Edges Lions Margin

Daily Chances Penalty

This writeup is reports taken from of fans and some and is based on since the writer the game, the first since the Eldorado

Ernie Boyd

Lions dropped a 8 to 6 decision to Panthers last when a penalty out of conversion.

dominated play during contest and on two as pushed inside the yard line only to fizzle chance to score pres-

defense contained the team completely and score, which was set, never did let the eaten the Lion goal.

was a bruising affair tackling and sharp particularly on the part team, but in final it was the failure of score when the opponent itself that cost me.

scored first as they age of the first of a favorable breaks that way. Sutton kicked and the Ft. Stockton juggled the ball and pounced on both the ball to gain possession Ft. Stockton 25.

to the Lions' fortunes, were caught using tactics and the ball the 15 where the Lions work with Sutton covering yard over right guard

is elected to go for two a pass to Jacobs was extra two points but was caught holding and was rubbed out.

at effort from the 18 there lies the story of

arly stages of the game it that Ft. Stockton had power but as the on the Lions gained and began to play all and completely do-lay, even with the Panthers considered.

ns went to the rest per- 6 to 0 lead but it was as the second half be- a Ft. Stockton kickoff mpt Lion fumble.

thers did not waste their rtunity of the game and my McAteer engineering the Panthers rolled 20 the score and McAteer across the two points to contest.

ons seemed to be stung ore and promptly start- e that carried to the one where it bogged down. nd Holden sparked the h a timely run by Jim picking up a first down. ons failed to contain the near their own goal and the Panthers to push up ce again the Lions got a en the Panthers lost count e and lost the ball on a own run with long yard- o. The Lions once again side the Panthers 10 but ain failed to go when it

contest ended, the Lions ce again down deep in territory but to no avail- ics showed that the play e even than the progress me would have indicated. ns rushed for 149 yards ed 25 more passing for a 174 yards while the Pan- rnered 158 yards rushing passing for a total of 197 The first downs were in the Lions 12 to 19.

Ozons Lions Travel To Stanton The Week-End In High Hopes Of Evening Win and Loss Odds; Star End Jerry Jacobs Is Out With Injuries

By Ernie Boyd

The Ozons Lions will travel to Stanton this weekend to meet the Stanton Buffaloes in an effort to even up their 1958 record at two wins and two losses. The kickoff is slated for 8 p. m.

The Lions will be without the services of one and maybe two regulars in the persons of Jerry Jacobs, the Lions star offensive end, and Dizzy Reeves, a standout on defense.

Reeves returned to school Wednesday but was not scheduled to work out and will be limited in the amount of playing time he can expend at full speed Friday.

Jacobs injured his right hand with a screw driver while fixing a flat over the weekend and will see no service this week. It is doubtful that he will be ready next week.

Taking the place of the injured Jacobs is Jim Doran, a speedy soph, who has little playing time this year but who is a fine prospect. Reeves' place in the lineup will be filled by either Wayne Albers or Bob Meinecke both of whom are very capable on defense.

Defense was not one of the prime worries of the Ozons coaching staff this week as the Lions gave a fine performance on defense last week and played well enough to win any game where the offense matched its efficiency.

Coach Fred Hickman has altered his attack somewhat over the week and fans will see a different alignment on many of the plays unreel- ed this week.

The wing offense used by the Lions is sound as long as it offers a potent short and long range passing attack to keep the defense

Mrs. Dan McBroom Is New Office Clerk For Local F.H.A. Office

Walter T. McKay, State Director, Dallas, Texas, has announced the appointment of Mrs. Carlene T. McBroom as County Office Clerk for Emergency Loans in the local Farmers Home Administration Office. Mrs. McBroom entered on duty Monday, September 22.

Mrs. McBroom is a native of Harris County. Upon completion of High School at Joinville, Texas, she attended Tyler Commercial College, Tyler, Texas. Since that time, she has held secretarial and bookkeeper positions at Tyler, Joinville, Big Lake, and Ozona, Texas.

Mrs. McBroom is the wife of Dan McBroom, who is employed by H. L. Hunt. The McBroom have lived in Crockett County six years. They have one son, Mickey Dan.

Alpine To Host Fourth Quarterly Meeting Of Sheep & Goat Raisers

San Angelo — Alpine will be host to the fourth quarterly meeting of the Texas Sheep and goat Raisers Association on Saturday, September 27, T. A. Kincaid, Jr., Ozona, Association President, has announced.

Headquarters and registration will be at the Holland Hotel. The Alpine Chamber of Commerce is handling requests for rooms. The morning committee meetings will be held in the Library Building at Sul Ross State College. The general session after lunch will be in the College auditorium.

"Good rains in this general area during the past several weeks will make Alpine a beautiful place to visit and I look forward to an extra large attendance," Kincaid said.

An item of great interest is the present and future work of the Texas Livestock Sanitary Commission. Its director, Dr. L. R. Noyes of Fort Worth, will be at the meeting to discuss this program.

Alpine members have planned entertainment Friday night for all who register for the meeting, he added, and a barbecue dinner will be served Saturday noon. All members and non-members in the Brewster, Presidio and Jeff Davis County areas are invited and urged to attend.

honest and weaken the opponent up the middle, but as a running offense it is not effective, since one halfback is out of the play. The Lions have not kept the defense honest as they have either been unwilling to pass or cannot. The split halfback has been thrown only three passes this year and as a result is not a threat to the defense.

In order to offset this fault, Coach Hickman will bring the wing in and mix the patterns with the spread-out wing being used primarily to pass from. Since either formation offers the opportunity for the run or the pass it will not give away the intentions of the ball club if a proper play selection is exercised.

Jim Freeman has looked particularly good as a runner on the closer formation and with Sikes, Sutton and Holden all showing a great deal of ability, a more versatile attack should result.

In 109 plays run thus far, the Lions A team backfield has managed but 15 plays that garnered as much as 10 yards and the longest gainer of the year was a 16-yard run.

The B team backfield in 26 plays uncorked six runs of 10 yards or more with half of them being for 25 yards or more. This, of course, does not mean the B team backfield is more capable, because they are not, but it does mean that a wider selection of plays and a more varied attack was used by the reserves particularly in that the defense had to guess who had the ball.

The Lions are in fine condition other than their injured players and in high spirits hoping to crack into the win column this week.

On offense the Lions will go with Jim Doran and Jim Williams at ends, Dick Flanagan and John Cooper at tackles, Tommy Porter and Kenneth Deland at guards, with B. B. Ingham at center. In the backfield it will be David Sikes at quarterback, Jim Freeman and Bobby Sutton at halfbacks and Billy Bob Holden at fullback.

On defense the Lions will have either Diz Reeves, and Wayne Albers at ends, B. B. Ingham and Johnny Cooper at tackles, Kenneth Deland at middle guard with Holden, Meinecke, Williams, Sikes, Sutton and Freeman in the secondary.

Ozons Cubs Smother Junction Eagles By Score of 32 To 14

By Roy Killingsworth

In a game played last Thursday night the Ozons Cubs easily outscored the boys from Junction. In fact the only thing that held the Cubs back in the first quarter was their eagerness to play that resulted in fumbles and penalties.

In the early part of the game, fumbles erased two scoring opportunities of the Cubs only to have them come up with two points as Junction tried unsuccessfully to kick out from their end of the field after an Ozons recovery. On the kick off from the 20 as a result of this safety, Phillip Carnes received on the Ozons 45 and returned it for 55 yards and an Ozons TD. The run was made possible by beautiful down field blocking. The try for extra point was not good, leaving the score 8 to 0. One other score was erased during this first quarter as Phillip Carnes passed to Floyd Danley for a touchdown good for 60 yards, but a penalty of off-side called this one back.

Early in the second quarter Bill Semmler scored from one yard out after Phillip Carnes, from the quarter back position, had carried the ball to the one on one of his roll outs. This time the attempt at two points was successful by Carl Montgomery.

The third touchdown in the second quarter was a beautiful pass from the same Phillip Carnes to Carl Montgomery good for 51 yards on the pass and run. The extra points were made by Floyd Danley this time leaving the score 24 to 0 at the half.

Rev. Troy Dale

Rev. Dale Resigns As First Baptist Pastor; To Houston

Accepts Pastorate Of Northhill Church In Houston

Rev. Troy Dale, pastor of the Ozona First Baptist Church for the past four years, Wednesday night announced to the church congregation his resignation to become effective after next Sunday services.

Rev. Dale has accepted the post as pastor of the Northhill Baptist Church in Houston. He preached at the Houston church last Sunday and accepted a call to its pastorate. Northhill Baptist, in the northwest heights section of Houston, has a membership of approximately 1,200.

The Ozona pastor recently concluded a ten-day revival meeting at Love Baptist Church in Phoenix, Ariz.

Rev. Dale came to Ozona from Lubbock where he served as pastor of Flint Avenue Baptist Church. During his ministry here, the church has enjoyed a ten percent growth in membership and a twenty percent increase in Sunday School attendance. He has performed 105 baptisms in the local church. During the period of his ministry here the church has paid in over \$48,000 toward benevolences and missions.

Rev. and Mrs. Troy Dale have two children in high school, Marilee a Senior and Bud a Junior. The hurried move to his new post, Rev. Dale said, is being made because of the necessity for the children to transfer to Houston schools. They will attend John H. Reagan High School in Houston. Another daughter, Suzanne Dale, is attending Howard Payne College in Brownwood.

Ladies Golf Assn. Sets October 16 Date For Invitational Tourney

The monthly luncheon for the Ladies Golf Association was held last Thursday at the Country Club. Golf was played in the morning and bridge in the afternoon.

Winners in golf play were Mrs. Jess Marley and Mrs. Joe Pierce, Jr. Winners at bridge were Mrs. Joe S. Pierce III, Mrs. Ashby McMullan and Mrs. Joe Pierce, Jr. Mrs. H. B. Tandy was bridge hostess.

The club set October 16th, for the annual invitational golf and bridge tournament, to be held at the club. Mrs. V. I. Pierce will be the golf chairman and Mrs. Sherman Taylor the bridge chairman for the tournament. Invitations will be mailed to all surrounding towns next week.

These attending were: Mrs. J. M. Baggett, Mrs. Dempster Jones, Mrs. Marshall Montgomery, Mrs. Jess Marley, Mrs. Ashby McMullan, Mrs. Joe Pierce, Jr., Mrs. Byron Stuart, Mrs. John Childress, Mrs. W. W. West, Mrs. Sherman Taylor, Mrs. Sidney Millsbaugh, Mrs. Joe S. Pierce, II, Mrs. Lloyd Sherrill, Mrs. Nip Blackstone, Mrs. Early Baggett, Mrs. V. I. Pierce, Mrs. Charlie Black, Mrs. Hillery Phillips, Mrs. Byron Williams, Mrs. A. S. Lock, Mrs. Joe Friend, Mrs. Matt Fox, Mrs. Jack Williams and Mrs. H. B. Tandy.

Ozons Cubs In Menard Today After 2nd Win of Season and 8th In Row

By Roy Killingsworth

As you read this the Ozons Cubs will be in Menard after their second win of the year. They will also be going after their 8th straight win, winning six in a row to close out the season last year.

It might be well to point out that the Ozons Cubs have lost only five games in the past six years and only one of those on the home field.

It was back in 1955 that Iraan stopped the Cubs in their attempt at win number 13. The cubs went on to lose three other games that year, two of them to the Sonora Freshman team as we used only 8th graders at that time. The other game of that year was our "B" team in a game with Rock-springs.

Again last year the Cubs were stopped in Iraan in their attempt at win number thirteen. Since that time things have gone our way with the present freshman team we could continue to win during this season. Lack of 8th graders will throw the burden upon the shoulders of the seventh grade to carry on. But with thirty boys out and wanting to play it could be and we feel will be fun.

Ozons Boy Wins 2nd With Registered Heifer At Abilene Stock Show

Larry Williams, Crockett County 4-H Club member, and son of Mr. and Mrs. Troy Williams, showed his registered Hereford heifer, Miss P. D. Zato 493, to second place in its class in the Junior Division of the West Texas Fair at Abilene last week. Showing as a summer yearling, the heifer also placed sixth in the adult division.

Larry showed this same heifer last year as a junior heifer, winning its class at El Paso and was reserve champion Hereford heifer at the San Angelo Fat Stock Show.

In addition to his prize winning heifer, Larry has carried over his light weight steer calf from last year, the steer now weighing one thousand pounds and is an excellent prospect for the coming shows. Larry plans to exhibit his steer at Ft. Stockton, Odessa, and El Paso.

COUNT-DOWN OVER QUEMOY?

The Western adjective for the Oriental has always been "inscrutable." But when the deviousness of Communist celebration is added to the already enigmatic, Occidentals can only watch and wonder. But they had better watch sharply and be prepared — not for the best, but for the worst.

For instance, while Red China accedes to the US suggestion of ambassadorial talks in Warsaw on a cease-fire in Formosa Strait, and while the talks are just gaining any possible momentum, the Peiping radio — which speaks only with the voice of Communist authority — hoots at the idea that there will be any cessation of hostilities and charges that the talks are a plot to prevent the Reds from taking Quemoy and Matsu.

Within hours, U. S. Secretary of State Dulles was telling the UN General Assembly that "the use of naked force" by the Chinese Reds against the offshore islands "poses a grave threat, with ominous implications." Mr. Dulles pointed out that in its nine years of existence, the Chinese Communist regime had never exercised authority over Taiwan (Formosa), the Penghus (Pescadores) or the offshore islands. But he failed to mention that the regime itself established its domination over all China by the use of the same "naked force," by torture and deceit, and is in no way entitled to recognition or consideration as a government. He did say, however, that Red China is not "peace-loving", a term that, the-

oretically, must apply to any applicant for UN membership.

Meanwhile American jet pilots in Formosa were ordered to "attack and kill" Red planes attacking Nationalist supply planes in the Formosa area, to chase the enemy over the China mainland if necessary, perhaps even to bomb his mainland bases. And as word came from London that the peace-loving Nikita Khrushchev had just finished a several days pep-talk at Yalta with Red Chinese and satellite big-wigs, Washington reported that Defense Secretary McElroy and General Twining, chairman of the Joint Chiefs of Staff would fly to Newport for a "routine" conference with the President.

From all indications, action in and over Formosa Strait is stepping up, and the showdown — when either we or the Reds require or lock horns — is near. The alternative of early agreement at Warsaw is a pallid hope.

Our best hope is that President Eisenhower remembers his ringing words of not so long ago that "a Western Pacific Munich would not buy us peace and security" and that "There is not going to be any appeasement."

An Ominously Calm President Eisenhower called the bluff of Red leaders in Peiping and in the Kremlin and stuffed US spaces in

WORDS ARE NOT ENOUGH!

Monument to be put atop 8,751-foot Guadalupe Peak, the highest mountain in Texas, by American Airlines honoring pioneer airman and stage coach drivers who conquered the dangerous pass. In picture set by William E. Swift, El Paso, to Stewardess Argie Becklin.

Methodist W.S.C.S. Begins New Study

The Woman's Society of Christian Service of the Methodist Church met Wednesday morning at the church to begin the study "Concern of a Continent", directed by Mrs. S. M. Harvick. The study will extend over four sessions on four Wednesdays. Mrs. R. A. Harrell gave the devotional.

The study opened with a discussion of Canada, followed by the United States. The next session will be Wednesday, Oct. 8, in the fellowship hall, with Alaska the topic for study. Wednesday, Oct. 1, will be the monthly business meeting and devotional.

Members present were Mrs. R. A. Harrell, Mrs. Floyd Henderson, Mrs. B. B. Ingham, Mrs. Ralph Jones, Mrs. Stephen Perner, Mrs. Paul Perner, Mrs. Charles Williams, Sr., Mrs. Joe Pierce, Mrs. Morris Bratton, Mrs. Dick Henderson, Mrs. Woodrow Mills, Mrs. S. M. Harvick, Mrs. J. W. Henderson, Mrs. O. D. West, Mrs. C. F. Brown, Mrs. Demp Jones, Mrs. N. W. Graham and Mrs. H. B. Tandy.

Mr. and Mrs. Fred Bonn, former Ozonians now living in San Angelo, visited here last week with Mr. and Mrs. Joe Patrick.

"Five girls have a pep squad. They are Jill Applewhite, Kay Kyle, Jan Jacobs, Esther Williams and Joanne Lewis. They are in the fourth grade. They yell all kinds of yells." Contributed.

HOMEMAKERS INSTALL

Members of the Homemakers Class of the First Baptist Church installed new officers at a covered dish luncheon Monday. Installed as president was Mrs. Bob Franklin; vice president, Mrs. John Lockett; secretary - treasurer, Mrs. Homer Good; associate secretary, Mrs. Dudley McCary; courtesy chairman, Mrs. Chas. Butterfield; program chairman, Mrs. Clyde Woodall; gifts chairman, Mrs. Gaston Wylie; keeper of the scrapbook, Mrs. Pink Beall.

Present were Meses. Chas Butterfield, Clovis Womack, Ted Lewis Dudley McCary, Otto Pridemore, S. E. Carnes, George Hester, R. C. Pitts, Bob Franklin, Curtis Hatcher, Clyde Woodall, John Lockett, Pink Beall and Homer Good.

G. A. AUXILIARY ELECTS

The Mavis McCullough G. A. Auxiliary met Monday, Sept. 22 at the First Baptist Church. Officers for the new year are Lucille Childress, president; Ann Long, vice president; Mary Ann Pitts, secretary; Joleen Butterfield, program chairman; Cheryl Lyles, community missions; Fannie Beth Everett, forward steps; Sharon German, prayer chairman. Present were Lucille Childress, Mary Ann Pitts, Joleen Butterfield, Cheryl Lyles and Fannie Beth Everett.

The Ozona CAP unit will meet Tuesday night, Sept. 23 in the school rent house formerly occupied by R. K. Wimberley.

EDITOR'S CORNER

By Becky Davidson

Monday night television viewers had the opportunity to see the play version of "Harvey". Harvey is a large white rabbit seen only by his friend Elwood Dowd, and sometimes his frustrated sister.

Harvey represents the qualities few people have. He makes it possible to enjoy life as you live it and to be content with your surroundings and particular situation. Carefree, friendly, pleasant, and imaginative Elwood could see the fine things that others miss in their hurried existence. This is what the spirit of Harvey gave him. It cannot be bought or demanded, but is a free gift for the taking.

SEEN AROUND OHS

By Barbara Barbee

We have some new faces around OHS, not only the Freshmen but some new faculty members.

This week I would like to tell you a little about Miss Barbara Tuggle. Miss Tuggle is taking the place of Miss Peggy Moore. She is teaching typing, bookkeeping, and shorthand.

Miss Tuggle graduated from North Texas State College at Denton last May, taking a B. B. A. degree in Business Education. She is from Gainesville, and everyone really does like her.

We hope that Miss Tuggle enjoys her teaching career in Ozona.

FRESHMAN ASSEMBLY

By Glenda Friend

Freshman day was held last Wednesday, September 17. After the races, the downtown marching, and all the air raids, we all made it to the assembly.

The assembly was presented by the Freshman Class, and sponsored by Miss Powers, to whom we give our appreciation. In assembly a freshman band, directed by Helen Henderson, furnished the music. The main attraction was the can-can girls, (uh, boys). There were two skits, a pantomime by Johnny Childress, and a song by Vicki Carol and Glenda Friend, with Jan Pridemore at the piano. Last but not least we had some Harlan Skinny Birds' lead by Darrell Rasberry. All in all, Freshman Day turned out to be quite a day that we will never forget.

NONSENSE? — NO!!

By Susie Chandler

"For the purple fight, fight! For the gold fight, fight! For the Lions fight, fight!" Just what is all of this nonsense? Why do those boys go out on that cow-patch and kick that pig-skin around? What are those convicts in their striped suits doing running around out there? Why do those men with cigars in their mouths walk up and down the cow-patch turning red and green in the face?

"For the purple fight, fight!" This is merely a deflated form of school spirit. Without real backers yelling it, it has no meaning.

"The boys on the cowpatch" are football players in the midst of a football game, working their hearts out, trying to get their hands on that "pigskin".

The "Convicts" are the referees who decide what, when, and how.

Last, but not least, the "men with cigars" are none other than the coaches, and the reason for the changes in the colors of their complexions is the cigar they seemed to have placed in their mouth instead of in their pockets.

ADIOS, AMIGOS

By Camille Adams

These old halls aren't going to be the same without Marilee and Bud Dale. It is true, they are moving to Houston Monday, Sept. 29.

The Dales moved here four years ago this November. In those past four years both of them have been a great addition to our school. Marilee is secretary of the Student Council this year. That group will really miss her. There are 2,500 kids in the school they will be attending. That is quite a change from the 200 we have in Ozona High School. Marilee and Bud will really have to get to work because they will need nineteen credits in order to graduate. We should count our lucky stars that we only need sixteen to graduate.

Marilee is going to have to take six subjects and no study hall.

We all want to wish both of them the very best of luck at Reagan High in Houston. It's been great knowing you! Don't forget us Lions!

COLLEGE EXAMS

By Alleane Young

Last Thursday an assembly was called during activity period. Mr. Peltó and Mr. Sikes gave us information concerning the college board exams, exams from Princeton, the Air Force Academy, the University of Texas entrance exam, and the Navy R. O. T. C. training program. These are the top-rated scholastic programs. The tests are very important in planning and preparing for entering college. Juniors and Seniors are affected more by them than are Sophomores and Freshmen, although everyone should consider them. The exam from Princeton is to be given here October 21. The College Board Exams are given in San Angelo March 14 and April 4. To get information on the other programs and further information on the two exams, contact Mr. Peltó.

BEAT THE STANTON BUFFALOES

F. H. A. NEWS

By Priscilla Stewart

Our F. H. A. Chapter is a national organization which is open to any girl in high school interested in joining. Each year we have a district meetings which our chapter is allowed to attend. Last year Midland was the appointed place for the meeting, and fortunately for us this year, Big Lake has the privilege of the meeting on October 11.

On Tuesday, September 23, the Chapter meet in the H. E. building for the election of new officers. For our president this year we picked Anne Davidson. Anne is followed by the vice-president, Roberta Johnigan, whose job isn't as easy as some people think. The secretary and treasurer are two jobs which are very important to the Chapter. These two offices are held by June Knox and Bama Burston. The news of the Chapter is reported each week by Priscilla Stewart. The Parliamentarian and Historian offices are held by Darla Williams and Jan Pridemore. We know these girls will do a wonderful job. Maybe our song leader, Vicki Carol will teach us all to be song birds.

YAKITY-YAK

Friday night everyone traveled to Fort Stockton to back the Lions. Everyone that didn't make it missed a good game. Even though we came out on the wrong end of the score, the boys played a hard game. It was a good game, boys!

Some unusual things happened at the game! It seems as though Susie Chandler got tickled during the prayer. I am not real sure

what happened, but you might ask Susie.

The cheerleaders have decided that for the next game they are going to get Diane's uniform. It seems like she forgot something like shoes and tights. I noticed that she didn't jump very high.

Dis Beever has been missing in the halls of G. H. S. It seems that he is sick. It will be nice to have him back. There are a few people that seem to miss his changing face!

The cheerleaders can be found every afternoon in the gym trying to get ready for the weekend ball game. They really do work hard, and I think everyone should do their best to help them. They really deserve a pat on the back.

This week-end was very lively. It seems as if some out of town girl came over and was trying to steal someone else's boy! I thought all of the out-of-town girls know that we didn't have enough boys anyway. I guess some of them just never learn. I do think she got home in one piece, though.

It seems as though some of our

boys decided to go to college town and left Saturday night. C. C. and Bob went in "the Wild West town" Saturday night. There were a few ones that were taken by Camille, Jan, Pam; Bob C., Bob M.; Bob M.; Bob M.; Rod, Alleane; Bill Frances.

Some of the out-of-town girls came home for a visit. They are all in sight. Jake made all a report on Saturday night.

Sandra and Jerry having the worst of especially with the drivers. Good luck to the future! (Sandra, Jerry, his hand.)

Sunday night seen were: Bill and Bob, and Bobby, Linda and Susie and Jerry, Tom

uses only air and electricity

... your home is always comfortable when it is air conditioned with the All Electric HEAT PUMP

You have year-round perfect indoor climate with one setting of the thermostat when the all-electric heat pump is installed. It cools and heats from the same unit... switches automatically from cooling to heating and back again as required for comfort, even within the same hour. There is no seasonal starting up or shutting down of your heating or cooling equipment with the all electric heat pump. No discomfort from those "in between season" days because the all-electric heat pump automatically adjusts itself. And because the all-electric heat pump only uses air and electricity, it is clean, modern and convenient. For complete information about the all-electric heat pump call for one of our heat pump engineers.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 26, 1939

T. A. Kincaid of Ozona, serving his sixth term as president of the Sheep and Goat Raisers Association of Texas, is being mentioned as a possible candidate for representative from this district to the United States Congress following announcement from Congressman Claude B. Hudspeth that he will not be a candidate for re-election. R. E. Thomason, mayor of El Paso, announced his decision to enter the race for the Congressional seat simultaneously with Hudspeth's announcement of his planned retirement.

The fall shipment of Crockett county lamb from the Barnhart loading pens continues with unabated swiftness, 10,000 head moving from the station during the past week.

ing from the station during the past week.

Jimmie Rodgers, Victor recording artist and world famous blues yodeler, will appear in person at the Ozona Theatre next Saturday night under auspices of Joe Oberkamp, local Victor dealer.

A definite movement to test the sentiment of the people of Crockett county as to whether or not they want paved roads over the important highways through the county will likely result from an impromptu talk made by N. W. Graham, a visitor to the Lions Luncheon Tuesday.

The Ozona Tailor Shop changed hands again this week, Jake Young purchasing the entire layout from Rice P. Lynn. Lamar Casbeer, in charge of the cleaning and pressing department for several months, will remain in that capacity.

The Ozona Lions found a set-up in their opening game of the new grid season last Friday here when

they ran wild over the Eldorado Eagles to win by the lopsided score of 40 to 0. Woodrow Wilson, playing his first game as quarterback, and proving himself a potential star, ran back a punt 60 yards for one of the touchdowns.

Pumping was started Sunday in Dr. J. D. Young's No. 1 J. M. Shannon estate in Crockett county. The well, which either opens a new pool or is an extension of the Powell field, pumped 400 barrels daily on the first test, but had been shut down 10 days before the test.

B. B. Ingham is recuperating from serious burns inflicted by an X-Ray machine in San Angelo recently, where he went to have a sliver of steel removed from his shoulder.

Mr. and Mrs. Joe Weaver are the parents of a son born Thursday.

Mrs. Chas. E. Davidson, Jr., and little daughter have returned from Temple where they have been

visiting relatives.

Mr. and Mrs. George Russell are the parents of a 10-pound son born Wednesday morning. The new assistant county clerk had not been named today but George hinted that he might be known as George, Jr.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas — Teacher pay raises, an issue that has pocked legislative galleries in past years, will probably return next session. Base pay raises of almost \$400 a year will be recommended to the Legislature by the Hale-Aikin Committee. This group of 24 lawmakers and private citizens has spent almost two years in a massive study of ways to improve Texas' public school program.

Its recommendations, now being readied for final presentation, would, for the most part, involve extra spending running into the millions. Cost of moving up the floor on teacher salaries is estimated at \$70,000,000 a year.

Advocates say better salaries are necessary to attract and hold enough good teachers. But even within the committee there were objections.

Rep. L. DeWitt Hale of Corpus Christi, co-chairman, voted against the raise recommendation. He said this, plus other proposals would mean "about a quarter of a billion dollar tax bill."

Other committee members said they felt the problem was not a shortage of teachers, but unequal distribution. While small districts may have trouble filling faculties, they said, some cities have a surplus.

Many legislators, elected on "economy in government" platforms, can be expected to echo Hale's sentiments. Since a huge state deficit is foreseen without raising the cost of anything, the squeeze could be especially acute.

Teachers, always a potent force because of their number, might be substantially reinforced by the current concern to "catch up with the Russians" in education. A head-on clash between these groups and the economy forces might well provide the flashiest fireworks of the next session.

No Thanks — Another Hale-Aikin Committee suggestion, Texas should quit accepting federal money for the school lunch program and vocational education.

Federal funds now received are estimated at \$9,000,000 a year. Committee said local districts and parents should pay for these services.

It did recommend, however, that federal aid be continued to districts where military installations bring in a large non-tax-paying attendance.

Other committee recommendations:

1. State should quit levying property tax leave this source to local districts.
2. Permanent School Fund should be kept as an endowment, not spent for current needs.
3. Counties, not state, should bear the cost of maintaining county

school superintendents' offices.

Water Needs Forecast — Demand for Texas surface water is expected to triple in the next 30 years. Prediction is by Henry P. Burleigh, area engineer for the U. S. Bureau of Reclamation.

Where will it all come from? Burleigh says enough water is now being wasted to meet that demand. Problem of saving it is in its engineering to solve. Needed is a simple, low-cost means of capturing run-off water now flowing into the Gulf of Mexico and delivering it to points where it is needed.

Revisit of the case structure for city water users was proposed as one means of conservation. Lubbock hydrologist W. L. Broadhurst said that increasing the rate instead of decreasing it is much water is used would cut down household waste.

Highway Work at Peak — Two-thirds the way through 1954 the State Highway Department already has placed as much highway construction work under contract as in the entire record-setting year of 1957.

Total for this year reached \$224,000,000 this month. Low bids opened in a two-day tabulation for this month's proposed projects amounted to \$28,669,422. Department spending on Texas roads in the next three years is expected to reach one billion dollars. Highway Commission Chairman Marshall Formby said.

"It is wise to give narrow-minded people a wide margin."

Bailey Memorial Building at TCU To Be Dedicated At Reunion

Following in part is a story appearing in the Sunday San Angelo Standard-Times, written by Dean Chensworth, editor:

The late Robert Bailey believed in God, Christian churches and Texas Christian University. His picture was in the first Horned Frog student publication there, as "a friend" of TCU. And his oldest son, John R. Bailey, now of Ozona, attended Texas Christian University the first year it was located at Waco.

These old ties and a deep appreciation of Mr. Bailey has led Mrs. Nora Bailey Gee, a daughter of this city, together with nieces and nephews and brothers, to produce a new educational building at TCU. Major part of the cost of the \$200,000 structure has come from these Bailey heirs, and the building henceforth will be known

as The Bailey Building.

The remodeling and construction program has been completed, but dedication of the building will be set for a date later this fall. At that time, Mrs. Gee and other participants in the fund will have a family reunion.

Mrs. Gee, a resident here at the St. Angelus Hotel for the last nine years, is a devoted member of the First Christian Church and is a longtime friend of Dr. M. E. Sadler, president of TCU.

Robert Bailey told everybody to invest in land, "that the growth of Texas would make it valuable some day." He lived to see his forecasts come true and at his death, he left varied lands and other properties to his widow and seven children. He always was generous with TCU and the Magnolia Ave. Christian Church to which he belonged at the time. Dr. E. M. Waite was pastor there, later becoming president of TCU.

His devotion carried to the chil-

dren, and when Tom Bailey and his wife, Nell, died in West Worth, they started the Bailey Fund for TCU with a bequest of \$10,000. Mrs. Gee had the seven-section ranch in Sterling and Coke counties, and when oil was discovered there in 1925, she determined that she would share in a large way in building on the TCU campus a memorial to her father and mother. She wouldn't allow the building to be named the Gee Building as had been suggested by Dr. Sadler, an infrequent visitor here. She invited other heirs to share in the family enterprise getting favorable responses.

Thus when the dedication of the building is celebrated, there will be present aside from Mrs. Gee her brothers, John R. Bailey of Ozona and Albert P. Bailey of El Dorado, three nieces and nephews, Robert B. Mack, Ballinger and Roy S. Mack of Lubbock, Louise Bailey Cox of Ozona, T. A. Bailey of O-

zona, Bernice Bailey, Mary Ann Bailey, Inez Covart of Dallas, Be Morales of Dallas, R. Riss and her husband of Kansas City, Glendale, Calif., and the family of Las Vegas.

FRIDAY NIGHT

The Friday night football game between the TCU and the Texas Tech teams was won by the Red Raiders, 14-7. The game was played at the Red Raider stadium in Lubbock. The game was a close one, with both teams showing excellent play. The Red Raiders' defense was particularly strong, holding the Texas Tech offense to a minimum. The game was a great success for the Red Raiders and their fans.

Buick's New Styling Is Sleek And Low

Low and sleek describes Buick's new styling for 1959. The model shown is the two-door Electra hardtop which measures less than 55 inches in height yet has approximately the same headroom as last year's Buick. The "delta-wing" styling near fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back to roof and eliminate wind noise are a feature on all 1959 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with 10.5-to-1 compression ratio. Twin turbine power and power steering are standard on all models in the Electra series.

Pearsons Honored On Eve of Departure For New Home in McCamey

Mr. and Mrs. Paul T. Jacobs, Mr. and Mrs. Leslie Carnes and Mr. and Mrs. J. G. Adams were hosts at a farewell party honoring Mr. and Mrs. Roy G. Pearson, recently in the Jacobs home. Mr. Pearson, production foreman for Continental Oil Co., has been transferred to McCamey. Pie and coffee were served to about forty guests. A gift was presented to Mr. and Mrs. Pearson and Donny. E. H. Chandler of Ozona, recently purchased 25 Aberdeen-Angus cows from Sundown Ranch at Meridian, Texas. Girl Scout Troop 1 met Wednesday at the Scout Hut to embroider dish towels to give to the hospital. Mrs. Elmo Wallace served refreshments to 18 girls and their leaders.

Deep Hole Drilled By Ozona Firm For New Mining Venture In Colo.; Hole Only 14 Ft. Off True Vertical

A 1700-foot hole, drilled by the top of Virginia Idaho Springs, Colo., Franklin & Perry Drilling Co., Ozona, was holed 16, opening the way for new ores in large scale diggings, reports Mountain News, Denver. The feature story appeared in the issue of Sept. 17. Of Ozona, tool pusher & Perry, supervised the drilling operation. The first started in the Springs district, the recounted, "approximately million worth of ore, standards, has been the earth. It is possible that a central tunnel, two miles into the opening just to Springs, presented a problem. It could not pipe enough to sustain life. Near Creek Mining Co., of Denver's Conerger Co. and Beaver Summit Mines Ltd., of British Columbia, through the vent. It took eight months to drill. The hole reached bottom, connected with the tunnel 90 feet of water in the underground sent a wave of water. Suddenly, fresh air began to flow up the tunnel and up the shaft hole as though from a chimney. The flow of air will enable miners to work the two strongest veins of Spring - Central City

How fast can you go in a COFFIN?

His leisurely 30 m.p.h. jumped to 45 as he hit the Parkway... 50... 55... "Speed Limit 55"... He wasn't thinking... 60... 65... 70... Another car headed suddenly into the highway... and then it happened!

Death came just that suddenly, unexpectedly, last year to the 40,000 men, women and children who died on our roads. And in 3 out of 10 of these fatal traffic accidents, drivers were speeding.

Can anyone say the few minutes saved were worth such a terrible cost?

Summer traffic multiplies the menace of speeding. Next time you're tempted to step on it, ask yourself: "How fast can you go in a coffin?"

STOP THE ATTACK ON TRAFFIC ACCIDENTS

Here's how you can help stop traffic tragedies:

- Drive safely and courteously yourself. Observe speed limits and warning signs. Where traffic laws are obeyed, deaths go DOWN!
- Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN!

Support your local Safety Council

Published in an effort to save lives

Ozona Cubs —

(Continued From Page Four)

After Junction failed to gain to open the second half it took the Ozona Cubs only two plays to score their final points of the night. On the first play from scrimmage in the second half by the Cubs Bill Semmler broke over right tackle and seemed gone only to be stopped on the seventeen after a gain of 40 yards. On the next play quarterback Phillip Carnes rolled out around his own left end to score. Again Carl Montgomery made the extra points to make it 32 to 0 in the first minutes of the second half.

It was at this point that Coach Womack pulled the remaining members of the freshman team and inserted his seventh graders, who played the last half. We will not attempt to describe the action during this time because the little boys swarmed the ball carriers and ran with determination. Because of the difference in size the boys from Junction made two touchdowns this second half but only after much effort as the little boys gave a good account of themselves. Coach Womack was all smiles as each boy left the field to let another enter. In fact it was rumored that he sometime played more than eleven in order for all 46 boys to play.

It would not be fair to close without mentioning the defense in this game. Outstanding on defense were L. D. Long, Penn Baggett, Gary Lee Stewart, and Bobby Herrera on the line. They were tough.

On the reserves we would pick out Johnny Childress in the line and Freddy Dobbs in the safety position. Of the seventh it was Mykle Stahl who looked best on defense.

Ozona Music Club Opens Season With Covered Dish Supper

The Ozona Music Club began its new year with a covered-dish supper at the R. A. Harrell home September 18 at 6 p. m. The beautiful lawn was the setting for the tables with candlelight, and the three Ozona club members who are Sixth District officers and committee chairmen were honorees. Mrs. Ted White is District Treasurer and chairman of the Finance Committee. Mrs. George Russell, Jr. is chairman of National Music Week. Mrs. H. B. Tandy is chairman of Music in Industry.

After a delicious supper, the members and guests were entertained with a program in the living room of the Harrell home. Mrs. R. A. Harrell, president, welcomed new members and guests. Mrs. D. B. Pettit, retiring president, presented the three district officers with corsages. Miss Lucille Farmer presented the club yearbooks to the members.

A trio, Miss Cleona Quiett, Mrs. Buddy Russell, and Miss Lucille Farmer, sang the Music Club Col-lect.

Mrs. H. B. Tandy led the group in some songs. She was accompanied by Miss Cleona Quiett.

Present were Rev. and Mrs. Morris Bratton, Mr. and Mrs. Ted White, Dr. and H. B. Tandy, Mr. and Mrs. Herbert Kunkel, Miss Cleona Quiett, Mrs. Ken Cody, Mrs. Jim Dudley, Miss Lucille Farmer, Mr. and Mrs. Frank James, Mrs. Roy Killingsworth, Miss Geneva Knox, Mrs. J. B. Miller, Mrs. D. B. Pettit, Mrs. V. I. Pierce, Mrs. Geo. Russell, Jr., Miss Wanda Watson and a guest, Mrs. B. B. Ingham, Sr.

BROWNIE TROOP 4

Brownie Troop No. 4 met Sept. 18. We played "Strut Miss Lizzie." Our project is making blocks on trays. A song was led by Jan Jacobs. Plans for the future call for picnics and hikes, blocks for orphans and trays for sick people. Total dues received \$1.50. Present were Cookie Coates, Joanne Lewis, Jan Jacobs, Cynthia Appel, Janet Mills, Mary Ann Pitts, Stomy Townsend, Betty Henderson, Candy Colquitt, Kathy McAlister, Jill Applewhite, Kay Kyle, Barbara Davidson, Esther Williams and Cynthia Mahon.

Woman's Club Hears Report On Natl. Music Camp By Miss Davidson

Mrs. Stephen Perner and Mrs. Will Baggett were hostesses to the Ozona Woman's Club at its first program meeting of the new season Tuesday afternoon in the Perner home.

Mrs. Evert White, president, presided. Mrs. L. B. Cox, Jr., program chairman, reviewed programs planned for the year under the theme, "The Key to the Kingdom."

"The Key to Achievement," was the theme for the opening day program which featured Miss Becky Davidson, who spent eight weeks at the National Music Camp at Interlochen, Michigan. She spoke on the Camp's schedule of activities and played several flute solos. Miss Davidson has twice been named to the State Band as a flutist and has an outstanding record in her band work in high school and at the National Camp the past summer.

Mrs. Joe Tom Davidson, Becky's mother, and Mrs. Joe T. Davidson, her grandmother, who visited the Interlochen camp for its closing exercises, gave interesting and informative talks on the physical setup of the camp, its history and outstanding achievements in youth training. Pictures of the camp and activities were shown.

In a business session, the club voted to raise its membership limit to forty. Mrs. Max Schneemann, projects chairman, reported completion of landscaping of the War Memorial plot on the grounds of the Crockett County Hospital. Mrs. Schneemann also transmitted a request from the Hospital Board that the Club supply the Commissioners Court with a list of women a-

available for service on the hospital board.

The club voted to cooperate with the Woman's Forum in the projected organization of a new civic club in Ozona.

A buzzing social hour followed the program and business meeting. Guests included Miss Norene Ellington, Mrs. Richard Flowers, Mrs. Joe Tom Davidson, Mrs. Joe T. Davidson, Mrs. James Baggett, and Mrs. Harry Perner. Members present were Mmes. Roy Killingsworth, J. A. Fussell, P. T. Robinson, O. L. Sims, Evert White, Taylor Word, Joe Pierce, Max Schneemann, John Bailey, Hubert Baker, V. I. Pierce, Eldred Roach, Tom Clegg, L. B. Cox, Jr., Ivy Mayfield, Will Baggett, Charles Williams, Sr., A. C. Hoover, Ted White, Floyd Henderson and S. M. Harvick.

Kick-Off Meeting Of ESA Held In Home Of Sponsor, Mrs. Meinecke

The kick-off meeting of the year for Epsilon Sigma Alpha Sorority was held on the night of September 18 in the home of Mrs. Coralie Meinecke. Hostesses for the evening were Mrs. James Scott, Mrs. R. L. Bland, and Mrs. Bruce Mayfield.

Highlight of the meeting was a talk by Dr. Lloyd Sherrill on emotions. This was followed by group discussion of the topic.

Mrs. J. A. Peltó presided over the business meeting in the absence of the president. Plans were made for the club's annual get-acquainted party to be given later this month.

Cookies and coffee were served to the following members attending: Mrs. R. L. Bland, Mrs. Roy

Coates, Mrs. Fay Collins, Mrs. Fred Hickman, Mrs. Roger Hopkins, Mrs. Frank James, Mrs. Bruce Mayfield, Mrs. J. A. Peltó, Mrs. Charles Ratliff, Mrs. James Scott and sponsor, Mrs. Coralie Meinecke.

GIRL SCOUT TROOP 9

Reporter, Pat Womack

Troop 9 held its regular meeting on Thursday the 18th. The investiture ceremony was performed, taking in two new members and one leader. They were Terry Jean Newton and Pat Womack, members, and Mrs. Tommy Newton leader. The troop began work in needlecraft as their first project, working with felt.

Refreshments were served by hostess Diann Faye Coates to Janie Gilliams, Vicki Good, Joanne Hes-

ter, Janet Moore, Terry Jean Newton, Pat Womack, lealers, Mrs. Charles Bud Coates and son.
