## City To Bid For of 2 Million Govt. Plant

### Conversion Plant to In Southwest

The invitation of Congressman Rutherford, County Judge Smith planned this week to complete an application form for a location in this county of a million dollar government plant.

The government is seeking site in Southwest for one of five or brackish water experimental conversion plants to be at a cost of approximately \$1 million dollars each. The availability of such water from deep wells as well as from the Pecos would fit this area for such experimental plant.

Congressman Rutherford's letter Judge Smith explaining the present plans for the plant conversion follows:

Judge Smith:

During the last session of Congress a bill was enacted to authorize construction of five saline or brackish water experimental conversion plants. The purpose of the plants will be the experiment of converting saline or brackish water to fresh, useable water.

You will be interested in only the plants, as the legislation directed the general location of the plants and assigned to the Southwest Area of the United States. The legislation originated in the House Interior and Public Affairs Committee, of which I am a member, and provides such plants shall cost \$2 million each.

I secured to me that your city might like to submit an application to the proper Government department to be considered possible site for the plant to be constructed in the Southwest.

I therefore enclosing a form from the Office of Saline Water that describes the comprehensive information needed from applicants. If you care to submit an application, all information requested in the enclosed form should be sent to: Director, Office of Saline Water, Department of Interior, Washington 25, D. C.

The selection of the sites are made within the next few weeks, and money is to be appropriated probably in the first session of the 86th Congress which begins in January.

I hope you will find this information useful, and, with best wishes, I am

Sincerely,  
J. T. Rutherford

## Langdon Thanks Reporters For Aid In Securing Appointment

Jim C. Langdon of Mesquite, judge of the 113th district court and recently appointed by Governor Price Daniel as chief justice of the Eighth Court of Civil Appeals at Austin, was visiting here this week. Judge Langdon will assume his new duties January 1.

Langdon expressed his appreciation to all his Ozona friends who assisted in any way in securing him the appointment to the vacant position by Judge Robert Johnson, who was elected to the Supreme Court.

Langdon thoroughly enjoyed serving as district judge and I appreciate the many courtesies shown to him by the people of Crockett county," Judge Langdon said. "I shall regret leaving Ozona and shall miss the contacts with friends here. We are not actually leaving Ozona but take every opportunity to return for a visit."

Langdon is a member of the Ozona district attorney's office and has been appointed to the 113th district court.

Langdon was born in Mesquite, Texas, and attended school in Mesquite and Ozona. He was a member of the Ozona High School and the Ozona Normal School.

## Rotary Club Player Awards For 1958 Go To Sutton And Reeves

### Halfback Bobby Sutton and linebacker Erwin Reeves were announced as winners of the 1958 Rotary Club player award by Ozona Rotary President Byron Cleere following the club's regular meeting last Tuesday.

Sutton, a four-year letterman, will be a strong candidate for class A all-state honors this year and was one of the state's leading scorers as well as an all-around performer for the Lions this past season.

Sutton, in addition to his football activities, is president of the High School student body and has taken a very active part in student council activities. A four-year transcript of grades reveals that Bobby has been from a B to A student all through his scholastic tenure in high school despite his other varied activities.

Erwin Reeves came to Ozona from Monahan as a freshman and has taken an active part in both football and basketball while in Ozona high school. Reeves at his position as linebacker bolstered the Lion defense all season long with his rocking tackles that became a trademark of his play.

Reeves was known best by his coaches as a player who gave all he had whenever he had the chance to play and for the same reason he played most of the time.

Reeves, like Sutton, is a senior and has a good scholastic record over his four years in high school. The 1958 awards are the second given by the Rotary Club which installed the award last year.

## H. C. Reese Assigned As Maintenance Man For Telephone Co. Here

H. C. (Smoky) Keese has been assigned by the General Telephone Co. as combination maintenance man in Ozona, succeeding Dick Webster, resigned. Mr. Keese and Sherman M. Chappell, who has been in charge of maintenance work here since conversion to the dial system, will do plant and outside system maintenance work on the local exchange.

Mr. Keese spent several months in Ozona as construction superintendent during the time the local system was being reworked in preparation for going to the dial system. His wife and children will join him here as soon as they can find suitable living quarters.

Wherever Rotary clubs are located, President Cleere asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of Ozona because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, 350 new Rotary clubs were organized in 51 countries and geographical regions, bringing the total number of Rotary clubs to an all-time high of nearly 10,000 and eight countries were added to Rotary's roster — British Honduras, Eritrea, French Guiana, Laos, Martineque, Papua, Virgin Islands and the West Indies Federation.

## Mrs. Westerman Wins Award For 4-H Work

San Angelo, Texas — Mrs. Allean Westerman, home economics instructor at San Angelo College, has been awarded the Friend of 4-H Club award, according to Mrs. Virginia Casey, agent for District 7.

The silver star pin was presented to Mrs. Westerman at a banquet of the group. The award is presented to individuals who have demonstrated time and effort in their 4-H work.

Mrs. Westerman formerly taught home economics in Ozona High School.

RELAXED! — After four years of fighting the battles of the sheep and goat producers, two years as vice president and two years as president of the Texas Sheep and Goat Raisers Assn., T. A. Kincaid, Jr., of Ozona, above, and Mrs. Kincaid are relaxing at their ranch south of Ozona after he passed the gavel to Lance Sears of Sterling City, new president of the TS&GRA, at the annual convention of the body in Dallas last week. During his term as president, Kincaid traveled many thousands of miles in the interest of the Association membership, met with Bureau heads, Senators, Congressmen and even with the President of the United States, along with heads of other agricultural organizations, plugging for legislation or rulings favorable to agricultural operations.

"It was a great experience," Kincaid said, "but I am glad to turn the responsibility over to others."

## Lion Cagers To Meet McCamey On Home Court Fri.

The Ozona Lions will be seeking to extend their winning streak to three games and at the same time open their home season right Friday night as they entertain the McCamey Badgers in two games at Davidson gym Friday night with the first game scheduled for 6:30 and the A contest at 8 p. m.

The game Friday will mark the Lions only pre-Christmas appearance at home and will close out play until after the holidays.

Tuesday night the Lions got a measure of revenge over the Badgers in McCamey by downing their tormentors of recent years by a 38 to 35 count.

The Lions, riding the shooting of David Sikes, Bobby Sutton and Johnny Cooper, jumped into a commanding lead in the third quarter after holding a slight margin at the half but the Badgers stormed back in the final period to make a contest out of it even though they were unable to overhaul the Lions.

David Sikes and Bobby Sutton each counted 11 points and Johnny Cooper added 8 more. Johnny Jones was sidelined for the contest with a sore neck and watched the game with Jerry Jacobs from the sidelines.

Over the weekend the Lions opened their season play in the eight-team Rankin tourney by capturing third place in the meet.

The Lions, with only four days of practice and with Jerry Jacobs on the sidelines, opened tourney play Friday afternoon with a solid win over the Grand Falls Cowboys.

The Lions, as expected, got off to a slow start but with Bobby Sutton leading the way expanded their lead steadily after the first quarter and won going away 48 to 30.

Sutton found the range for 22 points and was followed by David Sikes and Johnny Jones with 8 points each.

The Lions moved into the second round of play Saturday as they met the McCamey Badgers and this time, just as last year, dropped a heart-breaker to the McCamey team 36 to 43.

The Lions matched the Badgers in field goal production but lost the free throw match by three (Continued on Last Page)

## One Long Blast Of Fire Siren To Signal Report Of Grass Fire

In order that both members of the department and potential volunteer helpers may know when a grass fire breaks out in the county, the Ozona Volunteer Fire Department has adopted one long continuing blast of the fire siren as the signal for a grass fire.

Area ranchmen maintain sprayer equipment for possible use in helping to fight grass fires and with the new signal system persons with such equipment may be alerted in case of need, Fire Chief Joe Tom Davidson said.

With the ranchlands again grazed over, danger of grass fires is greater this winter than in several years, the chief said. Persons reporting grass fires in the county are asked to give details to guide the fire trucks to the fire, or better still arrange to meet the trucks at the nearest road and guide them to the blaze, Davidson suggested.

## Three Directors Of Water Board To Be Named By Votes Jan. 13

Three members of the present board of directors of the Crockett County Water Control and Improvement District will be up for re-election at the annual election to be held January 13.

The three members whose terms expire this year are Sherman Taylor, W. E. Friend, Jr., and Gene Williams. All three have indicated their willingness to serve another term if the voters choose them. Names of other candidates may be placed on the ballot by petition or personal application.

Other members of the board whose terms do not expire until next year are Lowell Littleton and James Baggett. Directors are elected for two-year terms, staggered so that two directors are elected one year and three the next.

## Prolific Gas Strike Recorded In Crockett Co. On Shannon Estate

Spero T. Constantine and Texas American Oil Corp., Midland, will request discovery allowable and new field designation for the No. 1 Shannon Estate, completed as a lower Queen sand gas discovery in the Noelke, Northeast (Queen) gas field of Crockett County, five miles southeast of Iran.

It was finalized natural for a calculated absolute open flow of 3,180,000 cubic feet of dry gas per day from open hole between 2,124-139 feet.

The project also logged shows of oil in the upper Queen between 2,080-090 feet.

Location has been corrected to 1,687.5 feet from the south and 590 feet from the east lines of 26-GG. Original application was filed by Spero T. Constantine as being 330 feet from the south and 990 feet from the east lines of the same section.

## B. B. Ingham, III Is Big Winner In 4-H Club Co. Show

Pierce Miller Tops In Breeding Sheep; Larry Williams Cattle

B. B. Ingham, III, was the big winner of the 12th Annual Crockett County 4-H Livestock Show last Saturday as he showed champion finewool lamb, champion pair of crossbred lambs, reserve champion pair of finewool lambs, grand champion pair of fat lambs, was the best gain award with 90 pounds of gain on two lambs, and received the coveted Ozona Boot & Saddlery Best Herdman Award, a trophy belt buckle, for the most outstanding job of feeding, grooming and showing of his livestock.

Pierce Miller took major honors in the registered Rambouillet Breeding Sheep Show, showing champion Rambouillet ram, champion and reserve champion Rambouillet ewe, and had champion group of three Rambouillet sheep.

Larry Williams won major honors in the cattle classes, showing champion and reserve champion steer, and champion registered Hereford heifer. Cathy Williams, Larry's little five-year-old sister, stole the cattle show when she showed her four-months-old registered Hereford heifer into reserve championship.

Joe Boy Chapman showed champion crossbred lamb, Penn Baggett had champion pair of finewool lambs, and Diana Couch showed reserve champion crossbred lamb and reserve champion pair of crossbred lambs. She also won reserve grandchampion pair of lambs of the show.

Bob Childress won the Edgar Glasscock Best Effort Award, a beautiful belt buckle, for putting forth the best effort with his feeding project and his interest and efforts with the 4-H club. Bob is 4-H club president.

Jay Miller showed reserve champion Rambouillet ram and won the High School showmanship award. Penn Baggett won the Junior High showmanship award, both Jay and Penn received silver spur tie-clasps, furnished by the Sonora Farm Loan Association. Larry Mills won the Elementary school showmanship award, a silver belt buckle furnished by Carl Conklin, outstanding ex-4-H club member and now a Junior at Texas A&M College.

The Ozona National Bank purchased both champion fat lambs at \$200.00 each at the auction sale of 25 fat lambs by 4-H members. The auction sale was cried by Mustard Williams with other buyers purchasing lambs at seventy-five cents a pound and up as follows: (Continued on Page Three)

## Ozona FFA Team Wins Top Honors In Plant Judging At Sanderson

A plant judging contest, held in conjunction with the ninth annual Sanderson Livestock Show, was won by the Ozona FFA. This contest, on December 13, was sponsored by the Rio Grande-Pecos River Soil Conservation District and was under the direction of L. S. Booker, Jr., work unit conservationist with the SCS at Sanderson.

Kenneth Deland was top judge of the contest, identifying all plants and marking each characteristic correctly, thus having a perfect paper. Leslie Deland and Herbie Noelke placed second and third respectively for other top honors. Charles Bingham was the fourth member of the team.

Irsan FFA and Sanderson FFA were second and third respectively for the other team honors.

TIME-OUT FOR DISINFECTION

As the Jaunty Jimmy Hoffa announced a nation-wide campaign to augment his 1.6 million member Teamsters' Union by an estimated ten million policemen, firemen, transport workers and other city, county and state employees, Federal Judge F. Dickinson Letts lowered the boom in Washington.

Judge Letts admonished President Hoffa to give heed to the clean-up orders of the three-man board of monitors appointed by the court and to cancel the convention he had called for next March for the purpose of getting himself re-elected so he could divest himself of the irksome monitors.

Last January, in a compromise settlement of a suit brought by unhappy union members who charged the Hoffa election had been rigged, Judge Letts appointed the monitors and said Jimmy could be "provisional" president but must operate under their clean-up orders.

The subsequent complaint of the monitors that Jimmy wouldn't play was upheld by the Judge who pointed out that they "are empowered to exert every known method of achieving the basic purpose as set forth in the consent order, to wit, that a new convention would be free of corruption and in recognition of the rights of the membership."

Since there has been no clean-up, there will be no convention — until the monitors recommend it and Judge Letts approves it.

Nor is it likely there will be any immediate "concerted action" to drive in those ten million new public employe members.

Jimmy Hoffa has bragged that he has the money (some figure it will cost \$7 million), but those monitors again may not feel the "rights of the membership" have yet been adequately safeguarded. As Labor Secretary Mitchell has said, these prospective members "deserve a better fate."

More Americans Are Learning About Lamb Thru Council Program

Americans are learning more about lamb, thanks to a program of advertising and promotion which the sheepmen of the United States are sponsoring with their own funds.

Many of the misconceptions about lamb are being disproved as lamb producers seek to build up the market for their products through their own promotional organization, the American Sheep Producers Council.

G. N. Winder of Denver, Colorado, President of the Council, said much has been done to combat the false impressions many consumers have about lamb.

He cited the mistaken impression that many veterans received overseas. "What they were eating was not lamb as it is produced in this country, but some kind of meat prepared under the

Pioneer Seeks Permit To Buy Gas From Irion Co. Field Near Mertzon

An application for the approval of a contract covering the purchase of gas in the Mertzon area of Irion County has been filed with the Federal Power Commission by Pioneer Gathering System, Inc.

The announcement was made Friday by Burton P. Smith, President of the company.

The proposed contract with The Atlantic Refining Company will provide for the purchase of gas from wells which have been heretofore flared for lack of an available market.

To tie the wells to its system, Pioneer Gathering has made application to the FPC for approval to construct seven miles of three-inch high-pressure pipeline.

Pioneer Gathering System, Inc., a subsidiary of Pioneer Natural Gas Company, expects to begin construction of the line early next year.

TROOP 9 MEETS

Girl Scout troop 9 met Friday in regular meeting. Prayer was led by Vicki Good. After the business meeting, the girls went on the hill to cut cedar to complete their wreaths. They also decorated the Christmas tree for the Scout house. Refreshments were served by Dolores Allen to 11 members and three leaders present.

worst possible conditions," Winder declared.

Another condition which the Council is attempting to correct is that almost 70 percent of the lamb consumed in this country is eaten in the New England states, New York, and California.

"There are many areas of this country," Winder declared, "where lamb is not available." We hope to broaden the demand so that many of these short supply areas will begin to use lamb, thus giving the sheepman a broader outlet for lamb.

"This, in turn," Winder said, "should improve returns to sheep growers and stabilize prices, which is a goal of the sheepman's self-help program."

The Council also is encouraging retailers and consumers to use all the cuts of lamb, not just the legs and chops. "There are more than 26 cuts of lamb that can provide a tasty and nutritious meal," Winder stated, "and, as persons begin to use these cuts, it will ease the burden of profit from the legs and chops."

J. B. Miller To Head Ozona Campaign For ACC Building Fund

Abilene, Texas — J. B. Miller, ex-student of Abilene Christian College and rancher, has been named chairman of the Ozona campaign among friends of ACC as part of a widespread drive to raise \$500,000 for the construction of a new classroom building.

The proposed building will serve 727 students at one time and will contain about 20 classrooms, 48 faculty offices, and a closed-circuit TV system to be used in coordinating work of the Education Department. College officials say the building is a vital need in the face of record enrollments the past five years. Current enrollment is 2456.

B Team Trims McCamey 69 to 28; Return Match Slated Here Fri. Night

By Ernie Boyd

The Ozona B team shelled McCamey 69 to 28 in McCamey last Tuesday night as the Cubs evened their season mark at two won and two lost.

Wayne Spearman led the Cubs with a 16 point effort and was followed by Bill Meinecke with 13 and Carl Montgomery with 11.

The Cubs, without benefit of any full court practice, went to Rockspring last Friday to enter the Rockspring tourney, drawing Nueces Canyon in the first round. The Nueces first string crew handed the Cubs a 63 to 28 setback and sent them into the consolation bracket.

Carl Montgomery had 12 points

In the losing effort but Carl Hickman felt that his team well against the strong A team, particularly in the little practice his opponent Saturday and Sunday.

The Cubs met their first opponent Saturday and Sunday. Uvalde B team 32 to 28 contest. Bill Meinecke has points to lead the Lions.

In their third contest the B string once again won an A team and this time a real close game 33 to 30. Meinecke once again led the Lions as Wayne Spearman and Carl Montgomery played well for the Cubs.

The Cubs hope to extend number of wins Friday night as they meet the Mustang Badgers B team at 8:30 in the son Gym.

Adventures in ADVERTISING THE FANTASTIC STORY of MUSA-SHIYA THE SHIRTMAKER (Also Sometimes Drygoods Selling) Two column by five inch ads then started appearing regularly in the Saturday Honolulu Star-Bulletin. The ads were written just the way Musa-shiya talked—in colorful pidgen English which is used throughout the Orient. Here is an example of one of Musa-shiya's ads: "Well here come storek again—but Musa-shiya, the shirtmaker, is able prepare. Wonderful accumulation of baby things in dry goods selling corner of Muse shop. Everything for the baby—especially diaper. Exclusive of storek, which find most easily, many persons not finding little shop of Musa-shiya the shirtmaker in King Street, Makai side, between fish market and river." Tourists started sending copies of Musa-shiya's ads to their friends in many countries. Soon Musa-shiya was receiving orders from all over the world as well as doing a thriving business in Hawaii. And that is the story of how a well planned, small advertising campaign made an unknown Japanese shirtmaker not only wealthy but world famous. Your local newspaper doesn't promise to duplicate this story for its advertisers, but it does take your sales message into the homes of your customers where full and careful consideration is given your suggestions. Who knows, perhaps you too can be a Musa-shiya. Press Association 1716 SAN ANTONIO ST. AUSTIN, TEXAS

Austin, Texas — Atty. Gen. Will Wilson's drive against overcharging of small borrowers is reaching the "massive resistance" levels.

Goal is to eliminate from Texas a sort of modern-day "debtors prison." Wilson described the "tragedy" in which low-income people borrow a little, then pay back, pay back and pay back, often several times what they borrowed. Yet they remain in debt, unable to get ahead of the mounting charges.

In one day Wilson's office filed 217 injunction suits against small loan companies over the state. This is in addition to 46 other suits filed in recent months.

Involved in the 217 suits, said Wilson, are some \$10,000,000 in loans to about 200,000 borrowers. Interest charges range from 100 to 300 per cent annually. (State constitutional maximum is 10 per cent).

It's the largest drive of this sort ever conducted in Texas, says Wilson, and the only one in recent history in the nation.

But apparently there's room for it to get even bigger. "We suspect 1,000 companies," said the attorney general.

Texas anti-Shylock operation got under way when the Board of Insurance slashed credit insurance rates in half. Before that, said Wilson, the loan companies could make extra profits legally by requiring borrowers to buy high-cost credit insurance.

After this, said Wilson, the loan companies switched to "brokerage plans" which reportedly resulted in the 100 to 300 per cent annual interest. Wilson and his assistants will try to prove in court that these operations are illegal.

If the over-all campaign is successful, said Wilson, by the end of 1959 the only loan companies operating will be using the "certificate plan," which results in interest of about 20 per cent. Wilson regards the "certificate plan" as unconstitutional but says it might be an acceptable interim arrangement until the Legislature overhauls the small loan laws.

**Medical Care Urged** — State Committee on Aging recommends a law that would allow people on the state welfare rolls to receive up to \$6 a month medical aid.

Passage of Constitutional Amendment 8 last month authorized making such payments for the aged, blind, dependent children and totally and permanently disabled.

Committee on Aging estimates this minimum \$6-a-month program would cost up to \$9,000,000 a year. It labeled "prohibitive" the probable cost of paying all medical costs for all persons on welfare.

Sen. Crawford Martin of Hillsboro is chairman of the committee. **Cities, Employees Square Off** — Renamed and reorganized, the Texas Municipal League is mounting a campaign for laws to ease the cities' growing pains.

Chiefly, say the cities, they need more money to finance the spiraling costs of city services. League-proposed laws would close the loopholes by which many escape the local property tax on autos and give cities permission to levy other broad-based taxes, such as sales or income.

Another League hope: to return control of wages and hours of city employees to the cities. This is one that is already stirring up some and. State firemen's and policemen's associations, traditionally more potent forces in the Legislature than city officials, have been successful in getting wage and hour laws for city employees set by state laws.

Firemen have been busy circulating petitions, declaring the League plan "would set police and fire departments back 50 years."

League has been busy too. It held 16 regional meetings in December, electing officers and discussing aims.

**John's Bartolozzi's Earnings** — A quarter of a century of legalized liquor has brought in more than a third of a billion dollars in state tax revenue.

Cole Stevenson Jr. of the liquor Control Board said that since the repeal of national prohibition in 1933 Texas has collected \$300,100,000 in alcoholic taxes and license fees. This, despite the fact that, otherwise, the vast majority of Texas is dry. But population is concentrated in the wet areas.

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Dec. 19, 1929

An unofficial poll of the membership of the Ozona Woman's Club taken Wednesday by Mrs. Lee Childress, president, shows that more than 20 of the 24 members of the club are heartily in favor of the road bond issue to be voted on in Crockett county next Saturday and are willing to lend their individual effort and the influence of the club toward piling up a majority in favor of the issue.

—news reel—  
"Having received the best proposition from the state and federal government ever offered any county, I do not see how Crockett county can afford to turn down this bond issue." N. W. Graham declared in a talk to the Ozona Liens Club Monday.

—news reel—  
Every child in Ozona is urged to be present in the city park Christmas eve night to greet Santa Claus,

who is making another special trip to Ozona to distribute present to all the children from the Lions Club community Christmas tree.

—news reel—  
Mr. and Mrs. Ashby McMullan of San Angelo were here for a visit with friends and relatives. Mrs. McMullan is the former Miss Alice Henderson, daughter of Mr. and Mrs. Lee Henderson. They were recently married in San Angelo.

—news reel—  
Dr. W. A. Grandy, formerly of Ozona, now living in Kingman, Ariz., visited friends here recently. Dr. Grandy practiced chiropractics here for several years.

### SANTA'S TROUBLE

It was dark, the ground  
white.  
The clatter of hoofs was heard  
in the night;  
The lamp on the roof, my heart  
fluttered;  
I saw it was Santa but no word  
uttered.  
I was bringing me things I  
could use;  
I had only one worry, had he  
noticed?  
I was out of the night there  
such a noise  
I would surely have fright-  
ened most girls and boys;  
Words and words and such  
in terms  
As I flew to the living room  
I was confirmed.  
I was there in the chimney, poor  
I sat stuck faster than glue  
I was of fat!  
I was finally got out he was  
in a hurry  
I was my presents were thrown  
in a terrible flurry.  
I was stomped through the house  
I was me no more  
I was with a withering look as he  
went through the door.  
I was then through the silence I  
heard Santa call  
I was that cheerful voice he reserves  
I was  
I was be back, never fear;

### IMPORTANT ANNOUNCEMENT!

If someone comes up to you and asks if you would please buy a ticket to the basketball game, don't hesitate — buy some at once! It's just the poor little ole' sophomores slaving and working so they can make some money to give one grand dance. The game is Friday, December 19th. The Lions play the McCamey Badgers here, and it should really be a thriller. The dance is the annual Ozona High School Christmas Dance given by the Sophomores.

Please back the Sophomores and buy a ticket to a good basketball game. They really do need the money and will appreciate your support very much Thank you!

## YAKITY-YAK

The Christmas Holidays are nearly here, and everyone is running around getting dates to banquets and dances and other Christmas parties. But, the main topic is "I would just love for Jimmy to give me such-and-so!"

Some of the kids were out Friday night. Some of these were: Tony-Joanne, Sandra- Dave, Jim D.-Anne, Tommy P.-June.

It seems that Sandra and David are always having trouble on their dates. They got in their car and rode around for a long time before discovering they had a passenger in the back seat. How about it, Dave?

Darla has had a very shining face this last week. If you ask her what it is, she says "Roy Glen is home!" We are very happy, Darla. And Roy Glen, welcome home!

Both the boys and girls went to tournaments this weekend. We were very proud of our basketball players.

We have a new couple in O. H. S. Seen around the halls and other places are Tony Parker and Joanne Wood. They make a very cute couple, and we hope to see them together for a long time.

The Sophomores are running from door to door trying to sell basketball tickets for Friday night. If you don't have a ticket, find a sophomore.

## CHRISTMAS AT GRANDMA'S

By Jan Fridemore

Some folks have their tree on Christmas Eve but at Grandmother's house it's Christmas morning. It's always a race to be the first one up. You'll slip into see what gifts are for you and find most of the family already there. You'll find Santa has indeed been there for the gifts are piled high around the tree.

After all the family has gathered, the Christmas story is read by Grandmother. Then some carols are sung.

The gifts are passed out and you hear someone say "Oh goody! Look what I got!"

After breakfast the rest of the morning is spent in cooking dinner. The kids play with their new toys and run in every five minutes

asking when dinner will be ready. Corsages arrive for all the ladies. It's an old tradition that is kept every year by one of the uncles. When dinner is served you can be sure no one will be out playing with his new toys or trying out his new gun. The huge table is loaded with turkey and all the trimmings. When dessert is served you hear "I just can't eat anything else!" But by three o'clock you find the coffee pot on and cake and pie being passed around.

During the evening friends drop in to visit. It's a wonderful day being with all the family again. You go home tired but are looking forward to Christmas next year at Grandmother's house.

## ADDITION TO HONOR ROLL

We would like to correct a mistake concerning the Honor Roll published in an earlier edition of the Lions Roar.

In addition to those mentioned week-before-last, I would like to add Bama Burton and Bob Meinecke.

We are sorry that these names were omitted.

## LETTERS TO SANTA

Dear Santa Claus,  
Every year I write you a letter. So far, you've been real nice. This year I want three months vacation starting just as soon as you can arrange it. Feel free to leave me anything you have left over.  
Juan Jones

Dear Santa,  
My name is Buddy Ingham. I sure would like to have a tricycle. I've decided that it's too dangerous and expensive to drive cars. (trykes don't turn over easy, either)  
Thanks, Buddy

Dear Mr. Santa Claus,  
I am a student of OHS. Everybody calls me Becky. The thing I want most for Christmas is a red and white hula hoop. I would also like a pair of black boots and a black hat — but, what I really don't need is a boyfriend. I have one.  
Longingly, Becky Davidson

Dear Santa Claus,  
We would like to have a new football. There aren't any more

games until next September, but we have spring training. Our old one is kinda worn out and somebody wrote names all over it to give to the football sweetheart.  
The Ozona Lions

Dear Santa,  
I sure have been good for the last few years and I want you to do a favor for me. Bring me a Cadillac. A white one will do — just as long as it's brand new. Send it out early so I can have it Saturday night. That sure would help me have a wild time at the dance.  
Your Buddy,  
Jerry Jacobs

Dear Santa Claus,  
Everybody calls me "Pancho". I sure would like to have a new girlfriend. Please don't tell my friend Jay Miller what I want for Christmas. He will laugh at me.  
A friend,  
Frank Childress

Dear Santa Claus,  
I am a Freshman. I write you every year. This year I want a pair of guns that swivel in the holster.

## BANQUET AND DANCE NEWS

It looks as though there will be double excitement for the High School students Saturday night.

First on the schedule will be the football banquet, an annual affair given by the football mothers. The banquet will begin at 7:30 and will be held in the High School Cafeteria.

Following the banquet will be the Christmas dance. This is a gala affair sponsored by the Sophomores. This event will begin at 8:30 at the North Elementary auditorium. There will be good music, and everyone should have a gay time.

## CHRISTMAS HOLIDAYS

By Vicki Carroll

We will get out for the Christmas holidays on Tuesday, December 23, about 2:30 p. m. After twelve days of fun, rest, travel, or whatever we may choose to do, we will return on January 5, 1959. See you next year!

## BEAUTIFUL AND HANDSOME ELECTIONS

This year for a change five girls and five boys were elected to have their pictures sent to North Texas. These were voted to be judged for most beautiful and most handsome.

We have had five elections and finally got five of each.

In the first vote, Francis Childress and Camille Adams were elected. Bobby Sutton was also elected in this run-off. The next run-off was between the next ten candidates. Sally Baggett, Billy Bob Holden, and Johnny Jones came out on top.

The next run-off was the last for the boys. Diz Reeves and Tony Parker were the winners. There was one more run-off for the girls. Sandra Whitaker and Darla Williams were the two girls in this one. Darla Williams was the winner.

The pictures will be sent off as soon as possible. So the results can come in!

## CHRISTMAS

God gave us hills,  
White hills in the moonlight;  
And lacy gray shadows,  
That quiver and run;  
And light, fluffy snowflakes  
That sift in the dusklight,  
To a world veiled in stillness  
As night is begun.

God gave us water,  
Ice bound and frozen;  
God gave us little white  
Tracks in the snow;  
And little, fat sparrows  
That sleep in the church-tops;  
And bells that peal out  
To the stillness below.

God gave us Christmas  
And bright wreaths of holly;  
Taught us, like Jesus,  
To bless and forgive;  
Filled all our hearts  
With that peace universal.  
And God gave us love  
And the spirit to give.

## Cattle Demand Continues Extremely High in Texas

Fort Worth, Dec. 8 — Offerings of cattle around the nation's major livestock markets Monday was about ten percent higher than a week ago and at Fort Worth, the increase was nearer thirty percent. Both slaughter interests and the buyers of stockers and feeders moved in early and cleaned up the supplies at Fort Worth before the noon hour.

Veterans in the trade still find reason to wonder at the continued demand for stocker and feeder cattle this late in the season. The an-

swer, of course lies in the abundant food supplies both in the pastures and in the barns.

Cattle and calf prices Monday reflected the strength of the market as fed steers and yearlings of the good or choice variety sold from \$15 to \$26.50. Commercially fattened cattle reached \$27 to \$29 without difficulty, and heavy-weight baby beef calves again soared to \$30.

Some weeks ago in the column we reported the trade here speculating on the probability of \$30 fat calves this winter. The \$29 and better level was reached at least a month prior to these "educated guesses" of last month.

Good and choice stocker steer calves cashed at \$20 to \$24 and some bull calves reached \$22.50. Stocker heifer calves ranged from \$23 downward. Stocker steer yearlings ranged from \$24 to \$31, some \$73-pound yearlings at \$31, and some feeder yearlings scaling 600 pounds cashed at \$22.75. A few stocker cows drew \$18 to \$21.

Good and choice steers sold from \$25 to \$30. The baby beef type, including medium slaughter calves, sold \$21 to \$24.50 and heavy killers ranged from \$17 to \$20. Heavy Lambs included

Slaughter classes of steers and lambs were very strong. Much of the offering consisted of Good and choice slaughter calves cashed at \$20 to \$21, the figure for 94-pound lambs, mostly No. 1 pelts, but a few of No. 2 skins were included. Woolled lambs sold at \$18, ranging some around 120-pound lambs, and some 110-pound lambs scored \$20. A few very heavy, over 150-pound lambs cashed at \$17. Feeders sold at \$18 to \$19, some including tails, etc., down to \$15 to \$16. A few slaughter ewes sold for \$8.50. Slaughter aged lambs from \$7 to \$7.50.

### Woman's Forum Hears The Christmas Story

Mrs. Charlie Black was featured on the Ozona Woman's Forum program Tuesday when she gave a reading of Dorothy Canfield Fisher's Christmas story, "As Ye Sow." The club met in the home of Mrs. Brock Jones, with Mrs. Tommy Harvick assisting hostess.

Mrs. Marshall Montgomery reported that a record player and several records had been purchased for a Christmas gift to the West Texas Boys Ranch. Roll call was answered by each member naming a Christmas tradition kept by her own family. Mrs. W. T. Stokes led in singing Christmas carols.

Climaxing the afternoon's entertainment was an exchange of gifts from under an old fashioned Christmas tree. Other members present were Mrs. Bud Cox, Mrs. Joe S. Pierce, III, Mrs. Joe Clayton, Mrs. Dempster Jones, Mrs. Ralph Jones, Mrs. Charles Williams, Jr., Mrs. Jack Williams, Mrs. Boyd Baker, Mrs. Carl Appel, Mrs. Jess Marley, Mrs. Nip Blackstone, Mrs. Ele Hagelstein, Mrs. Hugh Childress, Jr., Mrs. John Coates, Mrs. James Childress, Mrs. Beecher Montgomery, Mrs. Fred Hagelstein and Mrs. C. ### Melissa Harvick Wins First Prize In Angelo News Coloring Contest

Melissa Harvick, 10-year-old daughter of Mr. and Mrs. Martin Harvick, won first place and a cash prize of \$25 in the Little People's Coloring Contest, sponsored by the San Angelo Standard-Times.

Judging of entries was completed Saturday and three cash prize winners were named and 48 other West Texas youngsters were cited for honorable mention. Second place went to a 9-year-old Big Lake boy and third place to a 10-year-old San Angelo boy.

The first and second place winners have an excellent opportunity to win additional prizes, according to the contest judges. Their entries will be sent to Cleveland, Ohio, for entry in the national Little People's Coloring Contest sponsored by NEA. Prizes in the national contest include \$100 savings bonds, complete sets of the Encyclopedia Britannica Jr, table radios, record players, electric trains, flash camera sets, walking dolls, etc.

Judges noted an excellent standard of artistic ability in the contest this year, the third year this contest has been sponsored by The Standard-Times. Too, the total number of entries surpassed that of previous years. Some 2,780 colored drawings were judged in the contest. Contestants used everything from colored pencils to crayons, watercolors to oil paints.

points even though both teams had an equal number of shots.

The Lions led throughout the first half but ran into a five minute scoring drought in the third quarter that spelled defeat.

David Sikes pumped in 23 points to lead the Lions and the game's scorers, even though Nelson Huffmann had 18 for McCamey.

The Lions captured third place in the tourney and placed two men on the all-tourney team Saturday night as they whipped Iraan 38 to 36.

The game really was not much contest in the early stages as the Lions jumped into a big lead but the Braves finished strong and at one time had the score tied before Diz Reeves popped in 3 points and Johnny Jones 2 to ice the game away despite an Iraan 3 point production just before the buzzer.

David Sikes once again led the point makers with 12 but was closely followed by McDaniels of Iraan with 11.

Bobby Sutton and David Sikes of the Lions were chosen on the all-tourney team and received individual awards.

Fort Stockton defeated McCamey in the finals and Rankin downed Crane for Consolation honors.

#### TAX-MAN SAM SEZ:

The new card Form 1040A is a mighty tempting way to file an easy tax return for folks with less than \$10,000 gross income. A lot of taxpayers do not like to read tax instructions. However, reading the tax information booklet you get in the mail just after Santa Claus has visited you can prove mighty, mighty profitable. It will probably pay you to read the tax instruction booklet carefully before you decide on whether to file a simple Form 1040-A, if you are eligible, or to use a regular Form 1040 and take the deductions that are allowed on the Form 1040 that cannot be taken on the Form 1040A.

### Girl Cagers Gain New Experience In Tourney And Matched Games

By Ernie Boyd

The Ozona High School girls basketball team continued to find the road pretty rough their first year over the weekend but did manage to win their second game and show continued improvement on the season's play.

Tuesday night, playing before a home crowd, the girls took a terrific lacing from Barnhart 82 to 27 but in running up the score the Ozona team did face the top team the opponents had all the way.

Even though the score was slightly higher than was the case in the first meeting, this time Barnhart did not touse its guards as forwards in an effort to hold the score down. Ozona's 27 points doubled the Ozona production from the last game.

Sue Griffin, a big girl with a good eye for the basket, poured in 38 points to more than match the Ozona game production. Beverly Alford and Diane Phillips each contributed 9 points to Ozona's production while Jennie Lara had 7.

Over the weekend the Ozona team went to Rock Spring where they were downed 42 to 16 by tourney champion and host Rock Spring in the first round. Diane Phillips had 14 of the Ozona team's 16 points.

Rockspring went on and defeated Lakeview for the tourney title making the Ozona showing look a little better.

The girls, after dropping their first game, met Comstock in the second round and won their second game of the season 35 to 20.

Beverly Alford had 19 points and Diane Phillips had 15 to pace the Ozona team to the win. Terry King counted 13 for the Comstock team.

In the last game for Ozona, Nueces Canyon handed Ozona a 56 to 24 loss. The Ozona team was greatly hampered when both Glenda Friend and Don Nell Carnes had to leave the game due to personal fouls in the first period.

Beverly Alford had 13 points and Diane Phillips 6 to lead the Ozona attack.

Kelley Walker, son of Mrs. E. D. Kincaid, of Ozona, was named to the dean's scholastic honor roll for the third grade month of the first semester at Kemper Military

School, Bonaville, Mo., according to an announcement from the office of Col. F. J. Marston, dean.
