Membership Drive Historical City Planned

Location Of Museum Feature Work Of Up Here

A community wide support principal project, the newly museum in its new quarters the basement floor of the county courthouse among the county historical society launching a membership drive to enlist all former members new year and to enroll as new supporters as possible. An annual meeting of the museum in the new museum building, fifteen members reports from its museum committee, headed by Mrs. E. A. on the recently completed moving museum material from its former location in school building to the new building and had an opportunity in displaying the various exhibits. A vote of went to Mrs. Harrell and Mrs. Harrell, Mrs. Early, Mr. and Mrs. Jake Miller, and Mrs. J. S. Pierce, IV,ingham, Jr., Mrs. L. B. Cox, and other volunteer helpers assisted in the work.

A nominating committee was chosen by President Richard Flower to choose a slate of nominees voted on at the next quarterly meeting of the Society in Adella Wanda Watson is secretary-treasurer of the organization post she has filled since its inception.

The interesting exhibits are on display in the museum room. The way is being reserved for artifacts and now contains a number of arrowhead collections, a historic bow and Indian game implement. An interesting rock collection, pre-historic animal excavated near Ozona, a collection of ancient guns, relics in caves in this area, including skeletons of basketweaver cave men. Ancient spurs of the early explorers, parts from the schooners and stage coaches of the early days, old phonographs, radios and typewriters, and a foot pedal organ and hundreds of other items of special interest to Crockett county residents, are included in the display.

Start has been made on what is an interesting feature, a collection of cattle brands used in the area. Many of the old branding irons used in the era before the twentieth century are among the early relics. B. B. Ingham, Jr., has a number of brands wood panels which are hung on the ceiling. Others will be added. Also to be added is a collection of early-day pictures and documents of the Crockett area, as collected by Mrs. L. B. Cox, Jr.

A definite plan has yet been worked out, but members of the historical society and volunteers other organized groups in the area will take turns at keeping the museum open to the public on Saturdays and hours. The rooms will be locked at all times except when an attendant is on hand, affording safe keeping for valuable museum collection.

**Cultural Leader
Predicts Continued
Prosperity For Area**

A. Gray, sheep and goat raiser with the A&M Extension Service, predicted continued prosperity in 1939 for agriculture in Texas in a talk before the Rotary Club Tuesday on the subject, "Agricultural Outlook for 1939."

Gray pointed to the rise in the price of land and livestock and the expanding market for products from this region. Tuesday, Rotary Club members will hear W. T. Gray, of the Shell Oil Co. commercial department, Midland area. Mr. Gray will speak to the club on the subject, "Applications of the Shell Oil Company."

Preacher Son of Ozona Couple To Participate In Baptist Campaign

Rev. W. G. Perdue, son of Mr. and Mrs. Ed Perdue of Ozona and pastor of the First Baptist Church at Jefferson, Texas, has received an invitation to preach for two weeks in the state of Washington, April 12-26, the Jefferson Jimpicute News reports.

In cooperation with the Baptist World Year of Evangelism, the paper reported, the Washington-Oregon State Convention conjunction with the Home Mission Board of the Southern Baptist Convention has extended an invitation to some 25 men over the South to participate in this campaign. Rev. Perdue will be located in Longview, Wash., a city of 55,000, and will have opportunity to visit places of interest and especially new Baptist work in that area.

"Since this is the year of Evangelism," the pastor was quoted, "all Baptist churches in Washington and Oregon, including the American Baptist, Conservative Baptist and every Southern Baptist and Mission will be engaged in this great simultaneous effort. I certainly consider it an honor to be asked."

Montgomery Baby Laid To Rest In Services Monday

Son of Pumville Ranch Couple Died Sunday Of Heart Disease

Funeral services for Jim Larkin Montgomery, 7 months old son of Mr. and Mrs. Tom Ed Montgomery of Pumville were held at 4 o'clock Monday afternoon in the Ozona Methodist Church. Rev. Morris Bratton, pastor, officiated. Burial followed in Cedar Hill Cemetery under direction of Cody Funeral Home.

The infant was born in Ozona June 7, 1938, and was in apparent good health until a short time ago when a heart ailment developed. He was taken to a Lubbock heart specialist for treatment. He passed away in the Methodist Hospital in Lubbock Sunday afternoon.

Surviving young Jim other than the parents are a brother, Clay Montgomery; the maternal grandparents, Mr. and Mrs. C. C. Griffin of Anna, Texas; and the paternal grandparents, Mr. and Mrs. George Montgomery of Ozona.

Funeral services were held at the home of the parents, Mrs. George Montgomery of Ozona and Judd Montgomery of Fort Stockton.

Betty Davidson Is Named Homemaker Of Tomorrow In Ozona HS

Betty Davidson has been named 1939 Betty Crocker Homemaker of Tomorrow at Ozona High School. She received the highest score in a 30-minute written examination of homemaking knowledge and attitudes taken by graduating senior girls in her school. She will receive a homemaker pin manufactured by Josten's, which represents the slogan, "Home is Where the Heart Is." Her examination paper will be entered in competition with those of other school winners in the state to name the state Betty Crocker Homemaker of Tomorrow.

The test is designed and judged by Science Research Associates. Each state Homemaker of Tomorrow will receive a \$1,500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D. C., colonial Williamsburg, Va., New York City and Minneapolis, and she will be a candidate for the title of All-American Homemaker of Tomorrow. The school of each state winner will receive a set of the Encyclopaedia Britannica. General Mills will award a cash scholarship to each state runner-up.

Lions Cagers Win Over Sonora For 2-1 Dist. Record

Broncos Downed 49-33 B Squad Smothers Sonora B 52-18

By Ernie Boyd

The Ozona Lions went on a hot scoring spree in the fourth period Tuesday night at Davidson Gym to sink the Sonora Broncos 49 to 33 in a district 8-A ball game. The Lions got off to a slow start and never did seem to get over-ly concerned about the game as they used the scoring of Johnny Jones, David Sikes and Jim Williams to salt away a cleanly played game that saw only 12 fouls called against the two teams.

Sonora jumped into a 4 to 0 lead in the first quarter before the Lions were able to score but Johnny Jones and David Sikes hit goals to tie the score and then Jones poured in 6 more points as the Lions grabbed a 10 to 6 lead at the end of the first quarter.

David Sikes and Bobby Sutton scored all the Lions points from the field in the second period and with the aid of three free throws the Lions moved to a 24 to 15 half time lead.

The Broncos moved back in the third period determined to make a game of it and with the scoring of Gene West along with a scattering of points from the balance of the team, the Broncos pulled to within three points of the Lions before Jim Williams hit a 9-point scoring streak which, along with points from Sutton, Sikes and Jones plus three by Jacobs and Reeves, pulled the Lions way to stay.

Johnny Jones led the Lions with 12 points and was followed by David Sikes with 11, Jim Williams with 9 and Bobby Sutton with 8. High point honors for the night went to Sonora's Gene West who had 14 points.

The Ozona B team, despite being cold as Salt Flat on a winter evening, belted Sonora's B team 52 to 18. Coach Fred Hickman had ten of the eleven players use break into the scoring column with Wayne Spearman, who played less than half of the contest, getting 10 points.

Van Miller was close behind with 9 points while Phillip Carnes, Jim Freeman, and Mark Baggett each had 6 apiece.

Roland Drennan led the Sonora attack with 8 points. The win gave the Lions a district record of 2 wins and 1 loss with an open date coming up this Friday.

In other district games, Junction whipped Big Lake in Junction 45 to 41 and sent the Owls down to their second loss without a win while Menard was idle and remained 1 and 1 in district play.

New Motor Vehicle License Plates Go On Sale Here Monday

New motor vehicle license plates go on sale in Crockett county next Monday morning, Feb. 2, at the sheriff's office.

The new plates for 1939 will be black numbers on a white background, the reverse of the 1938 plates. The local supply of plates carry the letter prefix JJ and start at 7875 for passenger cards. Truck numbers start at 2F 6500 and farm truck numbers start at SN 2900.

Owners of motor vehicles are reminded that the law requires that they present their certificates of title and last year's registration receipts before new numbers can be issued.

SON TO HENDERSONS

Mr. and Mrs. Sonny Henderson are the parents of a son born January 21 in a San Angelo hospital. The baby weighed six pounds and has been named John Lee Henderson, III. The Hendersons have one other child, Virginia, 19 months. Grandparents are Mr. and Mrs. T. J. Bailey and Mrs. Claude Russell.

Air Charter Service Made Available Here By Skyriders, Inc.

Although without the services of regular commercial airlines, citizens of Ozona nevertheless have access to the finest air service to be had anywhere in the charter and rental service being made available by Skyriders, Inc., a flying service owned and operated by Dick Henderson, Ozona rancher.

In connection with his operation of the county airport, for which he gave the land near his headquarters two miles north of Ozona, Mr. Henderson operates a flight instruction service, charter and rental service and air ambulance service for the benefit of Ozona citizens.

A twin-engine Piper Apache five-place plane and a single engine Piper Tri-Pacer, accommodating three passengers and the pilot are available for use in the charter service. The twin engine plane cruises at 160 miles per hour and the single engine at 125 miles per hour. Parties of three or four persons using these planes fly one-day round trip can fly at rates cheaper than on the airlines.

As an emergency standby, the ambulance service offers protection to citizens here in case of accident or critical illness which needs special care elsewhere. A full length stretcher is available for use in the plane for patient comfort.

Veterinarian To Test Bulls Here Monday At Dick Henderson Ranch

Dr. Charles Edwards of Marfa will be here Monday to give breeding efficiency tests to bulls owned by ranchers of Crockett county. County Agent Pete Jacoby announced this week.

Dr. Edwards will be at the Dick Henderson ranch two miles north of Ozona starting Monday morning. From 35 to 40 bulls have been lined up for testing by the veterinarian. Others who have bulls they wish given the tests are invited to contact Mr. Jacoby at once. The charge is \$6 a head. Ranchers interested in the tests are invited to attend the demonstration.

Mothers' March For Polio Nets \$600 Mon. Night

Campaign Still Far Short Of Goal As Drive Near End

Porch lights went on all over town Monday night and more than thirty Ozona mothers fanned out over the city in the annual Mothers' March against polio.

A quick check of results showed the one-hour evening drive netted a total of approximately \$600 for the local March of Dimes campaign, Mrs. Brock Jones, drive chairman announced Wednesday.

A points - for - polio basketball game, solicitations in the local schools, and individual gifts to date have netted an estimated \$1,000, Mrs. Jones said. This is still far short of the local goal, which was set with an idea of repaying to the National Foundation part of a large deficit in funds encountered here last year because of a heavy patient care load, Mrs. Jones said.

An appeal to Ozona citizens who have not yet given to the March of Dimes to mail or hand their contributions to some worker in the campaign, or to the Stockman or to the Ozona National Bank was issued by Mrs. Jones. The drive is scheduled to come to an end January 31 and chapter and drive officials are especially anxious for Ozona to make a nice contribution this year in view of the new field of research to be invaded by the National Foundation, arthritis and birth defects research and care in addition to the polio and crippled children's care.

Estimated 300 Poll Taxes Yet To Be Paid Here

Lagging Payments Presents Problem For Collector

If anything near the usual number of off-year poll tax payers hope to qualify for the right to vote during the year 1939 in Crockett county, somebody is going to have to stand in line the balance of this week or mail their poll tax payments in time to get a January 31 postmark on their letters.

A check at midweek of the local tax collector's office showed only 563 poll taxes paid at that time. Between 800 and 900 is the usual number getting poll tax receipts in an election off-year.

Those who pay their poll taxes by mail must have letters in the postoffice in time to have them postmarked January 31, otherwise the payment will be delinquent and a valid poll tax receipt can not be issued.

As in every year, a number of important elections will be coming up during this year and those who have not paid the \$1.75 poll tax are urged to give it a thought before it is too late.

Rocksprings Consolation Tourney Winner In Well Attended Meet

By Ernie Boyd

The Wall Hawks, heavy pre-tourney favorites, overcame a red hot ACHS first half and pulled away to a 62 to 54 win Saturday night before a full house to win the 28th annual Ozona invitational basketball tourney.

James Glass, selected the tourney's most valuable player by coaches, led the Wall attack with 25 points while Kenneth Holubec, who was chosen on the all-tourney team, hit for 13 and did a great job of controlling the backboards in the final half.

The smaller, crowd-pleasing ACHS team was led by sharpshooters Bill Fanning, who hit for 14, and James McCown and Doug Beatty, who tallied 13 and 12 points each.

The Rocksprings Angoras won consolation honors by downing a tough Mertzon five 49 to 43. The Rocksprings team dropped their first contest to ACHS and then whipped Menard and Iran to earn a shot at Mertzon in the finals. The Mertzon team dropped a close decision to Big Lake and then dumped Ozona B and surprised Mason to get a shot at Rocksprings.

Charles Bierschwale led the Rocksprings attack with 17 points while Sawyers had 14 for Mertzon.

The host Ozona Lions downed Iran and Sonora before dropping a hard played 59 to 52 decision to ACHS Saturday afternoon but in the battle for third place the Lions played miserable basketball in losing to Big Lake 40 to 27. The truth of the matter was that both teams looked a little the worse for wear with Big Lake dominating play all the way.

Jerry Jacobs hit for 12 points to lead Ozona while Weatherby had 14 for Big Lake.

The tournament was well attended as usual with the Thursday night crowd breaking the records for that night kept to date. Friday night he crowd was the second largest since records were started and on the final evening the crowd was the third largest. Afternoon and morning attendance was not up to par in many cases, however, and a complete canvass of results will show pretty close to an average for the past four years.

The all-tourney team, chosen by vote of the coaches, showed two Ozona players on the ten all-tourney players selected. The two named were Jerry Jacobs and Bobby Sutton both of whom were repeaters from last year's team.

Tourney champion Wall had three players on the team when you include the most outstanding player James Glass. The other two who won awards were Kenneth Holubec and Kenneth Dierschke.

Others named were: Roy Goff, Mason; Johnny Ramirez, Rankin; Karmen Weatherby, Big Lake; Bruz Smart, Rocksprings; Spencer McDonough, Junction, and Doug Beatty of ACHS.

Champion Wall ran its season record to 18 wins and 1 loss with the loss having occurred when the Coach left three regulars at home for disciplinary reasons. ACHS, which is not an Interscholastic League team, ran its record to 33 wins and 7 losses in the Ozona tourney.

Ozona's Granddaughter Has Grandchamp Lamb At Amarillo Jr. Show

Lisa Lewis, 13-year-old daughter of Mr. and Mrs. Ed Lewis of Flatview, and a granddaughter of Mrs. W. N. Hannah of Ozona, showed the grand champion lamb in the Amarillo Junior Livestock Show last week-end.

Lisa fed her Hampshire lamb as a 4-H Club project at Flatview. She won first in class and went on to show her lamb to the grand champion of the show.

THURSDAY, JAN. 29, 1959

THE LID CAN BLOW

President Eisenhower's \$77,030,000,000 budget for fiscal 1960, a document of 1,105 pages and weighing four pounds five ounces, is celebrated thus far for its widely proclaimed "balance" with anticipated Federal income for the same period.

But it is a knife-edge balance — since this spending estimate comes within \$100 million of anticipated income, whereas last year's proposal for expenditures of \$74.4 billion provided five times as much cushion. Furthermore, the income estimated is predicted on increased gasoline taxes both on the highways and in the air, on closing tax loopholes by which cooperatives have been virtually immune from Federal taxes, extension of present corporation and excise tax rates and further increases in postal rates (including that five cent first class stamp which was anticipated in last year's income preview).

Rep. Clarence Cannon, of Missouri, Democratic chairman of the House Appropriation Committee, charges with considerable logic that this is a political budget and that its "precarious" balance is "wholly impractical". Indicative of Democratic doubts that Congress will boost either the gasoline tax (from

three to four-and-a-half cents a gallon) or postal rates, Chairman Cannon declared: "This is a political budget based on contingencies which no one expects to materialize."

It was noted further that economic conditions utterly beyond the control of Washington could throw the figures for both income and outgo completely out of line. The Democratic complaint is, of course, that since their party is in control of Congress, they would be blamed for any deficit.

In the light of past experience, it would seem a foregone conclusion that there will be a deficit in fiscal 1960 — and it would be only human for the President to blame the political adversaries who are running the Legislative Branch. But, short of an unforeseen military crisis, the extent of unbalance will depend upon two factors, do-gooding legislation and a continuation of the inflation spiral.

Thus the plain, ordinary citizen — who is taking little stock in the vague Presidential promises of tax reduction contained in the Budget Message — will be alert to new efforts to pry open the pork barrel, and (in view of Labor's massive support of Democratic candidates last fall) equally concerned with his Congressman's attitude toward effective legislation to curb abuses of union power and toward Labor's announced drive for another round of wage increases.

Unless a way is found to sit on the lid, there may be no lid to sit on.

Sheep Council Seeks To Hike Lamb Prices

In an effort to help sheepmen realize a better return for their lambs — in the face of a sagging market — the American Sheep Producers Council has injected a strong advertising and promotion program to spur consumer interest in lamb.

The Council, headquartered in Denver, is supported and governed by sheepmen throughout the country as part of a self-help program to expand new markets for lamb and wool.

Of particular concern at present is the plight of feeders who have been caught with many lambs ready for market at a time when prices are down.

The Council will expend \$160,344 on lamb advertising in newspapers, radio, and television to

create greater consumer sales and boost the price of live lambs. This expenditure, in a six-week period ending January 30, represents 22 percent of the total yearly budget for lamb advertising.

G. N. Winder, Council President and veteran sheepman, said, "There is a decided gap between the offering price for live lamb and the

price the consumer has to pay for lamb. By intensifying our efforts during this period, we hope to quickly off-set the current price decline on live lambs."

In addition to its advertising program, the sheepmen have a field force of lamb merchandizing men and home econocists who work on the local level in 19 major

marketing areas throughout the country encouraging interest in lamb.

"We are particularly encouraged with the efforts of lamb producers in various parts of the country to help out by promoting lamb in their own communities," Winder said. "Every bit of promotion for lamb or wool on the local level adds up to a big effort."

Conducted out of the Russian Embassy in Washington, and extending into every community in America, is a \$3 billion a year propaganda operation. So says the 1958 Annual Report of the American Bar Association on Communism, as reported by NAM news.

Twenty times in two years the Supreme Court has ruled in Communist cases "to the despair of Congressional Committees and J. Edgar Hoover". In 25 years, 3,400 meetings with Russia have produced 52 "major agreements". The Reds have broken 50 of them. Commies are no menace? Just because they don't carry cards any more?

Accurate and Complete

RANCH RECORD

Are More Important Today Than Ever

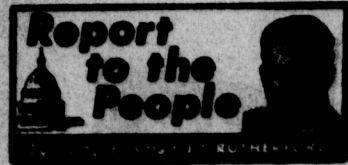

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

THE STOCKMAN RANCH RECORD BOOK

When The Congress this week received President Eisenhower's 1,027 page budget, weighing in at four and one-fourth pounds and calling for expenditures of \$77 billion, someone with a quick pencil figured that it cost more than \$1 billion an ounce, or approximately \$75 million per page.

A glance at the budget reveals again the high cost of national defense. Some \$45.8 billion is to be spent for major national security. The President recommends a modest increase in ballistic missiles and space exploration equipment as well as the retaining of ready military forces at about their present strength.

It is easy to see that war, and the threat of future wars, accounts for much high Government spending. Of the fiscal year 1960 budget, 59.9 cents of every dollar will go for national defense and security; 10.5 cents for interest on the national debt (increased largely by heavy defense spending over the years) and 6.6 cents for care of and benefits to veteran's participating in past conflicts. Thus, of the new budget dollar, one might say 76.6 cents is spent in connection with past, present and future defense.

Congress faces this dilemma: it will be difficult almost to the point of "impossibility" to cut spending in the defense and national debt payment items; not at all easy to effect savings in the veteran's program. Thus, Congress must make any cuts it considers in the remaining 23.4% of the budget, broken down as follows on a cents-on-the-dollar basis: International Affairs, 2.8c; Commerce and Housing, 2.9c; Agriculture, 7.8c; Natural Resources, 2.2c; Labor and Welfare, 5.4c; General Government, 2.2c and Allowance for Contingencies, 0.1c. To complicate matters, there are many in the Congress who feel the President's proposals in some of these non-defense categories are not sufficient to take care of the nation's needs.

The President insists his so-

called "balanced" budget is realistic, even though it depends on raising taxes in several categories and on a sharp upturn in the nation's business. In order for the Treasury to take in tax funds expected by Mr. Eisenhower (some \$11 billion above taxes for the current year), businesses must show an unprecedented 30% gain in profits and additional taxes on gasoline and postage stamps must be enacted.

In his budget message, the President said it would be necessary to again ask Congress to increase the permanent national debt ceiling to \$285 billion, and to hike it even higher on a temporary basis to cover the \$12.9 billion deficit expected under his current operating budget.

This will be the seventh time Mr. Eisenhower has asked Congress to raise the national debt ceiling during his tenure of office. Even if the present budget proves to be balanced and shows the \$100 million surplus the President optimistically predicts at the close of fiscal 1960, he will have accrued a net deficit of \$29.1 billion during his Administration to that point. And, even if the budget remains in balance at the close of the fiscal year, the national debt will be about \$20 billion higher than it was at the close of the first fiscal year of the President's tenure.

In view of this, it is difficult to see how any major tax reductions can be granted in the near future, although the President and his leaders are holding out that promise for next year.

The appropriations Committee now begins the task of referring each part of the budget to various Subcommittees, which will begin the tedious task of item-by-item investigation of the President's requests. Hours will be spent in hearing testimony from experts in all fields as they testify relative to their portions of the spending plans. Records will be sifted, past accomplishments reviewed, future requirements studied and present operations checked. This will go on for weeks that stretch into months and each major part of the budget will be presented to Congress in separate packages for voting action.

The Congress will also look at the tax recommendations the President made in his budget message,

and note how he plans to receive funds for the Treasury. His breakdown broadly shows 53% of the \$77.1 billion he hopes to take in will come from individual income taxes; 28% corporate taxes; 11% from excise taxes, with customs, estate taxes and others accounting for the final 8%. As time goes on, we'll look specifically at the President's spending and tax recommendations as submitted in his budget message.

Joe Oberkamp, local furniture and hardware dealer, is in a San Angelo hospital recovering from injuries suffered Sunday morning in a hunting accident on the Pecos river. Mr. Oberkamp received the full load from a shotgun in his foot when Conley Cox, a member of the duck hunting party, stumbled and fell, the gun being accidentally discharged.

Funeral services were held Wednesday for W. R. Wallace, local paint contractor who died Tuesday afternoon in the apartment occupied by the family over the Ozona Drug Co.

Although light for the most part throughout the area, the rains Tuesday will benefit winter range conditions. The fall comes on the heels of a severe cold spell which itself brought some moisture in the form of sleet and snow.

John Simms, employed at the Wilson Motor Co., was severely burned Saturday when a blow torch exploded in his hands.

The fifth annual Crockett County Rodeo, Race Meet and Stock Show will be held July 3, 4 and 5, and hereafter three days out of the first week in July, to include July 4, were designated as local show dates.

Fire, believed to have been

caused by defective wiring, resulted in damage estimated at several hundred dollars at the Sam Cox home here last Thursday afternoon. The fire was discovered when it broke through the roof. Volunteer fire fighters headed by Chief Joe North, used chemicals until a hose connection could be laid to the Joe Pierce corner after which the blaze was quickly extinguished.

Othro Adams was here from his ranch in Pecos county the first of the week.

Ben Lemmons was called to St. Louis the first of the week to be at the bedside of his mother who was reported seriously ill.

Miss Lenora Couch of Jackson, Tenn., is here for an extended visit with her father, Mike Couch.

Letter began, "Dear Mom, giving a great time up here. Boys are always telling me they want to be like me." a boy trying to get away from the fact that he doesn't have friends. It is his first year in and he is really a mixed up. Dan's trouble is that he tries to make friends. Dan is to be an individual and in so makes himself stand out and be more different than he always does what every else does — dresses like a person, talks like another. Na these people notice it and they don't like it. Dan can't understand why he isn't liked. He wants friends so that this may be his down the rest of his life. Friendship is something we all people who don't have it are not well adjusted. To some friends are someone to talk to you have a problem. Other friends simply for themselves. To many friendship along with companionship to matter what friendship to the individual we all want it, especially people Dan.

BIGGEST DETAIL

By "Chester"

The time of year has come that is looked forward to by many of a certain type of student in Ozona High School. The participation in this event very good because of its great leaders and organizers. Yes, Byronsky Eherby Cleersyvyh and his comrades have started their annual celebration in honor of Charles Atlasinsky and Paul Anderson, two famed Russian weightlifters.

At this point I feel that I must elaborate briefly on Cleer's past history. (Cosh Cleer is what his students lovingly call him for short). When he played the Olympics he was a man of great competitive spirit. He entered and won such thrilling events as Russian-Roulette, billiards, tiddly-winks, and poetry reading. However, when these were dropped from the games he took up weightlifting. This is how he got started in this present vocation. This group, under the leadership of the discipline-minded Cleersyvyh are probably the most devoted group of heroworshippers in the metropolis of Ozona. This is also probably the best example of one man rule ever demonstrated. Cleer, going under the impression that the group is training for the American sport of football, fanatically tries to make his men into monsters. It is his secret desire to win the Olympic weight-lifting contest at the next Olympics. His entry last year would most certainly have won, but due to unfortunate circumstances was tardy to school the day he was to leave and had to stay in afterwards. This put him late for his train and he didn't make it. Cleer, fortunately, had some consolation in that his entry in the hill-billy singing event did run a close fourth. Cleer's entry, Mate Coal III had stiff competition. They were singers who had had some experience in Lousy Oliner's Suicide the ever-popular show held in Three Snorts, Louisiana. So — this year, this isolated group of boys and their fanatical leader should come into their own. They have my sincere hope that they will win many contests, no matter what they enter. I would like to conclude with this verse from the song they chant every afternoon at workout. Ah — I can hear them now!!

Yo Ho Heave Ho!
Yo Ho Heave Ho!
We will work and reach our goal,
We lift and watch our muscles grow.

Yo Ho Heave Ho!!
Yo Ho Heave Ho!!

BASKETBALL TOURNAMENT

By Becky Cullins

For the past three or four days all most people have been thinking about is the annual basketball tournament.

There were fourteen teams in the tournament. The Ozona "B" team played and we think they played very good.

Wall won first place, ACCHS second, Big Lake third, and Rocksprings consolation.

Although the Lions didn't place, they did get Bobby and Jerry on the All Tournament team.

All teams were very nice and the people that kept boys at their homes said that the boys all were very nice.

Every one is looking forward for just as nice a tournament next year.

AS I WAS SAYING

This week-end, Ozona turned from its everyday routine to a busy little town. It was loaded with strange faces, along with many college kids that were home. Speaking of college kids, ole Gwynel Walker decided to take a swim in Mike Miller's swimming pool last Monday night. Thirteen feet is a long way to fall, when there's only about three inches of water in a pool. There are lots of things you can't see in the dark, aren't there, Gwynel!

When you walk down the halls, you sure do see lots of gray football jackets. They're giving them to girls now days — old ones, that is.

The Student Council has decided to fix up the fish pond in front

of the school. Now when people jump out the windows, there'll be something to land in.

We have a new fad around OHS these days. Being tardy! Boys and mothers have always wanted something to fight back with at chemise dresses and bermuda shorts.

Well, teachers don't seem to worry. The kids just attend class again at four o'clock. Pretty guave, huh?

Our Senior's measured for their caps and gowns this week. Looks like we'll be losing them before long. There will be some Juniors just fighting to take their places, though. They measured for Senior rings last week.

There was a dance after the tournament, Saturday night. Everyone had a good time — don't you think so, Juan Jones and Pam Perner?

Gail and Glen Power, and Barbara Hatcher were here Saturday. They reported that they like Stockton, but not as well as Ozona.

JOKES

By Barbara Barber

Did you hear what the old hen said when she scolded her misbehaving chick? "If your poor father could see you now he'd turn over in his grave."

A young reporter, asked to cut his verbose stories shorter, wrote the next day as follows:

"James C. Humphries looked up the shaft at the Union Hotel this morning to see if the elevator was on its way down it was. Aged 24."

"Listen, Captain," said the perspiring police officer, "we've been giving that ventriloquist the third degree for an hour and a half, and a plain clothes man and a police lieutenant have confessed to the crime. Shall we go on?"

The customs officials was asking the usual questions.

"Anything to declare, Madam?"

"No," she replied, "not a thing."

"Then, Madam," said the official politely, "am I to take it that the fur tail hanging down your coat is your own?"

Gossip as described by a small child is: "It's when nobody don't do nothing, and somebody goes and tells it."

Note from the teacher on Betty's report card: "Good worker, but talks too much."

Note from father over signature on back of card: "Come up sometime and meet her mother."

F. H. A.

We would like very much to take this time and proudly announce our F.H.A. beau for 1959. Pierce Miller, son of Mr. and Mrs. Eugene Miller of Ozona, was selected from the Ozona High School to represent our chapter as beau.

I am sure that a large majority of the people are already quite familiar with Pierce and his activities. He is an outstanding in 4-H; having won many honors and awards in that field; an honor student; and is also active in many other school and out-of-school activities.

Sometime in the near future our chapter will honor Pierce with a banquet or some similar affair. Although this is not usually a very large occasion, we consider it to be one of our nicer and most remembered activities during the year. We sincerely hope Pierce enjoys being our beau as much as we will enjoy having him.

Miss Sarah Hicks, daughter of Mr. and Mrs. Lindsey Hicks, and Miss Carol Friend, daughter of Mr. and Mrs. W. E. Friend, Jr., both students at the University of Texas in Austin, were here this week to meet their parents between terms at the University.

New Motor Vehicle License Plates Go On Sale in Texas Feb. 2

AUSTIN — New license plates for 1959 will go on sale in all county courthouses February 2, State Highway Engineer D. C. Greer announced today. The plates will be the reverse of 1958's, and will have black letters and numerals on a white background.

Greer stated that four and one-half million motor vehicle registrations were bought by Texans in 1958. "Don't be at the end of that long line. Get your vehicle registered early," Greer urged. "The registration deadline is April 1, but we hope car and truck owners will put on the new plates as soon as possible."

Greer stressed the importance of registering all automobiles and trucks in the home county of the vehicle owner.

"Take your certificate of title and your last year's registration receipt to the tax collector in your home county. Penalty for improper registration of a vehicle can be as much as \$200. Don't risk an illegal registration. Remember, too, that a portion of all registration fees stays in your home county to benefit your local community."

Garden Reminder :

Enjoy a foretaste of Spring indoors. Feed all house plants more liberally now that the days are getting longer.

It's time to plan your Spring garden and a good time to repaint outdoor furniture in the basement or heated garage.

Construct or repair trellises to support roses, grapes and berries. Prune trees that have been damaged by winter and shape up others.

It is time to feed iris, peonies, lilacs and crepymrtle.

The Ozona Garden Club will meet Feb. 4 with Mrs. S. M. Harvick. Mrs. L. B. Cox, Jr., will be co-hostess.
