Baggett Brothers Sweep Fat Lamb Div.; Pam Jones And Jay Miller In Registered Sheep Div. of 4-H Show

Wynn Baggett was the big winner in the fat lamb division of the Annual Crockett County 4-H Show held last Friday, winning champion and reserve champion crossbred lambs, champion group of three crossbreds and grand champion group of three fat lambs. Mark Baggett had champion finewool fat lamb. Vic Montgomery was the breeder of champion crossbreds and Jake Baggett bred the champion finewool lamb. The Ozona National Bank purchased the champion finewool for \$205.00 and the champion crossbred for \$200.00.

Jay Miller and Pam Jones were big winners in the breeding division. Jay showed champion Rambouillet ewe, bred by Pierce and the reserve champion ewe bred by Jay Miller. Jay showed reserve champion ram champion pen of three Rambouillets. Pam Jones had champion ram and reserve champion of three Rambouillets, all bred by Pam Jones.

Betty Henderson showed champion and reserve champion steer, Herefords and bred by Floyd Henderson.

Bill Williams had champion and reserve champion Hereford heifers, bred by Troy Williams.

Showing very strong competition in one of the best fat lamb divisions ever held were Bill Jay with reserve champion group of three crossbreds and reserve champion group of three fat lambs of the Show, with lambs bred by Joe T. Davidson; David Baggett with champion group of three finewool fat lambs bred by Cotton Brooks; Eugene Vinson with the first place lightweight lamb, second place heavyweight lamb, reserve champion lamb and reserve champion group of three finewool lambs, bred by Cotton Brooks; and Billy Barber with the first place lightweight crossbred lamb and second place group of three crossbreds, these lambs bred by Charles Davidson, Jr.

Showmanship honors went to Larry Williams in the Elementary School age group, Bryan Montgomery in Junior High, and Mark Baggett in the High School group. Larry received a 4-H belt buckle, donated by Carl Conklin, outstanding 4-H club member of several years ago and presently a senior student at Texas A&M. Mark and Bryan received silver spur ties, donated by the Federal Land Bank Association of Sonora.

Some three hundred people were served a barbecue supper by the Ozona Butane Company, followed by a presentation program. June Baggett, Senior 4-H Club Sweetheart, was presented a 4-H club (Continued on Last Page)

High Moisture Dropped In Tuesday Night's Activity

Violent Thunderstorm Accompanies Passing Weather Front

A violent thunderstorm with blinding lightning, thunder and strong wind, also brought some moisture to West Texas Tuesday night. The weather activity was slow and soaking through several hours of the evening. Lightning struck in some sections of the area, but no further damage was done. A television cable installation was backing out light curiously.

Winds which struck in the area and caused blindness over much of the area, pushed on into the heels of the moisture front, and high winds prevailed most of Wednesday.

Ozona AFS Cagers To Play Pyote AFS Friday Night In Ozona Gym

Ozona AFS this Friday at 7:30 p. m. will engage Pyote AFS in an interdivisional basketball game at the Ozona High School gymnasium. Coach Sam Lee's five will be especially up for this game with Pyote since it will be the final game they will play before embarking for Albuquerque, New Mexico for the 34th Air Division tournament, the week of the fifteenth of February.

Coach Lee's starting five will consist of Lee Schnittker, Ron Reed, Bob Olmstead, Jack Johnson and Harold Cox. In reserve will be: Al Riddick, Connie Spiers, Van Johnson, Loy Awbrey, Dick Brimlow, Chuck Garay and John Trago.

Track Team Last Hope Of Lions For Title This Season

Early Season Drills Under Way In Preparation For Meets

By Ernie Boyd
Coaches Chick Womack and Sonny Cleere have begun conditioning work for the 1960 Ozona track team at Lion stadium with some ten to 15 boys taking part in the early season drills.

The squad will be bolstered by many of its top performers as soon as basketball season ends and contender for district honors this center for district honors this season.

Coach Womack will have the final chance to cop a district title in a major sport this season since football and basketball both missed this season.

The Lions have not missed winning at least one major district title in the last eight or nine years and for Coach Womack and his squad it will be an effort to win their third straight title following a record of having never won the title since the school entered class A competition.

Returning for their junior year of track competition will be sprinters Jim Doran and Tony Parker on whom much of the Lions success this season will rest, along with seniors Bob Meinecke, Johnny Jones, Tommy Porter, Jim Williams, Joe McMullan and Alonzo Galindo all of whom were point winners for the Lions last year.

The Lions squad will be bolstered by some promising Sophs, two of whom, Carl Montgomery and Phillip Carnes, were point winners as freshmen last season.

Chief competition in the sprints will come from Menard, with last year's winners Si Rhea Ellis and Curtis Leggett, both back. Junction will be strong as usual with strength in the high jump the middle distance runs and the hurdles. Sonora is expected to provide stiff competition in the distance runs where they scored most of their points last season.

Coach Womack expects to be busy in the early part of this year's competition changing the events of some of his younger performers and with this done the Lions should have a good bit of power in the hurdles, sprints, and pole vault with some strong entries in the high jump, along with point winners in the discus where Jim Williams has been the winner for the past two seasons and the shot where the Lions garnered three places in district competition last season.

The Lions will enter their first competition in an early season practice meet to be held in Eldorado late this month.

A complete list of those competing for places this season along with a schedule of the meets the Lions will enter this season will be published later.

Lions Club Sponsors Points For Polio At Ozona-Junction Game

The Points-for-Polio drive carried out by the Lions club each year will be observed at the Ozona-Junction on Basketball game next Tuesday night, Lion President Corbett Smith announced this week.

Basketball fans are urged to turn out and support the Lions Tuesday night and at the same time take part in supporting the Ozona Polio drive.

The Lions have been hit hard by flu in the past several games but are expected to be back in good shape when they meet the district favorites in Ozona.

Junction has not been beaten in district play this season and the Lions would like nothing better than to be the club that did at least hang one defeat on the district representatives.

If Junction managed to defeat Sonora in Sonora Friday night the Eagles will need only one win in order to clinch a tie for the title and will be expected to be all out to gain their second straight district 8-A title.

First Baptist Church To Be Host To Castle Gap Brotherhood Meet

February 8th, 7:30 p. m., First Baptist Church, Ozona will be the host for the Castle Gap Association Brotherhood's Quarterly meetings.

The meeting will begin with a song service, conducted by Jim Crumley, of Crane. This will be followed by a period of testimony led by Jim Prinkle of McCamey, Dorwood Ragland of Big Lake, who is the president of the association, will preside over the business session. The attendance will be checked by vice president, Clarence Key of Ozona.

Special music will be provided by the host church, after which Dewitt Chandler, pastor of First Baptist, Big Lake, Texas, will bring the evening message. A period of fellowship and refreshments will follow.

The theme for the evening's program will be Evangelism. This is a vital subject, Rev. Harry Trulove, pastor of the local church, declared. Two factors are involved, he said, first, that the eternal experience of mankind depends on Christians discharging their responsibility at this point, and, second, the strength of the Lord's work depends on new converts filling the gap left by those who have gone on to their rewards.

Chinese Auction Of Lamb Nets 4-H Club \$700; 45 Are Bidders

A Crockett County 4-H Club Lamb brought \$700.00 at auction during the 13th Annual 4-H Show held last Friday. The lamb was sold at Chinese Auction with forty-five buyers in on the sale. Purpose of this sale was to raise funds for the local 4-H club fund, with a portion of this amount to go the state 4-H fund for state level 4-H activities.

Buyers in the auction were Hemphill-Wells Company, Anchor Serum Company, Ranch Feed & Supply, Roy Henderson, Chester Kenley of San Angelo, Nathan's Jewelers, Littleton Insurance Company, Mrs. S. M. Harvick, Charlie Black, Jr., George Bunker, Max Schneemann, Joe Couch, Ozona National Bank, John Childress, John M. Powell of Ft. Stockton, Charlie E. Davidson, Jr., Erby Chandler, James Baggett, Jake Miller, Dempster Jones, Ted White, P. L. Childress, Jr., Crockett Co. Abstract Company, Boyd Baker, Ralph Jones, Lowell Littleton, Mrs. Max Schneemann, Alice Baker, Charles Applewhite, Knox Motor Company, R. L. Bland, Jr., Penn Baggett, Mark Baggett, Caruthers Jewelry, Mrs. Charles Applewhite, Fred Baker, Jimmy Baggett, Diana Couch, Paul Ballard, South Texas Lumber Company, Bill & David Jacoby, Buddy Couch, George Bunker, Jr., All-State Cattle Company, Skydrider's, Inc., and James and Bill Childress.

Last Minute Poll Tax Payers Swell Total Near 1400

95 Issued In Final Three Open Hours Sunday Afternoon

More than 500 last-minute poll taxpayers swamped the local collector's office the past week-end to swell the Crockett county voting strength for the 1960 election year to near 1400.

As an accommodation to the last minute qualifiers, Mrs. Gertrude Perry, office deputy, was on duty at the collector's office from 2 to 5 p. m. Sunday and in that three hour period issued a total of 95 poll tax receipts.

There were 1314 regular poll tax receipts issued and 45 exemptions which together with the over-coverage exemptions will bring the county's voting strength close to the 14000 mark. In addition, 8 alien polls were issued.

The total was only slightly under the last presidential year total of 1359 regular polls and 46 exemptions, Mrs. Perry reported and well above the last off-year total of 1086 regulars and 23 exemptions.

Austin Man To Speak During Revival Meet At Church of Christ

Reuel G. Lemmons, world traveler and lecturer, will do the preaching at a series of gospel meetings planned at the Ozona Church of Christ starting Feb. 14 and continuing through Feb. 21. Services will be held twice daily, at 4 p. m. and 7:30 p. m.

Mr. Lemmons is a graduate of Abilene Christian College, and began preaching in Tipton, Okla., in 1930. He conducted a daily newspaper column for twelve years and was at one time a guest speaker at a United Nations session.

He is a member of the board of A. C. C., Gospel Press, Church Builders, Associates Management and is on the advisory board of Pepperdine College in Las Angeles Calif. He is also a member of the editorial board of "Restoration Quarterly," editor of "Firm Foundation" and "The Majestic Hymnal." A world traveler, he has great interest in mission work, has lectured in Japan, Africa, Australia and in South and North America. He returned last month from a trip to Australia and Africa.

The church extends a cordial invitation to all in the community to attend the services. A dinner will be served each Sunday noon in the Granny Miller hall during the series of services.

Byron Stuart Opens New Motor Service Business In Ozona

Byron Stuart, service manager at the North Motor Co. and later at the Knox Motor Co. local Chevrolet - Olds - Cadillac dealership for the past 14 years, next week will launch a new business in Ozona, the Stuart Motor Co., located in the Troy Williams garage building which has been leased by the new firm.

Associated with Stuart as mechanics will be Claude Montya, and Bill Holden, both also formerly associated with the North and Knox Company. Both Montya and Holden are mechanics of long experience and the new motor firm will offer mechanical service on all makes of cars and trucks.

Continental gasoline and oils will be featured in the filling station at Stuart Motors. The firm plans to be open for business starting next Monday morning. The telephone number of the new business is Ex 2-3110.

HOSPITAL MEMORIAL FUND

Wagner Lutheran Choir To Sing Here Feb. 12 Annual Concert Tour

Ozona music lovers are looking forward to the appearance Feb. 12 at 7:30 p. m. of the Wagner Lutheran Choir. This choir is being sponsored by the Ozona Music Club and the Ozona Methodist Church. The program will be presented in the sanctuary at the Methodist Church and no charge will be made but a freewill offering will be taken.

Fifty students of Wagner Lutheran College, Staten Island, New York, are chosen by Dr. Sigvart V. Steen professor of music and chairman of the music department from the student body of the college for their musical ability and their interest in singing the great works of sacred choral music. The choir makes a three-weeks concert tour at the height of the concert season, performing in concert halls and churches.

Capacity audiences in Europe, Canada, and leading American cities of the East and the Mid-west have enjoyed concerts by this choir in recent years. Because Ozona was on their route, the choir is stopping and giving a concert here between larger city concerts.

Dr. Sigvart J. Steen, Professor of Music and Chairman of the Department at Wagner College, has had wide and successful experience in the field of choral music. His choirs have performed in Town Hall, N. Y., Orchestra Hall, Chicago, John Hancock Hall, Boston and Constitution Hall, Washington. He has studied at Luther College, St. Olaf College, the University of Berlin, and at New York University.

Mothers' March Nets \$605.51 For Polio Fund Here

Dimes Campaign To Remain Open In Hope Of Meeting Need

Marching Mothers here Saturday night added \$605.51 to the local collection on behalf of the New March of Dimes campaign which has been under way here the past three weeks.

Various clubs and organizations of the city cooperated in naming solicitors to make the annual porch light campaign and results were considered excellent.

Under the leadership of Mrs. James Childress, Mothers March chairman, the following workers carried out the night's assignment: Mmes. Ashby McMullan, Herman Knox, Bill Clegg, Joe Clayton, Charles Williams, Jr., Charles Womack, Fred Hickman, Hubert Kunkel, Margie Wehns, W. T. Stokes, Charlie Black, Brock Jones, Jim Ad Harvick and Bud Cox, and for the Ozona Rotary Club Ernest Dunlap and Hubert Baker. In the Latin American sector, workers were Mmes. Napoleon Vitela, Jesus Castor, Melchior Cardenas, Alfonso Ramirez, Reyes Cisneros, and Romello Perez, assisted by Boy Scouts of Troop 163 and Girl Scouts from Troop 6.

Reports from other benefit activities have not yet been tallied by Mrs. Jerry Hayes, Drive chairman, but the campaign will be continued for several more days in the hope of more nearly reaching the total needed to retire the local chapter's indebtedness which has built up during past years by reason of local needs.

Ozona Man Completes Navy Recruit Training

San Diego, Calif. — James E. Lovell, apprentice petty officer second class, USN, son of Mr. and Mrs. L. W. Lovell of Avenue J., Ozona, Texas, graduated Jan. 29 from Recruit Training at the Naval Training Center, San Diego, Calif.

Apprentice petty officers are chosen from the ranks of the seaman recruits to assist Company Commanders. The selection is based on individual aptitude and leadership qualities.

Annual FFA Show Starts Saturday Morning At 8:30

Commercial Show and Grading Demonstration At Ag Barn

Ozona FFA Chapter members are set this week for the annual chapter commercial show and grading demonstration to be held Saturday, Feb. 6, starting at 8:30 a. m. at the junior agricultural barn.

The day's schedule opens with the showing of best fitted crossbred and finewool lambs, followed by grading of finewool lambs into commercial slaughter grades, showing pen of 3 finewool lambs, lightweight shorn finewool lambs; heavies in the same class; the same classes in crossbreds and at 11 a. m. will be grading of calves into slaughter grades and selection of champions.

Showing of Angora billies and Angora does and selection of champions will be followed by presentation of awards to best showman, best fitted lambs, and best feeder. At about noon will be the selection of champion and reserve champion prime commercial finewool, shorn finewool and crossbred lambs.

At the noon hour, there will be a barbecue dinner served at the barn at \$1 per plate as a benefit for the FFA Chapter fund.

Starting at 1:15 p. m. will be the invitational livestock judging contests in which area teams will take part.

The feeding operations and the Sat. night show are under the direction of M. A. Barber, vocational ag teacher in the Ozona Public Schools. FFA boys showing finewool lambs, and the number each will show include Jim Adams 4, Pleas Childress 5, Leslie Deland 3, Muggins Good 3, Deeney Holden 3, Jim Brock Hoover 1, L. D. Long 3, Jay Miller 4, Bill Semmler 1 and Billy Troy Williams 5. Shorn finewool lamb exhibitors include Jimmy Baggett 6, Charles Bingham 3, Bob Childress 7, Fletcher Coates 4, Leslie Deland 1, Tommy Everett 4, Muggins Good 3, Reid Holmsley 7, L. D. Long 1, Herbie Noelke 4, and Bill Semmler 1.

Showing crossbred lambs will be Charles Bingham 3, Frank Childress 4, Pleas Childress 1, Weldon Day 4, Leslie Deland 3, Deeney Holden 4, Billy Jacoby 4, L. D. Long 5, Jay Miller 4, Herbie Noelke 1, Wayne Scribner 3, Billy Semmler 3, and Billy Troy Williams 5.

Jim Doran and Billy Troy Williams each will show calves. Showing Angora buck will be Leslie Deland, Tommy Everett, Billy Jacoby and Jim Williams. Showing Angora does will be Jimmy Baggett, Charles Bingham, Herbie Noelke, Leslie Deland, Jim Doran and Tommy Everett.

Cosden Baggett Well Rated 10 Million of Strawn Gas On Test

Cosden Petroleum Corp., Big Spring, No. 1 E. G. Baggett, Crockett County re-entered Ellenburger failure, 9½ miles southwest of Ozona, has been completed as a Strawn gas discovery for a calculated, absolute open flow of 10-300,000 cubic feet of dry gas per day.

Production was through perforations between 9,106-180 feet. Location is 1,980 feet from the south and 1,880 feet from the west lines of 24-F-GC&SF.

The project originally was drilled by Mobil Oil Co. (Magnolia Petroleum Co.) and abandoned Sept. 16, 1958, at 10,300 feet.

Gloria Oil & Gas Co., No. 1-A J. M. Shannon Estate, in 17-UV - GC&SF, Crockett County, Queen sand prospect 13 miles west of Ozona and one mile west of shallow production in the Vaughan field flowed 22 barrels of new oil and 41 barrels of water in 24 hours.

Flow was through a ¾ - inch coke and perforations between 1-120-138 feet.

Testing continued.

THURSDAY, FEB. 4, 1960

BILLION DOLLAR LOOPHOLE

As the House Ways and Means Committee begins its annual discussion of how to tax the virtually untaxed co-ops of the nation, hopes for equitable legislation seem brighter than for some time past.

Co-ops, as everyone knows, are big business. Nourished by their colossal tax advantage they continue to grow at an alarming rate. From their humble beginnings as small farmer-owned purchasing groups, they have become distributors and retailers of huge quantities of merchandise of all sorts and have further expanded into the fields of processing and manufacturing. At the mercy of these extensive and burgeoning operations are the business concerns with which the co-ops are in direct competition and on which the Government levies corporate taxes up to 52 percent.

Correction of this ruinously unfair discrimination in tax treatment should gain new emphasis in this election year of 1960 when viewed against the back-drop of the President's non-popular requests for five-cent postage stamps and half-a-cent-a-gallon more tax on gasoline. That these demands for new revenue and the tax-dodging co-ops will be backed in the minds of both the public and its servants in Washington seems inevitable when it is considered that a tax equalizer covering co-ops and mutual financial institutions (money co-ops) would produce about the same amount — roughly a billion dollars!

For a successful solution of this challenging problem, however, Chairman Mills and the members of his Committee should make a

clean, fresh start on their task rather than patching up or adding to existing legislation. Any effort to strengthen the unworkable 1951 law, a procedure which some members favor, would leave the co-ops as free-wheeling as ever and simply shift the tax burden that is properly theirs to the backs of the farmer-members.

And success in these labors should condition the committee admirably for an equally laudable chore next year — that of cutting the taxes of all of us.

Washington Talks with Russia on paying \$800 million for a \$2.6 billion portion of the \$11 billion of Lend Lease goods furnished by us during World War II have bogged down completely. US negotiator Bohlen broke off the two weeks session when Ambassador Menshikov demanded a trade agreement and long term credits in the deal. In Geneva, the Russians rejected as "nonsense" a new Western plan on nuclear tests before it had even been presented.

And in Paris we are soon to have another summit meeting. Oh happy day!

E. S. A. BRIDGE PARTY

Members of Epsilon Sigma Alpha Sorority enjoyed a bridge party in the home of Mrs. Coralie Meinecke, sorority sponsor. Mrs. Ernie Boyd and Mrs. H. A. Hoover were hostesses. High score prize went to Mrs. L. B. T. Sikes, and low to Mrs. Fred Hickman. Bingo prize was won by Mrs. George Bunker.

Coffee and cake were served to the following members: Mmes. Jerry Hayes, C. R. Womack, Dick Webster, Foy Moody, M. E. Dobbs, Fred Hickman, Jody Jones, George Bunker, Charles Garlitz, L. B. T. Sikes, Joe Pierce, IV, Dick Kirby, Bob Wahnau, Robert Payne, M. A. Barber, James Chapman, Sonny Henderson, J. A. Pelt, Ernie Boyd, Coralie Meinecke and H. O. Hoover and Miss Billie Chandler.

4-H Show Champion Lamb Brings \$200; Others At \$1 Pound

The Ozona National Bank purchased the two champion lambs of the 13th Annual Crockett County 4-H Show last Friday evening. Mark Baggett received \$205.00 for his champion finewool fat lamb and Penn Baggett received \$200.00 for his champion crossbred.

Twenty-four other 4-H members sold lambs in the auction sale, averaging a little over \$1.00 per pound. Buyers of 4-H lambs were as follows: Ozona National Bank, Gandy's Creamery of San Angelo, Nathan's Jewelers of San Angelo, Anchor Serum Company of San Angelo, J. M. Baggett, South Texas Lumber Company, General Telephone Company of Ozona, Knox Motor Company, Barnes & Company of San Angelo, Evans Foodway of Ozona, Troy Williams, Roy Henderson, West Texas Utilities Company of Ozona, Hemphill-Wells Company of San Angelo, Robert Massie Company of San Angelo, San Angelo Fat Stock

Show, Holt Machinery Company of San Antonio, George Montgomery, Lee Childress, Coralie Meinecke, and Skyrider's, Inc., of Ozona.

OZONANS HAVE GRAND-DAUGHTER

Mr. and Mrs. Joe Ross Hufstедler of Jal. N. M., are the parents of a daughter born Jan. 21. Named Dasa Clarice, the baby weighed 8 pounds, 4 ounces. She has a brother, David 6. Grandparents are Mr. and Mrs. Ross Hufstедler of Ozona, and Mr. and Mrs. Lee Graves of Uvalde, Texas. Great grandparents are Mr. and Mrs. John Hufstедler of Lubbock.

Lt. and Mrs. Dennis Starling of the Ozona AFS, are the parents of a daughter born in the Crockett County Hospital Friday, Jan. 29.

EDITORIAL

I don't want fame, distinction, honor, and prestige. I will take it if it comes, but I will not seek it.

This statement seems absurd to most of us, but this is exactly what the men who have been mentioned as presidential candidates of 1960 have been saying. The office of president of the United States carries all of these adjectives. Yet, men say that they don't want the office.

Is the old custom of being dragged into the nomination (by their own free will) good for their party or themselves? If a person really wants to become president, why shouldn't he say so? Every man who thinks he has the ability to perform the duties of president should stand up and say so, for himself and for his country.

TYPES OF STUDENTS

By Margo Pogue

There are many different types of students known today. No one has ever done research on this but if they did, they'd find several interesting types.

The first type is the student who sits directly in front of the teacher on the edge of his seat with a bright eager expression on his face. This type is ready and willing to answer all questions.

Type No. 2 sits in the corner

farthest from the teacher, slumped down in his seat. This person never answers a question and generally sleeps.

The third type is known as "the window gazer." He always sits by a window and stares out. This type will gaze out the window no matter what — even though the shade may be down!

The last type I'm going to comment on is the talker. This student talks continuously to anyone and everyone in the room. It is impossible for him to keep his mouth shut for more than five seconds.

WEATHER PROPHECYING

By Bama Burton

Nowadays everyone knows that the weather is made on television immediately following the ten o'clock news. No one questions how this is done. It is taken for granted that someone either guesses a number between one and a hundred, or he draws a number from a hat and that will be the temperature.

As one can easily see, it takes really smart people to make our weather, and much credit is due to our weather men. However, there has not always been television, and weather has been going on forever. This causes one to wonder how it can be explained. It is really very simple.

A small short-legged rodent has been the weather prophet since weather began. This is the Woodchuck or Ground Hog. He comes out of his hole on February 2nd and if he sees his shadow there will be six more weeks of winter; if not then winter is over and spring will begin.

Some people consider this a much better way to make weather because the Ground Hog has been around a lot longer than television and is much more reliable.

FLY, FLOW — FLU?

By Susie Chandler

Just what is this "flu"? There are several different kinds — the most common two being the "I don't want to go to school today" kind and the kind you don't want, the real McCoy.

This is the time of the year for this epidemic. People either run from the sick or stay very close companions with them. It's usually the latter who stay well.

Patients with the first type of flu usually manage to scrape up fever of 100 degrees and to crawl in bed, relax, and catch up on the sleep that they managed to lose over the week-end. Yes, this is the only type of flu that anyone would want to catch.

The unfortunate contact the second type. Nobody want this. Without scraping, they manage to get 103 degrees of fever and don't seem to want any food.

If you have been a victim, you know which you don't want — and if you haven't, you can still tell which to catch.

SENIOR TRIP

Since the end of the year is approaching there arises the age old question of where the Seniors are going to take their Senior trip.

At a class meeting last week, this was discussed. Several places were mentioned. Galveston, Garner Park, and a dude ranch near Austin. The destination will be selected at the next class meeting. If any underclassmen have any ideas, be sure and let the Seniors know.

Remington QuietRiter Portable typewriters at the Stockman.

THIS 'N THAT

The Seniors are trying out for the Senior Play which is to be presented sometime in May. The title of the play is "The Brat".

A volleyball tournament in Odessa will start today and last until Saturday. The Ozona volleyball team will play Colorado City tomorrow morning at 8 o'clock for their first game in the tournament.

The teachers are slowly drifting back to school after a seige of flu. Now, the students are taking their turn.

The Seniors are discussing where to go on their Senior trip. Another argument is whether to Charter a bus or go on the school bus. One even wants to go in a buggy.

The rest of this year will be pretty busy. The Junior Play will be Feb. 15 & 16. The Jr.-Sr. Banquet will be March 5th. Seniors — don't forget, Commencement is only a little more than three months away!

Perpetual Help Parish Federal Credit Union

January 24, 1960

On March 24, 1959 we held our organizational gettogether. There were only 28 of our people present, plus some guests. Since that night, we have grown little by little. The efforts we have made perhaps did not matter much by themselves but put all together, they have been slowly accomplishing things that just were not done here before.

As Christians we have the obligation to help each other in this vale of tears. It is God's wish that we use our energies to have the things we need, with the result that people do have time to attend to their spiritual needs. Our parishoners and members of Perpetual Help Parish Federal Credit Union deserve the kind of homes, and other material things to enable them to live in the dignity God gave them by calling them to be His children.

Our Credit Union has merely scratched the surface here and certainly can look forward to doing many things in the future. The opportunities are indeed present. The social and housing possibilities are tremendous and almost untapped. We can set as a goal for ourselves to set up the machinery so that our people can somehow get better homes, fire insurance, life insurance and many other things. Others have shown us the way and now that we know we can do some things we should keep right on going.

This Credit Union is under the protection of Our Lady of Perpetual Help. We dedicate all our efforts to strive for a closer imitation of the Holy Family at Nazareth.

All our efforts must be sanctified by having the right motive and also have the vitality which comes from living close to the mind and heart of the Church, especially thru the Sacraments — the channels of Grace.

Be good,

Fr Conall P. Lynch, OFM
Ozona, Texas

Ozona Child Admitted To Gonzales Center

Moriama Perez, Ozona, has been admitted to the Texas Rehabilitation Center, Gonzales Warm Springs Foundation, for treatment. Moriama is the daughter of Mr. and Mrs. Jesus Perez, Ozona.

The Texas Rehabilitation Center is the Southwest's largest facility for comprehensive treatment of the physically handicapped. The Center is a non-profit, non-sectarian hospital which assures needed care to disabled citizens of all ages.

With the incidence of polio reduced by the Salk vaccine, more than two-thirds of the Center's patients have handicaps resulting from non-polio diseases and accidents, such as spinal cord injuries, strokes, arthritis, cerebral palsy, muscular dystrophy, and arteriosclerosis.

Crockett County patients have received more than 789 days of treatment at the Center.

The reduction in polio patients brought a corresponding reduction in the Center's income. There is no National Foundation to pay for non-polio patients. Nevertheless, the Center still accepts any Texan deemed medically improvable regardless of ability to pay.

The net result, however, is that the Center is more dependent on contributions than ever. A long-range fund-raising program is under way, and the continued operation of the Center depends on how well Texans respond to this appeal for help.

BROWNIE TROOP 2

Brownie Troop 2 meets Mondays from 3:30 to 4:30 and all new girls in the 4th grade are cordially invited to join. Debra Mills and Connie Williams were appointed to meet new girls and personally invite them to join the troop.

At the Feb. 1 meeting, Kay Griffin was unable to be present and Pamela Foster has moved. Hostesses for the next meeting will be Peggy Hagelstein and Bonnie Carson.

ENLISTED MEN'S WIVES CLUB NEWS

A coffee will be given Sunday afternoon, Feb. 7, at the home of Myra Sager from 2:30 until 4 o'clock for all NCO and Airmen Wives. A Valentine motif will be used in decorations and a door prize will be given.

The Enlisted Men's Wives Club had an evening of fun playing White Elephant Bingo at their last social meeting, Jan. 26. The group

was happy to have Tudy Cunningham and Reve Altman as guests. The door prize was won by Mildred Smith and the refreshments were served by Muriel Fleagle and Carolyn Calkins.

The next meeting will be a business meeting Feb. 9 at 7:30 p. m. at the Base recreation room. Again we wish to invite all enlisted men's wives.

Accurate and Complete

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

THE STOCKMAN RANCH RECORD BOOK

The car that's medium priced in everything but its lower price tag... leads the field in looks, in luxury... with spirited performance that's pure Thunderbird. Leads in re-sale value, too.

New Gardening Era Garden Club Topic; New Officers Named

The Ozona Garden Club met Wednesday afternoon in the home of Mrs. Lloyd Sherrill with Mrs. O. D. West as assisting hostess. Mrs. Stephen Perner led the program on "The New Era in Landscaping."

Mrs. L. B. Cox, Jr. discussed predictions for the gardens of the 1960's stating that there will be two big differences — first, planning for reduced maintenance by having smaller yards, using longer paved parking areas and terraces as ground cover, planting trees, shrubs and evergreens for yearround beauty with once a year care, planning bordered flower beds for seasonal planting and using potted flowers for accent. Second, rather than the broad acres of the past, yards will be defined vistas, making sections as useful as an outside room, for all year use, stressing privacy, beauty and compactness.

Mrs. Glenn Sutton reported on the Litterbug campaign, declaring that an intensive drive will be made before the Spring cleanup. She had litterbug baskets for cars for sale.

The workshop on combining colors was discussed by Mrs. Bailey Post.

New officers for the coming year were elected as follows: President Mrs. Ralph Jones; vice president, Mrs. Bailey Post; recording secretary, Mrs. Glenn Sutton; corresponding secretary, Mrs. Alice Baker; publicity, Mrs. Evert White.

Others present were Mmes. Max Schneemann, Ralph Jones, Floyd Henderson, N. W. Graham, Tom Clegg, Hillery Phillips, Joe Pierce, Jr., Paul Perner, Monroe Baggett, Bailey Post, Evert White, Jess Marley, Sherman Taylor, Alice Baker, Glenn Sutton, John Childress, Clay Adams, Morris Bratton, Joe Clayton and guests Mrs. Ivy Mayfield and Mrs. Matt Fox.

WOMAN'S CLUB MEETS AT MRS. MILLER'S FEB. 9

Ozona Woman's Club will meet Tuesday, Feb. 9, in the home of Mrs. J. B. Miller, with Mrs. O. L. Sims, Mrs. Roy Killingsworth and Mrs. L. B. Cox, Jr., as assisting hostesses. Mrs. Bailey Post will be the leader of the combined programs on civil defense and community beautification.

Remington QuietRiter Portable Typewriters at the Stockman.

Mrs. Stephen Perner Leads W S C S Study

The Methodist Woman's Society of Christian Service met Wednesday morning at the church to begin the study on "People, Land and Churches," by Rockwell C. Smith, under the leadership of Mrs. Stephen Perner.

Talks were made on the work being done by different denominations in the rural and small towns of the mining districts of West Virginia, the mountain districts of Colorado and the sand hills of Nebraska and Ohio.

The devotional was taken from John 4, "The Bread of Life." Mrs. S. M. Harvick, secretary of Missionary Education, gave an outline of projects that will result from the study. An offering will be sent to Kindu, Congo, Africa, as a result.

Attending were Mmes. J. S. Pierce, III, Joe Clayton, Joe Tom Davidson, Morris Bratton, L. B. Cox, Jr., Ralph Jones, R. A. Harrell, Paul Perner, S. M. Harvick, H. B. Tandy, Floyd Henderson, J. A. Fussell, W. R. Baggett, N. W. Graham, Evert White, Bailey Post, K. R. Stanton, Dick Henderson, Woodrow Mills and Joe Pierce.

Crockett 4-H Club Enters Livestock In Show At San Antonio

The Crockett County 4-H Club, Ozona, Texas, has entered one Hereford steer, twelve Rambouillet sheep and fourteen lambs in the 11th Annual San Antonio Livestock Exposition. Entries are by Larry Williams, Pierce Miller, Jay Miller, Mark Baggett, Fred Baker, Bob Childress, P. L. Childress, Bill Jacoby, Larry Mills, Bill Williams and Bryan Montgomery, according to Pete W. Jacoby, County Agent.

Their entries are among more than 5,000 head of livestock and horses which will be at the Feb. 12-21 Show. An alltime high of \$123,500 in prizes and premiums are offered, according to president E. W. Bickett, who also announced Saturday, Feb. 13 will be "Rural Youth Day" with some 35,000 rural youngsters expected to attend if good weather prevails.

The 11th annual Stock Show will feature 15 performances of the World Championship Rodeo, starring Jimmy Dean and Betty Johnson.

"Almost everyone knows the difference between right and wrong. But some just hate to make decisions." — Joseph Salak.

Systematic Deferment Necessary To Maintain Vigorous Range Growth

By Dick Ketchum, S. C. S.

Deferment was nature's method of maintaining the vigor of the vegetation and maintaining the ecological balance between wildlife and vegetation. Deferment, properly used, is the most effective practice that a rancher may use to improve his range condition.

Deferment benefits the range in four ways. Deferment increases the vigor of the plants on the range, increases seed production, protects seedlings until they are established and allows for maximum range production.

The results obtained by deferment will depend upon current rainfall, climate, soil, past use, current utilization, and the length of the deferment. The rainfall absorbed by the soil during the deferment period will determine the success of the practice. The optimum time to begin deferring a pasture is immediately after a rain. There is little benefit received from deferring rangeland during the winter as deferment of the range until the vegetation matures and sets seed is adequate. Proper utilization of rangeland in the winter following deferment is probably beneficial.

The frequency and length of the deferment period depends upon the climate and the present range condition. In humid and sub-humid climates, ranges need less deferment than in arid climates because plant succession is faster. In semi-arid areas, range improvement is slower due to the low and erratic rainfall and frequent deferment periods are needed. Ranges in poor condition (less than 25% of the climax vegetation) will require longer and more frequent deferment periods than ranges in a better condition. Ranges in good condition (50 to 75% of the climax vegetation) seldom need more than a short deferment in the spring to maintain the vigor to the vegetation.

There are students of range management that consider light stocking to be as effective, for range improvements, as deferment. A light stocking rate can be as effective in improving range condition from poor to fair condition, but deferment is necessary to improve a range to good condition. The very grazing habits of livestock inhibit the effectiveness of light stocking because livestock graze the most desirable plants first, therefore the inferior plants

will increase. Light stocking results in scattering livestock which increases ranch labor costs. It is true that unpalatable weeds may increase following deferment of a pasture but this is a temporary result of plant succession and reflects the past use of the rangeland. Unpalatable weeds are part of nature's plan to increase plant litter so that the soil will support a higher type of vegetation.

Free-Throw Weakness Spells Lion Defeat In Encounter With Owls

By Ernie Boyd

Two free shots with less than a minute to play by Big Lake's James Mann spelled defeat for the flu ridden Ozona Lions again Tuesday night as the Big Lake Owls won a hard played 43 to 41 decision over the Lions.

Actually it was the Lions poor shooting from the free throw line that spelled defeat as they out-shot the Owls from the field 16 to 13 but hit only 9 of 24 free throws as compared to 17 out of 25 for the Owls. In reality, the Lions were even worse than the figures show from the free throw line since many of their shots were one on one-foul shots where a successful first shot would have given them a second shot.

Herby Taylor with 17 points and Bobby Hubbard with 15 points led the Owls while Johnny Jones 11 and Phillip Carnes 9 were tops for the Lions.

Taylor converted five of six free throws and Hubbard had seven of eight.

The loss of Phillip Carnes through personal fouls in the 4th period did much to abet Big Lake's cause as the scrappy Ozona soph was doing a fine job of rebounding and ball hawking before getting his fifth personal.

The Lions led most of the contest as Carnes, Jones, Montgomery, Williams and Killingsworth all scored to keep the Lions ahead but constant misses at the free throw line combined with some fine shooting by Big Lake from the same spot spelled defeat.

The loss left the Lions and the Owls deadlocked with Menard for last place, each with a one won and three lost mark.

The Lions hope to have some of their missing ball players back Friday when they travel to Menard to meet the Yellow Jackets in the first game of the second half of district play.

The Lions will face district leading Junction in Ozona next Tuesday night.

Girls Volleyball Team Gets Off To Good Start With Pair of Victories

The 1960 Lioness Volleyball team started on a winning streak last week as they downed Sonora and Big Lake. Neither Sonora nor Big Lake could click against the experienced Lions as Sonora fell by a score of 39-19 and Big Lake was downed 40-11 in Big Lake. The girls are being coached by Miss Geneva Knox.

Only one starter was lost through graduation last Spring.

The B team won their first game with Sonora by a score of 48-24 but lost to Big Lake 18-45. The junior high girls lost their early season game to Big Lake 14-34.

Odessa College is the site of two tournaments this week end, an A team tournament and a B team tournament in which both Ozona teams will be participating. The A team will meet Colorado City at 8 a. m. Friday and the B team meets Snyder B team at 10 a. m. Friday.

Other teams entered in the dual tournament are Big Spring, Sonora, Reagan County, Kermit, Pecos, Andrews, Crane, San Angelo, Seminole, Imperial, Monahan, Denver City and Lamesa.

Below is the 1960 Schedule:

- Feb. 18 — Iraan, Here, 6:30 3-games.
- Feb. 23 — Sonora, There, 6:00 2 games.
- Feb. 25, 26, 27 — Big Spring Tourney
- Mar. 1 — Big Lake, Here, 6:30 3 games.
- *Mar. 4 — Menard, Here, 6:00 2 games.
- *Mar. 8 — Junction, There, 6:00 2 games.
- Mar. 12 — Ozona Tourney
- *Mar. 15 — Sonora, There, 6:00 2 games.
- *Mar. 22 — Big Lake, Here, 6:00 2 games.
- *Mar. 25 — Menard, There, 6:00 2 games.

- *Mar. 29 — Junction, Here, 2 games.
- *April 1 — Sonora, Here, 2 games.
- *April 8 — Big Lake, There, 6:00 2 games.
- *Dumas District Games.

The Ford Falcon, first of America's new-size cars, represents a "breakthrough" in automotive design that may materially alter the future of the automobile industry. The Falcon Ford shown here is more than two feet shorter and three-quarters of a ton lighter than a standard 1959 Ford. Yet, the Falcon is a six-passenger car, with interior roominess approximating that of standard models.

Notes From The County Agent's Office

By Pete W. Jacoby

The 13th Annual Crockett County 4-H Livestock Show is past and winners are glad that they worked hard with their livestock. The losers are wishing that they had worked a little harder and are probably making resolutions that they will work harder next year and try to come out on top. Those who water the tree the most usually pluck the most fruit. 4-H work is a good lesson, that hard work usually pays well in the end.

Several head of fat lambs will be entered in fat stock shows at El Paso, San Antonio, and San Angelo. A large number of fat lambs will be shown at San Angelo, probably around 40 head.

John G. McHaney, Extension Economist at Texas A&M College has these comments to make about the economic outlook for cattle in 1960. Cattle numbers will continue to climb at a fast clip. Prospective slaughter of cattle will probably be about 6 percent larger than in 1959. A sharp break in prices is not likely in 1960 but we are entering a period that calls for wariness. The level of cattle slaughter in prospect for 1960 indicates a downward trend in prices. Prices of cows and feeder cattle will likely show greater declines than fed cattle. Seasonal price changes will likely be evident in these lower grades and a major part of the year's expected decline will likely be felt during the late summer and fall of 1960.

Phone News to The Stockman

Mr. and Mrs. Bill Childress had as guests at their ranch last week Mr. and Mrs. M. P. Espil of Lichfield, Ariz. Mr. Espil is president of the Arizona Wool Growers Assn. and the couple, returning from attending the National Wool Growers Assn. Convention in San Antonio, also visited with Mr. and Mrs. T. A. Kincaid, Jr. Other guests of the Childresses were Mr. and Mrs. Bob McNally of Roswell N. M., and Tom Wallace, newly elected secretary of the Texas Sheep & Goat Raisers Assn., and

Elmer Kelton, San Angelo Standard-Times agricultural editor.

GETS U. T. DEGREE

Johnny Griffin, former Ozonan, was one of 23 who received Bachelor of Science in Petroleum Engineering degrees from the University of Texas in Austin on Jan. 30. Mr. Griffin, whose wife is the former Barbara Fields, daughter of Mr. and Mrs. A. O. Fields of Ozona, has accepted a position with Dowell Oil Co. at Andrews, Texas, where the couple now live.

W. C. Gray, Former Ozona Resident, Dies

W. C. Gray, 80, retired carpenter and former residents of Ozona, died Wednesday in a rest home in Van Alstyne. Services were pending this morning at Johnson's Funeral Home in San Angelo.

Mr. Gray was born Feb. 11, 1879, and was married Dec. 19, 1906, in Abilene. The Grays lived here for a number of years, moving in 1936 to San Angelo. Mrs. Gray died in July, 1958.

Survivors include one son, Bill Gray of Santee, Calif., one brother, Hugh Gray of Ozona, and three sisters, Mrs. Hallie Fox of San Angelo, Mrs. Arthur McDowell of Fort Worth and Mrs. Arthur Freeman of Clyde.

silver sandwich plate from her Sunday School class.

With sale of the \$170,000 bond issue at par and accrued interest completed, the last obstacle in the path of actual construction work on the new Ozona High School building was cleared and preliminary work was being disposed of this week in preparation for breaking ground on the project. The bond were sold to the State Board of Education in Austin.

There is an excellent chance for contract to be awarded on hard surfacing of Crockett county highways at the February meeting of the state Highway Commission, Judge Chas. E. Davidson said this week. Judge Davidson was in Austin last week and while there interviewed members of the Commission relative to work in this county.

The Young Woman's Missionary Society has reduced its dues from 50 cents a month to 25 cents. The Society has purchased a divan and chair for the church parsonage.

LADIES GOLF ASSN.

The weekly play of golf was held by the Ladies Golf Association Monday afternoon at the country club. In blind bogey play, the balls went to Mrs. J. M. Baggett and Mrs. Marshall Montgomery, low net on trophy play to Mrs. Dempster Jones. Bridge hostess last Thursday was Mrs. Nip Blackstone. High score went to Mrs. Sherman Taylor, second high to Mrs. Ashby McMullan and cut to Mrs. C. O. Walker. Other attending were Mrs. Jack Wilkins, Mrs. Lloyd Sherrill, Mrs. Lindsey Hicks, Mrs. Early Baggett, Mrs. Jess Marley, Mrs. Hillery Phillips, Mrs. Byron Williams, Mrs. John Childress, Mrs. George Bungler, Mrs. J. S. Pierce, III, Mrs. Sidney Mills-paugh, Jr., and Mrs. Joe Pierce, Jr.

7,000 Deaths Then . . . 310 Now

Two decades ago, 7,000 children died every year of whooping cough. Last year, only 310 children died of whooping cough. What explains the difference? It's the new wonder drugs — unknown two decades ago. Priceless drugs? Sure! Yet the price of the average prescription hasn't gone up any more in 20 years than has the price of a pound of coffee.

OUR TOWN IS STRONGER ECONOMICALLY BECAUSE OF U.S. SAVINGS BONDS

Take a look around our town! Don't you see all the signs of a strong economy? How about that mechanic down the street who just opened his own garage, the neighbor who's sending his son through medical school? All those homes being started, those bright new cars everywhere?

Do you ever stop to wonder how much of this prosperity was made possible by U.S. Savings Bonds? The fact is that all over America more

people are saving more money than ever before in history. Today, for instance, over 40 million Americans own nearly 43 billion dollars in U.S. Savings Bonds! Why? Because they're one of the world's safest, surest investments—and one of the easiest ways to save ever devised!

Payroll Savings is painless saving!

The way to save for Bonds regularly and automatically is through the Payroll Savings Plan. Just sign up where you work—and any amount you wish will be put away for you. You'll be amazed how fast it will add up—building a backlog of security for you and your family—strengthening the economy of your town and our country. If you haven't already, why not sign up for Payroll Savings today?

IT'S FUN-TASTIC

STEP IN IT—

STEP OUT IN IT

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts

further insulate you from the road.

Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one.

Safety-Girder frame—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer!
