Rev. Finis Jeffery

Rev. Jeffery To Preach Sun. At Methodist Church

Rev. Finis Jeffery, presently serving as pastor of the Mertz and Barnhart Methodist Churches, and teaching in Angelo State College, will speak this Sunday at Ozona Methodist Church on "The Church at Work Around the World."

Third in a series of guest preachers featured during the month of October, Rev. Jeffery served as a missionary in Korea from 1953 until the summer of 1964. He plans to continue his work in Korea after this year. While in Korea, his principal assignment was with the 4,100 Methodist Class Meetings throughout the country. Working as advisor to 200 Methodist churches in 6 different districts, he also served as advisor to Methodist Chaplains serving in the Korean army.

Rev. Jeffery was born in Tolar, Texas, and attended school in Dublin. He was graduated from the University of Texas and Perkins School of Theology at SMU. He studied the Korean language at Yale. He served in the U. S. Air Force from 1941 to 1949 and now holds the rank of Lt. Col. in the Air Force Reserve.

Rev. Jeffery served as interim pastor here in Ozona for a brief time a number of years ago.

Rev. and Mrs. Jeffery have three children; Breck, 20; Mark, 18 and Leslie, 11.

General Rains Touched Off By Fall Cool Front

A weak cool front passing through Ozona Sunday night touched off rains throughout the area. The first general rain since spring, dry ranch country was soaked with up to 2 inches of badly needed moisture.

In town, gauges varied from 1.61 to 1.73 inches. Ranch country south of town reported 1.10 to 2 inches. West of town rainfall measured 2 inches to 1.90 around Sheffield. Reports of 2 inches were numerous north of town with 1.20 inches to the east.

Except for far West Texas the rains were general and much heavier rainfall was reported in some sections. Seven inches was measured at Rotan.

Ozona Girl Dies In Accident Near Junction Sunday

Funeral services were held from the Catholic Church here Tuesday afternoon for Alicia Moya Rodriguez, 25, a native of Ozona, teacher in the public schools in San Antonio, who was killed in a one-car crash 5 miles east of Junction on U. S. Highway 290 Sunday.

Miss Rodriguez, with her mother, Mrs. Juanita Rodriguez, a sister, Felicitia and brother, Edward, all of San Antonio, were returning to that city after a family gathering and visit here with the father, Martin Rodriguez, ranch worker here, to introduce the prospective bride of Roberto Rodriguez, Miss Teresita Rodriguez, a native of Havana, Cuba. Roberto and his fiancée returned to San Antonio in a separate car, leaving about three hours ahead of other members of the family.

Felicitia Rodriguez, a nurse in San Antonio, was treated in a Menard hospital for a broken shoulder and bruises. Mrs. Rodriguez suffered multiple bruises and young Edward suffered severe burns over 50 percent of his body. He was scalded by steam from the car's radiator.

Roberto Rodriguez and his bride-to-be had already arrived in San Antonio when they heard of the accident and returned to the scene.

Alicia Moya Rodriguez was born in Ozona Oct. 5, 1940, the daughter of Martin and Juanita Rodriguez. She was graduated from Ozona High School and attended Incarnate Word College in San Antonio, receiving her bachelors degree in education from that institution in 1962. She was a teacher in Stafford Elementary School in San Antonio.

Surviving are the prents, of Ozona; two sisters, Felicitia and Paula Rodriguez, and five brothers, Santiago Antonio, Roberto, Jesse and Eddie, all of San Antonio.

Prolific Gas Discovery On Mitchell Ranch

A significant Ellenburger gas discovery was assured in extreme southwest Crockett County with the flowing of gas at the estimated daily rate 35 million cubic feet at Shell Oil Co. Midland, No. 1 Mitchell, in 3-Q6-TCRR, 38 miles southwest of Ozona and 5 1/2 miles east-northeast of a two-well Ellenburger area in the Crockett portion of the Brown-Bassett multipay field.

Flow was natural through a 30-64-inch choke and open hole between 12,105 feet, where 3 1/2-inch casing was set, and 13,700 feet, which is 54 feet into granite. Flowing pressure was 2,900 pounds.

The Ellenburger was topped at 12,204 feet on derrick floor elevation of 2,317 feet. Base of the Ellenburger is at 13,646 feet. The project has 1,442 feet of water-free Ellenburger which apparently is gas productive.

Operator will request discovery allowable and field designation of JM (Ellenburger).

The project, slated for 16,000 feet, was drilled "tight" except for drilling depths.

Shell has spotted its No. 2 Mitchell as a 3/4 mile north-northeast offset to the proposed JM opener.

Location is 1,500 feet from the north and 1,700 feet from the east lines of 4-Q6-TSRR. Contract depth is 14,500 feet; elevation 2,317 feet.

Doe Permits To Be Issued Oct. 28-29 South of Hiway 290

Crockett county landowners south of U. S. Highway 290 who wish to secure doe permits for this year's hunting season are invited to visit the office of Game Warden Norman Hooten next Thursday and Friday, Oct. 28 and 29, when such permits will be issued by the warden. The warden's office is in the courthouse annex. He will be in the office each day from 8 to 5.

Game regulations have been adopted for this county permitting the harvest of 1 antlerless deer to each 100 acres in the south half of the county, south of Highway 290 only.

Harvest of doe deer, for a better balance of the deer population is being permitted landowners who wish to harvest does from their ranches. A deer count in the territory has indicated a potential overpopulation, and the one per 100 acres rate of harvest was decided as the proper control ratio.

Powerful Lion Attack Crushes Menard 47 To 6

Unleashing a powerful attack, the Lions amassed 465 yards total offense as they rolled over the Menard Yellowjackets 47-6 last Friday night in Lions' Stadium for their third district win. With high scoring George Cox adding 4 TDs to his scoring total and gaining 152 yards in 12 carries and hard running Randy Upham adding one TD and 100 yards in 20 efforts, the Lions had little trouble with the Menard 11. Beto Ramos, who has become one of the outstanding placekickers in West Texas, booted two field goals of 45 and 30 yards. The 45 yarder by Ramos is one of the longest ever kicked by an OHS football player.

The Ozona forward wall of Seahorn, Sutton, J. DeHoyos, Lewis, Ramos, Stokes, and Parker opened the holes for Cox, Upham, and T. DeHoyos and the Lions twice drove for 73 yards and scores in the initial quarter. The first score came on a 13-yard scamper by Cox, and the second on 1-yard plunge by Upham. After missing the extra point, Ramos ran for two points following the second touchdown.

Early in the second quarter, Ozona drove in for a score from the Menard 48. Cox got the score on a 5 yard blast off tackle. Ramos kicked the extra point. Just before halftime, the Lions took over the ball at the Yellow-jacket 42. Quarterback Randall Clepper fired deep to Cox at the 7 yard line, and (Continued on Last Page)

Harrell Accepts New Assignment In African Service

Roy A. Harrell, son of Mr. and Mrs. R. A. Harrell of Ozona, has accepted a new assignment under the State Department, and will report in Washington Monday for a three-weeks stay after which he will spend the next three months in East Africa.

Harrell has been spending a few months leave after a two-year assignment in Africa as an economic observer for the State Department. His new assignment will be a rotating duty, three months in Africa followed by three weeks in Washington. He will gather information on the economic liability of the area and report to the U. S. government regularly.

Fort Lancaster To Get Attention Of Archeologist

Fort Lancaster ruins in far West Crockett county may soon command first attention from Texas' newly appointed state archeologist, Dr. Curtis Tunnell.

Through the cooperation of State Senator Dorsey B. Hardeman of San Angelo, House Speaker Ben Barnes has requested the state archeologist to get in touch with the Crockett Historical Survey Committee relative to the current efforts to preserve and partly restore Fort Lancaster.

In a letter to Mrs. R. A. Harrell, Survey committee chairman, Senator Hardeman advised of the transmission of his request to the House Speaker and promised his further cooperation in the effort to focus state attention on the fort ruins.

In his general plan for the fort's preservation and restoration, Dr. William S. Brown of the U. S. Interior Department, who inspected the site recently and outlined a plan of procedure for the guidance of local committees, one of the first recommendations was for the employment of an archeologist.

Dr. Tunnell was head of the University of Texas archeological department and was recently appointed to fill the newly created post of state archeologist. His services in planning the fort's preservation will be invaluable to the local committee once such an undertaking becomes possible.

Crockett county recently received a deed to a 39-acre plot around the fort ruins from the Meadows and Helbing families, heirs of the late Mr. and Mrs. Howard B. Cox. Crockett county will fence the plot and ultimately will build an access road to the site once it is in condition to receive visitors.

Crockett County Historical Society To Meet Mon. Night

Mrs. W. E. Friend, Jr., president, has announced that the regular quarterly meeting of the Crockett County Historical Society will be held next Monday evening, October 25th, at 7:30 p. m., in the Ozona Civic Center. There will be a brief Directors' meeting at 6:30 p. m. preceding the meeting.

The program will feature an open discussion of early Ozona stores and merchants. Members are urged to bring for display, pictures and items from such early establishments to be shown around with some now in the Ozona Museum. Such items as pickle pairs, tea containers, clothing, dishes, etc. will add to the interest of the evening's display.

The public is cordially invited to all meetings of the Society.

for either team would virtually eliminate it from championship contention. Kick-off in Big Lake is 7:30 p. m.

Big Lake, who will go AA for the 1966 and 1967 seasons, dropped a 13-12 game to Iraan for its district loss and Ozona lost a 14 to 12 game to Eldorado, when the Eagles glocked a kick to grab the win.

The Owls, who were semi-finalists in the state playoffs last year, still have their 210-pound blaster Don Childs and 175-pound Tommy Love to go with their slick quarterback, Eddie Dolan. Like the Lions, the Owls graduated most of their forward wall of last year, but they have put together a line that will outweigh the Lions several pounds per man.

The Lions have demonstrated that they can move the ball by passing or running, and the defensive unit has performed exceptionally well in the Lions six ball games. With George Cox and Randy Upham operating at halfbacks and Thomas DeHoyos at fullback, Ozona has moved the ball on the ground for almost 240 yards per game.

Cox, who has averaged over nine yards per carry, has been used very effectively as a pass receiver in recent games. With Cox's speed a constant threat to the opponents' secondary, Coach Sam Mosley hopes Upham, a hard charging 152 pounder and DeHoyos, a solid 165 pound halfback, can punch out yardage at the Owl line.

Directing the Lion attack will be freshman quarterback Randel Clepper, who took over when veteran Billy Carson was lost to the squad. The Lions passing game has been effective with Upham and Pon Seahorn, both southpaws, aiding Clepper in keeping the secondary from moving up too closely to stop the rushing game. Ozona has Cox, Seahorn, Parker, Upham, and DeHoyos available as pass receivers.

Leading the blocking up front will be tackles Gary Sutton, 190 pound sophomore and 155 pound senior, Sandy Stokes; guards Beto Ramos, 160, and John DeHoyos, 175; and center D-

Ozona Remains In District 8A; Big Lake To 2-A

A realignment of classification of Texas High Schools was released last week placing Ozona once again in District 8A. The reclassification, which is made every two years, will keep Ozona in Class A for at least two more years.

The only casualty among current 8A members was Big Lake, who will move into Class AA for the next two years. The Owls were placed in the same district with Alpine, McCamey, Crane, Marfa, and another new member, Fabens.

The new 8A district — beginning in the fall of 1966 — will have Ozona, Sonora, Eldorado, Iraan, Sanderson, Rankin, Junction, and Menard. The dropping of Big Lake from the league will permit district teams to engage in one additional non-conference football game, giving each team 7 district games and three non-league tilts instead of the present 8 and 2 ratio.

It is gratifying to learn that the Jubilee planners are not going in for the all-out beard growing on the part of the county's males. For one we don't propose to expose our salt-and-pepper for fear the salt might outnumber the pepper, but we don't even admire browns or blacks either. In fact, we've never admired the unwashed look in any hue and fall altogether to comprehend the publicity value of such prolonged displays.

The politicians are beating the drums for Amendment No. 4 on the Nov. 2 ballot which would extend the terms of statewide offices from two to four years.

We like to have a chance at them every two years, what about you?

Dear Editor:

It is a known fact that communism in the outward form is found on many college campuses throughout the United States, and yet people don't realize the extent of the damage this plague can create. The college years are the times when the youth forms his beliefs, and concepts concerning life as it should be, politically and economically. Continually different ideas confront the youth and often bewilder the unsure and unstable ones as to the real truth, and where can they find the real truth about what their nation, country and life stands for.

The college campus is thus the ideal place to begin instilling the communistic force into the mind not yet established in its beliefs. This is all taken lightly by those not directly concerned with this treason, but when it hits home one begins to wonder just exactly what the extent of this Big Lie is, and how many innocent minds it has infected.

On Monday, Oct. 11, 1965, I was walking across the University of Texas campus and happened upon a booth surrounded with people of the "Beat generation". The Beat generation, an appropriate title means that society has rejected these people because they do not believe in the majesty of the Stars and Stripes, or the truth of God, or the honor of a man with the decency to work for what he gets. These people rebel against all that history teaches us and want only something for nothing. Don't think that they are lazy, because they

aren't in the least bit. They work hard and diligently, but at the wrong goal. They strive to take the beloved flag of America and put a Red flag in its place, to form a religion with no God at all, and want the government to be one, universal power that will feed and clothe them, and give them shelter in government housing.

Is this the life Americans want? No, and there are a great many that are fighting this thing called communism, but unfortunately these few brave ones carry the load because others are too busy or they feel incompetent and to small. One person with the desire to learn how to be a real American can lead others in the march for preservation of a liberty so priceless that to once sell it down the river, one could never buy it back.

In 1917, there were only about 50,000 communists in the world. Now, there are approximately 1 billion which is almost one-half of the earth's population chained to the ruthless control of these Red monsters. Communism has grown this much in my parents' generation, how much will it grow in mine?

What is really frightening are the remarks claiming that the communists "will never do it." People, it's being done and it will be done if you don't come to realize that you can do as much for your country as any hero and patriot famed, by simply informing yourself via reading and questioning, investigating, and informing others. But this can't be done tomorrow, because America is at its crisis right now between liberty and imprisonment. Today I am allowed to print this in the paper, but tomorrow, I may not have such a privilege.

Why have we been losing? One reason could be because we don't understand the extent, the aims, and can't see the accomplishments that communism has made. It can begin in any number of ways and one way was the booth I happened upon. Pamphlets and articles were being given away concerning the reasons and the organization of the march by University students to the Capitol to protest America in the Vietnamese War.

One pamphlet, put out by "Students For A Democratic Society" (which incidentally, was cited by the House Committee on Un-American Activities as being a communist front) was entitled The War in Vietnam is Against Our National Interest because:

"Our nation's attention should be on ending poverty, providing jobs for all, fighting Jim Crow, and guaranteeing the right to vote. Our

government cannot accomplish this if it devotes its time, energy, and money to interfering in the affairs of other countries."

What, I ask you, sort of American activity is this when we want to lie down and let the commies walk all over us? When we are too scared to fight for the liberty of others who cry for even a chance to have half the liberties Americans have.

If your neighbor's child murdered your child because they couldn't agree on what game to play, would you invite this little darling to kill the rest of your children since he'd polished off one?

This pamphlet offered steps for President Johnson to take in ending the war such as:

"1) Stop bombing in North Vietnam." In other words, pat your neighbor's child on the head and be real nice to him and maybe he will spare your life?

"2) Call for negotiations with everybody involved in the war, including the Viet Cong." Gather all the children together and try to teach them how to play nicely and fairly?

"3) Ask the United Nations to try to solve the solve the problem." Now if the child doesn't improve, speak to his parents and see if they won't spank him and make him behave?

"4) Call for free elections in South Vietnam and let the people there make up their own minds." Would you conclude that the child is just naturally naughty, so it's useless to try to correct him?

These examples are quite ridiculous, but the proposals, made with complete sincerity, are absolutely absurd. One cannot negotiate with a thief or a liar without inevitably ending up without the shirt on your back. To understand the depth of this crisis in American history, education of the ignorant and organization of the informed must take place before we can overcome this threat of Communism that confronts us at this very moment.

To prevent smallpox, a smallpox vaccination is given. Without this prevention, a person is subject to the disease at anytime. It can strike now or later. Likewise, without informing the uninformed, they can be subject to communist influence and never realize it until it is too late. The after marks of such a tragedy never disappear. Don't let communism

Ham 'n Rice

Use a tightly covered casserole, and combine the following:

- 1 cup raw rice
- 1 can cream of celery soup
- 1 can water
- 2 cups ham (bite-size pieces)

- 1/2 cup mayonnaise
- 1 can water chestnuts (5 oz. can sliced and drained).
- 1/4 cup chopped pimento
- 1/4 cup chopped bell pepper
- 2 tablespoon grated Parmesan cheese
- 1 tablespoon minced parsley

1 teaspoon Worcestershire Sauce

- 1 teaspoon salt
- 1/2 teaspoon red pepper

Bake at 350 degrees (or less) for 1 hr. or till rice is done. Toss, gently, with a fork once during baking. Be sure to bake covered.

I got this recipe at Mrs. Littleton's rice party last week and tried it over the weekend. It is delicious. I think the water chestnuts make it so unusual.

Pumpville News

Pumpville Hobby Club's annual tacky party was held October 12 in the clubhouse with all members of the club as hostesses.

Dinner was served at noon with members bringing covered dishes of meat-loafs, enchiladas, vegetables, salads, cake and coffee. Guests for the noon meal were E. P. Bradford, Andy White, Dewey Word and J. B. Chapman.

Mrs. J. W. Montgomery gave the invocation. Prizes for the tackiest costume went to Mrs. Bill Renfro and for the cutest to Mrs. Jimmy Randle. Pictures were taken during the day.

Mrs. Andy White called the meeting to order. Members repeated the club prayer and pledge. Plans were made for the annual box supper to be held November 6, in the club house.

Members present were Mmes. J. W. Montgomery, E. P. Bradford, Newman Billings, Jimmy Randle, T. H. Eastmen, Ruth Geaslin, Bill Renfro, Andy White, Monk Cain, Dewey Word, Pat Smith and a new member, Mrs. John Bradford. Other guests were Windy Geaslin, Nancy Janes Randle and Rickey Randle.

A social visit followed the meeting with members doing handwork.

Woman's Club Plans Piano Fund Raising Projects

Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Eldred Roach.

Mrs. Ted White, president, presided and opened the meeting with prayer. She announced the Heart of Texas Workshop to be held in Cisco October 23, and the Diamond Jubilee Convention to be held in Chicago in June, 1966.

Mrs. W. T. Bradbury, chairman of the committee to obtain advertising for the Clubwoman, reported that the Chamber of Commerce and Ozona National Bank bought three ads in the March issue of the Clubwoman, one for each federated club in town. The club thanked W. T. Bradbury for his contribution on the piano fund.

The club accepted the following recommendations from the projects committee for securing money for the piano fund: A book review in the early spring with Mrs. Dudley as reviewer. A candy sale for Thanksgiving and Christmas.

It was also recommended that the club place a bronze plaque in the Civic Center for the inscription of names of persons who contribute \$100.00 or more. All other contributors are to be listed in a special book to be kept in the center.

Mrs. R. R. Dudley was reinstated as a club member. Mrs. Fred Chandler, Americanism chairman, announced that plans were being made for an essay contest on "What's Good About America."

Mrs. L. B. Cox introduced Mrs. Ira Carson, who lectured and showed slides on Italy.

Golliwog's Cakewalk was played by Miss Judy Barber.

Mrs. S. M. Harvick and Mrs. Ben Lemmons assisted Mrs. Roach in serving refreshments to twenty club members.

EDITORIAL!

By Jacque Meadows

Now that school is in full swing, everyone is beginning to concentrate on making new friends, preparing lessons, and becoming acquainted with the teachers. These three processes have been the story of our lives.

Making new friends and keeping the old ones are the ways people live and stay happy. Getting to know all kinds of people and the way they work, live, think, and feel is important to our development as a well-rounded citizen.

Preparing lessons is an important phase of high school life. This is the main purpose of high school — to obtain an education. Only what we remember is going to help us in life.

The teachers are trying to help us retain as much information as possible. We hurt ourselves if we don't cooperate. The faculty is here to guide us, and they will be more than happy to show us the way — if we let them.

FOND MEMORIES OF 1934 AND 1935

By Lynn Cox

One of the journalism students accidentally stumbled on to some old copies of the Lions' Roar from the years of 1934 and 1935. Those students of thirty and thirty-one years ago have long since grown up, and many live as citizens of Ozona. Those that have remained will recognize some of the people whose names appear in these old "treasures." So now let's turn back the pages of time and pretend the year is 1934.

The Lions' Roar had quite a staff: John Henderson was editor; Ray Boyd was assistant editor; Esther Kate Pierce (Mrs. Dempster Jones) served as business manager; production manager was Vicki Pierce (Mrs. Eugene Miller); and the sports' editor was Gene Williams. Junior High editor was Jack Williams with Taylor Deaton and Jack Baggett serving as class reporters.

In the sports' field the Lions were defeated by a hard-charging Kitten squad from the San Angelo High School reserves by a score of 19-0. It was indeed a bad day for the Lions, but the game gave experience to the players who had to face Ft. Stockton and Iraan next.

CHS certainly had its share of school clubs. Elected president of the Spanish Club was Batts Friend, secretary-tesurer was Mary Williams (Mrs. Joe Clayton).

James Childress was honored as president of the Library Council with Ray Boyd as secretary - treasurer. The Home Economics Club chose to elect Catherine Childress (Mrs. John Coates) as its president.

The pupils or Miss Murdock and Mrs. Neal Hannah played musical selections for a November assembly. Among the performers were Eloise Carson (Mrs. Bill Clegg), Crystelle Carson (Mrs. James Childress), and Elizabeth Gray (Mrs. Byron Williams).

The Sophomore class should remember Max Schneemann and his "pop-eye" kick. The old sailor was quite a figure for the Sophs. The favorite saying of Beecher Montgomery was "get out of my hair", and his favorite "goodie" was Boston creme pie which really helped his slim, trim figure.

On November 26, two Junior High Teams, the Mustangs and the Antelopes, met in a final game. Members of the Mustang squad, coached by Phillip Schneemann, were Beecher Montgomery, "Chango" Chapman, Jim Dudley, Carl Turman, Boyd Baker, and Warren Taliaferro. The Antelopes were coached by Joe Williams, and the only member living in Ozona now is Dr. W. B. Robertson.

About Christmas time, all the thoughts turned to Santa Claus and lots of goodies. Sophomore Elizabeth Coose (Mrs. Charles Applewhite) asked for some stationary and a big doll for her bed. Her sister, Willie V. Coose (Mrs. James Baggett) wanted (quote) "a rubber doll, a little red wagon, candy, nuts and some little cars." P. C. Perner didn't really want too much. All he asked for were a new pair of boots, a knife with five blades, a ring (to let his girl wear), and a bunch of neckties. Santa Claus was a popular man!

Time passes so quickly! To some, these days seem like yesterday; they bring back memories galore, both good and bad, and of fun and hard work. If it were possible, we wonder if they would like to go back and relive those "exciting" days of high school, or choose to stay right where they are in their adult and civilized society?

SENIORS PLAN CAKE SALE

The senior class has made tentative plans for a fruit cake sale in the very near future. The sale will precede the Thanksgiving and Christmas holidays.

A price range will soon be released by the seniors. They plan to call on as many people as possible.

The Ozona Lions took their second win in a row Friday night after downing the Menard Yellowjackets 47-6. The win raised the Lions to a 4-2 season record and 3-1 district record.

The Lions took advantage of having the ball in the first half by scoring in all but one series and leaving the score 27-0 after the first two periods. The Lions came back in the second half and raised the score to 47-0. Then in the closing moments of the game, the Yellowjackets drove their way to pay dirt, making the final score 47-6.

Ozona's kicker, Beto Ramos, got in the Lion's books by kicking a record breaking 45-yard field goal. Ramos kicked and ran for eleven of the Lion's points.

George Cox, the Lion's speedster, came through this week with 24 points, raising his total points for the year to 74 and leading West Texas as highest individual scorer.

The Lions now turn to face Big Lake for a vital district match. It is hoped that the Lions will be followed to Big Lake Friday night to be yelled on to victory.

Some other results for last Friday night were Sonora ousting Eldorado, Big Lake beating Junction, and Iraan stomping Sanderson.

Saturday, Texas, ranked number one, was halted by the Arkansas Razorbacks in a nip and tuck contest which ended in a score of 27-24.

It Pays To Advertise.

GOSSIP

What were Jacque J and Bonnie C doing out in the park with all those boys?

Wonder what that carload of girls did Saturday night at the tanks?

Did Jerr Lynn really get dragged through some bushes by a goat?

Where did Pon, George C. Jack, and Mike P. meet Friday night?

What did you get in San Angelo, Kirby?

Why was Kathy scared Friday in English?

Esther, Jill, and Vicki Lynn sure enjoyed their steaks Friday night.

Did George C. and Donna have help on their date Sunday night?

What new gimmick have some of the boys invented to get in the Sonora show free?

Esther, what are you doing writing Celia's boyfriend?

Why were Esther and Kay outside scantily dressed in San Angelo, Saturday night?

Who has been stealing Helen K's lollipops?

Where were John D. and his gang going Sunday afternoon?

Was there really a camera in the Book Fair?

How come Gary E. stayed awake for football films this week?

Is Gary S. really suffering while spying for the Ozona football team?

Who was Drake M with Sunday night?

Why are some of our girls sore? Could it be because of basketball?

Cynthia R., where did you get your frog eyes?

Where did your wife go, Charles?

Why does Helen K. the nickname of The St. Patsy W., tell your friend that he can't talk distance all night for Jacque M., did you Sonny have fun east day night?

Did Mary C. and Be get wet Sunday?

Is Danny V. making for the Senior Trip also? What about it Jessie?

GET HEP WITH TEENS' FADS

The teens of America on the go-go! They have new way of dressing, talking and dancing that spells "youth on the go."

Pop-art has taken over girls clothing. Dresses geometrical designs of zez and colors. Speaking colors, burgandy, lime the navy and green are "in" this year.

Also popular are the skirt set with the matching textured hose.

The boys are wearing fer shirts, shirt-jackets, hooded jackets with the pants.

The new look in make-up is soft and natural. Pastel shades and big eyes are the scene. Long, straight hair is the most popular but the short, curly hair is being worn more.

Instead of matching the boys and girls wearing matching Canoe and English and sian Leather have got

Jade East and Spanish Challeon are the favorite male... Get around any girl, and you're bound to smell Ta... Este Lauder, or the new... fragrance, Imprevu.

No new dances have come out lately. The kids are doing the frug, the watusi, and, in some places, the jerk. These are the top ten dances across the nation:

Yesterday Hang On Sloopy You Were On My Mind Eve of Destruction The In Crowd Treat Her Right Catch Us If You Can You've Got Your Troubles Do You Believe In Magic Baby Don't Go

Help! Having a Wild Weekend and Git! are the top three movies this month. Talking is naturally associated with teenagers, but what a way of talking they have! Slang is used more than regular English. Here are a few choice terms.

Tarked — mad. Off the wall — kooky. Pay TV — movies. Besh — party. yo-yo — odd-ball. Dodgy — difficult. OTT — a nosy person.

This is a crazy swinging world, and the teens have taken the lead. So, no matter what anybody says, Rock 'em.

THE LONG AWAITED SENIOR YEAR

By Vicki Lynn Montgomery

When a student registers for his senior year, he is on the home stretch of a long hard road. One waits so long for his senior year that when it finally comes it's hard to realize that it's here.

When the senior rings finally come in, he goes around with his hand in front of him showing all the underclassmen his new status symbol.

Along with the ring and the honor of being a senior, one has many obligations to his class. He is required to work in the concession stand whenever his turn comes. At first working in the conces-

sion stand is fun, but then the new wears off; then it is work.

In December those seniors who must take college board exams are required to remember everything that they've stored away in their brains all these years.

After all the exams and research papers, a senior finds the final year almost almost gone. The senior parties come and go, and then the long awaited day of graduation approaches.

But this long awaited day is often a very sad day for many seniors. The thought of leaving all the close friends and security of high school suddenly confronts a senior as he walks down the aisle. Although many tears and much sadness are connected with graduation, one must remember that this is not an end but only a beginning.

Many opportunities await a high school graduate in business as well as in the choice of a higher education.

QUESTION OF THE WEEK

By Lana Alford

What would you do if you were the only (girl, boy) in an all (girls', boys') school? Pon E — I refuse to answer on the grounds that it might incriminate me!

Helen H — The censor won't let me say it! Donna M. — Study hard so that I wouldn't flunk out! Patricia A — I'd have a ball, if Frank were there.

Mike P — Not much telling! Billy C. — I don't know, but I sure wouldn't study!!! Janie E — Have fun!!! Derold M — Get Janis to transfer there!

Jack A — Take P. E. Esther W. — Horrors Dwight C — I don't imagine I would do anything! Florida G — Enroll for a second semester!!! Marjorie C — Maybe the dates would come more often!

Pam S. — I'd have a blast! Deborah M. — Take advantage of the situation! Gary S — Sell kisses!!!! Fred C — Have fun I guess

ELEPHANTS AND GOD

Gary was three years old the other day. We took him as a birthday treat for his first trip to the zoo. He dearly loved all of the animals, but the peak of adventure was the elephants. His eyes shone as he watched the great gray trunks snuffle and find his bravely flung peanuts, then stuff them into giant crunching jaws.

"Oh," he breathed adoringly, "elephants are big... as big as God!"

His arm tightened around my neck as he leaned to throw more nuts to his jumbo friends and I hugged him close, glad that already he has learned to see God everywhere.

I, myself, was almost grown before I realized God's "ever-presence" and the strength this knowledge brings, so it has been a great joy to watch the awareness of this truth develop early in my son.

Why don't you go to your church and take your child with you? It is the most important experience you can share with him.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

rock quarry, overlooking the town on the east hill, they plan to build right a way. It will be handy, no yard work, she can just run outside and sweep every morning.

Two houses are almost finished out of nine rumored being built on Avenue G across the draw from the football field.

Over the hill west, the Bailey Post's are clearing off a homestead on a sloping hill. The Bill Watson's and the Jack Williams have already started building below them.

A new Shamrock Service Station is going up next to Tom Allen on the highway. Last but not least the new apartment complex is almost ready for occupancy on the Sheffield Road.

I understand that all of the houses have been sold out at Crockett Heights. So all in all Ozona's housing shortage has eased somewhat.

Well, it's that time of the year again, and if you dread fall house cleaning as much as I do might appreciate a bit of advice given me by a wise old philosopher who lives in Austin, by the name of Sam Lane, no middle name or initial.

Sam comes up with lots of little wise tidbits and he once told me that house-cleaning wouldn't be nearly the awesome job that women think of they would just take it a foot at a time. I've tried it and believe me, it works. Just start at one end and concentrate on one foot at a time and you'll be surprised at how soon you accomplish the impossible.

on the next play Cox circled right end to paydirt. Ramos' kick was no good. Halftime score was Ozona 27-Menard 0.

In the third quarter the Lions added one more score before turning the game over to reserves. Cox tallied the TD on a 39 yard sprint and Ramos again converted. Four minutes later, with the ball at the Menard 42 yard line, lefthander Upham took the hand off from Clepper and threw to end Seahorn at the 9. On the next play, Jack Applewhite swung to the right side and cut back over the middle to score the final Lion touchdown. Ramos kicked the extra point once again.

Ramos completed the scoring for Ozona when he hit a field goal from 45 yards out and then kicked another — against the wind — for 30 yards. Ramos, a junior line-backer, now has kicked three FGs, having booted one against Junction two weeks ago.

Leading the stubborn Ozona defense were Ramos, Sutton and Tijerina with eleven tackles each. The Menard team was held to 14 total yards rushing and only 4 first downs. The lone Yellowjacket tally came following three completed passes which carried to the Lion 6, where halfback Daniel Garza lugged it in for the touchdown.

The Ozona offense, which rushed for 361 yards and 21 first downs, completed 3 of 5 passes for 104 yards. Each of the three completed passes

Lion Cubs, B Squad Big Lake —
(Continued from Page One)

A double-header in Lions Stadium this afternoon will see a rematch of the Cubs and Lions B with the Iraan teams. Earlier in the season at Iraan, the Cubs gained their first victory by trouncing the Iraan team 36-8, while the Lions B took a 28-0 licking at the hands of the Iraan B. Kick-off time is 5:00 for the Cubs and the B teams play at 7:00.

The Cubs made a good showing against the heavy-weight Big Lake Owlets last Thursday at Lion Stadium and held them to 6-0 at halftime. Unable to move on the ground, the Owlets scored on a pass play but were unable to penetrate the Cub defense for extra points. After a halftime rain shower that seemed to dampen the Cubs enthusiasm somewhat, the Owlets came on win 22-0.

Taking their first beating of the season, the Lion B seemed to fall apart after a spectacular 55 yd. punt return by Diaz. Big Lake passed, ran, recovered fumbles and intercepted passes to end the game 34-6. Ozona's lone touchdown coming in the third quarter when halfback Rodney Pagan completed a pass to Donald Huff in the end zone.

es were thrown by 3 different tossers — Clepper, Upham, and Seahorn — each being good for over 30 yards. Menard completed 6 of 19 passes for 83 yards. The Lions were penalized twice for 10 yards, and Menard 5 for 45 yards.

Big Lake —
(Continued from Page One)

vid Lewis, 157.

In order to beat Big Lake, the Lions must stop the charges of Childs as well as Dolan and Love, who are constant threats to the outside. Coach Bill Gerber will have the usual front four, the cornermen, and linebackers ready to test the Owl blasters. Up front will be Sutton, Tijerina, M. Farris, and Lewis; at the linebacking posts will be Ramos and Larry Williams; on the corners, O. Flores and T. DeHoyos; Cox, Upham and Seahorn will make the Lion secondary.

In linebacker Ramos, the Lions have one of the top placekickers in West Texas. Last week against Menard, Ramos booted two field goals of 45 and 30 yds. With Ramos ready, the Lions can call on him if a drive stalls with in the opponents 30 yard line.

Girl Scouts To Sponsor Halloween Parade October 30

Plans are underway for the annual Halloween Parade, sponsored by the Girl Scouts. Leaders announced today that everyone is invited to participate Saturday, October 30, and that the parade will be made up at the Band Hall.

All children wishing to parade in costume are asked to meet at the Band Hall at 3:45. The parade will start at 4:00 p. m. with the high school band leading the way.
