallas. Any other person desiring to contribute to this cause are asked to mail or bring the money or check to the Stockman office within the next week so that the work may be closed here.

## To Observe World Day Of Prayer At Services Friday

Plans for observance of World Day of Prayer were made by the Missionary society of the Methodist Church at a business meeting Wednesday afternoon. The special prayer program will be held Friday morning starting at 9:45. The service is to be non-denominational, and a cordial invitation is extended to members of other churches of the city to join in the service.

Mrs. John Bailey led the devotional at Wednesday afternoon's worship service. Next week's program of the society will be devoted to the topic, "I Surrender Myself," with Mrs. O. D. Busby as leader.

Present for this week's meeting were Mrs. Will Baggett, Mrs. Bright Baggett, Mrs. Alvin Harrell, Mrs. O. D. Busby, Mrs. Charles Williams, Mrs. John Bailey, Mrs. Tom Harris, Mrs. Joe Pierce, Mrs. Vic Pierce, Mrs. W. R. Cabaness, Mrs. J. A. Fussell, Mrs. Carl Colwick and Mrs. Eugene Slater.

Mr. and Mrs. Paul Phillips moved to Louisiana Wednesday where Mr. Phillips will be employed with the Stanolind Oil company near New Orleans.

## Russell, Casbeer Fling Hats Into Political Ring

### Clerk and Treasurer Ask Voters For New Term In Office

On the heels of their colleagues in the circle of the courthouse official family, George Russell, county and district clerk, and Tom Casbeer, county treasurer, this week made their official entry in the 1940 political campaign by announcing their candidacy for re-election to their respective offices for another term.

Both Mr. Russell and Mr. Casbeer are veterans in the service of Crockett county people as heads of these two departments of local government. Both are offering their candidacy for another term on the basis of experience in the service and a record of faithful performance of the duties of their offices. They, like all other members of the local body of county officials, are so far unopposed for re-nomination in the 1940 primaries.

The slate of announced candidates for another term in their respective offices now includes the names of eight officials. Three county commissioners, Rob Miller of Precinct 1, Chas. Black of Precinct 2, and E. R. Kinser of Precinct 4, Sheriff, Tax Assessor and Collector W. S. Willis, Justice of the Peace W. M. Johnigan, County Attorney N. W. Graham, County Clerk George Russell and County Treasurer Tom Casbeer so far constitute the roster of candidates in the running in 1940.

In the district, the only contest to date is that between Judge W. C. Jackson of Fort Stockton and Judge J. B. Randolph of Junction for the 112th district judgeship.

## Volley Ball Girls To Meet Barnhart

The Ozona girl's volleyball ball team will meet the Barnhart team in the local gymnasium at 4 o'clock Tuesday afternoon.

The Ozona squad consists of Lottie Jo Owens, Rozelle Pharr, Joy Coates, Jean Drake, George Ann Kirby, Johnnie Boyd, Dorothy Hannah, Gladys Jean Willis, Mary Louise Perner, Florence Luther, Sybil Luther, Ella Carson, Gem Ella Dudley and Helen Mayes. Miss Margaret Martin is the girls coach.

## Shallow Test To Be Re-Acidized In Area Of Todd Exploration

Stanolind No. 5-A Todd, shallow test 4,000 feet east of the discovery shallow producer on the J. S. Todd estate ranch 15 miles northwest of Ozona was to have been retreated with acid yesterday with 1,000 gallons. The well is bottomed at 1,375 feet.

Continental and others No. 1 Todd, Ordovician test, sprayed oil from the shallow production level during the past week while operators were pulling casing. The flow was muddied off, however, and work went forward to bring in production at the deep level, where shows were encountered indicating profitable production.

## General Rains Erase Damages From Freeze-Up

### Winter Weeds Spring Up After Slow Falling Moisture

A slow-falling, warm rain which soaked this section the end of the week, followed by warm sunshine through the days and moderate temperatures have done much to erase the damage done to livestock and range by the recent extreme cold weather, according to reports here from ranchmen over the county.

Rains last Friday night and Saturday morning, amounting to an average of about a half inch over Crockett county and most of the ranch country, added to the stores for moisture left in the ground by two heavy snow falls which blanketed the country, served to further brighten prospects for excellent spring growth of weeds and grass.

The fall in Ozona was gauged at .8 of an inch. With the continued warm, ranges have greened up noticeably in the last few days and ranchmen report sheep are gaining rapidly on the new green weeds that have sprung up.

## Ozona Boy Chosen For "Who's Who" of American Colleges

Ele Bright Baggett, son of Mr. and Mrs. Bright Baggett, was the only West Texas boy chosen by his school mates in Texas A and M. college to represent the school in the Who's Who Annual published annually by college students throughout the United States.

Nineteen boys from A. and M. were selected for this honor, with only two being Juniors. The other Junior chosen was the famous John Kimbrough, all-American-football star of 1939.

## Ozona Cub Cagers Put Up Game Fight Against Big Lake

That "thrill that comes once in a lifetime" was experienced by Coach Ted White of the Ozona Lions last Friday night when he saw his team of second stringers, with one exception, hold the Big Lake Owls first team to a close margin of victory in a first round game of the Big Lake tourney.

Coach Ted White had tried to withdraw his team from the tournament when illness invaded the ranks, but sympathy for the plight of Coach White of Big Lake (no relation), whose tournament threatened to topple because of withdrawals, led him to scrape up an aggregation of cubs. Game time was 8 o'clock, featured time, and the Ozona coach was doubly blue over the prospects of his team taking a terrific shellacking before a big crowd.

But at the half the score was 3-3. The Lion Cubs were hot. In the third chukker, the Owls unleashed their "blitzkrieg" and ran up ten tallies. Three minutes before the game ended, the Reagan coach ran in his second stringers and the Ozonans went to work on them to run the final tally to 22-18.

## Varied Birthday Program Planned By Ozona Scouts

### Local Troop To Hear National Rededication By Radio

Boys of Ozona Scout troop No. 53, under the leadership of their Scoutmaster and Patrol Leaders, have outlined plans for varied activities in fitting observance of the 30th anniversary of incorporation of Scouting in America during national Boy Scout Week starting today.

A highlight of the week's observance for members of the Ozona troop, as for more than a million and quarter Scouts and their leaders throughout America, will be an assembly at the Scout cabin to hear the address of President Franklin D. Roosevelt addressed to Scouts and their leaders over the nation via radio.

At 9:30 o'clock tonight, local Scouts will join others of the nation in recommitting themselves to the Scout Oath and Law when they will be led in the repetition of the law over the radio by Dr. James E. West, chief Scout executive, who will speak from Florida. Other leaders who will address Scouts gathered around their radios in every portion of the United States will be Dr. Walter W. Head, president of the Boy Scouts, who will speak from Detroit, Mich., and the President speaking from Washington.

Next Sunday is Boy Scout Sunday and members of the local troop and their leaders will attend the Church of Christ at the evening worship hour to hear a special Boy Scout sermon to be preached by Clem W. Hoover, minister of the local Church of Christ.

Friday night of this week, at 7 o'clock, members of the Cub patrol will meet at the home of Buddy Russell for a program.

Sunday morning, members of the Wolf patrol, under the leadership of Leslie Nance, will enjoy a hike to a nearby ranch where they have picked out a cave for exploration.

Tuesday night, regular meeting night, the Scouts are planning an enthusiastic meeting under the leadership of Boyd Lovelace, senior patrol leader. A feature of the business session at this meeting will be a discussion by members of the Senior patrol on the question of whether or not Explorer or Sea Scouting is to be organized among the senior group. The patrol plans a trip to Del Rio sometime next week for the purpose of making a further study of these advanced Scout activities.

Three patrols have been organized from Troop 53, Senior patrol, Wolf patrol, and Cub patrol. Boyd Lovelace was elected Senior patrol leader, and Leslie Nance, Wolf patrol leader, Scoutmaster R. L. Springer is directing activities of the Cubs, but is on the look-out for a leader for this group.

## Lions Win Extra Period Thriller From Junction

Coach White's Ozona Lions clipped the wings of the Junction Eagles in a basketball game in the gym Wednesday night, 18-15.

At the close of the allotted game period, the score stood at a tie, 15-15. In the extra period scuffle, the locals scored three points to sack up the contest.

This was the first game played by the Lions since the local tournament. Two more games are scheduled for this week in the Ranch-Country League, the first to be with Rocksprings at 7:30 o'clock Friday in the gym and the second will be played in Junction Saturday evening. In league combat the Lions have won two games and lost one.

Mrs. Bill Smith and son, Bobby, left today for Rosita, Coahuilla, Mexico, where they plan to visit this week with Mrs. Smith's sister and brother-in-law, Mr. and Mrs. M. W. Moyle.

## A Scout Is Reverent

MAINTAINING that no boy can become the best kind of citizen without recognizing his obligation to God, the Boy Scouts of America, in this new Norman Rockwell painting, symbolizes the spirit and meaning of its Twelfth Scout Law: "A Scout is reverent. He is reverent toward God. He is faithful in his religious duties and respects the convictions of others in matters of custom and religion."

#### A Great American Anniversary

This week all America is celebrating the 30th anniversary of the establishment of the Boy Scout movement in America. The movement has its enthusiastic supporters everywhere. Indeed in its three decades nearly 9,000,000 Americans have been Scouts, Cubs and leaders. Today there are over 1,330,000 boys and men actively enrolled. Now as never before, American adults are giving their time, energies and financial support to time-tested boys and girls organizations that help mold their children into types of citizens that will guarantee the continued existence of the United States along the pattern set by the nation's founders who gave America its democratic form of government and its precious heritage, the constitution and its bill of rights. Supplementing existing organizations such as the home, church and school, the Boy Scouts of America engages boys' leisure-time energies in outdoor life and

activities of cultural and practical values which lead boys to become dependable men.

Every President of the United States since William Howard Taft has been an enthusiastic supporter of Scouting and every American who knows anything about Scouting's beneficial program acknowledges it as worthy of continued confidence and trust.

#### Fine Competition

No economy wave at Washington could ever equal the spending spree of recent years, but if the tide could be reversed it might bring in something for the country. We are therefore strongly in favor of a genuine cutting down contest with the two branches of Congress and the White House as participants—with no holds barred and that handsome prize to the winner. To date there has been only a suggestion of what could be

done. The budget carried reduced estimates on certain items, then the house caught the idea by cutting down the independent offices bill a few notches, amounting to some 94 millions out of a billion and more. The house also went along by reducing the administration's emergency defense fund 7 to 8 millions, whereupon the senate appropriations committee subtracted 12 to 13 millions more from the same proposal. This is the real spirit. Let it grow and develop. It actually might result in a demonstration of the radical idea that the way to reduce is to reduce.—Kansas City Star.

#### WILL IT WORK?

Politicians in Congress who reluctantly supported the Hatch bill last year would tell you today that they simply couldn't have imagined a campaign year would be coming along so soon.—Kansas City Star.

#### Thunders of Lewis

John L. Lewis, CIO chief, has a flair for the spectacular and knows how to work up to a climax. Opening the United Mine Workers convention at Columbus with a denunciation of Paul V. McNutt and John N. Garner, he unlimbered his main batteries with a denunciation of President Roosevelt, the Democratic party and the third term. For the latter, he predicted "ignominious defeat." Lewis does not believe, he says, that F. D. R. will be a candidate, but if the convention could be "coerced or dragooned" into renominating him, the result would be a rebuke. He did not, however, bestow the "kiss of death" by indorsing any other candidate, and advised the U. M. W. not to pick one yet. The C. I. O. chief complained of a betrayal of labor at the hands of the Democratic party, apparently taking his cue from the lips of Earl Browder, who complained a day previously that the administration had "betrayed" the Communist party. And then he added: "After seven years the Democratic party finds itself without solution for the major questions of unemployment, low national income, mounting internal debt, increasing direct and consumer taxation and destroyed foreign markets. There still exists the same national unhappiness that it faced seven years ago." All of which shows that even Lewis can be right occasionally, though when Lewis is right it is usually for wrong reasons. Lewis wants an out-and-out alliance between the Democratic party and the C. I. O. with the latter dictating the program. If anything could be worse than the New Deal, that arrangement would produce it.—Los Angeles Times.

#### DO THEY KNOW IT?

Because of war conditions and cold weather, there is a serious coal-shortage in Germany. Not even Hitler can fuel all of the people all of the time.—The New Yorker.

#### NOT "EVEN"—"BECAUSE"

Even with the blackout, England has less traffic fatalities than America, a point for the man behind the wheel to consider.—Scranton Tribune.

#### WHAT A DREAM!

The rationing in the embattled nations, it is reported, is making women wonderfully slender and trim. And wouldn't it be grand if old Mars would quit his regular job and start up a beauty shop, instead.—Boston Herald.

#### HOW TIMES CHANGE!

"What has become of the father

who used a razor strop on his kid in the woodshed?" Editorial. Alas! he has no woodshed—or razor strop—or kids.—Buffalo Evening News.

#### If Old Rover's Gone...

To clean a greasy, carbon-caked frying pan, turn it upside down over the coals of the campfire until the grease burns out and it stops smoking, then dip it into cold water.

## Scouting Beckons All Boys

WHEN the Boy Scouts of America celebrate its 30th birthday on Thursday (today,) all of the 1,330,000 Scouts, Cubs and Scout Leaders will rededicate themselves to the service motive which has characterized the movement for three decades. Scouting offers adventure, fun, and achievement—attractive to all boys—through the democratic life of the Scout troop and patrol, as essential ingredients in its character-influencing program for the boys of America. Drawing on the rich experience of the movement, our organization anticipates the opportunity to serve more boys annually.

### Ozona Bride Is Honored At Shower At Eldorado Church

Honoring Mrs. Paul Hallcomb, Jr., who was Miss Zona Clare Koy before her recent marriage, the Woman's Missionary Society entertained with a tea shower at the Methodist church in Eldorado Saturday afternoon.

The Valentine motif was carried out in decorations and refreshments. Mrs. Tommy Smith presided at the register, and Mrs. Gene Koy and Miss Margaret Hill served at the lace-covered tea table. In the seats of honor were the honoree and Mrs. Paul Hallcomb, Sr., and Mrs. Jess Koy.

The program, directed by Mrs. J. E. Tisdale, consisted of a reading by Doll Weatherly and a solo, "Just a Cottage Small," by Mrs. J. D. Tinning, with Mrs. Ernest C. Hill, accompanist. Guests were led to the gifts by a Valentine treasure hunt. Miss Rosalyn Jones played the piano during the tea hour.

Among the Ozonan's on the guests list were Mesdames Billy Childress, J. B. Miller, Paul Hallcomb, Sr., Jake Miller, Dan Willis, J. W. Owens, Clay Phillips, Jeff Owens, Joe Oberkamp, Rob Miller, H. W. Willis, Roy Miller, Ele Hagelstein, J. C. Montgomery, P. T. Robison, Jones Miller, Clem Hoover, Hubert Baker, I. G. Rape, Lee Childress, Clay Montgomery, Boyd Lovelace and Miss Noma V. Miller and Miss Totsy Robison.

#### St. Bernard Dogs

The St. Bernard dogs of Switzerland are big dogs that are trained to go out and look for lost travelers.

The dogs are big and strong. They carry little packages of food and drink on their collars. A person who is lost in a heavy storm becomes very cold and tired; he is very glad to see one of these big, gentle dogs coming to him thru the snow. He may even be too weak to stand up, but after he has brought him something to eat and drink, he is strong. Then he can follow the dog back to the inn.—Bud Meinecke.

#### The Boy of Fifty Years Ago

This is a story that a guide told Uncle Ben, about a boy who was lost fifty years ago. He fell thru a crack into a glacier. His friends knew that this glacier would move one or two inches a year. One summer they were walking and they saw the boy's body frozen in the glacier. They were old men then, but the boy's body still looked young.

A glacier is a very big place of frozen water that has collected during the many years. Quite often people have been found frozen to death in a glacier.—Corrine Phillips.

#### Trees in Norway

We read an interesting story about trees in Norway.

Once upon a time a person lived in Norway. He wanted to get a picture without a tree in it. Finally he found a spot where he could get one. And just as he clicked his camera, a near by tree fell and that was all that one could see in the picture.—Mike Burns Friend

#### Pictures of Switzerland

Mrs. Denham, our teacher, showed us slides of Switzerland. In every picture, you can see mountains. In Switzerland it is very cold and snows a lot. People go there and enjoy winter sports, such as skiing, tobogganing, ice skating and sled riding. The pictures were in colors. They were interesting to us because, that is

what we are studying. In the pictures we saw mountains, mountain climbers, villages, huts and guides leading people up the mountains. We are enjoying the study of Switzerland.—Bill Hoover.

#### Art Work

Since we have been studying about Switzerland, we have drawn some boys ice skating with their dogs. We drew some boys skiing in the mountains. These are two favorite sports of Switzerland. Max Word drew the best boy ice skating, and Corinne drew the best boy skiing.—Jo Kelly.

#### Diamond Cutters Come to America

During the last few weeks, some interesting people have come to our country to live. They are diamond cutters. Your mother may have a ring or something that has a diamond in it. The most famous diamonds come from South Africa. When a diamond comes from the mine it is not like it is after it is finished. It is like a rough stone. Diamonds are used to cut other diamonds. Diamond dust is used to polish diamonds. Some diamonds cut steel and glass to be put in automobiles.—Patsy Schwalbe.

#### Signposts For Ships

There are signposts on the sea just like the ones on the road. One kind of signpost for the ship is the lighthouse, and there are buoys. The buoy is a small, floating tank anchored where a signpost is needed. They used to be oil lamps, but now they have big strong electric lights. Many of them can be seen 20 miles or more. They can be seen 20 miles or more. Light has its own signal. There are light ships that are floating. They are called lightships. Lightships are anchored in dangerous places where a lighthouse cannot be built. There are 30 lightships along our coasts.—Preston Williams.

#### Snow in Norway

There is a story about a man's home that was snowed under. When he was found he had plenty of wood but was nearly frozen to

death. He was asked why he didn't build a fire. He said if he had burned his wood, he wouldn't have any wood left for carving.—Billy Hoover.

#### Perfect Attendance

The fourth grade had five pupils who had perfect attendance for the first half of the year. Those who got certificates were Billy Hoover, Preston Williams, Robert Yancy, Jo Kelly and Bobby Lou Ragsdale.—Clyde Terry.

#### Snow White Gets a Brother

About two years, Walt Disney's movie "Snow White and the Seven Dwarfs" was first shown. "Snow White" was the first picture he ever made. Ever since "Snow White" was completed, Walt Disney and his workers have been busy drawing another new full-length movie.

The new Disney movie is "Pinocchio" (Penok'yo). Pinocchio is the name of a wooden doll or puppet that comes alive. For many years, boys and girls have read and liked the story of Pinocchio, the wooden boy.

Pinocchio is a puppet made by a kind old Italian wood carver. The old man was very lonely.

He wanted a son. The Blue Fairy gives life to Pinocchio. You will see all of this happen in the movie. You will see little Pinocchio's adventures. You will see him swallowed by Monstro, the whale. You will laugh at the way Pinocchio lives in Monstro's stomach and at the way Pinocchio gets out.

Mr. Disney expects you to like Jimmy Cricket in this movie as well as you liked Dopey in "Snow White." Jimmy acts as Pinocchio's conscience. He follows him about and tells him what is best to do. Jimmy is about as big as your thumb. I am sure you will like the movie.

### Joneses Hosts To Forty-two Club

Mr. and Mrs. A. W. Jones entertained the Friday Forty-two club and guests at their home Friday night with six tables of players.

Mrs. Lowell Littleton won the high score for the women and Tom Harris won the men's high score. Traveling prize was awarded Mrs. W. S. Willis.

Tallies, decorations and the refreshments, consisting of heart shaped cookies and hot chocolate, were carried out in the Valentine

motif. Calendulas were used in the house decorations.

Present were Mr. and Mrs. John Bailey, Mr. and Mrs. C. C. Montgomery, Mr. and Mrs. P. T. Robison, Mr. and Mrs. Tom Harris, Mr. and Mrs. Hugh Childress, Mr. and Mrs. Joe Oberkamp, Mr. and Mrs. Lowell Littleton, Mr. and Mrs. Will Baggett, Mr. and Mrs. Carl Colwick, Mr. and Mrs. W. R. # It's the Early Bird that gets the Fun

The model illustrated is the BUICK SUPER model 51 four-door touring sedan \$1109 delivered at Flint, Mich. White sidewall tires additional.\*

ONE of these days the itch is going to hit you to get out and get in on the fun a Buick can be in the spring-time.

You're going to feel an irrepressible yeh to touch off that husky, sweet-singing Dynaflex power plant and swing out in gentle coil-spring comfort to take in the fresh spring landscape.

Maybe, like others we know of, you've even got the model picked out, and are just "waiting a few weeks" to do something definite about it.

But may we emphasize, in purely friendly interest, that a lot of other people probably have the same idea.

And that when they start buying in droves—as they do every year about the idea of March—even Buick's big factory has trouble keeping up with them.

Help Promote Safety—Dim Your Lights When Passing

Of course, we're doing all we can to be ready for everyone.

But you can get only so many cars in a warehouse.

And a full warehouse can empty awfully fast.

And what with everybody wanting Buicks this season, we can't say how long we can promise the delivery we can give now.

So why not play the early bird this year? Why not get the jump on your neighbor and be driving your Buick while he's still talking about getting his?

You've nothing to lose, a lot of fun to gain—and you'll find the address of your Buick dealer in the phone book.

Martin Harvick is suffering from a painful wound in the hand inflicted by a piece of flying steel. Young Harvick was injured while hammering on a piece of pipe at the Harvick ranch south of Ozona.

Gerrard Smith, perhaps the oldest cowboy in Texas and the oldest person in Crockett county, has been ill for the past several days. Gerrard's age has been estimated by old timers at 96 years. Known to all Ozonians, Gerrard's

cheerful presence at his familiar haunts in the downtown section has been missed since his illness.

Friday's rain in the Crockett county sector, coming on the heels of moisture brought by the snow has been a great benefit in promoting the growth of winter weeds, ranchmen report, and further brightens the outlook for spring.

SONORA BIRTHDAY BALL

A committee headed by Buzze Stokes, well known Sonora feed dealer and civic leader, has completed plans for Sonora's annual President's Birthday ball for the benefit of the fund to fight infantile paralysis. The ball is to be given Saturday night, February 10, at the Sonora Vaud house. Roy Anderson and his 12-piece band will furnish music. Ozonians are invited.

**TATTLING—**

By C. MAYE DUNLAP

Lurinne Townsend sang a solo over the TSCW broadcasting station in Denton Sunday. Her selection was the hymn, "My Lord, I Love Thee." It never fails to give us a thrill to hear that one of our home town students are taking their place in college events, and from all reports Lurinne is doing alright for herself.

Reports from Texas University run that Walter Escue was the only student in his English class to make an A this semester. He has been promoted to the Closed A session for the next semester. Norman Rendall also is running away with high honors this year. He made the first and only A in Public Speaking that has been given by his teacher since 1929.

Betty Lou Coates returned Saturday from Lubbock where she visited with Doris Bunger several days between semesters.

Joe Williams has transferred his credits from Texas Tech in Lubbock to Southwestern University in Georgetown.

John Shepperson of San Angelo visited with Carolyn Montgomery Tuesday.

Another late arriving mid-term was Ora Louise Cox, who came home Friday and returned to Dallas Sunday with Joe Thomas Davidson. Both are students in SMU.

Jim Black was a visitor in Ozona during the past weekend. Jim, who is a senior in A. and M. college, will be home the next term.

Typical of the contour furrowing work as a means of holding soil and rainfall in West Texas is this scene on the John Treadwell ranch, 23 miles northwest of Menard. The work was done by the Menard County Commissioners' Court in cooperation with S. T. Logan, county agent, and the Texas A. & M. College Extension Service. A road scarifier was converted into a two-row furrowing machine. In areas of more limited rainfall, the intervals between the furrows are usually increased.

Congratulations to Ele Bright Baggett from his friends in Ozona on being selected from 5500 students to represent Texas A. and M. in the annual college Who's Who among college students. "Peggy" is remembered in West Texas for his friendliness and cheerfulness, so more power to him.

**Ozonans Enjoy Fine Program By Howard Payne College Group**

The Life Service Band of Howard Payne college, Brownwood, rendered a very inspirational program at the First Baptist church last Sunday morning. W. T. Lewis was in charge of the program with Robert Barnett in charge of congregational singing, William Soble violinist, and Miss Dorothy Garnett, pianist. The program consisted of the following. Exceeding Sinfulness of Sin, by Rev. Don Anderson; duet, Miss Violet McDonald and Mr. Barnett; exceeding goodness of His love, by Miss Ruth King and Exceeding Greatness of His Grace, by W. T. Lewis. The young people were greeted by a fine congregation.

The band is composed of young people who are dedicating their lives for special service to Christ. They are supporting a missionary in Brazil by taking a free will offering in each church where they render a program.

The group drove to Ozona Sunday morning, were entertained in the homes of the members for lunch, and returned to the college in the afternoon.

Mary Bess Parker spent the weekend in San Angelo. She returned Sunday afternoon with Tommy Harris and Mr. and Mrs. Paul Jordon of San Angelo, who visited with Bess the remaining part of the day.

TEXAS OIL plays a vital part in providing our boys and girls with school buildings and other educational facilities that are among the finest in the world.

Oil taxes collected and used only for Texas public school purposes during 1938 amounted to \$21,425,773.00.

Based on the per child educational cost of \$55.30, this sum provided education for 387,446 children—or 25% of our entire 1938 scholastic enrollment.

## THE HORRORS AND QUESTIONS OF WAR

By Miles Pierce

All the world knows and realizes the horrors of wars. One is fought to save democracy; and immediately, without time elapsing for democracy to be saved, another is fought to prevent some ism. This new war brings back the same horrors, the same hates and the same hopes of all other wars. And as usual the same questions are seen to appear before everyone: Should U. S. help the other democracies to destroy the foreign isms? If Hitler wins the war, will not the U. S. then be in danger of invasion?

From the war pamphlet published by Kirby Page, who has made many trips to Europe and Asia in order to study international and economic problems, I shall take several questions and answers, so that some important war questions may be brought to mind.

Should U. S. help the other democracies to destroy the foreign isms? No. Hitler caused the war, but the Allies caused Hitler.

If Hitler wins the war, will the U. S. not then be in danger of invasion? No. The U. S. is too far away for a nation crippled by war to entangle with.

How could Hitlerism have been prevented? Hitler was hurled to the dictatorship of the Germans, who, after the Allies had paralyzed them, became bitter and desperate against the Allies.

War takes all the young, fit, healthy, strong, young men of a nation and buries them beneath foreign "dirt." It causes a nation to go deeply into debt. It ruins the lives of many.

Walt Whitman defined war as "That hell unpeep and raid of blood, fit for wild tigers or for lop-tongued wolves, not reasoning men."

The world wants peace; war is not the way to get it.

## TOURNAMENTS

### BAND CLINICS

Shall we have tournaments? In the official basketball rulebook for 1941, the executive committee of the Interscholastic League banned tournaments from the basketball program. In view of this fact, Mr. Denham sent letters to 64 schools in West Texas proposing that each school be allowed to enter two tournaments per season. This proposal would decrease the number of tournaments, but in that it would permit each school to enter two tournaments, the benefit to be gained from participating in tournaments would still be had. The committee ruled out tournaments because the people of the towns objected to so many games being played away from home.

The letters will have the signatures of the superintendent, principal, and the coaches of each school. The area that the letters were sent to is bounded by Coleman on the east, by Van Horn on the west, Midland on the north, and Del Rio on the south. If this proposal is approved, it will cut the expense of having and of going to so many tournaments; yet it will still allow the teams to have the experience of participating in tournaments.

Last week, Norman Heath attended a band clinic in Mineral Wells. There, he heard class "A" bands play the required contest pieces which we must play at Odessa in the spring. The having of such band clinics is very helpful to both the director and to the student. It enables the student to hear how his part should be played and to judge his progress accordingly. To the student who is interested in band work, clinics present many beneficial ideas, and enables a student to hear the best bands play.

## "The Valley Of Ghosts" Is Sr. Play

### Guinn Caruthers To Direct Senior's Annual Presentation

The senior play for the school year 1939-40 has been selected. "The Valley of Ghosts" was chosen as the most promising prospect of a senior play. Twelve copies of this future "success of the season" have been ordered and are expected to arrive Friday.

"The Valley of Ghosts" will be presented on the night of March 7. There are twelve characters in the play, six boys and six girls. Ghosts and spooky situations predominate in this three-act mystery comedy.

Casting of the class members will be done Friday, the boys casting the girls and the girls casting the boys.

Since the year 1915, the members of the senior class in Ozona Public Schools have given a senior play. Using the proceeds, the senior class usually presents the school with a parting gift.

The director, Guinn Caruthers, who will be assisted this year by Miss Terry, has helped give five of the many senior plays that have been presented in Ozona. Miss Terry has directed two senior plays, assisted by Mr. Caruthers, since she first came to the Ozona schools, three years ago.

## Supt. C. S. Denham Attends Teacher's Meet In San Angelo

Supt. C. S. Denham attended Mid-Texas division of the State Teacher's Association in San Angelo Friday and Saturday. Banquets and speeches fulfilled the two days.

Dr. Homer P. Rainey, president of the University of Texas, gave talks at a luncheon given Friday noon, a Boy Scout banquet Friday night, and the teachers' meeting Saturday morning. His subject matter was "Education of Youth in a Democracy."

Dr. Carleton Washburn, superintendent of public schools in Winnetka, Ill., spoke three times during the session on the subject matter "Adjusting the School to the Child."

The meeting closed Saturday noon for 1200 teachers. The Mid-Texas division of State Teacher's Association will meet next year in Brownwood.

## Director North Chooses Annual One-Act Play

For the one-act play this year Miss North, director, chose the play "Cleaned and Pressed."

The characters are Edward Elton, aged 16, Elizabeth Elton, aged 10, John Elton, 19, Kate Sartori, 16, and Mary Belle Sturgis, age 17. These characters will be cast in the last week of February, and there will be two casts.

Very much excited, Eddie asks his big brother, John, how to handle girls, and gets all the answers. Eddie is experiencing his first date and is, therefore, quite at sea. Remembering that his suit is at the tailor's, a hurried call is made for it. While Eddie is slicking up, John and Betty have discussion of a secret, this ending with the two leaving for soda just as Katy comes in to deliver Eddie's suit. Eddie is forced to answer the door himself and seeing Katy instead of her father, whom he expected, he makes a thrilling leap to cover, behind the davenport. Eddie is completely dressed, except for his suit! Katy leaves, but Mary Belle, John's girl, enters before Eddie has time to slip into the trousers. Trying to get her out of the room, he uses the methods of handling girls that he has so lately learned.

## GOOD WILL

Miles playing "Port Conway" while the band played another piece. Accidental, of course.

Giggle! giggle! Evesdroppers hear no good of themselves. Hello, two senior girls!

Cough! Cough! How these colds do "mow them down."

Noma patching things up for Gladys.

Miles entertains his girl friend by "banging" on the piano when he calls. Sometimes he entertains all the neighbors by turning the radio in his car on very loud.

Jean is becoming an old "cowhand." She spent the day on a ranch Saturday.

Billy H. going to tell on Dot. You don't have him very well trained, Dorothy.

### TASTED—

Medicine. Flu don't pay.

Cold drinks. A certain little senior girl makes very unwise bets, and her cold drink bill is zooming upward.

### SMELLED—

Ella's orange smelled so good that she didn't get any, and two girls ate it for her.

### FELT—

Disgusted. Some people are finding out how wide they are. The H. E. class has turned into a measuring class.

How does it feel to go calling and not get let in, Ella?

Very proud of our basketball team in Big Lake. Congratulations to Vernon Donald, George B., Bill Mervin and Mustard!

## Historical Club Receives Review From Quarterly

As proof that the Ozona junior division of the Texas State Historical Association has been working successfully, the following article appeared in "The Southwestern Historical Quarterly," published by the Texas State Historical Association:

"Chapter 5, Ozona High School, Ozona: The officers are Billy Jo West, president; Eloise Carson, secretary; Supt. C. S. Denham, sponsor; Houston Smith, co-sponsor.

"Ozona. The members of our group have already accomplished some things of note," writes an officer. "Four of our old timers have already been interviewed and schedules for other interviews have been made. We expect to bind these various reports into forms similar to college theses. If the plan materializes as we expect, we will send you a copy. There are no better stories anywhere than in Ozona and Crockett county."

## Many Students Absent During Previous Week

The school population has been decreasing steadily since last week. There has been an exceptional number of pupils out on account of scarlet fever, flu and colds. However, most of the pupils are back. Freshmen who have been absent for one reason or other, are L. B. Cox, Mary Perner, Margaret Russell, Priscilla Jean Baker, Vera McCaleb, Bland Tandy, Jack Brownrigg, Wayne Babb and Roy Coates. Quite a few have been absent in the sophomore class, who were Adele Keeton, Billy Hannah, Stanley Lemmons, Mary Faye Lucas, Floyd Hokit, Wayne West, Eddy Cooke, Boochie Coates, Louis Wardlaw, and Ethel Neal. R. L. Bland, Jr., Helen Mayes and Bobby Lemmons have been out of the junior class. Miles Pierce, Howard Lemmons, Oleta Casbeer, Naomi Collard, Eloise Carson, Dorothy Hannah, Joe Couch, Bess Parker, W. C. Brock, Harold Keeton, Billy Jo West and Mertis Luther were absent from the senior class.

This week has seen a change for the better, and a majority of those absent, have returned rested and ready to suffer another illness—"school fever."

## ABSENTS RECORD RISES

Due to colds and flu, the month of January record for absents doesn't seem to be so good. The freshmen class had 45½ absents; the sophomores 27 absents, the juniors 52½ and the senior 19½. The total number of absents for high school was 144½. The tardy record was as follows: freshmen, 9 tardies; sophomores, 7; juniors, 12, and seniors, 7. Total tardies were 35.

Since the beginning of school there have been 21 withdrawals. Four of these withdrew because of quarantine for scarlet fever. During January there were nine withdrawals, four due to quarantine.

## Director Heath Attends State Music Clinic

### Ozona Band Selects Contest Pieces For Spring Meet

Along with many other band leaders of this district, Director Norman Heath of the Ozona High

school band attended the band clinic held in Mineral Wells last week. The clinic is held by the Texas Educator's Association which sponsors the magazine, "Texas Music Education."

At the clinic, Mr. Heath received many good pointers on directing the band and the band's marching. A number of the contest pieces were also heard.

From the schools of East Texas, the best band students are chosen to make up the "Red Band," which is under the direction of B. T. Bynum, instructor of music at Abilene. The best student players of West Texas are grouped into a band called the "Blue Band" which is under the

## THE Prowler

Mary Frances Bean should be very proud of herself. Two of the Ozona cavemen had a fist-fight over her. R. L. said that he knocked J. C. down, but J. disputed his word. I guess they will have to fight over and see who is the better.

Jean and Helen were escorted to Big Lake by a couple of exes. Dorothy Hannah was really thrilled a couple of days after she received a condolence card. The card had no name, but the envelope did. "Jim" was on the back of the envelope. Dorothy thinks that it was so cute and original.

Jim, Billy H., and Miles went to Big Lake Saturday afternoon, and guess what: Miles, the editor of the Lion's Roar, had to be home at sundown. Johnnie and Noma went, and they had to be home at sun-up. Sure enough, they got home at sun-up.

Tincy, congratulations for being named the valedictorian. She was so happy that she cried, and Gem Ella had to telephone her mother. I can't blame her, tho.

direction of Mahan.

The Ozona high school band will work earnestly these last few months before the contest. As a contest piece, "Hero Overture" has been selected. The "warm-up" piece and march haven't been selected, as each school may select its own. Due to the size band which Ozona has, it will again be a class C band. A very good showing is expected to be made by Ozona when it enters the contest this spring.

SECOND SCOUT LAW

#### A Scout Is "Loyal"

He is loyal to all to whom loyalty is due; the Scout leader, his parents and to his community.

Last year we celebrated our 3rd anniversary in Ozona, and we are glad for the opportunity to help celebrate the 30th anniversary of Scouting in America.

**Baker's Piggly Wiggly**

FIRST SCOUT LAW . . .

#### A Scout Is "Trustworthy"

Trust in him is well founded. He lives by his word. We have built up this same reputation for confidence in selling the finest line of groceries that can be had in this territory. Every customer knows that what we say about our foods is true and buys with confidence that live up to his expectation. We highly prize this trust.

**J. H. Williams & Son**

EIGHTH SCOUT LAW . . .

#### A Scout Is "Cheerful"

He serves willingly and cheerfully—and so do we. Service that is cheerful is better service everytime. We require that our employees be always cheerful and friendly to you in all dealings. It helps them to serve you better, and it helps you to want to come back. So whatever may be your needs, you can expect pleasant, cheerful treatment. We invite your patronage.

FIFTH SCOUT LAW . . .

#### A Scout Is "Courteous"

He is at all times respectful and courteous to those with whom he comes in contact. This Scout Law has become the motto of every employee and the by-word of our organization. When ever you come in remember this store is your store. You are more than a customer. We greet you as a friend. We are here to serve and better satisfy you for this is your store.

**Mike Couch**

ELEVENTH SCOUT LAW . . .

#### A Scout is "Clean"

He is clean in body and mind, stands for clean speech, clean habits, clean sports, and travels with a clean crowd.

America is proud of this fine group of boys—many thousands of them, receives training in principles and practical objectives which fit them to be the kind of men this country needs.
