## General Election Ballots Out For Absentee Voting

### Five Parties Offer Candidates For Presi- dential Electors

General election ballots, 1,000 of them, were printed last week by the Stockman and delivered to the office of George Russell, county and district clerk, in readiness for absentee voting for the general election November 5.

The ballots this year contain seven columns, only five of them used by regularly constituted parties, the last two being blanks, one marked "Independent" and the other left blank for write-in of any desired party or ticket.

The first column contains candidates of the Democratic party, from presidential electors to precinct officers. In the next column, the Republican party has a full slate of candidates for presidential electors, and state offices with the exception of that for Commissioner of Agriculture, and the district and local officers. These two parties, of course, will be all that concern a big majority of the voters.

The Communist party, outlawed in several other states this year, will have only a partial slate in this state, with only eight instead of the allotted 23 electoral voters for president listed. The Communists are the only other party offering any candidates for state offices outside of the Democratic and Republican parties the Socialist and Prohibition parties listing only presidential electors, with blanks for all state, district and county offices. The Communists, although short on their presidential electors, offer candidates for United States Senator, Governor, Lieutenant-Governor, Attorney General, Railroad Commissioner and Commissioner of Agriculture.

Voters will have the privilege of splitting up their vote in any manner they choose, except that they must vote for presidential electors as a whole, selecting a complete group of any one of the organized parties and scratching the others. A voter may vote for presidential electors of one party and scratch all other candidates and complete his ballot by scratching the electors of another party and leaving the others unmarked. In all cases, of course, marking out all other party tickets.

Texas voters will also decide at the general election on four proposed constitutional amendments. One of these, the first on the ticket, is purely local in nature, permitting Red River County voters to decide on issuance of bonds to refund general indebtedness. Another amendment would provide that notaries public be appointed by the secretary of state rather than by the legislature, one to clarify the statutes concerning the status of municipal employees under the Civil Service act, and the last would provide for direct appeal to the Supreme Court in instances involving constitutional validity of certain laws and orders.

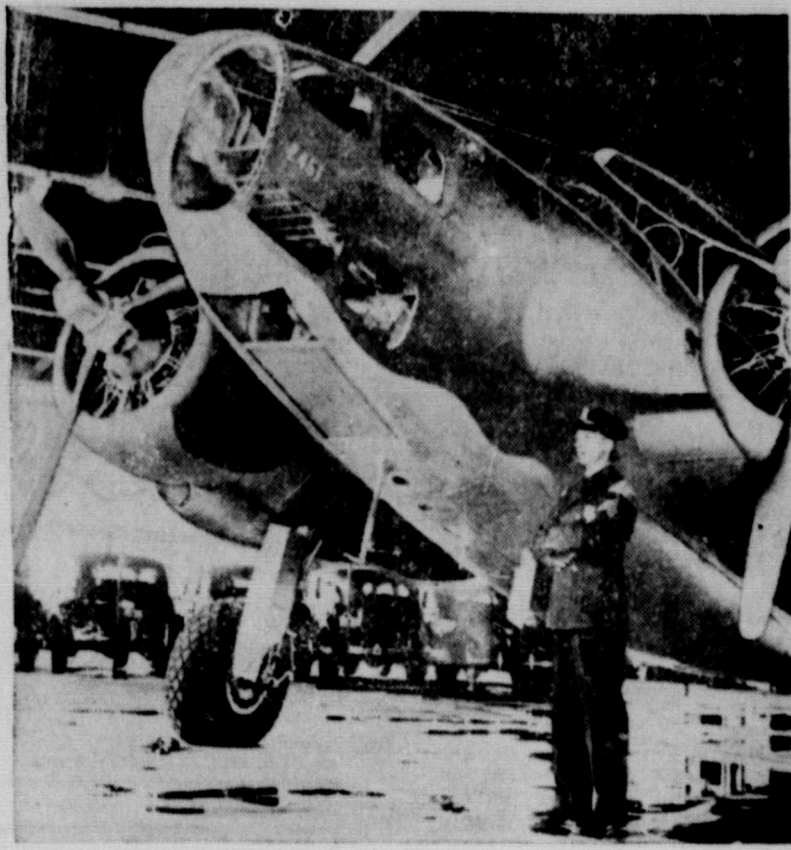

## Joe Albert Brown Suffers Broken Arm

Mr. and Mrs. Melvin Brown returned Tuesday night from Dallas where they went to take their son, Joe Albert, for treatment for a broken arm suffered in a fall from a horse on the Jake Young ranch Sunday afternoon.

The child's arm was broken near the shoulder and he was rushed to Dallas where a bone specialist set the fracture. X-Ray examination showed an almost perfect set of the dangerous break and doctors are confident that no permanent injury will result from the accident. Mr. and Mrs. Brown and Joe Albert were accompanied to Dallas by Mr. and Mrs. Joe North.

Rosalee Friend, daughter of Mr. and Mrs. W. E. Friend, Jr., suffered a sprained ankle last week while at play at her home here.

## American Bombers for Great Britain

A Lockheed bomber, the first of several bombers which are being manufactured in this country for the British government, which took off recently from the Detroit city airport on the final leg of its flight from California. The camouflaged plane is shown in the hangar where it had been placed under a special guard.

## Ozona's Lions Bounce Menard For First Win

### One Point Margin Is Sufficient For Dis- trict Victory

Coach Dan Patterson's Ozona Lions were the proud possessors of their first win of the current season at the end of last Saturday afternoon's district encounter on the Powell Field grid with the Menard Yellowjackets of Coach Roy White.

The Lions uncorked a tricky line play to put the ball over for the extra point after touchdown for the victory margin in a 7 to 6 contest. Both teams scored their counters in the first half and thereafter each fought doggedly for advantage but each was battled to a standstill to the final whistle.

The Jackets tallied first in the opening quarter on an off-tackle thrust that netted 20 yards and pay dust. The try for point failed. The Lions came back a few seconds, after the opening of the second quarter to score from the 2, Wilson carrying. A nice bit of blocking, and Hannah was over with the winning extra point.

As a reward for their win and for their faithful work so far this season, the school athletic department is sponsoring a trip for the entire squad next Saturday to see the Texas-SMU football game in Austin. The local crew will go from Mason, where they play the Mason high eleven Friday afternoon, to Austin Friday night and be on hand for Saturday's game. The Lions are enjoying a week off this week.

## Junior Historical Society Organized

Re-organization of the Ozona Junior Historical Society, composed of a group of High School students, was completed at a meeting at the school Tuesday. Wayne West, Jr., was elected president of the group with George B. Armentrout as vice-president, and Stanley Lemmons as secretary. L. B. T. Sikes, high school principal was named sponsor.

The society will continue its interviews of local old-timers. The group will also sponsor a Texas collection for the library will make two field trips during the year and follow up the program of improvement of the museum.

D. K. McMullan, Jr., is in a San Angelo hospital recovering from an appendix operation.

## Ozona Girl Student Seriously Injured In Fall At College

Mr. and Mrs. Welton Bunker left last week for Lubbock to be with their daughter, Miss Doris Bunker, student in Texas Tech, who suffered a fractured skull in a fall in her room.

The Ozona girl was injured when a small rug in her room slipped from under her when she stepped on it. In the resulting fall her head struck the floor with such force that a fracture resulted. Reports from her bedside this week, however, indicate that her condition is improving and she is considered out of danger.

Another Ozona girl away at school was an accident victim last week. She is Mary Louise Harvick, attending Stephens College in Columbia, Mo. Mary Louise suffered a severely sprained ankle in a fall recently.

## Students Open Sale Campaign For Annual Outside Of School

A sales committee of seven members was appointed by the management of The Hitching Post Ozona High School annual to be published this year, and a sales campaign was inaugurated this week among prospects outside the student body in an effort to place the minimum number of books before production begins.

A total of 40 copies has been sold among students and a list of 65 names of persons outside the school who may possibly be interested in purchase of a copy of the book has been prepared and placed in the hands of the sales committee. The price of the book is \$4 with possibility of a reduction if enough copies are sold.

The sale outside the school will be continued through Wednesday of next week. If by that time a total of 75 books has been placed, the photographer will be summoned and begin making pictures for the publication. Members of the sales committee are Shorty Colquitt, business manager, Gemella Dudley, Mary Louise Perner, Lottie Jo Owens, Joe B. Chapman and Jim Ad Harvick.

## SUFFERS CONCUSSION

Basil Dunlap, son of Mr. and Mrs. Ray Dunlap, suffered a slight brain concussion and was out of school several days recovering from injuries suffered early in the week when he fell on the gymnasium floor at the high school. The lad's head struck the floor causing the concussion, but no bones were broken.

## Over 40 Ozonans To Attend Dist. Music Convention

### Ozona Club, Junior Group Have Parts On Program

Musicians and music lovers of Ozona will move out almost in a body Friday and Saturday of this week to attend the two-day session of the Sixth District Convention, Texas Federation of Music Clubs to be held in San Angelo Friday and Saturday.

An Ozonan, Mrs. H. B. Tandy, is district president, and a number of members of the Ozona Music Club are district officials, all of whom will be in attendance. These include Mrs. Joe Clayton, corresponding secretary; Mrs. Elton Smith, publicity chairman; Mrs. R. A. Harrell, civic music and music in industry; Mrs. S. M. Harvick, philanthropic and library extension; Mrs. V. I. Pierce, hymn study and religious folk song; and Miss Rebecca Anderson, choral music, junior division.

Ozona will be represented by numbers at both the Senior and Junior division Fine Arts programs, the former to be given Friday night and the latter Saturday afternoon. A vocal ensemble from the Ozona Music Club will present two numbers, "O Morn of Beauty" by Sibelius-Matthews, and "Cherry Pie" by Horn-Page as the local club's contribution to the Friday night program. Composing the ensemble will be Mrs. Richard Adams, Mrs. S. M. Harvick, Mrs. H. B. Tandy, Miss Ruth Graydon, Miss Frances Sprawls, Mrs. I. S. Moore, Mrs. Elton Smith, and Mrs. V. I. Pierce. Mrs. Neal Hannah will accompany the group.

Seventh grade pupils will represent the Junior High Choir when they present "Ballad For Americans" by John Latouche and Earl Robinson as a feature of the Junior Fine Arts program Saturday afternoon. The group will be under the direction of Mrs. I. S. (Continued on Last Page)

## Interest Mounts In Services Of Baptist Revival

### Rev. McGuire Preach- ing in Series To Close Sunday Night

Good crowds are attending the twice daily services being conducted by the Rev. N. E. McGuire, pastor of the Immanuel Baptist Church of San Angelo, who is conducting a ten-day revival meeting at the First Baptist Church here. Interest seems to be mounting daily in the series of services, the pastor, Rev. Clyde Childers, reports, and the closing days of the meeting are expected to bring out record attendance.

The meeting is scheduled to come to a close with services Sunday evening. Song services are under the leadership of the Rev. A. V. Bradley, director of the Student Pastorate department of the Southwestern Baptist Theological Seminary at Fort Worth. Worship services are being held twice daily, at 10 a. m. and 7:45 p. m., with evening prayer service at 7:15. The prayer services are divided into three groups, the Boosters, Junior, Intermediate and young peoples' group, and the adult group. Rev. Childers directs the Booster service, Rev. Bradley is in charge of the Juniors, Intermediate and young people, and the Baptist Brotherhood sponsors the adult session.

Friday night is to be young peoples' night, Rev. McGuire has announced. His subject for the evening sermon will be "A Life Properly Timed." Rev. McGuire and Rev. Bradley will appear before the student body of the high school at the chapel hour in the high school auditorium this afternoon.

## Sleeping Sickness Attacks Horses On Ranch South Ozona

A case of equine sleeping sickness was discovered early this week on the ranch of T. A. Kincaid, Jr., south of Ozona, the first case of the disease in this immediate area this fall. Dr. Hardy, veterinarian from the Ranch Experiment Station near Sonora, visited the Kincaid ranch and pronounced it a typical case of sleeping sickness.

Prompt vaccination of all other horses on the Kincaid ranch and nearly 200 others on adjoining ranches is expected to curb spread of the disease, which usually disappears completely with cold weather. A number of cases of the disease have been reported from the western edge of the county, with an estimated dozen head of saddle horses lost from the attack.

## Ozona Gridders To Get Trip To SMU-Texas Game

### Play In Mason Friday, Nov. 1, And on to Aus- tin Saturday

As a reward for their persistence with which they have followed practice and training requirements and the determination which guided them to their first victory of the season here last Saturday afternoon over the Menard Yellowjackets, members of the Ozona High school football squad will be given an opportunity to see the Texas University-Southern Methodist University football game in Austin Saturday of next week, November 2, it was announced yesterday by Supt. C. S. Denham.

The Lions, who will enjoy an off week this week, with no game scheduled, will go into action again Friday of next week on the Mason gridiron against the Mason high eleven. That game, originally scheduled for Saturday afternoon, was changed to Friday afternoon at the request of Mason school authorities.

After the game in Mason, the local gridders, conveyed by a group of grown-up fans and school officials, will go on to Austin to spend Friday night and to be on hand Saturday for the game Saturday afternoon in Memorial Stadium.

Coach D. X. Bible of the University squad has sent 35 "knot hole" tickets for the Ozona gridders, these tickets to entitle holders to admission to the stadium upon payment of 25 cents at the gate. The seats for the boys and their coach, Dan Patterson, will be behind the goal posts at the north or south end of the stadium. Grown-ups who will accompany the boys have reserved sideline tickets for the contest. About 25 boys, or all members of the squad, are expected to go.

Accompanying the boys and furnishing transportation for them will be Dr. H. B. Tandy, Fleet Coates, Charley Coates, Bascomb Cox, Coach Patterson and C. S. Denham.

## Sheriff's Condition Said Unsatisfactory

W. S. Willis, Crockett county's sheriff, who is in the veterans' hospital at Legion, near Kerrville, has suffered a set-back in his recovery from a recent operation for amputation of his left leg, Mrs. Willis, who was here on business this week, reported to friends.

Mr. Willis is suffering from an infection due to a circulatory disease which made amputation of the leg just below the knee necessary recently. A new attack of the same condition is said to have set up above the point of amputation, Mrs. Willis said doctors informed her, and they consider it possible that another amputation will be necessary unless the condition can be cleared rapidly.

## Serial Numbers 436 Registrants Are Posted Here

### Over 100 Sent To Other Boards; Now Await Lottery

Young men of Ozona between the ages of 21 and 35 played an interesting game of numbers here this week as they clustered about the list of registrants for this county posted by the local draft board in the postoffice lobby early Tuesday morning.

Serial numbers of 436 registrants for this county were assigned registration cards in a grand shuffle staged by the local draft board over the week-end and the complete list, with serial numbers, was posted at the postoffice.

The 436 registrants listed to the close of the day yesterday, represents the net registration for this county to that hour. More than 100 cards of stray registrants who signed up for Uncle Sam's draft with the local registration officials, were sent to local boards in counties of their residence. Cards in this class went to five states other than Texas and one local registrant gave his residence as Old Mexico. States represented besides Texas were Arkansas, California, New Mexico, Oklahoma and Arizona. Between 50 and 75 cards of Crockett county residents who had registered elsewhere have already been returned to the local board and each day's mails bring more.

Serial number one on the Crockett county list of prospective draftees for military training fell to Tom Jefferson Smith. The fa-

## Army And Navy In 26-26 Dead Heat On Grade School Grid

It was the Army and Navy in a battle to the death on the grade school gridiron Wednesday afternoon and the final score, after four hectic quarters, stood 26 to 26.

The Army team was captained by Nat Read and the Navy was led by Bernard Lemmons. Composing the Army crew were Captain Read, Ira Yancey, Don Cooke, Marshall Sweeten, Jack Coates, Estes Smith, Arthur Runkion, Sam Perner, Billy Jean Hill and Buddy Phillips. Crewmen for the Navy were Captain Lemmons, James Speer, Billy Joe McDonald, Maurice Cox, Ed Mankin, Joe Bean, Ralph McCaleb, J. B. Chapman and Joe Elliott. Officials were: Guin Caruthers (U. of T.), referee, L. B. Sikes (A. & M.), umpire, and Pete Perner (A. & M.), head linesman. Jimmy Read and James Chapman carried the chain.

Rival pep squads were led by Lillian Schneemann and Mary Kathryn Flowers, the squads staging a snake dance between halves.

## Rev. Slater Is Returned Here For Fifth Year

### Conference In San An- tonio Assigns Pas- tors In Area

Rev. Eugene Slater was returned to the pastorate of the Ozona Methodist Church for his fifth year in the post as a result of action by the Methodist Conference which ended Sunday night in San Antonio. Assignments of pastors to the various charges in the conference were read at the closing session Sunday evening.

Rev. and Mrs. Slater and Richard Flowers, delegate, attended the conference from the Ozona church. Mr. Flowers returned to his home here Sunday and Rev. Slater returned Monday. Mrs. Slater went from San Antonio to Dallas where she will spend a few weeks visiting her mother before returning to Ozona.

A WORTHWHILE PROJECT

Members of the Junior Woman's Club of Ozona have by unanimous vote assumed as the club's project for this year the modernization and improvement of the local telephone system.

Ozona has been entitled to this improvement from its telephone company long ago. The fact that it has not been done is due largely to the indifference of its people.

The Junior Woman's Club is to be congratulated on its adoption of this worthwhile objective. And it is due the solid backing of the community in bringing it to realization.

Many a man has his church membership in his wife's name. But in Ozona the men go even farther—they leave to the women all matters of community improve-

ment, civic betterment. Adoption by the Junior Woman's Club of a project for improvement of the local telephone system should bring a blush of shame to the men's faces.

AMERICA AND JAPAN

The United States clearly has no desire to go to war with Japan. Nor has Great Britain. In announcing the opening of the Burma Road, Winston Churchill expressed the hopes that the "dangers which can quite plainly be seen will be averted by the prudence and patience which Japan has shown in the gravest circumstances."

BILLIONS FOR PROGRESS

Accustomed as we are to astronomical figures, here's a fact that should impress anyone: the life insurance industry has reserves and assets totaling \$28,000,000,000.

That money is largely invested in industrial securities—in government bonds—in home and agricultural loans—in everything that keeps this country going and its people working.

short, is helping to keep America ticking. And not one cent of it came out of a government treasury.

That is part of life insurance's vast contribution to the welfare of the country as a whole. It is an example of what private enterprise means to us all.

REGISTERED VOTE

The unprecedented registration of voters in Indiana and in other states has aroused much discussion and speculation, but there is no question about it reflecting an intense interest in the election. It indicates a record vote—far more than the increase in population would bring.

"DIGGING IN"

The trenches of 1914-18 dwindle in comparison with the "digging in" going on in the present war. Already the underground passages and chambers built in London and Berlin make any of the ancient catacombs appear small.

counts from both London and Berlin describe provisions to meet the difficult problems of sanitation and ventilation. Long before it came to pass fiction writers described undersea navigation by boats closely corresponding to the submarines of the present.

Save Money—Read the Ads!

JUSTICE FOR PRIVATE OWNERS

A Federal court decision, giving needed protection to the millions of people who have invested their savings in utilities property only to see its value endangered by threats of public ownership confiscation, recently was handed down in the State of Washington.

It was held by the court that a utility company is entitled to severance damages when it is compelled to sell a portion of its system to a public utility district.

"It is obvious that the value of any part of an integrated utility system cannot be accurately judged by the worth of the physical property it represents," it is pointed out by the decision.

In other words, "the mere money value of the distribution lines serving the city are no arbiter of their worth to the utility as a whole."

One technique of the power socialists, it was recalled, "has been to force private utilities to sell the best parts of their systems, at low prices, and without severance damages."

It is expected that, in the inter-

est of fair play, to say nothing of the welfare of the millions of people who actually own the util-

ity properties, that the Washington decision will do away with a gross injustice.

Caviar . . . and Baked Beans

There's only enough caviar in the United States to last until Christmas, food authorities tell us and supplies of pate de foie gras are practically exhausted.

We regret the lack of caviar this winter and the dearth of pate de foie gras and other less exotic items we have always imported from Europe.

1940 Texas Fire Losses Increase

AUSTIN, Oct. 23.—An increase of approximately 19 per cent in insured fire losses for the first eight months of 1940 over the corresponding period of 1939, was reported today by Marvin Hall, state fire insurance commissioner.

There was an increase of 67 per cent in insured fire losses in 1939 over the year 1935 and each year has brought a decided gain in losses.

The Commissioner listed four things that should be done in each Texas community annually as a fire prevention measure to maintain a low loss level.

Diary Of Wm. B. Travis Is Given To Texas Library

AUSTIN, Oct. 23.—Diary of Col. William B. Travis, commander at the Alamo, has been given to the Archives Collection of the University of Texas Library.

The diary—one of the most valued bits of Texana in existence—covers the ten months from August, 1833, to June, 1834, when Travis—later to become immortalized for his "Victory or Death" letter—practically glared at San Felipe, the capital of Stephen F. Austin's colony.

Travis, a native of South Carolina, came to Texas from Alabama in 1832 and set up a law partnership in San Felipe with Captain Franklin J. Starr.

1445 Texas Aggies Sign Up In Uncle Sam's Draft Call

College Station, Oct. 23. (A & M C)—A total of 1445 Texas Aggies, between the ages of 21 and 36 years, stepped up to the registration desks at Texas A&M College last week and told their Uncle Sam that they are ready any time he sees fit to call them up for military service.

Under present interpretations of the Burke-Wadsworth Bill no student now enrolled in college will be called until July 1, 1941, although his number may be drawn for earlier call.

The National Champion Texas Aggies football team had several of its members registered but there were 10 of them who were exempt on the War Department contract rule.

**Save 3% On Taxes By Paying In October**

In order that those who desire may take advantage of the saving offered, this notice is given taxpayers of Crockett county regarding the discount schedule on state, county and school taxes.

Discounts inaugurated last year on state taxes and followed by the county with similar discounts on county and school taxes, are to be operative again this year, with 3 per cent, 2 per cent and 1 per cent savings possible by prompt payments.

The discount dates, with the amount of discount allowed on the total tax bill, except poll taxes and first half payments, are as follows:

**3 Per Cent Discount**  
 On taxes paid on or before November 2

**2 Per Cent Discount**  
 On taxes paid Nov. 3 to Dec. 2, inclusive

**1 Per Cent Discount**  
 On taxes paid Dec. 3 to Jan. 1, inclusive

No discount is allowed on first half payments under the split payment plan. However, the same discounts are allowed on second half payments, payable before July 1. Second half payments made in April are discounted 3 per cent; in May, 2 per cent, and in June, 1 per cent.

### Woodmen Invited To Convention At Alpine October 29

Members of Ozona Woodmen Circle No. 1587 have been invited to attend a district convention of the society at Alpine Tuesday, October 29. Delegates will be present from around 12 nearby towns.

Honor guests and speakers for the occasion will be Miss Bessie Nolan, member of the national legislative committee, national representative and state manager, Taylor; Mrs. Carrie Cave, state president, San Antonio; and Mrs. Jess R. Rooney, state inner sentinel and district manager, Ft. Stockton.

Mrs. Minnie Friend, local district treasurer will have an important part on the program. The convention will begin at 10 a. m., with formal opening ceremonies. There will be an invocation and a welcome address and response. There will be introduction of distinguished guests and seating of district officers. Lunch will be served at 12:30.

At 1:30 there will be a business session followed by a question box. A large class of candidates will be initiated and proficiency certificates will be awarded to officers who can give their charges perfectly. There will be drill demonstrations and talks.

It is expected that there will be a large attendance.

### Portrait of Travis Gift To University

AUSTIN, Oct. 23. — Possibly the only existing accurate portrait of William Barrett Travis, commander of the ill-fated Alamo, is now housed in the University of Texas Library.

Deposited in the Archives Collection by Fred Acree of Waco, the oil painting presents the Texan hero at three-quarter face in dress uniform. Investigation is under way to prove that it is the accurate work of one of his contemporaries.

The only likeness now known approaching such authenticity is a drawing made from memory by Wiley Martin, a friend of Travis during Texas Revolutionary days.

Mrs. Fred Surgy complimented her daughter, Fredda, with a tea party on her tenth birthday. In the receiving line were Sandra Augustine, Jo Nell Russell and the honoree, Martha Washington (Mrs. John Mitchell), with Mrs. Frank Russell, poured tea. After Fredda had made her wish and blown out the candles, Mrs. Surgy cut the cake. The little guests were all dressed in grown-up costumes, complete with purses. Card games and ching chess were enjoyed.

Present were Jane Augustine, Sandra Augustine, Mary Kathryn Flowers, Lillian Schneemann, Yvonne Grimmer, Patsy Johnson, Jo Nell Russell, Mrs. John Mitchell and Mrs. Frank Russell.

### FOOL'S PARADISE

Congress has not had the courage thus far to effect a single important economy to offset record-breaking defense spending, which for the present year will probably run above \$20,000,000,000. Income, despite new taxes, will amount to little more than \$6,000,000,000. As the New York Times observes, this is enough to show "that our budget has got utterly out of hand."

For the time being, war has obscured the grim fact that this country is moving inexorably toward financial ruin—not only because of debts and deficits in themselves but because there has been no serious inclination to chart a course that will ultimately bring government spending under control. We have no budget policy, and we have no tax policy. The Federal treasury is regarded as a grab bag. Taxation has been thought of as something with which to soak the rich and get votes. But hidden taxes blanket every necessity and every luxury, and by far the greater part of them are paid by the average citizen. This is the state of the nation financially—a fool's paradise of waste, at a time when it must be strong if it is to survive as a democracy in the stern world of the future.

Bankrupt nations end in anarchy. Anarchy ends in dictatorship, for dictatorship is the only way in which civil order can again be established. Too late the people

of a bankrupt democracy discover what keeps democracy alive, namely, a sense of personal responsibility for acts of public servants, and full realization of the fact that there is nothing superhuman about government. What government gives, it must first take away. In piling up debt it is taking away from our national future. If it takes away over a long enough period, there will be no future for us as a free people.

Mr. and Mrs. Hugh Childress, accompanied by their grandson, Graham Childress, spent several days in Fort Worth last week where they visited the Childresses daughter, Miss Cathryn Childress, a student at Texas Christian University. Miss Childress accompanied her parents home for a brief visit.

Work is to be started this week on a new home for Mr. and Mrs. Phillip Lee Childress, in the southeast part of Ozona. The old home was moved from the site Wednesday to make way for the new structure. The old house bought by Allen McKinney being moved to a lot in the north part of town.

Moving of the Hillery Phillips home to a lot at the south end of Powell avenue is scheduled to start today. The house is being moved to make way for a new home to be built for Mr. and Mrs. Phillips.

### Montgomery-Owens Wedding Announced

Announcement was made this week of the wedding October 11 of Miss Margaret Elizabeth Owens and George Vic Montgomery. The wedding took place in the home of the bride's parents, Mr. and Mrs. Tom Owens, Rev. Eugene Slater, pastor of the Ozona Methodist Church, performing the rites in the presence of members of the families.

The bride wore a blue dress, princess style, with a black fox fur jacket and corsage of orchids. The home was decorated with margolds, chrysanthemums and dahlias.

Mrs. Montgomery was graduated from Ozona high school and attended Incarnate Word College in San Antonio. Mr. Montgomery, a son of Mr. and Mrs. George Montgomery, is also a graduate of Ozona high and of Texas Christian University in Fort Worth. He was a member of the Bryson Club at TCU and a star performer on the Horned Frog grid aggregation.

Guests at the wedding included parents of the bride and groom, Mr. and Mrs. J. C. Montgomery, Miss Lottie Jo Owens and Tom Ed Montgomery.

Mrs. Eugene Slater and Susan are in Dallas for a visit with Mrs. Slater's mother. Rev. Slater returned to Ozona from the Methodist conference in San Antonio. Mrs. Slater going from there to Dallas for a visit.

TEACHERS REGISTER

October 16, 1940 seemed to be a swell day for the men teachers of our faculty; or was it? "Conscription" is a nice word, but some people don't like it.

The registrars saw none other than six of our teachers, Coach Patterson, Mr. Sikes, Mr. Caruthers, Mr. Pingleton, Mr. McCook, and Mr. Chapman.

Registration Certificates had blanks for the registrars' signature, name, address, precinct number, city or county, and state.

Every member of the Ozona High School knows that if the teachers have to go into training, the army will have six good men, physically and mentally.

GIFT SENT

The Senior Class of Ozona High School last Thursday sent a box of Pangburn's Chocolates to Mary Frances Bean, who has been ill with an attack of appendicitis.

Each Senior gave fifteen cents for the cause and the candy was presented to Frances by Helen Mayes.

Frances, who returned home from San Angelo, Sunday, October 13, will be back to school Monday.

Frances, how do you feel about it? Will you or will you not be glad to get back to school? Remember you won't get chocolates and flowers then. No siree, all you will get will be lessons and more trouble.

Students Write Fire Prevention Themes

Members of the Sophomore and Senior Classes have been wearing worried looks on their faces for the last week. Every time someone mentions something about fire each seems to remember that he hasn't written his fire prevention theme.

These themes are to make more people conscious of the fact that the largest per cent of the fires are unalloyed for.

The sophomore class has been required to write from three to five pages, while the senior class has been required to write from five to ten pages.

The subjects they had to pick from were as follows: "When Is a Building Fire Resisting?" Gas: A Valuable Friend or a Deadly Foe; Making Electrical Services Safe; Safe Heating System For a Home; Building Code of My City; The Safe Building for Crowds; The Roof That Controls Fires; Build To Check Fire; Not To Spread It; Why Use Lightning Rods; Fire Hazards Resulting From Poor Construction; Including Safety in the House Plans; Advantage of a Modern Code; Who Pays the Fire Losses; Meaning of "Fire Waste"; Fire Waste: A Social Problem; Ways of Reducing Local Fire Waste; Cost of an Incendiary Fire to the Honest Property Owner; The Chemistry of Fire; Value of Our Fire Department; A Person Guilty of Arson Is a Greater Menace to a Community than a Bank Robber; Fire Prevention and Life Saving; Development of Fire Departments in the United States; Fire Fighters Are of More Service to Humanity Than Are Soldiers; Economic Problems Resulting from Loss of Tax Money by Fire; Means of Controlling Hazards of Modern Conveniences; and How Fire Insurance Rates Are Affected by Fire Prevention and Protection.

We hope these themes, together with the posters that have just been made by the grade school, will help prevent as many fires as possible.

4TH GRADE NEWS

The girls have a base ball team. We have two captains, Jo Nell Russell and Patsy Johnson. We played the fifth grade a few weeks ago and won the game. We hope to beat them again real soon. Sally McBee is one of our best players. Lillian Schneeman has been playing good ball, too.

LIONS WIN FIRST VICTORY GRID SEASON

The hard-fighting Ozona Lions Saturday, October 19th, scrapped their way to a hard-won victory over the favored-to-win Menard Yellowjackets, on the local Powell Field. This is the first win for the Lions.

The Menard eleven scored, it seemed, before the Lions became sufficiently heated to play the real pigskin game. However, the Lions came back with the willing-to-win spirit and made a touch down after the second period of the first half began.

The Menard eleven scored, it seemed, before the Lions became sufficiently heated to play the real pigskin game. However, the Lions came back with the willing-to-win spirit and made a touch down after the second period of the first half began.

The second half, of this game, saw no more pay dirt plays; the ball was constantly being moved toward one goal and then the other.

The Yellowjackets scored their touchdown by an off-tackle play that netted twenty yards.

The Lions started a rally when ArmentROUT, Ozona end, snared a pass from Hannah. ArmentROUT wasn't fast enough for the wasps; for the stingers stung him before he could get started.

After much line plunging, the Ozona crew finally carried the ball to the 2 yard mark. Wilson carried the balloon over but fumbled it. Lemmons, Ozona center, covered the ball, however.

In the third period, Hokit, Ozona end, who was going down for a flat pass, caught the bounding piece of leather as it bounded off two of Ozona's men. He ran for about thirty yards. The play, unfortunately for the animals, was called back because two offensive men had touched the ball.

The officials were Clyde Parks of Fort Stockton, "Tricky" Ward of Iraan, and Wagner of Big Lake.

The score by periods is as follows: Ozona 7 0 0 0-7 Menard 6 0 0 0-6

The outstanding men for Ozona were Hannah, Wilson and Colquitt. The Ozona crew has an open week-end this week, but Menard plays Rocksprings in Menard.

Future Homemakers Hold Meeting

The Future Home Makers Club met at Rendall's Drive Inn October 15, 1940.

The program was as follows: "Gentlemen Aren't Sissies" by Gem Ella Dudley, and "Who Makes Social Rules" by Melba Cullins.

Refreshments of sandwiches and hot chocolate were served to the following members: Louise Bean, Bertie Sue Brownriggs, Norma Lovelace, Peggie Holt, Claudie Everett, Zella Lee Thurman, Georgie Nell Senne, Billy Laxson, Gem Ella Dudley, Mary Faye Lucas, Melba Cullins, Mary E. Gray, Judith Williams, Adele Keeton, Alene Cook, Cecilla Luther, Mildred Luther, Marjorie Ross, Lottie Jo Owens, Sybil Luther, Dorothy Capps, Miss Kinney, and hostess, Mrs. W. E. Lucas.

VOLLEY BALL PRACTICE

There has been a great deal of pain among the volley ball girls. The girls take exercises the first fifteen minutes of each practise period, and some of the girls just can't take it.

Everyone is working, and Miss Kinney is trying to develop a winning team from the material she has this year.

The girls will meet in the gymnasium on Tuesday afternoon at four o'clock to elect their volley ball captain for this year.

Miss Kinney said that she hopes to get a game with another team soon. In spite of the fact that many of the best players graduated last year, some good players that came from the grade school are taking their places.

NO SONG OF LOVE

Pee Wee standing on top of a table in the church basement singing "I'm Popeye the Sailor Man." Judith dancing in circles Sunday night singing "Tuxedo Junction."

Coach strolling along with a dress on. Some football coach you boys have.

P-T. A. Sponsors Stunt Night

The Parent Teachers Association sponsored a stunt night last Thursday. Eight stunts were presented. The four best were selected and presented according to rank. The first and second places were given prizes.

The first thing presented was called "The Family Album," sponsored by the Woman's Club. A little girl in pigtail, was allowed to look at the album because she washed her hands and face. The pictures looked only as the pictures in an album can look.

Four boys from the Latin-American school were next on the program. One boy played a French harp, following which, they all sang "South of the Border." This was followed by another Spanish song.

The Sophomore Class then presented a character-study of the pupils in their class. They also sang their class song, a song well known by both high school and college students.

A stunt entitled "Pettin' in the Park," was presented by three members of the Junior Class. This showed the difficulties presented by a certain policeman, M. F. Lucas, to Mr. G. E. Dudley while he was trying to make love to a beautiful Miss B. Carson. What the "B" stands for, nobody knows. It might be Barbara! Other than

being stopped from his singing and losing his hat, Mr. Dudley did quite well. Some of you high school students might have learned a good lesson from him.

The next stunt, "The Draft Dodger," shown by the Senior Class, won first place. This was centered chiefly around the marriage of a Miss B. Lemmons to a nervous, and apparently unwilling groom, Joe Chapman. The two were united by a sleppy Justice of Peace, Woots Wardlaw. Little George ArmentROUT carried the marriage license. Harold Keeton, the stern father, went along to see that the groom didn't get "cold feet." Eddie, that's short for Edna Cook, like all mothers that are about to lose their only daughter, wept as no mother has ever wept before. To make the wedding complete a lovely creature, S. Colquitt sang "I Love You Truly." This was really the high spot of the wedding, even though she did have to have the assistance of a chair to reach some high notes.

The next stunt was presented by the faculty. Everybody really sat up and took notice, when a lovely lady, whose difficult name sounded vaguely like Dan Patterson, modeled an imported evening gown. The names of the other models were either French, Spanish or Italian, but to everyone in the audience, they sounded like Greek, therefore only their initials can be told. A sports dress was modeled by a miss whose initials were C. P.; L. B. S. modeled a dress that was suitable to be worn to the office. A blushing bride, (there really was reason for her blush) with her wedding attire, was followed by a flower girl.

The next stunt, "Hay Seeds" took third prize. It was sponsored by the Music Club. This was about the courting of three stately young gentlemen and three blushing girls. It might have been said that these people were "born 30 years too soon." They needed a lesson from some high school students.

The last stunt, presented by Mrs. Hannah's class, had a patriotic theme. Mary E. Gray sang "God Bless America," while Billy Hannah saluted the flag. This act won second prize.

The band played three selections while the judges made their decisions.

New Library Books Received

The students of Ozona High School are very interested in reading. Recently many new books have been ordered for the library. Some of these have already come. Those that have come are as follows: In the fiction group are "Loon Feather" by Lola Fuller, "All This and Heaven Too" by R. L. Field, "Seasoned Timber" by D. F. Fisher, "Other Peoples Houses" by Margery Bianco, "Bright Island" by M. L. Robinson and "Iron Duke" by J. R. Tunis. In the biography group are "Alone" by R. E. Byrd, "This Is My Country" by Stoyan Christowe, and "He heard America Sing" by S. C. Foster. In the vacation group is "Vocations for Girls" by M. R. Lingfelder. In the etiquette group are "Behave Yourself" by Betty Allen, "Safe Conduct" by Margaret Fishback and "New Etiquette" by Margery Wilson. In the poetry group is "I Hear America Singing" by Ruth A. Barnes. In the German group is "Reaching for the Stars" by Nora Wahn.

There have been other books ordered from all these groups, including the drama group. However, these have not yet come. Students of Ozona High know that all these books will be in constant use.

10TH BIRTHDAY PARTY

Mervin playing the part of a father putting (or at least trying to put) a baby to sleep Sunday night.

Tom Ed swinging a little blond headed waitress at the dance the other night.

Mary Faye and Gem Ella trying to catch Louis Saturday after the ball game. We wonder why, girls.

SMELLED—An "Ex" in the Study Hall Monday.

TASTED—Many good milkshakes after the game Saturday.

Some very good bar-b-que at Boochie's house after the Menard game.

Editor's Musings

By ADELE KEETON

ETIQUETTE

Etiquette among the average O. H. S. student is very poor. This is a slam on parents who, I am sure, have tried to teach their children to be well behaved boys and girls. It would be a compliment to the parents if the pupils would put into practice all of the things that they have been taught since they were "knee high to a puddle duck."

The boys should act like a gentleman. He shouldn't try to knock a girl down every time he passes one. Above all things, he shouldn't slap a girl, because this makes her very angry and it is likely to get him into trouble. When a girl drops something a "gentleman" will pick it up, but would some of you boys? The majority wouldn't.

Most boys are fairly polite on dates, but there is still room for improvement there. For example, the boy should try to be as agreeable as possible and shouldn't, by all means, hit on the girl all the time.

There are many etiquette rules broken by the girls also. The majority of the girls don't act very "lady-like" at times, and many times don't act their age. They are loud, sometimes silly.

It would be a very good idea if everyone would brush up on his "Emily Post". Let's everyone try to be more polite to grown-ups and also to our fellow students.

#### THE APPEARANCE OF THE SCHOOL

(By Armentrout)

The appearance of the O. H. S. building is very good. The lawn in front of the building is in perfect shape; although the lawn between the two buildings has been trampled upon by the football boys, the condition of the buildings and lawns, is worthy of pride.

The interior of the buildings, both high school and grammar school, is very good, also. The lockers, which are very few, were put on the buildings by pupils who have "weak brain cells".

The desks in the various rooms are still in excellent shape, although they have been used for eight years.

I don't believe there is a "mean" or "sorry" pupil in the schools of Ozona. You know, that can be said of a school when not one of the students consciously does anything to harm the appearance of the school.

The addition of gas in the kindergarten will save many unnecessary steps taken by the janitor. It will also save the floors of that house from being subjected to filth because of the coal that was formerly used.

When the students of the high school building go home each afternoon, there is left much waste paper on the floors. Mr. Casbeer, the janitor, doesn't like to pick up this waste paper. It delays his work considerably. If the furnishers of this building thought that waste paper was going to be thrown on the floor, I wonder why they furnished waste paper baskets?

Then, too, the paper which lies around on the floor ruins the look of neatness of the rooms. This is a slam against the older students, especially the seniors and the juniors.

When we come into the building in the morning, do we see waste paper on the floors? Of course we don't. So let's help Mr. Casbeer in keeping the appearance of the O. H. S. neat as possible. If we help Mr. Casbeer, we help ourselves, too!

#### First Six Weeks' Grader Posted

Here the students are at the beginning of a second six weeks. It seems that the first six weeks has gone by on wings. As for the grades made, they are very good. The office reported a total of 19 "F's" out of a possible 287, and a total of 54 "A's" out of a possible 287 grades. The Freshmen had 4 A's—20 B's—5 "F's"—and 39 C's. The total possible grades for the "Fish" was 76. The Sophomores had 21 A's, 36 B's, 24 C's, and 4 F's. The "Sophs" total possible was 79. The Junior grades are as follows: 17 A's, 23 B's, 25 C's and 3 F's. The total number of grades for the Juniors was 68. The Seniors had the smallest number of possible grades, a total of 64. Out of 64 possible grades they made 12 A's, 24 B's, 21 C's, and 7 F's. The Sophomores had the best percentage of A's, and the Juniors ran a close second. The Sophomores are again in the lead with the best percentage of B's, and again the Juniors ran a close race, with approximately .13 difference. As for the C's, the Sophomores had the least number and the Seniors had the next least number. The Juniors had the least number of F's and the Sophomores had the next least number. These are good grades, but they still can be improved; let's try to improve them. What do you say?

## Serial Numbers--

(Continued from Page One)

amous number 258, the first serial number drawn in America's first draft for the World War, when then Secretary of War Newton D. Baker, on July 20, 1917, reached into Washington's famous fish-bowl and drew out the first number, was assigned to Cliett Benj. Johnson, No. 13 went to Vin Lawrence Jeffreys.

The order in which serial numbers were assigned by the local board will have no bearing on the order in which men are called to military training, except through the element of chance in the national lottery to be held in Washington next Tuesday, October 29. Serial numbers up to the highest number registered in any local draft board area will be drawn from the fish bowl in Washington to determine the order numbers, these numbers to determine the order in which the men are to be called. A master list will be prepared in Washington of serial numbers with their order number and these lists will go to local boards, where corresponding numbers will be assigned. After this order is determined, questionnaires will be mailed to the prospective draftees in line and from these the local board will determine the classification of each registrant.

Of the local registration of 436 men, 129 were Mexicans, and 40 negroes. Several residents of Crockett county, whose mail ad-

Aubrey Fussell, son of Dr. and Mrs. J. A. Fussell, is here to spend a ten-day vacation with his parents. He is with the J. B. McCrary Construction Co., an engineering firm and is stationed in South Carolina.

Mrs. Albert Bailey is here from the ranch near Candalaria for a visit with her parents, Mr. and Mrs. J. R. Kersey, and other relatives.

Judge and Mrs. Charles E. Davidson, Mrs. Bryan McDonald and Mrs. Joe T. Davidson, will leave Monday for Winfield, Iowa, where they will visit Mr. and Mrs. Bill Grimmer.

The local draft board has opened offices in the grand jury room on the second floor of the courthouse. Miss Thelma Dobbs has been employed as clerk and the office will remain open from 8 a. m. to 5 p. m. every day except Saturdays and Sundays. The draft board is composed of Bryan McDonald, chairman, Madden Read and Ewart White. Houston Smith, local attorney, has been named chairman of the local advisory committee to assist registrants and board members in solving the complex problems of the selective service program.

Also from Ozona will be the Junior Club "Los Troubadores," choral club from the Latin-American community, which will be represented by its president, Chon Fuantes, Juan Zapata, Leroy Gloria, Maria Garcia, Miss Mary Riddle, Miss Jennie Riddle, Mrs. H. B. Tandy and Miss Frances Sprawls, directors, and Miss Ruth Graydon, accompanist.

The Sixth District convention will get under way with the complimentary board breakfast at the Hotel Cactus at 7:30 Friday morning. Registration will be at 8:30 with formal opening and business session at 9:30. Luncheon will be served at noon to be followed by a business session in the afternoon, tea honoring district and state officers and the Fine Arts program at night. Saturday will be Junior Day, with sessions at the First Methodist Church.

Mrs. R. E. Wendland, state president, will be the principal speaker at a luncheon Saturday noon at Hotel Cactus. A feature of the Junior Fine Arts program Saturday afternoon will be a violin ensemble with all junior violinists in the district taking part. Miss Wilda Drago of Eastland will direct the ensemble.

## W. T. Utilities Co. Adopts Promotion For West Texas

Better times for West Texas are foreseen by the West Texas Utilities, which this month is changing its advertising slogan from "Invite a friend to West Texas" to "Invite a new business to West Texas—the Land of Opportunity."

The company, according to Wm. R. Cabaness, local manager, anticipates a shifting of industry and business and believes that the Southwest will capture a good-sized portion of the flow from eastern commercial centers.

"We in West Texas have many advantages to offer most types of industry," he declared, "and it is up to all of us to help publicize the fact and secure new concerns which will bring new money to our community as well as consume more of our own agricultural products."

He mentioned West Texas' mild climate, "good, clean air and plenty of space," cheap, ample supply of fuel and power, and superior living conditions as being among assets which would prove attractive to business once "we build up the reputation of welcoming private initiative and enterprise."

The tendency toward widespread distribution of industry, he added, gives West Texas an unusual

opportunity to secure self-supporting and community-building business institutions.

The utilities company maintains an industrial department, headed by T. J. McCarty and R. M. Fielder, that devotes full time to work with business concerns either already here or seeking desirable locations. The department has just completed a detailed survey of the region's mineral resources and now has available much valuable information on the location of numerous minerals, for which there is a wartime demand, such as magnesium and iron ore.

Information also includes data on the quality and quantity of the minerals, the possibilities for processing, cheap fuel and power sources, ample water, labor, housing, and transportation facilities. Local groups were invited to call upon them "if they can be of any help."

The slogan, "Invite a new business to West Texas—the Land of Opportunity," will be carried in the company's institutional advertisement in over 80 newspapers this fall and winter.

Work of adding two rooms and making extensive renovations has about been completed at the home of Mr. and Mrs. Doug Kirby here.

Miss Mary Alyce Smith, daughter of Mr. and Mrs. Tom Smith, spent the week-end here with her parents. She is a student at T. C. U. in Fort Worth.

Workmen are engaged this week in a complete refinishing and renovation of the Methodist parsonage here.
