Crockett Reassigned Newfoundland; New Family Arrives

A familiar sight of the sleek Thunderbird will no longer be cruising the lanes in and out of Ozona. First Lieutenant Stanley Crockett, Base Administrative Officer, and also former base representative for the Stockman has been reassigned to the frozen sunny Texas for the frozen Lt. Crockett, who also serves the positions of Provost Marshal, Information Services Officer, Exchange Officer, Custodian of the Unit Fund and others has been assigned to the 920th AC&W from Resolution Island, New England. Lt. Crockett, a native of Dallas, Texas, after graduation from Texas A&M received commission and was assigned to Ozona AFS in February, 1958. He marks him as one of the members of our fledgling squadron. He is married to Mrs. Crockett, who was born in Ozona with his lovely daughter, the second of August. He will be leaving for a thirty-day leave before returning to his next station. The Crocketts expect their first child to the family around January of next year and their friends wish to write to them may be in contact by using the following address, Lt. and Mrs. Stanley B. Crockett, Jr., Harlingen, Texas. A new replacement for Lt. Crockett, 2nd Lt. Kirby, is due next 22.

On July 27, Mrs. Marjorie Zunker arrived at Ozona with her two children, Mary Lou and Charles. Mr. Zunker will take over the duties of Base Commander when he returns in September. Mrs. Zunker, who just came to the states from Hawaii in a blue 1958 Chrysler drove her way from McGuire, AFB, New Jersey, where her husband was stationed the past year. Mrs. Zunker, a native of St. Louis, Missouri, this is nothing new, having driven two cross country trips before this. Mrs. Zunker, a member of the Eastern Star, has lived in several different parts of the world including Germany, Hawaii, and Japan. She has fond recollections of Frankfurt, Berlin, Tokyo and other intriguing places. Mrs. Zunker likes reading, sewing and bowling, along with many other activities.

She has been a girl scout participant for fifteen years, past president of the Shiroi AFB Japan Officers Wives Club, treasurer of "Great Lads" Literary Discussion Club. Mrs. Zunker when asked how she liked Ozona replied "just fine." Her husband, a native of New Braunfels, Texas, and she moved to settle in Texas, being sent to Ozona pleased them very much. Right now Mrs. Zunker is busily preparing the house for her husband's arrival and preparing her children Mary Lou, 16, and Charles for school this fall in Ozona.

Recently the annual 33rd Air Division softball tournament was held at Ellington AFB, Houston, Texas. For the first time Ozona was represented. The "unknowns" of the tournament (half the people had never heard the name Ozona before, and the other half didn't remember where they had heard it) pulled the surprise of the tournament by finishing in third place with a 3-2 record behind Duncanville AFS and Oklahoma City AFS. The starting lineup consisted of: pitcher, AIC Cardozo, first base, AIC Olmstead, second base, AIC Murphy, short stop, AIC Bullock, third base, AIC Boyanton, left field, AIC Cox, center field, AIC Blodges, right field, AIC Awbrey, pitcher, AIC Jenkins and AIC Vaughn. Utility players were AIC Riddick, AIC Boyer, and AIC Brianlow. Outstanding in the hitting department of the club were Harold Jones, who in one game plastered two homers including a grand slam and six RBIs and NaFrik "Moose" Boynton and "Magnolia" Awbrey. Outstanding in the field were Ron "Bull" Bullock and Art Blodges. In the pitching department Charles Blodges, with a record of 2-1 in-

Ozona's Sutton Sits Out All-Star Contest As North Coach's Pick Of Players Eke Out Last-Minute Win

Ozonan Used As Starting Half In Practice But Not In Game

By Ernie Boyd

The North All-Stars finally came to life in the second half last Friday night to score two touchdowns and edge out the South All-stars 13 to 6 in the crowning event of the 1959 Texas High School Coaches' Association football game. The game, played at Amon Carter Field in Ft. Worth before a record 23,000 fans, had seen the South completely dominate play from the first minutes of the game until mid-way of the third quarter before Odessa's Ronnie Goodwin, and Big Springs' Wayne Fields, got the North to moving and with Paul Lea of Terrell offering a big hand, led the North to victory.

Ozona's star halfback, Bobby Sutton, after having been used as starting left half for three of the four days of practice got no opportunity to play.

The South, under the direction of former E. T. S. T. C. all-American Darrell Tulley, opened up with a wide open attack and a vicious defense and bottled the bigger and more touted North team up in its end of the field. After missing several opportunities, the Southerners finally pushed across the North goal line for six points just before the half.

The North attack sputtered like a worn out, used car for nearly three quarters before Goodwin gave it the needed spark, and during the time prior to the ignition, the North backs crashed into each other, fumbled, and blocked as though they had not heard that it was part of their jobs, but despite the bungling Sutton got no opportunity to see if he could do better.

The North finally got moving when Goodwin made a sensational catch of a Ronnie Brice pitch down the middle and then repeated the stunt and almost went all the way. From the South 17 yard line it looked like the drive was going to stall but with fourth and three, Goodwin glided through a brief hole for the needed yards and then with fourth and seven or eight he

threw a running pass to Paul Lea for the North's first score.

With the game tied 6 and 6 the North tried to rush over the extra points and hit a stone wall.

The tied not last for long as Goodwin, Lea, and Fields, set in motion a march of 83 yards, with Lea going over for the winning marker with just minutes to go.

The South, thought to be undermanned, used every man able to play and time and time again boys from schools even smaller than Ozona broke loose for big plays that could have, with a little luck, broken the game open. The South moved the ball to the two where a fumble killed the drive, to the four where a penalty saved the day, and on three more occasions moved into striking range only to see fine defensive play, or fumbles, stop the forward motion.

A large number of Ozona people on hand for the game were sorely disappointed in not getting to see Sutton in action but perhaps none were more disappointed than was the Ozona Coaching staff of Fred (Pete) Hickman, Sonny Cleere and Brooks Dozier, along with junior High Coach and scout Chick Womack, who were all on hand for the contest.

Noelke Field Gets Fifth Producer Good For 2,384 Bbls. Daily

The prolific Noelke, Southeast (lower Queen sand) field of Crockett County gained its fifth producer and a location south extension with completion of Fred Turner, Jr., Midland, No. 7-BB Shannon, six miles southeast of Iraan, for a calculated daily flowing potential of 2,384.64 barrels of 31 gravity oil.

Potential was based on an actual four-hour flow of 397.44 barrels of oil through two-inch opening tubing and open hole between 1,596 feet, where seven-inch casing is seated, and 1,615 feet, the total depth. Gas-oil ratio was 350-1. Location is 565 feet from the south and 1,320 feet from the west lines of 23-4-Archer est.

Mrs. R.A. Martin, Sister Of Mrs. Madden Read, Buried In Lampasas

Mr. and Mrs. Madden Read left Monday on receipt of word of the death of Mrs. Read's sister, Mrs. R. A. Martin, 87, who died at her home in San Antonio at 11:30 p.m. Sunday.

Funeral services were to have been held at 5 p.m. Tuesday in Lampasas. Mrs. Martin had been bed-ridden nearly four years.

Surviving are two sons, Walter Martin of San Antonio and Tommy Martin of Lampasas, and three daughters, Mrs. Bill Doss of Colorado City, Mrs. Monroe Mays of Austin and Mrs. Hoyle Foster of San Antonio.

Two Laymen To Speak At Methodist Church Services Sun. Morning

In the absence of the pastor, Rev. Morris H. Bratton, who is on vacation, two Methodist laymen will speak at the 11 a.m. worship service at the Ozona Methodist Church Sunday, August 16.

One of the men is Ted M. White, Ozona rancher and active member of the Official Board of the Ozona Methodist Church. He has served as chairman of the Official Board of the Church plus other official jobs and is now superintendent of the adult division.

The other speaker will be Henry Mills of Del Rio. Mr. Mills likewise has been an active member of the Methodist Church for many years. Only this year he was chosen as one of twelve laymen who will represent the Southwest Texas Conference of the Methodist Church at the Jurisdictional Conference of the church in 1960. The two men will share the sermon time.

Football Squad To Report Monday For 1st Practice

Defending Champions of Dist. 7-8A Face Re-shuffle of Forces

By Ernie Boyd

The 1959 football season will get an early start in Ozona and in hundreds of other Texas towns Monday when fall football practice will begin with two sessions a day on schedule.

The first practice session will begin at 8:30 Monday morning. Evening sessions will be at 6:30 a. m.

Coaches Fred Hickman, Sonny Cleere, and Brooks Dozier will greet between thirty and forty candidates for the 1959 team, which will be the defending bi-district champion of district 7 and 8A. Included in the group of candidates will be some fifteen lettermen and reserve squadmen who are expected to make up the nucleus of the 1959 team.

Practice sessions will be beginning a week early this year as the result of a change in length of training time directed by the head league office in Austin as a result of a poll taken on the subject in A and AA schools last spring.

OZONA HIGH SCHOOL FOOTBALL SCHEDULE 1959

Sept. 4 — McCamey	There
Sept. 11 — Coahoma	There
Sept. 18 — Ft. Stockton	Here
Sept. 25 — Stanton	Here
Oct. 2 — Rankin	Here
Oct. 9 — Sanderson	There
Oct. 16 — Sonora	Here
Oct. 23 — Big Lake	Here
Oct. 30 — Open	
Nov. 6 — Junction	There
Nov. 13 — Menard	There
* District Games	
Non-District games start 8 p. m.	
District games start 7:30 p. m.	

Missing from the 1959 team will be such stars from last year as Bobby Sutton, David Sikes, Billy Bob Holden, Jerry Jacobs, Kenneth Deland and Johnny Cooper, all of whom were key men in vital areas.

Before the Lions begin their season against the McCamey Badgers of class 2A in McCamey next month, Coach Fred Hickman will be faced with the problem of rebuilding the offense which was largely triggered by three departed seniors, Sutton, Sikes and Holden. The Lion boss has fine prospects in Junior Tony Parker and Jim Freeman and seniors Johnny Jones and Bob Meinecke, who will get competition from such able boys as Jim Doran, Muggins Good, Joe Friend, and others all of whom seem eager to earn a starting post.

Parker and Freeman both possess enough speed, but the backfield will be shy of experience. In the line, Coach Sonny Cleere will have more experience and size than ever before, but will have to do some juggling if all the positions are to be occupied.

Such returnees as E. B. Ingham, Joe McMullan, Tommy Porter, Wayne Albers, Jim Williams, Ronnie Beal, Bill Meinecke, Dickie Flannigan, and others will be competing for line positions along with others up from last year's freshman squad, but such seasoned men as Johnny Cooper, Kenneth Deland, and Billy Bob Holden will be missing in the forward defense set up.

The success of the 1959 team is going to depend a great deal on a number of last year's squadmen coming through at new positions and upon the desire of the large crop of seniors to win.

Most of the aspiring Lion squad members have been running at Lion stadium for the last few weeks in an effort to be in good physical condition for the rough fall practice sessions which begin Monday. The squad promises to be in the best condition of any squad in recent years as most of the boys have been working at hard manual jobs through the summer and should not be in too poor

(Continued on Last Page)

Rancher Injured When Horse Shies From Buzz Of Angered Rattler

D. B. Pettit, manager of the Vaughan ranch north of Ozona, is receiving treatment in the Crockett County hospital for injuries suffered in a ranch accident Tuesday.

Mr. Pettit was riding a pasture when his horse shied at the buzz of a rattlesnake and some time later Mr. Pettit regained consciousness to find his horse — and fortunately the rattlesnake, too — gone. Dazed and bruised he made his way to a highway a short distance where he was picked up by a motorist and driven to the ranch headquarters.

A bump on his head led Pettit to theorize that the horse in shying from the rattler threw his head up and struck the rider's head, knocking him unconscious. His injuries are not serious.

OHS Cheer Leaders Win First Place In Leader School Contest

Ozona High School's cheer leaders, just back from attending a school for cheerleaders at Sam Houston State College at Huntsville, learned their lessons well under the tutelage of Lawrence Herkemer, "Mr. Cheer Leader of America," former head cheerleader at Southern Methodist University.

The six Ozona girls who will lead the cheering at the football games in which the Ozona Lions will be competing this fall won first place in the final contests among all cheer leaders attending the school which featured the school's close.

Headed by Suzy Chandler as head cheer leader, the group included June Bunger, Camille Adams, Janet North and Judy Black, cheer leaders, and Pam Perner, alternate.

Registration For New School Term To Begin Aug. 25

Schedule Outlined For 3-Day High School Registration

Ozona High School and Junior High students will register for the new school term beginning Tuesday morning, August 25, Supt. L. B. T. Sikes announced this week.

A three-day period has been fixed for registration of high school students, the first two days of the same period for registration of Junior High pupils.

Seniors will register the opening day of the period, Tuesday, August 25, from 9 a. m. to 12 noon. Juniors will register the same day, from 1 p. m. to 4 p. m.

Wednesday, August 26, will be devoted to registration for Sophomores, the morning session starting at 9 a. m. until 12 noon, and in the afternoon from 1 p. m. to 3 p. m.

Freshmen will register on Thursday, August 27, in the morning from 9 to 12, and in the afternoon from 1 to 4 p. m.

Over at the Junior High building, 8th graders will register Tuesday, Aug. 25, from 9 to 12 a. m. and from 1 to 3 p. m. and on Wednesday, August 26, 7th graders will register from 9 a. m. to 12 noon and from 1 p. m. to 3 p. m.

Pupils of the elementary grades, from kindergarten through the 6th grade, will report to their respective classrooms at the North and South Elementary buildings on the opening day of schools Monday, August 31.

Because of a shortage of classrooms in the North Elementary building, the sixth grade of North Elementary will be moved this year to the Junior High building, Mr. Sikes said. Pupils of that grade in North Elementary will report to the Junior High building Monday morning, August 31.

On opening day of school, all pupils will be required to report at 8:25 a. m.

Ozonan Dies In Grinding Head-On Auto-Truck Crash

Roman Landin, 25, Dies Instantly In Smash East of Ozona

Roman Molina Landin, 25, Ozona grocery clerk, died instantly in a grinding head-on car-truck collision about ten miles east of Ozona on U. S. Highway 290 shortly after midnight Wednesday morning.

Landin's body was horribly crushed in the tangled wreckage of the 1950 Mercury sedan which he was driving and in which he was alone.

Homer Edward Barber, 45, of Lorenzo, Texas, driver of the empty truck and trailer owned by the Plan-Ex Corp. of Lubbock, was only slightly hurt in the crash. He was hospitalized overnight for examination but was released after treatment for cuts and bruises.

The accident was described by Patrolman Walter Caywer as one of the worst he had ever investigated. Landin's body was so badly crushed and so tightly pinned in the crumpled wreckage of the car that officers and wrecker men had to use bars to pry metal parts away before the body could be removed.

Both the car and the truck tractor were almost completely demolished. Parts of the car hood and fender were almost welded into the tangled front end wreckage of the truck. The fact that the GMC truck was of the cab-over-motor type put the truck driver above the main force of the impact probably accounted for his survival of the fierce impact of the vehicles. The car's steering wheel, much of its radiator and front end parts were driven into the rear seat of the sedan.

Landin had driven the car, belonging to his brother-in-law, Jesus Ramirez, to Sonora early Tuesday night to take a friend, Rudy Vargas, who had accepted a job in the neighboring city.

The accident occurred on a straight and levels stretch of highway, Officer Caywer said. The car swerved into the path of the truck just as the vehicles met, the truck driver told investigating officers, and crashed head-on at full speed. The empty flatbed trailer on the truck, equipped with air brakes, made the only skid mark on the pavement when its brakes set automatically after the air line was broken in the crash, Patrolman Caywer said.

Funeral services for Landin were held at 6 o'clock Wednesday evening from the Catholic church in Ozona, with burial in Cedar Hill Cemetery under direction of Cody Funeral Home.

Surviving are the widow and two children and the parents, Mr. and Mrs. Candelario Landin of Ozona. Landin was employed as clerk at the North Grocery here.

Religious Census To Be Taken Here Sunday By First Baptist Church

Sunday afternoon, August 16th, the First Baptist Church is undertaking a city-wide census. Rev. Harry Trulove pastor, announced this week. The information that is obtained will be classified and made available to the churches of other denominations according to the information supplied on the cards.

The purpose of this survey Rev. Trulove said, is to secure information that would enable all of our churches to better minister to the community. The questions that will be asked are as follows: The family name, house number and name of street, the individual's names, ages, the church where they are a member and their local church preference.

"If you are to be away this Sunday or for any reason can not answer the door, it would be greatly appreciated if you would place this information on a piece of paper, attached to your front screen", the pastor said. "Your cooperation will be greatly appreciated."

THURSDAY, AUG. 13, 1959

NOW IT'S YOUR TURN

In his forthright radio and TV appeal for a "labor reform law to protect Americans" and to put an end to the "national disgrace" of the labor racketeering and corruption revealed by the McClellan Committee, President Eisenhower blasted with equal and withering scorn the Kennedy bill passed by the Senate and the House Labor Committee bill up for action in the House.

The President spelled out in some detail what he considered the two most vicious labor union practices, blackmail picketing and the secondary boycott. Of each he said, "I want that sort of thing stopped — and so does America." He deplored with equal vehemence the existence of that "no-man's land" in which Federal authorities ignored labor disputes involving

small concerns, and state officials had no authority to act, by virtue of a Supreme Court decision thus leaving the decision to force and violence, terrorism and destruction. "I want that no-man's land abolished," he said. "I want the states to have the authority to deal with these situations."

If legislation fails to meet these three abuses, the President said, "It's no reform bill". The bill passed by the Senate, he said, is not effective, and the House Labor Committee bill even less so. Rather, he urged the Landrum-Griffin bill as "a good start toward a good reform bill."

The President laid especial stress on the fact that protecting Americans against gangsters and crooks is not a partisan matter. The vital question, he said, is: "Shall the people govern? If they do not, crooks and racketeers could prevail."

It is my earnest hope," the President concluded, "that Congress will be responsive to an overwhelming national demand."

In publicly laying in the lap of Congress the hottest domestic issue of our time (and with the pointed reminder that nothing had been accomplished), the President has made it virtually impossible for the legislators to brush the problem under the rug. And the simplest, and probably the best solution under the confused circumstances would seem to be the Landrum-Griffin bill that the President endorsed for the second time in his address to the people. Here is a measure that does attack the evils described by Mr. Eisenhower, yet it is a moderate bill — too tough for the labor leaders, yet not as tough as the US Chamber of Commerce and the National Association of Manufacturers would like.

Certainly the President has now done all that he reasonably can to impress upon Congress its duty to the people. It is therefore now up to the people to advise their Congressmen of what they want — in the strongest possible terms. And to be specific about it, they might

do well to demand passage of the Landrum-Griffin bill.

KHRUSH WILL ENJOY IT, ANYWAY

Nikita Sergeevich Khrushchev, certain to be the most controversial guest any American President has ever received, is and has been many things to many men. Beginning as a peasant farm boy in Kursk province learning the blacksmith and locksmith trades, he fought the Bolshevik revolution, began climbing the Communist Party ladder, apparently rung-by-rung — including that of purger-master in the Ukraine in '38. A seemingly worshipful satellite of Stalin since the 20's, Nikita's praises turned to denunciation in 1956 after Good Old Joe's stooge and immediate successor as Premier, Georgi Malenkov, had been sent to the provinces and Nikita was firmly in the saddle. Others who faded from the Soviet scene about this time included President Eisenhower's pen-pal, Marshal Zhukov, Khrush's buddy, Marshall Bulganin and Vyachyslav Molotov.

Currently, as chairman of the USSR Council of Ministers and top Communist of the world, Khrushchev is absolute dictator of half the globe, and has made his intentions quite clear regarding the

other half. He is also chief of the largest, most intricately organized and most ruthless espionage, sabotage and intelligence network the world has ever known.

He is coming here, he says, as "a man of peace" and is not interested in seeing military bases. With all details on file in the Kremlin — including US patents as they are issued in Washington — why should he bother?

Rather, Mr. K. will no doubt play Foxy Grandpa and visit such childish Americans as the Iowa corn-farmer who wants to show off his farm. If we can prove to the visitor that America is an even juicier prize than he has thought, we rather doubt if that will change his eagerness to take us over as promised. And certainly he should be thrilled to see our vast surpluses of price-supported grain — which he might consider mute evidence of our faltering faith in capitalism and the free enterprise system.

Interesting indeed is the belated effort of the State Department, that has pushed relentlessly for the Khrushchev visit, to warn us against expecting too much from the like-Krush talks. Even Vice President Nixon has expressed similar misgivings.

This back-peddling might suggest that some of our eager beavers

URGENT TASK

Plans Complete For Church of Christ Bible School August 24-29

Final preparations are under way for a Vacation Bible School to be conducted at the Church of Christ building located at 1002-11th Street. Darrell Brawley, evangelist for the local congregation, is the coordinator of the school which will start on August 24th and continue through the 29th.

An unusual feature of the program for this year will be an adult class under the direction of Bob Boyle, minister of the Sheffield congregation. Mr. Boyle will conduct a series of lessons which will begin with the Book of Genesis and progress through the entire Bible. Mr. Boyle will use a projector and filmstrips to illustrate each lesson. Everyone interested in learning what the Bible teaches is urged to be on hand for each of these five lessons. A nursery will be available and small children will be ably attended.

Classes will be conducted for all ages from toddlers through adults beginning at 9:00 a. m. and continuing until 11:00 a. m. each morning. Teachers for the various groups include:

Pre-School—Mrs. Jake Mullins, Mrs. Fred Hickman, Mrs. Armond Hoover, Jr.

1st and 2nd grade — Mrs. R. H. Knox, Mrs. Glenn Sutton.

3rd and 4th grade — Mrs. Sam Houston, Mrs. A. E. Gilliam, Mrs. J. B. Miller.

5th and 6th grade — Mrs. Bud Loudamy, Mrs. T. C. Goodman.

7th and 8th grade — Herman Knox, Armond Hoover, Jr.

High School — Paschal Northcutt.

Adults — Bob Boyle

KATHLEEN JONES CIRCLE

The Kathleen Jones Circle of the First Baptist Church WMU met in monthly meeting Wednesday in the fellowship hall of the church. Mrs. Bob Pitts had charge of the program in the absence of Mrs. Garland Allen program chairman. Mrs. Pitts also is Circle chairman.

The program was on "Continuing Mission Gifts" and the "Cooperative Program."

Present were Mrs. Pitts, Mrs. Hoyle Thompson, Mrs. J. T. Keeton, Mrs. W. C. Smith, Mrs. R. H. Hickman, Mrs. J. L. Sweeten, Mrs. Sam Ligon, Mrs. M. M. Fulmer, Mrs. R. H. Russell and Mrs. Myrtle Mitchell. Refreshments of lemonade and cookies were served.

In Washington are beginning to wonder, a month in advance, whether this was such a good idea.

Three Ozona Students Attend Colorado

Boulder, Colorado — Three Ozona residents have registered for the Summer Session at the University of Colorado this year.

They are Carol Friesel, a sophomore; Carolyn Joyce Mayfield, a sophomore; and Wynne Walker, a sophomore.

Enrollment at Colorado University this summer indicates a total of over 7,000 making it one of the largest in the history of the school.

The Summer Session program is enriched by special guest speakers, including an Illinois Court Judge, Walter V. Willis Lamb, Jr., Nobel prize winning physicist from Oklahoma; and Ruth Currier, professional dancer and teacher from New York.

OZONA, TEXAS

Ed Air 4-Door Sedan with sleek Body by Fisher

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going — and coil springs never squeak, never need greasing! Try this velvet way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TREND magazine puts this way: "... the smoothest, most quiet, softest riding car in its price class." But the happiest part of it all is that this Full Coil ride is just one of seven big bests — all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A. show that Chevrolet sedans offer more front seat head room than all but one of the high-priced cars — more front seat hip room (by up to 5.9 inches) than the "other two" of

the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won expert praise from virtually every automobile magazine, and, just recently, Chevrolet received the N.A.S.A.R. Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sedans with Powerglide won their class in this year's Michigan Economy Run, topping every other full-sized car. And the winning mileage was a whopping 28.50 m.p.g.

BEST BRAKES—Chevy's bonded-leaf brakes are the biggest in their field, built for up to 60% longer life. In a direct competition conducted by N.A.S.A.R., Chevy outstepped both of the other leading

low-priced cars in a test of re-posted stops from highway speeds.

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST TRADE-IN—Any N.A.D.A. Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to \$125 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

FOR SALE - 3500 cfm Arctic Circle air conditioner. New cost, \$142. Sale price \$75. Call Ex 2-3256 after 4:30 p. m.

Mr. and Mrs. Jake Short, who ranch near Vanderpool, are here this week for a visit with Mrs. Short's sister, Mrs. Floyd Henderson, and family. Mr. and Mrs. Henderson honored their guests with a backyard barbecue supper last night.

Mr. and Mrs. J. M. Coker and children of Kernville, Calif., visited friends in Ozona over the weekend. They will visit with family and friends Austin and Fort Worth before returning to their home in California. Mr. Coker is a former Ozona teacher.

M. A. Barber, vocational agriculture teacher in the Ozona schools, left Monday for Fort Worth where he is attending the state vocational ag teachers conference in session there Aug. 11 through the 14th.

Mr. and Mrs. Milton Wagner of Stamford visited Mrs. Wagner's parents, Mr. and Mrs. Ira Coats, of Ozona the past week-end.

Remington QuietRiter Portable Typewriters at the Stockman.

Miss Genelle Childress, daughter of Mr. and Mrs. Pless Childress, is under treatment in a San Angelo hospital for a virus infection.

LOST - Brown leather billfold with identification papers. Reward for return to the Stockman office, or to James Burton. 1tp

FOOTBALL RESERVE SEAT DEADLINE AUGUST 21

Last year's reserve seat holders who want their same seats again this year have until Aug. 21 to notify the superintendent's office. If you failed to receive a letter for use in making your reservation call the high school, 2-2681, before Aug. 21.

USED TV SETS. We have several good used TV sets at bargain prices. 17-inch sets from \$49.95 up. Ozona TV System. Phone 2-2612. See the new MOTOROLA Stereophonic sound reproducer. All in one cabinet. Music at its best. At Ozona Boot & Saddlery.

Therapeutic Vitamin Formula
with *Added Minerals*
Each single capsule contains:
Vitamin A (1000 IU)
Vitamin B1 (10 mg)
Vitamin B2 (2 mg)
Vitamin B6 (10 mg)
Vitamin C (100 mg)
Vitamin E (10 IU)
Vitamin K (1 mg)
Vitamin P (10 mg)
Vitamin T (10 mg)
Vitamin U (10 mg)
Vitamin X (10 mg)

Notes From The County Agent's Office

By Pete W. Jacoby

Many pecan trees are shedding part of their nuts this time of the year. Most of the nuts in some cases are undamaged by disease or insect and fall due to the physical condition of the tree. This shedding has been called "summer drop". The tree is adjusting the amount of nuts to its capacity to mature them and to the available food and moisture supply.

The pecan nut casebearer will still get some nuts this time of the year, especially if the trees have not been previously sprayed this year and will get a few anyway. If dropped because of case-bearers, they will have a hole bored in at the base and a worm can usually be found inside.

A fungus disease called pecan scab is also affecting the nuts. Scab causes dark lesions on the nut, which may be elevated or sunken and sometimes cover the entire nut arresting its development and causing it to fall. Scab is more prevalent in more humid areas but is causing a lot of damage in this area this year because of frequent rains and high humidity.

Zineb, a fungicide put out under the trade names of Dithane Z-78 or Parzate, is used to combat the pecan scab. The disease starts early in the spring on the young leaves and 4 sprays 4 weeks apart beginning when the leaves first form is necessary to prevent scab from spreading to the nuts. Spraying now with Zineb (2 pounds to 100 gallons of water) may give partial control.

Sheep producers will have the opportunity to vote in September in a nationwide referendum on the question of continuing to finance a market development program for wool and lambs, says A. B. Wooten, extension economist.

The program of advertising, promotion and related activities is carried out under agreement with the American Sheep Producers Council, he says. It is financed by deductions from wool incentive payments earned by growers under the national wool program.

The agreement has been in effect since the 1955 marketing year, and if approved in the September referendum, will be continued for another three years. Favorable vote of producers having two-thirds of the volume of production represented in the referendum is required for approval, states Wooten.

Under the new agreement, deductions may not exceed the rates that have been in effect under the original agreement of one cent per pound for shorn wool and five cents per hundredweight for lambs.

To make it easy as possible for all growers to participate, the referendum will extend over the entire month of September. Wooten said ballots will be mailed to producers from the county ASC office before September 1 and may be voted and returned through September 30.

The referendum relates only to the wool and lamb development program. The economist added that it will not affect the continuation of the payment program under the three-year extension of the wool act last summer.

A number of 4-H club members are receiving their lambs for the coming lamb feeding program this fall and spring. Lambs are moving out early this year and so lambs will have to be selected earlier than usual. Members are urged to contact the county agent if they desire to feed in the 4-H program this year. Any boys or girls planning to feed for the first time are especially urged to contact the county agent as soon as possible. If those who plan to feed wait too long they may not be able to get in the program this year. About September 1 will be the deadline for notifying the county agent of your intentions.

For less than \$3 the average family saved by 1970 can each of complete meet the modern electric way... and enjoy the convenience and economy of Electric Living. Change now to Electric Living.

How would you define A LEADPIPE CINCH?

Your answer might be phrased differently, but you likely would say a lead pipe cinch meant a pretty sure thing!

That's why we say it's a LEAD PIPE CINCH you'll get results when you advertise in this newspaper.

HIGHLIGHTS AND HIGHLIGHTS State Capitol

Vern Sanford
Press Association

Texas — Quiet has set Texas' Capitol Hill after a week of hubbub. Legislators packed up to go home and employees of the Capitol were filling scratch tickets. For many state activities, the new budget goes into effect Sept. 1. More funds. Altogether, \$1,000,000 more.

There were some disappointments in the appropriations programs got less than asked for, some salaries and there were riders in other activities. Overall, there was more rejoicing than tears and the budget as the best hoped for in such a year.

In their parts, lawmakers were glad to get home and "mingle with the folks." Ahead lie program cutbacks on new spending and public schools, and the inching up every two years of general spending.

Breakdown — Texas' high budget of \$2,418,000 was reported out after 95 days of haggling in conference.

It zipped through the Senate, with only 8 dissenting votes and a 108-10 vote in the House.

From the general revenue, the state's multi-purpose fund, totaling \$1,000,000. This is up \$42,000 from the present biennium.

How hard up the state is, more than 56 per cent of general revenue spending — \$1,000,000 — will have to come from the new tax bill passed in June.

How the pie was finally divided into major items:

Schools — Received an appropriation of \$774,904,500, an increase of about \$85,000,000 most of which school spending has an "escape clause" which ties it to

IN HOMETOWN AMERICA

enrollment.

Higher Education — Got the biggest increase from the general revenue fund of any program. It was boosted by more than \$12,000,000 to a total of \$130,933,424 for the state's 18 tax-supported colleges and universities. Increase was only about half what was asked by the Commission on Higher Education.

University of Texas officials saw one of their fondest dreams come true in that the "available fund" (income from the University's permanent fund) was left free for buildings and "excellence" programs.

Hospitals, special schools, youth Council — Allotted a total of \$90,456,554, an increase of \$6,348,252.

This is to be used to improve medical care in state hospital and to build a new mental hospital at Denton, a new dormitory for delinquent boys at the Gatesville school and a new building at the Gainesville School for Girls. It will also cover some salary increases and cost of some repair and remodeling in the vast hospital

and school systems. It does not allow for setting up the juvenile parole system ardently desired by the Youth Council and recommended by Gov. Price Daniel.

State Employees — Lower-bracketed employees, from \$2,400 to \$6,000 annually, will get a \$180 a year raise. It's not a lot — \$15 a month more in the employees' pay envelopes — but it will cost the state about \$14,000,000 for the two years.

Judiciary — Will receive \$9,338,769 from general revenue, a \$312,779 increase. Most of this goes for new district courts plus briefing attorneys and secretaries for the Supreme Court.

Prison System — Operating budget increased by \$2,800,000 plus \$7,720,000 to provide additional buildings for a prison population soaring toward 11,000.

Livestock Disease — A new program to control brucellosis was tabbed for \$239,960, considerably under the \$2,170,000 requested.

State Advertising — State Highway Department was authorized to use \$100,000 to lure tourists and

the Texas Industrial Commission \$20,000 to seek new industries.

Constitution — Texas Legislative Council was given \$50,000 for a study of the State Constitution with a view to revising it.

Insurance Department — All the furor over top officials' salaries brought little change. Commissioner of Insurance William Harrison was cut from \$20,000 to \$15,000 a year; the three board members, from \$15,000 to \$14,000.

Building Program — To further the Capitol expansion program, \$2,753,000 was appropriated for buying land, \$2,924,000 for a second state office building.

Water Planning — Board of Water Engineers was allotted \$2,037,000, an increase of \$200,000, but nearly \$800,000 less than requested. It will allow for some salary increases for board members and engineers and mapping to locate

future dam sites.

LADIES GOLF ASSN.

The weekly play of golf and bridge was held by the Ladies Golf Assn. last Thursday at the country club.

Low net in golf went to Mrs. Jess Marley. High score in bridge went to Mrs. Ashby McMullan, cut to Mrs. J. S. Pierce, III and low to Mrs. George Bunger. Bridge hostess was Mrs. Sid Millsbaugh, Jr. Others attending were Mrs. Vic Montgomery, Mrs. W. E. Friend Jr., Mrs. Harry Baggett, Mrs. Sherman Taylor, Mrs. Joe Pierce, Jr., Mrs. Boyd Clayton, Mrs. V. I. Pierce and Mrs. Jess Marley.

FOR SALE — Used gas range, refrigerator, gas hot water heater, bed and mattress and other household articles. Inquire at Ozona Boot & Saddlery.

people who are at home with quality... choose GAS appliances

Walk through an elegant doorway and you expect an elegant interior... and today, elegance in the kitchen is synonymous with GAS appliances. For example, the built-in range. Both in appearance and performance, it confidently maintains its place amidst the finest of home furnishings. Its sleek, luxurious beauty is always in perfect harmony with the most discriminating decor. Completely automatic from top burners to broiler, a Gas range makes the dull routine of cooking almost effortless... offers the perfect complement to cooking skill in creating meals that delight the eye, tempt the taste. And aside from the general excellence of its engineering, a Gas range offers a whole list of unduplicated advantages such as closed-door smokeless broiling, no warm-up wait, instant shut-off with no heat hang-over, and an absolute minimum of heat fluctuation. In every way — economy included — GAS gives you more! And where the finest is truly appreciated... GAS belongs.

fuel for a growing empire Pioneer Natural Gas Company

NOTICE OF SALE
THE STATE OF TEXAS
COUNTY OF CROCKETT

Notice is hereby given that on the 8 day of September, A. D. 1959, between the hours of 10 o'clock a. m. and 4 o'clock p. m. at the Court House Door of Crockett County by virtue of my authority as Commissioner, appointed by the Commissioners Court on the 11th day of May, A. D. 1959, I will sell at public outcry for cash that certain tract of land situate, lying and being in the County of Crockett, State of Texas, and being:

A tract of land situate in the town of Lima, adjacent to the town of Ozona Texas, described as follows:

Beginning at the Southwest corner of a tract of land deeded to Mrs. Lillian Henderson, President of Methodist Missionary Society from Rob Miller, Commissioner, as shown in Vol. 96, page 47-48, of the Deed Records of Crockett County, Texas:

Thence South 42.3 feet;
 Thence S 43 deg. 05' E 19.0 feet;
 Thence S. 66 deg. 00' E. 18.6 feet;

Thence North 63.9 feet;
 Thence West 30.0 feet to the place of beginning.

And I am further authorized by said Order to execute a Deed of Conveyance on said above described tract of land to the highest bidder at said sale, with the Commissioners' Court reservation to accept or reject any or all bids.

Witness my hand this the 11 day of August, A. D. 1959.
 U. S. Smith
 Commissioner.

Accurate and Complete

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

Straight To The Point

A Summary of Vacation News From The Teenage Set
By Sally Baggott

Do you realize it's only eight more days til school starts?

The twirlers and cheer leaders are well aware of the fact because if you drive by the school you will most likely see one of the other working like Trojans.

Pat Clark from Burkburnett is here acting as slave driver for the twirlers, but we have learned lots of cute tricks.

The cheerleaders got home from Huntsville early Saturday morning after an all-night ride on the bus. You could hear moans such as "Never again!" and things like that.

The Student Council members were heard to moan the same thing at about the same time when they returned from Dallas after an all-night jaunt in "The Beast." (It was really fun.)

Nellie Childress had a swim and supper party for her cousin, Cindy, Tuesday night. Some of the kids didn't go in swimming but after a few minutes of watching they were as wet as if they had.

Wednesday morning a group of Ozona women had a kitchen shower for Lou Nell Beall at Miss North's Don't worry, Jeff, she'll never run out of new recipes.

Well, girls, more competition! From all accounts, stiff competition. Mary Lou Zunker from "all over" is who I'm speaking of. Really, Mary Lou, we are very glad to have you here, and we hope you'll like us.

Say, you all! Look!

AF Base News —

(Continued from Page One)

cluding two four-hitters with ten strikeouts in one game, was exceptional. Frank Vaughn, who excelled in relief, finished with a 1-1 record.

We are very proud of our team, which had key players such as Jenkins, Cardozo, and Riddick, sustain injuries during the tournament, being able to complete such a fine record in its first year of softball. Any area teams which would like to schedule a game with the base team should contact S-Sgt. Jenkins at the Ozona AFB.

Football Practice —

(Continued from Page One)

physical condition. Coach Fred Hickman stated recently that he had not decided definitely what form the 1958 offense would take, except that it would be T, and would depend largely on how the squad shapes up after practice gets under way.

Menard and Ozona have been picked as the two top teams in the district this year by papers and coaches over the district, but Sonora and Junction may prove pretty tough and early season predictions are often astray.

MARRIED IN OZONA

Miss Ninafaye Pate of San Angelo, granddaughter of Mr. and Mrs. Allen McKinney of Ozona, became the bride of Charles Dale of Odessa Thursday, August 8, at the Odessa Assembly of God church. Officiating was the Rev. Daisey Gillock.

56 Are Enrolled In Vacation Bible School At Mt. Zion Baptist

Monday evening marked the beginning of a Vacation Bible School at Mt. Zion Baptist Church of Ozona. The school is sponsored by First Baptist Church which has supplied the handwork materials and part of the adult leadership.

There has been a splendid response as the enrollment has shown an increase from 45 on registration night to 56 on Monday night. Reverend Williams, Pastor of Mt. Zion, states that the response has been most encouraging and he would like to issue a personal invitation to the children of his community that have not enrolled, to please do so before the close of the school. Commencement is to be held Sunday evening and all of the families are invited to attend.

J. A. Marley, Sr., and Jesse Carl Marley are visiting with Mr. Marley's daughter in Waurika, Okla., and Wichita Falls, Texas. Jesse Carl also visited other relatives in Comanche, Okla.
