Historic Fort Lancaster Gets State Attention

Historic Fort Lancaster in west Crockett county came in for statewide attention this week when a group of state and county officials and historians gathered at the site to give further momentum to the movement to preserve and partly restore the Civil War fort.

Gathering here for a look at the site and for a conference with member of the Crockett County Historical Survey committee were John Ben Shepperd of Odessa, State Historical Survey Committee chairman; State Senator Dorsey Hardeman of San Angelo; newly appointed State Archeologist Curtis B. Tunnell of Austin; and Henry E. Meadows of Midland, representing the heirs of Mr. and Mrs. H. B. Cox, who donated the land on which the site is located to Crockett county.

Meeting with the group at the site for an inspection were County Judge Brock Jones and Commissioner C. O. (Lefty) Walker; Mrs. R. A. Harrell, chairman of the Crockett County Historical Survey Committee and members of the committee, Mr. and Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. Mahlon Robertson, Mrs. Fred Hagelstein, Mrs. Joe Clayton, Joe Couch, and R. A. Harrell, and Mrs. E. H. Chandler, Crockett County Museum Board chairman, Mrs. W. E. Friend, Jr., Historical Society president, and other guests, Col. and Mrs. Bissell from Midland, Mrs. Dempster Jones, Mr. and Mrs. B. B. Ingham, Jr., Johnny Johnson of the Ozona Chamber of Commerce, Harry Wood, S. A. Times correspondent, and Mr. McCraw, Mr. Shepperd's pilot.

Mr. Tunnell showed a keen interest in the historic site and promised to seek authorization from the state for excavation work to outline principal buildings of the original fort and had some recommendations to make as to immediate moves to preserve the ruins from pre-dation by curious trespassers. He urged the immediate construction of a protective fence around the acreage donated by the Meadows family and delay in building the access road until the site can be developed and protected.

The assembled group was treated to a fried chicken "dinner on the ground" by Mrs. Harrell.

Stubborn Defense By Lions Limits Broncos To 14-0

The fighting Ozona Lions stubbornly fought the undefeated Sonora Broncos right down to the wire last Friday night before bowing 14-0, as a packed house in Lion Stadium was treated to a defensive struggle.

The Lions managed to contain the Bronco running, but the Sonora quarterback, Laney Cook, went to the air for key plays as the Broncos scored with less than 5 minutes remaining in the first half and midway of the final quarter to gain their eighth straight victory of the season.

The Lions, who only the week before had upset Big Lake, once again displayed fight and determination as they met the highly ranked Sonora team head-on for 48 minutes.

The first quarter was a (Continued on Page 8)

Iraan, The Giant Killer May Prove Tough For Lions

After two tough ball games with Big Lake and Sonora, the Lions cannot relax tomorrow night when they take on the unpredictable Iraan Braves in their seventh district ball game in Iraan. Kick-off is at 7:30 p. m.

Ozona is in a three-way tie with Eldorado and Big Lake for second place—each having suffered two league setbacks. With Sonora apparently "in" as District Champions, the Lions must win their last two ball games to assure a second place finish. Eldorado has two easy games on its schedule, but the Big Lake team still must face Sonora. With a tie for the championship cinched, the Broncos need only a win over either Menard or Big Lake.

Early in the season the Braves gave signs of living up to their preseason rating when they tagged Big Lake with a 13-12 defeat. Since this victory the Braves have lost to Sonora, Rankin, and last week to Eldorado, 20-0. As the Big Lake win indicated, the Braves are capable of coming up with the big effort, and a win over the Lions tomorrow night would go a long way toward helping them forget their three league losses.

The Lions stand 5 and 3 for the season and 4 and 2 against district competition and have indicated in all eight ball games that they are ready to play. Despite the tough game against Sonora, the Lions are expected to display their fighting spirit once again. Coach Sam Mosley, commenting on the game tomorrow night, said, "We have several on the injury list, but the boys want to play football."

Early in the week, several Lions were unable to go full speed. These included Marlin (Continued on Last Page)

The annual 4-H Awards Program for Crockett county will be held this Saturday, November 6, at 7:30 p. m., in the Civic Center.

Leland A. Turner, Assistant Agricultural Agent for the Santa Fe Railway System, Amarillo, Texas, will be the principal speaker. Mr.

Turner will also present to David Jacoby, local 4-H club member, the Santa Fe Educational Award, which includes an all-expense paid trip to the National 4-H Club Congress in Chicago, November 27-December 4, and a \$500 college scholarship.

About ninety 4-H awards will be presented to 4-H members who have successfully completed 4-H project work the past year. The 4-H awards will go to the members with top achievements in project work during the year.

Some 200 4-H members were enrolled in 4-H club work during the year in projects of livestock, range management, wildlife management, food & nutrition, clothing, electric, rifle marksmanship & gun safety, 4-H records, health, safety, recreation, citizenship, photography, and junior leadership.

All 4-H members, their parents, leaders, friends and supporters of 4-H club work are encouraged to attend the program which will honor outstanding 4-H members. The program is expected to last about one and one-half hours and the public is invited.

Delta To Drill Canyon Wildcat In Crockett Co.

Delta Drilling Co. and pauley Petroleum Inc. Odessa, will drill a 9,500-foot Canyon lower Canyon & Strawn wildcat in Crockett County six miles southeast of Ozona, 2 1/2 miles south of the one-well Davidson Ranch (detrital, Pennsylvanian and Canyon) field and five miles north and slight east of the Joe "T" (Strawn and Cannon gas) field. It is the No. 1 Meybin. Operators were building roads and clearing location early Monday. A Delta rig will be moved in soon.

Location is 860 feet from the north and 660 feet from the west lines of 15-KL-GC & SF.

Standard Oil Co. of Texas has rescheduled to 14,000 feet the No. 1 L. B. Cox, in 25-MN-GC&SF, Crockett County wildcat, 14 miles southeast of Sheffield, and nine miles west and slightly south of the Ozona (Canyon sand gas) field and of upper and lower Simpson and Strawn gas product on in the Ozona, Southwest multipay field. Recovery was 1,029 feet of slightly gas-cut mud on a two-hour and 10-minute drillstem test in the Ellenburger between 11,984-12,546 feet.

The project, originally slated for 12,300 feet, was drilling below 12,546 feet.

It indicated production in an unidentified zone with the recovery of 390 feet of gas-cut mud, 120 feet of heavily gas and oil-cut mud on a test between 5,700-785 and 7,320-7,390 feet recovered 7,220 feet of gas and 100 feet of drilling mud; and 7,042-172 feet, 2,402 feet of gas and 150 feet of drilling mud; and a test between 8,770-911 feet, 170 feet of slightly gas-cut mud.

Miss Lucille Childress, a student at Hockaday in Dallas, spent the week-end here with her parents, Mr. and Mrs. Pleas Childress. She enjoyed the OHS homecoming week-end and celebrated her 18th birthday Monday.

The rock chimney of one of the barracks buildings at Fort Lancaster formed the background as a group of state dignitaries conferred at the site Monday in company with Crockett county officials, members of the Historical Survey Committee and interested citizens. In the picture are State Senator Dorsey B. Hardeman; State Archeologist Curtis B. Tunnell, John Ben Shepperd of Odessa, State Historical Survey Committee Chairman, and Henry E. Meadows of Midland, representing the heirs of the late Mr. and Mrs. Edward B. Cox, who donated the land, on which the fort is located, to Crockett county for its "preservation, maintenance and public use, benefit and enjoyment."

Kitty's Korner

The Lions turned in a beautiful performance last Saturday night, even though they lost the game. It was a much tighter contest than the score indicated and Ozonians were proud of the fight put up by their injury ridden team. Everybody felt that all the effort put into losing the Lions was well worth it.

After the Lions' victory at Big Lake, Ozona took on a festive air and excitement abounded all week. A Halloween witch was the highlight of the pep rally. She was in town to visit the various schools during the day and stopped by the rally to put a spell on Sonora. She got right into things by leading the cheer leaders and even twirled her cane with the twirlers. Rumor has it that it was really Carolyn Clayton in a witch suit.

The plane pulling the "Great Sonora" banner and piloted by Bill Carson was directly overhead when the game was over and the purple and gold streamers made a great hit, a project of half the men in town, along with the painted balloons on the pole. By game time the only balloon left was the one on the very top with "victory" printed on it. And in the end it was a victory, a victory in community achievement with the entire town working toward one goal, that of boosting their team.

Man Found Dead In Motel Room Is Buried In Midland

Funeral services were held in Midland for Wilford Anglin, 39, who was found dead in his room at the Hillcrest Motel here last Thursday night, the victim of a heart attack.

Mr. Anglin had been in Ozona a day or two selling Bibles. When he failed to emerge from his room all day, an investigation was made and the man was found dead on his bed. He had been dead several hours. An autopsy, ordered by the dead man's widow revealed he had suffered a coronary occlusion.

Mr. Anglin, a veteran of World War II and Korea, is survived by his widow and two children of Midland.

Mr. and Mrs. Maurice Black spent the weekend in Brackettville visiting their son and daughter-in-law, Mr. and Mrs. Buddy Black.

Rex Bland, Janie Edgerton Win 1965 Gold Star Awards

Rex Bland, son of Mr. and Mrs. R. L. Bland, Jr., and Janie Edgerton, daughter of Mr. and Mrs. Charles B. Edgerton, have been selected to receive the 4-H Gold Star Awards for Crockett county this year. The Gold Star Award is the highest county 4-H award presented to boys and girls by the Texas A&M University Extension Service. The awards will be presented Saturday evening at the annual 4-H Awards Program in the Civic Center.

Rex and Janie are members of the Junior Class of Ozona High School and both have been in 4-H club work for seven years. Each Gold Star winner has made an outstanding record in 4-H projects and activities. Rex Bland has been active in leading projects of show lambs, commercial lambs, horses and has been active in 4-H judging work. Janie Edgerton moved to Crockett county with her family in 1964 from the lower Rio Grande Valley where she completed five years of 4-H club work in Clothing projects.

Miss Edgerton, in her first year of 4-H club work in Crockett county, made an outstanding record by feeding the champion crossbred fat lamb of the 1965 county 4-H livestock show in partnership with her younger sister, she was county winner of the first 4-H Dress Review held here last summer and was a member of the senior judging teams in grass, range, livestock, wool and mohair. Janie was a member of the senior 4-H rifle team that placed fourth in district competition. She was a county representative on the Dist. 4-H Club Council and attended the District 6 4-H Leadership Camp this summer.

Rex Bland attended the State Youth Range Camp in 1964 and was also a member of the senior 4-H judging teams that placed second in state contests in both grass and wool & mohair. Rex was county representative in the district 4-H Quarter Horse Judging Contest at Midland this past Spring.

Both 4-H members will be honored on district basis at the District-6 Gold Star Banquet in Odessa on December 4.

Sweet and Sour Spareribs

Polynesian foods are a delightful departure from the ordinary and this is one of our favorite in the exotic food department.

- 1 (1-lb 4 1/2 oz.) can pineapple chunks
- One-third cup soy sauce
- 1/2 cup catsup
- 3 tbs. vinegar
- 2 tbs. sherry
- 2 tbs. brown sugar
- 1 clove garlic, crushed
- 2 tbs. diced preserved ginger or 1 teas. ginger
- 2 sides spareribs (about 4 lbs.)
- 1/2 teas. salt
- 1 1/2 tbs. toasted sesame seeds

Drain 1/2 cup syrup from pineapple. Combine with all remaining ingredients except spareribs, salt and sesame seeds. Pour over ribs in large shallow pan and marinate several hours as refrigerator overnight. Drain well and reserve marinade.

Sprinkle both sides of ribs with salt, place on rack in broiler pan. Bake in slow oven (325) about 45 minutes, turning once. Drain off and discard drippings. Place ribs in bottom of pan and pour on reserved marinade. Bake 30 minutes longer spooning marinade over ribs often. Add pineapple chunks and remaining syrup. Continue baking 30 minutes longer, or until meat is fork tender. Cut ribs in serving size pieces and sprinkle with toasted sesame seeds. Make 8 cocktail servings or 4 for entree.

Girl Scouts Take Over Halloween In Parades, Parties

Girl Scouts took over the Halloween weekend in Ozona with entertainment for all age groups. The activities started with a parade Saturday afternoon featuring all kinds of witches and goblins. Local children were invited to participate in costume. The Ozona High School Band under the direction of Tommy Sanders, led the parade. Witches of Brownie troop 2 were next under the supervision of the visiting witch Mrs. Mike Clayton. All other

troops and their guests paraded one by one in full Halloween costume. The spoons started the parade at the band hall, wound around the square and returned to the hall. Cokes were served afterward.

A Halloween carnival Saturday night at the Girl Scout house sponsored by Girl Scouts from 4th, 5th and 6th grades offered a variety of fun with a spook house and many different games and booths. Fireside entertainment was offered by Rhonda Elledge, Diana Morris, Mary Jo Hyde and Sandra Sands portraying the Beetles.

Older girl scouts had party at the Boy Scout house. Thanks to the Girl Scouts Halloween was fun for

THANK YOU!

Thank you, Ozona, for many things — for accepting Mrs. Bradbury and me into Ozona and Crockett county citizenship. We have formed friendships here we hope to keep alive.

We thank you for your many kindnesses and for your tolerance during our two years of accidents and illness.

We have tried to give you the kind of store that Ozona deserves. We could not have served you as well without the invaluable help of Ross Hufstедler, who will continue to be associated with the store, along with the new owner, Jimmie Evans. Jimmie is a successful young business man and we feel sure will give Ozona and Crockett county the kind of store you deserve.

We thank you again for 5 pleasant years. We will be seen around Ozona for some time yet, so we say

CHANGE OF OWNERSHIP

I am proud to announce that I have purchased the entire stock and fixtures of

BRADBURY'S Men's Shop

It is my intention to continue the fine lines of merchandise which Mr. Bradbury carried in the store and to add to the stock from time to time any new or improved lines in which I think you might be interested.

I know that Ozona has been proud of the type of store Mr. Bradbury operated and I intend to do my best to continue in the same fine tradition.

Ross Hufstедler, associated with Mr. Bradbury for many years, has agreed to continue with the store under the new management and I am glad to have his help and counsel in operating the business.

There will be no changes in policies of the store in its relations with the customers. We hope that all the former customers of the store will continue their patronage. We will welcome the opportunity to meet all of you we have not met and hope you will visit us and look over our merchandise lines.

Federal Funds Now To Finance Screworm Fight

Mission — Funds spent on the screworm eradication program by the federal government no longer will have to be fully matched with non-federal money, thanks to action taken by Congress during the closing days of the session.

The cost of treating screworm outbreaks that occur in areas of the United States where the insects have already been eradicated must continue to be matched by state and private sources. However, the expense of maintaining a barrier zone along the U. S.-Mexico border to guard against reinfestation by fertile flies will be borne by the federal government.

Congress voted \$2.8 million for maintenance of the barrier. It also appropriated activities in Arizona and California — the only states where screworms have not been eradicated. Of the latter amount, \$600,000 will have to be matched by the two states.

Since inception of the eradication campaign in February 1962, half of the costs have been paid by the federal government, the other half by the livestock industry and state governments in Texas, New Mexico, Oklahoma, Arkansas and Louisiana. The livestock industry, through the Southwest Animal Health Research Foundation, has raised nearly \$4 million on a voluntary basis.

Dolph Briscoe, Jr., Foundation president of Uvalde, praised the action of Congress, stating that it "assured protection of all states from reinfestation by screworms which have caused up to \$100 million damage annually."

EDITORIAL

By Celia Houston

As the school year flies past, students become more involved with activities. Each class has at least one big goal to reach during the year and it is most important that each student does his best in contributing to the reaching of that goal.

The year is just beginning when most students pledge their loyal service to helping their class more than they did last year. As it always happens, the excitement of the new year wears off and less enthusiasm is shown. Gradually, the responsibility of getting things done is placed on the shoulders of the few dependable ones. They are then given the job of possibly two or three people.

Each of us is expected to keep interest in his class and its activities. The class receives credit for reaching its goal, and it is only fair that each member should aid in reaching the goal.

ACHIEVEMENT TESTS GIVEN

By Vicki Lynn Montgomery

All day Monday and half of Tuesday the students of Ozona High School were given tests. The Iowa Tests of Educational Development have been given annually since 1959 to the students of the high school.

The students were tested in social studies, natural sciences, correctness of expression, quantitative of thinking, general vocabulary, reading social studies, reading natural sciences, and reading literature.

These tests concentrated on broad intellectual skills and understanding. The ability to use what a student has learned rather than on sheer knowledge of names, dates, and formulas is test-

ed. Although all the students take the same test, each grade is scored separately. The tests are graded in regard to scores made by students in other high schools across the nation.

The results of these will be mailed to parents as soon as possible.

SPORTS

Pon Seahorn

The Ozona Lions fell to the Sonora Broncos Friday night in a determining contest for the District 8-A crown.

Although it was a clean game having only two penalties, both by Sonora, both teams gave all they had from start to finish. The Broncos tallied once in the first half and once in the second half leaving the score 13-0 at the end of the game.

The loss of this game put the Lions second in district ratings. Their season record is now 5-3, and a 4-2 district standing.

Tomorrow the Lions will travel to Iraan to face the Braves in another district contest.

Other district games last Friday were: Iraan over Junction, Big Lake beat Menard, and Eldorado stopped Rankin.

Some college games were: S. M. U. upset Texas, Texas Tech. downed Rice, Arkansas beat Texas A&M and T. C. U. slipped by Baylor.

School will be turned out Wednesday, November 24 at 2:40 for the Thanksgiving holidays. Seventh period will be omitted on that day. There will be a four day holiday, after which school will resume on Monday, November 29 at the regular time.

FRUIT CAKE SALE STILL CONTINUES

Members of the Senior Class are still selling fruit cakes and will continue to take orders for the cakes to be delivered for Thanksgiving until November 11th. The Cakes, having different weight of two pounds, three pounds, and five pounds, will also be sold for the Christmas holidays, prices differ according to the weight.

Anyone who has not yet been contacted and wishes to purchase a cake may call any member of the Senior Class to place his order.

CONTEST WINNERS ANNOUNCED

By Kathy McAlister

Winners of the three contest were announced last week at the pep rally. The Juniors won the sign contest this year. Their sign was a sawhorse covered with

red and black crepe paper and a horse's head and tail to represent the Broncos. It was covered with enough stuffed lions to represent each member, manager, and coach of the Lion team. The display was at the end of the hall by the auditorium.

Of course there was the usual "fight to the end" box contest. But, there was a change in the winners this year. In the past few years the Freshmen have taken the honor, but, this year the Sophomores were awarded the \$5 for winning.

A new contest was added this year. This being the car decorating contest. Many decorated their cars with crepe paper, paint, and anything to help represent OHS First prize went to Kay Kyle. Kay's car was outlined with yellow flowers and a sign on front and back saying "Dandy Lions". Second prize went to Marsha Moore. Her car had a lion's den setting on top and some little lions setting around the rest of the car. Chris Clegg took third prize. Chris' car had a hobby horse representing the Sonora Bronco on top of the car. She put a stuffed Lion on the front of the car with a rope in his mouth tied around the horse's neck.

Each winner was awarded a box of candy.

THE NIGHT OF GRADUATION

By Helen Hayes

We go to school
 To get an education.
 It's supposed to help us
 After graduation,
 But it's sure a lot of work
 For just a college admission.
 We hate verbs
 And their conjugation,
 Not to mention math
 And its enumeration.

Over and over again
 You keep saying it's the end,
 And I say you're right.
 Tonight is the night
 Of graduation.
 Where there once was ignorance
 There's now just confusion.
 The teachers hope we understand,
 But that's just an illusion.
 They only want answers,
 And they just get evasions.
 Don't forget the work
 Of the administration.
 After a licking,
 Count the bruises and abrasions.

Over and over again
 You keep saying it's the end,
 And I say you're right.
 Tonight is the night
 Of graduation.

GIRLS' BASKETBALL ROSTER RELEASED

The 1965-1966 Lionettes' basketball team was announced Friday afternoon by Coach Ron Murdock. Twenty-five girls made the team this year. Fifteen of these are returning from last year.

This year's line-up consists of Seniors Lynn Cox, Vicki Montgomery, Mary Payne, and Lana Alford; Juniors are Cookie Coates, Janie Edgerton, and Roblen Miller, Lellee Mitchell; Sophomores are Marjorie Carnes, Bonnie Carson, Peggy Hagelstein, Helen King, Beverly Loudamy, Deborah Mills, Lorrain Payne, Connie Williams, Jacque Tankersley, and Jerri Lynn Morrison; Freshman are Diltzie Bland, Chris Clegg, Candy Clingan, Debbie Moore, Marsha Moore, Patsy Pearl, Patricia Whitley and Diane Willmon.

The managers this year are Donna Moore, Senior and Esther Williams, Junior.

The girls will play their first game November 22, against McCamey.

QUESTION OF THE WEEK

By Lynn Cox

Did you trick or treat Halloween night?

Donna M — Depends on if you consider Sophia Loren a trick or a treat? (Ask Geo.)

Kathy Mc — I treated all the little kiddies with lots of candy.

Pon S — I treated a trick. Janie E — I treated myself to reading eight pages of my library book.

Matias F — I treated myself to full night's sleep.

Celia H — Neither — I was tricked by Maxie!

Diltzie B — I was tricked by a treat.

Helen K — The same goes for me as Bland.

David L — I treated myself to an exciting night riding around Ozona.

Lana A — I treated Randy with letting him take my car on our date.

Vicki Lynn M — You might say I did a little of both.

Buddy F — I had a big ole treat!

GOSSIP!

Margie C, isn't one enough Celia H, where were you when Maxie came to see you? Who pulled a big trick Saturday night? How about it Mary Ann P.!

Kay K, how long did it take you and your helpers to decorate your winning car??

Marsha M, and Chris, are you getting fat on that candy?

Were those giant fire —

files on the field at time Friday night or they have been the two.

Why were those airplanes flying so low last week?

Does Gary E really more jokes than anyone school?

Was there really a head on the flag pole Wednesday night?

Lynn C, why were you dressed up Sunday night? What happened to Fife's house?

Are there reaches in girls' basketball room?

What five girls went to (Continued on Page 6)

Because of his circular shape, Dumpty rolled nearly half a mile down a rock-strewn hill after his great fall. He was found at the bottom by a group of school children, who unfortunately first mistook him for a beach ball and kick him several yards further before they discovered their error.

Dumpty's attending doctors, some of whom are personal physicians to the royal family, gave little hope for their patient's recovery. A spokesman for the doctors termed ridiculous the rumor that palace horses were in anyway being used in treatment.

Well, that's it kiddies. Join Mother Duck again next week when she will bring you another tale of Nursery News.

WHAT IF

By David Lewis

The Juniors didn't have to keep changing film rolls at their movie Saturday night.

Chuy T. had fallen off his horse last Thursday night.

The Lions Roar staff had not gotten in trouble over the Aggie jokes printed in the last Lions' Roar.

The Seniors would have enough people to work in the concession stand.

The Freshmen had won the sign contest!

The Sophomores didn't have a tractor under their boxes when the boxes were judged.

Some girls didn't swap dates on Saturday nights.

All the Seniors read their books for English.

Mr. Fife's house had got papered.

All of the boys made it to choir on time every morning.

Helen K., Jill A., Cynthia M., and Diltze B. could bowl.

NURSERY NEWS

YOU won't KNOW yourself!

Dressing up is always fun! Whether it's Hallowe'en, Mardi Gras, a Hawaiian luau or a masquerade ball, almost everyone of every age enjoys wearing a costume. It makes us feel "different" . . . less restrained and more light-hearted. Perhaps it's a relief to leave our everyday self at home for a while. For many of us, that tired, worried, unhappy self is far from satisfactory but we seem to be stuck with it.

Yet consider this. The burden of self that we carry is unnecessary . . . and we have a standing invitation to lay it down! One of the joys of following Jesus is that we must "leave self behind." There is no place in the Christian life for worry or woe, because the logical sequences of faith in God are contentment and serenity. Yes, the gloomiest pessimists become clear-visioned optimists when they are filled with the light that only God can give.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sonora Game —

(Continued from Page One)

battle of defensive units and both teams used their punting game to good advantage, with Lion halfback George Cox quick kicking for 68 yards.

The Broncos began their scoring drive from their own 20 midway through the second quarter. Facing a third and 10 situation at their own 32, quarterback Cook passed to Ben Perez, for 43 yards. Following two 9 yard receptions by end Mario Sanchez, Sonora scored from the 5 yard line with Eddie Howell, 175 pounder, going off tackle. Mike Wuest kicked the extra point.

Receiving the kick off, Ozona began a drive from its own 24 yard line. Cox went to the 27 on drive off right end; T. DeHoyos picked up 2; Billy Carson passed 21 yards to Pon Seahorn; Cox found running room and sped for 26 yards; the Lions then gained 9 yards in four tries and Sonora took over at their own 18 yard line.

The Lions threatened to score the tying touchdown on the kickoff opening the third quarter of play. Taking the kick at his own 15, Carson went 68 yards down the right sidelines to the Sonora 17 yard line before he was hauled down. On the next play the Lions lost a good opportunity to go on in for a score when the Broncos recovered a Lion fumble at the 18.

Nursing a slim 7 point lead halfway through the fourth quarter, Sonora moved 58 yards for its second TD. Once again it was Cook passing for 45 yards on three completions, hitting Howell on a 27 yarder for the tally. Wuest again converted and Sonora led 14-0 with 5 minutes and 5 seconds remaining in the game.

Refusing to admit defeat, the Lions received the kickoff and marched inside the Sonora 30 before they ran out of downs. Spearheading the drive was the combination of Carson and Seahorn. Seahorn grabbed passes good for 15, 6, and 13 yards. T. DeHoyos speared one pass for 6 yards. Sonora had the ball wit less than a minute to play — content to let the clock run out.

Injuries received earlier in the week and during the Big Lake game handicapped the Lions severely. Freshman quarterback Randel Clepper did not see action because of a head injury and halfback Randy Upham was suffering from a leg injury — unable to run effectively from his right half spot.

Statistics wise the Lions had 7 first down and Sonora 15. The Lions rushed for 83 yard and the Broncos 143. Ozona picked 68 yards on 6 completions, and Sonora gained 149 on eight receptions. Ozona averaged 44 yards on 5 punts, and Sonora 41 on 3 punts. Sonora was assessed 1 penalty for 15 yards, and the Lions were not penalized.

The entire Lions defensive unit put forth a supreme effort — containing the bevy of Bronco backs with good consistency. Larry Williams, senior linebacker, was credited with 13 tackles; Tijerina, 10; Seahorn, 8; Sutton and Ramos, 7; Flores, 5; and Cox and Lewis, 4 each.

Howell and Mike Gosney, 165 pound halfback, led the Sonora rushers, and Cox led the Lion rushers with 46 yards. Seahorn caught 4 passes for 54 yards.

Toy Workshop Is Planned By WSCS

Executive Board of the Womens Society of Christian Service met at the Methodist Church Wednesday morning, November 3.

The toy workshop for the Community Center to be held November 17 was discussed. Members and all others interested were asked to bring their contributions to the workshop.

It was announced that a district mission rally will be held in Sonora at the Methodist Church November 10 at 7:30 p. m.

Next week's program will feature a talk by J. A. Peltó on the school drop-out problem. All interested persons are asked to attend next Wednesday at 9:00 a. m. in the fellowship hall.

Eldorado Final Opponent for Jr. Hi and B Squads

Football season ends for the Junior High and B team squads this afternoon at Lion Stadium with a triple-header against the Eldorado teams. The undefeated seventh grade Cubs will kick-off at 4:00 p. m. Earlier in the season the little Cubs beat the heavier Eldorado crew 8-0 on the Eldorado field, while the eighth grade Cubs and Lion B suffered losses.

Last Thursday afternoon at Big Lake, the Cubs took a 28-16 licking while the Lion B lost 28-12 in a real thriller.

In the first game the Owlets drove upfield 80 yards to score the first touchdown but were held to 6 points when the try for points failed. Holding the sluggish Cubs to four downs, they took over and ran 65 yards for the second score, going ahead 12-0 in the first quarter. The Cubs pulled themselves together in the second quarter with Richard Sanchez chalking up a couple of first downs before a fumble, with the Owlets recovering, saw Big Lake score again and go in for the extra points. The score was 20-0 at halftime.

After the half the Cubs got in the ball game when David Pagan ran 45 yards on a pass play from Cullens and Sanchez ran in for the extra points. Big Lake scored a

gain and the seventh grade squad took over in the fourth with the Owlets leading 28-6.

The determined little crew drove 60 yards for the score with Philip Perner carrying the ball and four Big Lake men from the 5 yard line for the touchdown. Pagan ran in standing up for the extra two and the game ended 28-16.

Penalties and fumbles at crucial moments broke the back of the Lion B. Big Lake scored in the first quarter with seven minutes to go after the Lions fumbled on their own 30. The try for extra points was no good. The Lions came back to tie the game 6-6 on an 80 yard dive with speedy Fleet Coates going in for the touchdown after a completed pass from Donald Huff to Larry Kilgore set up the score. Penalties held the Lions to a standstill in the second quarter with Big Lake picking up another 8 points to go out ahead 14-6 at the half.

After the half the Lions came back to score again when a 40 yard run by Cervantes put them in scoring position and Cervantes, carrying again, went over for the touchdown. The try for extra points was no good.

Plagued by bad breaks, the Lions set up another Big Lake score when they allowed a pass interception on their own 15 yard line to put the Owlets out ahead 20-12. In the last few seconds of the game the Owlets scored again and ran for extra points to wrap it up 28-12.

Ozona Soldier —

(Continued from Page One)

before but, by golly, a fellow needs a snor- to go to bed, I think I'm getting a little out of hand. When it rains hard over here, things coming out of the ground that I never even dreamed lived in the ground and they don't make the bed-buddies. Aside from being miserable every minute, I rather kinda proud, for this was the biggest operation ever conducted over here. In the news, we judge it out fairly well. Lest- we did so well, we were gratulated from the Gen- all the way down to the Company mascots. The area we were locat- in was very close to the ground. Ground troops were all around us for plenty, but that sure didn't keep a fellow from glancing over his shoulder from time to time. In our particular situation, we had 7 refueling sets set up. Around my

point were 2 machine gun nests so I felt rather at ease. The main purpose of our operation was to keep something over 100 aircraft fueled and in the air. "Nearby in a certain area they were dropping and picking up troops I know it was plenty 'hot' over there, for we could hear the firing. Many of the helicopters made assaults on this area, and needless to say, there were quite a few shot up. I was pretty thankful not to be in those shot up ships, but at times I believe I'd have gone with them just to get out of the water for a while. "We worked plenty hard and I was never dry once. After a few of the ships came in all shot up and some of the fellows wounded, I didn't feel much like complaining any more. I'll tell you, when a ship has a few fellows bleeding pretty bad in it, and they need fuel in a hurry to get back to the Co. area, you do your best to break a few records. Well, we did that and got many thanks for our trouble.

"I saw some pretty shot up guys and a few I knew got the worst end of it. The V. C. aren't particular, for a Major was shot through the head, and another officer shot in the belly with a shotgun. I hate to let you have all these gory facts but that's what they are — facts. . .

"Some of the aircraft were so badly shot up they didn't fly too well, and some didn't fly at all. I remember one coming in to my point and just as he sat down, a big section of the bubble under the pilot's feet fell off to the ground. It was full of holes and I went up to the officer piloting the ship and said, 'Sir, a large piece of your right hand bottom bubble just fell off on the ground.' He just smiled and said, 'That's all right, son, we need some fresh air in here anyway.' So, I filled him up and back he went. A sure enough brave bunch of guys those, and it make a fellow feel like we can't help but win the war."

And maybe we'd best be thankful that Deane and those other "brave guys" are defending America and not the marching, chanting, card burning hoodlums — though we'd like to see a solid phalanx of the latter lined up as a sort of breastworks for the American fighting men in Viet Nam — each one tied to a bush so he couldn't run.

"Ozona seems like a far-away paradise," wrote Deane. "I know there are folks who like to find fault in that little 'bura' and I sure wish those same could be over here with me a while. I guarantee all the 'faults' would fast be forgotten."

Ozonans Attend OES Grand Chapter Meet In Ft. Worth

Mrs. Kaleta Shepperson, Mrs. Donna Hightower and Mrs. Mozelle Houston of Ozona Chapter No. 287 attended the "Autumn Enchantment" session of the Grand Chapter of Texas O. E. S. in Fort Worth.

Mrs. Amy Gobel, Worthy Grand Matron, and Dr. James H. Goettee, Worthy Grand Patron, dedicated the session to the worthy matrons and patrons who served under them.

Mrs. Shepperson served as a Grand Page during the session held October 25 through 28. District five, which in-

cludes Ozona chapter, honored Mrs. Nancy Bailey of San Antonio, Grand Conduress, with a "Cinco de Tejas" banquet. At the banquet dressed in colorful costumes of Mexico, Mrs. Shepperson portrayed Mrs. Amy Gobel, retiring Worthy Grand Matron, and Arch Edmiston of Ft. McKavett portrayed Dr. James H. Goettee, retiring Worthy Grand Patron.

The three Ozonans attending the Grand Chapter session found it very interesting and impressive.

Mr. and Mrs. Bill Pagan entertained Mr. Pagan's sister and her husband the past week, Mr. and Mrs. A. J. Phillips of Hale Center.

time, I ain't no genius".
— k k —
I'd like to say a belated "happy birthday" to a pioneer Ozona resident who was 91 years old yesterday. Mrs. W. H. Augustine who moved to Crockett County in 1898, reared six children and has lived in the same house for sixty years. That must be some sort of record in this modern day of change.

— k k —
Deene Holden, who is serving with the armed forces in Viet Nam, wrote a six-page note expressing his thanks for the letters he has received from friends and well-wishers here in Ozona. Said they were a tremendous boost to his morale. He promised to write us from time to time telling some of his experiences. We are looking forward to his letters. Deene has a terrific talent for writing and after reading some of his letters to his parents, I almost feel like I'm right there.

— k k —
I notice via network television that the "Vietniks" are now working on high school campuses passing out literature to students with information on how to avoid fighting in Viet Nam or being drafted for that matter. I'll say one thing for them, they are really working at it.

While we are assured daily that this is only a small proportion of the youth of the nation, the "Vietniks" go their way sowing their seeds of treason and taking full advantage of the freedom they hold so lightly, aided and abetted by some of our leading educators.

As the mother of a pre-draft age son, I shudder at the thought of war. I would much prefer to write off Viet Nam, bring our boys home and forget it. I would like to ignore communism, but that is pure fantasy for one who believes in individualism, free enterprise, and all the ideals that constitute the American way of life.

We are committed in Viet Nam whether we like it or not and all real Americans should take a stand behind our leaders in a concentrated effort to win this war. The

communist inspired groups who are daily committing treason on our streets and campuses should be charged with such and dealt with accordingly.

Jimmie Evans Becomes Owner Of Bradbury's

Bradbury's acquired a new owner Monday when Jimmie Evans purchased the men's wear store from Bill Bradbury who has owned and operated it the past five years.

Evans grew up in the grocery business and lived in Ozona about three years ago when he worked for several months at Evans Foodway while it was still under his father's ownership. He moved here from Kerrville where he was engaged in selling real estate. Evans plans no change in the operation of the store and has started restocking. He stated that he plans to have a formal opening in the near future. He has renamed the store Jim's Gent Shop.

Bill Bradbury sold the business for reasons of health and plans to retire from active business. He said his plans for the future are uncertain and that he and Mrs. Bradbury will probably be in Ozona for some time to come. Bradbury has been in the men's clothing business since 1912.

Woman's League's Bazaar Nov. 23

Plans are well underway for the Ozona Woman's League's annual gift bazaar to be held November 23, at the Civic Center.

The only fund raising event of the year for the League, the proceeds go toward financing the club's budget. The budget this year consists of \$165.00 for the science scholarship, \$32.00 for two Boy Scouts camperships, \$147.00 for permanent equipment for Girl Scouts, \$50.00 toward supplies for the summer reading course at the Community Center. The League bought glasses for a South Elementary student and maintains a revolving loan fund, which is available to college students, interest free. An Ozona girl finished college last year with the help of the loan fund and it is being used this year by an Ozona boy.
Each member of the League

contributes twenty items for sale at the bazaar. Items of handwork and baked goods are made by the members themselves. A large selection of gift items, Christmas decorations and food will be available at nominal prices to the general public during the bazaar hours of 10:00 a. m. to 5:00 p. m.

High light of the bazaar will be the drawing for the lamb pelt rug to be given away the day of the event. The rug is being displayed now in various stores in town. Tickets are on sale now for \$1.00 each and may be obtained from League members until drawing time the 23rd.

Farris, knee; Sandy Stokes, knee; Billy Carson, knee; David Lewis, knee; Randy Upham, leg; Gary Sutton, neck; Rande Clepper, head injury; Pon Seahorn, bruised rib.

Coach Mosley was uncertain concerning the probable starters tomorrow night — depending on the physical condition of several Lions.

As usual the Ozona Lions line will be outweighed several pounds per man as the Braves have a veteran line with most of it intact from last year. Iraan is one of the few teams in West Texas to operate out of the single wing, and the Lions will be facing this formation for the first time this year.

'66 Chevrolet Impala Sport Coupe— with crisp-lined new Body by Fisher

1. NEW TURBO-JET V8's. Three versions of this remarkably efficient engine are available, with ratings of 325 hp, 390 hp and 425 hp. 2. RICHER NEW INTERIORS. They're impressive even by Impala standards. And the fine hand of Body by Fisher craftsmen-

ship is very much in evidence. 3. CRISP NEW STYLING. More elegant from V-shaped grille to new wrap-around taillights. 4. A JET-SMOOTHER RIDE. Refinements in body, frame and suspension (including Full Coil springs tailored to each body style)

make the ride even gentler. 5. RACY SUPER SPORT MODELS. Pick an Impala SS Coupe or Convertible, complete with new Strato-bucket front seats and eye-catching console. 6. NEW SAFETY FEATURES. They include windshield washer, two-speed electric wipers,

rear seat belts and backup lights—all standard on every '66 Chevrolet. 7. OVER 200 CUSTOM FEATURES. You can have a field day ordering luxuries like FM stereo radio. Want to raise your standard of living it up? Your Chevrolet dealer's the man to see.
