NUMBER 3

Severe Weather Ozona With Of Tornado

Roar Aloft, Covers Ground 10 Miles North of City

Who were watching last night's disturbance to the south of Ozona for a few uneasy hours as it moved to the north, at intervals by crashing thunder, an upsurge which had all the appearance of a disastrous tornado.

Department officers, an Angelo radar weatherman who spotted the disturbance north to observe the clouds and roaring winds, prompted them to a call to the fire department and other units and to warn the local bowling alley.

Bill Mills and Deputy Sheriff, who cruised the area to Midway Lane, the center of the disturbance, all covered the ground between the ranch and Midway, an area about 10 miles north of Ozona. About these points get a good look at the storm. No rain or hail fell.

No tornado funnels sighted, officers said. The disturbance, with the roar of wind, added to the unusual in a northeasterly direction. The sheriff's department reported Ozona about ten miles north. No rain or hail fell.

Christian College Group Sing Here Monday Night

A chorus composed of voices, all students at Christian College at Saskatchewan, Canada, will be heard in a program of sacred songs at the Church of Christ Monday night, April 18, beginning at 7:30 p. m.

The program is cordially invited to hear the program by this talented group on a tour of the United States.

Varsity Football Girls District With Great Season

Victory Over Climaxes Play

Ernie Boyd

Ozona High School girls team finished their district night by trouncing 62 to 10 to end their unbeaten in league.

Monday night the Ozona team led to Big Lake and Reagan County team clinch the title even though B team lost its first game 31 to 29.

Monday night's victory was a 14-0 for Miss Knox's defending champs and subs took 14 places before the game.

Left Ozona with a 6-0 record with no other team as many as four league play.

The exhibition game played by the 4-A defending champion team last Saturday was simply as the bigger and more visitors downed the 34 to 13. In the B Ozona team went nine overtime before dropping 27 game to the visitors. B games the Lion repeated Menard 44 to 19 to end their play and one loss against opponents.

Methodist Choir To Present Special Easter Program Friday Night

Members of the Ozona Methodist Choir, under the direction of Mrs. Morris H. Bratton, will present a special Good Friday service of song in the church Friday evening starting at 8 o'clock.

"The Seven Last Words of Christ," by Theodore Dubois will be presented by the choir, with Raymond Williams of San Angelo as special soloist for the program. Mrs. L. B. Cox, III, will play the organ accompaniment. Other soloists from the choir will be Mrs. Joe Williams, Jim Cotesworth, Joe Warren Friend, Mrs. J. S. Pierce, IV, Jim Ad Harvick, Vernon Harlan, Bud Cox and Mrs. H. B. Tandy.

The public is cordially invited to hear this special Easter service. The church's Holy Week services will begin with Maundy Thursday communion service in the fellowship hall at 8 p. m. Thursday, with music furnished by the Junior Choir.

Easter services will begin with the church school at 9:45 and at the 11 a. m. worship service, Rev. Morris Bratton, pastor, will preach on the subject, "The Continuing Resurrection." Vesper services will begin at 6:30 p. m. with youth meetings set for 7 p. m.

Annual Variety Show Planned By Lions Club Apr. 25

Corbett Smith Directing Little League Benefit Event

Ozona Lions Club, with President Corbett Smith directing operations, is assembling local talent in preparation for the club's annual Variety Show for the benefit of the Little League program here, sponsored by the club.

The Variety Show has been set for presentation Monday night, April 25, in the high school auditorium.

A few highlights from the highly amusing show have been leaked by Director Smith. Featured will be twelve Esquire girls, depicting the months of the year. Present difficulty being encountered, Smith said, is in finding a diaper large enough for Quebe Alford, who will portray Miss January.

J. A. Peltó will act as master of ceremonies. Other features will include a vocal solo by Vernon Harlan, some expected high class talent from personnel at the Ozona Radar Base, a blackface act and a program to be presented by the high school twirlers.

The program will be presented starting at 8 p. m. A donation of \$1 to the Little League fund of the club will entitle each person to admission. An advance sale of tickets will be handled by members of the Little League teams.

Cosden To Drill Offset To Baggett Gas Field Opener

Cosden Petroleum Corp., Big Spring, will drill the No. 1-B E. G. Baggett as a 3/8-mile north and very slightly west offset to its No. 1 Baggett opener and lone producer in the Baggett (Strawn) gas field of Crockett County, 12 miles southwest of Ozona.

Location, on a 320-acre lease, is 1,320 feet from the north and east lines of 24 - F - GC&SF. Contract depth is 9,500 feet.

The discovery was finalized Jan. 27 for a calculated, absolute open flow of 10,300,000 cubic feet of dry gas per day through perforations between 9,106-180 feet.

BOBBY SUTTON CHOSEN FOR TRYON COTERIE CLUB

Waco, Texas — Bobby Sutton, Ozona freshman at Baylor University, has been chosen for membership in Tryon Coterie social club on the Baylor campus. He is the son of Mr. and Mrs. Glenn Sutton. Sutton is a 1959 graduate of Ozona High School.

Corbett Smith Resigns As Band Director Here

Accepts Post As Sul Ross College Band Director

Corbett Smith, who has served as Ozona High School band director for seven years, this week submitted his resignation, which was accepted by the board.

Mr. Smith has accepted a position as band director and music instructor at Sul Ross State College in Alpine where he will begin his duties at the opening of the fall term.

Mr. Smith has made an outstanding record as band director here, his bands having made first division in all competitions with the exception of the first year he joined the local school system. Last year, the Ozona High School band under his direction was named outstanding band at both the Brady and Del Rio band festivals, and through the years many of his students have made all-state band.

The band now numbers about 70 pieces, more than double that of the first years the director was here. This increase, which kept pace with the increasing enrollment in local schools, is noteworthy in that until the present school year, the band was made up of junior high and high school pupils, whereas for the first time, the band is an all-high school band this year.

Mr. Smith will direct the Sul Ross College band and teach four music classes in the college. He will teach students who are majoring in band with an eye to becoming directors, having a class in directing, in instruments, a methods course and in conducting. He will also have some private lesson classes.

Mr. Smith, who holds the Master's degree in music, will attend summer school at the University of Colorado at Greeley where he will work toward his Doctor's degree.

Midland Lady Bowling Team To Play Ozonans In Special Match Sat.

One of Midland's top women's bowling teams will be in Ozona next Saturday afternoon for a special matched bowling series with a crack Ozona ladies team.

The Midland team, sponsored by Coor's, will play a three - game match with a local team representing the Flying W Ranch. The two teams met in December in Midland the series being televised over Midland-Odessa television station, KMID-TV.

Bowlers on the Ozona team will include Mrs. Lena Zelinsky, Mrs. Nell Shackelford, Mrs. Louise Powers, Mrs. Tizzie Mitchell, and Mrs. Marge Zunker. The match will be decided on total pins in the three-game match.

Mrs. Martin Harvick Installed as President Tri-Co. PTA Council

Two SC Tri-County Council PTA met Thursday, April 7th, in the Sonora school. Mrs. Carroll Ratliff installed the new officers: Mrs. Martin Harvick, president; Mrs. M. H. Woodward, vice-president; Mrs. Bill Whitehead, Secretary-Treasurer. Appointed officers were Mrs. Edgar Shurley, historian and Mrs. Ed Meador, parliamentarian. Members presented Mrs. Meador with a PTA Council president's bar as outgoing president.

Revised by-laws were read and Rex Lowe, superintendent, Sonora discussed the superintendents' convention in Atlantic City. Attending from Ozona were Mrs. R. L. Bland, Mrs. Martin Harvick, L. B. T. Sikes and J. A. Peltó. Fourteen members were present.

Mrs. P. T. Robison, who recently underwent surgery in a San Angelo hospital, was expected home sometime this week.

Clean-Up Trucks To Haul Trash April 25 In City-Wide Cleaning

Ozona residents are being urged by committees from the Ozona Woman's Club to begin now to gather trash and litter of all kinds which may have accumulated on their premises during the winter months in preparation for the hauling of such trash by county trucks on April 25 in the annual city-wide clean-up campaign sponsored each year by the club.

There will be four county trucks in service all day Monday, April 25, hauling away trash from residences. All cans should be sacked and trash placed in a pile in an accessible spot so that the trucks may load it from the street or alley. If your trash should be overlooked by truck operators, call D. C. Ratliff, county road engineer, and a truck will be in dispatched to your area.

The county commissioners have agreed to have clean-up crews available for cleaning up draw areas and public property. Residents and business firms along the draw through the city are urged by the Woman's Club committee to make an effort in the future to prevent unsightly practices along the draws.

BIRTHDAY PARTY

Mrs. Mariana Ortiz was honored by a group of her friends on her birthday Sunday afternoon. Gathering for the affair were Mmes. Siria Sanchez, Dennis Moran, Adelfa Duran, Maria Aguilar, Francisca Borrego, Ester Martinez, Jesusa Jones, Chabela Gonzalez, Irene Gonzales, Serapia Herrera, Inez Borrego, Cecilia Longoria, Esperanza Vargas, Ofilia Castro, Nenta Porras, Chonita Sanchez and Patsy Najar.

Three Crockett County boys (left to right — Melvin Jones, Larry Jones, and Sammy Rivera) are shown working in the Boys' Ranch Shop.

Boys' Ranch of West Texas Not a Reformatory But Haven For Hard-Luck Boys, and Chance To Get Healthy Outlook Thru Training, Discipline

Boys' Ranch of West Texas is not an orphanage, not a detention home. It is a prevention home for the "hard luck" boy who hasn't been in serious trouble, but easily could be.

The hard-luck boy is the one who, often through no fault of his own, is placed in a position most likely to bring out the worst in him.

It was founded in 1947 by a group of worried West Texans who knew of boys desperately needing an opportunity. Many such boys roamed West Texas streets. They didn't qualify for orphanages or other state and private institutions. Left alone, without guidance, most of them would inevitably wind up in trouble.

The ranch's founders envisioned it as a home for boys who had not become delinquents but who were potential delinquents.

Often these boys were products of divorce or separations, widowed mothers or widowed fathers, alcoholic and delinquent parents.

The ranch was founded in December, 1947, on 960 acres of land along Spring Creek near Tankersley. Its first boy came from a deplorable home situation where he had no chance at all. But Boys' Ranch gave him something to hold to. Later he was an honor graduate of Texas A&M. He served as an

OZONA TRACK TEAM REPEATS AS DISTRICT CHAMPIONS IN DECISIVE WIN OF SAT. MEET

Rotary Club's Annual Easter Egg Hunt Set For Sunday at 2 p. m.

Ozona Rotary Club's annual Easter Egg hunt will be held next Sunday afternoon at 2 o'clock in the Cleophas Cooke pasture south of the city, the same spot where last year's hunt was held, officials of the club announced this week.

There will be more than 100 prize eggs, each worth a silver dollar, for the youngsters to find among the many brightly colored Easter eggs to be hidden in the area.

Areas will be divided for different age groups. Parents are urged not to bring children to the area before 1:45 p. m.

Mother Of Ozonans Dies In Ft. Stockton

Funeral services were held in Fort Stockton Tuesday, April 5, for Mrs. Tryon Lewis, mother of Ted and Bill Lewis of Ozona, who died at her home in Fort Stockton as the result of a heart attack.

Mrs. Lewis had been a resident of Fort Stockton most of her life. Her husband died there in 1948.

Surviving are four sons, Ted and Bill Lewis of Ozona, Tryon E. Lewis of Odessa and Rev. J. Temple Lewis of Lockney, Texas; one daughter, Mrs. Herbert Fields of Sonora; 15 grandchildren and 5 great grandchildren.

13 Lions Qualify For Regional Meet In Lubbock

By Ernie Boyd

The Ozona High School track team successfully defended its district title in Ozona stadium last Saturday afternoon as they swamped the balance of the league with a total of 178 points as compared to second place Sonora's 84. Menard finished third and Junction fourth with Big Lake bringing up last place in the all day meet which was run in near perfect track weather.

Two district marks fell in the course of the day's running as Ozona's 440 relay team, minus one of its reliables, ran a 45.0 to break a mark set by Sonora in 1957 and tied by Junction in 1938.

The other record to tumble was set by Sonora's Apache Gonzales who shaved nearly seven seconds off the former record by running a 4:15.2 mile and beating last year's champ and record holder, team mate Adolfo Garcia.

The Lions grabbed three places in the pole vault including Bob Meinecke's winning jump of 11' 6", Johnny Jones second place and Deeney Holden's tie for fourth.

In the broad jump Johnny Jones picked up third place in becoming the only Lion to place in the event the Lions had expected to be strong in.

The Lions pushed into a commanding lead when the results of discus became known. Jim Williams repeated as district champ for the third straight year with a heave of 128' 8" and was followed by Bob Meinecke and Ronnie Beal to pick up 24 points for the Lion cause.

In the high jump the Lions got some points they were not expecting as Carl Montgomery, who figured in several of the Lions surprise wins during the day, finished in a tie for second place and Muggins Good and Phillip Carnes gained a tie for fourth.

In the shot, the Lions had a disappointing day as Carl Montgomery and Bob Meinecke got fifth and sixth places for Lions only points in that event.

If the Lions set out to dominate the field events they did even better in the running events.

Joe McMullan got first in the high hurdles with a 15.1 and then took second in the low hurdles as Howard McKissack of Junction won that event. Muggins Good took third in the highs and lows and Phillip Carnes picked up fourth in the lows after missing a hurdle to disqualify himself in the highs.

Hearing May 30 On Brucellosis Control For Co.

Crockett Is Designated Type II Control Area By State Commission

Crockett County cattle producers are advised that a proclamation has been issued designating Crockett County as a Type II Brucellosis Control Area effective July 18, 1960.

The proclamation was issued by the Texas Animal Health Commission after receiving petition signed by 129 Crockett County cattle producers, asking that the county be designated as a brucellosis control area.

The proclamation sets the date of May 30, 1960, for a hearing in accordance with the statutes. The hearing is scheduled for 9:30 a. m. in the office of the Texas Animal Health Commission in Austin.

Copies of the proclamation have been posted at the court house, Ranch Feed & Supply, Devil's River Feed Company and Ozona Wool & Mohair Company.

BILL TO PROMOTE STRIKES

Labor's "friends" in Congress are about to operate on the still-new Landrum-Griffin Act — to cut out its very heart, if they can.

Under the terms of this hard-won reform legislation, it is an unfair labor practice to picket, or strike, to force one employer to stop doing business with another employer. Such action, more commonly known as the secondary boycott, had long been the chief organizing routine of the million-and-a-half-member Teamsters union and the 18 Building Trades unions with a membership of three million.

The classic method was to threaten one employer, such as a general contractor, with a strike unless he stopped doing business with another — in most cases a non-union subcontractor or supplier.

But the relief provided by the Landrum-Griffin Act against this unconscionable and disastrous abuse of the right to organize will be short-lived if Congress can be bludgeoned into passing the Thompson Bill (H. R. 9070). This sly, 18-line measure amends the section outlawing the secondary boycott by excluding its application to any "common situs" where the employees of more than one employer are engaged in the alteration, painting, repair, or other work at the place where the work, alteration, painting or repair is being performed.

Passage of this bill and its counterpart in the Senate would license the construction unions and the teamsters to renew the "black-mail picketing" that proponents of the Landrum - Griffin measure fought to curb. No non-union plumber, carpenter, electrician, painter, or other building craftsman or maintenance man could be hired to build, alter, repair, paint or install equipment in a building without the neutral employer being subject to picketing — and the closing

Junction's 10th Annual Easter Pageant To Be Presented Sat. Night In Natural Amphitheatre

Junction, Texas — Junction's tenth annual Easter Pageant will be presented next Saturday, April 16, 1960 at 10 p. m., on the eve before Easter Sunday, in a natural amphitheatre on the hill side below the Everburning Cross, one mile southeast of Junction.

Presentation is by four-score Kimble County laymen, women and children — all in colorful costumes typical of the dress of Biblical times. Here they will reenact Jesus Christ's Last Days on Earth, so timed that the finale — The Scene of the Ascension — will take place shortly after midnight on Easter morn.

This Holy Spectacle will be presented in pantomime, supported from a broadcasting booth by readers and back ground music. A dozen stages have been arranged among the rugged rocks of the hill side, and changes of scenes are effected by the shifting of spot and flood lights.

The production is entirely amateur and non-professional. Members of the cast are all local people, with no professional or paid actors. The cast includes men and

Disenchantment with Fidel Castro continues among his erstwhile friends and top leaders. Latest to defect is Andres Vargas Gomez, who resigned as Cuban Ambassador to the European office of the UN, who said Castro is a tyrant and his government "totalitarian and Communist-oriented."

Oh well, he still has US Ambassador Bonsal to chum around with.

"Memory is what keeps telling you that you know the guy without giving you any idea of who he is". — Franklin P. Jones.

down of the entire operation if the employees "respected" the picket line. No company could safely employ a non-union sub-contractor.

The language of this amendment is so sweeping it would permit strikes or picketing relating to wages, hours and working conditions of employees at any job site and stop every truck carrying ready-mix cement to the job. If houses were being constructed or repairs being made by non-union workers at an air base, for instance all of the gates could be picketed and every union man in every other job on the base stopped from doing his work.

Passage of the Thompson bill would make a mockery of the McClellan hearings and the public demands growing out of them, wreck the Landrum-Griffin Act and Taft-Hartley alike. It would inflate union power as never before. It would promote a rash of strikes such as we have never seen before.

Won't you write your Congressman how you feel on his bill and ask him to vote and speak against it when it comes before the House?

women from many walks of life.

The Pageant is sponsored by Junction Men's Bible Class, a non-sectarian organization, who erected the Everburning Cross. The Cross stands high on Lovers Leap Mountain, and its lights shine for many miles and are seen by travellers passing thru Junction. During Holy Week, from Palm Sunday until Easter, the lights in the Cross burn red. At other times, the lights are white.

Parking areas are provided from which spectators may view the spectacle from the convenience of their cars. Sacred music will be broadcast after 8 p. m. There is no charge for admission, for parking, nor for programs. Free coffee will be served after 4 p. m. thru out the evening from an old fashioned chuck wagon, which was furnished by the late Capt. Gully Cowsert, of the Texas Rangers. Sandwiches and soft drinks will be dispensed on the grounds by local civic organization.

METHODIST W. S. C. S.

The Woman's Society of Christian Service of the Methodist church

met Wednesday morning at the church to continue the study on Luke, under the leadership of Mrs. Evart White. The worship center was arranged by Mrs. Paul Perner. The devotional from Luke was given by Mrs. P. C. Perner. Coffee hostess was Mrs. Bailey Post. Others present were Mmes. Joe Tom Davidson, Morris Bratton, N. W. Graham, H. B. Tandy, Tom Harris, K. B. Stanton, B. B. Ing-ham, Sr., Stephen Perner, A. S. Lock, R. A. Harrell, Floyd Henderson, Bill Cooper, W. O. Mills, C. F. Brown Charles Williams, Sr., J. W. Henderson and Joe Pierce, Jr.

LADIES BIBLE CLASS

The Church of Christ Ladies Bible Class met Wednesday morning at the church to continue their study in the 19th chapter of Acts.

Plans were made for a supper for the seventeen students who will be here to sing Monday night from Weyburn Christian College in Canada.

Attending were Mmes. H. W. Baker, Darrell Brawley, Paul Ballard, Ed Cranfill, T. C. Goodman, Peery Holmesley, Bob Evans, Bud Loudamy, J. D. Nairn, J. W. Owens, O. D. Paulk, O. L. Sims, Calvin Hodge and J. B. Miller and Darrell Brawley, teacher.

Years ahead in style... that's why Ford is far ahead in sales!

The "bug" bites thousands of people every week. They've been driving high-priced cars year after year. But suddenly they sprout out in 1960 Ford Galaxies, pleased and proud as punch. They're switching to Galaxie because they want that years-ahead Thunderbird look, with a glamour and grace that won't ever wear thin. They're going for Galaxie because Galaxie gives them—in look and in deed—an elegance denied to all but costlier cars. And Galaxie gives them all this for far less than what they've paid in the past... plus a high resale value! And these sellable values are crafted into every car we sell—from Thunderbird to new Ford Falcon! Come let us prove it!

Garden Reminders
From Garden Club Reporter

April is the time centered around care of roses, lawns and bedding plants. Of course, you have already raked and cleaned your yard of leaves, weeds and dead

growth.

To hasten the beauty of blooms, put out bedding plants. If you haven't already done so, dig deeply and add slow acting fertilizer—such as cottonseed meal and sulphur. One gallon of cottonseed meal per 100 square feet and ½ gallon of sulphur to same, rake lightly.

Do get your trash ready for clean-up day and let's do clean thoroughly.

If you have lovely plants or flowers, enter them in the Flower Show. All classes are open to the public. Read the following condensed rules carefully:

1. All members of the Ozona Garden Club are expected to enter both Horticulture and Artistic divisions.
2. Non members may enter both divisions, if entries conform to schedule.
3. An exhibitor may enter each class or sub-class in Horticulture and Artistic divisions.
4. Naming increases the value of the exhibits in all cultural classes.
5. All exhibits must be entered between 8:30 a. m. and 11 a. m.

on the day of the show. Late entries may be displayed and marked "Not for competition."

6. Exhibits will be judged by the Standard System of judging, by Junior and National Accredited judges, and their decisions will be final.
7. All persons except flower show chairman, the clerks and judges will be excluded from the show while judging is under way.
8. The flower show committee will furnish containers for cultural exhibits except potted plants. Committee is not responsible for containers or other property of exhibitors.
9. Plant material must be grown by the exhibitor in cultural class. Plant material used in arrangement classes must be garden grown. Potted plants must have been in possession of exhibitor at least 3 months.
10. Plants forbidden by the State Conservation Law may not be used.
11. All exhibits must be removed immediately after 7 p. m.
12. All arrangements must be made before they arrive. Minor

adjustments may be made at special table. All arrangements must be made by exhibitor.

Help CHOOSE A NAME for the new park — it's really growing. Don't forget to clean up our town!

EDITORIAL ! VOTE FOR THE MAN NOT THE PARTY

By Roberta Johnigan
 In America, because of our many freedoms, we are able to make our own choices. Among these choices is the right to choose to which political party we should belong.
 As early as Thomas Jefferson's day, our country has been split into at least two "parties" because of the different desires of the many people.
 These "parties" have become a part of the American's way of life. Political parties are the key to all national elections, with each party selecting a candidate for the election, and then the members of that particular party voting for that candidate.
 But is this the best way to choose a man for an office, for example, the presidency? In this present method of voting, are we not voting for the popularity of the party rather than the ability of the candidate? We don't have to take orders from anyone or anything. It should be our own personal choice.
 These political parties have not always been known to make the wisest choice in selecting a candidate. Often candidates are chosen because the party needs a "puppet" in office to submit to the party's needs, someone who cannot make choice for himself. It is not uncommon for a candidate to be chosen because of his past military record, or just his general popularity. Some of the candidates make good leaders; some do not. Perhaps a person's lack of ability

to make a decision prompts him to vote for the party rather than the man. It is not unlike a woman who goes in to buy a pair of shoes, and buys the first pair the salesman shows her. She is afraid that she can't make up her mind if she sees more than one.

SENIORS OF THE WEEK

...This week's Seniors of the Week are Bob Cooke, Weldon Day, and Leslie Deland.
 Bob is the son of Mr. and Mrs. Cleophas Cooke. He was born July 5, 1942, in San Angelo. Bob has attended school in Ozona since he started to school.
 While in high school, Bob has been football manager for three years and in the F. F. A. for four years. He plans to attend Texas A&M next fall.
 Our second Senior of the Week is Weldon Day. Weldon born on September 14, 1941 in San Angelo, son of the late Mr. and Mrs. J. C. Day. He has always gone to school in Ozona, while in high school, Weldon has been football manager and in F. F. A. He plans to go into the Navy next year.

Leslie Deland, son of Mr. and Mrs. Rav Deland, was born August 2, 1942, here in Ozona. Leslie has always gone to school here. Leslie has played football in high school, and has also been in F. F. A. He plans to attend Texas Tech next fall.

SPORTS SCOOP

By Roy Neil Killingsworth
 The Lions track team turned up the only district championship for Ozona this year as they easily outclassed the rest of the field and ran away for the team title in the district meet Saturday.
 Qualifying for the regional meet in Lubbock April 23 and 24 are Joe McMullan, Jim Williams, Bob Meinecke, Tommy Porter, Johnny Jones, Jim Doran, Carl Montgomery, Pleas Childress, and 440 and mile relay teams.

Probably the best volleyball team to hit Ozona in a long spell defeated our Ozona Lionettes in a game here Saturday. The Big Spring females took the A-game by a score of 33 to 13. The Ozona B was beaten in a hard-fought overtime contest by a score of 29 to 27.

Correction: Another Ozona team has already sewed up a district title for good old O. H. S. The volleyballers have won their district title and are just marking time until the state meet in Abilene on May 5, 6, and 7. The volleyball team has no regional meet. (My apologies to Miss Knox and the volleyball girls for this oversight.)

District meets are flying around all over the place as the final go-around in athletic events is taking place. The tennis team, under the guidance of Pete Hickman went to Junction Tuesday and the golf team went to Big Lake for the golf meet yesterday. (Due to the conditions beyond our control, we do not have the results of these meets for this article.)
 In closing, remember, eat lots of noodles.

CHATTER :

Holidays are here! That means no more school until next Tuesday. Several students will be leaving town this week-end. Camille will be off to Del Rio and June to San Angelo. Susie and Sally are heading for the river.
 Watch out for Janet N. She is turning into a cannibal.
 How does it feel to be her first victim, Frank?
 What's this about Phillips having a mad crush on Nonie? Are all of the Sophomore boys falling for her?
 The college students are drifting into town. Several have been seen around and more will be hom this week-end.
 Joe Mc. is missing a ring. In fact he is missing two rings!

The Seniors are working on their play which will be the last opportunity for them to make money. It will be held May 2nd and 3rd.
 One more six weeks of school to struggle through and that's all for this year.

CLASS FAVORITES ELECTED

Class Favorites elections were held at class meetings last Wednesday during assembly period. One girl and one boy were chosen by each class as their favorites for the 1960-61 year.
 Those chosen were Seniors, June Bunger and Jim Williams; Juniors, Barbara Barbee and Jim Doran; Sophomores, Judy Black and Johnny Childress; and Freshmen, Gracie Chandler and Pete Montgomery.

SENIORS EXPRESS GRATITUDE

The Senior Class wishes to thank the students, teachers, parents, and townspeople who helped to make the Senior Bar-b-q a great success by their enthusiastic response. Each year the class is allowed four days in which to take a trip. This trip would not be possible, however without the willing patronage of senior concession stands and the Senior play. This is why we of the Senior Class of 1960 would like

to extend our deepest appreciation to all who are helping us to raise funds so that our senior trip will be a big success. Thank you —

THOUGHT

A people who take no pride in the noble achievement of remote ancestry will never achieve anything worthy to be remembered with pride by remote descendants.

FEATURE

Texas is big!
 The cattle knew how big the state of Texas is. The rangy Longhorns which were once driven from the Rio Grande through the mesquite country had to hoof for months before they were out of Texas. A crow, flying airline over a drive, would have to travel hundreds of miles before it could quit the state.
 Historians begin their history of

Texas with the sixteenth century exploration of the Spaniards, French and the settlement of Spaniards. Most Texas history with their battle of independence.

When one remembers history is a record of the past. Paleontology must make contributions to records of the past. It is a little to hope that a student can grasp, or even to scratch the face, after an exposure of months to a textbook and room situation.

In learning the story of the past is necessary to study the Spaniards, the Anglo-Americans, and the Anglo-Americans and generals, frontiersmen, politicians, to say nothing of cotton, cattle, and oil.

The history of Texas is a **Lions Roar**

We make beautiful music together

It's been a long, hard winter and your car has suffered too. With the coming of spring and warm weather, give the old buggy a break with a springtime change-over. Your cooling system needs a warm-weather check-up to get ready for summer driving. Your motor oil has taken a beating in the long, cold winter — better let us drain and flush your crankcase and put in fresh oil. Oil filters, air cleaners, carburetors need checking in the season change.

Bring your car to us and we'll make it sing sweet music again.

RANCH RECORD

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Mr. and Mrs. Ira Carson left Monday for a trip up the east coast and Washington. Mr. and Mrs. Boyd Clayton spent the week-end visiting the Texas coast area.

Religion Topic For Woman's Club Meeting

Religion, Community Sanctity, was the program theme when the Ozona Woman's Club met Tuesday afternoon in the home of Mrs. B. B. Ingham, Sr. Mrs. L. B. Cox, Jr., program coordinator, set the theme with a quotation from Spurgeon, "The Bible widens and deepens with our years." Invocation was by Mrs. J. A. Fussell. Meeting our needs in the physical realm, character education and spiritual renewing, was discussed from the Jewish standpoint by Mrs. Ben Lemmons; by Mrs. J. B. Miller from the Church of Christ Ladies Bible Class; by Mrs. R. A. Harrell from the Methodist Woman's Society of Christian Service, and by Miss Lola Mae Daniel from the Baptist Woman's Missionary Union. The hymn "Oh, God Our Help in Ages Past" was sung by the group.

Miss Daniel gave a report on the county Civil Defense organization, describing its function and coordination with the national Civil Defense plan.

Mrs. Bruce Mayfield was accepted as a new member of the club. The meeting closed with the group reading the Club Collect.

Present were Meses. O. D. West, J. B. Miller, John Bailey, Stephen Perner, Bailey Post, J. A. Fussell, Ben Lemmons, Eldred Roach, C. B. Hubbard, R. A. Harrell, Max Schneemann, N. W. Graham, Floyd Henderson, Taylor Word, Charles Williams, Sr., Joe Pierce, Jr., L. B. Cox (Jr., J. W. Henderson and Miss Lola Mae Daniel.

Notes From The County Agent's Office

By Pete W. Jacoby

Those who raise vegetables only for their own use in backyard gardens may find the following information useful in regard to use of insecticides on gardens plants.

Growers using fungicides and pesticides can be assured they will not contaminate the edible part of fruit or vegetables, and the residue will not be excessive at harvest time if they follow the recommendations on the label.

Harlan E. Smith, extension plant pathologist, says the labeling of all fungicides and nematocides shipped interstate must be registered with the U. S. Department of Agriculture. These applications are carefully examined to see that any directions for use meet the requirements of the law. Among other things, the USDA determines if any treatment will leave excessive residues on the harvested raw agricultural products.

Smith suggests that the following rules be closely followed. First read the label, and then use any plant disease or nematode control chemical only on the crops specified and in the amounts directed on the label.

The omission of any crop name from the label may mean that no residue of that particular pesticide is permitted on that crop, and that any treated crop could not be shipped if it contains a residue of that chemical.

Smith emphasizes that if custom applicators are employed, you should be sure they too follow the rules or directions listed by the manufacturer on the label.

Black spot is one of the most common diseases of roses. It is likely to be more serious on susceptible plants in areas of high rainfall.

Large, roundish black leaf spots with irregular margins are often observed. However, the spots on soft twigs and leaf branches may frequently develop unnoticed, according to Harlan E. Smith, Extension Plant Pathologist. Severe damage results in premature leaf drop. This weakens plants and makes them more susceptible to die-back, drought and winter injury. Too, it also results in smaller flowers which are weak in color

and fragrance.

Mr. Smith recommends that black spot be controlled by spraying once a week with Dithane M-22, Manzate or Phaltan. Time between sprays may be longer during periods of little rainfall. Adding a spreader - thickener to the spray will provide better coverage. It is important that both lower and upper sides of the leaves be sprayed. Hose on sprayers or compressed air sprayers are generally satisfactory for a few rose plants.

When powdery mildew is a problem, Karathane may be added to Dithane M-22 or Manzate. Most commonly used insecticides can be mixed with the aforementioned fungicides. Combination fungicide mixtures are available but are generally more expensive. Dusts generally give very poor control of black spot.

Wisconsin has just provided the only election we ever heard of in which all the contestants were tickled to death. Kennedy won. Humphrey assures us he got the majority of Democratic votes. And Nixon got all that were left.

BIRTHDAY PARTY

Mr. and Mrs. Gene Williams entertained with a supper at their home Friday evening to honor their niece, Miss Tommy Sue Chandler, on her birthday. The table was centered with an arrangement of white carnations and blue iris with corsages of white carnations, each containing a graduate's head, forming streamers to the table. The corsages were used as favors. White candles in silver holders flanked the centerpiece.

Attending were Tommy Sue and Bill Black, Sally Baggett and Joe McMullan, June Bunker and Tommy Porter, Nonie Conklin and Ronnie Beall, Linda Millsbaugh and Bill Meinecke, Camille Adams and Tommy Stokes, Nancy Friend and Pierce Miller and Johnny Jones.

Why Install a Gas Light?

If you are a home owner who takes justifiable pride in the appearance of his property... if you have a regard for the convenience and safety of folks who come to see you... and if you have a keen sense of economy as well as for things functional... then a Gas Light will be a satisfying addition to your yard.

Neighbors welcome its glareless illumination... insects give its soft, mellow glow a wide berth. And regardless of the architectural style of your home, gas lights provide an indefinable "something" that adds noticeably to the appeal of any residence, at an amazingly small cost of operation.

Why not call Pioneer tomorrow and find out all the details about Gas Lights? Special Budget Prices start at just \$49.50, installed.

Track Meet —

(Continued from Page One)
 Jim Doran scored a narrow win over Menard's Si Ellis in the hundred in the only disputed decision of the day. Doran, who has beaten the Menard ace in every outing this season, got a poor start and a photo finish found the observers uncertain about who won. Tommy Porter finished fourth in the race. The winning time was 10.1 into a north breeze.

The Lion team of Tommy Porter, Johnny Jones, Jim Williams, and Jim Doran ran a 45.0 to beat Menard by five yards in the 440 as Tony Parker missed the day for the Lions as the result of measles.

In the 440 yard run the Lions got some real surprise points as Carl Montgomery finished first and Pleas Childress second in the grueling race.

Charles Bingham picked up a fourth in the 880 and Martin Castellano got fourth in the mile before the Lions pulled another surprise by winning second in the mile relay as Jim Williams turned in a stellar 440 and Carl Montgomery and Howard McKissack turned in a stirring duel in the final heat with Montgomery winning to give the Lions second place.

The 220 yard dash found the Lions picking up points on Jim Doran's third place and Tommy Porter's sixth place finish.

The Lions were able to qualify 13 men for the regional meet in Lubbock next week with two relay teams eligible.

Tony Parker, who missed the district meet, will be eligible to run in the 440 relay and it is expected that the faster Jim Williams will be placed in Johnny Jones' leg to give the Lions a strong chance of getting down to 44 or the high 43's. If the Lions are able to shave a full second off their winning district time they will be strong contenders for the class A title in Austin.

Coach Chick Womack and Sonny Cleer plan to give the Lions a taste of rough competition in San Antonio this week as they go to that city to take part in a meet that will have schools of 4-A classification.

than that. It considers the "total child," mind and soul as well as body.

The boys get better medical care than the average child in a normal home. Each new boy is given a complete physical examination. Four San Angelo doctors check the boys regularly. In addition, specialists give their time for those who need more than routine attention. Between 15 and 20 dentists donate their services, each boy being assigned to a dentist of his own. The ranch has separate medical and dental committees, headed by a medical doctor and a dentist.

The first thing a new boy learns is how to meet people and shake hands. The visitor who stops at Boys' Ranch for the first time is usually overwhelmed by the boys' friendliness, their "Aggie" handshakes. No one stays a stranger long at Boys' Ranch.

The new boy is properly enrolled in school. Grade school youngsters go to Tankersley schools, junior high and high school boys to San Angelo.

Many boys who come from an unwholesome home environment know little of the basic rules of conduct. At Boys' Ranch each boy is taught the fundamentals of etiquette, personality, hygiene and citizenship.

The ranch's primary goal is to acquire for each boy four important attitudes: self respect, respect for others, respect for work and a sense of responsibility. The program is geared to meet the needs of each individual boy. Some acquire rapidly, some take a long time. But eventually they learn it.

An elaborate program of self-improvement has been set up, a set of goals with real incentive for each boy to progress.

Make It Yourself With Wool Contest Under Way In 21 States

Highlighting the Bi-Centennial year of wool manufacturing, the 14th Annual Make It Yourself With Wool contest, sponsored by The American Wool Council and The Women's Auxiliary to the National Wool Growers Association opens officially this month.

Girls between the ages of 13 and 22, in 21 states, are invited to enter one of 250 district competitions from which winners will be selected by judges for state contests to be conducted next fall. Forty State finalists will meet in January at the National contest and wool fashion revue to be held in Denver, Colorado. A Designer's Tour to New York, London, Paris and Rome, via Pan American World Airways will be awarded to the top Junior and top Senior winners at the National contest. In ad-

dition, five college scholarships, several U. S. Savings Bonds, and many merchandise prizes will be awarded.

The purpose of the contest as defined by Mrs. O. T. Evans, president of the Auxiliary and wife of a prominent Wyoming sheep producer, "is to encourage home sewing and show young girls how easy it is to sew with wool."

Contest rules stipulate that all garments submitted must be entirely the work of the contestant, and must be fashioned from American loomed wool, "our American heritage."

Official Information Forms and entry blanks may be obtained from the American Wool Council, 520 Railway Exchange Building, Denver 2, Colorado, or from District and State directors, whose names will be announced locally sometime this month.

The Beginners competition, open to 13-year-olds has been inaugurated this year to encourage younger girls to start sewing with wool, and thus prepare for their entrance as Juniors in the 14-17-year-old class next year. The Senior class is open to girls in the 18-22 age bracket.

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ...UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you — at no extra cost — that others in its class can't offer at any price. Shock-cushioned steering. Safety Plus Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

Carson & Barnes Circus Coming Sunday Afternoon

Big Three-Ring Tent Circus To Show Here Sunday

Carson & Barnes Wild Animal Show In Matinee Performance

Next Sunday afternoon, April 24, will be circus day in Ozona.

Always a big day for every youngster and for all those adults who are still young at heart, circus day here next Sunday will see the big Carson & Barnes Circus in an afternoon performance at the fairgrounds in east Ozona.

The big white trucks and vans of the three-ring wild animal circus will roll into town early Sunday morning and will move directly to the show grounds at the fairgrounds where the work of setting up the tents and other circus props will get under way. Around 10 a. m. part of the circus' wild animal cages will be open for nearly an hour's free inspection by visitors to the circus grounds.

The Carson and Barnes name is one of the oldest and most honored in the circus business, and the show this year is right abreast of the times with the most elaborate features and equipment that it has ever carried.

One of the many features will be the personal appearance of Col. Tim McCoy the famed TV and Western movie star and his congress of cowboys and Indians. In addition to the many performing animals which includes elephants, bears, lions, monkeys, llamas, camels, beautiful matched Liberty and high school horses and Darling trained Shetland Ponies.

The Carson and Barnes Circus boasts a huge menagerie which includes lots of jungle animals that are ordinarily seen in only the largest zoos.

In addition the show carries a well balanced assortment of trapeze, tight wire, jugglers, tumblers, clowns and aerial acts all competing in a well rounded performance that is guaranteed to entertain children of all ages.

There will be only one performance here starting at 2 p. m.

Ozona Athletes Off To Regional Meet In Lubbock

13 Qualifiers In District Competition Try For State

By Ernie Boyd

Coaches Sonny Cleere and Chick Womack will leave today for Lubbock with 13 Ozona high school track men who will compete in the regional track and field meet Friday and Saturday.

The Lions qualified men in the high and low hurdles, the 100 yard dash, the 440 run and the 440 yard relay, the discus, the pole vault and the mile relay.

The Lions are expected to have their best chances of advancing to the state meet in the pole vault with Bob Meinecke and Johnny Jones both qualified, the 100 yard dash where Jim Doran has been running very close to a .10 and in the 440 yard relay where the Lions are well able to get around .44.

Last year's trip to the regional meet was not a happy one for the Lions who under almost the same conditions turned in some sub par times and distances and wound up with only David Sikes eligible for the state meet in Austin.

Coach Womack hopes for a better outcome this year and feels that with a veteran squad pressure should not be as much against him this spring.

It was felt after the district meet in Ozona two weeks ago that the Lions would be in better shape to turn in top performances due to the regional practice of having prelims one day and the final the next. Some observers felt that Lion sprinters may have been a little bit tired before the district meet.

(Continued on Last Page)

Ozona Baseball Team To Play Kirby Vacuum In Practice Game Sun.

Ozona baseball fans will have an opportunity Sunday afternoon to see their 1960 baseball team, entry in the Concho Basin League, in a practice game with another Concho Basin entry, Kirby Vacuum Cleaners of San Angelo.

The practice game will get underway at 2 p. m. at Powell Field park. Sgt. Chuck Jenkins and Byron Stuart, team managers, have had from 15 to 18 players in daily workouts in preparation for the season opener in San Angelo May 15, against the Kirby Vacuum Cleaners.

For mound duty in the Sunday practice game Ozona will use Red Harrison, Sgt. Jenkins and Ronald Hennings of the Ozona Air Force Station. Stuart, ace catcher and manager of the semi-pro Ozona Giants of the thirties and later, will also be in the lineup, Sgt. Jenkins said.

Four Ozona Students Win Scholastic Honors At University of Texas

In a student body which numbers more than 18,000, four Ozona High School graduates attending the university of Texas in Austin, have made enviable scholastic records at that institution this year, reflecting great credit on the their high school, their families and the community in general as well as themselves.

Two freshman students, Becky Davidson, daughter of Mr. and Mrs. Joe Tom Davidson, and Mills Tandy, son of Dr. and Mrs. H. B. Tandy, were among freshman students at the University initiated into freshman honorary scholastic fraternities at special initiation services on the campus this week.

Becky was among 79 freshman women students initiated Wednesday into Alpha Lambda Delta, honorary scholastic fraternity. The initiation ceremony was held in Grace Hall with a dessert party preceding the initiation.

Mills is among 128 freshman men students to be initiated at 6 p. m. Thursday in Recital hall in the music building into Phi Eta Sigma, male counterpart of Alpha Lambda Delta. Judge Joe Greenhill, a former president of Phi Eta Sigma, will address the new fraternity members at a banquet at the Driskill Hotel after the initiation ceremony.

Sarah Hicks, daughter of Mr. and Mrs. Lindsey Hicks, and Carol Friend, daughter of Mr. and Mrs. W. E. Friend, Jr., both seniors at the University, were honored at the annual University Honors Convocation April 10. Sarah received the Borden's monetary award for the highest grade average among Senior home economics students for the four-year period. She is a member of the Honorary Society of Home Economics.

Carol was named to the University Honor Roll for the winter semester and was among students honored at the Convocation. Carol has maintained high grade averages throughout her University career.

Mrs. Coralie Meinecke Named To Directorate Of Texas Title Assn.

Mrs. Coralie Meinecke, manager of the Crockett County Abstract Co., was elected a member of the board of directors of the Texas Title Association, a statewide organization of abstract and title companies, at the 50th annual convention of the association in Corpus Christi last week.

Mrs. Meinecke had served during the past year as membership chairman of the state organization and was instrumental in making a record in crease in membership for the association during the year. She also was district chairman for this district and entertained a district convention here during the past year.

Jimmie Pigman of Dalhart was elected state president and Paul J. Hucton of El Paso was named vice president.

Annual Variety Show Of Lions Club Mon. Night

Esquire 'Girls', Music, Comedy In Store For Audience

Ozona Lions Club members and recruited home talent are ready for the clubs annual Variety Show set for Monday night in the high school auditorium.

Admission charge will be \$1 which will be a donation to the club's annual Little League summer operations. Show time is 8 p. m. Advance ticket sale is now under way with Little League Player offering the ducats.

A feature of this year's Variety Show will be the Esquire 'girls', twelve in number, one representing each month of the year. As a for instance, there will be Spring fresh Clara Belle Hubbard for May; sizzling July number, Martha Lou Davidson; a cool November fall picture in the person of Babe Hufstedler, and in the holiday mood for December, Lula Belle Webster. But that's not all, there'll be at least eight other lovelies on display.

The program will also feature performances by the Ozona High School band, a twirling routine by the band twirlers, a blackface comedy act with all home talent, vocal numbers by Vernon Harlan and Lt. Jim Cotesworth and a local hillbilly band program.

The show is under the direction of Lion President Corbett Smith, who has assembled a corps of helpers to assure an evening of fun. J. A. Pelto will be the show's M. C.

Two Wells Slated In N'west Crockett

Ralph E. Fair and S. T. Constantine, Midland, will drill a 2-500-foot Crockett County wildcat, 11 miles southeast of Iraan and 2 1/2 miles northwest of the Half field. It is the No. No. 1 Noelke.

It is 330 feet east of the northeast corner of section 57, thence 330 feet south to the location in 54-GG-W. B. Lewis.

The project is also 2 1/2 miles southeast of the Millard (Queen) field in Pecos County.

Shell Oil Co. will drill the No. 3-J Hobbs as a location northwest stepout to the four-well Crockett County portion of the Crossett, South (Devonian) field, five miles southwest of McCamey.

Location is 926 feet from the north and 660 feet from the west lines of 58-35-H&TC. Contract depth is 5,800 feet.

Iraan Pair Fined On Theft Charges

Elvie Bibby and Otis Tipton, both 20 and both of Iraan, were fined a total of \$69 each on pleas of guilty to charges of theft in justice court here this week.

Bibby and Tipton were arrested in Iraan on advice from Sheriff Billy Mills of Ozona in connection with the theft of two batteries from a water pump on the Pecos river. The batteries belonged to Parker Construction Co., doing road work in the area. They were recovered.

Cancer Crusade Here Tuesday Night 7 to 8

Sounding of the fire siren at 7 p. m. Tuesday night will signal the start of the Cancer Crusade in Ozona, it was announced this week. Preliminary to the Crusade one hour drive Tuesday night, Mrs. Dick Webster is making a canvass of the places of business in Ozona this week soliciting funds for the cause.

Workers who do not find residents at home will leave an envelope for their use in mailing a contribution.

Mr. and Mrs. Henry Patrick and son, Donny, from Pecos, spent the Easter week-end here visiting his parents. Mr. and Mrs. Joe Patrick.

Carl Dorley, Power Hitter & Darling of Ozona's Rabid Baseball Fans of Semi-Pro Giants of 30's Dies of Cancer in Bloomington, Illinois, at Age 52

Ozona baseball fans of the thirties, and there was never a more rabid group of followers of the national pastime, those who remember the days of the torrid campaigns of the semi-pro Permian Basin League, were saddened this week with news of the death of one of the top heroes of the beloved Giants of those depression years.

Fans of those heyday days of baseball in Ozona saw in their players greater stature than any big leaguer of the day. Any Sunday afternoon in summer they can see on the base paths the ghosts of Fats Heatherly, Butch Lenz, Johnny Mangold, Oscar Peeples, Tex Stuart, Lefty Weickline, Slim Crosswaite, Bob Weaver, Slim Harris, Carl Dorley and a host of others.

The boom of their big bats still ring in one's ears — the loudest that of home-run slugger, superb thirdbaseman, relief pitcher and all-round big league calibre player Carl Dorley.

Carl Dorley died April 2 in Bloomington, Illinois, where he starred for many years as a member of Bloomington's team in the Three I league, a farm team for the St. Louis Cardinals. Dorley was a victim of cancer at the age of 52 years. He is survived by his widow, Paula, and two sons, Dick, who was born in Ozona, and Tony.

Dorley started his long professional baseball career shortly after graduating from Kirkwood, Mo., High School where he starred as a baseball player on the high school team. Someone called Manager Rogers Hornby's attention to the youngster and Dorley was or-

dered to report to old Sportsman's Field. He got up to the plate just two times in that workout and each time sent the ball sailing over the centerfield fence. Hornby signed him up that day and he became a Cardinal farmhand.

After playing in the Texas League with the San Antonio Missions, where his greatest moment of glory was a grand slam homer against Chicago Cubs ace Bill Lee in an exhibition game. Dorley came to Ozona to join the Giants. His big bat, his strong arm and his pleasing personality soon made him the darling of local fans.

Employed at the time of his death as a switchman with the Gulf, Mobile and Ohio railroad, Dorley missed his big chance in the majors in 1944 when he was offered a utility post with the Washington Senators but had to decline because of wartime regulation governing his position with the railroad. In his long career in organized ball, Dorley played in the Central League with Fort Wayne, Ind., in the Three I League with Bloomington, in the Texas League and his last year in professional ball was in 1941 with Williamsport, Pa., in the Class A Tri-State League. He played and managed several more seasons in the Bloomington Municipal League before stepping out of baseball.

News of the former Ozona baseballers sudden death came this week in a note from Mrs. Dorley to his former teammate on that fabulous team of the thirties, Byron (Tex) Stuart, and Mrs. Stuart. Mrs. Dorley said they had planned a visit to Ozona this summer.

Only Eight Days Left To Sign Applications For Wool Incentive

Only eight days remain in which ranchmen of Crockett County can sign applications for payment under the wool incentive program. Claude Russell, office manager for the Crockett County ASC reminded this week.

Applications for payment must be signed not later than May 2. The office is closed Saturdays and Sundays, thus leaving only eight days to sign. Mr. Russell estimated nearly 50 ranchmen in this county had not yet signed payment applications. Preparation of the applications for payment began after the close of the marketing period March 31, and the application must be signed by the producer to qualify for incentive payment.

Boyd Named President Crockett County TSTA

Ernie Boyd, principal of South Elementary school, was elected president of the Crockett County Unit of the Texas State Teachers Assn. at the annual election of officers recently.

J. A. Pelto, high school principal, was named first vice president; Mrs. Pete Jacoby, second vice president; Mrs. Beecher Montgomery, secretary, and Mrs. Alberta Ross, treasurer.

The chapter will have a musical program and fellowship in the high school cafeteria Tuesday evening, April 26, for the installation of officers.

Revival Meeting At Calvary Baptist Will Start Next Sunday

The Calvary Baptist Church will conduct Revival Services beginning Sunday April 24, and continuing through the 1st of May. Rev. Hugh Stiles, pastor, announced this week. Calvin Beach, pastor of the First Baptist Church of Tokio, Texas, will be the guest evangelist. Rev. Beach conducted the Calvary Church summer revival held last July. He is the former pastor of the Pleasant View Baptist Church of Seagraves and a graduate of Howard Payne College of Brownwood.

The song service for the revival will begin at 7:30 p. m. with evangelistic services following. At 7:00 p. m. prayer meetings for adult and young people groups will be held. Also at this time the children will participate in singing with the Booster Band. A nursery will be provided for all services.

The Church is meeting this week for Cottage Prayer Meetings in the homes of various members. During the week of the revival, the men of the church family as well as friends will meet at 6:15 each morning for prayers and fellowship. The last day of the revival will be "Fellowship Sunday" which will include a church wide dinner sponsored by the Women's Missionary Society of the Church.

The members and friends of the Calvary Church extend a sincerely cordial invitation to the public to attend these revival services. The church is located at 317 Ave. O

Practice Monday For Cage Squad

Vars Returning Experience Coaches

Ernie Boyd

Dozier will greet the 1960-61 Ozona basketball team at a Monday afternoon basketball practice before local high school.

Turneers from the last six lettermen and squaddmen, will make an element of the will include some six an unknown number dates.

"You Won't Cry About the FACTS* of Electric Clothes Drying"

* COSTS ONLY 5¢ A LOAD TO OPERATE

Here are some facts to think about for just a second—you can dry more than 500 loads of clothes electrically for the life of the dryer in the initial cost of an electric dryer and pay only 5¢ per load to operate. It's a fact—check it.

And here is another fact—Electric Clothes Drying is quite economical. It's safe, clean and the actual cost is only about a cent a load.

Electric Dryers cost considerably less to purchase and install and there is free wiring installation in any home served by WTU. These are facts you can check with your favorite appliance dealer.
