## Events Pose For Voters On Tuesday

### Changes Offered In Election Nov. 4

General election day, November 4, will see the election of the governor, governor and lieutenant governor, district, county and precinct officers will be elected for terms in office. The party in Texas, will cast the ballot in the primary candidates, with an party pushing a governor, Edwin S. Mora, one for the U-Senate against Ralph Roy Whittenburg of the state Commissioner of Agriculture, Grover C. and one for Associate Supreme Court, Place Adams.

Constitution Party has nine candidates for lieutenant governor, attorney general, for commissioner of agriculture, for state treasurer, for commissioner, for comptroller of public accounts and for chief of criminal appeals.

Biggest headache will be to the state constitution provisions in brief of proposals are: No. 1 to provisions of the legislature pay and an unlimited expense to give counties the right to give approval of pensions for elective officers; No. 2 to fill unexpired terms in county judge and until the next general election; No. 3 providing that district, precinct officers must be announcing candidate; No. 4, provide for home rule city providing pensions for city employees; No. 5, giving the right to appropriate to advertise Texas; No. 6, providing for medical payments to regular old age assistance; No. 7, creating a district in Amarillo, Houston and other counties.

Most of the proposed changes would cost Texas taxpayers money, especially Nos. 1 and 2.

## Final Game Tonight Against From Del Rio

### By Roy Killingsworth

The final game of the year for the Junior High Cubs will be against the Junior High Kittens of Del Rio on the night of Oct. 31, 10 p. m.

Not only the final game but the final game for the Junior High Cubs next year is trying out a new team. It is with reserve see these boys leave forward to seeing them play against the Lions.

Del Rio should be as the two teams have met in the past three times the Cubs winning each time. In each case the Cubs came from behind in the half to win and the law of averages is going to catch up with you at the game tonight with the Cubs playing at Del Rio.

## Club To Honor Citizens Nov. 5

"Senior Citizens" will be honored at a Golden Age tea at the Ozona Garden Club at the home of Mrs. Max Schneemann, Nov. 5, at 3 p. m. Mrs. Schneemann as hostess will be the club's committee.

Members of the club will be invited. Club members will bring fall arrangements and garden specimens. A "Behind the Scenes at the Flower Show" will be given by Mrs. Sherman Taylor.

## Bill Jacoby, 14-Year-Old Ozona 4-Club Boy, Wins Statewide Award In 4-H Range Results; To Receive Scholarship To Annual Range Camp

College Station, Oct. 29 (Sp1)—Two 14-year-old range experts have been named winners of the first statewide awards in the 4-H Range Result Demonstration program. They are Bill Jacoby, Crockett county and Reynolds Lee Foster of Sterling county.

According to the state 4-H club office release, each will receive a scholarship to the annual Range Camp which is held each summer. Donor of the scholarships is the Texas Sheep and Goat Raisers' Association. In addition, the donor also provides medals for county winners and an engraved belt buckle for each district winner.

Objectives of the program are to give 4-H youth an understanding and appreciation of range management; to stimulate the use of proper range management practices now and in the future and to encourage closer working relationships in range management conservation between youth and adults.

Bill is the son of Mr. and Mrs. Pete W. Jacoby of Ozona and is completing his seventh year of 4-H club work. He is a lamb feeder of renown but his top honors have been won in grass and range judging and in activities closely related to work done in the range management result demonstration program.

In 1956, Bill participated in three different judging contests and was the second high individual, junior division, in range management at

Bill Jacoby

Sonora; over-all high individual and member of winning team in Crockett Invitational Range Judging contest and his team was high in range judging at Ft. Stockton.

In 1957 he was a member of the second place district team in range judging and of a grass team which ranked second in the state. He retained his high ranking in the invitational contest at Ozona and his team ranked fourth in the National Range and Pasture Judging Contest at Oklahoma City. In 1958 the county grass team ranked second in both district and state contests, and his range management team ranked second at Sonora. The Crockett team was the over-all champion of the Sonora Show.

In addition to his outstanding record as a feeder and judge, Bill has collected and mounted 175 range plants and has assisted with the planting, maintenance and record keeping on 20 different grasses being handled in a nursery. He (Continued on Last Page)

## Permian Discovery In Western Crockett Co.; Wildcat Location Made

J. H. Buchanan of San Angelo completed the No. 1 H. B. Cox Estate, Crockett County wildcat located six miles northeast of Sheffield, as an unidentified Permian discovery for a daily flowing potential of 52 barrels of 34 gravity oil per day, no water, with gas-oil ratio of 400-1.

Completion was through a 1/4-inch choke and perforations between 1,752-768 feet.

Top of pay was picked at 1,748 feet on elevation of 2,505 feet. Casing (4 1/2-inch) was seated at 2,060 feet, the total depth.

Location is 2,310 feet from the north and west lines of 36-GG-HE&WT.

The strike is 1 1/4-miles east of production in the Half field and 3/4-mile west and slightly south of production in the Clara Couch field.

Fred Turner, Jr., of Midland filed application to drill the No. 1-BB Shannon as a 2,100-foot cable-tool wildcat five miles southeast of Iraan.

Location, on a 640-acre lease, is 660 feet from the north and west lines of 22-4-Archer csl.

The prospector is 1 1/4-miles east of oil production in the Noelke field and one mile southwest of gas production.

E. L. GALYEEN, director of Research and Records of the Texas State Teachers Assn., a schoolman whose experience ranges from elementary school teacher, to superintendent, to deputy state superintendent, will speak at a meeting of the Crockett County Local Unit of TSTA on Nov. 18. Mr. Galyeen's subject will be "The TSTA Legislative Program for 1959."

## PTA Carnival In North Elementary School Fri. Night

### Weather Drives Annual Event Indoors; Opens at 5:30 p. m.

The annual carnival, sponsored by the Ozona Parent-Teachers Assn., the only fund raising event of the year for the P. T. A., is scheduled for next Friday night, October 31, Halloween night.

Three days of unbroken rainfall so far this week and an uncertain end to the moisture, prompted P. T. A. officials Wednesday to definitely set the carnival for an indoors showing at the North Elementary school building. Plans had been left open to shift the carnival indoors of weather was unfavorable, but the soggy turf in the park, even if the rainfall stops, would be uncomfortable for patrons and decision was reached to move indoors.

The usual downtown parade which traditionally opens the carnival in the park will be dispensed with this year and the carnival will open at 5:30 p. m. in the North Elementary building. Room mothers who will work in the booths are asked to report at 2:30, the P. T. A. President, Mrs. Martin Harvick, announced.

Booths in the carnival will be operated by the various classes from kindergarten to seniors. The kindergarten will operate the clown booth; Miss Daniel's first grade, the glasses booth; Mrs. Killingsworth's first grade, the car stand; Miss Blankenship's first grade, the bean bag; Mrs. Shahan's second grade, the popcorn stand; Mrs. Hagelstein's second grade, the novelty stand; Miss Ellington's third grade, the penny pitch; Mrs. Dudley's third grade, the shooting gallery; Mrs. Whitaker's fourth grade, the milk bottle stand; Mrs. Tabb's fourth grade, the grab bag; Mrs. Stoke's 5th grade, the hoopla; Miss Lenington's fifth grade, the spin-the-wheel stand; Mrs. Montgomery's sixth grade, the dart balloon stand; Mrs. Maness' sixth grade, break the records; the seventh grade, go-fishing; freshman class, country store; sophomore class, the side show; junior class, the cake walk; senior class, the bingo game, and the Student Council, the hat booth.

## Four Year Sentence Given San Antonio Man On Forgery Count Here

James R. Hamilton of San Antonio, a veteran of three terms in the state penitentiary and one in a federal prison, and now under a 10-year sentence at Hondo and a 3-year federal prison sentence, had four more years added to his state term here Wednesday when he pleaded guilty to a charge of passing a forged instrument.

Hamilton was sentenced by Judge Jim C. Langdon when he entered a guilty plea in 112th district court to a charge of passing a forged check on a drilling company at the Ozona Oil Company last February. Hamilton is 44 years old.

## State President Of Future Farmers Visits With Ozona Chapter

State President of the Future Farmers of America, Bill McDowell of Whitewright, Texas, visited the Ozona FFA chapter Tuesday afternoon. Bill is on a tour of West Texas visiting FFA chapters. He visited in San Angelo, Lakeview, Eldorado and Ozona and from there went to Iraan and Fort Stockton and from there will visit chapter all the way to El Paso.

The state president plans to visit chapters in the Panhandle and South Plains on the return. He plans to travel some 40,000 miles visiting chapters all over the state during his term of office. He graduated from high school last year but is not going to college this year, planning to devote his full time to the office.

## Ranchers Soil-Bank Moisture As Three-Day Fall Adds 1.5 Inches

Crockett county ranchers are soil-banking the most bountiful moisture their rangelands have enjoyed since 1941, and although they can't make it last for another ten-year drouth they at least are assured of a feed-free winter and greenery in the spring of 1959.

On top of the upwards of 14 inches that have fallen in the Ozona area since the first of August the first three days of this week have brought uninterrupted rainfall, the slow, soaking kind, that has registered more than 1.5 inches in the three days and gives no indication of breaking up.

A sub-soil which had not felt moisture in a decade must be soaked as far down as moisture will penetrate and that's where the moisture bank is for West Texas ranchmen.

## Junior High Cubs Eke Out Listless Victory Over Menard

### By Roy Killingsworth

In a game played last Thursday night, the Ozona Junior High Cubs won over Menard Junior High in a game where the Cubs could never get their offense to working. The final score was 14 to 0 in favor of the Cubs, though the final score should have been much more as the Cubs fumbled away many scoring chances.

## To Award Contract On First Section Of Road To Iraan

### Hiway Dept. Calls For Bids On First 9.75 Miles From RM 33

The Texas State Highway Department has called for bids for construction of the first segment of the new farm-to-market road from a point in RM 33, to Big Lake, west toward Iraan, connecting road which will afford residents of Iraan a direct outlet to the east and north. The 28.8 miles of contemplated road was designated by the Highway Department for construction as a farm to market road after the Crockett County Commissioners Court recently agreed to purchase right-of-way along the route.

Bids will be received by the Highway Department on November 12 for construction of 9.75 miles of road from the intersection with RM 33 west to about Live Oak creek. Other segments of the road will be constructed probably next year. The new road has been designated as FM 1980. Phone news to the Stockman

## Evaluation Of City Property To Equalize Levels

### Real Estate And Buildings Included In Engineers Survey

Employed by the Crockett County Commissioners Court to make an evaluation survey of real estate and buildings in Ozona, Delmer Smith and Mrs. Smith, employed by the Pritchard & Abbott Co., Fort Worth evaluation engineers, arrived this week to begin the job of placing equitable values on all real property within the town limits.

Employment of the evaluation engineers was not a move to raise more tax money from city property but to more equally evaluate such property for tax purposes, a representative of the court said. Evaluation of town property has long been a hit or miss proposition in Ozona, with arbitrary values set by owner or tax assessor without benefit of a common yardstick on which to reach equitable values on all property. A correction of this situation is sought by employment of the evaluation engineering firm. The Pritchard & Abbott firm has long been employed by Crockett county to evaluate oil properties for tax purposes in the county.

Mr. and Mrs. Smith are now preparing cards covering all real estate and buildings in the city and will soon begin the actual job of inspecting, measuring and placing a valuation for tax purposes on each residence, vacant lot or business building in the city. The work will require five or six months, Smith estimated.

Mr. Smith plans to make a house to house canvass of the entire town. Based on square feet of floor space, the engineer will arrive at a fair value on each piece of property by use of a common measure, based on type of construction, age, state of preservation, location and other factors. No personal property, furniture or fixtures will be included in the evaluation survey. Owners or occupants of property will be asked to cooperate in showing the property for a fair estimate of value. After a fair market value has been established, the property will be depreciated to compensate for its age and then the Commissioners Court will adopt a common margin of value for tax purposes.

## Ozona Range-Grass Judging Team Wins 2nd In District Contest

Ozona F. F. A. Chapter's range and grass judging team won second place, just two points under the first place winner, at the District judging contest held in Robert Lee last Saturday.

Ozona FFA team members are Jim Williams, Kenneth Deland, Muggins Good and Bob Cooke.

Eldorado FFA chapter won first place with a total score of 852 points, with Ozona a close second with 850 points, out of a possible total of 900. Robert Lee chapter won third, Sterling City fourth and Lakeview fifth.

Jerry Johnson of Eldorado won high individual honors with 292 points. Ferris Nixon of the same chapter was second with 285. Kenneth Deland and Jim Williams, both of the Ozona team, tied for third place with 284 points. Muggins Good was fifth with 282. Jacob Whitten of Eldorado was sixth with 275 points.

Ozona's Junior team placed fourth in the junior division of the judging contests.

#### DEFEAT PLAN FOR ANNUAL SESSIONS, UNLIMITED EXPENSES

An Editorial Houston Chronicle.

State Sen. Dorsey Hardeman of San Angelo, long a wheelhorse in the Senate for economy and sound principles in state government, may have surprised the public when he came out against the pay raise for himself and other legislators, and against annual sessions of the Legislature. But those who paid any attention to the reasons he gave for his stand must realize that the logic of his position is unassailable.

Texans will vote on Nov. 4 on a proposed constitutional amendment which would have the Legislature meet every year instead of every odd-numbered year as it now does, and would give the 150 representatives and 31 senators a salary of \$75000 a year plus an unlimited expense account.

The Chronicle long has endorsed increased compensation for members of the Legislature — they now make \$25 a day during the 120-day regular session and during called sessions — but it agrees with Sen. Hardeman that the present proposal is entirely unreasonable.

The Chronicle, like Sen. Hardeman, has two principal objections

to the proposed constitutional amendment.

1. It incorporates the provision for annual sessions, which are not needed and would greatly increase the cost of state government.

2. It places no limit on the amount of expenses legislators may vote for themselves. The pay raise provision reads: "Members of the Legislature shall receive from the public treasury a salary of seven thousand, five hundred dollars (\$7500) per annum and expenses of office in amount and manner as determined by law."

The "amount and manner as determined by law" is the stinger. It means the legislators can vote expenses not only as high as they wish, but also for whatever purpose they wish.

The pay and expenses of the legislators now are pegged by the state Constitution. In addition to getting \$25 a day when the Legislature is in a regular or called session, the legislators are allowed \$2.50 for each 25 miles they travel in the most direct route going to and from a session.

It is true that some good candidates are discouraged from running for the Legislature because of the inadequate pay. They simply can't afford to serve in the Legislature. But it is the legislators' own fault that they have submitted to the public a proposition that is extremely unpalatable, in order to try to get a pay raise.

It is unfair to ask the public to open a Pandora's box of state troubles, just to give legislators a raise. When the legislators offer the public a reasonable proposition, voters probably will approve it.

Annual sessions are highly undesirable. The state is getting along all right now under biennial sessions. The governor can call a special session any time there is a need for the Legislature to be in session. Annual sessions would encourage, and surely result in, unnecessary spending and higher taxation. The cost of the extra session would add several million dollars to state expenses.

The proposed amendment should be defeated.

#### THESE ARE THE FATEFUL DAYS

No one who is genuinely interested in the welfare of rank-and-file union members, of workers who are not union members, of the general public or in the soundness of the national economy has yet shed a tear for the demise of the Kennedy-Ives ("Sweetheart") labor bill. It is gone, but it will not and should not be forgotten.

It will not be forgotten by the labor leaders who wanted this fraudulent "reform" bill, and whose use of union funds for political purposes remains unrestrained. They have marked for destruction the 198 representatives whose votes put the Kennedy-Ives measure out of its misery — as well as the nine (nine out of ninety-six!) senators who stood fast on every vote to curb the labor bosses. The well-heeled "political educationists" of Big Labor may be relied upon to do everything in the book — their own book on electioneering which is called "How to Win" — to elect a subservient 86th Congress.

Nor should this year's failure in labor legislation — decreed by President Eisenhower in a special statement on the shortcomings of the Kennedy-Ives bill — be forgotten by those who desire continuance of representative government and our traditional freedoms.

To retain these free institutions, we must restrain the Becks and the Hoffas — which the Kennedy-Ives measure would not have done.

We must have laws that will:

Protect business and the public against the secondary boycott — which would be a criminal activity if conducted under other than union auspices — and which Kennedy-Ives ignored.

Prevent blackmail picketing — by penalties appropriate to blackmail in other forms — and which Kennedy-Ives overlooked.

Curb the monopoly power of labor — a threat co-equal with the long out-lawed monopoly of goods in the market place — and also neglected by Kennedy-Ives.

These are but the most outrageous of the abuses that threaten not only the public welfare and the

economy, but the institution of organized labor as well. Let them be remembered now, while the shocking revelations of the McClellan Committee are fresh in mind, and while the aspirants to

the next Congress are abroad in the land seeking support of their fellow citizens. And let the voter mark well which candidate is a stooge and which is a free man — free to vote his conscience and his

convictions. The Congress of January could be of the nation. Adding machinery

### Idle Week-End Gives Ozona Lions Chance To Lick Battle Wounds And Prep For Remaining Games on District Schedule, Menard & Junction

By Ernie Boyd

The Ozona Lions reached an open date in their schedule this week and with the rain falling most of the week the Lions have used the time to lick their wounds and catch up on some odds and ends in indoor sessions.

The Lions will go back into district competition with the Junction Eagles in Ozona on November 7. Junction has already dropped two games and is out of the championship running but usually give the Lions one of their stiffest tests in their late season meetings.

Two of the Lions' main offensive cogs were out of action this week with wrenched knees. Jerry Jacobs has already been out of action for two weeks and it is hoped that two weeks of rest will do much to bring him back into condition. David Sikes was injured in the Beg Lake game and is expected to be out at least three weeks.

One of the chief topics of conversation following the Big Lake massacre was the fine showing of Tony Parker. While Parker's showing did not come as a surprise to the coaching staff it did call more clearly to their attention the need of taking advantage of some of Parker's running skill.

Parker has spent the season running behind Bobby Sutton or sharing time with Jim Freeman, another highly capable Lion. However, under the present Lion setup the right half back has a very limited selection of plays on which he can carry the ball.

It might be pointed out that this is the first time since Coach Hickman has been in Ozona that he has ever been in any way concerned with the problem of how to use his backs, since he has most often found himself trying to borrow one of Coach Cleere's linemen in order to round out his backfield.

The facts are that such was the case early this year when Coach Hickman shifted Billy Bob Holden to fullback from his guard position.

Mr. and Mrs. Clarence Key and son, Wesley, are moving to Ozona this week-end to make their home. Mr. Key will be in charge of the watch and jewelry repair department at Caruthers Jewelry. Mr. Key was head of the Crane chapter of the National Foundation for Infantile Paralysis for ten years and is a deacon in the Baptist church.

Fat cows cleared at \$18.50 to \$20, odd head higher and canners and cutters sold from \$13 to \$18.50. Bulls brought \$18 to \$23. Good and choice slaughter calves sold from \$24 to \$26.50, with plain and medium butcher sorts from \$18 to \$23.50, and culls around \$16 to \$18.

Medium and good stocker steer calves sold from \$27 to \$31.50 and medium to good heifer calves sold from \$24 to \$28. Medium to good stocker yearlings drew \$24 to \$27.

### Reuther and Reutherism Real Issue In Campaign Says Connecticut Demo

The Republican high command has been told by a Democrat that the strategy decided upon at its White House summit conference on Republican apathy is "woefully inadequate" because "it obscures the principal issue confronting American voters next month — Reuther and Reutherism."

In identical letters to President Eisenhower, Vice President Nixon and Republican Chairman Alcorn, Joseph P. Kamp, of Westport, Conn., author of "Meet The Man Who Plans To Rule America", said "there is clear evidence that Walter Reuther is campaigning vigorously to become America's first dictator."

Mr. Kamp pointed out that "Reuther and his labor-boss political machine is backing hundreds of candidates and supplying both militant leadership and millions in money and manpower for the openly stated purpose of controlling the next Congress."

He added that if Reuther succeeds "in capturing the next Congress, it would be most difficult, if not impossible to prevent him from capturing the Presidency by proxy in 1960, which would insure the destruction of our Constitutional Republic and mark the beginning of a Reuther-dominated Socialist Labor Government."

The Republican leadership was challenged "to be honest with the American people, to tell them frankly about Reuther's plans and purposes, to let them know that Reuther is a Marxist and that his philosophy of Reutherism is akin to Communism."

Mr. Kamp declared in his letter that he has been "a life-long Democrat, but as a good citizen my first loyalty has always been to my country. I am not interested in the political fortunes of the Republican party or of any candidate, as such, but I sincerely believe that the future of our country is at stake in the coming election. Therefore, I urge you to be realistic and to fight crucial battle not against an indefinite 'Socialism' and against unnamed 'politico labor bosses,' but by emphasizing the principal issue — the real danger — Reuther and Reutherism."

### G. A. Groups Receive Forward Steps Awards

Both Junior Girls Auxiliary groups of the first Baptist Church met Monday afternoon for a Forward Steps and Presentation party. Some mothers of G. A.'s and W. M. S. leaders were visitors. Mrs. George Glynn, G. A. director, was in charge of the program. Mrs. George Loudamy brought the devotional on stewardship. Presentation of awards was made by W. M. U. President Mrs. Roy Thompson.

Receiving awards for having passed the maiden steps were Cheryl Lyles, Gloria Loudamy, and Cecilia Houston. Passing the lady-in-waiting steps were Delores Allen and Patricia Allen. Prayer of dedication was given by Mrs. Elmo Wallace.

Games were enjoyed and cup cakes and hot chocolate were served to Lana Alford, Mary Frances Goolsby, Mary Ann Pitts, Lucille Childress, Cecelia Houston, Gloria Loudamy, Linda Goolsby, Nancy Deland, Patricia Allen, Delores Allen, Sharon German, Annie Wallace, Joleen Butterfield, Cheryl Lyles, Fannie Beth Everett, Mrs.

Sikes has done a great job as quarterback for the Lions. His loss from the game was a severe blow. The Lions replaced Sikes on the field well but the loss of his defense was a blow which will most likely prove to overcome.

The game, such as it was, was plunged over from the beginning. The Lions lost two more times in the first quarter and retired from the day's game, carrying the ball in the third quarter in order to conserve reserves from a deep

game. The Lions were in a hot game in the second quarter when the Lion's on-deep man on pass defense, three Big Lake passes, were for fifty yards and a fine block by Bill and setting up scores after two interceptions.

Man ripped off a 55 yard run and Parker had a Joe Friend went 45 yards in the period and Williams and Reeves all took one or two-point scores.

Half time the Ozona and bands put on a joint show which was well executed and received by the patrons. The quarter saw the Owls with a barrage of passes and the score not been so

Fort Worth — Slaughter classes of lambs were fully 50 cents to \$1 lower here Monday. Feeders, older sheep and goats ruled steady. Weakness developed in the slaughter trade early as one of the major packers, with large numbers of ciphers received over the weekend, was not a factor in the trade. Up until noon not a single sheep had been weighed to this national packer and its buyers were not making a serious effort to obtain any supplies even at the reduced levels on slaughter lambs.

Good to choice slaughter lambs sold from \$20 to \$21. Stocker and feeder lambs were reported from \$18 to \$21.50. Yearling wethers cashed at \$16 to \$19, and two-year-olds sold at \$15 down. Slaughter ewes sold from \$7.50 to \$8., and goats cashed at \$7 to \$8.

Slaughter Cattle Held Steady. Stockers Strong. In the cattle yards cows were slow and steady to weak at Fort Worth Monday. Other grade and classes of cattle and calves were generally steady, with some spots stronger on stocker classes.

Good to choice slaughter steers and yearlings drew \$24 to \$26.25 a load of 1,004 pound steers at \$26.25. Medium and lower grades cashed at \$17 to \$23.75, two loads of fed heifers at \$23.75.

## HERMAN FINDS THE COUNCIL

By Herman Squirmin

It seems that around these old halls, you often hear "The Council" spoken of. The big question is — who is the Council? Don't tell anybody, but the one good answer is that I don't know. This Council, though, is a handy thing. They'll all grow up to be sign painters. The past few days, I've been accompanying a fine fellow who must think he is a member. One good thing he does is talk to girls. Girls must be a fine thing. I wouldn't know. Looks like around Ozona, they're a luxury. Back to this feller — he must be in Mr. Harlan's Class because he knows how to give the evil eye. Speaking of Mr. Harlan, he is quite a hunter, isn't he? He surely does know how to slaughter owls. This ole "Council boy," is a wild one. You're bound to believe it because he plays football. Yep, Johnny Cooper claims to belong, but I think all they let him do is sweep the floor and empty waste paper baskets. I surely don't know much to say about these guys, so I guess I just won't say. Meanwhile, watch out for the evil eye.

### FRESHMAN NEWS

By Becky Cullins

This year as always the Freshmen have the "Country Store" as their project in the P. T. A. Carnival.

The Freshmen mothers met last Friday to discuss what should be used. They decided that anything from a bed-spread to a comic book was allright.

The money made from the booth is to be used to help give the Thanksgiving Dance.

### THOUGHT FOR THE WEEK

"My mind is made up. Do not confuse me with facts."

### A CAKE — A WALK

By Camille Adams

This year at the Halloween Carnival the cake walk will be run by the Junior Class. It is situated in the middle of the park around the flower bed.

Each class has a certain booth. Be sure and come and see all the sights and play all the games.

### "OZONA LIONS"

You are in luck! The student Council still has car decals. If you haven't bought one or want some more, contact any student Council member or Miss Powers.

## THE BAND SHOW AT BIG LAKE

By Jan Fridemore

The Ozona High School Band did a combined show with the Big Lake band Friday night. We left here right after school so that we could practice with them. It is difficult to get two bands together, but after some practice we did, and we enjoyed working with the Big Lake band very much.

After practice the Big Lake band mothers served us a delicious fried chicken supper.

The Big Lake band is directed by Mr. Jim Williams and the Ozona band by Mr. Corbett Smith.

The show concerned two great American and world-wide organizations, the Boy Scouts and the Girl Scouts. The bands saluted the Concho Valley, Council scouts in the two towns.

## HONOR ROLL

To make the honor roll this year you have to have an average of 90 or above, and have no C's on your report card. This means that some of us are going to have to get busy and study a lot if we want to make the honor roll.

The Seniors on the honor roll are: Pat Allen, Becky Davidson, Kenneth Deland, Jerry Jacobs, Diane Phillips, Tommye Spurgers, Mills Tandy, Janis Worden, Allean Young.

The Junior are: Camille Adams, June Bunger, Susie Chandler, Joe Friend, Johnny Jones, Roy Neil Killingsworth, Bob Meinecke, Pierce Miller, Margo Pogue, Jim Williams.

The Sophomores are: Barbara Barbee, Anne Davidson, Roberta Johnigan, Art Kyle, Tony Parker and Sandra Whitaker.

The Freshmen are: Don Nell Carnes, Vicki Carroll, Johnny Childress, Peggy Harvick, Bill Jacoby, Charlotte Johnigan, Beverly Knox, Janet North, Carolyn Pitts and Jan Fridemore.

## WHO'S THAT KNOCKING?

By Linda Millsbaugh

This week we would like to formally introduce to you some new members of O. H. S.

Jo Ann Wood moved to Ozona from Iran. She is a freshman. Kathy, Glenda, and Wayne Scriver lived in Midland. Kathy is a freshman; Glenda, a sophomore; and Wayne a junior.

Jerri Coupe is proud to be a freshman. She states, "I like Ozona a lot, and I think the kids here are a lot nicer and friendlier than in Sonora!"

Nina Faye attended Edison Junior High in San Angelo before coming to Ozona High School. She is fourteen and a freshman.

One of our newer Senior boys, Duff Mills, moved here from Harlingen, Texas. Duff says, "I found Ozona to be the cleanest place I've ever been, and the people are all very friendly."

Mrs. Janis Worden has lived in Eldorado for the past eleven years. Her husband is a geologist, and they both like Ozona very much. William Ray Maxley also spent

a few years in Eldorado.

He is a junior this year and has contributed much of his time to the class.

We are glad to have each of you and sincerely hope you enjoy your stay. The doors of Ozona High School are always open with friendship and knowledge for everyone.

## LATEST FASHIONS IN HATS

By Sally Baggett

The P. T. A. Carnival is Friday the 31st and everyone is getting their stands ready for the big night!

There will be stands of every-kind. The cake walk, country store, side show, concession stand, gun stand, and the hat stand. In most of the other stands you'll find the same ole things but in the hat stand, I assure you, you'll not find the same thing twice! In the hat stand, hats with big names are sold such as: Powers' Will-Power Hats, Sutton's Creations, Sike's Second Glance Hats! For the best in Millinery come to the Student Council Hat Shop!

## HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford  
Texas Press Association

Austin, Texas — As Texas "Battle of the Budget" roars on toward its 1959 climax, almost every week brings a new statement on the probable size of the state deficit. Usually worse than the last one.

State Comptroller Robert S. Calvert and Legislative Budget Director Vernon A. McGee combined to present a frankly pessimistic picture for the Texas Research League meeting in Austin.

McGee said the general revenue fund will need \$279,000,000 during the next two years to keep things going as they are. Calvert estimated that the present tax structure would put \$125,000,000 into general revenue during this period.

This leaves a gap of \$154,000,000 between estimated income and outgo. In addition, Calvert estimated the general revenue fund will be \$55,600,000 in arrears by the end of the present fiscal year in August 1959.

Research League is composed of several hundred leaders in Texas business and professions whose private contributions support research in the interest of governmental efficiency. Much of the League staff's time during the past year has been devoted to assisting the State Tax Study Commission in a mammoth survey of Texas' revenue and tax problems.

**CAN DO** — Gov Price Daniel took a "we can lick this thing" attitude in a press conference on taxes.

Daniel said he felt the deficit could be erased and new revenue needs met without a general sales tax or income tax. Taxes we have presently could be raised to the maximum level used in other states, said the governor. And other taxes — not sales or income — could be added.

Daniel also indicated that he was not fully convinced that the gap between income and needs would be as large as the \$154,000,000 mentioned by the comptroller.

He would not definitely say now, said the governor, that he would or would not veto sales or income tax bills if passed by the Legislature. But he made it clear that he did not favor them, and that he thought there were better possibilities.

Daniel praised state agencies who reduced their budget requests a total of \$1,490,631. Overall, the budget requests had run \$272,000,000 higher than for the present biennium.

**Hospital Spending Axed** — Possibility of more drastic cutting loomed when the Legislative Budget Board voted to reject some of the appropriations being sought by the State Hospital System.

It voted to lop \$8,000,000 off the system's requested operating fund

and disapprove spending \$5,500,000 for a new mental hospital in the Gulf Coast area.

Budget Board recommended a slight increase in money for the Texas Youth Council. But it voiced a "thumbs down" attitude toward setting up a state-supported paid parole system for juvenile delinquents.

Legislative Budget Board is made up of 5 members from the House and 5 from the Senate who, with staff assistance, screen appropriation requests in advance and make recommendations to the Legislature.

**Salary Formula** — Budget Board also is giving attention to drawing up a bill setting up a salary schedule for state employees.

Its purpose would be to guarantee "like pay for like work" throughout state departments. It would be based on a job classification study recently made by the Texas Employment Commission.

Public school and college teachers and persons in executive positions would not be included.

Budget Board members commented that in some departments a person doing stenographic work may be called an "administrative assistant" and get much more money than a person doing stenographic work in another department.

**Anti-Crime Laws** — New laws and institutions to deal more forcefully with Texas' soaring crime rate may be a major topic for the next Legislature.

County and district attorneys meeting in Austin were asked by Governor Daniel to help in the job of strengthening and plugging the loopholes in Texas' law enforcement structure. Daniel said that at the present rate Texas will have a 28 per cent increase in crime in three years.

Too often, said the governor, criminals escape punishment through hairline technicalities in the laws. He also urged (1) state-paid parole supervisors for juveniles, (2) a second boys training school to separate serious offenders from those for whom there is more hope, and (3) stricter narcotics laws.

### CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 9.754 miles of Grading, Structures, Base & Surf, from RM 33, 20.0 Mi. S. of Big Lake to 9.754 Mi. W. on Highway No. FM 1980, covered by R2279-2-1, in Crockett County, will be received at the Highway Department, Austin, until 9:00 A. M., November 12, 1958, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein

are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

#### What is the Episcopal Church?

The Episcopal Church is a member of the Anglican Communion which are all the churches descended from the English Church and that are still in communion with it. There are other churches like our own — in Canada, Ceylon, India, Australia, New Zealand, South Africa, Japan, China, and elsewhere, all springing from the Mother Church of England, and all of us together are known as the Anglican Communion. The members are known as "Anglicans" because of our common origin and common heritage. And we all go back through the Church of England to the Catholic Church of earliest times.

Each Church of the Anglican Communion has its own Prayer Book in the language of the people. The Liturgy or form of worship is generally similar but is adapted to the particular culture of each national Church.

### Barnhart Officer With 101st Airborne Division In Kentucky Maneuvers

FORT CAMPBELL, Ky. — Army  
1st Lt. Sam E. Jeffers, Jr., 29,  
whose parents live in Barnhart,  
Tex., is scheduled to participate  
with the 101st Airborne Division's  
501st Infantry in a parachute as-  
sault on Fort Campbell, Ky., as  
part of "Exercise White Cloud."

The exercise, beginning at Fort  
Campbell Oct. 23 and concluding  
at Fort Bragg, N. C., Nov. 6, is  
designed to test the effectiveness  
of Strategic Army Corps (STRAG)  
troops in making swift and de-  
cisive assault movements.

Lieutenant Jeffers, commander  
of the infantry's Company B at  
Fort Campbell, entered the Army  
in September, 1953.

The lieutenant is a 1947 graduate  
of Barnhart High School and a  
1953 graduate of A&M College of  
Texas. His wife, Betty, is with him  
at Fort Campbell.

takes an active part in school and church affairs and assists with the training of younger members.

Reynolds Lee is the son of Mr. and Mrs. R. W. Foster and is completing his fourth year of 4-H club work. He is an outstanding lamb feeder and like Bill has enjoyed much success as a grass and range judge. In 1957 he was high individual in the district junior grass judging contest and was second in the county livestock judging contest. The county range team in 1958 was second in the district and seventh in the state. Reynolds was the fourth ranking individual in the North Concho SCD range plot classification contest in 1958.

He has exhibited fat lambs at Odessa, Abilene, San Angelo, San Antonio and in the local show. He holds county awards in meat animal production, soil and water conservation and achievement and is the 1958 Gold Star boy for the county.

Reynolds says, "I feel that I am steadily learning more about my sheep and hope to continue to improve my record. Too, I have learned a great deal about grasses and range management. My entire family has enjoyed going with me to collect range plants. I hope that some day that I can put my knowledge to use on my own ranch." A collection of 35 range plants, mostly grasses, along with important information on each is a part of his record book.

Young Foster's 4-H program is being supervised by Arthur Barle-mann, Jr., Sterling county agent. His local adult leaders are his father and Leslie Payne.
