Basketball Season To Open Dec. 4th With Coaches Facing Rebuilding Job Around Only Two Returning Veterans

By Ernie Boyd
 Coach Brooks Dozier released the 1959-60 basketball schedule Tuesday which will include four home games prior to the Christmas holidays and will include the Rankin, Lake and Ozona tournaments.
 Coach Dozier will find the unexpected time allotted to basketball due to the end of football season welcome this year as the Lions will have to rebuild his team losing all but two of his seven players to graduation spring.
 Jim Williams and Johnny Jones will be the two lone starters returning while squadman Muggins will be the only reserve with experience returning.
 Coach Dozier will draw from the team such prospects as Wayne Rogers, Jim Freeman, Mark Baggett along with others but regardless of how the eventual starting lineup comes out there is bound to be a great deal of inexperience this year.
 Coaching Coach Dozier as basketball assistant this season will be O. Hoover, who played his basketball under Texas A&M coach Rodgers while the Aggie men were serving a very successful year at East Texas State at Commerce.
 Practice for the coming season is expected to get under way Monday, Nov. 23rd, with a large crop of experienced candidates due to arrive.

Ozona Players Named To Dist. 8-A 1959 All-District

Ingram and Flannigan
 On Both Offensive
 Defensive Squads

By Ernie Boyd
 The Ozona Lions landed nine selections of the first twenty-two offensive and defensive all-stars named by the district coaches in Monday night.
 B. B. Ingram and Dick Flannigan were named to both the offensive and defensive team with Rudy Speck of Menard and Rudy Cordero, of Junction also earning their honor.
 Lions who made the honor squad were: Dick Flannigan, Tommy Porter, B. B. Ingram, and Tony Porter on offense with Wayne Albers, Dick Flannigan, Bob Meincke, B. B. Ingram, and Jim Freeman on defense.
 Players making honorable mention were Jim Williams, Joe McCallan, Jim Doran, Mark Baggett and Ronnie Beal.
 The district selections are made each year by the coaches who can vote for their own team members.
 The squad was named according to offense and defense abilities keeping with the high school substitution rules.
 The offense was as follows: Ends, Lee Murray, Menard and Andy Sizemore, Junction, tackles, Cordero, Junction, and a tie between Dick Flannigan of Ozona and Jim Doran of Menard, guards, Tom Porter, Ozona and Joe Speck of Menard, center B. B. Ingram of Ozona, quarterback, Curtis Leggett of Ozona, halfbacks Tony Parker, Ozona and Emil Schaffer, Junction, back Howard McKissack, Junction.
 On defense the squad reads as follows: Wayne Albers, Ozona and Curtis Leggett, Menard, ends, Dick Flannigan Ozona and Ken Hudson Menard, tackles, middle guard, Cordero, Junction, linebackers Bob Meincke, Ozona and B. B. Ingram, Ozona, Cecil Collier Menard and Joe Speck of Menard, half backs, Jim Freeman of Ozona and Si Rae Ellis of Menard.
 Ray Dunlap, who has been seriously ill in the Crockett county hospital for the past several weeks, reported improved this week.

Ozona FFA Chapter First In District Skills At Eldorado

A ranch and farm skill team composed of L. D. Long, Jr., Jay Miller and Tommy Everett placed first in district FFA contests at Eldorado Monday afternoon. The Ozona team gave a demonstration on making a concrete water trough. Second in the contest went to a team from Lakeview FFA and third to the Robert Lee chapter.
 Second place in radio broadcasting was also won by a team from the Ozona FFA chapter, composed of Charley Bingham, Frank Childress and Billy Semmler. First place in the radio contest went to Robert Lee FFA team, third to Sterling City, fourth to Lakeview and fifth to Garden City.
 Ozona also placed third in Senior chapter conducting and third in Junior ranch and farm skill contests.

New Senior Security Policy Offered Aged Through Local Agency

A new health and accident and hospitalization policy covering senior citizens is being made available here through Life and Accident of American Insurance Co. of Abilene.
 Hubert Baker, local agent and a director in the new company, is distributing the new policy to persons 60 to 100 years of age. To qualify for the new policy, applicants need not take a physical examination nor is past or present health a consideration. The policy is non-cancellable and provides payment for hospital, surgeon's fees, operating room, medicines and other services in the hospital plus ambulance fees and liberal dismemberment benefits.
 The present enrollment period will end December 5 and all policies sold during the period will be issued December 10. A full page ad describing the new policy will be found on page 5 of this issue of the Stockman.
 Caruthers Jewelry will be open each Saturday afternoon from now until Christmas.

Pierce Miller, State Winner of TS&GRA Award, Attends National 4-H Club Congress in Chicago

Pierce Miller, Crockett County 4-H Club member, and state winner of the Texas Sheep and Goat, Wool & Mohair Award, will join other state winning 4-H clubbers in Dallas on November 27, where they will depart by train to Chicago, to attend the National 4-H Club Congress as Texas delegates.
 To win a trip to the National 4-H Club Congress is the highlight of any 4-H club member's career. The Texas delegation, some 40 in number, will be joined by some 1700 other 4-H club members from throughout the United States. Outstanding programs and speakers are on tap at the week-long national event.
 Pierce is in for a busy schedule beginning with his departure from Ozona on the 26th. He will arrive back in San Angelo on December 5th, at 2:15 p. m. will attend the Gold Star Banquet at Ft. Stockton as the honor guest of Congressman J. T. Rutherford at 6:30 p. m. the same afternoon, and will attend the State Convention of the Texas Sheep & Goat Raisers' Association at Austin, where he will report on his trip to National 4-H Club Congress at 9:30 a. m., December 9th.
 Pierce will speak some ten minutes to the state convention regarding the highlights of his trip to National Congress. The Texas Sheep & Goat Raisers' Association sponsors the state 4-H sheep & goat award each year and pays all expenses for a 4-H club member to attend the National 4-H Club Congress in Chicago.

Lions Serve Up District Title To Yellowjackets

Menard Cops Decider 14-12 For Chance at Fabens Friday

By Ernie Boyd
 The Menard Yellow Jackets used a two point conversion try after their second touchdown last Friday night to edge the Ozona Lions for the district 8-A title 14 to 12.
 The Jackets will meet the Fabens Wildcats in Menard Friday night for the bi-district title after winning a flip for the site in Ft. Stockton Sunday afternoon.
 The fine running, passing and leadership of Curtis Leggett a 190 pound quarterback provided the Menard team with the spark it needed to come back and dominate play in the second half and win its first district title since the late forties.
 The Lions resembled the team that crushed Junction one week ago in name only as they stayed strictly on the ground, abandoning their very potent pass offense and allowing the Menard team to come into full fledged nine-man line most of the last half.
 The Lions started on the same track they were on last week as they took the kickoff and moved to the game's first score on their first possession. Johnny Jones covered the last five yards on a drive that covered 52 yards and sent the Lions ahead 6 to 0 when the try for two points failed.
 The Lions kicked off to the Jackets and were soon presented with a second opportunity. With the ball on the Menard 22 Castelman was stopped for no gain and then an illegal forward pass covered ten yards before Leggett fumbled and Jim Doran recovered for Ozona.
 The Lions moved quickly to the Menard five yard line before beginning a series of goal line blunders that cost them the game. On first down from the four, Jones and Parker collided in the backfield, losing four yards. Meincke skirted right end to get back to the six and on the next play Jones either scored or was very close to pay dirt when a five yard penalty rubbed out the play and sent the Lions back to the eleven from where two more plays failed to move the ball.
 After failing to get their second score, the Lions presented the Jackets with a chance when a pitchout to Parker went awry and Castelman recovered for the Yellowjackets on the Lion 30 yard line.
 Leggett went aloft three times, completing an 11-yarder to Roy Murray and for a crucial first down and then getting to the one on another shot to Murray. Leggett sneaked the ball into the end zone from there and the score was tied.
 Following an exchange of punts the Lions took the ball on their own 21 and moved 79 yards to the Jacket one and a half for a first down, but once again the Lions failed in the clutch. A pitchout lost six on first down, but Parker hit left tackle and regained most of the loss, getting back to the two. From there the Lions tried two more sweeps to the right before losing the ball on downs.
 If the Lions blew their chances in the first half, they got very few chances to do anything in the second half as the Menard team greatly encouraged at the Lions failures, dominated play, with Leggett and Castelberry getting big chunks of yardage almost at will.
 The Jackets sewed up the game in the third period when they drove 58 yards in a drive that was interrupted by a fumble and consumed nine minutes of the third quarter. The score came on a pass from Leggett to Murray for five yards to bring the score up to 12 to 6 and then the winning points came when Castelberry hit outside right tackle for the two extra points.
 The Lions, facing a nine man line with the halfbacks less than six yards deep, were unable to run wide as they did in the first, and

Winter Continues Icy Grip, More On Way For Week-End

Sleet And Ice Coat Area; Temperatures Dwell In 20's

Weather continued the top news topic in West Texas the past week as "cold front" after "cold front" tumbled down over the state to maintain an almost continuous icy grip on the area.
 The week-end brought the season's worst blow with sleet and ice that left a coating a half inch thick that made for hazardous driving and walking and sagged temperatures to the low twenties. With a momentary let-up in early week, another blow, this time dry but still plenty cold, swept down and within minutes had dropped temperatures from the balmy sixties to below freezing. Early morning temperatures had warmed up to around 28 Wednesday morning and clear skies and sunshine during the day compensated somewhat for the still chill wind.
 Forecasters promise more of the same the coming week-end with another mass of cold air from the far north headed this way.
 As for records, many of the early season cold records have fallen in the past few weeks as summer turned suddenly into bitter winter and enough to last an ordinary winter has already gone into the books — and winter is still a month away.

Annual Turkey Shoot Postponed To Sunday

Bad weather forced postponement of the Ozona Rotary Club's annual turkey shoot scheduled for last Sunday afternoon.
 The turkey shoot has been rescheduled for next Sunday afternoon, starting at 1:30 p. m., at the Gene Williams ranch two miles west of Ozona, weather permitting.
 In addition to turkey shooting, there will be small bore target shooting for adults and children with prizes in various contests. Everybody is invited to attend.

Shallow Wildcat Set Southeast Of Ozona

Texas Crude Oil Co. will drill an 800-foot cable tool wildcat in Crockett County, 14 miles southeast of Ozona, as the No. 1-41 W. E. Glasscock.
 Location, on a 453-acre lease, is 990 feet from the north and 660 feet from the east lines of 41-IJ-GC&SF. It is 330 feet south of Southern Union Gas Co. No. 1 Glasscock, 9,200-foot failure, abandoned May 11, 1955.
 Sinclair Oil & Gas Co. was taking potential as a Grayburg discovery at its No. 1-154 University, in 8-46-University Lands survey, Crockett County deep failure, 16 miles northwest of Ozona.
 The project was drilled to 10,000 feet before being plugged back to 2,400 feet from completion of the Grayburg through unreported perforations.

Farm Census Work To Begin In Area

Field work in the 1959 Census of Agriculture gets underway locally on Nov. 18, when a force of census takers will start visiting every farm in the area, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.
 Farm census questionnaires have been mailed to all farm operators. The census takers will visit all local farms to collect the questionnaires and, if necessary, assist the farmer in filling out the report form.
 The 1959 Census of Agriculture is the 17th in a series of nationwide farm canvasses, the first of which was conducted in 1840. The Census of Agriculture is taken at five-year intervals to provide up-to-date statistical information about the nearly five million farms which supply food and raw materials for manufacture of goods used by the people of the United States, now numbering about 178 million. The current census will yield information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment and selected farm expenditures.
 The field director emphasized that all information about individuals and their farm operations furnished to the Census Bureau is held in absolute confidence under Federal law. It is used only to provide summary figures such as totals, averages, and percentages. The information on an individual report cannot be furnished to any one other than sworn Census employees and thus cannot be used for investigation, taxation, or regulation.

Study of Play, 'J. B.' Features Fine Arts Program For Forum

For its annual fine arts program the Ozona Woman's Forum featured a study of the current play, "J. B."
 Mrs. Ele Hagelstein, leader for the day, gave a sketch on the author, Archbald McLeish. Mrs. Nip Blackstone reviewed the play itself and Mrs. W. T. Stokes gave comments from various critics.
 Mrs. Tommy Harris reported to the club that a large box of Christmas gifts had been sent to McKnight Hospital gift shop. A committee was appointed to investigate a suitable gift to West Texas Boys' Ranch.
 The meeting was held Tuesday in the home of Mrs. Brock Jones with Mrs. Fred Hagelstein assisting Mrs. Jones as hostess.
 Other members present were Mmes. John Coates, Dempster Jones, Marshall Montgomery, L. B. Cox, III, Charlie Black, Joe Clayton, Hugh Childress, Jr., Jess Marley, Pete Jacoby, Pleas Childress, Tommy Harris, C. O. Walker, Beecher Montgomery, J. S. Pierce, III, James Childress and Jim Ad Harvick. Guests were Mrs. R. H. Knox and Mrs. Kirby Moore.

HELLO AND GOODBYE — Six-year-old Charles Lane Rutherford, son of Congressman and Mrs. J. T. Rutherford, no sooner says hello to his daddy than he must turn around and say goodbye. Rutherford, who has been in West Texas on Congressional duties since Congress adjourned, recently returned to Washington for a brief stop and then got another "goodbye" from Charles Lane as he set forth for a tour of active duty with the U. S. Marines. Acting as an official observer for the Commandant of the Marine Corps at bases in Europe, Captain Rutherford — a veteran of 28 months as a combat Marine in the Pacific during World War II — will return to West Texas late this month upon completion of his military assignment. But Charles Lane will have plenty of opportunity to say "hello" to his dad when Congress convenes again in January, as Rutherford has been on hand in the nation's capitol to compile a perfect 100% voting-attendance record.

CORRECTION

In last week's account of the death of Charles E. Schauer in Del Rio, former Ozonan and father of Mrs. E. D. Kincaid of Ozona, the name of one surviving son, Charles E. Schauer, Jr., of Denver, Colo. was omitted from the list of survivors.

A LESSON NOT LEARNED

Foreign competition, heightened by the widening difference between U. S. and foreign wages, has fretted the AFL-CIO into changing its traditional stand on trade. The former free-traders now want tariffs and quotas to be brought to bear when the domestic market (and domestic jobs) are threatened.

Further, they resolved in San Francisco that the U. S. ought to step in and ease the plight of union members whose jobs have gone to foreign workers who now make products that the unions themselves have priced out of the market.

In their data, the AFL-CIO bosses have fingered the wage differential as the reason for lost markets, which it clearly is. Then they passed another resolution — supporting an increase in the federal minimum wage law from \$1 an hour to \$1.25, which would further widen that differential.

What the AFL-CIO wants is plain. It's a "hirable-eatable" cake.

The Wage Policy Committee of the United Steelworkers of America has voted that its 500,000 minions are to walk out of the steel mills again on January 26th in the absence of a "fair and honorable" settlement. Just possibly, between

now and then, some of the dues-paying rank and file may begin thinking they should have a vote in thinking they should have a vote in order to save the well-fed faces of their masters.

"Communism is Total Evil," said Connecticut's Senator Thomas J. Dodd in his Senate speech against the Khrushchev invitation. "It is all black. There is nothing gray about it. There is nothing good about it. Its ends and its means to those ends are evil."

"There is no evil so appalling that Communists would shrink from it, if it would effectively advance their ends. There is no atrocity so hideous that they would not willingly commit it if it served their purposes."

But how come our President didn't know?

Cost of Citifying — In the past ten years Texas prison population has rocketed from 5,000 to 11,000.

Some might wonder if the state is reverting to the lawless ways of the Old West. Not so, according to O. B. Ellis, general manager of the Department of Corrections. Seemingly, it's "progress" — or at least a parting with old ways —

NOW WHAT?

that's causing the trouble.

In citing what he feels are the reasons more Texans are getting behind bars, Ellis put "urban movement" at the top of the list.

"A good old country boy moves to the city," Ellis explained, "has a 40-hour work week and doesn't know how to use his time."

Ellis also blamed no jobs for youngsters and misplaced values — "too much emphasis on the big home, the big auto."

"In free countries every man is entitled to express his opinion — and every other man is entitled not to listen." — G. Norman Collie.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars... and what they want most in their 1960 cars. Here's what the people tell us they want... and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid thump of Chevy's big doors. Of course, if you should need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: raise.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Nearest to perfection a low-priced car ever came...

Water plants with room temperature water. A sure way to find out whether a plant needs water is to touch the top soil with your finger tip. If it feels dry water thoroughly.

Feed lightly, on schedule, every two weeks to once a month. Use soluble house plant food diluted in water. Have soil moist when you apply the feeding. Follow instructions carefully, never use stronger doses as over-feeding makes house plants sick.

Don't wait for trouble to start—spray your plants monthly with a house plant bomb according to directions.

EDITORIAL

Parents of this atomic age are desperate — but in a different way than you think. After graduating from school themselves, many of them have returned to the doors to send their children through.

Much of grade school learning is done at home because children must repeat things in order to learn them. Home is usually the scene of homework, too. Parents struggle to help the children with science or stated problems. Because of slipped memories, neighbors often come in handy. In one neighborhood, there may be a chemist, a mathematician, and a theme writer. The parents may be driven to a "homework swap shop."

NEWS ON THANKSGIVING HOLIDAYS

The Freshman Class will give the Thanksgiving Dance, this Friday night in the high school Cafeteria, from 8:00 to 12:00.

Boys! Go to the dance and wait until Saturday to go hunting. After all, aren't "deers" better than "deers".

Report cards will be given Tuesday at 3:30 during class meetings. The reason they are being given out Tuesday is so they may be returned Wednesday before the holidays.

The Thanksgiving holidays will start Wednesday, the 25th at 2:00.

LIONS END SEASON

The Ozona Lions ended their 1959 football season last Friday night, losing to Menard by a score of 14 to 12. This narrow margin meant the end of hopes for district championship.

Menard will play the District 7-A champions, Fabens, for bi-district tomorrow night in Menard.

PHOTO CONTEST

Beginning January 1, a photo contest, the 1960 Kodak High School Photo Contest, is being opened to any student contestant in high school (grades 9 through 12) who wishes to win recognition and cash prizes as high as \$400. The deadline for this contest is set for March 31, 1960.

For further information and details, concerning this contest, contact Miss Mildred North.

BASKETBALL LOOMS AHEAD

Basketball season is here. On Monday of last week, the non-football boys came out for practice. They are Bill Meinecke, L. D. Long, Roy Neil Killingsworth, Hal Long, Billy Jacoby, Art Kyle, Van Miller, Robert Cox, Billy Cornelius, Jay Miller, Gary Stuart, Mike Stiles, Jimmy Baggett, and Bobby Tabb.

After a hard football season, the football boys are getting a week off. They will report for practice next Monday.

The first game will be with Del Rio here December 4.

FIRST BASKETBALL GAME

Now that football season is ended, basketball is beginning. Basketball practice begins in earnest next Monday. The first basketball game is to be played in Ozona on De-

ember 4. Del Rio is to be our first opponent.

The Sophomore class will sell tickets to this game. They always receive the gate receipts from the first home basketball game. This is the only way the Sophomores have of making their money. So, when a Sophomore approaches you with an attempt to sell you a ticket to the Del Rio game, have compassion on him and buy a ticket.

THIS 'N THAT

Has anyone seen Muggin's new pet. It must like his car because he can't get it out.

Camille, Pam, and Robin went for the Texas and T. C. U. game. Camille spent the week-end with Diane.

Seen at the show Sunday night were Roy Neil and Nonie, Pierce and Judy, and Herbie and Pam J.

Two of our exes, Diz and Tom-mye, will become Mr. and Mrs. Reeves, Sunday. Congratulations!

Tommy S. is going to San Angelo Saturday to see Frances Sayles and watch Abilene and San Angelo play.

SEVEN LIONS ON ALL-DISTRICT TEAM

Seven boys from Ozona were chosen for the All-District-A football team this year.

Ozona boys on the offensive team

are: Dicky Flanagan, who plays tackle; Tommy Porter, a guard; B. B. Ingham, center; and Tony Parker, back. Wayne Albers, Jim Williams, Joe McMullan, and Jim Freeman received honorable mention on the offensive team.

Wayne Albers, end; Dicky Flanagan, tackle; Bob Meinecke, line backer; B. B. Ingham, line backer; and Jim Freeman, halfback; are the boys from Ozona who made the All-District defensive team. Jim Doran, Ronnie Beall, Mark Baggett, and Jim Williams made honorable mention on the defensive team.

WHAT'S THE DIFFERENCE?

The difference in price between today's prescriptions and those of 20 years ago can easily be figured. The difference is measured in dimes . . . sometimes even in dollars. But how can we measure the difference in results? Surely, no value can possibly be put on a life saved by a miracle drug that didn't exist 20 years ago!

FALCON, the New-size Ford, delivers the value and cuts the budget!

Handling that's really a breeze. The all-new, new-size Falcon parks on a dime . . . turns on one, too! You'll be able to steer with power steering ease . . . without power steering. You'll be able to stop as though you had power brakes . . . without power brakes.

Room for six—and all their luggage. No doing without in the Falcon! There's hip, shoulder, knee, and head room galore! Both two- and four-door models are a cinch to enter. Then, thanks to the Falcon's front-mounted engine, there's luggage space plenty for everyone.

Up to 30 MPG on regular gas, too. And the Falcon actually crossed the country without any oil added. Speaking of thrift, the Falcon's finish never needs wax. Its aluminized muffler normally lasts up to twice as long.

Sweet performance from Ford's most modern six. A full 90 hp. You'll have to feel the pickup and responsive power to believe it! And each Falcon Six is electronically balanced, while turning under its own power, for top smoothness.

New luxury interiors. Upholsteries are truly quality-made . . . materials you'd expect to find in cars costing twice the money. Seats are chair high. The front seat cushion is foam padded. And the Falcon rides smooth as silk . . . corners on rails.

Proved over 3,000,000 miles. To top off 3 years of testing, a fleet of the new-size Falcons has just been proved over every mile of numbered Federal highway. It's without a doubt, the world's most experienced new car.

Notes From The County Agent's Office

By Pete W. Jacoby

One of the causes of chronic bloat in cattle is believed to have been found by researchers at Oregon State College, reports Dr. C. M. Patterson, extension veterinarian. According to their research, he adds, bloat runs in the family.

The researchers kept records on 250 beef calves in the course of the study. Chronic bloat showed up in 7 out of 13 offspring of "bloater" bulls mated to "bloater" cows or to cows closely related to the bulls. Of the regular breeding herd, less than four percent bloated occasionally.

Bloat is caused by a buildup of gas during feed digestion in the large storage reservoir in a network of four stomachs in cattle. Chronic bloating stunts growth and is a major cause of death losses in both beef and dairy cattle.

Patterson also reports that bloat occurs most often when animals are on high-quality feeds such as good alfalfa hay supplemented with barley. Test animals received a pelleted ration of two parts half-inch cut alfalfa hay to one part grain mix.

Since the tendency to bloat was increased in the tests through selective breeding, Patterson believes that it may be possible to pinpoint chronic bloating families and thus help cattle breeders select against this abnormality.

With winter already here and more to come, now is the time to check your home and other buildings to see if any part of the structures need replacement or repair, is the advice of W. S. Allen extension agricultural engineer.

Inspect the roof to see if the summer sun has curled or caused

shingles to split. Check metal flashings in roof valleys, around chimneys and other critical points. If they are in poor condition, replace or repair.

Clean all gutters and downspouts. Check to see if they are firmly fastened and look for rusty spots. A wire screen over the downspout will help prevent leaves and trash from entering and choking off the drain. When gutters overflow, you risk expensive damage to the cornice or walls of the house.

Be sure water from the downspout drains away from the foundation, warns Allen. Check all drainage around the foundation

and fill in any low spots to assure proper and adequate drainage away from it. This will help prevent "heaving" and other potential damage problems.

Caulking at windows, masonry joints and other possible points of moisture entry should be checked and replaced if loose or chipped.

Proper and timely maintenance will prevent costly repairs at a later date. Allen added. So save money later by making a check of these points now.

Caruthers Jewelry will be open each Saturday afternoon from now until Christmas.

Fred Waring Show In San Angelo Nov. 28th

On Saturday, November 28th, Fred Waring and The Pennsylvanians will entertain West Texans with two shows at San Angelo Coliseum in San Angelo under the sponsorship of Suez (Shrine) Temple. Matinee show time is 2:30 p. m. with tickets priced at 99¢ for students and \$2.00 for adults with no reserved seats. The night show starts at 8:15 p. m. with all seats reserved and priced at \$1.50 and \$2.50. Tickets may be purchased from any Shriner, by mail addressed to Fred Waring Show, P. O.

Box 202, San Angelo, Texas, or in person at the Ticket Office in the BCD Building at 221 South Chadbourne Street in San Angelo from Monday through Saturday between 10:00 a. m. and 5:30 p. m. Tickets may also be purchased at Box Office at Coliseum on date of show.

"Stereo Festival of 1959", "The Music That Surrounds", is an all new show to which Mr. Waring has added three of America's most beautiful and talented young ladies. These outstanding personalities are Mickey Wayland, "Miss Tennessee 1959", Suzanne Johnson, "Miss Illinois 1959", and Jeanne

Steel, "Miss Maryland 1959". The cast also includes the Famed-Praised Voiced Poly McClintock, who grew up with Waring in Tyrone, Pennsylvania. The two have been in musical entertainment since childhood days, when Waring organized the "Banjazzatia", a group of banjos, while both were in Scouts.

The Jewel Abernathy Young Women's Auxiliary met Wednesday night at the First Baptist Church. "Missionary Assignments" was the lesson topic. Present were Bama Burton, Janie Everett, Beverly Alford and Mrs. Harold Shaw.

Lions Bow Out

(Continued from Page One)

in their only two possessions in the third and early part of the fourth quarters were unable to move, running three downs and kicking.

The Lions staged one brief uprising, however, that could have tied the score when they stopped Menard on their own 15 and then blocked Leggett's kick with Mark Baggett pouncing on the ball on the 12.

It took the Lions just one play to score as they faked wide and Meinecke shot up the middle for the score almost untouched. Parker missed by inches getting the two points and that was the ball game.

In the first half the Lions had 11 first downs and Menard 4 but in the second half Menard got nine first downs and the Lions none.

Ozona picked up 190 yards rushing and 0 passing during the contest while Menard had 126 rushing and 34 passing in the winning effort. Both Menard touchdowns were scored either on touches or as a direct result of a pass.

The Lions were penalized four times for 40 yards while Menard drew one penalty for 5 yards for delaying the game late in the contest.

Curtis Leggett was the game's leading ball carrier with 76 yards, one better than Ozona's Tony Parker who had 75. Parker carried the ball 22 times, the same number Leggett carried. Jones of Ozona had 58 yards on 11 carries and Meinecke had 57 on 12 efforts.

Mr. and Mrs. Nelson O. Long had as week-end guests their nephew and niece, Mr. and Mrs. Adrian Davis of Crockett, Texas. Mr. Davis is Western Auto store dealer in Crockett. The Longs own the newly opened Western Auto store in the shopping center here.

OZONA ATTENDS DISTRICT LEADERSHIP CONTEST

The groups of the Ozona FFA Chapter participated in the Concho District Leadership Contest in Robert Lee Monday.

The farm and ranch skill group brought back a first place. The boys on the Ozona Team were Tommy Everett, Jay Miller, and L. D. Long.

Charles Bingham, Frank Childress, and Bill Semmler received second place in the farm radio broadcasting.

Ozona also won two third places. One was earned in junior ranch and farm skills by the team consisting of James Brock Hoover, Dale Castleman, and Wayne Scribner. The senior chapter conducting class consisted of Jim Williams, Deeney Holden, Bob Cooke, Reid Holmsley, Muggins Good, Weldon Day, Jim Doran, Bob Childress, and Bill Jacoby.

Stepped Up Program of Promotion for Lamb & Wool In Council Plan

Denver — Lamb and wool produced in the United States will receive an added boost from promotion and advertising next year under a stepped up program by the American Sheep Producers Council.

The council's board of directors, all sheep owners representing every part of the country, authorized the accelerated program in its recent semi annual meeting in Denver. Purpose of the increase in promotion and advertising effort will be to boost returns to sheep producers on both lamb and wool.

The directors authorized the organization of a wool division in the ASPC headquarters to promote and advertise domestic wool and American made wool products.

Don Clyde, of Heber City, Utah, president of the ASPC, said the council will cooperate and coordinate its activities in wool advertising and promotion with other wool agencies.

The council's current budget for wool is \$974,000, and this figure may be increased slightly for the fiscal year beginning July 1.

For the lamb phase of the program, the directors called for an allied committee with representatives of all segments of the livestock and meat industry participating to discuss all problems of lamb production and marketing in an effort to bolster live market price for lamb. President Clyde said there is no doubt that the ASPC has done a good job of increasing consumer demand for lamb in all of the 21 promotion cities in which it operates, but that there are basic problems which need to be solved before greater success can be attained. He pointed out that the retail price of lamb has held high and steady, but this favorable margin has not been reflected to live prices.

The lamb promotion and adver-

tising budget for the next fiscal year will be increased slightly from its current level of \$1,371,000.

BROWNIE TROOP NO. 2

Troop 2 Brownies met Nov. 16. Newly elected officers for a six weeks period were President, Jerry Lynn Morrison; Secretary, Bonnie Carson; Treasury, Connie Hubbard.

More canned foods were brought for a Thanksgiving basket to be delivered by Jackie Gauld and Jill Fleagle.

We were sorry to lose Brownie Mary Grace Davis who moved to Iraan. We wish her lots of luck with the Brownies there.

Hostesses for Nov. 23, will be Ginger Womack and Connie Williams.
