Convict Wanted On Forgery Captured

Held In Hondo To Plead First In Antonio

— forging spree which over several states, and a \$100 checked dropped in March, came to an end of a pair of alleged forgers in Hondo, Texas this week, Billy Mills reported.

R. Campbell, 44 a seven year in a near lifetime of fights with the law, was taken to San Antonio on charges after which he was brought to Ozona to answer a charge.

Arrested by Sheriff Mills of a Texas Ranger in Hondo, Texas, is alleged to have his part in the forgery of payrolls checks on a fictitious company.

Arrested by officers in connection with same offense is Jack Kelly who had not been arrested last week but officers were on his trail and his arrest expected shortly.

He carried a pad of 500 printed with the name E. H. Drilling Co., a fictitious company so far as officers can tell. The man under arrest is carrying the checks printed with the name of the company.

Squadron Seeks Headquarters Use

Ozona Squadron, Civil Air Corps, held a regular meeting last night, May 27th, at the home of Mrs. J. W. Childress.

Principal new business discussed was the obtaining of a building to be moved to the Ozona Senior and Cadet Center. A building has not as yet been located. Anyone in the city knowing of a suitable building, please contact Maurice Childress, Dick Childress, or Walter Sawyer. It is expected that the building will be ready for occupancy before the August Show in September.

Senior and Cadet members are expected to attend a Texas Wing meeting June 7th at Breckenridge. Members planning to attend are not to be contacted. Lt. Lemmond should let him know as soon as possible.

Next regular meeting will be held Tuesday night, June 10 in the School Library. The time changed from 7:30 p. m. to 8 p. m. for this meeting and all of the summer meetings, and will continue to be held the second and last Tuesdays of each month.

Polio Victim Treatment At Sales Foundation

— Carlos Dominguez, 10-year-old son of Mr. and Mrs. Carlos Dominguez, Ozona, has been admitted to the Gonzales Springs Rehabilitation Hospital.

Carlos was stricken with polio in 1956, and has been a patient of the Foundation on two occasions. The Foundation's intensive program of physical rehabilitation each year benefits hundreds of patients like Carlos as persons handicapped by polio, muscular dystrophy, cerebral palsy, strokes, etc.

The Foundation was established as a non-profit, non-sectarian rehabilitation center, and it is one of the largest in the United States. It is fully accredited by the Commission on Accredited Hospitals.

Carlos receives assistance from the National Foundation for Infantile Paralysis in the financing of his treatment at the hospital in Warm Springs, Georgia.

Control Not Eradication Of Cedar Is New Objective Of Spraying; At Current Prices, Control Costs 25 Cents Per Acre Per Year

By Bob Scott, SCS

Early tests on controlling mesquite by herbicide spray turned out to be disappointing to many. In the trials where it was thought that 90-100 percent root kill had been obtained turned out to be only 20-30 kills.

After a long extended drought and several years of chemical development, a new look is being given to the possibilities of control by spraying. However, a different set of values have to be used in evaluating the economic effectiveness of spraying than were used on original experiments. At the start of spraying trials the sole factor considered in evaluating the results, was the percentage of root kill, which of course is very important.

On areas where as little as 30 percent root kill was obtained 6 years ago, later evaluation has shown that from 5-10 years control (not eradication) has been effected. This means that the majority of water used for production of worthless wood during these years can be used for the production of grass. Therefore control of mesquite can be obtained for as little as 25 cents per acre, per year at the current level of prices.

To gain maximum benefit from this type operation means spraying areas that already have grass, that can effectively use the water that will be made available by elimination, for a period of years the tremendous amount of water used by mesquite. Generally the heaviest infested areas of mesquite are also the highest producing grass sites. Several ranchers who have carried out this control program for grass production say that the cost is repaid in as little as two years.

Current research has shown that the mesquite tree is most susceptible of herbicide treatment during a good growing season following a period of drought during which the plants have retreated in size and vigor. Several ranchers in the Crockett Soil Conservation District are planning to do some spraying in early June. Those interested in observing the results of interested in doing some spraying should contact the local Soil Conservation office, or the County Agent for further information.

Rooting which has been such a boon in some areas is also attracting more interest in the district. Thus far the trial area put in on the John Childress ranch on the divide still has some unanswered questions. Even under favorable conditions difficulties have been experienced in rooting tobacco areas all over West Texas. G. T. Rode Sonora contractor recently rootplanted and reseeded a portion of the Childress trial area and re-rootplanted a portion of it, in an effort to find some more answers to the problem. An excellent kill was obtained on the mesquite and a fair amount of grass was established, but not with the amount of production that has been experienced on other soil types. A number of acres on soil types where rootplowing has been proved have been put in on the Clegg, West, Bean and Hoover ranches. Also the Experiment Station at Barnhart has established numerous combinations of rootplowing trials using various combinations of seed, growth stimulants and on different soil types.

MASONS ELECT MON. NIGHT

Ozona Masonic Lodge will hold its annual meeting for the election of officers next Monday night. All lodge members are urged to attend.

GIRL SCOUTS VISIT AUSTIN

Some of the Girl Scouts of Troop 6 of the Ozona Community Center went to Austin last week. Education, indeed, was their guided tour of the State Capitol. The following girls enjoyed the trip: Sandra Martinez, Yvonne Martinez, Erlinda Cervantes, Anna Tobari and Mickey Vargas. They were accompanied by their Girl Scout Leader, Mrs. Napoleon Vitela, and Miss Dorothy Price and Miss Ethel Wolf of the Center.

**OZONA SERVICE MAN
HONORED IN GERMANY**

Baumholder, Germany (AHTN-C) — Army Pfc Bobby L. Halydier, son of Mr. and Mrs. Rex Halydier, Ozona, Texas, recently was named Enlisted Aide for a Day to the commander of the 8th Division's 12th Infantry's Company B. He was selected for his soldierly appearance, knowledge of duties and military courtesy. He entered the Army last June and completed basic training at Fort Riley, Kan.

The 24-year-old soldier is a 1951 graduate of Ozona High School. He was employed by Ozona National Bank in civilian life.

Mr. and Mrs. Bailey Post spent a few days in Houston last week visiting their son-in-law, and daughter, Mr. and Mrs. Bob Bryant and children.

**LONGEST, BEST PARADE
TO KICK OFF MIDLAND
CHAMPIONSHIP RODEO**

Plans for the longest and best Midland Rodeo parade ever are complete and the colorful decorations for the June 3-7 celebration hang on store fronts and across the streets.

The opening day parade is scheduled for 3 p. m. Tuesday, June 2, as the initial event of the 24th Annual World Championship Midland Rodeo. Performances are scheduled nightly at Midland Fair Park on East Highway 80.

Parade chairman, Alvin Bauman said divisions include flag bearers, rodeo officials, contestants, a company of Texas Rangers. Sheriff posse units, range cowboys, cowgirls, decorated floats, clowns, military units and miscellaneous groups. The Midland High School Band will lead the procession. Other musical units will include the four junior high schools, and Carver High Band.

Tex Ritter of Hollywood, America's most beloved cowboy, will ride in the parade. The popular, internationally known cowboy singer will be presented at each performance of the rodeo.

Rodeo tickets, both reserved seats and general admission, will go on sale Saturday, May 31, in the Scharbauer Hotel lobby.

Everett E. Colborn, Mr. Rodeo himself, will arrive this week from his home in Dublin to direct and produce the show.

Officials of the big area celebration predict the largest crowds in history this year. They said the huge grandstand and other facilities at Fair Park have been placed in top condition for Midland Rodeo June 3-7.

**CROCKETT COUNTY HOSPITAL
MEMORIAL FUND**

List of donors to the Hospital Memorial Fund, May 14: Mrs. N. W. Graham in memory of Mr. Abe Carothers.

Rapid Progress Noted In Bridge Construction Job

Contractors May Beat 3-Months Allowance For Structure

Rapid progress is being made by the contractors in construction of the new, longer and wider bridge over Johnson draw through Ozona on U. S. Highway 290.

All piers, poured to a depth of 35 feet below the surface, are complete and already poured are all but two of the giant concrete beams which will sit atop the piers and support the floor of the bridge.

Forms were being readied this week for the first of the eight 30 foot concrete spans which will form the floor of the bridge, supported by the beams and piers at each end of each span. These forms are of inverted trough-shaped steel which will form a series of arches of reinforced concrete, the forms to drop out from the bottom when the concrete is set. When completed, the bridge will be 247 feet long with a 44-foot roadway and 4-foot walkway on each side.

Wrecking of the old bridge at the site started about mid-April and with favorable weather (only one interruption by a day-long flow of flood water in the draw) workmen have been making good progress in the construction. The contractors, Farr Construction Co. of Temple, have three months in which to complete the \$67,399 project but if progress continues at the present rate may have the bridge open to traffic sooner.

While the bridge is under construction, traffic on Highway 290 is being diverted a block north to a low-water crossing over the draw. When flood waters held up traffic here for nearly a day recently, Scottie Houston, local highway maintenance superintendent, constructed a crossing with flumes to carry flood waters, a crossing which will result in much shorter delays in traffic in case of overflows in the draw.

Rotary International Annual Convention To Open In Dallas Sunday

Dallas, Texas — With an attendance of more than 12,000 Rotarians and members of their families from most of the 108 countries in which there are Rotary clubs, the 49th annual convention of Rotary International will convene here Sunday.

Keynote of this five-day gathering of business and professional executive — who represent more than 9,800 Rotary clubs with a membership of 460,000 Rotarians — will be the internationality of the Rotary organization. Throughout the convention program, emphasis will be given to the opportunities which Rotarians around the world have to work for the achievement of one of the principal goals of Rotary — the advancement of international understanding, good will, and peace.

The Rotary convention program includes addresses by outstanding speakers, discussion forums, election of officers, and special entertainment features. Rotarians also will study the common problems of their various businesses and professions, and the many community-betterment activities engaged in by Rotary clubs throughout the world.

**Southwest Methodist
Conference Meeting In
San Antonio This Week**

San Antonio — Chancellor Umphrey Lee of Southern Methodist University, Dallas, will be the speaker for the 100th anniversary session of the Southwest Texas Methodist Conference to be held here Monday, May 26, through Friday, May 30. Laurel Heights Methodist church will be host for the meeting.

Dr. Lee will preach at the opening session and communion service at 7:30 p. m. Monday; at the 11:30 a. m. and 7:30 p. m. worship services on Tuesday; at the memorial service at 11:30 a. m. Wednesday; at the worship service at 11:30 a. m. and the ordination service at 7:30 p. m. on Thursday.

Conference activities will close with the reading of appointments probably about noon Friday. Attending the Conference from Ozona are Mr. and Mrs. R. A. Harrell and Jim Ad Harvick.

**Scenic Tour of Canada
By Colored Slides In
Woman's Club Program**

Members of the Ozona Woman's Club entertained their husbands with a covered dish supper at the home of Mr. and Mrs. Ira Carson, marking the final function of the club for the 1957-58 club year.

The program theme for the final meeting was safety. Mrs. Ira Carson showed a series of colored picture slides which she took on a trip she and Mr. Carson took to Canada last fall. The program theme was emphasized in comments on highway safety along the eastern seaboard. Scenes were of the magnificent Niagara Falls, scenes in the principal cities of Canada, country scenes in that nation and in the New England states. Exceptional photographic skills coupled with the beauties of the terrain combined to make it an enjoyable program.

Present were Mr. and Mrs. W. R. Baggett, Mr. and Mrs. John Bailey, Mr. and Mrs. Carson, Mr. and Mrs. Tom Clegg, Mr. and Mrs. L. B. Cox, Jr., Dr. and Mrs. J. A. Fussell, Mrs. S. M. Harvick, Mr. and Mrs. P. O. Hatley, Mr. and Mrs. A. C. Hoover, Mr. and Mrs. Ivy Mayfield, Mr. and Mrs. Stephen Perner, Mr. and Mrs. Hillery Phillips, Mr. and Mrs. P. T. Robison, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Evert White, Mrs. C. L. Williams and Mr. and Mrs. Taylor Word.

**Incentive Pay May
Be Made On Mohair
First Time In 1958**

College Station — Incentive payments may be made to mohair producers in 1958 for the first time.

No payments were required on mohair sales during 1955 and 1956 and none are indicated for 1957. Recently, however, prices reported in Texas ranging from 46½ to 51½ cents per pound for adult mohair and 76½ to 81½ cents for kid mohair indicate that the national average price for mohair sold in the 1958 marketing year will probably fall below the 70-cent-per-pound support price, thus requiring payments. The 70-cent-per-pound price reflects 75 percent of the current mohair parity.

Payments would be made on mohair marketed during the period, April 1, 1958 to March 31, 1959. Applications for payment should be filed not later than April 30, 1959. With county Agricultural Stabilization and Conservation Offices. Sales slips received by growers on mohair will provide the information needed to determine payments, and growers are urged to keep them in a safe place.

Growers should carefully consider the possible course of mohair prices during the entire marketing year because they have a two-fold reason for getting the best possible price for their mohair. First, they will get more money at the time they sell. Second, they will get a larger payment, if made, because of the percentage method of determining payments. This method is designed to encourage growers to do a good job of marketing their mohair.

County Spraying Campaign Sombats Mosquitos, Flies

Water Holes, Outdoor Toilets, Weed Patches To Be Sprayed

County road crews, under the supervision of D. C. Ratliff, county engineer, were pressed into service this week to spray insecticides in an effort to control mosquitos and flies in Ozona this summer.

The bountiful rainfall of this spring has produced a healthy crop of hungry mosquitos that have invaded the town. County workers have been engaged in oiling the larger pools of water in draws and ditches in an near town for some time and these and vacant lots where there is a rank stand of weeds and other possible breeding places for the mosquitos are being treated this week.

In addition, the spraying crews are making a round of the city spraying insecticides in all open type outdoor toilets in an effort to forestall the breeding of an equally copious crop of flies to menace health here this summer.

The County Commissioners were first approached on a proposal to make it a citywide spraying operation, with the county sharing in the cost with householders, but this plan was abandoned as impractical and too expensive and the conclusion was reached that the county crews could greatly reduce the mosquito menace by seeking out all standing water holes and treating them to stop the breeding and individual residents whose shrubbery might harbor the pests could rid their premises by spraying such hiding places for the adult mosquitos.

**Ronnie McMullan Is
Named Vice President
Of McNeese Rodeo Club**

Ronnie McMullan of Ozona recently was recognized as one of the campus leaders at McNeese State College, Lake Charles, La., in an article appearing in the campus newspaper. Ronnie, a first-year transfer from Texas Western College at El Paso, was elected vice president of the McNeese Rodeo Club.

The article, published under a feature titled, "Meet Your Leaders," was as follows:

"One of McNeese college's most welcome newcomers for our 57-58 school year was Ronald McMullan, a junior Education major, from Ozona, Texas. He transferred to McNeese from Texas Western College of El Paso, Texas and in one short year has firmly established himself as one of our campus leaders.

"Ronald was elected Vice-President of our Rodeo Club here last month and will serve as such for the coming year. He is also a very active member of our championship National Intercollegiate Rodeo team.

"Ronald has been very much of an asset to his team this year by placing at every college rodeo he has entered. He says his favorite event is the steer wrestling and this is not hard to understand because he has won two beautiful belt buckles and a lot of money for himself in this event. He has also placed a few times in the calf roping and ribbon roping.

"Ronald is the son of the late Mr. Ashby McMullan and Mrs. Ashby McMullan of Ozona, Texas. He is married and planning on finishing college here next year. After college he says his plans are indefinite but we are betting on him to be a success in his chosen field."

Thank You For your cooperation.

VACATION BIBLE SCHOOL

The Vacation Bible School of the Calvary Baptist Church is in progress each morning this week from 8:30 until 11:30 o'clock. Commencement program will be held Friday evening at 7 o'clock preceding the revival service starting at 8 p. m. The revival services will be concluded Sunday evening. Everyone is invited to attend.

IS THE BACK DOOR OPEN?

History records that while the Christians were holding the city of Constantinople in the 15th century behind its massive hundred foot high wall, an enemy soldier discovered a back door in the wall, open and unguarded. While the Christians battled from the parapets, the Moslems slipped through the unguarded door and the city was taken.

The United States is perhaps as impregnable from outside attack as was Constantinople but it may also be as vulnerable from within. While our country is spending billions of dollars for defenses to protect itself from freedom-destroying invaders, is it leaving a back door open?

A socialistic trend that has persisted in the U. S. in recent years continues to encroach on private citizens and industry. The affairs of the country fall more and more under the control of invading bureaucracy. Thus we are gradually breaching our defenses of individual opportunity and personal liberty.

"The man who said close doesn't count never sat next to his girl in a hammock." — Arnold Glasow.

THE ANTI-GOVERNMENT COMPETITION ACT

How can we materially cut the cost of government without imperiling or eliminating any activity which the country really needs?

There is one good answer to that all-important question. It is this: By getting the government out of tax-exempt business-type activities which can and should be carried on by taxpaying private enterprise. Bills designed to do just that are now pending in both House and Senate. They are known as the Anti-Government Competition Act, and they would direct all the Federal agencies to get out and stay out of most business-type activities not specifically authorized by statutes.

In a letter to members urging support of these bills, the President of the Chamber of Commerce of Del Rio, Texas, said: "Our free enterprise system depends on you and me. Its very life is being snuffed out by subsidized government competition." That is not an exaggeration — government has gone into business on a far greater scale than is generally understood, and the cost of the taxpayers runs far into the billions. Congress could do no greater service to the country than to reverse that trend.

Mr. and Mrs. Leroy Waldrop of San Angelo were guests last week of Mr. and Mrs. Henry Anderson of Ozona. Mrs. Waldrop, formerly with Neiman Marcus in Dallas, has a fur shop in San Angelo. She is a sister of Mrs. Anderson. The Andersons also had as guests last week their son-in-law and daughter, Mr. and Mrs. W. E. Pittman and son of Brownwood.

Mr. and Mrs. Joe Pierce, Jr., Mr. and Mrs. J. S. Pierce, III, and children, Mr. and Mrs. Dempster Jones and children and Mr. and Mrs. Joe Pierce, IV, are spending this week on the coast near Rockport.

"A boy becomes a man when he walks around a puddle instead of through it." — Pat Buttram.

"The best way to remember your wife's birthday is to forget it once." — H. N. Ferguson.

Phone news to the Stockman

WM. A. BLAKLEY, ranchman, oil man and business man, is making an active campaign for the post as Junior Senator from Texas, a position he held under appointment by Gov. Allen Shivers following the resignation of Price Daniel to become governor of Texas. Blakley made an impressive record as interim Senator and won many friends in the upper chamber in his short tenure.

Mrs. N. E. Smith of Hobbs, N. M., is here for a visit with her brother, James Baggett, and family. Karen Lacy, daughter of Mr. and Mrs. Kenneth Lacy, now of Gillette, Wyoming, graduated from Campbell County High School on May 23rd. She is a former student of Ozona. She will enter the University of Utah this fall.

If at first you don't succeed, try, try again. Then quit. No use being silly about it!

WEDNESDAY BRIDGE CLUB

The Wednesday Bridge Club was entertained at the House of Flowers recently. Hostesses were Mrs. L. B. T. Sikes, Mrs. Charles Ratliff and Mrs. Kit Pettigrew. High score went to Mrs. E. M. Dobbs and low to Mrs. Tom Ed Montgomery. Others present were Mrs. Fred Hickman, Mrs. Chas. E. Davidson, III, Mrs. Wayne E. West, Mrs. Jack Brewer, Mrs. Joe Couch, Mrs. Taylor Deaton, Mrs. Ed Downing, Mrs. Carl North, Mrs. R. L. Bland, Jr., Mrs. Dick Ketchum, Mrs. Byron Stuart, Mrs. Richard Flowers, Mrs.

Joe Bean, Mrs. John Ray Powell, Mrs. Dick Kirby, Mrs. Cleophas Cooke, and guests were Mrs. Ashby McMullan and Mrs. Hillery Phillips.

READY-BUILT HOUSES for sale. Two and three-bedroom houses available to move to your lot. Sample house on display in Ozona near the Mike Couch store. For information phone Claud (Hack) Leath. Phone 2-3068.

A later, the President said rdered "a study" of the But the persistent Pres- this "no solution," point- at studies are made every air crash occurs with no ults. By his continued Preston arranged a con- with the President attend- litary and civilian flying and from that meeting an order by Mr. Eisen- an immediate emergency designed to avert air col-

ve-point emergency plan nto effect within the next s and will require that: aining aircraft when pilot- litary students on civilian will operate on instrument es and thus be under CAA 2. All military jet train- etrations" from high to udes will be safely away ilian airways; 3. Military be required to file flight with the CAA when on led cross-country hops; making flights to keep up ll must use routes off the airways; 5. When opera- ights of jets are made on airways they must be un-

der CAA control and when cross- ing civilian airways military planes must go on instrument control if flying at an altitude of less than 25,000 feet. Added note: Bills have been introduced to establish a Federal Aviation Agency, which would have control over all air- craft, both civilian and military.

Two Major Military bills have come before Congress this year. The first, related to pay, was a legis- lative proposal in answer to the highly-publicized Cordier report. At first it seemed the two proposals were miles and miles apart, but Dr. Ralph J. Cordier eventually complimented the legislative bill as being equal or superior to his plan.

Then came the President's pro- posal for Defense Reorganization, and again the Administration plan and the Legislative bill seemed at opposite poles. But the President has written Chairman Vinson of House Armed Services that he is generally pleased with the bill that group recommended by a 32 to 0 vote.

The President will possibly seek two changes to the bill on the Floor. No one contends the bill reported is perfect, but both the Administration and Congress seem relatively well-satisfied with it.

On Memorial Day (May 30) hon- ored unknown soldiers of World War II and the Korean War will be laid to rest in Arlington National Cemetery beside the present Un- known Soldier from the first World War. The WW II unknown soldier was selected from among 2,887 Servicemen killed in North Africa and Europe whose identities were never established, and the one from Korea was chosen from many un- identified men who died in that conflict. Selection of the bodies to be sent here for honored burial were made by men who themselves fought in Europe and Korea. Selec-

tion of the WWI unknown soldier was made in Europe in much the same way.

These are the only "official" un- known soldiers honored by estab- lishment of national monuments. However, there are 2,111 unidenti- fied men of the Union Army from the War Between the States buried at Arlington National Cemetery. There are also some 3,000 un- knowns buried at Valley Forge, Pa. from the American Revolutionary War and some 750 buried in the U. S. National Cemetery at Mexico City from the Mexican War. Con- gress, the Executive and Judicial branches, will pay their respects at the Memorial Day Ceremonies here.

FOR RENT - Five-room un- furnished house. Call Chas. Wil- liams, Jr., Phone 2-2124 or 2-2053.

"Straight To The Point"

A Summary of Vacation News From The Teenage Set By Sally Baggett

Exams are over, graduation has already been held and our final grades were given to us Saturday, so here I am again to give you the facts and acts "Straight to the Point."

Thursday was the final day for exams and everyone was glad of that.

The commencement exercises were held Thursday night. After- wards, the Jake Youngs had a dance honoring the Seniors. Some of the couples were: Jerry Jacobs and Gwynel Walker, June Bunger and Bill Meinecke, Mark White and Nellie Childress, Bill Black and Susie Chandler, Francis Child- ress and Bobby Sutton, Carolyn Mayfield and Tony Parker, Mary Jo Ward and Rod Franklin, Al- leane Young and Johnny Cooper, Don Powers and I, and so many others you couldn't begin to name them all. At any rate, one large time was had at the dance. After the dance, the Whites and the Claytons had a "Pool Hall Party" for the seniors and at 2:00 a. m., the Childress' had the senior break- fast. From all accounts, everyone had a wonderful time.

Saturday, Rod Franklin, Jake Young, Art Kyle, Diz Reeves, Tony Parker, Ronnie Paulk, Mark White, Ronnie Beall, Don Powers, Jerry Jacobs, Miss Powers, Mary Jo Ward, Gwynel Walker, Diane Phil- lips, Alleane Young, and I all went to Garner Park after we got our report cards. Miss Powers was our sponsor and a good one. When we got there, we cleaned house then went swimming. Saturday night we danced at the Rio Hall in the park then we went back and swam and ate hot dogs. We had a wonderful time. Sunday we packed to come home, then we rode horses and swam some more. We came home about 3:00 p. m. I don't know what everyone did after they got home, but I am willing to say most of us probably went home and slept or nursed our bruises and sunburns and admired our ever present good

luck piece. Sandra Whitaker had company Sunday. Some of her friends from Merton came down.

Camille Adams dashed off to Dallas to spend the weekend or rather the week with her sister, Jane. I'll bet she's having a wonderful time.

June Bunger had a birthday Friday. For her main birthday gift she got an air-conditioner in her '58 chevy. Lucky girl! She'll stay cool all summer long.

That concludes this week's low- down on the goings-on around town since school was out. Hope I see you next week.

PARADE TUESDAY JUNE 3rd.

Your Hometown Newspaper is his first taste of independence

From the moment a child first begins to enjoy the "funnies," the hometown newspaper is an important part of his life. But even more important is the opportunity it gives the young boy to find out what it means to earn money for himself. The responsible job of being a "paperboy" gives thousands of youngsters their first independence. An irreplaceable source of information and enjoyment, your hometown newspaper is even more—it is an integral part of your community—a business employing your townspeople, an organization interested in the welfare of the community.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, May 30, 1929

Robert Elledge, 30, son of Mr. and Mrs. H. A. Elledge of Ozona and son-in-law of R. J. Cooke of Hill cemetery Sunday afternoon following funeral services from the Ozona Baptist church. Elledge was killed about 9 o'clock Friday morning when his horse slipped and fell with him over a steep bluff in the Davis Mountains where he was employed on the Jones ranch.

Mrs. Louiza Monteith, daughter of Mrs. M. E. Smith of Ozona, was buried Saturday afternoon following funeral services at the church of Christ. Mrs. Monteith died Friday afternoon in a San Angelo hospital following a long illness.

The Marquette, new six cylinder car produced by the Buick Motor Co., will be offered to the public for the first time June 1 by approximately 4,000 Buick dealers throughout the U. S. One will be on display here at the Wilson Motor Co.

Mike Couch, southside grocer, cafe, tourist court and bakery operator, will celebrate his third birthday in business in Ozona with a two-weeks party beginning June 1. Fifteen nights of free music and dancing on the concrete platform will be offered Ozonians as a feature of the thank-you celebration.

Miss Lucille Ingham, daughter of Mr. and Mrs. B. B. Ingham of Ozona, will receive her Bachelor of Arts degree from T. C. U. on June 3, with a major in history.

Strict quarantine is being maintained on a residence west of the draw where Henry Cloud is the victim of smallpox. The sheriff's department is cooperating by posting a guard at the residence to enforce quarantine regulations. Dr. G. Miller, county health officer, reported.

M. M. Fulmer, first president of the Ozona Lions Club, was re-elected to a second term in that office at the regular meeting of the club Monday.

Mr. and Mrs. Ralph Watson and Miss Wanda Watson are in Belton to be present for the commencement exercises at Baylor College.

TO LIVE IN ODESSA — Mrs. Charles Gary Garlitz, a recent bride, who has just completed her fourth year of college studies at Southern Methodist University in Dallas this week, and Mr. Garlitz will visit her mother in Ozona this week before moving to Odessa to make their home. Mr. Garlitz has accepted a position with an oil company based in Odessa. Mr. and Mrs. Garlitz were married Feb. 8 in Highland Park Methodist Church in Dallas. Mr. Garlitz has been attending Texas Christian University in Fort Worth. His parents Mr. and Mrs. Charles F. Garlitz of Fort Worth, former Ozona residents. Mrs. Garlitz was graduated from Pine Manor Junior College in Wellesley, Mass., before entering S. M. U. Both are Ozona High School graduates.

where Miss Gussie Watson is a member of the graduating class.

A son was born to Dr. and Mrs. J. A. Fussell Wednesday morning at their home in Ozona.

Mrs. Floyd Henderson is in Dallas with her two small children who are ill. The children are receiving medical attention in a hospital there.

Miss Kathryn Baggett will return Saturday from Georgetown where she has been attending Southwestern University.

Mr. and Mrs. C. C. Montgomery and son, Eugene, returned Wednesday from a visit in Comanche.

No. 418-2 letter drawers, 2 bus drawers.

THE OZONA STOCKMAN

A salt water fisherman, your vacation on this year, you'll want a calendar of coming

The schedule is the Anafry. This will be held June 21. Notices have been put out by Judge Guy Jr., who is founder of the White Heron. Years this big fish fry, bands attend, has been around closest to the day.

One of the best organized in Texas. It has been going for some 14 years more popular as the thousands of pounds of catfish are fried in steel vats, heated with large, white onions, and potato salad added. A half-dozen lines hungry crowd buffet huge tubs of sizzling get all you can eat. Party will be an exciting one. It's a campaign most of the state candidates are. A huge platform is for those who want to someone is talking all you don't have to listen want to.

the more impressive appearance of the beds of boats from

Houston take to the water, loaded with prominent Houston citizens. If you plan to be in Southwest Texas on June 21, be sure to attend.

Fishing Tournaments Scheduled
Many fishing tournaments are upcoming along the coast. We have been advised of the following:

Texas City tackle time: June 28-July 6. Sponsored by the Texas City Junior Chamber of Commerce.

Freeport fishing fiesta: July 1-6. Jaycee sponsored.

Port Lavaca fishing tournament July 4-6, inclusive. Jaycee sponsored.

Red fish bay tournament: Port Mansfield, July 4. CofC sponsored.

Bay City tournament: July 31-Aug. 3. CofC sponsored.

International tournament: Port Isabel: Port Isabel, Aug. 7-10, inclusive. Sponsored by the Valley Tournament Committee.

Worm Farming — In an Australian publication the other day we saw a long story about breeding your own bait. It reminded us how we used to raise worms — big, fat, garden worms — many years ago. It will still work today. And for bream, crappie or catfish, there's nothing like a big juicy worm. One of them is better than a handful of little red wigglers.

In our own little worm-farming process we partitioned off a bed about six feet square in a back corner of the garden. Into the black dirt we worked a generous supply of barnyard fertilizer and sawdust. We wet this down thoroughly

and put in a few big brood worms dug out of the flower bed. Then we wet it down some more.

We then tossed out potato peelings, slices of bread and corn meal. Back in those days weevils were bad about getting into corn meal. We talked the corner grocer out of the returned packages and fed the worms with them.

Other good feed for worms consists of old tea bags, poultry mash, oatmeal, etc. Do not put any citrus peels, like grapefruit or oranges in the bed. They will kill the worms.

The earthworm is bisexual. All worms can lay eggs, but they must be fertilized by other worms. They reproduce very rapidly and a small bed will provide all you need.

This little bed supplied us with many cans of big fishing worms all summer long.

Artificial Worms—Catching fish with artificial lures is of course even more fascinating than with live bait. To satisfy this type of fisherman David A. DeLong of DeLong Lures in Cleveland, Ohio, has produced not only some excellent imitations of the little wigglers, but

also has incorporated taste.

Speaking of his very life-like eels and worms, DeLong says "fish them deep and slowly. Let them go as near the bottom as possible and in retrieving do not hurry them."

The special odor which DeLong fuses into the plastic does not attract any more fish, but says the inventor "when a fish hits it he seems to like the taste and smell and holds it without spitting the hook."

NOTICE TO BIDDERS

Invitation No. 7
Date: May 19, 1958

Sealed bids, in one-copy will be received in the District Court Room in Court House in Ozona, Texas, until 2 o'clock p. m., June 9, 1958 and be publicly opened and read, for the construction of Floodwater Retarding Structures, consisting of Earth-fill, Embankment and appurtenances on Johnson Draw Site No. 7, located approximately 2-1/2 miles East of Ozona, Crockett Co., Texas.

The major items of work consist

of the following, all quantities being approximate:

Excavation, common 10,725 cubic yards; Excavation, rock 28,600 cubic yards; Embankment 187,250 cubic yards; Concrete, Class A & B 64.90 cubic yards; Concrete Pipe 64.80 Lin. Ft.; New wire fence 3,230 Lin. Ft.

Inspection of the site may be made by contacting DICK KIRBY at Ozona, Texas (Tele. No. EX brook 2-3131.) Complete assembly of the Invitation to Bid, Instructions to Bidders, Proposal, Contract, Detailed Specifications and Plans may be obtained by interested Bidders by applying to LETA POWELL, County Clerk, Crockett County at Ozona, Texas.

Work shall be started within 20 calendar days and all work shall be completed within 258 calendar days from date of receipt of Notice to proceed.

All bids must be accompanied by bid bond, certified check, cashier's check or money order in an amount not less than ten percent (10%) of the amount bid. Checks or money order (s) if submitted

shall be made payable to CROCKETT COUNTY. The successful Bidder will be required to furnish performance and payment bonds in the amounts of 100% and 50% respectively of the original total amount of the proposed contract; also, he will be required to execute a formal contract.

The authority and responsibility for issuance of the Invitation, opening of bids, determination of the successful bidder, award and administration of the contract is vested in HOUSTON S. SMITH, County Judge, who is the Contracting Officer, having been duly authorized to perform such functions.

All questions or matters pertaining to the Invitation, award and administration of the Contract shall be referred to Houston S. Smith, County Judge, whose address is Ozona, Texas.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

AUSTIN, Tex. — At least 12 weeks of lively politicking lie ahead for Texas.

U. S. Sen. Ralph W. Yarborough laid the chips on the line and announced as a candidate for reelection. Since his opponent will be former Sen. William Blakely, this appears to be the hottest race of the 1958 campaign.

Except for one Supreme Court justice, all top state officials are asking re-election.

As the filing time ended, only a few incumbents were without opposition.

New Tack on Tidelands — International boundary discussion at the current Geneva Conference may dim Texas' hopes in the tidelands struggle, Atty. Gen. Will Wilson noted in a recent speech.

Russia wants national boundaries to be 12 miles out from land, Wilson related, and the U. S. says 3 miles out. Texas, in a case to be heard by the U. S. Supreme Court Oct. 13, will be trying to protect its long-standing claim to 10 1/2 miles.

But, said Wilson, "the United States can't plug for a 3-mile international boundary and turn around and give Texas 19 miles." If the 3-mile boundary sticks, he said, Texas will then ask for oil rights to the 19-mile limit.

Why its Costs More — Wrap-around windshields and loads of chrome inevitably mean higher rates for automobile insurance.

A special legislative committee investigating auto coverage rates was told by State Insurance Dept. officials that costs of both materials and labor have gone up. New rates, to be set next summer, probably will have to be higher, they said.

In addition to the staggering tab for fixing the modern-day palace-on-wheels, if it gets smashed, high accident records boost insurance rates in a locality.

For instance, said a department official, Dallas' accident rate is only 60 per cent as high as Houston's. Hence, coverage that costs \$18 in Dallas is \$30 in Houston.

"People have to realize," he said, "that they set their own rates."

Climbing Costs Seen — Bad news for budget balancers in an official estimate that state welfare and education programs will cost \$62,000,000 more during 1959-61 than at present.

In studying future spending needs, a Legislative Budget Board Committee noted that:

(1) A constitutional amendment

Political Announcements

The Stockman is authorized to announce the candidacy of the following for the offices indicated, subject to action of the Democrats primaries this summer:

For County Commissioner, Precinct 2:

C. O. (LEFTY) WALKER
BEN WILLIAMS
W. T. (BILL) MILLER

For County Commissioner, Precinct 4:

JAKE YOUNG (Re-election)

For State Representative, 78th District:

JOE BURKETT (Kerrville)
(Re-Election)
JERRY SHURLEY (Sonora)

For County Judge:
HOUSTON S. SMITH (Re-election)

For County & District Clerk:
LETA POWELL (Re-election)

For County Treasurer:
JIM DUDLEY (Re-election)

to be voted on next November will, if approved, add \$9,000,000 to welfare costs. Proposed amendment would provide medical care for the needy.

(2) An increase in the number of children would probably up the state's share of the minimum appropriation.

Committee commentary revived a touchy issue — continued existence of "small, inefficient dis-

districts" that might be consolidated into other districts to lower overall costs.

Short Snorts — Senate general investigating committee has tentatively set its next hearing for mid-May. Topic is still hush-hush, though it has been revealed it does not concern insurance. Investigation has centered in the Houston area — Amid predictions that the recession had "flattened out." Texas unemployment totals seemed to be leveling off. Latest official report showed number claiming unemployment benefits down from 93,289 to 92,596. A state holiday closing TEC offices for one day might have effected the drop.

MEMORIAL DAY

Mrs. Henry Patrick and wife were here from Pecos to visit Mr. Patrick's father and Mrs. Joe Patrick.

SON TO MONTGOMERYS

Mr. and Mrs. Vic Montgomery are the parents of a son born Friday in the Crockett County Hospital. The baby weighed 6 pounds, 1 ounce and has been named Jud Turner Montgomery. Grandparents are Mr. and Mrs. George Montgomery of Ozona and Mr. and Mrs. Marion T. Jones of Enid, Okla.

Mr. and Mrs. H. W. Baker plan to leave today for San Antonio where they will attend a meeting of insurance agents and officials and from there will go to Dallas to attend the Rotary International Convention opening there Sunday.

The Old Times
The people boast they see their ancestors back centuries, yet they don't where their kids were right before!

Country Purchases Of Lambs Break Market

FORT WORTH — Slaughter classes of sheep and lambs were weak to 50 cents or more lower at Fort Worth, with some bids and sales on medium and lower grade slaughter lambs \$1 or more lower. The weakness was aggravated by several thousand sheep and lambs bought in recent days in off-market transactions, which overflowed packing house holding pens. These supplies soon broke prices despite an early start at firm prices by shipping interests.

A few choice fat spring lambs went to shippers early at \$22 and \$23, but the range on the bulk of the good to choice spring lambs was \$20.50 to \$21.50. Stocker and feeder lambs sold from \$18 to \$20.25. Cull lto medium spring lambs sold from \$14 to \$19.

A few fancy old crop lambs sold early to shippers at \$18 and \$18.50, while the range and file good and choice old crops sold from \$16.50 to \$17.50. Cull to medium old crops sold from \$13 to \$16. Feeder yearling lambs sold from \$17 down, and yearling ewes sold from \$18 to \$20.

Slaughter goats cashed at \$7. Slaughter ewes drew \$6 to \$8. Aged bucks sold around \$6. Aged wethers drew \$13 down.

Cattle Steady, Slaughter Kinds Again Scarce

About 75% of the cattle and calves offered in the some 5,000 head at Fort Worth Monday were of stocker and feeder classification, and demand for these replacement kinds continued broad at strong prices. Packers were talking lower prices on the early rounds but were unable to get supplies on that basis. The trade on killing cattle and calves wound up steady.

Fed cattle were in very small

supply, and cows were also extremely scarce and made up less than 15% of the total.

Good and choice slaughter steers and yearlings cashed at \$24 to \$27, and two loads of plain quality fed steers cashed at \$26.25. Common and medium offerings drew \$16 to \$23. Fat cows sold from \$17.50 to \$21.50, and canners and cutters drew \$13 to \$17.50. Bulls cashed at \$17 to \$22.

Good and choice slaughter calves ranged from \$24 to \$27.50, and common and medium sorts brought \$17 to \$23. Culls cashed at \$14 to \$17. Good and choice stocker steers calves drew \$28 to \$32.50, and stocker heifer calves ranged from \$28 downward. Stocker steer yearlings of good to choice kinds sold from \$25 to \$28, and some light weight yearlings sold to \$30. Stocker cows were scarce.

"One of the benefits of being 80 is that you no longer want the things you couldn't have when you were 20." — Otto Harbach.

NOTICE OF EQUALIZATION

In obedience to the order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Court House in the town of Ozona, Crockett County, Texas, at 9:00 a. m., on Thursday, the 5th day of June, 1958, for the purpose of determining, fixing and equalizing the value of any and all taxable property located in Crockett County, Texas, for taxable purposes for the year 1958, and any and all persons interested or having business with said Board are hereby notified to be present.

Leta Powell, Co. Clerk, Crockett County, Texas, Crockett County, Ozona, Texas, 12 day of May 1958.

Mrs. B. B. Ingham and her granddaughter, Cynthia Harrell, are spending this week in Houston visiting Mr. and Mrs. Spencer King.

Mrs. Ingham and Cynthia accompanied the latter's parents, Mr. and Mrs. R. A. Harrel, to San Antonio where the Harrells are attending the Methodist Conference and Mrs. Ingham and Cynthia went by plane from San Antonio to Houston.

THE "SOVEREIGN" STATES?

Officers, Committees Named By Garden Club

New officers and standing committees of the Ozona Garden Club for the coming year were announced this week as follows:

President, Mrs. Stephen Perner; First Vice President, Mrs. J. B. Miller; Recording Secretary, Mrs. Gene Lilly; Treasurer, Mrs. Lloyd Sherrill; Corresponding Secretary, Mrs. V. I. Pierce; Publicity and Historian, Mrs. Paul Perner

Standing Committees

Program: Mrs. J. B. Miller, Mrs. Ira Carson, Mrs. Geo. Montgomery and Mrs. Bailey Post.

Social: Mrs. Richard Flowers, Mrs. Floyd Henderson, Mrs. Max Schneemann, Mrs. Jack Wilkins, Mrs. T. A. Kincaid, Mrs. Tom Clegg.

Conservation: Mrs. Sherman Taylor, and Mrs. Clay Adams.

Membership: Mrs. N. W. Graham and Mrs. B. B. Ingham.

Nominating: Mrs. Neal Hannah, Mrs. O. D. West, Mrs. S. M. Harvick.

Book Service: Mrs. Charles Williams, Jr.

Flower Show: Mrs. Ralph Jones, Mrs. D. B. Pettit, Mrs. Lloyd Sherrill, Mrs. Ewart White, and Mrs. Dempster Jones.

Civic: Mrs. Cecil Hubbard and Mrs. Bert Couch.

Litterbug: Mrs. John Chillress and Mrs. Joe Clayton.

Telephone: Mrs. Phillips and Mrs. Joe Pierce.

Garden reminders: Mrs. L. B. Cox and Mrs. Lindsey Hicks.

Junior Division: Mrs. Bailey Post.

Flower show chairman to be selected later.

Mr. and Mrs. W. T. Goodson had as guests last week Mr. Goodson's father, M. T. Goodson, and sister, Mrs. Jim Bishop, of Austin. Weekend guests in the Goodson home were Mr. and Mrs. C. H. Lester and Billy Pat of Austin. Mrs. Lester is a sister of Mrs. Goodson. Mrs. Jack J. Williams and James Smith, all of Ozona.

If you want to be self-made, don't leave out the working parts.

RECENT BRIDE HONORED

Mrs. Jack J. Williams, Mrs. Levoyd Parker and Mrs. W. T. Goodson honored Mrs. Glenn Capps, a recent bride, at a surprise shower in the Goodson home recently. The bride's chosen colors of green and yellow were used in decorations. Mrs. Capps is the former Mary Nell McHugh, of Monahans.

GARDEN REMINDERS

Continue spraying roses regularly to control blackspot, mildew and rust. Spring rains leach out nutrients rapidly, so fertilize bushes now, prior to heavy June bloom. Make successive sowings of petunias, bachelor buttons, calendula,

zinnia, marigold and shirley poppy. These relatively late planted annuals will keep up the show of color into late fall.

Joe Patrick, Ozona electrical contractor, suffered two badly mangled fingers on his left hand when he tangled with an electric power mower which he was repairing. One finger was almost completely severed but doctors believe both can be saved.

W. B. Robertson, Jr., will receive his degree in Dentistry from Baylor College of Dentistry at commencement exercises June 2. He is the son of Mr. and Mrs. Ben Robertson of Ozona.

Rexall Bisma-Rex
IS 3 TIMES MORE EFFECTIVE FOR ACID-UPSET STOMACH than 3 of the products most often taken

Dramatic laboratory tests have shown that Bisma-Rex neutralizes 3 times more stomach acid than the top performer of 3 of the other leading brands tested. And its action continues for hours longer!

Choose the right remedy — choose Bisma-Rex for the relief of Acid-Upset Stomach
