THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of charac ter and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Would you like to be as young as she is? Would you like to wake up tomorrow and find yourself standing in a field of Queen Anne's lace, with the summer breeze blowing and fleecy white clouds sailing overhead?

Would you really like to be as young as she is? If you've been measuring up to life, the answer should be no. Naturally, you can look at her with nostalgia. But think of the lessons she has yet to learn - lessons you learned long ago. Add up your experiences, both good and bad, which wouldn't be yours were you to revert to youth. The total should make you glad that you are exactly the age you are.

If you aren't -- something's missing. Somewhere, you've gotten off the track. In this case, you don't need to return to childhood. You need, rather, a new approach to adulthood, a new grasp, a new understanding. Start finding it now . . . in the church of your choice.
