Historical Society To Meet Monday Night In New Museum Quarters In Courthouse Annex

Crockett County Historical Society will meet next Monday night, Jan. 26, at 7:30 p. m. in the newly arranged Crockett County Museum in the bottom floor of the courthouse annex building.

R. L. Flowers, president, urged all members of the Society and anybody interested in its work to attend the meeting. Election of officers for the coming year will be among the matters to be disposed of at the meeting.

Persons who attend the meeting will have an opportunity to be among the first to see the work accomplished by a committee headed by Mr. and Mrs. R. A. Harrell, Mrs. Early Chandler and Mrs. Jake Miller in moving the museum collection from its former inaccessible location in the high school building to the new quarters and in arranging and displaying much of the collection.

The museum workers, who have been assisted by a number of other persons in the monumental task, including Mrs. Stephen Per-

ner, Mrs. L. B. Cox, Jr., and Mrs. and Mrs. Joe Pierce, IV, have made a fine start in grouping the interesting collection of early day relics, Indian artifacts, and other historical materials which have accumulated over the years. Many of the identification cards which were originally with the donated materials for the museum had been lost or misplaced and members of the Historical Society are looking forward to having the museum open to the public at stated times in the near future when these identifications can again be made by the original owners and properly labeled.

Many valuable pieces are in the museum collection and it is the plan of the Society to keep the rooms locked at all times except when an attendant is present and the rooms opened to the public. It is the hope of the group that more materials may be added, by loan or gift, now that facilities are available to properly guard and care for them in the new museum.

PTA To Present Life Membership To Local Person At Dist. Meet

The cost of such life memberships, \$25, will be channeled by the state organization into the districts and thus into the local units to finance activities of the organization, such as distribution of literature, workshops, etc.

The High School band, under the direction of Corbett Smith, furnished the entertainment program. At the conclusion of the program, refreshments were served to members and guests by Mr. and Mrs. L. B. T. Sikes and Mr. and Mrs. Frank T. Jones.

Freshman Cagers Top Crane And Big Lake To Capture Tourney

By Ernie Boyd

Coach Fred Hickman's Ozona High School freshmen basketball team clouted Big Lake 38 to 30 in the finals of a four team tourney in Big Lake Saturday to capture first place in the one-day event.

The Cubs started the day with a tight 32 to 30 conquest of the Crane team with Carl Montgomery leading the attack with 13 points and at the same time sweeping the backboards. Phillip Carnes contributed 10 points and did a fine job on defense in the tightly played contest.

In the final event Van Miller sparked the Cubs with 15 points followed by Carnes with 13 and Montgomery with 7. The Cubs jumped into an 8 to 2 lead on the shooting of Miller but the little Owls pulled into a tie in the second quarter before a shot by Miller sent the Cubs to the halftime rest with a two point edge.

Big Lake dropped five points behind in the third period but then stormed back to tie the score twice before Carnes and Montgomery found the range and sent the Lion fledglings 11 points ahead in the fourth and final period. Big Lake cut the lead to 6 points with a minute to go but that was all as Ozona hit the next goal to wind up with an eight point margin.

In the other games played Big Lake stopped Rankin in the first round 37 to 29 and Crane won 31 to 29 over Rankin in the consolation round.

Mrs. Sayles won second place in women's writing with a series on how Abilene hostesses entertain. The stories were published in the Reporter-News over a period of several weeks last year.

The Reporter-News won a total of four first places and two second places in the annual contests and in addition received six honorable mentions.

House Numbering Campaign Begun By Ozona Lions Club

Copy City Directory, And House Numbers Free To Residents

Numbering of residential houses in Ozona began this week.

At long last, Ozona residents will soon be able to tell a stranger where he lives or where a friend lives by street and number.

A project for many years of the Ozona Woman's Club and later adopted by the Ozona Lions Club the latter organization this week began to see the final steps in a long and arduous campaign to accomplish street naming and house numbering.

To accompany the new numbering system, a city directory has just been published through the efforts of the Lions Club and copies of this directory and the necessary metal numbers for residences are being given to residents compliments of the Lions Club.

Credit for the monumental task of compiling the city directory, with nearly 800 names and addresses, goes to a committee from the Lions Club headed by Charles Ratliff and Ray Collins. This pair and other helpers from the club spent many long hours poring over maps and listing the names and addresses alphabetically. Funds to finance publication of the directory 1200 copies, was provided by advertisements of Ozona business firms in the book.

Crews of Lions Club members took to the street in a house to house canvass early this week attaching numbers to houses and placing a directory to each household. All free of cost to residents.

14 Teams Square Off Today In 28th Cage Tournament

Defending Champ Ozona Opens Against Iraan Tonight

By Ernie Boyd

The twenty-eighth annual Ozona Invitational Basketball Tourney got under way at 12:30 p. m. this afternoon with a field of fourteen teams seeking the coveted first place award.

Favorites in the meet are Wall, ACCHS, Rocksprings and Mason with some crucial first round battles doing much to clear the air.

Host and defending champion Ozona will make its first appearance in the meet tonight when it engages Iraan in a first round struggle. The two teams met early in the season at Rankin with a late Iraan rally closing the Ozona winning margin to a scant two points so a good game is in prospect.

Other games on the Thursday night card are Big Lake and Merton in what should prove an interesting game, adnavorito a esting game, and favorite Wall against a highly rated Mason team.

The 1958 tourney will mark the first time Basketball Coach Brooks Dozier has assumed the role of tourney director and the current tourney promises to be one of well balanced teams offering tops in spectator appeal.

Last year's tourney saw two records fall with Big Lake having a hand in each new mark. The Owls topped Grandfalls 83 to 39 to set a new high for a team in one game and the Owls amassed 234 points to set a new team tourney total for the meet.

Wall, with a team of veterans from last year's State playoff squad, is a top-heavy favorite, having won the Big Lake tourney two weeks ago. The Big Green team has height, speed and shooting skill but will doubtless meet some stern tests from strong teams down the line.

The tournament, which usually has a 16 team field, was cut to 14 this year due to conflicts in scheduling among several entries. However, a number of teams have expressed a desire to get in next year and the 16 team field has not become difficult to attain.

In addition to Ozona the following teams have been entered, Iraan, Grandfalls, Sonora, Menard, Rankin, Rocksprings, ACCHS, Mason, Wall, Junction, Big Lake, Merton and Ozona B.

Lion Cagers Win One Lose One In District Conflict

Menard Conquered 55 To 51; Junction Is Winner Here

By Ernie Boyd

The Ozona Lions dropped a crucial 37 to 34 contest to the towering Junction Eagles in Ozona Tuesday night in a game that saw the Lions commit a season high of 21 errors.

The Lions came from behind a 4 to 0 deficit in the first quarter to lead at the end of the first period 10 to 8 and at one time commanded the game's widest margin between the two teams when they gained a 22 to 16 margin with a minute and nine seconds to go in the first half.

The Lions attempted to stall and get a last shot but lost the ball twice and Junction scored on both occasions to send the Lions to the half time rest with a 23 to 20 margin.

The old third quarter jinx really came back as play started again and the Lions managed to score only 2 points in the third period as Junction hit for seven and took a four point lead.

The Lions never could overcome the margin and after starting what looked like a promising late game rally the Lions killed it themselves. (Continued on Last Page)

SOVIET SPIDER DRAWS U. S. FLIES

It looks as if we might better have invited Khrushchev himself (the self-appointed grave-digger for the US) to visit us than to have permitted his first deputy, Anastas Mikoyan to land on our shores. As keen as he is cruel, as cunning and ruthless as he is disarming, this number of one benchmark is bad medicine for the US.

Except for minor annoyances created by Hungarians who resented his slaughter of their kinfolk in the double-cross of Budapest, this arch-enemy of the US was given the conquering hero treatment, wined and dined and fawned upon, from coast to coast, by an eager press of politicians and tycoons who should have known better. By the time he had returned to New York, where the Police Commissioner deemed it wise to detail 500 men to his protection, Mikoyan had spent most of his synthetic sweetness and was talking tough. Next on his agenda were Secretary of State Dulles and President Eisenhower. He indicated in advance that he would find (as Americans hadn't) what Mr. Dulles meant by his recent statement that there were other ways of unifying Germany than through elections, would be interested in an alternative — if Mr. Dulles had one — but considered the arrogant Red plan to swallow Berlin the best yet. The President, whose week-ends have generally been considered inviolate, was scheduled to stay in Washington and see Russia's star salesman on Saturday.

Mikoyan, we are reminded by Elizabeth Churchill Brown in the current issue of Human Events, was the wartime receiver of Lend Lease from America and Foreign Trade Commissar as well, jobs which equipped him admirably as "chief of Soviet espionage into our war industries." Testimony of such witnesses as defector Victor A. Kravchenko, Major George Racey Jordan, who was in charge of Lend-Lease air shipments to Russia from Great Falls, Mont., and Dr. Medford Evans, former AEC chief of training, paints a startling picture of the wholesale transfer of US military secrets — including atomic "blueprints" and the actual fissionable materials — and est-

40,000 Testaments Given By Ozona Couple To Southern Baptists

Mr. and Mrs. Arthur C. Hoover of Ozona, longtime Crockett County ranch couple, have made a gift to the Cliff Brannon Evangelistic Assn., Inc., of Longview to provide a "Soul Winner," New Testament for each pastor and leader of the Southern Baptist Convention, a total of 40,000.

Hoover, who has lived in Crockett County since 1890, said he had always wanted to win souls. He has taught in the First Baptist Church Sunday School in Ozona for many years, and like many others, has encountered numerous difficulties in "fishing for men."

He said at the Paisano Encampment in the Davis Mountains his heart and soul would be filled with evangelism, yet in the Sunday school classroom he didn't seem to be able to accomplish "the desire of my heart."

Hoover said the feeling that many Christians are in the same position led him and his wife to give the 40,000 New Testaments, which he believes will make it possible "for many to do their task for the Master."

The "Soul Winner" New Testament provides instruction for the individual seeking salvation on how to become a Christian. The gifts will be distributed by the Sunday School Board of the Southern Baptist Convention, Nashville, Tenn., using the convention's official list of pastors.

Mr. and Mrs. Hoover have made substantial gifts to Baylor University, Buckner Orphans Home, Paisano Encampment and other Baptist institutions.

Mr. Hoover was born in Llano and Mrs. Hoover in Comanche, both in 1873. They celebrated their 36th wedding anniversary last June 2. A former Crockett County Commissioner, Hoover described the office of Baptist deacon as "the most important office I have ever held."

OUR LADY OF PERPETUAL HELP CHURCH

During the Octave of the Epiphany, homes were blessed in honor of the Three Kings. Over each door in chalk, was marked the letters 19°C*M*B 59 signifying the numbers of the present year, and the initials of the three Wise Men.

Closing of Forty Hours Devotion
This Sunday evening at 7:00 p. m. will be the closing of Forty Hours Devotion. There will be a Solemn High Mass and Procession. Father Howard Meyers, O. F. M. of San Angelo, will preach the Sermon during the Mass. At 5:30 p. m. there will be a dinner served in the Padre's house for the visiting Padres. All are welcome at the 7:00 p. m. services at the church.

Official word has reached Ozona that O. L. Perpetual Help Church has been raised from the status of a Mission attached to Sonora, to that of being a Parish in its own right. Father Conall has been nominated and appointed to be the first Pastor. No date as yet has been set for the installation ceremonies.

Establishes Mikoyan as the master mind at the top.

All he wanted this time were two to three billion dollars in trade credits, concessions on German unification and a summit meeting.

Miss Vivian Baggett, daughter of Mr. and Mrs. E. B. Baggett, Jr., became the bride of Boyd Clayton Crockett and Pecos county rancher, in a pretty home wedding Monday afternoon in the home of Mr. and Mrs. Paul Ferner, uncle and aunt of the bride. Out of town guests included the groom's parents, Dr. and Mrs. A. W. Clayton, his sister, Mrs. John B. Hemphill, and Louis Hall, all of San Angelo.

A deal was completed Friday of last week whereby Raymond Bennett, former owner of the Ozona Barber Shop, became the sole owner of the Sanitary Barber Shop established about two years ago by A. J. Sorrells.

"Be An Optimist" is the title of a three-act comedy to be presented at the Ozona Theatre Feb. 11, under auspices of the Ozona Lions Club. The play is being directed by Mrs. A. W. Jones.

Cushing Gasoline & Oil Refining Co. No. 3 Powell indicated Friday a narrowing of the gap between the Powell pool in Crockett county and its two-mile southern extension made last summer by Dr. J. D. Young's No. 1 Shannon. Topping pay at 2,520 feet the well filled with 1200 feet of oil in 10 hours.

Mr. and Mrs. Welton Bunker and Mr. and Mrs. Joe North were visitors to San Antonio last week.

Definite steps toward formation of a central charity agency to handle all calls for assistance were taken this week by a committee from the Ozona Lions Club, headed by Rev. J. H. Meredith. It is estimated the year's needs will be \$300 to be asked by public subscription.

"Somebody is going to have to stand in line as long as from the court house to the postoffice if tax payments and automobile registrations don't pick up in the next few days, Tom Casbeer, deputy tax collector, said this week. Less than half the estimated 700 automobiles have been registered and poll tax and property tax payments were likewise lagging.

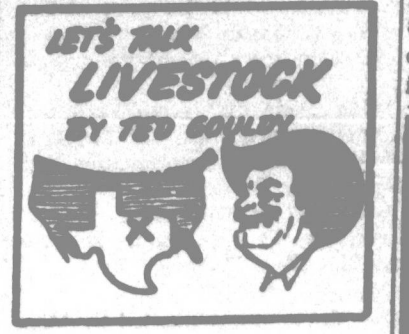

Victor Pierce of Ozona was named president and W. W. West of Ozona vice president at the annual meeting of stockholders of the Texas Wool & Mohair Co. of San Angelo last week. Early Baggett of Ozona is among the directors of the firm, which has a capital stock of \$100,000.

At Ft. Worth Monday, slaughter classes of sheep and lambs ruled steady to stronger, and stocker and feeder classes were unevenly steady to weak. Good and choice slaughter lambs sold mostly from \$16 to \$16.50, a few to \$17. Cull to medium lambs sold from \$13 to \$15 and some heavyweight lambs sold in the \$15 to \$16 range.

Slaughter yearlings and two-year-olds sold for \$14 and a few aged wethers sold at \$12. Slaughter ewes sold around \$8. Some breeding ewes ranged from \$10 to \$20

per head. A few slaughter goats sold at \$2.50. Medium and good feeder lambs cashed at \$16 to \$17.

Girl Scout Troop 9 met in regular weekly meeting Jan. 16. Scout president Janet McAllister presided over the business meeting and led prayer. For a project the troop made kittens out of wash cloths and bars of soap. The leader, Mrs. Womack, served refreshments to Dolores Allen, Jamie Gilliam, Janet McAllister, Vicki Good, Terry Newton, Pat Womack, Jeanne Hester, Alice McKee, Trudy Hammon, Diana Coates and Mrs. Tommy Newton.

Livestock Runs Lighter Monday at all Markets

FORT WORTH — Major markets across the nation started off with curtailed receipts this week. In a few spots winter storms curtailed movement, but the principal reason seemed to be farmer's resistance to the lower prices that followed last week's deluge of livestock.

At Fort Worth cattle and calves got off to a fully steady start in most cases, with the exception of fat cows and bulls, with the fat cows 50 cents to \$1 lower and bulls 25 to 50 cents off.

Calves were steady, fed steers and yearlings were stronger and stocker cattle and calves reflected unabated demand at strong prices.

Good and choice slaughter steers and yearlings cashed at \$25 to \$27, some around 1,000 pound steers at \$27 and a few light yearlings reaching \$28. Plain and medium butcher cattle sold from \$17 to \$25.

Fat cows cleared at \$18 to \$20, odd head to \$21 and canners and cutters drew \$12 to \$18.50. Bulls drew \$18 to \$23.50.

Good and choice slaughter calves sold from \$25 to \$29, and medium and plain butchers sold from \$22 to \$25, with cull and common sorts at \$16 to \$22.

Medium and good stocker steer calves cleared at \$26 to \$32.50, a few higher. Stocker steer yearlings

SEVEN-FOOTER. This new slant beats you when you try to get into other '59 cars. Do you back in? Crawl in? Fall in? It's hard to tell which. But Mercury has the right remedy: door openings are 6 inches wider. There's up to 2 inches more head clearance. You step in easily...without a twinge.

BACK-SEAT BOUNCE. The only cushioning many '59 cars could squeeze in over their high floor hump is in a layer of spring and a jute pad. But Mercury's lowered hump made space for full cushioning.

PROBLEMS YOU'LL HAVE TO LIVE WITH IN EVERY NEW CAR EXCEPT MERCURY

GLASS-TOGETHERNESS. Other '59 cars make friendships too close. But Mercury moved the dashboard forward 9" more knee room. There's more leg room, more elbow room... more tumble room all around.

BOOB-TIS OF THE KNEE. Other '59 cars have jutting windshield posts that threaten to do-cup your kneecap. But Mercury moved that windshield post forward 2 inches. It's easy to step in without hitting your knee.

STONEY-HEAVEN VISION. When in other cars, do not stare the center of the windshield, as you have to peek through 2 foot-shaped sections. But Mercury's vision has an overlapping pattern...clear a five-foot swath...including the center. You drive relaxed in all kinds of weather.

SHOULDER-TOO-CLOSE. That hump in the floor of other '59 cars is now longer than ever. It makes the man in the middle sit with his knees at his chin. But Mercury cut the hump in half! Now the middle seat has room to stretch out.

EDITORIAL

Some people are successful in life and many are completely unsuccessful. What does it mean to be successful? It means that you have done more than you planned with your one short life. It doesn't mean that you've got lots of money and have gained honors. If you've had a home life and you are as happy as any normal person — and you've earned an honest living — hard-worked for living, then likely, you are successful. People who are failures lack vision and vision. Possibly they've worked hard and then they are slipping somewhere. Success is bought by installment plan. Your first step is continuous throughout hard work. The second is to be in yourself as well as in the world. The third, or last could be vision, or timing; the ability to know when and how to present. All of this adds up to one formula — hard work, vision, and vision.

FRIDAY'S FASHION

and fashions is our topic today — but this is a rather old column on fashions. Our edition is made on an ordinary Friday in Ozona High. To be a well-dressed person you must have on blue-slippy or western shirt, boots, and a belt with a buckle that covers half of your chest. No, not girls' blue-jeans are the fad. During the murmurs are heard such as, "Friday would hurry up at here," and other such remarks. When the girl is asked why she wears blue-jeans, she replies, "So I can wear blue-jeans." I guess you wouldn't really like a fad but solid comfort. Four days of skirts, sweaters, and slippers that goes with them — blue-jeans are quite a relief to "us folk."

Blue-jeans are seen in all sizes, from the tight ones, loose ones, of course, a few large economies are seen around the halls. In instances it someone wears red suspenders, they are useful for holding up their blue-shirts. Shirts are classed as too long unless they hang down to the elbow and the shoulder seams come to the elbow. On rainy days, shoes are substituted for slippers or moccasins — the first get damp otherwise.

On this a typical Friday in Ozona, and any other time that the opportunity, this type of dress is worn. Only the smallest change is needed for the girls to be forth in such attire.

THE TOURNAMENT

By Janet North

The twenty-eighth Ozona Invitational Basketball Tournament will be held on January 22nd, 23rd, and 24th. There are fourteen teams entered in the tournament. They are Wall, A. C. H. S., Big Lake, Junction, Mason, Rocksprings, Sonora, Menard, Iraan, Rankin, Grandfalls, Merizon, Ozona and the Ozona "B" team.

The Student Council has made a sign to be put above the entrance to the gym. It welcomes everyone to come to the tournament. Let's show our guests the true Ozona hospitality, and make them feel welcome while they are here.

The Lions are expected to make a good showing at the tournament. Let's help them win the tournament again this year.

FOOTBALL JACKETS

The new football jackets finally came in. They are gray with gray leather sleeves. In fact, they are just like last year's except for a few changes. The letter is purple with white and gold around it.

Two of the boys have jackets that are different from all the rest — theirs have a star on them! Bobby and Johnny C. should feel pretty suave with those two jackets.

We really do think that they are goodlooking jackets. By the way, all the boys got a jacket.

There are quite a few girls that are going to get or have gotten a "hand me down" jacket.

All the girls want one, so football players had better watch out or there will be quite a few missing jackets.

MARKET

Why eat at home when you can eat with the Seniors? Yes, the Senior Class will again provide delicious foods for your convenience and enjoyment. Remember the Seniors during the tournament!

Thanks, mothers and friends, for preparing this food for us.

BAND CONCERT

Monday night the band gave a concert for P. T. A. They played eight songs, two of which they plan to play at Del Rio, February 14.

There were quiet a few people there and everyone agreed that it was a very good program.

Speaking of shows I supposed you know by now the price has been raised a nickle. I guess the latest juvenile delinquent and horror films have had a raise in cost.

Saturday morning Roy Niel K., Jerry J., Becky D., Darrell R., Molly Sue R., Sally B., Mr. and Mrs. Jacobs, and Brother Stratton went on an officers retreat to plan programs for M. Y. F. but from what I hear all they did was eat and play dominoes.

The band gave a concert for P. T. A. Monday night. It sounded good, Band!

The basketball boys played Menard Friday night in Menard. It was rather exciting with a three-minute overtime and all. Congratulations on a fine game boys!

The basketball tournament starts today and goes on until Saturday night when the finals will be played.

It seems that another of our well-liked Sophomores is moving. Alfin Blundell has moved to Oklahoma. We'll all miss him.

Guess that wraps it up for this week.

A ship banged into the stern of another vessel, but did no real harm. Then maneuvering away, it rammed the same ship again. Thinking that now he had done real damage to the other ship, the captain signaled: "Can you stay afloat?"

"Yes," flashed the other skipper. "Would you like to try again?"

Customer: "Have you a book, Man the Master of Women?"

Salesman: "Sorry, sir, the fiction department is on the other side of the store."

The actor's greatest desire was to see his name in lights. For years he struggled, but he finally made it. He changed his name to Exit.

A young man who had just received his degree from a college rushed out and said: "Here I am, world I have my A. B."

And the world replied: "Sit down son, and I'll teach you the rest of the alphabet."

Golfer: "Do you notice any improvement?"

Caddy: "Well, you've shined your clubs."

A teacher was giving her class a lecture on the ant as an example of rich reward for hard work. She said, "Every day the ant goes to work. Every day she labors without stopping, and what happens in the end?"

Little Jimmy had the answer: "Someone steps on her."

Mrs. Green: "Don't you dare tell me I'm over weight."

Doctor: "Well according to my height and weight chart you are four inches too short."

Mr. Smith: "Have any of your childhood hopes been realized?"

Mr. Jones: "Yes, one. When my bother pulled my hair I used to wish I didn't have any!"

BOUNCE, BOUNCE GOES THE BALL

The forecast for the 1950 Lions basketball teams looks mighty good. I heard that they played a very outstanding game last Friday night. The "B" team didn't quite make the grade but we are still proud of them. "Mr. High Point" for the "A" game was Jerry. Congratulations Lions, and Mr. Doctor.

On the same night, the girls played Menard. They didn't quite make it either, but like they always say, "there are always other games to be played."

Both games played were district games, and everyone enjoyed them very much.

Texas — Some changes wept, but none will spend the eventful, suspenseful day of the House of Representatives of the 56th Legislature.

Gov. Carr became the third recent history to win a term as Speaker of the House and Joe Burckett, of Dallas, as Speaker of the Senate.

Gov. Carr had a close vote — 78 to 76 — to win the House and Carr had a close vote — 18 to 17 — to win the Senate.

Folks with money-spending ideas had best be armed with money - finding ideas when they come to the Legislature this year. This warning was issued by Sen. William S. Fly of Victoria.

Third House has its own ceremonies this year as, for the first time, lobbyists are required to register under the new law. From the length and variety of the list, there's a lobbyist for practically everything and everybody — teachers, farmers, firemen, policemen, labor unions, industries and even church groups.

with a score of wild passes. Spencer McDonough led the Eagle attack with 18 points but Bobby Sutton was high for the game with 16.

The loss to Junction established Junction as a strong favorite to win the district and left the Lions with a one win and one lost record.

The Lions win came at the expense of the Menard Yellow Jackets in Menard last Friday night. The locals won a thriller 55 to 51 in an overtime as Jerry Jacobs paced the Lions with 15 points.

The Lions jumped into an early lead only to see numerous fouls shot by the host team pull them into the lead and send the Lions to the halftime rest period trailing 27 to 24.

The Lions rallied in the third period and gained the lead only to see a Menard rally wipe out the lead and send the Yellowjackets in front with only a little over a minute to go. Jim Williams hit for two to tie the score and after the Jackets took a one point lead on a free throw, Johnny Jones tied the score with 11 seconds to go with another free shot.

The Jackets could not get a shot off and the game moved into overtime with David Sikes hitting for two free throws and a field goal to provide the victory margin while Menard was unable to score.

The Ozona B team split two games in the opposite way as they dropped a 34 to 33 decision to Menard and then walloped Junction 55 to 34.

The Cubs seemed to have the Menard game pretty well in hand until the last half when they faltered in their shooting and lost the one point decision.

In the Junction appearance the Cubs were led by the nifty shooting of Muggins Good and Wayne Spearman who tallied 17 and 16 points each to lead the game's shooters. The game was close until the half when the Cubs exploded and raced to a 20 point lead with reserves finishing up the game.

AFTER 60 YEARS WANDER — 1899 Document From Crockett County Court Back To Starting Place

After sixty years of wandering within the yellowed pages of a ledger which belonged to a pioneer Ozona doctor, a slip of paper on which a handwritten invitation of the Commissioners Court of Crockett County, addressed to the practicing physicians of Ozona, to submit bids for doing all pauper practice in Crockett county, has come home again.

The well preserved but fragile bit of paper, the bottom half of a legal size yellow note pad, is now in possession of Mrs. Coralie Meinecke. The history of its involved journey touches two families, the Montgomerys and the Holmsleys. It seems the old accounts ledger and storehouse of early medical prescriptions for various ailments was originally the property of Dr. George Montgomery, Mrs. Meinecke's great grandfather, and was later given by Dr. Montgomery, who practiced in Comanche, to Dr. G. W. Holmsley, also a native of Comanche but who practiced in Ozona in the early history of the county.

Written in the recognized handwriting of the late Judge Chas. E. Davidson, the note, addressed "To the practicing physicians of Ozona," reads as follows:

"You are requested to file your sealed bids with the clerk of this court on or before 3 p. m. today, Feb. 16/99, for doing all pauper practice in Crockett County (including doctoring prisoners in jail) from this date to Feb. 15, 1900, payable at the end of each quarter. Make your bids plain and unambiguous. Rights reserved to reject all bids. In all cases as to whether or not one is a pauper will be decided by the County Judge or by S. E. Couch or both. Commissioners Court of Crockett County."

Mr. Couch was commissioner from Precinct 1.

Minutes of the court at that meeting, recorded in Book 1, Page 267, shows bids submitted by Dr. A. W. Clayton and by Dr. G. W. Holmsley. Dr. Holmsley was the successful bidder and was to be paid \$97.50 for the year's work, payable quarterly.

On the back of the paper was two rows of figures of dollar amounts. Each was added. The column on the left totalled \$142.70 and that on the right, which was labeled with the notation, "No good at all," totalled \$320.20. Evid-

ently the good doctor was checking up on his delinquent accounts.

Mr. and Mrs. Joe Patrick had to guests last week their son and daughter-in-law, Mr. and Mrs. Henry Patrick and son Danny, of Pecos.

Mrs. Charles Garlitz of Odessa visited her mother, Mrs. Clay Adams, and sister, Conilla, here last week.
