## Old Boy ks Car Stolen School Here

## ado Youth Un- When Car Flips Sterling City

Thirteen-year-old Eldorado American boy whose parents got as far as a few miles when he "played hooky" pool, hitched a ride to Ozone a 1954 Ford station wagon belonging to the Ozona system from in front of the school and started out to visit in Lamesa.

When he had never before seen a car, so far as his parents know, he got as far as a few miles from Sterling City. Having got a "feel of the road" by that time, he let the vehicle out and was estimated by Highway Patrolmen at approximately 85 miles an hour, he lost control of the car and it turned over several times and was almost demolished.

The boy suffered only a cut lip and a bruise on the head in the crash which resulted in insurance companies pronouncing the station wagon a total loss. Deputy Sheriff Parker, notified by the Highway Patrol, brought the boy, Flores, back to Ozona where he was charged with theft by receiving. Deputy Parker was aided by School Supt. L. B. T. to get insurance adjusters to the wreck.

Following his arraignment here, the grade pupil was released to the custody of his parents and is expected to return for a hearing before Judge Houston Smith Wednesday afternoon.

## na Entries Pile Up 2 Points For Wide ory Margin

By Ernie Boyd

Records tumbled last Saturday as the Ozona High School team overwhelmed all rivals by 22 points. Mason garnered 12 points to finish second and won up the day with third place.

Scott of Iraan picked up the final high man trophy with 12 points as compared to a total of Ozona's Joe McMullan, 23 for Junction's Howard Beck.

Two records to tumble were the field events with Olenstedt Bob Meinecke, 11' 6 1/2" to eclipse the record of David Sikes of Ozona at 11' 5".

Second mark to fall during the day went to Junction's E. Hoffer who cleared 6' 1/4" high jump to top the record set by John Kennedy of last year.

## Red Cross Workers Set For One-Day Fund Drive Next Tuesday

A crew of some 30 solicitors are poised for the one-day drive next Tuesday by which they hope to raise Crockett county's 1960 Red Cross Fund Drive quota of \$1200. Roy Thompson, drive chairman, has announced that a crew of workers has been recruited and will meet at the Hi-Way Cafe Tuesday morning at 9 o'clock to hear a brief talk by Jim Hamilton of Sweetwater, Red Cross field director for this area, before starting out on their house-to-house canvass of the city for Red Cross contributions.

The \$1200 quota assigned the local chapter this year was determined by local chapter needs for the coming year plus the pro-rata assignment of the chapter's part in the national Red Cross goal. Ozonans failed last year to meet their assigned goal in the Red Cross drive and chapter and campaign officials hope that the quota will be oversubscribed this year to make up for last year's deficit.

## Ozona High Girls, Stockton Juniors Win Tourney Here

## Seventh Annual Vol- leyball Meet Draws Area Teams Sat.

By Ernie Boyd

The Ozona High School girls and the Ft. Stockton Junior High girls volleyball teams swept through to the championship in the seventh annual girls volleyball tourney held in Ozona Saturday.

The Ozona girls won the title when they walloped defending champion Iraan 38 to 4 Saturday night before a large crowd. The Ft. Stockton team also had an easy time in the finals as they whipped Ozona 30 to 3 to retain the title they have held for the past several years.

In the High School division San Angelo High School downed Barnhart for the consolation title and in the Junior High bracket London whipped Big Lake for the consolation honors.

Ozona High School won its way to the finals by opening with a win over San Angelo 24 to 18 and then had to meet its own freshmen to gain the finals. Iraan opened the defense of its title with a win over Barnhart and then downed Menard to gain the finals.

The high school finals began as though a close game were at hand as both teams were able to crack the other teams service easily. At the end of four and one half minutes of play the score stood 7 to 4 Ozona but the felines got things under control then and racked up 29 points in the remainder of the contest while blanking Iraan.

Edna Garza of Ozona was chosen the most valuable player of the tourney with the balance of the team named being, Yalonda Badgett of Iraan, spiker; Glenda Friend of Ozona, spiker; Anne Puckett of Reagan County, spiker; Barbara Henderson of Iraan, set-up; Margaret Pettit of Reagan County, set-up, and Sylvia Harper of San Angelo, set-up.

## Sul Ross Choir To Present Program Here Thursday, March 24

Sul Ross College's Modern Choir, under the direction of Dr. Glenn F. Davis, will present a program in the Ozona High School auditorium next Thursday afternoon, March 24, at 2:40 p. m.

Dr. Davis is head of the Sul Ross College Music Department and has assembled the top talent from the department in forming this year's choir. The choir consists of 20 voices and the program will consist of numbers in the modern style. In addition to the choir, the program will consist of the Dancing Duos and a three-piece combo.

## Ozona Baseball Team In First Workout Sunday

## May Enter Concho Basin League If Funds Are Forthcoming

Baseball is coming back to Ozona — maybe.

Sgt. Chuck Jenkins of the Ozona Radar Station and Byron Stuart, Ozona's long time backstop and ace baseball promoter and enthusiast, are teamed in an effort to put Ozona, traditionally one of West Texas' top interest baseball towns, back on the baseball map.

And at mid-week, only a matter of around \$300 in contributions stood between them and success. And scarcely any fund soliciting had been done — most of the \$300 already pledged having been of the voluntary nature.

At any rate, prospects seem bright enough that the team managers have called the first workout for team hopefuls for next Sunday afternoon, March 20, at 2 p. m. at Powell Field park.

Sgt. Jenkins attended a meeting of Concho Basin representatives in San Angelo last week when rules and regulations for the 1960 league season were set up, opening and closing dates fixed, entry fees determined and other matters settled. Six teams are tentatively entered in the Concho Basin League this year. They include Goodfellow AFB, Kirby Vacuum Cleaners, San Angelo, the Brownwood Colts, Brownwood National Guard, Robert Lee and Ozona.

In order to outfit the Ozona team in uniforms and equipment, \$600 in contributions will be necessary, Sgt. Jenkins said. Of this amount, nearly \$300 has already been subscribed and no difficulty is expected in raising the balance.

Entry fee in the league will be \$50 per team. Three round robin series will be played for the league championship, with pot money being split 60 percent to the winner and 40 percent to the runner-up team. The local team hopes to have 18 players on its roster for the season.

"Although baseball has been on the wane in Ozona in recent years, we feel that with the help of all the citizens we can field a top grade team to help put Ozona back on the baseball map in this part of the country," said Sgt. Jenkins. "When a solicitor asks you for a contribution, dig deep to help put our national game back in the ball park on Sunday afternoons."

## Leon E. Dowdy, 69, Dies At Home Here; Services Pending

## Colorful Area Cowboy Succumbs To Heart Ailment Wed.

Funeral services are pending at the Cody Funeral Home here for Leon E. Dowdy, 69, veteran West Texas cowboy, who died of a heart ailment at his home here Wednesday morning. The funeral hour had not been set this morning pending the arrival of relatives but will probably be sometime Friday.

Mr. Dowdy was born in Goliad, Texas, April 16, 1890. He had worked on ranches in this area since 1920. He was married August 10, 1920, to Mary Caddell in Hunt, Texas, the couple moving to Ozona shortly after their marriage.

Surviving are the widow of Ozona; two sons, Richard J. Dowdy of Farmington, N. M., and Martin E. Dowdy of Fort Worth; one daughter, Mrs. Willa Joyce Thomas of Odessa; three brothers, Charles E. and Almon Dowdy, both of Pearsall, Texas, and Herman Dowdy of Marble Falls, Texas, and four sisters, Mrs. Chas. E. Stone of Kerrville, Mrs. Louis Myers of El Paso, Mrs. Martin Clauzelle and Mrs. Lester Blessings, both of San Antonio.

## Top Honors In Angelo Show Won By Ozona 4-H'ers

## Sweep Fat Lamb, Rambouillet Show With 5 Championships

Crockett County 4-H members carried off a major portion of the honors in the Rambouillet sheep and fat lamb division at the San Angelo Fat Stock Show for the second straight year by winning five championships.

Pierce and Jay Miller, and Pam Jones were the big winners with breeding sheep. Pierce showed champion ram and Jay won the champion and reserve champion ewe honors. Pam placed third to Jay, who had first and second places in the two-tooth ewe class. Jay exhibited the first place pen of three in the Junior open class and second place in the breeder-owner class. Pam had third place pen of three in the Junior Open Class. Jay Miller won the Wallace Dameron Memorial Trophy as the premier exhibitor of the Junior Rambouillet Show.

Penn Baggett had champion finewool fat lamb for the second straight year. Penn and Mark Baggett placed six lambs in the sale, with the champion bringing 500.00 from the San Angelo National Bank. Other buyers of Baggett lambs were Barnes & Company, Mustang Chevrolet Company, Central National Bank, Tejas Motel, and San Angelo Wool Company. Duwain Vinson, Jr., sold his lamb to the Mid-West Feed Yards.

While only seven lambs made the sale, seventeen local lambs placed in the show. Other placing lambs were Larry Mills, Bill Jacoby, Bryan Montgomery, Judy Barber, and Diana Couch. Making a strong showing with their lambs were Fred Baker, Rex Bland, David Jacoby, Bill and Larry Williams, and Frank Childress.

Crockett Co. 4-H members exhibited the champion group of fifteen finewool fat lambs of the show for the second straight year and placed second with their group of fifteen crossbreds.

Fred Baker showed his two commercial steers to the choice group. Bill and Larry Williams exhibited four steers, placing two choice, one good and one standard grade.

Bill Williams placed his registered Hereford heifer to seventh place in the Junior Hereford Show and Larry Williams placed his Hereford heifer in second place in the Adult Show.

4-H members sold all their fat lambs, light lambs bringing \$23.90 cwt and the heavy lambs \$22.00

The San Angelo fat Stock Show completed the show circuit for this year and 4-H members can look back on a very successful season in which they won some twenty champion and reserve champion honors at Ft. Stockton, Odessa, Abilene, Brady, San Antonio and San Angelo during the show season.

## Ozona One-Act Play Presented Tonight

Ozonans will be given an opportunity tonight (Thursday) in the High School auditorium to see the 1960 Ozona High School's entry in the 1960 one-act play contest when it will be presented by the cast under direction of Haskell Leath. There will be no admission charge and every body is invited. Curtain time will be 8 p. m. The play, which will be presented in district one-act play contest at Menard Friday evening, is entitled "Sparkin'" a farce comedy. Included in the cast are Jim Williams, June Bunger, Sally Baggett and Camille Adams. Assisting Mr. Leath as directors will be Linda Millsbaugh and Mary Lou Zunker.

## ALL TEACHERS RE-ELECTED

All principals and teachers in the Ozona school system were re-elected for another year in their respective teaching positions at the regular meeting of the school board Tuesday night. The March meeting is chosen for teacher elections each year.

## Ozona Dog Fancier's Entry Is Winner In San Antonio AKC Show

A one-year-old female Beagle hound, bred from a long line of champions, won three ribbons and three points in her first showing when owner Dan C. Cole of Ozona, civilian employe at the Ozona Air Force Radar Base, took her to the huge San Antonio Kennel Club all breed show in San Antonio last week.

Mr. Cole, whose hobby is raising and showing registered Beagles, entered his young female in the 13inch open female class where she showed against a field of 18 entries. Named Her Bar's Colletti, the hound won first in her class, winners class and best of winners. Mr. Cole plans to finish the show dog, that is, show her to champion. To make champion, a dog must enter five A. K. C. recognized shows and show under at least three different judges.

Mr. and Mrs. Cole own two champion dogs, a male and female. The San Antonio show was judged by Percy Roberts of Connecticut.

## Deep Wildcat Set, Gasser Completed In Crockett Co.

## Cosden Finals Gasser On Hunt; Ellenburger Test N. of Ozona

Williamson & Cosden, Midland, will drill an 8,500-foot Ellenburger wildcat in Crockett County, 17 miles north of Ozona. It is the No. 1 Crockett-University.

Location on a 258-acre lease, is 660 feet from the south and east lines of 12-45-University lands.

The project is 4 1/2 miles northeast of the nearest Ellenburger production in the Midway Lane multipay field and seven miles southeast of Ellenburger production in the Block 44 multipay field.

The Refoil (Strawn gas) field of Crockett County gained its second producer and a 3/4-mile southeast extension with completion of Cosden Petroleum Corp., Big Spring, No. 2 E. H. Hunt, re-entry operation, nine miles southwest of Ozona.

It was finalized for a calculated, absolute open flow of 15,000,000 cubic feet of dry gas per day through perforations between 9,071-9,172 feet, which had been acidized with 5,000 gallons and fractured with 30,000 gallons and 30,000 pounds of sand.

An Ellenburger failure, the project originally was drilled by Wm. Hamm, Jr., as the No. 1 HWB Montgomery, and plugged June 15, 1950, at 10,190 feet.

Location is 660 feet from the south and west lines of 5-J-GC&SF.

The discovery, Cosden's No. 1 Hunt, was finalized Oct. 7, 1959, for a calculated, absolute open flow of 5,700,000 cubic feet of dry gas per day through perforations between 9,004-9,137 feet.

El Paso Natural Gas Co., No. 1, Davidson south of Ozona, was bot-tomed at 9,327 and running logs.

## SAC Test Team Of Professors Praise Ozona School System

Members of a team of three professors from San Angelo College who administered the annual Kuder Preference Tests, an interest test for high school Seniors to members of the Ozona High School Senior class last week, were high in praise of the Ozona School system and the 1960 graduating class.

The team of professors, including Dr. Jack Hudgins, Dr. Muriel Stewart and Max Bumgartner, supervised the annual tests given senior classes in the college's area. The group remained during the noon hour and ate lunch with students in the cafeteria as a means of further observing school operations. They complimented the apparent discipline in the schools, the behavior of students and the efficient operation of the system.

## County-Wide Vote Called For School Trustee Election

## Nine Candidates For 4 Places On Ballot For April 2 Voting

Because of apparent interest in the election and requests from voters in areas of outlying boxes, a precedent will be set when the coming school trustee election April 2 will be held on a near county-wide basis, with polls open in four voting precincts in the county and one voting place in Ozona, at the courthouse.

Voting places will be at the courthouse in Ozona, and in the county at the Powell Field box, the Owens ranch, the power plant and at the Millsbaugh ranch.

Four trustees for the Crockett Consolidated Common School district are to be selected by the voters in the April 2 election to fill two-year terms of that number on the present board whose terms expire this year.

The four selections will be made from a list of nine candidates whose names will appear on the ballot.

First to announce for places on the ballot was a slate of four new candidates for the vacant posts. These were Dick Henderson, P. C. Perner, Jr., Chas. E. Davidson, III, and Dr. Ralph E. Simon, Jr. Simultaneous announcements were next made by three of the present board members whose terms are expiring. They are J. B. Miller, M. A. Lemmons and James Childress. The fourth board member whose term is expiring, Byron Stuart, and Jessie G. Adams are the other candidates.

Ballots have been printed and are in the hands of the county clerk for absentee balloting. At a drawing last week, the order of names as they will appear on the ballot was determined. This order is as follows: J. B. Miller, Dick Henderson, Jessie G. Adams, James Childress, Byron Stuart, Chas. E. Davidson, III, P. C. Perner, Dr. M. A. Lemmons, Dr. Ralph E. Simon, Jr.

The new district board to take office May meeting will be composed of the four newly elected members and three holdover members, whose terms expire next year. Glenn Sutton and Joe Williams.

As in previous years, voters will choose new members for the county school board, a more or less inactive board but necessary under the law as custodian body for school property. To be elected to that board this year will be Chas. Black, Jr., in Precinct 2, Jeff Owens in Precinct 3 and Marshall Montgomery in Precinct 4. Names of these candidates appear on the ballot below the district board candidates. Only votes in the designated precincts will be counted for the candidates in this list.

## Wool Act Regulations Require Sales Records Be Kept Three Years

New regulations promulgated by the Commodity Credit Corp. and the Commodity Stabilization Service require applicants for payment and their marketing agencies to maintain books, records and accounts showing the marketing of wool or lambs on which applications for payment may be based, according to Claude Russell, office manager of the local ASC office, the agency which handles the incentive payment applications under the National Wool Act.

Complete marketing records must be kept for a period of three years following the marketing year during which the marketing took place, the regulations specify. These who purchase lambs on which incentive payment may be asked are also required to keep records for the same period of time. Such records must be kept, the regulations specify, to substantiate details of lambs purchased or sold during a marketing year, payments for transporting wool to market, etc.

**WITHOUT JUSTIFICATION**

The Baltimore Morning Sun points out that plenty of fat can be trimmed off nonmilitary items in the federal budget, if Congress will do it.

As an example, it takes the Rural Electrification Administration. The Sun is not opposed to REA or to the REA co-ops — indeed, it gives them great credit for what they have done in helping to electrify rural America. But it says this: "About 96 per cent of farms have power. REA cooperatives are still expanding, but today more than 80 per cent of their new customers are industries which have chosen to move into the country and others well able to pay the going rate for power. Yet the REA keeps right on financing its cooperatives at the very favorable rate of 2 per cent using money which the Treasury is compelled to borrow at 5 per cent or over. There is no longer any justification for what is in effect a handsome subsidy for the new rural electric power customers today. Yet the REA cooperatives, now a formidable lobby with a vested interest, have so far blocked every effort at reform."

Some REA partisans have said, in effect, that raising the REA interest rate to the going government interest rate would be tantamount to destroying the co-ops. If that is the case—and it seems an incredible exaggeration — there is something drastically wrong with the whole REA set-up.

**THE WORSE FOR WEAR**

The tail-feathers of that dove of peace that appears to have replaced the eagle as our national emblem are in embarrassing disarray.

The latest in Khrushchev's shako advises the world that we won't, after all, fly the Berlin corridor above the 10,000 foot ceiling that the Kremlin has imposed. Secretary of State Herter explains that the President has studied the matter and ruled out higher flying because there was no "operational necessity" for it. This seemed quite necessary for turbo-prop planes a little while ago, but perhaps we'll use World War I biplanes now.

And Castro's kepi is beginning to look like an Easter bonnet after pushing Americans around at will, seizing their property, accusing us of complicity in the Havana munitions ship explosion and flinging back in his teeth Secretary Herter's protest of this next-to-last insult.

In Panama, the plumage won by defiling the American flag and destroying US Canal Zone property may yet be augmented by the "right" (over which the President seems highly uncertain) to fly the Panamanian flag over the Canal Zone.

**COULD BE A STICKY MESS**

Colorado's Senator Gordon Allott has asked for a four-year extension of the sugar act even though he realizes Castro is not nice to us and his country is being run mostly by Communists. We suspect the Senator is thinking more about his constituent beet sugar farmers who, oddly enough, don't want a bigger market. For one thing, they're getting a Government subsidy, and for another, they don't want anybody to only "rock the boat" — in other words, to sharply increase US demand for sugar beets now, only to cut it back when and if Cuba achieves responsibility.

Irrespective of the beet problem, however, we think Senator Allott's proposal should be based on the proviso that we pay no more for our Cuban sugar than the USSR has contracted to pay.

For us to pay a higher price would, in effect, constitute a subsidy to the Soviet as well as to our own beet farmers.

**WHICH WAY ARE WE GOING**

This country faces grave danger from four little words. They are simple words but put together they form a compelling sales pitch, a rallying cry, an ultimate pronouncement of doom. The words are: "Russia will overtake us." Seldom has a phrase so small shown such political utility. With these four words, an able advocate can prove an emergency, justify a course and damn the opposition as unpatriotic. Their versatility is boundless.

"We must: "Increase defense spending "Expand federal housing "Build more power dams "Let Washington control the schools "Forget balanced budgets "Step up our rate of growth "Start new welfare projects "Or: Russia will overtake us." Before panic drives us to grab all these straws in a last grim gesture of survival we may have time to answer a pertinent question: "Which way are we going?" Are we headed toward perfection of the free economy which has made possible the world's highest standard of living? If we are, Russia shows no great eagerness to catch us, as she most recently demonstrated by agreeing to export automobiles while her own people fidget on waiting lists. Or is our goal an all-powerful central government? If that is the case, then we are the pursuers and the chase is futile because Russia is already there — Nation's Business.

**Garden Reminders**

From Garden Club Reporter

The year 1960 will open a decade of nationwide landscaping and planting of trees and shrubs for beautifications that will break all previous records, Valteau C. Curtis, Callicoon, N. Y., president of the American Association of Nurserymen, predicts. Every year for the past 10 years, a new peak has been reached and the momentum is increasing. The creation of a garden-like atmosphere around the home has come to signify wholesome family pleasure, neighborhood prestige and a relaxed way of happier outdoor living.

So, let's beautify our homes, schools, churches, industries, roadsides and ranches. Help keep our roadsides clean — don't be a litterbug. Remember — a crepe myrtle in every yard in Ozona, as a community shrub. Watch the Triangle Park take

life and become a beauty spot. A committee met with the County Commissioners and were graciously supported with a promise to supply water to the area and assistance with its upkeep. It is now a county park, as a gift from the State Highway Department. The Garden Club plans to plant it in native plants.

Have you noticed the trees planted along the lane entering the W. E. Friend, Jr., ranch? What a lovely avenue of trees they will be.

If you have plants or shrubs to share, call any Garden Club member.

## JUNIOR TAKE NMSQT

The Junior Class at the Ozona High School took the National Merit Scholarship Qualifying Test Mr. Pelto, Principal, announced today. The test was administered at the High School cafeteria at 9:00 a. m. Tuesday, March 8.

The National Merit Scholarship Qualifying Test is a three hour measure of educational development and college aptitude. Emphasis is on broad intellectual skills, and on understanding and ability, to use what can be learned, rather than on sheer knowledge of facts.

The test was the first step in the sixth annual competition for Merit Scholarships provided by some 100 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself. Over \$15,000,000 has been awarded in the first four years of the program.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. The basic continuing program is for \$1,000,000 a year (for ten annual programs). It is estimated that sponsor participation this year will add over \$2 million in sponsored Merit Scholarships. It is also expected that various outside-the-program sources will increase the present amounts offered to high scoring students by several million dollars.

For students who took the test, results will be reported to all participating schools before the end of the spring semester in time for use by class advisers. The scores may also be used in many high

schools to help students make decisions about college and the most appropriate courses to major in. Many students throughout the country who do not expect to win have taken the test in order to learn more about their individual strength and weaknesses.

Some 10,000 Semifinalists, the highest scorers in each state, will be named early next fall. Each semifinalist will be asked to take a second examination to qualify as a finalist.

Four-year scholarships are awarded to the winners with stipends depending on financial need.

The National Merit Scholarship Program is a nationwide search for students who demonstrate extraordinary ability to benefit from a college education. More than a million and a half high school students have participated in the merit program, and in the fall of 1959 more than 3,100 Merit Scholars were enrolled in nearly 400 colleges and universities in the United States.

## SPRING

Margo Pogue

Spring has sprung — nearly. That time of year when a young man's fancy turns to thoughts of love. And a young lady's fancy remains exactly where it's always been — on young men — is just around the corner. This is also the time of year for spring fever which makes it almost impossible to concentrate on school.

Naturally, many students feel that having school in the spring is unnecessary. Their main argument is that as no one is really fully conscious for the last twelve weeks why not just stay home and sleep!

Of course, these students are outnumbered by their teachers. Not that they plan to give up the fight, however. As long as there are students and teachers, when spring comes along, the long argument will begin anew.

## HEARD AROUND O. H. S.

Someone started a wild rumor that Frances S. of Abilene was getting married — Wonder what Tommy S. thinks about this?

The "Executive Department" of Ozona seems to be showing its authority! Friendly visits to Water Works Hill discourage potential group meetings, and the local "Boys" are constantly trying to deceive an automobile that is forever flashing his red search light while cruising throughout the city streets! Is this becoming a nuisance?

Sally seems to be rather lucky at convenient times. However, watch out for falling light fixtures next time!

There was a little confusion at the Jr.-Sr. Banquet. Margo and Susie had dresses just alike. Girls, did the saleslady say they were originals?

Jim W. and Tony are doing a lot of walking lately. For some reason, neither of the boys has a driver's license.

Buddy Anderson was detained from taking a trip which might have proved to be very interesting. Was it fog or girls that stopped him?

Leroy is seeking Mr. Pelto's help in his love life. Who knows, before long, we may be writing to "Dear Swede".

The Seniors are preparing themselves for their trip to Lost Valley Dude Ranch. It will be interesting to find out just how many of them can ride horses!

## SENIORS BEGIN PLAY READINGS

Last Tuesday afternoon, the Seniors began reading for parts in the play "The Brat".

This play is a comedy in three acts. Starring a young girl from the slums. Nicknamed "The Brat", this girl is used as a model for a novelist and manages to keep a family in a state of confusion.

"The Brat" is to be presented May 2 and 3 by the Senior class.

## AYER THEME SELECTED

The AYER Staff has chosen "This is Your Life-Senior Class, 1960" for the theme of the 1960 annual. They plan to use pictures of class activities in the past years, throughout the annual. It would be appreciated if anyone who has any old pictures of the Senior Class from kindergarten up, would bring them to the staff. The pictures will be returned.

The pictures for the most beautiful and most handsome contest will be judged at North Texas again this year. Contestants are: Nancy Friend, Sally Baggett, Camille Adams, Tony Parker, Jim Williams and Jim Freeman. The pictures will be mailed within the coming week.

## SENIORS ATTEND BAPTIST BANQUET

The Woman's Missionary Union of the First Baptist Church honored the Seniors and their dates last Thursday night at the Baptist Church.

Guests on the program were: Sam Ligon, who introduced the entertainers, Don Timberlake and Rex Wilson from Hardin Simmons. Don told jokes on the class members and the sponsors. Rex exhibited his talent at the keyboard. Brother Trulove ended the program with a talk.

The fellowship hall was decorated with sea shells and other decorations, to carry out an under water theme.

## RUMMAGE SALE

A rummage sale will be sponsored by the Junior class March 18-19. Starting at 12 noon on Friday continuing thru the afternoon and all day Saturday in the empty building on the corner next to the variety store.

If you have anything that you would like to donate, contact any Junior by Thursday evening, and he will come by for it.

## SENIORS TAKE KUDER TEST

The Kuder Preference test for Seniors was given yesterday by the San Angelo Junior College.

This test is given in the schools in this area to the Seniors for the purpose of helping them choose a

vocation.

After the test is taken and graded, each person is interviewed and the results of the test are explained.

# RANCH RECORD

Are More Important  
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

To any Sheriff or any Constable within the State of Texas —  
GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Crockett County, Texas, an accompanying citation, of which the herein below following is a true copy.

**CITATION BY PUBLICATION**  
**THE STATE OF TEXAS**

TO: W. D. Bell and the unknown heirs, devisees and legal representatives of W. D. Bell, and Mrs. D. Bell and the unknown heirs, devisees and legal representatives Mrs. W. D. Bell,

Defendants, Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable District Court, 112th Judicial District of Crockett County, at the Courthouse thereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of April, A. D. 1960, to Plaintiff First Amended Original Petition filed in said Court, on the day of March, A. D. 1960, in cause, numbered 3087 on the docket of said Court and styled as L. Childress, Jr., et al, Plaintiffs, vs. G. L. Gray, et al, Defendants, wherein the following persons are Plaintiffs: Pleas Childress, Jr., John W. Childress, Ruth Graham White, joined

by her husband Williams E. White, Della Graham, a widow, Rachael Graham Childress and husband, Hugh Childress, Jr., J. Neil Smith, Melissa Childress Smith, Elizabeth Childress Mitcham, joined by her husband, F. G. Mitcham, Leta Graham Glover, joined by her husband, Clinton A. Glover; and wherein the following named persons are Defendants: G. L. Gray, Ann Tippett Mann and husband, Jack Mann, Homer J. Tippett Cowden and husband, Jax M. Cowden, Jr., June Tippett Sanders and husband George B. Sanders, Thelma Tippett Amacker and husband, Robert Percy Amacker, Mary V. Sharrar and husband, William H. D. Bell and Mrs. W. D. Bell, their unknown heirs, devisees and legal representatives if either be deceased.

Plaintiff's suit or cause of action is one involving the title to that particular tract of land located in Crockett County, Texas, and described as follows:

Being all of Section 5 in Block W, TC Ry. Co. Original Grantee, Crockett County, Texas, and containing 640 acres, more or less.

Plaintiff's petition is in the statutory form of trespass to try title and is brought for the purpose of determining the legal rights of all of the named parties Plain-

tiffs and Defendants, in and to the lands and all interests therein, as above described, all as is more fully shown by Plaintiff's first amended original petition on file in this suit.

The Defendant W. D. Bell is apparently claiming an undivided one-half interest in and to all interest owned by Mary V. Sharrar, et al, in and to the lands above-described, as reflected by an instrument recorded in Volume 104, Page 481 of the Deed Records of Crockett County, Texas, and the other Defendants, Mrs. W. D. Bell, and the unknown heirs of W. D. Bell and Mrs. W. D. Bell, collectively, if W. D. Bell be deceased, assert a claim equal in amount to that claimed by W. D. Bell, as set out in said instrument.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said Court at Ozona, Crockett County, Texas, this 5 day of March, 1960.

**Notes From The County Agent's Office**

By Pete W. Jacoby

Texas wool production during 1959 was valued at 20.6 million dollars, the Texas Crop and Livestock Reporting Service announced recently.

This was an increase of 36 percent over the estimated 15.1 million dollars for the 1958 clip. The current value was based on an April 1959 through January 1960 average price of 44 cents per pound and compares with 39 cents during the 1959 marketing season.

The total 1959 clip was estimated at 46,726,000 pounds, an increase of 21 percent over the 38,716,000 pounds shorn the preceding season. Sheep shorn at 5,782,000 was 13 percent above the 5,134,000 in 1958. Fleece weights averaged 8.1 pounds last year compared with 7.5 the previous season and the 10 year average of 7.8 pounds.

Wool production for the nation totaled 292 million pounds grease basis in 1959, according to the Crop Reporting Board. This was seven percent above the 1958 production of 272 million pounds and 9 percent above the 10-year average production of 267 million pounds. Shorn wool production, at 257 million pounds, was 7 percent above the 241 million pounds produced in 1958. Pulled wool production in 1959 totaled 34.5 million pounds compared with 30.4 million pounds in 1958.

Sheep and lambs shorn in 1959 totaled 31 million head — 4 per-

cent more than the 29.6 million head shorn in 1958 and 12 percent more than the 10-year average. The weight per fleece was 8.31 pounds compared with 8.14 pounds in 1958 and the record high of 8.55 pounds in 1955.

The average price received by growers for shorn wool from April 1959 through 1960 was 42.8 cents per pound. Value of shorn wool produced in 1959 amounted to \$110 million — 25 percent above the \$88 million for the 1958 production.

Mohair production in Texas during 1959 grossed farmers and ranchers more than 22 million dollars, the Texas Crop and Livestock Reporting Service announced recently. This was one and one-half times the value of production established for the 1958 clip and sets a record high for the value of mohair production.

The current value was based on an average price (April 1959 through January 1960) of 95 cents per pound, only in 1951 and 1952 was this price exceeded.

Last year's mohair clip was estimated at 23,512,000 pounds, also an all time record. This compares with 20,207,000 pounds produced a year earlier. Increased production resulted from expanded goat numbers and an increase in average fleece weights.

At 6.6 pounds per goat the 1959 average fleeces weight compares with 6.2 pounds in 1958, the next heaviest year.

Texas, the leading mohair producing state, produced 97 percent of the total United States production.

### Sheepmen's Promotion Plans To Be Discussed At Denver ASPC Meet

Denver — Sheep producers who are delegates to the American Sheep Producers Council will attend the annual meeting of the council Monday, March 14, at the Albany Hotel in Denver.

The delegates, representing every sheep producing section of the country, will hear a review of the current program for promotion of wool and lamb by the producer's own promotion organization. The American Sheep Producers Council has had outstanding success in promoting lamb, with increases in lamb sales in all of the 21 promotion cities in which the program is conducted.

Starting the new fiscal year, July 1, the ASPC will take over full operation of the wool promotion and advertising. This previously had been conducted by the Wool Bureau, which also is supported by foreign wool producers. The ASPC will now concentrate its efforts on the wool side of the program to promoting American-made wool products.

Following the delegates meeting, the 39 member board of directors of the council will meet

Tuesday and Wednesday, March 15 and 16. The board actually sets the budget figures for the council. Proposed for the coming year is a budget of \$1,636,000 for lamb promotion and advertising and \$1,350,000 for wool promotion and advertising.

The council is supported by deductions of one cent per pound of wool sold or five cents for each 100 pounds of lamb sold under the wool incentive payment program. Lamb and wool production have been on the increase since the sheep producers started their self-help promotion program four and a half years ago.

### BWI Workers Believed Suitable For Ranch Work In West Texas

San Angelo — Expansion of the British West Indies labor program on West Texas ranches is considered feasible by a special committee of the Texas Sheep and Goat Raisers Association, which has headquarters here.

The committee reached this decision following four days spent in Florida where members visited sugar cane and celery fields where BWI workers are employed. They also visited a 14,000 acre ranch of a sugar plantation.

After interviews with representatives of the BWI Labor Organization, an official of the Florida Fruit and Vegetable Association and the personnel manager of the U. S. Sugar Corporation, members of the committee said they believed BWI workers who soon will be available for other employment could be adapted as ranch workers.

"Of course, they'll need proper supervision and training," said Tully Pratt of Bracketville, Chairman of the TS&GRA Labor Committee, who headed the inspection team that went to Florida.

About 50 BWI workers have been employed on West Texas ranches since last September and for the most part, their work has proven satisfactory. Some ranchmen who are working BWIs say that they had rather have the BWI workers than Mexican nationals. There is much less red tape associated with the employment of BWIs than in contracting of Mexican braceros.

Members of the special TS&GRA

Committee who went to Florida plan to attend a meeting of the Labor Committee of the Texas Southwestern Cattle Raisers Association in Austin March 21. At that time their views will be made known to the cattlemen.

The full report on findings of the Committee in Florida is to be made at the quarterly directors meeting of the TS&GRA in Brownwood March 26.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

An issue is before this session of Congress that affects the welfare of every business, on every job. But because real issue will probably be obscured by so much political propaganda, it is perhaps well to discuss bare, brutal facts.

The issue is briefly this: While the United States government, with a debt of almost \$300 billion, has long been in debt to its own citizens, now for perhaps first time in this century, U. S. is a debtor nation.

In the last two years, due to almost unrestricted foreign imports into this country and to tariff barriers against U. S. goods existing in foreign nations, the U. S. has a \$7.4 billion trade deficit.

Not a small part of this situation has been created by about \$70 billion swung around the world in all kinds of so-called foreign aid schemes.

In other words, the more dollars that are shipped out of this country on one pretext or other, without a commensurate flow-back of currencies, goods, or other items of value, the deeper U. S. gets into debt to the rest of the world.

This is a serious situation. In the New Deal days when heavy government deficit spending created considerable concern, even though government expenditures in those days were peanuts compared to present level, official story was "the debt is of no consequence as it only represents what we owe to ourselves."

Without commenting on the soundness or unsoundness of this position at that time, it is significant that there is a great difference when a government owes its own people, and when it owes foreigners. For one thing, citizens must abide by whatever fiduciary financing is dreamed up.

But foreign central banking systems have decided they would rather have American gold than American dollars, with the result that the U. S. gold stocks have been depleted by almost \$5 billion by these foreign banks exchanging dollars for the yellow metal.

But it is illegal for any American citizen to have any gold reserve.

The problem is complex. Some government economists feel that the easiest way to handle the situation is to increase taxes.

Then there are some who feel solution is to stop foreign aid, reduce government spending and employment, and also protect American business and labor from the predatory attacks made by dumping onto U. S. shores of goods made with cheap foreign labor.

This latter group may or may not turn out to be a voice crying out in the wilderness. It is quite interesting, if not ironic, that Japan, a recipient of large sums of the foreign give away schemes, has not only turned in a lot of dollars for U. S. gold, but is still embarrassed by a surplus of American dollars. It is perhaps fitting to observe that no one hears anything more about that song rusted out right after Pearl Harbor by Tin Pan Alley which was titled "You're a Sap, Mr. Jap."

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

#### FROM THE STOCKMAN MARCH 12, 1931

Max Schneemann, Jr., is recovering from an operation for appendicitis performed Wednesday in a San Angelo hospital.

Charles Coates, Jr., son of Mr. and Mrs. Chas. Coates of Ozona, is in a serious condition in a San Angelo hospital following an attack of scarlet fever last Saturday. Young Coates was taken to San Angelo the first of the week when it was feared that complication might develop. Later it was reported that he had developed diphtheria and was in a critical condition.

Mr. and Mrs. H. F. Iceler of Brazel were guests of Mr. and Mrs. Joe Oberkamp Sunday. Mrs. Iceler is Mr. Oberkamp's sister.

Judge Charles E. Davidson was confined to his bed the first of the week suffering from a severe cold.

The February honor roll for Ozona High and grade school was announced this week by Supt. John L. Bishop. The list by grades includes: First grade, Billy Jean Brown, Jeane Kinsler, Jayme Chapman, Billy Jo West, George B. Armentrout, Vernon Wilson, Dale Walker, C. J. Watts. ### HIGHLIGHTS AND SIDELIGHTS From State Capitol

#### Stockman's Austin Bureau

Austin, Texas — Texas politicians have been finding it hard to make hay with no sun shining.

A number of statewide candidates are stumping the state, and legislative contenders are getting invitations to speak at rallies and before special groups.

But bad weather and the unaccustomed earliness of this year's election schedule have made it harder for most to get campaigns rolling.

Legislative candidates report they are most often quizzed on whether they favor (1) a teacher pay raise and (2) a general sales tax. "Yes" to the first and "no" to the second are generally regarded as safest answers. But many old hands have misgivings, feeling that the two commitments together may put them in a hard situation come the next session.

Amendment Line-Up — In the hoopla of a presidential campaign year, amendments to the Texas constitution probably will get only secondary attention, though they are of vital importance to all Texans.

Four are to be voted on by the people at the general election Nov. 8. Their order on the ballot, as determined by a drawing conducted by Secretary of State Zollie Steakley, will be:

1. An amendment authorizing the Legislature to create a hospital district in Lamar and Hidalgo Counties and part of Comanche County.

2. An amendment authorizing the Veterans Land Board to issue bonds at 3½ per cent interest instead of the present 3 per cent maximum.

3. An amendment giving members of the Legislature annual salaries of \$4,800 a year and \$12

per day allowances for a 120-day session. Sessions could go no longer than 140 days.

4. An amendment authorizing the Legislature to license and regulate lenders and fix maximum rates of interest.

School Costs Jump — A baby boom in the fifties means soaring school bills in the sixties, as indicated by the State Board of Education's 1960-61 estimate.

Board reported that cost of Texas public school program for next year will be \$365,000,000. This is an increase of some \$15,000,000 over the previous year.

Reason for the rise is more children — requiring more teachers, more books, more desks, etc. Total enrollment for next year is expected to be 2,254,574, an increase of more than a half million since the 1954-55 year.

Counties will have to pay \$73,080,000, or 20 per cent of the \$365,000,000 total cost.

Car Inspections Due — Drivers without a green Texas-shaped sticker on their car windshields

are advised to stop by an inspection station the first pretty day.

Department of Public Safety estimates that only about half of the 4,300,000 vehicles in Texas have had their 1960 inspection. Deadline is April 15. Col. Homer Garrison Jr., DPS director, suggests that the trip be made soon, before the lines get long.

Mr. and Mrs. Ira Carson were in Wichita Falls last week to attend the annual meeting of stockholders of the American Trust Life Insurance Co. of that city. Mrs. Carson is a director in the company.

### They're Not Dying Young

Since the beginning of this century, the nation's population has more than doubled. Most people just aren't dying as young as they used to. In fact, the number of people over 65 has not merely doubled — it has quadrupled since 1900. Folks are living longer, healthier, happier lives — because of the wonder drugs in the prescriptions that doctors write today. That's why we say . . .

### Tri-County P. T. A. Council Studies Plan For Civil Defense

The 2SC Tri-County Council met Thursday, March 10th, in the Ozona High School Auditorium. Purpose of the meeting was to investigate the possibility of setting up active Civil Defense organizations for Eldorado, Sonora, and Ozona.

Miss Lola Mae Daniel, local PTA civil defense chairman, outlined the proper procedure necessary to receive government affiliation. She stated that present officials in the county could handle most departments which would come under their duties, regardless of civil defense organization, including the volunteer fire department, sheriff, highway patrol, etc. She said the Red Cross was able only to offer aid in case of natural disaster, which does not include bombing, fall-out, etc. Also the government will assume half the cost of any equipment necessary to give the counties adequate protection.

The first step necessary to organization is the appointment of a citizens' advisory committee composed of a member of each civic organization in the county. This committee would decide on the advisability of organizing a county civil defense organization. If the need is felt, the suggestion is presented to the county governing body, which in turn secures proper affiliation with the state department.

In other council business, the nominating committee, composed of A. M. Whitis, Mrs. Edgar Shurley, and Mrs. S. E. Carnes, presented the following slate of council officers for next year: Mrs. Martin Harvick, president; Mrs. M. H. Woodward, vice-president, and Mrs. Bill Whitehead, Secretary-Treasurer. The nominations were accepted. Others attending the meeting were Dick Bierce, County judge, Eldorado, Mrs. Edwin Jackson, Mrs. Leroy Zunker, Rex Lowe, L. B. T. Sikes, and J. A. Pelto.

The next meeting will be in Sonora April 7th.

### CALVARY BAPTIST WMS

The Woman's Missionary Society of the Calvary Baptist Church met at the church Tuesday morning for missionary study and stewardship program. Present were Mmes. Odie Haire, W. O. Strother, Jessie O'Rear, Carl Hedrick, Hugh Stiles and Bob Stephens.

Next Tuesday the Society will meet at the church at 9 a. m. for a Circle program.

### Girl Volleyballers Open District Play With Win At Sonora

The Ozona High School girls volleyball team opened the defense of its district title in Sonora Tuesday by wallopping the Sonora entry 50 to 12.

The Ozona team jumped into a quick lead and never was threatened as they led 32 to 10 at the half but the Ozona entry proceeded to score 18 points in the second half while holding Sonora to 2 to run up the final score.

The Ozona B team also was successful as they downed the Sonora reserves 50 to 19.

In other district games Big Lake downed Menard leaving Ozona and Big Lake with one win each and Junction as yet idle while Menard and Sonora have one loss each.

### Enlisted Men's Wives Club In Monthly Meet

The Enlisted Men's Wives Club at the Ozona Air Force Base, met March 8 in the Base music room for their monthly business meeting. Coffee was served by Fran Burge and Mildred Smith and Mildred won the door prize.

The bake sale that was postponed March 1, will be held Friday, April 1 at the base. Tentative plans are now being made for an Easter egg hunt for all base children. Parents will be notified after definite plans are made.

The next meeting will be a social on Tuesday, March 22, at 7:30 p. m., at the base recreation room. Joyce Ming and Myra Sager will be hostesses and white elephant bingo will be played.

We wish to invite all enlisted men's wives to attend.

Mrs. Charles Williams, Sr., is in Phoenix, Ariz., where she is spending two weeks visiting relatives and attending art classes.
