## One Local, One State Race To Be **Decided Saturday**

#### 42 Absentee Ballots Indicate Interest In Local Race

Voters in the Democratic run-off primary next Saturday, August 23, will face a short ballot.

Only one state race is at stake in which all voters will have a chance to mark a ballot, and in this county only one local contest that for Commissioner from Precinct 2, will be up to a decision of the voters. Almost as many absentee ballots had been cast in the second primary as in the first at the deadline early this week. A total of 42 absentee votes had been cast at the office of County Clerk Leta Powell, 40 of them in Precinct 2

and two in other precincts. At stake in the state race will Judge Hamilton led the ticket over a field of three contestants in

Election will be held in all regular voting places in Precinct 2 in the run-off Saturday. These are at the Ozona High School in Ozona, at the Midway Lane field and at Powell Field.

All voters in other precincts of the county will vote at the courtception of the Power Plant box in the extreme northwest corner of ble at the regular voting place there since elections officials felt that people in that area will not be able to come to Ozona to vote.

#### Court Candidate Urges Run-Off Vote In Lone Undecided State Race

The leading candidate for Place One Supreme Court in the first primary has issued a statement urging all voters to take a personal interest in the runoff election to be held Saturday.

Robert W. Hamilton, who led the ticket by more than 160,000 votes in the first primary, said: "Each voter should decide for himself which candidate is best qualified, then be sure to take time to vote on Saturday, remembering that the Supreme Court has a greater potential effect upon our rights as individuals than any other office in our state or nation. Texas is one of the states which allows its citizens the privilege of voting upon members of its Supreme Court and each Texas voter should express his preference in this selection even though in some cases this will be the only race on the ballot."

Hamilton is a veteran jurist now serving as Chief Justice 8th Court of Civil Appeals; just one step in rank below the Supreme Court post for which he is candidate. He has 31 years experience in general practice, as county and district attorney, district judge, and including five years as Chief Appeals

Justice Hamilton was selected as the preferred candidate of Texas lawyers in a sceret vote conducted by the State Bar and he led the field of three candidates with a
