Junior High Cubs Come From Behind To Defeat Del Rio Kittens 12-8

By Roy Killingsworth

Well, they did it again last week in Del Rio. For the fifth time in three years the Cubs came from behind to win a close thriller from the Del Rio Kittens. The final score was close with the Cubs winning 12 to 8 — but not easy.

The game started out with Del Rio receiving and making two first downs only to fumble as they reached midfield. Here the Cubs took over and after one first down on a Carnes pass to Danley, the Cubs scored on a 35 yard run around right end by this same Floyd Danley. The extra point try was unsuccessful. The Cubs thought they had it made as a result of the easy score and played accordingly.

The remaining part of the first half was played in the midfield territory by both teams until midway of the second quarter when the Cubs started a drive that carried to the Del Rio 10 only to run out of steam.

Ozona received to open the second half and on the first play saw a pass intercepted by Del Rio on the Ozona 49 yard line. On the first play from scrimmage the Del Rio fullback broke over left tackle and raced 49 yards for a touch-down. Each boy on the Ozona team had an opportunity to try his hand at stopping the speedy back as he weaved his way goalward. The extra point try was good and the Kittens of Del Rio were ahead 8 to 6.

As in past games between these two teams the Cubs came to life when they found themselves behind in the score. Taking the kick-off on their own 50 the Cubs made three consecutive first downs climaxed by a beautiful run by Carl Montgomery from 10 yards out to score and bring the score to 12 for Ozona and 8 for Del Rio. It did not matter that the extra point try was not good as the Cubs outfought the boys from Del Rio the remaining part of the game.

Again in the fourth quarter the Cubs recovered a fumble by the Kittens to start a drive that reached the 16 yard line of Del Rio only to lose the ball on downs as the Cubs missed a first down by inches.

In the closing minutes of the game Del Rio started on the Ozona 28 yard line only to have the ball go over to Ozona at midfield as the game ended losing 22 yards on the final series of plays.

It was a good game played by a group of boys who enjoyed the contact. You should be looking forward to the game with Del Rio to be played here the night of Oct. 30th. The night before our High School off date. Should be a natural.

The outstanding player on defense was Bill Semmler, followed closely by Carnes, Bob Herrera, Floyd Danley, L. D. Long and Gary Lee Stewart.

Cubs travel to junction this Thursday for their last out of town game this year.

Mr. and Mrs. Massie West were in Dallas and Fort Worth this week to visit their sons, Bob and David.

### HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford

Texas Press Association

AUSTIN, Texas — Into and out of the State Supreme Court flow many of the most controversial issues of the day. Public officials, large corporations and important persons often are involved in the cases, and the lives of many less-celebrated persons frequently are affected by the decisions.

After a two-months summer recess the high court reconvened this month and waded into a stack of disputes. Among interesting cases either decided or due to be decided are these:

**Water Rights** are involved in a case filed by Southern Canal Co. of Houston against the State Water Board. Southern Canal wanted a permit to take 280,110 acre feet of water per year from the Trinity River for industrial use in the Houston area. Water Board refused the request, and the company appealed to the courts.

Upstream cities such as Dallas and Fort Worth had opposed the Houston company's request when it was before the Board. Oral arguments were centered on whether the courts have the right to review Water Board decisions. Supreme Court's ruling will have implications for every person interested in the course of Texas' water development.

**Keeping Roomers** and setting up a church in a residential area were the cause of contention in two cases from Houston. In both cases certain property owners in university neighborhoods argued that other property owners were violating deed restrictions.

Lower courts ruled in favor of the room renters and church builders. Supreme Court agreed to review the roomers' case and denied a motion to force the lower court judge to move the student religious center.

**Office-Seekers** had their inning in the usual contests arising out of the year's elections. George Parr, a familiar figure in the courts, won the right to a new trial in his effort to be certified winner in a 1956 election for Duval County

sheriff.

Laredo Attorney William Wright lost out in an attempt to force Sec'y of State Zollie Steakley to place his name on the general election ballot as a Constitution Party candidate for district judge. Steakley had refused on grounds Wright voted in the Democratic primary.

Myron Love, choice of Houston liberals, won out in a dispute over the legality of his selection as Democratic nominee for district judge. Harris County Executive Committee had ruled that no candidate field in time for this office, and Love was nominated by the one-man District Executive Committee. Conservative forces had contested this method.

**Damage Suits**, labor-management controversy also commanded judicial attention. A gas explosion in the basement of Dallas' Baker Hotel, back in 1946, is the basis for one suit in which 83 petitioners ask some \$1,000,000 for deaths and injuries. High court sent it back to district court for new trial.

In Houston 311 workers of the AFL-CIO Office Employees Union picketed a construction project to protest the firing of one man. A lower court granted an injunction against the picketers, and the Supreme Court refused to interfere.

**Better Traveling Days Ahead** —

Holding promise of better traveling days ahead is the 1961-62 interstate advance planning program announced by the State Highway Commission.

Commission authorized the preliminary engineering studies for 285 miles of new interstate highways, consisting of 45 projects in 22 counties. Included in the advance planning will be completion of the gaps in the interstate highways between Dallas and Houston, Dallas and Texarkana and from Denton to Fort Worth to Hillsboro.

Cost of the program is forecast as \$38,500,000 for land purchases and \$168,500,000 for construction.

**Water Safety Law Due** — Some 280,000 Texas boat owners will have to obtain licenses for their craft if a proposed Uniform Water Safety Act is enacted by the 1959 Legislature.

Representatives of sportsmen's organizations, trade associations and safety groups drafted the measure. It is to be introduced by Rep. Ben Atwell of Dallas.

State Highway Department

would have responsibility for registering boats. Improvement of safety regulations would be the job of the state's various peace officers and game wardens.

**Smoking** — the restriction of smoking, eating, drinking etc., to various areas — was omitted from the bill.

**Supreme Court Justice for Position** — Texas Republicans got no help from Secretary of State Steakley in their efforts to break into the first column in the general election

ballot. In the State's Office of certified with the first column. Steakley mandated a first column. His office this year, democrats were on the form.

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Oct. 10, 1929

Hundreds of friends from all over Texas followed the remains of Stephen Edmond Couch, 73, millionaire Crockett county ranchman and pioneer West Texas community builder, to its last resting place in Cedar Hill Cemetery. Mr. Couch was instantly killed last Friday at Marfa when he was struck by the whirling propeller of his airplane. Mr. Couch and his pilot, Lee Wilson, and Richard Flowers had just landed in Marfa where they went to the Highland Hereford show. Mr. Couch walked directly into the whirling propeller which struck his head, killing him instantly.

Epsilon Sigma Alpha sorority entertained last week with a get-acquainted party in the North Elementary auditorium. Hostesses for the evening were Mrs. James Scott, Mrs. Jerry Hayes, and Mrs. Dick Webster.

The program consisted of games under the direction of Mrs. J. A. Pelto. A hula hoop contest was won by Mrs. Fred Hickman several close runners-up.

Refreshments were served to the following members and guests attending: Jo Lou Chapman, Marjorie Coates, Bilie Jo Hayes, Betty Hickman, Marjo Pelto, Miki Rattliff, Mary Webster, Jane Womack, Coralie Meinecke, Piney Jones, Ginny Collins, Pat Hopkins, Betty Scott, Effie Dobbs, Georgia Harlan, Maridel Dudley, Mary Hufstetter, Shirley Kirby, Joyce Manes, Mary Smith, Faye Black, Ann Dingus, Ann Simon, Mildred Webb, Martha Henderson, Betty Hoover, Pat Kane, Betty Anette, and Betty Conaway.

#### BAPTIST W. M. S.

The Woman's Missionary Society of the First Baptist Church met in the fellowship hall of the church Wednesday morning. Mrs. Huey Ingram led an interesting program on "Baptist Work in the Philippines." Palm trees and other large leafed plants made a fitting setting. A short business session was presided over by Mrs. Roy Thompson, president. Twenty members and visitors were present.

### Rocksprings Outscores Ozona 7th Grade Cubs With Two-Man Offense

By Roy Killingsworth

The midget size edition of the Cubs fell before the end runs of the boys from Rocksprings Tuesday afternoon in a game played in Ozona. The final score found Rocksprings out front 20 to 6.

The difference in the two clubs was the experience of the boys from Rocksprings and the lack of experience of the Cubs. The difference really was the Rocksprings fullback and quarterback who looked like giants on the field with the other smaller players. They gained all the yardage and made all the points for the visiting team and made 75 per cent of the tackles.

Rocksprings received to open the game and scored the first touchdown on the fifth play of the game for all the scoring in the first quarter. The visitors again scored on the second play of the second quarter to up their lead to 14 to 0. This play was good for 55 yards around end.

The second half was a little better played on the part of the Cubs. They moved a few boys and stopped the end runs so the boys from Rocksprings took to the air to score in the fourth quarter on a pass good for 65 yards.

The one offensive move of the Cubs was following the touchdown when Christobal Martinez returned the kickoff 70 yards for the only Ozona score.

The defeat can be attributed to the ineffective blocking of the Cubs on offense and the lack of tackling on defense. As this is being written the coaches inform me that "there are gonna be some changes made," both in defensive and offensive patterns.

All in all, the coaches were pretty well pleased, with the realization that "we learned a lot" in the game and will be better prepared in the future.

Next Tuesday afternoon the same team goes to Eldorado for a game. In this game Eldorado will field a team composed mostly of eighth graders, while we again will depend upon seventh graders as a whole. We have only four eighth graders out for football.

has it's problems. Every once in a while I manage to work myself into one of Sir Tex Harlan's English IV classes. This nearly always proves to be a big mistake. (especially since I usually use Molly Sue as transportation). This "saucer" guy that we wrestled with for a while nearly got me down. Last week I finally had to give up and stop going — they quit speaking English on me!

This man — the one who smokes those cigars and sits down in the office with his feet propped up on the desk — well, once he had a purty jacket that he lost and you know, I found it. You'd never guess where, though. Some awful ole' Junior made off with it. He has me to thank for returning it! (with a sweet little note in the box).

We sure have a bunch of curve conscious twirlers. They run around hula-ing the hula hoops all the time. You think that's bad, though! They have some of those, uh, sticks you twirl and they (destructive creatures) set the ends of them on fire and then throw them around. Some people, these twirlers!

The bell is about to ring so I'd better mount Richardson again and lope off down the hall and bite some more chalk dust in somebody else's mind cluttering classroom.

### WHO'S NEW

By Priscilla Stewart

This week we had the privilege of talking with Mrs. Eddie Nations, one of our new faculty members in Ozona High School. Mrs. Nations has taken the teaching position as one of our General Science teachers, having substituted the past two years.

Mrs. Nations graduated from Sul Ross State College at Alpine in 1942, taking a B. A. degree in Chemistry. Mrs. Nation's home town happens to be Alpine.

A few years ago she resigned her teaching position in Wink for a job as a research chemist.

Mr. and Mrs. Nations and children, Bob and Michele, came to Ozona from Del Rio a few years ago. Mr. Nations is the manager for the C. G. Morrison variety store here in Ozona.

We give Mrs. Nations a big welcome to Ozona High School, and we hope she enjoys teaching here.

### "YAKITY - YAK"

After a "rousing" victory over Rankin Friday night, the town was really buzzing. Congratulations to the Lions!

Saturday night an informal party took place at the Sweet Shop. Seen at the "shop" were most of the usual couples plus some of the college kids. Everyone had a grand time! They even danced in the street and some of the boys helped Joe Toe fix a flat!

Who did Camille have a date with Saturday night — none other than an "Aggie". Jake Young was home and brought his room mate, Gary Bryson with him. Not bad looking, was he Camille?

Rod was home from S. A. C. and brought a girl with him. Her name was Carolyn Bonn and she is a Sophomore in College. Could this mean anything Rod?

Sandra, whose Senior ring is hanging around your neck? It couldn't be David's could it — congratulations to you both!

What are those girls running around in a pickup gathering boxes for? They are working on the Sonora bonfire, trying to win the prize. The Sophomore girls are really working hard — better watch out everyone, they are likely to win! Let's all get to work and make it the biggest bonfire yet!

Sunday night seen "doing the mess around" were Roy Neil and Susie, David and Sandra, Sally and Bob M., Alleane and Ronnie, Joe and Molly Sue, and Joe Toe and Frances. All seemed to be having a "good" time!

It seems Anne D. and Diane Phillips made a trip to Menard this week-end. Did you all have fun? From all we hear the had a "blast".

Duff Mills and Darla Williams seem to be making a fairly steady couple — what's up kids?

It seems two of the O. H. S. girls have taken up the art of dancing. Good luck girls — hope you

don't break a leg.

Everyone is happy once again. Six-weeks test are over and we are beginning the second six weeks. Let's all work hard and keep up the grades.

Helen Henderson seems to think "brackets," which are used in algebra, look like Bob Hope. Mr. Dozier said that the numbers looked like his nose and eyes. A very good imagination I would say!

The band is going to do the same show that they did in Rankin so guess our field will get "burned" this time. The cheerleaders are going to be "skilled" in twirling before the year is over!

Mr. Dozier knows what woodpecker is in Spanish although he doesn't take Spanish. One of his favorite students informed him of the name. Is that right Helen?

The Sweet Shop will be a meeting place for the kids on Saturday night from eight to twelve. It is loads of fun and our very special thanks to Mrs. Mayfield for letting us come.

By Roberta Johnson

On Monday and Thursday during activity period, our future scientists meet. Yes, I am talking about the Science Club.

Ronald Carnes was elected president of the club. Chris Hagestein will efficiently perform the duties of secretary-treasurer. Mr. Dobbs, our science teacher, is the organization's sponsor.

The club is primarily concerned with performing experiments, who knows? With a little luck they may hit upon some important discovery.

Devils found time fast and so took to the

air in an effort to get back into the contest but once again Jim Williams went high to haul down a pass and this time the Lions sewed up the contest.

Holden circled right end to the 16 and then Sutton exploded up the middle for 16 yards and the final score. This time Sutton faked the kick and pitched easily to Jacobs in the end zone for two points.

The Lions missed a score early in the third period when Sutton unreeled one of his best runs of the season only to see it called back on a holding penalty.

The Lions rolled up 303 yards rushing on 42 tries for the night in one of their best offensive shows of the season, seventeen more came from passing to make the total read 320 yards. The Lions amassed 14 first downs to the Red Devils 11 and intercepted two passes during the night's activities.

Rankin pounded the Ozona defenses for 167 yard running in 43 tries and added 28 more by passing to run up a total of 195 yards. The Rankin defense also hauled in two Lion aeri- als.

Billy Bob Holden was the Lions' leading rusher with 123 yards but the offense was well spread out with Sutton getting 86, Sikes 52, and Freeman 42 for the night's work.

The Lions quarterback David Sikes had his best night of the season as he faked and pitched with precision as well as adding some key runs to the Lion attack. Up front, Kenneth Deland, B. B. Ingham, Dizzy Reeves and Billy Bob Holden along with Butch Albers and Johnny Cooper were standouts in a game that found the Lions feeling that they had just beaten one of the best clubs they have played this season.

continues to be one of the high- lights of the season and the rapidly improving Tony Parker and Jim Doran are also seeing a lot of service on the young Lion defense platoon.

A number of other Lion reserves are looking better as the season rolls along giving strong hope for much improvement on the Lions squad as the season develops and also for next season.

Defensive starters Friday night are apt to be Jim Freeman and Butch Albers, at ends, Johnny Cooper and Dick Flannigan at tackles, Kenneth or Leslie Deland at middle guard with Dizzy Reeves, Billy Bob Holden and Johnny Jones backing the line and David Sikes, Jim Williams and Jerry Jacobs forming the deep trio.

On offense the Lions will have Jim Williams and Jerry Jacobs at ends, Johnny Cooper and Dick Flannigan at tackles, Kenneth Deland and Tommy Porter at guards, B. B. Ingham at center, with David Sikes at quarter, Jim Freeman and Bobby Sutton at halves and Billy Bob Holden at fullback.
