Alexander and infant son, Yvonne Sedberry, Mrs. Jim Dudley, Delton Kazielski, Catherine Conley, Mrs. Walter Cawer, David Rios, Mrs. J. M. Munguia and infant daughter, Melvin Martin and Jimmie Cawley.

Woman's Club Meets With Mrs. Williams

The Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Charles Williams, Sr., with Miss Lola Mae Daniel as assisting hostess.

Mrs. Bailey Post was leader of the day's program. Mrs. Stephen Perner recited a poem by Vachel Lindsey and Miss Daniel gave a choral reading. Piano solos were presented by Cheryl Clayton and Robert Cox, Jr. In a business session, the club initiated plans for its annual clean-up campaign in Ozona.

Present were Mrs. W. R. Baggett, Mrs. John Bailey, Mrs. Worth Odom of Las Vegas, N. M., Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. J. A. Fussell, Mrs. Roy Killingsworth, Mrs. Ivy Mayfield, Mrs. O. L. Sims, Mrs. O. D. West and Mrs. Evart White.

NAMED TO FRATERNITY

Denton, Wanda Darlene Alford of Ozona has been named a member of Gamma Theta Upsilon, national professional geography fraternity, at North Texas State College this semester.

Miss Alford, the daughter of Mr. and Mrs. Quebe Alford, Ozona, is a junior education major. A 1956 graduate of Ozona High School, she is a member of the Association for Childhood Education.

Mrs. W. P. Conklin is in the Crockett County hospital where she is recuperating from recent major surgery performed in Dallas. Mrs. Conklin was brought to Ozona in a Cody Ambulance.

In Texas... Ford is the best buy...

Trust Texans to choose the one new car that's beautifully sensible

...and it's the "best-looker" too

This year, with a wide choice of designs, Texans have made their minds up overwhelmingly for the spectacular '59 Ford.

Ford has the classic simplicity that people of good taste prefer . . . wonderfully crisp and clean lines without brassy ostentation.

And just see how sensible this beauty really is. Discover how Ford is built for people. Notice how the extra-wide doors open all the way out . . . make it easier to enter. See how all six passengers—even the man in the middle—have the comfort of full-depth cushions. There's plenty of leg, hip and head room, too.

Of course, every inch of every Ford is built for savings. Ford's standard engines, Six or Thunderbird V-8, thrive on regular gas, saving you up to \$1.00 per tankful. Ford's new aluminum muffler is built for double life. You can save on oil, too . . . for Ford needs a change only each 4000 miles. And Ford's Diamond Luster Finish never needs waxing.

With all this new beauty and economy, is it any wonder Ford's out front for '59? Come see the car acclaimed by Texans . . . now on display at your Ford Dealer's.

The most beautiful name of all, Ford is not only Ford's, everybody has paid... the lowest price of the top-selling line. And check the cost of maintenance, too. You'll find the savings are even bigger!

59 FORD

Come people-test it . . . come savings-test it!

EDITORIAL

People say that they don't have friends. Friends are one of the things that we all really need to have a true friend, you know. Today, too many of us are fair-weather friends. You must work hard to get all selfishness and jealousy out of you. Do you have true friends? If you were to tag stock and you were to find a fair weather friend, you would be able to tell yourself that you were perfect and we even begin to love, but there is no good that couldn't be better, easy if it is our own self. It is easy for us to explain what we should do and how one should act, but it is altogether different when we try to do it. As we go on our way, forgetting what has been written here, we try to remember that to be a true friend, you must be a friend.

PROMORE ASSEMBLY

Sophomore Class entertained High School last Wednesday with a take-off on a faculty party. The students took parts in skits, dressed like them, and had a little part on each teacher's subject. Everyone enjoyed just what goes on at one of these meetings. Also, Bob C., F., and Buddy A., did a line of Caplas. Bob C. and Buddy A. also played some very nice music.

QUESTION OF THE WEEK

What would you do if you met a 'Xebec' coming toward you?
 Allean Y. — "I'd tame it and take a trip to Europe."
 Coach Dozier — "If it's over 6-6 I'd take it on the basketball team."
 Pierce Miller — "Greet it politely and say 'Hello!'"
 Molly Sue R. — "I'd run."
 Mike M. — "Nothing."
 Billy Bob H. — "Stand on my head, stack B-B's and whistle 'Dixie!'"
 Tony Parker — "I'd ask it for a date."
 Frances Child — "Run!"
 Coline D. — "I'd go look in the dictionary to see what it was!"
 Helen H. — "I don't know."
 Bobby S. — "See if it had anything to eat."
 B. B. Ingham — "I'd ask it if it lifted weights."
 June B. — "Run!"
 Camille A. — "I'd find out whether it was a he or a she."
 Susie C. — "Pull out my trusty pocket knife."
 Nonie C. — "Stand there with open arms!"
 Linda M. — "Tell it to go away!"
 A 'Xebec' is a Mediterranean sailing vessel, usually three masted, with long overhanging bow and stern.

GOSSIP

Painting the town Friday night were, Jerry and Frances, Don and Linda, Diz and Becky, and Rod and Allean!

Saturday morning, early, all the band students left for a band festival in Brady. Everyone was surprised and happy to bring home two trophies.

Saturday night, everyone was so scattered about the county that hardly anyone had dates. But everyone was around town or at the show about 10:00!

Sandra W. came home Sunday late! Sure is good having you home, Sandra! I know one person who sure did miss you! Right David!

Sunday night everyone was out at the ol' stompin' grounds again! The Drive-Inn is active once more. Tommy and June, Rod and Frances, Don and Linda, and everyone else were all there — many a good time will be had by all!

TO THE BAND BOOSTERS

The band would like to thank the Band Boosters for the lovely banquet honoring them last week. Only through experiencing things like this can we learn to appreciate beauty and thoughtfulness.

Thank you,
 The Ozona Lion Band

BEHIND THE BANDSTAND

The Brady Band Festival was held in Brady Saturday, March 7. Our band attended and came home with two trophies. They won Class A concert playing and sightreading.

The band has had many honors in past years. This record has been achieved through hard work, cooperation, and desire to win. Surely the band and their director should be congratulated.

4-H NEWS

The 26th annual San Angelo Fat Stock Show and Rodeo will be held on March 11-15. In the Junior Division, there will be the Registered Rambouillet Show, the Livestock Judging Contest, the Poultry Show, the Hereford Breeding Show, the Range Ewe Lamb Show, the Fat Lamb Show, and the Commercial Baby Beef Show.

Under the Adult Division, there will be the Registered Rambouillet Show, and the Hereford Show.

The World Championship Rodeo will be held in the new Coliseum, and the famed television stars of 'Fort Apache' — Lieutenant Rip Masters, Corporal Rusty, and Rin Tin Tin will be there.

The Ozona 4-H members to go are Pierce and Jay Miller, and Pam Jones showing Registered Rambouillet Breeding Sheep, taking Fat Lambs are Bill and David Jacoby, Larry Mills, Billy Troy and Larry Williams, Pleas Childress, Mark and Penn Baggett, Jimmy Baggett, Fred Baker, Frank Childress and B. B. Ingham, III.

MARCH WINDS

Man, the March winds have really hit this year, and needless to say, they have caused many people lots of trouble. The track boys have to run into it; the golf team has to hit into it and this causes a small amount of displeasure. I can't think of any good reasons why the wind has to blow in West Texas, but it certainly does. The only thing that I can see that it is good for is to fly little boys kites. Speaking of kites, I was in a larger city than our own the other day and was surprised to see the many different kites. Of course, there was the conventional type kite, but there were many different kinds. One kite that was interesting to me was a kite shaped like a rocket ship. It even had a monkey painted on it. There was one particularly large kite that had a basket tied on the bottom and in it were three little boys, bound for the moon. I suppose. Then there was one shaped like a hot-dog that said "Eat at Smoe's". I can't tell you here all that I would like to about the kites be-

cause there isn't time. But you know, maybe the wind is pretty good after all, at least, it makes little boys happy.

TRACK MEET AT ELDERADO

Saturday, March 7, our track boys went to Eldorado for a meet. Bobby Sutton was the top individual performer with a total of ninety-two points. He won first in the discus, first in the 220-yard dash, and placed second in the shot put. In the 60-yard high hurdles, Johnny Jones placed second, and David Sikes got fourth. In the 100-yard dash Tony Parker tied for third place, and he also took third place, and he also took third place, in the 220-yard dash. David and Carl M. tied for second in the high jump, while Bob Melbeck placed first in shot put. Bob M., Johnny J., and David tied for pole vaulting.

Ozona won the winning title with a total of 62 1/2 points.

He's "in" when he's out
 thanks to the Electronic Secretary Automatic Telephone Answering Unit

This television repairman has solved the problem of being in two places at once. Now he can make his service calls and still answer the phone!

With the help of an Electronic Secretary® Automatic Telephone Answering Unit, all incoming calls are recorded while he's out. By playing back the recordings upon his return, he knows immediately where he's needed next.

The Electronic Secretary Answering Unit automatically answers the phone and takes messages 24 hours a day. It permits proprietors of one-man businesses to leave their offices and shops, yet "stay in touch." It keeps their establishments "open" when they're away.

The Electronic Secretary Answering Unit makes any phone do more. Call your local telephone business office to find out what it can do for you.

Lambs Advance Again Top \$21.50 on Springers

Fort Worth, March 9 — Slaughter lambs were strong to 50 cents higher here Monday. Good and choice slaughter Spring lambs cashed at \$19 to \$21.50 and some mediums sold around \$18. Good and choice old crop woolled and shorn lambs sold from \$18.50 to \$18.50. Stocker and feeder shorn lambs drew \$15.50 to \$17.50 and woolled feeders ranged up to \$18.50. Slaughter goats sold at \$7.50 and some stocker goats cashed at \$9.50. Some woolled yearling and two-year-old wethers sold at \$16.

Cattle and Calves Firm, Killers \$1.00 Up

Cattle and calves were generally steady. Fed beef steer and yearlings were slow. Slaughter calves were very active and strong to \$1 higher.

Good and choice slaughter steers and yearlings sold from \$25.50 to \$30. Medium and plainer butcher cattle sold for \$17 to \$25.

Fat cows cleared at \$18 to \$21 and canners and cutters drew \$13 to \$18.50. Bulls sold from \$18 to \$23, with odd head higher.

Good and choice slaughter calves sold from \$26 to \$30, and medium and plainer kinds sold from \$20 to \$25.50, and culls sold at \$17 to \$20. Good and choice stocker steer calves sold for \$29 to \$33.50 and heifer calves drew \$30.25 down. Stocker yearlings drew \$24 to \$27. Stocker cows drew \$18 to \$22.

Fall in love with your car again.

Remember how proud you were of your new car when you saw it in the showroom? We'd like to do all we can to keep that car as close to new as possible.

We know that next to your home, it's your biggest investment and therefore deserves the best care in the world. To us this means more than just keeping it supplied with top-quality gasoline and oil. It means extra service—the kind of service that makes your car a pleasure to drive while you own it, makes it worth more when you trade it in.

Making friends with your car is our business. And making that friendship pay off for you is our job in America's competitive and progressive oil industry. So why don't you bring your car in today—and find out for yourself that we mean all we say!

OPPORTUNITY

For ambitious men

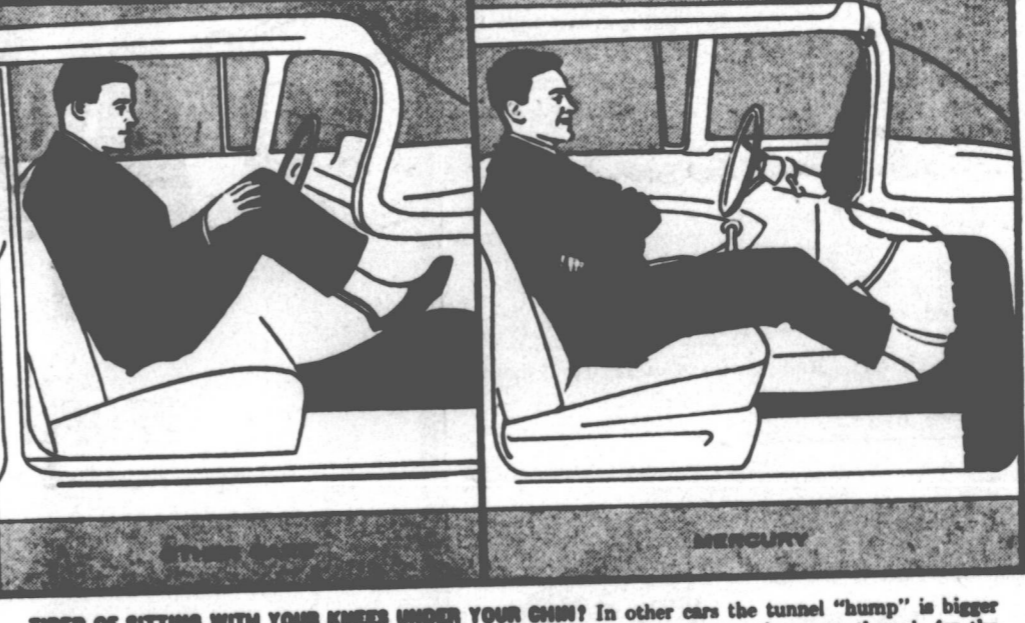

17 to 30, from Southwest Texas area, in industrial electronics and Guided Missile

No previous experience needed. Must be willing to spend one or a day, four days a week, on practical industrial training using actual equipment under the guidance of our engineers. Arrangements will be made for those accepted so that training will not interfere with present employment. Positions which this training will qualify you currently pay from \$100 to \$140 per week. If you have a sincere desire to better yourself with a steady job and income, we will be glad to discuss these opportunities with you. No obligation for strictly confidential interview with our personnel man.

Please write UNITED ELECTRONICS LABORATORIES, 278, % Ozona Stockman, Ozona, Texas, giving age, address, working hours at present; also phone number if you can be reached during the day.

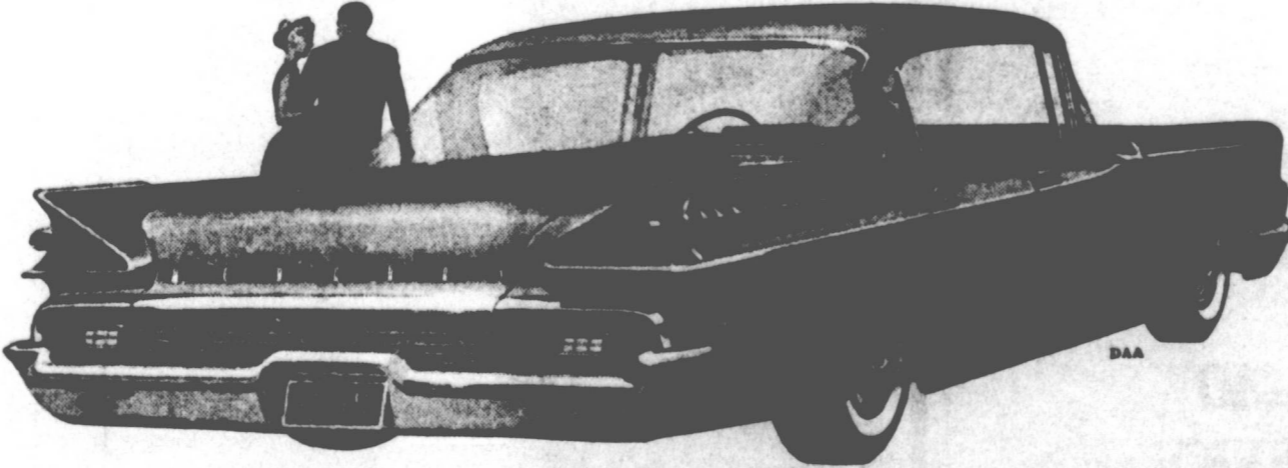

TIRED OF BEING "ALL SNOOK UP" IN THE CENTER SEAT? Other cars make the tunnel so big there's almost no room for cushioning. The ride is hard, bouncy. See the difference in Mercury.

TIRED OF SITTING WITH YOUR KNEES UNDER YOUR CHIN? In other cars the tunnel "hump" is bigger than ever. But Mercury actually cut the hump in half! See how much more leg room there is for the man in the middle. And see (right) how Mercury pulls knee-cracking corner posts back out of your way.

MERCURY GIVES YOU MORE CUSHIONING, COMFORT AND ROOM THAN ANY CAR IN ITS FIELD

Here's how: Mercury, alone in its field, has a body designed for just one car. Other manufacturers give you—even on cars priced into Mercury's class—the very same body used on their lowest priced makes. That's why Mercury alone can cut the center hump in half, widen the door openings 4 inches, add 9 inches more knee room, provide unequalled 6-passenger visibility and comfort all around. Come on in. You'll see!

move the tax exemption on cigarettes sold on military bases was sent by the House Taxation Committee to Atty Gen. Will Wilson. Question to Wilson is whether the state can collect a tax from a federal agency.

A proposed liquor tax hike suddenly gained redoubled potency when the sponsor, Rep. Pete LaValle tacked on an amendment that would legalize liquor-by-the-drink sales. Gov. Daniel, who had urged the original bill, promptly protested. Bill was sent to subcommittee for study.

House Appropriations Committee apparently is taking note of the Tax Committee's rocky road. It is reportedly doing some painful paring of spending requests.

Wide Open Field — Meanwhile, many more "little tax" ideas are swirling about. Most apparently are aimed at avoiding a bitter deadlock over a new "big tax."

Rep. Rufus Kilpatrick of Beaumont introduced a bill to tax gross receipts of scrap metal sales, and Rep. W. T. Oliver, Port Neches, a five per cent gross receipts tax on advertising sold by newspaper, radio and TV stations and billboards. Oliver also is said to be considering taxes on phonograph records and parking lots.

Other possibilities being discussed are (1) a 1.5 per cent general sales tax, exempting food, feed and fertilizer, by Rep. Frates Seeligson of San Antonio, (2) an across-the-board increase in the omnibus tax system which includes almost all present levies, (3) a registration fee for airplanes, similar to auto licensing.

Rep. Homer Koliba of Columbus said he would prefer to raise money through legalized liquor-by-the-drink and horse racing, heavily taxed, than by a general sales tax.

ALLEN - GRAVES NUPTIALS

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over ruts and jagged stumps . . . then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the

way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

Today, it's grit that Chevy's showing the trucking industry. Real toughness that pays off in job-after-job dependability . . . in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer

NORTH MOTOR COMPANY

Avenue E and 9th St. — Ozona, Texas

Queen Sand Play--

(Continued from Page One)

It flowed dry gas at the estimated rate of 500,000 cubic feet daily on preliminary tests through perforations at 2,220 to 2,254 feet.

The Northeast Noelke area, opened in January 1954, now has approximately 14 gas producers and two new tests.

Half a mile north of oil production in the Noelke pool, S. T. Constantine Jr. and Texas American Oil Corporation, Midland, are in the process of completing a second lower Queen sand producer, No. 2 Shannon Estate, section 26, block G. G.

The northwest offset to the operators' first Queen sand gasser in the area is being tested through perforations at 2,039 to 2,046.5 feet and 2,060 to 2,068 feet after being fractured with 20,000 gallons.

The Constantine et al No. 1 Shannon, same section, was completed late last year for a calculated, absolute open flow of 3-180,000 cubic feet of gas daily, natural, from open hole in the lower Queen at 1,224 to 2,139 feet.

First large Queen sand pool to be opened in western Crockett was the Half sector, discovered in February 1952. It now has approximately 40 oil producers and six active operations.

Across the Pecos River in eastern Pecos County, the Millard Queen sand pool, opened in July 1957, now has 13 oil producers. Four more projects are being drilled there at present.

Graybe, commandant. Cadets are promoted to Phase II on the basis of efficiency, attitude, and good conduct record.

CATHERINE WALKER

The Catherine Walker Chapter of the First Baptist Church met Wednesday with Mrs. Glynn for mission study. Those present were Mrs. Dudley Mayfield, Mrs. Ivy Mayfield, Mrs. Tina Poyner, Mrs. Henny Doyle Easterwood and

An Automatic ELECTRIC RANGE

Makes every cooking occasion a treat

Whether it's a party lunch or a full-course dinner, a flameless Electric Range performs perfectly at the push of a button, or turn of a switch. That's because Electric heat is accurately controlled to end old-fashioned pot-watching and cooking failures.

There's a precise temperature — automatically maintained — for all your cooking and baking operations. There's no flame to adjust — so there's no guess work, ever.

You'll be surprised, too, at the extra hours of leisure you'll enjoy with Electric cooking. Just imagine a complete dinner cooked while you are away from home! That's right... prepare a complete meal — plan it in the well-insulated oven, set the automatic controls, and you're free for the rest of the day — without worry. When you return home, dinner awaits you piping hot, completely cooked Electrically.

But you'll never really know just how wonderfully convenient automatic Electric cooking can be until you've tried it for yourself. So why wait? Do it now — and begin Living Better... Electrically.

Makes every cooking occasion a treat

FOR LESS THAN

3¢

...the average WU family can cook a complete meal the modern electric way... and enjoy the cleanliness and convenience of Electric Living. Change now to Electric Cooking.

Frigidaire brings you... WORLD'S FIRST PULL-N-CLEAN OVEN. HERE'S COOKING WITHOUT SLAVING! No kneeling, no back-breaking dodging to clean this oven! It pulls right out for easy cleaning! Plus — cooking features only Frigidaire offers!
